**DECLARATION OF NORMAN BLUMENTHAL
IN SUPPORT OF MOTION FOR FINAL
APPROVAL OF CLASS SETTLEMENT,
ATTORNEYS' FEES, COSTS AND SERVICE
AWARDS**

Hearing Date: March 20, 2026

Hearing Time: 1:30 p.m.

[Hearing scheduled by Order dated October 31,
2025]

Judge: Hon. Katherine Bacal

Dept.: 63

Date Action Filed: March 20, 2024

Trial Date: Not set

1 I, NORMAN B. BLUMENTHAL, declare as follows:

2 1. I am the managing partner of the law firm of Blumenthal Nordrehaug Bhowmik De
3 Blouw LLP, counsel of record for Plaintiffs Maria Sanchez and Paul Williams (“Plaintiffs”) in this
4 matter. As such, I am fully familiar with the facts, pleadings and history of this matter. The following
5 facts are within my own personal knowledge, and if called as a witness, I could testify competently to the
6 matters stated herein. This declaration is being submitted in support to the Plaintiffs’ motion for final
7 approval of the class settlement, including attorneys’ fees, costs and service awards.

8 2. Over the course of the litigation, a number of attorneys in my firm have worked on this
9 matter. Their credentials are reflected in the Blumenthal Nordrehaug Bhowmik De Blouw LLP firm
10 resume, a true and correct copy of which is attached hereto as Exhibit #1. Some of the major cases our
11 firm has undertaken are also set forth in Exhibit #1. The bulk of the attorneys involved in this matter at
12 Blumenthal Nordrehaug Bhowmik De Blouw LLP have had substantial class litigation experience in the
13 areas of employment class actions, unfair business practices and other complex litigation. The attorneys
14 at my firm have extensive experience in cases involving labor code violations and overtime claims. Class
15 Counsel has litigated similar overtime cases against other employers on behalf of employees, including
16 cases against Sharp Healthcare, Walmart, Legoland, Cigna, HealthNet, Positive Behavior, See’s Candies,
17 Securitas, Okta, Advanced Home Health, El Pollo Loco, Total Renal, Panda Express, Walt Disney
18 Resorts, Pharmaca, Nortek Security, California Fine Wine, Solarcity, Walgreens, Space Exploration,
19 Union Bank, Verizon, Apple, Wells Fargo, Kaiser, Universal Protection Services, and California State
20 Automobile Association. Class Counsel have been approved as experienced class counsel during
21 contested motions in state and federal courts throughout California. It is this level of experience which
22 enabled the firm to undertake the instant matter and to successfully combat the resources of the
23 defendants and their capable and experienced counsel. Class Counsel have participated in every aspect
24 of the settlement discussions and have concluded the settlement is fair, adequate and reasonable and in
25 the best interests of the Class.

26
27 3. Summary of the Proposed Settlement.

28 (a) A true and correct copy of the Class Action and PAGA Settlement Agreement (the

1 “Agreement”) between the parties is attached hereto as Exhibit #2. Plaintiffs and Defendant Mission Bay
2 Management, LLC (“Defendant”) reached a full and final settlement of the above-captioned action, which
3 is embodied in the Agreement filed concurrently with the Court. As consideration for this Settlement, the
4 Gross Settlement Amount to be paid by Defendant is Eight Hundred Fifty Thousand Dollars (\$850,000).
5 (Agreement at ¶¶ 1.23.) Under the Settlement, the Gross Settlement Amount consists of the following
6 elements: (1) payment of the Individual Class Payments to the Participating Class Members; (2) Class
7 Counsel Fees Payment and Class Counsel Litigation Expenses Payment; (3) Administration Expenses
8 Payment; (4) the Class Representative Service Payments to the Plaintiffs; and (5) the PAGA Penalties
9 payment. (Agreement at ¶ 1.23.)

10 (b) The Gross Settlement Amount does not include Defendant's share of payroll taxes which
11 Defendant shall separately pay. (Agreement at ¶ 3.1.) The Gross Settlement Amount shall be all-in with
12 no reversion to Defendant. (Agreement at ¶ 3.1.)

13 (c) Defendant shall fund the Gross Settlement Amount and the amount necessary to pay payroll
14 taxes no later than forty-five (45) days after the Effective Date. (Agreement at ¶ 4.3.) The distribution
15 of Individual Class Payments to Participating Class Members along with the other Court-approved
16 distributions shall be made within 14 days after the Defendant funds the settlement. (Agreement at ¶ 5.1.)

17 (d) The amount remaining in the Gross Settlement Amount after the deduction of
18 Court-approved amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class
19 Representative Service Payments, the Class Counsel Fees Payment, the Class Counsel Litigation
20 Expenses Payment, and the Administration Expenses Payment (called the "Net Settlement Amount") shall
21 be allocated to Class Members as their Individual Class Payments. (Agreement at ¶¶ 1.29 and 3.2.) From
22 the Net Settlement Amount, the Individual Class Payment for each Participating Class Member will be
23 calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all
24 Participating Class Members during the Class Period and (b) multiplying the result by each Participating
25 Class Member's Workweeks. (Agreement at ¶ 3.2(e).) Workweeks will initially be based on Defendant's
26 records, however, Class Members will have the right to challenge the number of Workweeks.

27 (e) Class Members may choose to opt-out of the Settlement by following the directions in the
28 Class Notice. (Agreement at ¶ 8.5, Ex. A.) The Class Notice provides that Class Members shall have

1 sixty (60) days from the date that the Class Notice is mailed to them (the "Response Deadline") to request
2 exclusion (opt-out) or to submit a written objection. (Agreement at ¶¶ 1.42, 8.5, 8.7.) All Class Members
3 who do not "opt out" will be deemed Participating Class Members who will be bound by the Settlement
4 and will be entitled to receive an Individual Class Payment. (Agreement at ¶ 8.5(c).) All Aggrieved
5 Employees will be paid their allocation of the PAGA Penalties and will be subject to the release of the
6 Released PAGA Claims regardless of any request for exclusion from the Class. (Agreement at ¶¶ 6.3 and
7 8.5(d).) Finally, the Class Notice will advise the Class Members of their right to object to the Settlement
8 and/or dispute their Workweeks. (Agreement at ¶¶ 8.6 and 8.7, Ex. A.)

9 (f) A Participating Class Member must cash his or her Individual Class Payment check within
10 180 days after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within 180 days will
11 be voided and any funds represented by such checks sent to a Court-approved nonprofit organization or
12 foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). (Agreement
13 at ¶ 5.4.) The Parties have agreed to propose "Children's Advocacy Institute" as the Cy Pres Recipient.
14 (Agreement at ¶ 5.4.) The Parties, Class Counsel and Defense Counsel have no interest or relationship,
15 financial or otherwise, with the intended Cy Pres Recipient.

16 (g) Apex Class Action LLC was appointed by the Court as the Administrator for the Settlement.
17 (Agreement at ¶ 1.2) From the Gross Settlement Amount, the Administrator will be paid for settlement
18 administration in an amount not to exceed \$14,000. (Agreement at ¶ 3.2(c).) As set forth in the Shim
19 Decl. at ¶ 18, the Administration Expenses Payment, including fees and costs incurred to-date, as well
20 as anticipated fees and costs for completion of the settlement administration, are \$12,750.

21 (h) Subject to Court approval, the Agreement provides for Class Counsel to be awarded a sum
22 not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment. (Agreement
23 at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of Class Counsel
24 Litigation Expenses Payment in an amount not to exceed \$30,000. (Agreement at ¶ 3.2(b).) Subject to
25 Court approval, the Agreement provides for a payment of no more than \$15,000 each to the Plaintiffs as
26
27
28

1 their Class Representative Service Payments.¹ In support of these requests for attorneys' fees,
2 reimbursement of expenses and service award, Class Counsel is providing evidentiary support, including
3 lodestar.

4 (i) Subject to Court approval, the PAGA Penalties will be paid from the Gross Settlement
5 Amount for PAGA penalties under the California Private Attorneys General Act, Cal. Labor Code Section
6 2698, et seq. ("PAGA"). The PAGA Penalties are \$20,000, to be allocated 75% (\$15,000) to the LWDA
7 PAGA Payment and 25% (\$5,000) to the Individual PAGA Payments. (Agreement at ¶ 3.2(d).) The
8 Individual PAGA Payments will be calculated by (a) dividing the amount of the Aggrieved Employees'
9 25% share of PAGA Penalties (\$5,000) by the total number of PAGA Pay Periods worked by all
10 Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved
11 Employee's PAGA Pay Periods. (Agreement at ¶ 3.2(d).) As set forth in the accompanying proof of
12 service, the LWDA has been served with this motion and the Agreement.

13 (j) The Settlement is fair, adequate and reasonable to the class and should be finally approved for
14 the same reasons the Court granted preliminary approval of the Settlement, agreeing that the settlement
15 is "fair, adequate and reasonable." (Preliminary Approval Order at ¶ 3.) In sum, the Settlement valued
16 at \$850,000 is an excellent result for the Class. This result is particularly favorable in light of the fact that
17 liability and class certification in this case were far from certain in light of the defenses asserted by
18 Defendant. Given the complexities of this case, the defenses asserted, the uncertainty of class
19 certification, along with the uncertainties of proof at trial and appeal, the proposed settlement is fair,
20 reasonable and adequate, and should be finally approved.

21
22
23 ¹ Plaintiff Sanchez has additional individual claims against Defendant that Plaintiff Sanchez is
24 separately settling. Plaintiff Sanchez will be separately paid for resolution of these individual claims
25 arising out of his employment with Defendant, including Plaintiff's complaint made with the Equal
26 Employment Opportunity Commission ("EEOC"), case no. 37A-2025-01494 and her claim with the
27 California Civil Rights Department, Case No. 202408-25964526, alleging claims related to her
28 employment as set forth in a separate confidential individual settlement agreement that will include a
waiver of rights under Civil Code § 1542. These individual claims are based on separate and different
facts than the class claims, and the resolution of these individual claims is not being paid from the Gross
Settlement Amount.

1 4. Procedural status of the settlement - In accordance with the Preliminary Approval Order
2 dated October 31, 2025 ("Preliminary Approval Order"), the approved Class Notice has been
3 disseminated to the Class. The reaction of the Class unequivocally supports approval of the Settlement.
4 On December 15, 2025, the Administrator mailed the Court-approved Class Notice to the Class Members,
5 which provided each class member with the terms of the Settlement, including notice of the claims at
6 issue and the financial terms of the settlement, including the attorneys' fees, costs, and service awards that
7 were being sought, how individual settlement awards would be calculated, and the specific, estimated
8 payment amount to that individual. See Declaration of Stacey Shim ("Shim Decl.") ¶ 7, Exh. A. In
9 disseminating the notice, the Administrator followed the notice procedures authorized by the Court in its
10 Preliminary Approval Order. Significantly, there have been no objections and no requests to opt-out.
11 Shim Decl. ¶¶ 10-11. As such, the entire Class (100%) will participate in the Settlement and will be sent
12 a settlement check. Shim Decl. ¶ 13

13
14 5. Description of Plaintiffs' claims - The Action generally alleges that Plaintiffs and other
15 Class Members were not properly paid all overtime wages for hours worked and at the correct rate of pay,
16 were not provided meal and rest periods or paid premiums at the correct rate of pay in lieu thereof, were
17 not timely paid earned wages, were not provided reimbursement for required expenses, were not provided
18 accurate itemized wage statements, were not pay all sick wages and the correct rate of pay, and were not
19 paid all wages at the time of termination. The Action seeks unpaid wages, penalties, attorney fees,
20 litigation costs, and any other equitable or legal relief allegedly due and owing to Plaintiffs and the other
21 Class Members by virtue of the foregoing claims.

