CASE NO.: **37-2024-00013022-CU-OE-CTL**

**DECLARATION OF KYLE NORDREHAUG
IN SUPPORT OF MOTION FOR
PRELIMINARY APPROVAL OF CLASS
SETTLEMENT**

Hearing Date: October 31, 2025
Hearing Time: 1:30 p.m.

Judge: Hon. Katherine Bacal
Dept.: 63

Date Action Filed: March 20, 2024
Trial Date: Not set

1 I, Kyle Nordrehaug, declare as follows:

2 1. I am a partner of the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP,
3 counsel for Plaintiffs Maria Sanchez and Paul Williams (“Plaintiffs”) in this matter. As such, I am
4 fully familiar with the facts, pleadings and history of this matter. The following facts are within my
5 own personal knowledge, and if called as a witness, I could testify competently to the matters stated
6 herein.

7 2. This declaration is being submitted in support of Plaintiffs’ unopposed motion for
8 preliminary approval of the proposed class action settlement with Defendant Mission Bay
9 Management, LLC (“Defendant”), which motion seeks entry of an order: (1) preliminarily
10 approving the proposed settlement of this class action with Defendant; (2) for settlement purposes
11 only, conditionally certifying the Class, which is comprised of “all individuals who were employed
12 by Defendant in California and classified as non-exempt employees at any time during the Class
13 Period”, which is March 20, 2020 to April 17, 2025; (3) provisionally appointing Plaintiffs as the
14 representatives of the Class; (4) provisionally appointing Blumenthal Nordrehaug Bhowmik De
15 Blouw LLP and Gomez Trial Attorneys, APLC as Class Counsel; (5) approving the form and
16 method for providing class-wide notice; (6) directing that notice of the proposed settlement be
17 given to the Class; (7) appointing Apex Class Action LLC as Administrator, and (8) scheduling a
18 final approval hearing date, proposed for March 20, 2026, to consider Plaintiffs’ motion for final
19 approval of the settlement and for approval of attorneys’ fees, expenses and the service awards.
20 Attached hereto as Exhibit #1 is a copy of the fully executed Class Action and PAGA Settlement
21 Agreement (“Agreement”) along with exhibits thereto. The form of the Agreement is based upon
22 the Los Angeles County Superior Court model form for a class and PAGA settlement. This
23 Declaration incorporates by reference the definitions in the Agreement, and all terms defined
24 therein shall have the same meaning as set forth in the Agreement.

25
26 Fairness of Settlement

27 3. As consideration for this Settlement, the non-reversionary Gross Settlement Amount
28 of Eight Hundred Fifty Thousand Dollars (\$850,000) (the “Gross Settlement Amount”) is to be paid

1 by Defendant, as set forth in the Agreement. The Gross Settlement Amount will settle all issues
2 pending in the Action between the Parties and will be made in full and final settlement of the
3 Released Class Claims in exchange for the payments to Participating Class Members from the Net
4 Settlement Amount, and includes (a) the costs of administration of the settlement, (b) all attorneys'
5 fees and costs, (c) Class Representative Service Payments, and (d) the PAGA Penalties payment
6 allocated 75% to the LWDA and 25% to the Aggrieved Employees. (Agreement at ¶ 1.23.) The
7 following is a table of the key Settlement terms and the proposed deductions:

8 **\$850,000** (Gross Settlement Amount)

- 9 - \$30,000 (Plaintiffs' proposed service award - not to exceed amount)
10 - \$30,000 (Class Counsel Litigation Expenses Payment - not to exceed amount)
11 - \$283,333 (Class Counsel Fees Payment - not to exceed 1/3 of settlement)
12 - \$20,000 (PAGA Payment - 75% to LWDA / 25% to Aggrieved Employees)
13 - \$14,000 (Administration Expenses Payment - not to exceed amount)

14 **\$472,667** (Net Settlement Amount)

15 4. The relief provided in the Settlement will benefit all members of the Class. The
16 Settlement does not grant preferential treatment to Plaintiffs or segments of the Class in any way.
17 Payments to the Class Members are all determined under a neutral methodology. Each
18 Participating Class Member will receive the same opportunity to participate in and receive payment
19 through a neutral formula that is based upon the Workweeks for that individual.

20 5. On March 19, 2025, the Parties participated in an all-day mediation with Louis
21 Marlin, a respected and experienced mediator of wage and hour class actions. In preparation for the
22 mediation, Defendant provided Class Counsel with payroll, time and employment data, along with
23 other information regarding the Class Members, various internal documents, and other
24 compensation and employment-related materials. Class Counsel analyzed the data with the
25 assistance of damages expert Berger Consulting and prepared and submitted a mediation brief to the
26 mediator. The final settlement terms were negotiated and set forth in the Agreement now presented
27 for this Court's approval. Importantly, Plaintiffs and Class Counsel believe that this Settlement is
28 fair, reasonable and adequate.