22
23 6. Procedural History of the Litigation

24 (a) On December 6, 2023, Plaintiff Sanchez filed with the LWDA and served on Defendant a
25 notice under Labor Code section 2699.3 identifying the alleged Labor Code violations to recover civil
26 penalties on behalf of Aggrieved Employees for alleged violations of Labor Code §§ 201, 202, 203, 204
27 et seq., 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802,
28 California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of

1 Regulations, Title 8, Section 1 1070(14) (Failure to Provide Seating), and Violation of the applicable
2 Industrial Welfare Commission Wage Order(s), and included a draft of the Complaint as an exhibit.

3 (b) On March 20, 2024, Plaintiff Sanchez commenced this Action by filing a Complaint against
4 Defendant in the Superior Court of the State of California, County of San Diego ("Class Action"). This
5 Class Action Complaint asserted class claims against Defendant for: (1) unfair competition in violation
6 of Cal. Bus & Prof. Code §§ 17200, et seq.; (2) failure to to pay minimum wages in violation of
7 California Labor Code §§ 1194, 1197, and 1197.1; (3) failure to pay overtime wages in violation of
8 California Labor Code §§ 510, 1194 & 1198; (4) failure to provide required meal periods in violation of
9 Cal. Labor Code §§ 226.7 and 512; (5) failure to provide required rest periods in violation of Cal. Labor
10 Code §§ 226.7 and 512; (6) failure to provide accurate itemized wage statements in violation of California
11 Labor Code § 226; (7) failure to reimburse employees for required expenses in violation of California
12 Labor Code § 2802; and, (8) failure to pay sick pay wages in violation of California Labor Code §§
13 201-204, 233, and 246. On ay 28, 2024, Plaintiff Sanchez filed a complaint against Defendant in the
14 Superior Court of the State of California, County of San Diego ("PAGA Action"). The PAGA Action
15 complaint asserted a claim that Defendant violated the Private Attorney General Act, Cal. Labor Code
16 §§ 2698, et seq. ("PAGA"). On August 28, 2024, the Court deemed the two actions related and
17 reassigned the PAGA Action to the same judge and department as the Class Action.

18 (c) On June 27, 2025, Plaintiffs filed a First Amended Complaint in the Class Action, adding the
19 claims alleged in the PAGA Action and Paul Williams as a named plaintiff. The First Amended
20 Complaint in the Class Action is the operative complaint (the "Operative Complaint").

21 (d) Over the course of litigation, the Parties engaged in the investigation of the claims, including
22 informal discovery and the production of documents, class data, and other information, allowing for the
23 full and complete analysis of liabilities and defenses to the claims in the Action. The information for
24 mediation obtained by Plaintiffs included: (1) data concerning the class; (2) payroll data and time punch
25 data for the Class covering 144 employees, 39,839 shifts and 10,653 workweeks; (3) Defendant's wage
26 and hour policies; (4) the employment files for the Plaintiffs; and, (5) samples of wage statements
27 provided by Defendant. As such, Class Counsel received the data and information for the Class, which
28 was sufficient for Plaintiffs' expert to prepare the valuations of the claims for the Class.

1 (e) Class Counsel has extensive experience in litigating wage and hour class actions in California.
2 The Parties have vigorously litigated the Action since inception. During the course of litigation, the
3 Parties each performed analysis of the merits and value of the claims. Plaintiffs and Defendant have
4 engaged in significant research and investigation in connection with the Actions. Class Counsel has
5 thoroughly analyzed the value of the claims during the prosecution of this Actions and utilized an expert
6 to perform an analysis of the data and valuation of the claims.

7 (f) Plaintiffs and Defendant agreed to discuss resolution of the Action through a mediation. Prior
8 to mediation, the Parties engaged in the above investigation and the exchange of documents and
9 information in connection with the Action. On March 19, 2025, the Parties participated in an all-day
10 mediation presided over by Louis Marlin, a respected and experienced mediator of wage and hour class
11 actions. Following the mediation, the Parties agreed to settle the Action based upon a mediator's proposal
12 which was memorialized in the form of a Memorandum of Understanding. The Parties then negotiated
13 the final terms of the settlement as set forth in the Agreement. At all times, the negotiations were arm's
14 length and contentious.

15 (g) Although a settlement has been reached, Defendant denies any liability or wrongdoing of any
16 kind associated with the claims alleged in the Actions and further denies that, for any purpose other than
17 settlement, the Actions are appropriate for class and/or representative treatment. Defendant contends,
18 among other things, that it has complied at all times with the California Labor Code, applicable Wage
19 Order, and all other laws and regulations. Further, Defendant contends that class certification is
20 inappropriate for any reason other than for settlement. Plaintiffs contend that Defendant violated
21 California wage and hour laws. Plaintiffs further contend that the Actions are appropriate for class
22 certification on the basis that the claims meet the requisites for class certification. Without admitting that
23 class certification is proper, Defendant has stipulated that the above Class may be certified for settlement
24 purposes only. (Agreement at ¶ 2.10.) The Parties agree that certification for settlement purposes is not
25 an admission that class certification is proper. Further, the Agreement is not admissible in this or any
26 other proceeding as evidence that the Class could be certified absent a settlement. Solely for purposes
27 of settling the Actions, the Parties stipulate and agree that the requisites for establishing class certification
28 with respect to the Class are satisfied.

1 (h) Class Counsel has conducted an investigation into the facts of the class action. Informal
2 discovery was obtained, which included the production of relevant documents and data. Class Counsel
3 engaged in a thorough review and analysis of the relevant documents and data with the assistance of an
4 expert. Accordingly, the agreement to settle did not occur until Class Counsel possessed sufficient
5 information to make an informed judgment regarding the likelihood of success on the merits and the
6 results that could be obtained through further litigation. In addition, Class Counsel previously negotiated
7 settlements with other employers in actions involving nearly identical issues and analogous defenses.
8 Based on the foregoing data and their own independent investigation, evaluation and experience, Class
9 Counsel believes that the settlement with Defendant on the terms set forth in the Agreement is fair,
10 reasonable, and adequate and is in the best interest of the Class in light of all known facts and
11 circumstances, including the risk of significant delay, defenses asserted by Defendant, and potential
12 appellate issues.

13
14 7. History of Settlement Discussions

15 (a) This settlement is the result of extensive and hard-fought litigation as well as negotiations
16 before an experienced and well-respected mediator. Defendant has expressly denied and continues to
17 deny any wrongdoing or legal liability arising out of the conduct alleged in the Action. Plaintiffs and
18 Class Counsel have determined that it is desirable and beneficial to the Class to resolve the Released
19 Class Claims of the Class in accordance with this Settlement, based upon the experience of Class Counsel
20 who has previously litigated similar claims against other employers.

21 (b) The Parties attended an arms-length mediation session with Louis Marlin, a respected and
22 experienced mediator of wage and hour class actions, in order to reach this Settlement. In preparation
23 for the mediation, Defendant provided Class Counsel with payroll, time and employment data, along with
24 other information regarding the Class Members, various internal documents, and other compensation and
25 employment-related materials. Class Counsel analyzed the data with the assistance of damages expert
26 Berger Consulting and prepared and submitted a mediation brief to the mediator. Following the all-day
27 mediation session, the Parties agreed to this Settlement based upon a mediator's proposal.

28 (c) From May 2025 to September 2025, the initial settlement agreement and exhibits thereto

1 were finalized and executed. On October 31, 2025, the Court issued its Order granting preliminary
2 approved of the settlement as fair, adequate, and reasonable to the Class.

3 (d) Plaintiffs and Class Counsel believe that this settlement is fair, reasonable and adequate. In
4 my judgment as experienced Class Counsel, this Settlement should be finally approved.

5
6 8. The outcome of this case would have been uncertain and fraught with risks.

7 (a) Here, a number of defenses asserted by Defendant present serious threats to the claims of the
8 Plaintiffs and the other Class Members. Defendant asserted that Defendant's practices complied with all
9 applicable Labor laws. Defendant argued that Class Members were paid for all time worked and that
10 work time was properly recorded. Defendant maintained there was no miscalculation of the regular rate
11 resulting in the underpayment of wages to the Plaintiffs and the Class. Defendant contends that its meal
12 and rest period policies fully complied with California law and that Defendant did not fail to provide the
13 opportunity for legally required meal and rest breaks. Defendant could argue that its payment of
14 significant meal and rest period premiums is evidence of its lawful practices. Defendant contends that
15 there was no failure to pay for business expenses and any cell phone usage was merely convenient and
16 voluntary such that reimbursement was not legally required. Finally, Defendant has an argument that
17 the Supreme Court decision in *Brinker v. Superior Court*, 53 Cal. 4th 1004 (2012), weakened Plaintiffs'
18 claims, on liability, value, and class certifiability as to the meal and rest period claims. Defendant also
19 argues that based on its facially lawful practices, Defendant acted in good faith and without willfulness,
20 which if accepted would negate the claims for waiting time penalties and/or inaccurate wage statements.
21 See e.g. *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024) ("if an employer reasonably
22 and in good faith believed it was providing a complete and accurate wage statement in compliance with
23 the requirements of section 226, then it has not knowingly and intentionally failed to comply with the
24 wage statement law.") If successful, Defendant's defenses could eliminate or substantially reduce any
25 recovery to the Class. While Plaintiffs believe that these defenses could be overcome, Defendant
26 maintains these defenses have merit and therefore present a serious risk to recovery by the Class. .

27 (b) There was also a significant risk that, if the Action was not settled, Plaintiffs would be unable
28 to obtain a certified class and maintain the certified class through trial, and thereby not recover on behalf

1 of any employees other than themselves. At the time of the mediation, Defendant forcefully opposed the
2 propriety of class certification, arguing that individual issues precluded class certification. Further, as
3 demonstrated by the California Supreme Court decision in *Duran v. U.S. Bank National Assn.*, 59 Cal.
4 4th 1 (2014), there are significant hurdles to overcome for a class-wide recovery even where the class has
5 been certified. While other cases have approved class certification in wage and hour claims, class
6 certification in this action was hotly disputed and the maintenance of a certified class through trial was
7 by no means a foregone conclusion.

8 (c) As demonstrated by the decision in *Duran*, the complexities and duration of further litigation
9 cannot be overstated. There is little doubt that Defendant would post a bond and appeal in the event of
10 an adverse judgment. A post-judgment appeal by Defendant would have required many more years to
11 resolve, assuming the judgment was affirmed. If the judgment was not affirmed in total, then the case
12 could have dragged on for years after the appeal. The benefits of a guaranteed recovery today outweigh
13 an uncertain result three or more years in the future. Plaintiffs and Class Counsel recognize the expense
14 and length of a trial against Defendant through possible appeals which could take at least another two or
15 three years. Class Counsel also have taken into account the uncertain outcome, the risk of litigation,
16 especially in complex actions such as this one. Class Counsel are also mindful of and recognize the
17 inherent problems of proof under, and alleged defenses to, the claims asserted in the Action. Moreover,
18 post-trial motions and appeals would have been inevitable. Costs would have mounted and recovery
19 would have been delayed if not denied, thereby reducing the benefits of an ultimate victory. The
20 Settlement confers substantial benefits upon the Class. Based upon their evaluation, Plaintiffs and Class
21 Counsel have determined that the Settlement set forth in the Agreement is in the best interest of the Class.

22 (d) The Settlement in this case is fair, reasonable and adequate considering Defendant's
23 defenses to Plaintiffs' claims. As set forth in the Declaration of Nordrehaug in support of preliminary
24 approval which discussed the value of the class claims in detail, the Gross Settlement Amount compares
25 favorably to the value of the claims. Based upon 808 Participating Class Members who collectively
26 worked an estimated 65,153 workweeks, the Gross Settlement Amount provides an average value of
27 \$1051.98 per Class Member and \$13.04 per workweek and after deductions the Net Settlement Amount
28 provides an average recovery of \$584.98 per Class Member and a recovery of \$7.25 per workweek. The

1 calculations to compensate for the amount due for the Class at the time of the mediation were calculated
2 by Berger Consulting, Plaintiffs' damage expert. As to the Class whose claims are at issue in this Action,
3 Plaintiffs used this expert to analyze the data and determine the potential unpaid wages for the employees.
4 The maximum potential damages were calculated to be \$1,300,672 for the alleged underpaid wages for
5 off-the-clock work at one hour per week, \$144,143 for the alleged unpaid meal break premiums and sick
6 pay due to the miscalculation of the regular rate, \$293,674 for alleged meal period damages based upon
7 a 10.6% potential violation rate for all shifts worked observed in the time records and after deducting for
8 meal premiums already paid by Defendant, \$244,633 for alleged rest period damages based upon the same
9 10.6% violation rate for shifts worked that was observed for meal period records and after deducting res
10 premiums already paid by Defendant, \$75,891 for alleged unreimbursed cell-phone expenses at \$5 per
11 month. As a result, the total damage valuation was calculated such that Defendant was subject to a
12 maximum damage claim in the amount of \$2,159,214. As to potential penalties, Plaintiffs calculated that
13 potential waiting time penalties were a maximum of \$1,833,392, and potential maximum wage statement
14 penalties were \$1,170,700. Defendant vigorously disputed Plaintiffs' calculations and exposure theories.
15 Consequently, the Gross Settlement Amount of \$850,000 represents more than 39% of the maximum
16 value of the alleged damages at issue in this case at the time this Settlement was negotiated.² Importantly,
17 the recent decision that good faith belief of compliance by the employer in *Naranjo v. Spectrum Sec.*
18 *Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024), could completely negate the claims for waiting time and wage
19 statement penalties, even if wages were owed to the Class. The above maximum calculations should then
20 be realistically risk-adjusted in consideration for both the risk of class certification and the risk of
21 establishing class-wide liability on all claims. Given the amount of the settlement as compared to the
22 potential value of claims in this case and the defenses asserted by Defendant, this settlement is fair and
23 reasonable.³ Clearly, the goal of this litigation has been met.

24
25 ² Because the PAGA claim is not a class claim and primarily is paid to the State of California,
26 Plaintiffs have not included the PAGA claim in this discussion of the value of the class claims. The
27 PAGA claim was addressed in the Motion for Preliminary Approval in the Declaration of Nordrehaug
28 at ¶33.

³ See *Glass v. UBS Fin. Servs.*, 2007 U.S. Dist. LEXIS 8476 (N.D. Cal. 2007) (approving a settlement where the settlement amount constituted approximately 25% of the estimated overtime

(e) In sum, the Settlement is a fair and reasonable result, and provides the Class with a significant recovery, particularly when viewed in light of the fact that the Defendant asserted serious and substantial defenses both to liability and to class certification. The maximum and average class member allocation are \$1,963.95 and \$586.53, respectively. See Shim Decl. at ¶15. Given the complexities of this case, the defenses, along with the uncertainties of proof and appeal, the proposed Settlement is fair, reasonable and adequate, and should be finally approved.

(f) It is impossible to predict with certainty whether, under the facts of this case, Plaintiffs would prevail against the Defendant's factual and legal defenses. While Plaintiffs and Class Counsel believe in the merits of the claims, Defendant has asserted real and substantial defenses to these claims and to class certification. Settlement in this case clearly benefits the Class when measuring the strengths of Plaintiffs' case and the risk of establishing class wide liability and damages.

ATTORNEYS' FEES, LITIGATION EXPENSES AND SERVICE AWARD

9. The Agreement For The Payment of Fees and Expenses Should Is Appropriate And Should Be Enforced

(a) Class Counsel successfully negotiated a class action settlement which provides for a common fund settlement to be paid by Defendant to the Class in the amount of Eight Hundred and Fifty Thousand Dollars (\$850,000) (Agreement at ¶¶ 1.23 and 3.1.) As part of the settlement, the parties agreed to an award of attorneys' fees equal to one-third (1/3) of the Gross Settlement Amount as the Class Counsel Fees Payment. (Agreement at ¶ 3.2(b).) By this motion, Class Counsel respectfully requests approval of the Class Counsel Fees Payment in an amount equal to one-third of the Gross Settlement Amount.

(b) In the class action context, that means "attempting to award the fee that informed private bargaining, if it were truly possible, might have reached." Here, informed arms-length bargaining between

damages for the class); *Stovall-Gusman v. W.W. Granger, Inc.*, 2015 U.S. Dist. LEXIS 78671, at *12 (N.D. Cal. 2015) (granting final approval where "the proposed Total Settlement Amount represents approximately 10% of what class might have been awarded had they succeeded at trial."); *Viceral v. Mistras Grp., Inc.*, 2016 WL 5907869 (N.D. Cal. 2016) (approving wage and hour class action settlement amounting to 8.1% of full value); *Ma v. Covidien Holding, Inc.*, 2014 WL 2472316, (C.D. Cal. 2014) (approving wage and hour class action settlement worth "somewhere between 9% and 18%" of maximum valuation).

1 experienced counsel and Defendant resulted in Defendant negotiating the fee award to one-third of the
2 Gross Settlement Amount. Such bargaining is obviously the best measure of the market for fees.
3 Moreover, fee awards in common fund settlements as this one have resulted in a percentage of fees in an
4 equivalent percentage to the sum sought by Class Counsel herein, further reflecting the accurate market
5 value of the award requested.

6 (c) The requested fee award, agreed to by the parties as part of the Settlement, should be
7 approved. The requested fee award was bargained for during arms' length adversarial bargaining by
8 counsel for each of the parties as part of the Settlement.

9
10 10. The Class Counsel Fee Award Is Properly Calculated as a Percentage of the Total Value
11 Created for the Benefit of the Class

12 (a) As part of the settlement, the Parties agreed to an award of attorneys' fees equal to one-third
13 of the Gross Settlement Amount of \$850,000 which equals \$283,333 for attorneys' fees. As part of the
14 Agreement, Defendant also agreed that Class Counsel will also be paid reasonable litigations expenses
15 incurred as per Class Counsel's billing statement in an amount not to exceed \$30,000. Finally, Defendant
16 also agreed that Plaintiffs can be awarded a Class Representative Service Payment in the amount of
17 \$15,000 each, as their service awards under the Agreement.

18 (b) In defining a reasonable fee, the Court should mimic the marketplace for cases involving a
19 significant contingent risk such as this one. Our legal system places unique reliance on private litigants
20 to enforce substantive provisions of employment law through class actions. Therefore, attorneys providing
21 these substantial benefits should be paid an award equal to the amount negotiated in private bargaining
22 that takes place in the legal market place.

23 (c) There is a substantial difference between the risk assumed by attorneys being paid by the hour
24 and attorneys working on a contingent fee basis. The attorney being paid by the hour can go to the bank
25 with his fee. The attorney working on a contingent basis can only log hours while working without pay
26 towards a result that will hopefully entitle him to a marketplace contingent fee taking into account the risk
27 and other factors of the undertaking. Otherwise, the contingent fee attorney receives nothing. In this case,
28 the nature of the fee was wholly contingent. Class Counsel subjected themselves to this contingent fee

1 market risk in this all or nothing contingent fee case wherein the necessity and financial burden of private
2 enforcement makes the requested award appropriate. This case was litigated on a contingent basis for
3 over one year, with all of the risk factors inherent in such an uncertain undertaking. Indeed, I am aware
4 of other similar cases where the court dismissed the class allegations or denied class certification. Under
5 such circumstances, courts have held that a risk multiplier must be applied to the fee award.

6 (d) Here, the contingent nature of the fee award, both from the point of view of eventual
7 settlement and the point of view of establishing eligibility for an award, also warrant the requested fee
8 award. A number of difficult issues, the adverse resolution of any one of which could have doomed the
9 successful prosecution of the action, were present here. Attorneys' fees in this case were not only
10 contingent but risky, with a very real chance that Class Counsel would receive nothing at all for their
11 efforts, having devoted time and advanced costs. Class Counsel has previously invested in cases which
12 resulted in no recovery, and here Class Counsel is recovering a fee award that comparable to the
13 multiplier approved in other cases.

14 (e) At the time this case was brought, the result was far from certain as discussed above at
15 paragraphs 8(a) and 8(b).

16 (f) The Settlement was possible only because Class Counsel was able to convince Defendant that
17 Plaintiffs could potentially prevail on the contested issues regarding liability, maintain class certification,
18 overcome difficulties in proof as to monetary relief and take the case to trial if need be. In successfully
19 navigating these hurdles Class Counsel displayed the necessary skills in both wage and hour and class
20 action litigation. The high quality of the Class Counsel's work in this case was mandated by the vigorous
21 defense presented by counsel for Defendant. Over the last years of litigation, Class Counsel was required
22 to invest substantial time and resources in investigation, litigation, the determination of potential damages
23 and communicating with and responding to opposing counsel's and class members' requests and
24 inquiries.

25 (g) To represent the Class on a contingent fee basis, Class Counsel also had to forego
26 compensable hourly work on other cases to devote the necessary time and resources to this contingent
27 case. In so doing, Class Counsel gave up the hourly work that a firm can bank on for the risky contingent
28 fee work in this case which could potentially have paid nothing.

1 (h) Class Counsel were required to advance all costs in this litigation. Especially in this type of
2 litigation where the corporate defendant and their attorneys are well funded, this can prove to be very
3 expensive and risky. Accordingly, because the risk of advancing costs in this type of litigation can be
4 significant, it is therefore cost prohibitive to many attorneys. The financial burdens undertaken by
5 Plaintiffs and Class Counsel in prosecuting this action on behalf of the Class were very substantial. Class
6 Counsel has previously litigated cases and advanced costs, but received no recovery. To date, Class
7 Counsel advanced more than \$25,000 in costs which could not have been recovered if this case had been
8 lost. The Plaintiffs also undertook the risk of liability for Defendant's costs had this case not succeeded,
9 as well as other potential negative financial ramifications from having sued Defendant on behalf of the
10 Class. Accordingly, the contingent nature of the fee and the financial burdens on Class Counsel and on
11 Plaintiffs also support the requested awards.

12 (i) In a common fund settlement, the lodestar method is merely a cross-check on the
13 reasonableness of a percentage figure. In this case, the reasonableness of the requested attorneys' fee of
14 one-third equal to \$283,333 is also established by reference to Class Counsel's lodestar in this matter.
15 **The contemporaneous billing records for Class Counsel evidence that through February 24, 2026,**
16 **Class Counsel's total lodestar is \$150,540.00, with significant additional fees still to be incurred to**
17 **complete final approval and the settlement process.** The requested fee award is therefore currently
18 equivalent to Class Counsel's total lodestar with a reasonable multiplier cross-check of less than 1.9, and
19 there will be additional lodestar incurred by Class Counsel to complete the settlement process and manage
20 the settlement distribution and reports. Such a multiplier cross-check is below the range of multipliers
21 approved in other cases such as *Laffitte* and *Vizcaino v. Microsoft Corp.*, 290 F.3d 1043, 1051 (9th Cir.
22 2002).⁴ As evidenced by the billing, Class Counsel's work was efficiently performed and highly

1 successful, and Class Counsel should not be punished for efficient and successful litigation. As a result,
2 this Court may conclude that the requested award is fair and reasonable and is justified under California
3 law.

4 (j) Counsel retained on a contingency fee basis, whether in private matters or in representative
5 litigation of this sort, is entitled to a premium beyond his standard, hourly, non-contingent fee schedule
6 in order to compensate for both the risks and the delay in payment for the simple fact that despite the most
7 vigorous and competent of efforts, success is never guaranteed. This is particularly true here where Class
8 Counsel has prosecuted this case on a contingency basis for nearly two years. Indeed, if counsel is not
9 adequately compensated for the risks inherent in difficult class actions, competent attorneys will be
10 discouraged from prosecuting similar cases.

On February 7, 2025, in *Wong v. Nurse Logistics* (Santa Clara County Superior Court Case No. 22CV408939), Judge Theodore Zayner approved a one-third fee award in a wage and hour class settlement. A fee award equal to one-third of the common fund is therefore reasonable in light of the fees that have been awarded in other similar cases.