1 6. Based upon 781 Class Members who worked an estimated 63,640 work weeks
2 (Agreement at ¶ 4.1), the Gross Settlement Amount provides an average value of \$1,088 per Class
3 Member and \$13.35 per workweek and after deductions the Net Settlement Amount provides an
4 average recovery of \$605.20 per Class Member and a recovery of \$7.42 per workweek. The
5 calculations to compensate for the amount due for the Class at the time of the mediation were
6 calculated by Berger Consulting, Plaintiffs' damage expert. As to the Class whose claims are at
7 issue in this Action, Plaintiffs used this expert to analyze the data and determine the potential
8 unpaid wages for the employees. The maximum potential damages were calculated to be
9 \$1,300,672 for the alleged underpaid wages for off-the-clock work at one hour per week, \$144,143
10 for the alleged unpaid meal break premiums and sick pay due to the miscalculation of the regular
11 rate, \$293,674 for alleged meal period damages based upon a 10.6% potential violation rate for all
12 shifts worked observed in the time records and after deducting for meal premiums already paid by
13 Defendant, \$244,633 for alleged rest period damages based upon the same 10.6% violation rate for
14 shifts worked that was observed for meal period records and after deducting res premiums already
15 paid by Defendant, \$75,891 for alleged unreimbursed cell-phone expenses at \$5 per month. As a
16 result, the total damage valuation was calculated such that Defendant was subject to a maximum
17 damage claim in the amount of \$2,159,214. As to potential penalties, Plaintiffs calculated that
18 potential waiting time penalties were a maximum of \$1,833,392, and potential maximum wage
19 statement penalties were \$1,170,700.¹ Defendant vigorously disputed Plaintiffs' calculations and
20 exposure theories. Consequently, the Gross Settlement Amount of \$850,000 represents more than
21 39% of the maximum value of the alleged damages at issue in this case at the time this Settlement

22
23
24
25 ¹ While Plaintiffs alleged claims for statutory penalties pursuant to Labor Code Sections 203
26 and 226, at mediation Plaintiffs recognized that these claims were subject to additional, separate
27 defenses asserted by Defendant, including, a good faith dispute defense as to whether any premium
28 wages for meal or rest periods or other wages were owed given Defendant's position that Plaintiff
and Class Members were properly compensated. *See Nordstrom Commission Cases*, 186 Cal. App.
4th 576, 584 (2010) ("There is no willful failure to pay wages if the employer and employee have a
good faith dispute as to whether and when the wages were due.").

1 was negotiated.² Importantly, the recent decision that good faith belief of compliance by the
2 employer in *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024), could completely
3 negate the claims for waiting time and wage statement penalties, even if wages were owed to the
4 Class. The above maximum calculations should then be realistically risk-adjusted in consideration
5 for both the risk of class certification and the risk of establishing class-wide liability on all claims.
6 Given the amount of the settlement as compared to the potential value of claims in this case and the
7 defenses asserted by Defendant, this settlement is fair and reasonable.

8
9 Procedural History of the Litigation

10 7. On December 6, 2023, Plaintiff Sanchez filed with the LWDA and served on
11 Defendant a notice under Labor Code section 2699.3 identifying the alleged Labor Code violations
12 to recover civil penalties on behalf of Aggrieved Employees for alleged violations of Labor Code
13 §§ 201, 202, 203, 204 et seq., 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512, 558(a)(1)(2),
14 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040,
15 Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to
16 Provide Seating), and Violation of the applicable Industrial Welfare Commission Wage Order(s),
17 and included a draft of the Complaint as an exhibit. This PAGA Notice are referred to as the
18 “PAGA Notice”, and is attached hereto as Exhibit #3 for the Court’s reference.

19 8. On March 20, 2024, Plaintiff Sanchez commenced this Action by filing a
20 Complaint against Defendant in the Superior Court of the State of California, County of San Diego
21 (“Class Action”). This Class Action Complaint asserted class claims against Defendant for: (1)
22 unfair competition in violation of Cal. Bus & Prof. Code §§ 17200, et seq.; (2) failure to to pay
23 minimum wages in violation of California Labor Code §§ 1194, 1197, and 1197.1; (3) failure to pay
24 overtime wages in violation of California Labor Code §§ 510, 1194 & 1198; (4) failure to provide
25 required meal periods in violation of Cal. Labor Code §§ 226.7 and 512; (5) failure to provide

26
27 ² Because the PAGA claim is not a class claim and primarily is paid to the State of California,
28 Plaintiffs have not included the PAGA claim in this discussion of the value of the class claims. The
PAGA claim is addressed below at ¶33.

1 required rest periods in violation of Cal. Labor Code §§ 226.7 and 512; (6) failure to provide
2 accurate itemized wage statements in violation of California Labor Code § 226; (7) failure to
3 reimburse employees for required expenses in violation of California Labor Code § 2802; and, (8)
4 failure to pay sick pay wages in violation of California Labor Code §§ 201-204, 233, and 246. On
5 ay 28, 2024, Plaintiff Sanchez filed a complaint against Defendant in the Superior Court of the State
6 of California, County of San Diego (“PAGA Action”). The PAGA Action complaint asserted a
7 claim that Defendant violated the Private Attorney General Act, Cal. Labor Code §§ 2698, et seq.
8 (“PAGA”). On August 28, 2024, the Court deemed the two actions related and reassigned the
9 PAGA Action to the same judge and department as the Class Action

10 9. On June 27, 2025, Plaintiffs filed a First Amended Complaint in the
11 Class Action, adding the claims alleged in the PAGA Action and Paul Williams as a named
12 plaintiff. The First Amended Complaint in the Class Action is the operative complaint (the
13 “Operative Complaint”).