12. **The contemporaneous billing records for Class Counsel evidence that through February 24, 2026, Class Counsel's total lodestar is \$150,540.00, with significant additional fees still to be incurred to complete final approval and the settlement process.** From November 3, 2023 to February 24, 2025, my firm worked on this matter for over 205 hours, with hourly rates for attorneys ranging from \$450 to \$995, resulting in a total incurred lodestar for my firm in the amount of \$150,540.00. The requested fee award is therefore currently equivalent to Class Counsel's total lodestar with a reasonable multiplier cross-check of less than 1.9, and there will be additional lodestar incurred by Class Counsel to complete the settlement process and manage the settlement distribution and reports. A detailed breakdown of the total fees and the services performed by the firm on this case is attached hereto as Exhibit #3. In addition, Class Counsel will be performing significant additional work that is not included in this lodestar amount, including finalizing the final approval motion, attending the hearing on final approval, and monitoring completion of the settlement process. I expect this additional work will result in \$20,000 in additional lodestar for my firm. The rates charged by my firm are in line with the prevailing rates of attorneys in the local legal community for similar work and, if this were a commercial matter, these are the charges that would be made and presented to the client. My firm's hourly rates are based upon the Laffey Matrix with the appropriate 2% increase adjustment for Southern California. A true and correct copy of the current Laffey Matrix is attached hereto as Exhibit #4. These hourly rates

1 have been approved by Court's throughout California, including the Courts in the Superior Court of
2 California. In fact, on August 1, 2018, District Judge Andre Birotte Jr. explicitly found that Class
3 Counsel's "rates generally appear reasonable and 'in line with those prevailing in the [relevant]
4 community'—the Central District of California". Finally, the reasonableness of Class Counsel's hourly
5 rates is further confirmed by comparing such rates with the rates of comparable counsel practicing
6 complex and class litigation as detailed in the National Law Journal Billing Survey. See e.g. *Zest IP*
7 *Holdings, LLC v. Implant Direct MFG., LLC*, 2014 U.S. Dist. LEXIS 167563 (S.D. Cal. 2014) (finding
8 that "Mayer Brown's \$775 average billing rate for partners" and "Mayer Brown's \$543 average associate
9 billing rate" are reasonable rates when compared within 21 other firms practicing in the Southern District
10 of California.) This survey is useful to show that Class Counsel's rates are in line with the comparable
11 rates of the defense counsel that opposes these types of class claims, such as Mayer Brown noted above
12 who is defense counsel in cases currently being prosecuted by Class Counsel. In another example,
13 Sheppard Mullin Richter & Hampton, who is opposing counsel in many cases prosecuted by Class
14 Counsel, charges rates as high as \$875 for partners and \$535 for associates. Similarly, Paul Hastings,
15 another opposing counsel in these types of cases, charges between \$900 and \$750 for partners and \$755
16 and \$335 for associates. Thus, the rates charged by Class Counsel for comparable work are less than
17 these examples, and are therefore undoubtedly reasonable. Therefore, the requested fee award as a
18 percentage of the fund is supported by the currently lodestar incurred with a reasonable multiplier which
19 will be even less by the completion of the settlement. This is comparable to the multipliers approved in
20 other cases. The requested award is therefore reasonable viewed by the Lodestar/Multiplier cross-check.

21 22 Litigation Expenses

23 13. As part of the Agreement at paragraph 3.2(b), that Class Counsel may seek a "Class
24 Counsel Litigation Expenses Payment of not more than \$30,000." Class Counsel requests reimbursement
25 for incurred litigation expenses and costs in the amount of \$25,880.71. Class Counsel have incurred
26 litigation expenses totaling \$25,880.71 based upon counsel's billing records. These litigation expenses
27 include the expenses incurred for filing fees, mediation expenses, expert expenses (Berger Consulting),
28 and attorney service charges (Knox, OneLegal), all of which are costs normally billed to and paid by the

1 client.⁵ The details of the litigation expenses incurred are set forth in my firm's billing statement for this
2 mater, a true and correct copy of which is attached hereto as Exhibit #3. These costs were reasonably
3 incurred in the prosecution of the Action.

4
5 Service Award

6 14. For their service as the class representatives, Plaintiffs should be awarded the agreed
7 service award of \$15,000 each in accordance with the Agreement for their time, risk and effort expended
8 on behalf of the Class as the class representatives. (Agreement at ¶ 3.2(a).) Defendant has agreed to this
9 payment and there have been no objections to the requested service award. The Plaintiffs' declarations
10 in support of this request are attached hereto as Exhibits #5 and #6. As the sole representatives of the
11 Class, Plaintiffs performed their duties to the Class admirably and without exception. Plaintiffs worked
12 extensively with Class Counsel during the course of the litigation, responding to numerous requests,
13 searching for documents, working with counsel, and reviewing the settlement documentation. As set
14 forth in the Agreement, Plaintiff Williams is also providing a comprehensive release as part of the
15 Settlement, far beyond the class release. The Plaintiffs' declarations detail the involvement, stress and
16 risks he undertook as a result of this Action. Plaintiffs also assumed the serious risk that they might
17 possibly be liable for costs and fees to Defendant, as well as the reputational risk of being "blacklisted"
18 by other future employers for having filed a class action on behalf of employees. Without the Plaintiffs'
19 participation, cooperation and information, no other employees would be receiving any benefit. The
20 payment of service awards to successful class representatives is appropriate and the amount of \$15,000
21 is well within the currently awarded range for similar settlements. The requested award is also reasonable
22 by reference to the amounts that other California courts have found to be reasonable in wage and hour
23 class action settlements: *Andrews v. Plains All Am. Pipeline L.P.*, 2022 U.S. Dist. LEXIS 172183, at *11

24 15. The requested service award is also reasonable in light of the reputational risk that
25 Plaintiffs assumed in bringing this action against their former employer. Plaintiffs put their future
26 employment prospects at risk by becoming a class representative as the fact that they filed a lawsuit "is
27 searchable on the internet and may become known to prospective employers when evaluating" him for
28 employment. *Guippone v. BHS&B Holdings, LLC*, 2011 U.S., Dist. LEXIS 126026, *20 (S.D.N.Y. Oct.

1 28, 2011). Employers routinely screen employee candidates to determine whether they have ever filed
2 a suit against other employers, allowing them to screen out the litigious candidates. An entire industry
3 exists that allows employers to run extensive background searches on potential employees. Companies
4 who provide these services specifically highlight the fact that their services allows employers to weed out
5 litigious employment candidates. Reliable Plant outlines ways that employers can "get a sense of whether
6 a prospective employee is likely to sue" the employer, through background checks and other means, to
7 screen out these employees.⁶ Onicra Credit Rating Agency states: "Background screening has become
8 a necessity in today's litigious society." Back Track Screening also represents: "In today's litigious culture,
9 employers simply cannot afford to hire employees who will put their company at risk."⁷ PreciseHire also
10 offers employment screening and similarly warns: "with today's business climate being extremely
11 competitive and highly litigious, conducting pre employment background checks has become a
12 necessity."⁸

13 16. As a result, Class Counsel respectfully requests approval of the application for award of
14 the Class Counsel Fees Payment equal to one-third (1/3) of the common fund, an award of litigation
15 expenses in the amount of \$25,880.71, and approval of the requested service award to the Plaintiffs.

16 17. In accordance with California Rules of Court, rule 3.769, I make the following disclosure.
17 The Class Counsel Fees Payment awarded shall be allocated 75% to Blumenthal Nordrehaug Bhowmik
18 De Blouw LLP and 25% to Gomez Trial Attorneys, APLC.

19 I declare under penalty of perjury under the laws of the State of California that the foregoing is
20 true and correct. Executed this 24th day of February, 2026, at San Diego, California.

REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);

Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);

Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under *Aerojet-General*. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was

no additional standing rules for PAGA claim brought by independent contractor); In re Tobacco Cases II, 41 Cal. 4th 1257 (2007); Washington Mutual Bank v. The Parties agree to certification of the Class for purposes of this Settlement only. If for any reason the settlement does not become effective, this Agreement shall not be admissible, and Defendant reserves the right to contest certification of any class for any reason and reserves all available defenses to the claims in the Actions.

This amount is all-inclusive of all payments contemplated in this resolution, excluding any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages which shall be separately paid by Defendant to the Administrator. Defendant has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendant.

3.2. Payments from the Gross Settlement Amount. Subject to the terms and conditions of this Agreement, the Administrator will make the following payments out of the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval.

The Administrator will pay the Class Representative Service Payments using IRS Form 1099. Plaintiffs assume full responsibility and liability for taxes owed on the Class Representative Service Payment. To receive the payment, Plaintiffs each agree to a Civil Code section 1542 waiver and a general release of all claims as set forth below, with the exception of Plaintiff Sanchez's Individual Claims, defined below. In addition, Plaintiff Sanchez is separately settling her individual claims alleged in California Civil Rights Department Case No. 202408-25964526 and EEOC Case No. 37A-2025-01494 ("Plaintiff Sanchez's Individual Claims"). The payment for the settlement of Plaintiff Sanchez's Individual Claims are not being made in consideration of the settlement and dismissal of the Class and PAGA claims in the Actions.

- (b) To Class Counsel: A Class Counsel Fees Payment of not more than one-third (1/3) of the Gross Settlement Amount, which is currently estimated to be \$283,333, and a Class Counsel Litigation Expenses Payment of not more than \$30,000. Defendant will not oppose requests for these payments provided that do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim for any portion of any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Defendant harmless, and indemnifies Defendant, from any dispute or controversy regarding any division or sharing of any of these payments. The payment of Class counsel Fees Payment shall be made as follows: 75% to Blumenthal Nordrehaug Bhowmik De Blouw LLP and 25% to Gomez Trial Attorneys, APLC. Payment of Class Counsel Litigation Expenses Payment shall be made to the firm that incurred the expenses.
- (c) To the Administrator: An Administration Expenses Payment not to exceed \$14,000 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses Payment is less or the Court approves payment less than \$14,000, the Administrator will retain the remainder in the Net Settlement Amount for distribution to Participating Class Members.

- (d) To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$20,000 to be paid from the Gross Settlement Amount, with 75% (\$15,000) allocated to the LWDA PAGA Payment and 25% (\$5,000) allocated to the Individual PAGA Payments.
 - i. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.
 - ii. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.
- (e) To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.
 - i. Tax Allocation of Individual Class Payments. 33% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 67% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for non-wages, expense reimbursement, interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.
 - ii. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

4. SETTLEMENT FUNDING

- 4.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on its records, Defendant estimates there are approximately 781 Class Members who collectively worked a total of approximately 63,640 workweeks during the period of March 20, 2020 through April 17, 2025, and 548 Aggrieved Employees who worked a total of 16,341

PAGA Pay Periods during the period of March 25, 2023 to the April 17, 2025. Defendants represented that Plaintiffs and approximately 25% of the Class Members signed arbitration agreements.

- 4.2. Class Data. Not later than 15 days after the Court enters an Order granting Preliminary Approval of the Settlement, Defendant will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.
- 4.3. Funding of the Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than forty-five (45) days after the Effective Date.

5. PAYMENTS FROM THE GROSS SETTLEMENT AMOUNT

- 5.1. Within 14 days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payments in accordance with this Agreement.
- 5.2. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the "void date", which is 180 days after the date of mailing, when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Class Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients' mailing

addresses using the National Change of Address Database. If a Participating Class Member's or Aggrieved Employee's check is not cashed within 120 days after its last mailing to the affected individual, the Administrator will also send the individual a notice informing him or her that unless the check is cashed by the void date, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced but not cashed.

- 5.3. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
- 5.4. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to Children's Advocacy Institute, a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.
- 5.5. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement. Participating Class Members will be deemed to have waived all such claims for additional benefits based on the payment of Individual Class Payments and Individual PAGA Payments.
6. **RELEASE OF CLAIMS.** Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Participating Class Members, Aggrieved Employees and the LWDA will release claims against all Released Parties as follows:
 - 6.1. Plaintiffs' Release. Plaintiffs and their respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, Plaintiff's PAGA Notice ("Plaintiffs' Release"). Plaintiffs' Release

does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, or workers' compensation benefits that arose at any time,. Plaintiffs acknowledge that Plaintiffs may discover facts or law different from, or in addition to, the facts or law that Plaintiffs now know or believe to be true but agrees, nonetheless, that Plaintiffs' Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiffs' discovery of them.

- (a) Plaintiff Paul Williams's Waiver of Rights Under Civil Code Section 1542. Plaintiff William's Release shall include all claims, whether known or unknown by Plaintiff Williams. For purposes of Plaintiff Paul Williams's Release, Plaintiff Paul Williams expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

- (b) Plaintiff Maria Sanchez's Other Claims. Plaintiff Sanchez's Release shall include all claims, whether known or unknown by Plaintiff Sanchez. Plaintiff Maria Sanchez represents that she has claims against Defendant other than the Class claims and PAGA claims. Plaintiff Maria Sanchez is separately settling Plaintiff Sanchez's Individual Claims. Class Counsel will be filing a declaration with the Court affirming that the consideration given for the dismissal of Plaintiff Sanchez's Individual Claims is unrelated to and separate from the settlement of her Class claims and PAGA claims and is based on separate facts and claims.

6.2. Release by Participating Class Members. All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims.

6.3. Release of PAGA Claims. All Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims.

Within 30 days of the full execution of this Agreement, Defendant will prepare and deliver to Class Counsel a signed Declaration disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator and the Cy Pres Recipient, if any. In the Declaration, Defendant shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement. In this Declaration, Defendant shall also aver as to the number of Class Members and the number of Workweeks for the Class during the Class Period.
- 7.3. Plaintiff's Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members and/or the proposed Cy Pres Recipient; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator and/or the proposed Cy Pres Recipient; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), this Agreement (Labor Code section 2699, subd. (l)(2)); (and (vi) all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator and/or the Cy Pres Recipient, if any. In their Declarations, Plaintiff and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 7.4. Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of

the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.

- 7.5. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

8. SETTLEMENT ADMINISTRATION

- 8.1. Selection of Administrator. The Parties have jointly selected Apex Class Action to serve as the Administrator and verified that, as a condition of appointment, Apex Class Action agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Administrator's duties will include preparing, printing, and mailing the Class Notice Packet to all Class Members; conducting a National Change of Address search to update Class Member addresses before mailing the Class Notice Packets; re-mailing Class Notice Packets that are returned to the Class Member's new address; setting up a toll-free telephone number and email and a fax number to receive communications from Class Members; receiving and reviewing for validity completed Requests for Exclusion; providing the Parties with weekly status reports about the delivery of Class Notice Packets and receipt of Requests for Exclusion, objections and disputes; calculating Individual Class Payments and Individual PAGA Payments; issuing the checks to effectuate the payments due under the Settlement; issuing the tax reports required under this Settlement; and otherwise administering the Settlement pursuant to this Agreement. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 8.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 8.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 8.4. Notice to Class Members.

- (a) No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- (b) Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice with Spanish translation, if applicable substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- (c) Not later than 7 days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.
- (d) The deadlines for Class Members’ written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the Response Deadline provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- (e) If the Administrator, the Parties, Defense Counsel or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

8.5. Requests for Exclusion (Opt-Outs).

- (a) Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for

Exclusion not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

- (b) The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- (c) Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraph 6.2 of the Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- (d) Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.6. Challenges to Calculation of Workweeks. Each Class Member shall have until the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is

entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination as to the challenges

8.7. Objections to Settlement.

- (a) Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.
- (b) Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, or in addition to a written objection, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice was re-mailed).
- (c) Non-Participating Class Members have no right to object to any of the class action components of the Settlement. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- (a) Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- (b) Request for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity.

Not later than 7 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

- (c) Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- (d) Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- (e) Administrator’s Declaration. Not later than 7 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- (f) Final Report by Administrator. Within 10 days after the Administrator disburses all funds of the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 7 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class

Counsel is responsible for filing the Administrator's declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least 7 days before any deadline for a second declaration and Class Counsel shall be responsible for filing the second declaration with the Court.

9. **CLASS SIZE MODIFICATION AND ESCALATOR CLAUSE.** Based on its records, Defendant provided figures as to the Class size as set forth in paragraph 4.1 above. In regard hereto, Defendant is providing a declaration as set forth in paragraph 7.1 above. The Gross Settlement Amount will increase proportionally with added Workweeks if the actual number of Workweeks in the Class Period is more than 10% of the estimate stated herein in paragraph 4.1 (for example, if the number of workweeks is 11% higher than 59,288, the Gross Settlement Amount would be increased by 1%). In the alternative, Defendant may elect to end the Class Period on a date on which the Workweeks exceeds 10% over 59,288.
10. **DEFENDANT'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Administration Expenses incurred as of the date Defendant makes this election to withdraw. Defendant must notify Class Counsel and the Court of its election to withdraw not later than 7 days after the Administrator sends the final Exclusion List to Defense Counsel. Invalid Requests for Exclusion will have no effect on this threshold for an election.
11. **MOTION FOR FINAL APPROVAL.** Unless otherwise ordered by the Court, not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699(l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
 - 11.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together

in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for a Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement under C.C.P. section 664.6 solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

11.4. Waiver of the Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on an equal basis, any additional Administration Expenses reasonably incurred at the time of remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS

- 13.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or Judgment pursuant to this Agreement, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).
- 13.2. Confidentiality Prior to Preliminary Approval. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. Plaintiffs and Class Counsel agree that they will not issue any press releases or have any contact with the media about the fact, amount, or terms of the Settlement. This paragraph does not restrict Class Counsel's communications with Class Members after preliminary approval is granted for the sole purpose of administering the Settlement and in accordance with Class Counsel's ethical obligations owed to Class Members.
- 13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees have not and will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. If a Class Member submits a valid Election Not to Participate in Settlement, Class Counsel will not solicit, represent, or otherwise

encourage that Non-Participating Class Member to participate in separate litigation against Released Parties and agrees that such representation would create a conflict of interest. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 13.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 13.7. Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8. Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.

- 13.11. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 13.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 13.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant.
- 13.15. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 13.17. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

EXHIBIT A

[NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND HEARING DATE FOR
FINAL COURT APPROVAL]

EXHIBIT “A”

**NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION
AND HEARING DATE FOR FINAL COURT APPROVAL**

***Sanchez v. Mission Bay Management, LLC, Superior Court of the State of California,
County of San Diego, Case No. 37-2024-00013022-CU-OE-CTL***

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT
ACT. PLEASE READ THIS NOTICE CAREFULLY.**

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Defendant Mission Bay Management, LLC (“Defendant”) for alleged wage and hour violations. The Action is brought by Plaintiffs Maria Sanchez and Paul Williams (“Plaintiffs”) and seeks payment of (1) wages and other relief for a Class of all individuals who were employed by Defendant in California and classified as non-exempt employees at any time during the Class Period (March 20, 2020 through April 17, 2025) (“Class Members”), and (2) penalties under the California Private Attorney General Act (“PAGA”) for all individuals who were employed by Defendant in California and classified as non-exempt employees at any time during the PAGA Period (March 25, 2023 through April 17, 2025) (“Aggrieved Employees”). While Defendant disputes Plaintiffs’ claims in the Action and denies all liability, in order to resolve the Action, the Parties have reached a proposed Settlement.

The proposed Settlement includes the following: (1) a Class Settlement requiring Defendant to fund Individual Class Payments to Class Members, and (2) a PAGA Settlement requiring the payment of PAGA Penalties to be allocated to the California Labor and Workforce Development Agency (“LWDA”) and to Aggrieved Employees.

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be <<\$ _____>> (less withholding) and your share of the PAGA Penalties (“Individual PAGA Payment”) is estimated to <<be \$ _____>>.** The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked << _____>> Workweeks during the Class Period and you worked << _____>> PAGA Pay Periods.** If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Notice below.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully

read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs' attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment (if any). As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims (if any) against Defendant as described below in Section 4 below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment, however you will preserve your right to personally pursue wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Class Claims). Additional information is set forth below.
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is _____. 2026	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. If you request exclusion, you will receive no money from the Class Settlement for an Individual Class Payment and you will not be bound by the Class Settlement. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 7 of this Notice. However, you cannot opt-out of the PAGA portion of the proposed Settlement. If you are also an Aggrieved Employee and exclude

	yourself, you will still be paid your Individual PAGA Payment and will remain subject to the release of the Released PAGA Claims regardless of whether you submit a Request for Exclusion.
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by _____, 2026	All Class Members who do not opt-out (“Participating Class Members”) can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiffs who pursued the Action on behalf of the Class. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. See Section 8 of this Notice.
You Can Participate in the Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____, at 1:30 p.m., at the San Diego County Superior Court, located at 330 West Broadway, San Diego, CA 92101, in Department 63 before Judge Katherine Bacal. This hearing may change as explained below in Section 9. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 9 of this Notice
You Can Challenge the Calculation of Your Workweeks / PAGA Pay Periods Written Challenges Must be Submitted by _____	The amount of your Individual Class Payment and your Individual PAGA Payment (if any) depend on how many Workweeks you worked at least one day during the Class Period and how many PAGA Pay Periods you worked during the PAGA Period, respectively. The number of Workweeks during the Class Period and number of PAGA Period Pay Periods you worked according to Defendant’s records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____, 2026. See Section 5 of this Notice

1. Why did I get this Notice?

A proposed class action settlement (the “Settlement”) of the above-captioned action pending in the Superior Court of the State of California, in and for the County of San Diego (the “Court”), has been reached between Plaintiffs and Defendant and has been granted preliminary approval by the Court. You may be entitled to receive money from this Settlement.

You have received this Notice because you have been identified as a member of the Class, which is defined as:

All individuals who were employed by Defendant in California and classified as non-exempt employees at any time during the Class Period (March 20, 2020 through April 17, 2025).

So far, the Court has made no determination whether Defendant or Plaintiffs are correct on the merits. In the meantime, Plaintiffs and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a written Class Action and PAGA Settlement Agreement (“Agreement”) and agreeing to ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiffs and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims. Plaintiffs and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and its defenses, and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

2. What is this class action lawsuit about?

On March 20, 2024, plaintiff Maria Sanchez filed a Complaint against Defendant in the Superior Court of the State of California, County of San Diego (“Class Action”). The Class Action asserted class claims for unfair competition, failure to pay minimum wages, failure to pay overtime wages, failure to provide required meal periods, failure to provide required rest periods, failure to provide accurate itemized wage statements, failure to reimburse employees for required expenses, failure to provide wages when due, and failure to pay sick wages. On May 28, 2024, plaintiff Maria Sanchez filed a Representative Action Complaint alleging a single cause of action against Defendant for recovery of civil penalties for violation of Private Attorney General Act, Cal. Labor Code §§ 2698, et seq. (“PAGA”) in the Superior Court of the State of California, County of San Diego (“PAGA Action”).

On June 27, 2025, Plaintiffs filed a First Amended Complaint in the Class Action which added plaintiff Paul Williams as a named plaintiff and added the claims alleged in the PAGA Action. This First Amended Complaint in the Class Action is referred to as the “Operative Complaint”.

Defendant denies that it has done anything wrong and disputes all the claims in the Action. For example, Defendant contends that Plaintiffs and the Class Members were, at all times, properly compensated for wages under California law; that Plaintiffs and the Class Members were provided with meal and rest periods in compliance with California law; that Defendant did not fail to pay to Plaintiffs or any Class Members any wages allegedly due during employment and at the time of their termination; that Defendant complied with California wage statement and record requirements; that Defendant did not violate California Business and Professions Code section 17200 *et seq.*; that Defendant is not liable for any of the penalties sought or that could have been sought in the Operative Complaint; and that this Action cannot be maintained as a class or representative action.

The Court granted preliminary approval of the Settlement on <<INSERT PRELIMINARY APPROVAL DATE>>. At that time, the Court also preliminarily approved the Plaintiffs to serve as the Class Representatives, and the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP and Gomez Trial Attorneys, APLC to serve as Class Counsel.

The Court has not ruled on the merits of Plaintiffs' claims. However, to avoid additional expense, inconvenience, and interference with the business operations of Defendant, the Parties concluded that it is in their best interests and the interests of the Class to settle the Actions now on the terms summarized in this Notice. The Settlement was reached after mediation and arm's-length negotiations between the Parties. The Plaintiffs and Class Counsel think the settlement is in the best interest of all Class Members.

Accordingly, the Settlement constitutes a compromise of disputed claims and should not be construed as an admission of liability on the part of Defendant, who expressly denies all liability.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay an "all in" amount of Eight Hundred Fifty Thousand Dollars (\$850,000) (the "Gross Settlement Amount") to fund the settlement of the Action. The Gross Settlement Amount includes all payments of Individual Class Payments to Participating Class Members, the Administration Expenses Payment, the Class Representative Service Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and the PAGA Penalties payment for civil penalties under PAGA. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay payroll taxes within forty-five (45) days of the Effective Date. The Effective Date is the date the Judgment is final and no longer subject to appeal. The Administrator will mail checks for all settlement payments within fourteen (14) days of the funding of the settlement by Defendant.

Court Approved Deductions from Gross Settlement Amount. The proposed payments, subject to Court approval, will be deducted from the Gross Settlement Amount before payments of Individual Class Payments are made to Class Members who do not request exclusion ("Participating Class Members"). At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

- **Administration Expenses Payment.** Payment to the Administrator, estimated not to exceed \$14,000, for expenses, including expenses of notifying the Class Members of the Settlement, processing Request for Exclusions, and distributing settlement checks and tax forms.
- **Attorneys' Fees and Costs.** Payment to Class Counsel of reasonable attorneys' fees not to exceed one-third (1/3) of the Gross Settlement Amount, which presently equals \$283,333, and an additional amount to reimburse actual litigation costs incurred by the Plaintiffs not to exceed \$30,000. Class Counsel has been prosecuting the Actions on behalf of Plaintiffs and the Class on a contingency fee basis (that is, without being paid

any money to date) and has been paying all litigation costs and expenses. The payment of Class counsel Fees Payment shall be made as follows: 75% to Blumenthal Nordrehaug Bhowmik De Blouw LLP and 25% to Gomez Trial Attorneys, APLC. The amounts stated are what Class Counsel will be requesting and the final amounts to be paid will be decided at the Final Approval Hearing.

- Class Representative Service Payments. Class Representative Service Payments in an amount not more than \$15,000 each to the two named Plaintiffs as service awards, or such lesser amount as may be approved by the Court, to compensate them for services on behalf of the Class in initiating and prosecuting the Actions, and for the risks they undertook. The amount stated is what Plaintiffs will be requesting and the final amount to be paid will be decided at the Final Approval Hearing.
- PAGA Penalties. A payment of \$20,000 relating to Plaintiffs' claim under PAGA, 75% (\$15,000) of which will be paid to the State of California's Labor and Workforce Development Agency ("LWDA"). The remaining 25% (\$5,000) will be distributed to the Aggrieved Employees. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. "PAGA Pay Period" means any pay period during which an Aggrieved Employee worked for Defendant for at least one day during the PAGA Period. The PAGA Period is March 25, 2023 through April 17, 2025.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Payments to Class Members. After all of the payments of the court-approved Attorneys' Fees and Costs, the Class Representative Service Payments, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, the "Net Settlement Amount", shall be distributed as Individual Class Payments to the Participating Class Members. The Net Settlement Amount is estimated to be at least \$472,667. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. "Workweek" means any week during the Class Period in which a Class Member worked for Defendant as a Class Member for at least one day. The number of Workweeks will be based on Defendant's records, however, Class Members may challenge the number of Workweeks worked as explained below.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

Tax Matters. Thirty-Three Percent (33%) of each Participating Class Member's Individual Class Payment is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on IRS Form W-2. Sixty-Seven Percent (67%) of each Participating Class Member's Individual Class Payment is in settlement of claims for alleged claims for non-wages, expense reimbursement, interest and penalties due to employees (collectively the "Non-Wage Portion"). The Non-Wage Portion and any Individual PAGA Payment shall not be subject to wage withholdings and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. Neither Class Counsel nor Defendant's Counsel intend anything contained in this Class Notice to constitute advice regarding taxes or taxability. The tax issues for each Participating Class Member are unique to him/her, and each Participating Class Member may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement and your receipt of the Individual Class Payment are conditioned upon the Court entering an order granting final approval of the Settlement and entering a Judgment.

The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

Need to Promptly Cash Payment Checks. The front of every check issued will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the funds represented by such checks sent to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). The Parties have selected Children's Advocacy Institute as the Cy Pres Recipient. The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

4. What Do I Release Under the Settlement?

Released Class Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims. The "Released Class Claims" are all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint which occurred during the Class Period during employment in a non-exempt position in California, including but not limited to minimum wages, overtime and double time wages (including, but not limited to, any claims for additional wages owed due to "rounding," "off the clock work," and/or not factoring bonuses into the regular rate of pay); meal and rest breaks violations; failure to maintain accurate employment records; wage statement violations; separation pay violations; failure to pay wages timely during employment; failure to keep requisite payroll records; failure to reimburse business expenses;

failure to pay sick wages; unlawful deductions; failure to provide suitable seating; and unfair business practices. Except as expressly set forth in the Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, claims based on facts occurring outside the Class Period, and plaintiff Sanchez's Individual Claims that are subject to a separate release.

This means that, if you do not timely and formally exclude yourself from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant and any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court's orders in the Action will apply to you and legally bind you.

Released PAGA Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims. The "Released PAGA Claims" are all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notice, including but not limited to, minimum wages, overtime and double time wages (including but not limited to, any claims for additional wages owed due to "rounding," "off the clock work," and/or not factoring bonuses into the regular rate of pay); real and rest break violations; failure to maintain accurate employment records; wage statement violations; separation pay violations; failure to pay wages timely during employment; failure to keep requisite payroll records; failure to reimburse business expenses; failure to pay sick wages; unlawful deductions; failure to provide suitable seating; and unfair business practices which occurred during the PAGA Period during employment in a non-exempt position in California. The Released PAGA Claims do not include other PAGA claims, underlying wage and hour claims, claims for vested benefits, claims for wrongful termination, unemployment insurance, disability, social security, worker's compensation, claims outside of the PAGA Period, and Plaintiff Sanchez's Individual Claims that are subject to a separate release.

Released Parties. Released Parties are defined as: Defendant and each of its former, past, present, and future parents, affiliated entities, corporations, divisions, managers, partners, members, agents, employees directors, officers, shareholders, owners, attorneys, insurers, predecessors, successors, assigns and subsidiaries, including Noble House Hotels and Resorts, L.P.

If there are objections or appeals, resolving them can take time and delay the settlement, perhaps more than a year. Please be patient.

7. What if I don't want to be a part of the Settlement?

If you do not wish to participate in the Settlement, you may exclude yourself from the Settlement or "opt out." **If you opt out, you will not receive an Individual Class Payment from the Settlement, and you will not be bound by its terms, which means you will retain the right to sue Defendant for the Released Class Claims.** However, Aggrieved Employees who opt out will still be paid their Individual PAGA Payment and will remain bound by the release of the Released PAGA Claims regardless of whether they submit a request for exclusion.

To opt out of the class portion of the settlement, you must submit to the Administrator a written, signed and dated request for exclusion ("opt-out") postmarked no later than the Response Deadline which is _____ [sixty (60) days after the mailing of the Class Notice or an additional 14 days in the case of re-mailing]. The address for the Administrator is _____. Written requests for exclusion that are postmarked after _____, or are incomplete or unsigned will be rejected, and those Class Members will remain bound by the Settlement and the release described above.

8. How do I Object to the Settlement?

Only Participating Class Members have the right to object to the Settlement. At least sixteen (16) court days before the Final Approval Hearing, scheduled for _____, Class Counsel and Plaintiffs will file in Court a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and a request stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiffs are requesting as Class Representative Service Payments. EXHIBIT “B”

SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF SAN DIEGO

MARIA SANCHEZ and PAUL WILLIAMS,
individually, on behalf of themselves and on
behalf of all persons similarly situated,

Plaintiffs,

vs.

MISSION BAY MANAGEMENT, LLC, a
limited liability company; and DOES 1
through 50, inclusive,

Defendants.

CASE NO.: **37-2024-00013022-CU-OE-CTL**

**[PROPOSED] PRELIMINARY
APPROVAL ORDER**

Hearing Date:
Hearing Time:

Judge: Hon. Katherine Bacal
Dept.: 63

Date Action Filed: March 20, 2024
Trial Date: Not set

1 This matter, having come before the Honorable Katherine Bacal of the Superior Court of
2 the State of California, in and for the County San Diego, on _____[DATE], for the motion
3 by Plaintiffs Maria Sanchez and Paul Williams (“Plaintiffs”) for preliminary approval of the class
4 settlement with Defendant Mission Bay Management, LLC (“Defendant”). The Court, having
5 considered the briefs, argument of counsel and all matters presented to the Court and good cause
6 appearing, hereby GRANTS Plaintiffs’ Motion for Preliminary Approval of Class Action
7 Settlement.

8 **IT IS HEREBY ORDERED:**

9 1. The Court preliminarily approves the Class Action and PAGA Settlement
10 Agreement (“Agreement”) attached as Exhibit ____ to the Declaration of Kyle Nordrehaug in
11 Support of Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement. This is based
12 on the Court’s determination that the Settlement set forth in the Agreement is within the range of
13 possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil
14 Procedure and California Rules of Court, rule 3.769.

15 2. This Order incorporates by reference the definitions in the Agreement, and all
16 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

17 3. The Gross Settlement Amount is Eight Hundred Fifty Thousand Dollars
18 (\$850,000). It appears to the Court on a preliminary basis that the settlement amount and terms
19 are fair, adequate and reasonable as to all potential Class Members when balanced against the
20 probable outcome of further litigation and the significant risks relating to certification, liability and
21 damages issues. It further appears that investigation and research have been conducted such that
22 counsel for the Parties are able to reasonably evaluate their respective positions. It further appears
23 to the Court that settlement at this time will avoid substantial additional costs by all Parties, as
24 well as avoid the delay and risks that would be presented by the further prosecution of the Action.
25 It further appears that the Settlement has been reached as the result of serious and non-collusive,
26 arms-length negotiations. The Court therefore preliminarily finds that the Settlement is fair,

adequate, and reasonable when balanced against the probable outcome of further litigation and the significant risks relating to certification, liability, and damages issues.

4. The Agreement specifies an attorneys' fees award not to exceed one-third of the Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$30,000, and proposed Class Representative Service Payments to the Plaintiffs in an amount not to exceed \$15,000 each. The Court will not approve the amount of attorneys' fees and costs, nor the amount of any service award, until the Final Approval Hearing.

5. The Court recognizes that Plaintiffs and Defendant stipulate and agree to certification of a class for settlement purposes only. This stipulation will not be deemed admissible in this or any other proceeding should this Settlement not become final. For settlement purposes only, the Court conditionally certifies the following Class: "all individuals who were employed by Defendant in California and classified as non-exempt employees at any time during the Class Period." The Class Period is March 20, 2020 through April 17, 2025.

6. The Court concludes that, for settlement purposes only, the Class meets the requirements for certification under section 382 of the California Code of Civil Procedure in that: (a) the Class is ascertainable and so numerous that joinder of all members of the Class is impracticable; (b) common questions of law and fact predominate, and there is a well-defined community of interest amongst the members of the Class with respect to the subject matter of the litigation; (c) the claims of the Plaintiffs are typical of the claims of the members of the Class; (d) the Plaintiffs can fairly and adequately protect the interests of the members of the Class; (e) a class action is superior to other available methods for the efficient resolution of this controversy; and (f) counsel for the Class is qualified to act as counsel for the Class and the Plaintiffs are adequate representatives of the Class.

7. The Court provisionally appoints Plaintiffs as the representatives of the Class. The Court provisionally appoints Blumenthal Nordrehaug Bhowmik De Blouw LLP and Gomez Trial Attorneys, APLC as Class Counsel for the Class.

1 8. The Court hereby approves, as to form and content, the Court Approved Notice of
2 Proposed Settlement of Class Action and Hearing Date for Final Court Approval (“Class Notice”)
3 attached to the Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and
4 accurately inform the Class of all material elements of the proposed Settlement, of the Class
5 Members’ right to be excluded from the Class by submitting a written opt-out request, and of each
6 Class Member’s right and opportunity to object to the Settlement. The Court further finds that the
7 distribution of the Class Notice substantially in the manner and form set forth in the Agreement
8 and this Order meets the requirements of due process, is the best notice practicable under the
9 circumstances, and shall constitute due and sufficient notice to all persons entitled thereto. The
10 Court orders the mailing of the Class Notice by first class mail, pursuant to the terms set forth in
11 the Agreement.

12 9. The Court hereby appoints Apex Class Action LLC as the Administrator. No later
13 than fifteen (15) days after preliminary approval of the Settlement by the Court, Defendant shall
14 provide to the Administrator an electronic spreadsheet with the Class Data. The Administrator
15 will perform address updates and verifications as necessary prior to the mailing of the Class
16 Notice. Using best efforts to mail it as soon as possible, and in no event later than 14 days after
17 receiving the Class Data, the Administrator will mail the Class Notice Packets to all Class
18 Members via first-class U.S. Mail. Before mailing Class Notices, the Administrator shall update
19 Class Member addresses using the National Change of Address database.

20 10. The Court hereby preliminarily approves the proposed procedure for exclusion
21 from the Settlement. Any Class Member may individually choose to opt out of and be excluded
22 from the Class as provided in the Class Notice by following the instructions for requesting
23 exclusion from the Class that are set forth in the Class Notice. All Requests for Exclusion must be
24 postmarked by no later than the Response Deadline, which is sixty (60) calendar days after the
25 date of the mailing of the Class Notice and be received by the Administrator. If the Class Notice
26 Packet is re-mailed, the Response Deadline will be extended an additional 14 days. Any such
27 person who chooses to opt out of and be excluded from the Class will not be entitled to any
28

1 recovery under the Settlement and will not be bound by the class portion of the Settlement or have
2 any right to object, appeal or comment thereon. Class Members who have not requested exclusion
3 shall be bound by all determinations of the Court, the Agreement and the Judgment. A Request
4 for Exclusion may only opt out that particular individual, and any attempt to effect an opt out of a
5 group, class, or subclass of individuals is not permitted and will be deemed invalid. Subject to the
6 Court's final approval of the Settlement, the Aggrieved Employees will be paid their allocation of
7 the PAGA Penalties and will remain bound by the release of the Released PAGA Claims.

8 11. Any Class Member who has not opted out ("Participating Class Member") may
9 appear at the final approval hearing and may object or express their views regarding the
10 Settlement and may present evidence and file briefs or other papers that may be proper and
11 relevant to the issues to be heard and determined by the Court as provided in the Notice.
12 Participating Class Members will have until the Response Deadline, which is sixty (60) calendar
13 days from the date of the mailing of the Class Notices, to submit their written objections to the
14 Administrator in accordance with the instructions in the Class Notice. If the Class Notice Packet
15 is re-mailed, the Response Deadline for written objections will be extended an additional 14 days.
16 Alternatively, Participating Class Members may appear at the Final Approval Hearing to make an
17 oral objection.

18 12. A Final Approval Hearing shall be held before this Court on _____
19 _____, 1:30 p.m. in Department 63 at the San Diego County Superior Court to
20 determine all necessary matters concerning the Settlement, including: whether the proposed
21 settlement of the Action on the terms and conditions provided for in the Agreement is fair,
22 adequate and reasonable and should be finally approved by the Court; whether the Final Approval
23 Order and Judgment should be entered herein; whether the plan of allocation contained in the
24 Agreement should be approved as fair, adequate and reasonable to the Class Members; and to
25 finally approve attorneys' fees and costs, the service awards, and the expenses of the
26 Administrator. All papers in support of the motion for final approval and for attorneys' fees, costs
27
28

1 and service awards, to be heard at the Final Approval Hearing, shall be filed with the Court and
2 served on all counsel no later than sixteen (16) court days before the hearing.

3 13. Neither the Settlement nor any exhibit, document, or instrument delivered
4 thereunder shall be construed as a concession or admission by Defendant in any way that the
5 claims asserted have any merit or that this Action was properly brought as a class or representative
6 action, and shall not be used as evidence of, or used against Defendant as, an admission or
7 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
8 omission by Defendant or with respect to the truth of any allegation asserted by any person.
9 Defendant has denied that it has done anything wrong and disputes all the claims in this Action.
10 Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit,
11 document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts
12 thereof, shall in any event be construed as, offered or admitted in evidence as, received as or
13 deemed to be evidence for any purpose adverse to the Defendant, including, but not limited to,
14 evidence of a presumption, concession, indication or admission by Defendant of any liability,
15 fault, wrongdoing, omission, concession or damage.

16 14. In the event the Settlement does not become effective in accordance with the terms
17 of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to
18 become effective for any reason, this Order shall be rendered null and void and shall be vacated,
19 and the Parties shall revert to their respective positions as of before entering into the Agreement,
20 and expressly reserve their respective rights regarding the prosecution and defense of this Action,
21 including all available defenses and affirmative defenses, and arguments that any claim in the
22 Action could not be certified as a class action and/or managed as a representative action. In such
23 an event, the Court's orders regarding the Settlement, including this Order, shall not be used or
24 referred to in litigation for any purpose.

25 15. The Court reserves the right to adjourn or continue the date of the final approval
26 hearing and all dates provided for in the Agreement without further notice to Class Members and
27
28

1 retains jurisdiction to consider all further applications arising out of or connected with the
2 proposed Settlement.

3 16. The Action is stayed and all trial and related pre-trial dates, if any, are vacated,
4 subject to further orders of the Court at the Final Approval Hearing.

EXHIBIT "C"

SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF SAN DIEGO

MARIA SANCHEZ and PAUL WILLIAMS,
individually, on behalf of themselves and on
behalf of all persons similarly situated,

Plaintiff,

vs.

MISSION BAY MANAGEMENT, LLC, a
limited liability company; and DOES 1
through 50, inclusive,

Defendants.

CASE NO.: **37-2024-00013022-CU-OE-CTL**

**[PROPOSED] FINAL APPROVAL
ORDER AND JUDGMENT**

Hearing Date:
Hearing Time:

Judge: Hon. Katherine Bacall
Dept.: 63

Date Action Filed: March 20, 2024
Trial Date: Not set

1 The motion of Plaintiffs Maria Sanchez and Paul Williams (“Plaintiffs”) for an order
2 finally approving the Class Action and PAGA Settlement Agreement (“Agreement”) with
3 Defendant Mission Bay Management, LLC (“Defendant”) and for an award of attorneys’ fees and
4 costs, service payments, and the fees of the Administrator duly came on for hearing on
5 _____ before the Honorable Katherine Bacal.

6 **I.**

7 **FINDINGS**

8 Based on the oral and written argument and evidence presented in connection with the
9 motion, the Court makes the following findings:

- 10 1. All terms used herein shall have the same meaning as defined in the Agreement.
- 11 2. This Court has jurisdiction over the subject matter of this litigation pending before
12 the California Superior Court for the County of San Diego, and over all Parties to this litigation,
13 including the Class.
- 14 3. Based on a review of the papers submitted by Plaintiff and a review of the
15 applicable law, the Court finds that the Gross Settlement Amount of Eight Hundred Fifty
16 Thousand Dollars (\$850,000.00) and the terms set forth in the Agreement are fair, reasonable, and
17 adequate.
- 18 4. The Court further finds that the Settlement was the result of arm’s length
19 negotiations conducted after Class Counsel had adequately investigated the claims and became
20 familiar with the strengths and weaknesses of those claims. In particular, the amount of the
21 Settlement, the significant risks relating to certification, liability, and damages issues, and the
22 assistance of an experienced mediator in the settlement process, among other factors, support the
23 Court’s conclusion that the Settlement is fair, reasonable, and adequate.

24 **Preliminary Approval of the Settlement**

- 25 5. On _____, the Court granted preliminary approval of the Settlement. At
26 this same time, the Court approved conditional certification of the Class for settlement purposes
27 only.

1 **Notice to the Class**

2 6. In compliance with the Preliminary Approval Order, the Class Notice was mailed
3 by first class mail to members of the Class at their last known addresses on or about
4 _____. Mailing of the Class Notice to their last known addresses was the best notice
5 option under the circumstances and was reasonably calculated to communicate actual notice of the
6 litigation and the proposed settlement to the Class. The Class Notice given to the Class Members
7 fully and accurately informed the Class Members of all material elements of the proposed
8 Settlement and of their opportunity to object to or comment thereon or to seek exclusion from the
9 Settlement; constituted valid, due, and sufficient notice to all Class Members; and complied fully
10 with the laws of the State of California, the United States Constitution, due process and other
11 applicable law. The Class Notice fairly and adequately described the Settlement and provided
12 Class Members adequate instructions and a variety of means to obtain additional information.

13 7. The Response Deadline for opting out of the Class or submitting written objections
14 to the Settlement was _____, which was extended by 14 days for re-mailed Class
15 Notices. There was an adequate interval between mailing of the Class Notice and the response
16 deadline to permit Class Members to choose what to do and act on their decision. A full
17 opportunity has been afforded to the Participating Class Members to participate in this hearing,
18 and all Participating Class Members and other persons wishing to be heard have been heard. Class
19 Members also have had a full and fair opportunity to exclude themselves from the proposed
20 Settlement and Class. Accordingly, the Court determines that all Class Members who did not
21 timely and properly submit a request for exclusion are bound by the Settlement and this Final
22 Approval Order and Judgment.

23 **Fairness Of Settlement**

24 8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.*
25 48 Cal.App.4th 1794, 1801 (1996).

26 a. The settlement was reached through arm's-length bargaining between the
27 parties during an all-day mediation before Louis Marlin, a respected and experienced mediator of
28

1 wage and hour class actions. There has been no collusion between the parties in reaching the
2 proposed settlement.

3 b. Plaintiffs' investigation and discovery have been sufficient to allow the
4 Court and counsel to act intelligently.

5 c. Counsel for both parties are experienced in similar employment class action
6 litigation. All counsel recommended approval of the Agreement.

7 d. The percentage of objectors and requests for exclusion is small. ____
8 objections were received. _____ requests for exclusion were received.

9 e. The participation rate was high. _____ Participating Class Members will
10 be mailed a settlement payment, representing ____% of the overall Class.

11 9. The consideration to be given to the Class Members under the terms of the
12 Agreement is fair, reasonable and adequate considering the strengths and weaknesses of the claims
13 asserted in this action and is fair, reasonable and adequate compensation for the release of Class
14 Members' claims, given the uncertainties and significant risks of the litigation and the delays
15 which would ensue from continued prosecution of the action.

16 10. The Agreement is approved as fair, adequate and reasonable and in the best
17 interests of the Class Members.

18 **Attorneys' Fees and Costs**

19 11. An award of \$283,333 for attorneys' fees, representing one-third of the Gross
20 Settlement Amount, and \$ _____ for litigation costs and expenses, is reasonable, in
21 light of the contingent nature of Class Counsel's fee, the hours worked by Class Counsel, and the
22 results achieved by Class Counsel. The requested awards have been supported by Class Counsel's
23 lodestar and billing statement.

24 **Class Representative Service Payments**

25 12. The Agreement provides for a Class Representative Service Payments of not more
26 than \$15,000 each to the Plaintiffs, subject to the Court's approval. The Court finds that Class
27 Representative Service Payments in the amount of \$ _____ each to the Plaintiffs are reasonable in
28

1 light of the risks and burdens undertaken by the Plaintiffs in the litigation and for their time and
2 effort in bringing and prosecuting this matter on behalf of the Class.

3 **Administration Expenses Payment**

4 13. The Administrator shall calculate and administer the payment to be made to the
5 Participating Class Members in the manner set forth in the Agreement, transmit payment for
6 attorneys' fees and costs to Class Counsel, transmit the Class Representative Service Payments to
7 the Plaintiffs, distribute the PAGA Penalties, issue any required tax reporting forms, calculate
8 withholdings and perform the other remaining duties set forth in the Agreement. The
9 Administrator has documented \$ _____ in fees and expenses, and this amount is reasonable in
10 light of the work performed by the Administrator.

11 **PAGA Penalties**

12 14. The Agreement provides for PAGA Penalties out of the Gross Settlement Amount
13 of \$20,000, which shall be allocated with 75% (\$15,000) allocated to the LWDA PAGA Payment
14 and 25% (\$5,000) allocated to the Individual PAGA Payments to be distributed to the Aggrieved
15 Employees. The Administrator will calculate each Individual PAGA Payment by (a) dividing the
16 amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the total number
17 of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b)
18 multiplying the result by each Aggrieved Employee's PAGA Pay Periods. "Aggrieved
19 Employees" are all individuals who were employed by Defendant in California and classified as
20 non-exempt employees at any time during the PAGA Period (March 25, 2023 through April 17,
21 2025). The Court finds the PAGA Penalties to be reasonable. All Aggrieved Employees will be
22 sent their share of the PAGA Penalties and will be subject to the release of the Released PAGA
23 Claims as set forth below, whether or not they opt out of the Settlement.

24 **II.**

25 **ORDERS**

26 Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:

22 Final Approval Order and Judgment a finding, of the validity of any claims in the Action or of any
23 wrongdoing by Defendant or that this Action is appropriate for class treatment (other than for
24 settlement purposes). Neither this Final Approval Order and Judgment, the Agreement, nor any
25 document referred to herein, nor any action taken to carry out the Agreement is, may be construed
26 as, or may be used as an admission by or against Defendant of any fault, wrongdoing or liability
27 whatsoever. Defendant has denied that it has done anything wrong and disputes all the claims in
28

1 this Action. The entering into or carrying out of the Agreement, and any negotiations or
2 proceedings related thereto, shall not in any event be construed as, or deemed to be evidence of, an
3 admission or concession with regard to the denials or defenses by Defendant. Notwithstanding
4 these restrictions, Defendant may file in the Action or in any other proceeding this Final Approval
5 Order and Judgment, the Agreement, or any other papers and records on file in the Action as
6 evidence of the Settlement to support a defense of res judicata, collateral estoppel, release, or other
7 theory of claim or issue preclusion or similar defense as to the Released Class Claims and/or the
8 Released PAGA Claims.

9 23. Notice of entry of this Final Approval Order and Judgment shall be given to all
10 Parties by Class Counsel on behalf of Plaintiffs and all Class Members. The Final Approval Order
11 and Judgment shall be posted on Class Counsel's website as set forth in the Class Notice to the
12 Class. It shall not be necessary to send notice of entry of this Final Approval Order and Judgment
13 to individual Class Members. In accordance with California Code of Civil Procedure § 2699,
14 Plaintiffs shall serve this Final Approval Order and Judgment on the LWDA.

15 24. If the Agreement does not become final and effective in accordance with the terms
16 of the Agreement, then this Final Approval Order and Judgment, and all orders entered in
17 connection herewith, shall be rendered null and void and shall be vacated, and the Parties shall
18 revert to their respective positions as of before entering into the Agreement, and expressly reserve
19 their respective rights regarding the prosecution and defense of this Action, including all available
20 defenses and affirmative defenses, and arguments that any claim in the Action could not be
21 certified as a class action and/or managed as a representative action.

22 **IT IS HEREBY ORDERED, ADJUDICATED AND DECREED THAT:**

23 25. Except as set forth in the Agreement and this Final Approval Order and Judgment,
24 Plaintiff, and all members of the Class, shall take nothing in the Action.

25 26. Pursuant to California Code of Civil Procedure section 664.6, the Court shall retain
26 jurisdiction to construe, interpret, implement and enforce the Agreement, to hear and resolve any
27
28

1 contested challenge to a claim for settlement benefits, and to supervise and adjudicate any dispute
2 arising from or in connection with the distribution of settlement benefits.

3 27. The Parties are authorized to agree to and to adopt such amendments, modifications
4 and expansions of the Agreement and all exhibits attached thereto which are consistent with this

* $i_{\frac{1}{2}}$ Years Out of Law School $i_{\frac{1}{2}}$ is calculated from June 1 of each year, when most law students graduate. $i_{\frac{1}{2}}1-3$ " includes an attorney in his 1st, 2nd and 3rd years of practice, measured from date of graduation (June 1). $i_{\frac{1}{2}}4-7$ " applies to attorneys in their 4th, 5th, 6th and 7th years of practice. An attorney who graduated in May 1996 would be in tier $i_{\frac{1}{2}}1-3$ " from June 1, 1996 until May 31, 1999, would move into tier $i_{\frac{1}{2}}4-7$ " on June 1, 1999, and tier $i_{\frac{1}{2}}8-10$ " on June 1, 2003.

Attorneys for Plaintiffs

SUPERIOR COURT OF THE STATE OF CALIFORNIA

COUNTY OF SAN DIEGO

MARIA SANCHEZ and PAUL WILLIAMS,
individually, on behalf of themselves and on
behalf of all persons similarly situated,

Plaintiff,

vs.

MISSION BAY MANAGEMENT, LLC, a
limited liability company; and DOES 1 through
50, inclusive,

Defendants.

Case No.37-2024-00013022-CU-OE-CTL

**DECLARATION OF MARIA
SANCHEZ IN SUPPORT OF MOTION
FOR PRELIMINARY APPROVAL OF
CLASS SETTLEMENT**

Hearing Date: October 31, 2025

Hearing Time: 1:30 p.m.

Judge: Hon. Katherine Bacal

Dept.: 63

Date Action Filed: March 20, 2024

Trial Date: Not set

1 I, Maria Sanchez, declare as follows:

2 1. I am over the age of eighteen, a Plaintiff and a proposed Class Representative in the
3 above-entitled matter. I submit this declaration in support of the Motion for Preliminary
4 Approval of Class Settlement and in support of my application for a Class Representative
5 Service Payment.
6

7 2. I have personal knowledge of all the facts stated herein. I could and would competently
8 testify under oath to these facts in court if requested to do so.

9 3. During the class period I worked as a banquet server for the Defendant Mission Bay
10 Management, LLC ("MBM" or "Defendant") in California and during that time period I was
11 classified by MBM as a non-exempt employee.
12

13 4. I retained my attorneys who are experienced in both class action and PAGA
14 representative action litigation and claims against employers for violations of the California
15 Labor Code. I have no personal relationship or family ties to my attorneys or any officer of the
16 Court. I am not aware of having any actual or potential conflicts of interest with another class
17 member in this case nor am I aware of having any actual or potential conflicts of interest with
18 Apex Class Action, the settlement administrator. I am not aware of any other pending matter or
19 action asserting claims that will be extinguished or adversely affected by this settlement.
20

21 5. I decided to pursue this class action lawsuit and be a plaintiff/class representative
22 because I felt that my legal rights as an employee and others like me were violated. For example,
23 I often did not receive compliant meal and rest breaks which were late, interrupted or missed
24 entirely. I also did not receive all the meal and rest break premiums I was entitled to and when I
25 did receive premium payments, they were often an incorrect amount.. Additionally, I was
26 required to use my personal cellular phone for company business without reimbursement by
27

1 MBM. I was also required to work off the clock at times, after hours for example, but I was not
2 paid any wages for this time I worked for the company.

3 6. I spoke to my attorneys several times and discussed how MBM implemented its company
4 policies and procedures. I also assisted my attorneys in their investigation into my claims by
5 providing them documents and answering their questions. I reviewed the complaint before it
6 was filed and after it was filed, I was given access to an electronic file sharing program that
7 alerted me via email when important documents were filed so that I could review them and keep
8 up with the developments in the case which I understood was one of my duties as a class
9 representative. I would also contact my attorneys from time to time if I had any questions about
10 the case.
11

12 7. Even though this action is in the process of settling, I was and remain prepared to
13 perform all the duties of a class representative. I understand that as a class representative I have
14 assumed a fiduciary responsibility to prosecute this class action on behalf of the absent class
15 members. I have understood that as a fiduciary, I have a duty to prosecute this action for the
16 benefit of the class members and surrender any right to compromise the group action for an
17 individual gain.
18

19 8. I understood that being a plaintiff/class representative in this case meant that I was
20 seeking damages not only for myself but also other current and/or former non-exempt employees
21 working for MBM in California who make up the class. I felt that these individuals were not
22 aware of their labor law rights and even if they were they would probably be apprehensive about
23 speaking up or even simply because of the time, effort and risk involved in filing a class action
24 lawsuit.
25

26 ///

1 9. I understood that being a part of this lawsuit involved risks. For example, my attorneys
2 explained to me that if the case went to trial and we lost, I could be held responsible to pay for all
3 or part of the attorney fees and costs paid by MBM to defend this lawsuit. Also, I knew there
4 was a risk that future employers, if they ever find out about this lawsuit, could hold it against me
5 or downgrade me as a potential hire. As one of only two named Plaintiffs in this case it would
6 not be difficult for a future employer to become aware that I sued my employer for labor law
7 violations. Ultimately, I decided these risks were worth it and decided to fight for my rights and
8 the rights of others regardless of the risks, time and effort I spent on this case.

10 10. During the lawsuit I stayed in touch with my attorneys by phone and email. I also kept up
11 to date on important developments by reviewing court filings that were made available to me
12 electronically as I described above.

14 11. A mediation took place on March 19, 2025 with Louis Marlin, a well-respected and
15 experienced mediator of wage and hour class actions. After the mediation the parties were able
16 to reach an agreement to settle the action. I communicated with my attorneys regarding the terms
17 of the settlement which was reached between the parties and understood that I was representing
18 absent class members and therefore wanted the best possible result to be obtained for the class
19 members and I believe a very positive result was in fact achieved via settlement. I reviewed and
20 signed the Memorandum of Understanding on April 3, 2025, and when the final settlement
21 papers were ready, I closely reviewed the Settlement Agreement which I signed on August 29,
22 2025.

24 12. I have been actively involved with this lawsuit performing the duties described above.
25 Although I did not keep time records, I was in regular contact with my attorneys, reviewed court
26 filings, and spent a significant amount of time on the issues presented during the lawsuit and in
27

1 the settlement process. I estimate that I spent approximately 30-40 hours working on this case
2 up until this point. I believe I have been diligent and have done what is expected of a named
3 plaintiff and a proposed class representative to date and will continue to do so. I have and always
4 will maintain the best interests of the class members.

5
6 13. My attorneys explained to me that the settlement process involves a two-step review by
7 the Court to determine whether the settlement is fair before approving the settlement. I know
8 this process also involves notifying all class members of the settlement terms and of their rights
9 to make a claim for their settlement share, to opt out of the settlement or to object to the
10 settlement.

11
12 14. I believe I did the right thing by filing this case on behalf of the class members who,
13 subject to court approval, are in line to receive monetary payments as a result of this case and
14 settlement. This is money they may never have ever gotten if I did not pursue this action on their
15 behalf. I feel significant personal satisfaction to know that I played a role in the class members
16 being entitled to monetary payments as a result of the filing of this lawsuit. I also believe that
17 the requested Class Representative Service Payment of \$15,000 from the settlement is fair
18 compensation for the work I performed and the risks I undertook.

19
20 15. In light of all the time and effort I have spent on this case, the risk I undertook by suing
21 my employer, the exposure to being responsible for paying Defendant's costs in the event we did
22 not win the case, and the reputational risk that future employers may hold this lawsuit against
23 me, I believe the request for \$15,000 as a Class Representative service payment is fair and
24 reasonable.

25 ///

2 foregoing is true and correct.

19
20 15. As part of the settlement, it was necessary for me to sign a general release of all claims I
21 may have against MBM. I believe the Class Representative Service Payment I have requested
22 provides me with some compensation for this agreed release.

23