14 10. Over the course of litigation, the Parties engaged in the investigation of the claims,
15 including informal discovery and the production of documents, class data, and other information,
16 allowing for the full and complete analysis of liabilities and defenses to the claims in the Action.
17 The information for mediation obtained by Plaintiffs included: (1) data concerning the class; (2)
18 payroll data and time punch data for the Class covering 144 employees, 39,839 shifts and 10,653
19 workweeks; (3) Defendant’s wage and hour policies; (4) the employment files for the Plaintiffs;
20 and, (5) samples of wage statements provided by Defendant. As such, Class Counsel received the
21 data and information for the Class, which was sufficient for Plaintiffs’ expert to prepare the
22 valuations of the claims for the Class.

23 11. Class Counsel has extensive experience in litigating wage and hour class actions in
24 California. The Parties have vigorously litigated the Action since inception. During the course of
25 litigation, the Parties each performed analysis of the merits and value of the claims. Plaintiffs and
26 Defendant have engaged in significant research and investigation in connection with the Actions.
27 Class Counsel has thoroughly analyzed the value of the claims during the prosecution of this
28 Actions and utilized an expert to perform an analysis of the data and valuation of the claims.

1 12. Plaintiffs and Defendant agreed to discuss resolution of the Action through a
2 mediation. Prior to mediation, the Parties engaged in the above investigation and the exchange of
3 documents and information in connection with the Action. On March 19, 2025, the Parties
4 participated in an all-day mediation presided over by Louis Marlin, a respected and experienced
5 mediator of wage and hour class actions. Following the mediation, the Parties agreed to settle the
6 Action based upon a mediator's proposal which was memorialized in the form of a Memorandum of
7 Understanding. The Parties then negotiated the final terms of the settlement as set forth in the
8 Agreement. At all times, the negotiations were arm's length and contentious.

9 13. Although a settlement has been reached, Defendant denies any liability or
10 wrongdoing of any kind associated with the claims alleged in the Actions and further denies that,
11 for any purpose other than settlement, the Actions are appropriate for class and/or representative
12 treatment. Defendant contends, among other things, that it has complied at all times with the
13 California Labor Code, applicable Wage Order, and all other laws and regulations. Further,
14 Defendant contends that class certification is inappropriate for any reason other than for settlement.
15 Plaintiffs contend that Defendant violated California wage and hour laws. Plaintiffs further contend
16 that the Actions are appropriate for class certification on the basis that the claims meet the requisites
17 for class certification. Without admitting that class certification is proper, Defendant has stipulated
18 that the above Class may be certified for settlement purposes only. (Agreement at ¶ 2.10.) The
19 Parties agree that certification for settlement purposes is not an admission that class certification is
20 proper. Further, the Agreement is not admissible in this or any other proceeding as evidence that
21 the Class could be certified absent a settlement. Solely for purposes of settling the Actions, the
22 Parties stipulate and agree that the requisites for establishing class certification with respect to the
23 Class are satisfied.

24 14. Class Counsel has conducted an investigation into the facts of the class action.
25 Informal discovery was obtained, which included the production of relevant documents and data.
26 Class Counsel engaged in a thorough review and analysis of the relevant documents and data with
27 the assistance of an expert. Accordingly, the agreement to settle did not occur until Class Counsel
28 possessed sufficient information to make an informed judgment regarding the likelihood of success

1 on the merits and the results that could be obtained through further litigation. In addition, Class
2 Counsel previously negotiated settlements with other employers in actions involving nearly
3 identical issues and analogous defenses. Based on the foregoing data and their own independent
4 investigation, evaluation and experience, Class Counsel believes that the settlement with Defendant
5 on the terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of
6 the Class in light of all known facts and circumstances, including the risk of significant delay,
7 defenses asserted by Defendant, and potential appellate issues.

8
9 Settlement Terms and Plan of Allocation

10 15. The Gross Settlement Amount is Eight Hundred Fifty Thousand Dollars (\$850,000).
11 (Agreement at ¶ 1.23.) Under the Settlement, the Gross Settlement Amount consists of the
12 following elements: (1) payment of the Individual Class Payments to the Participating Class
13 Members; (2) Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment; (3)
14 Administration Expenses Payment; (4) the Class Representative Service Payments to the Plaintiffs;
15 and (5) the PAGA Penalties payment. (Agreement at ¶ 1.23.) The Gross Settlement Amount does
16 not include Defendant's share of payroll taxes which Defendant shall separately pay. (Agreement
17 at ¶ 3.1.) The Gross Settlement Amount shall be all-in with no reversion to Defendant. (Agreement
18 at ¶ 3.1.)

19 16. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay
20 payroll taxes no later than forty-five (45) days after the Effective Date. (Agreement at ¶ 4.3.) The
21 distribution of Individual Class Payments to Participating Class Members along with the other
22 Court-approved distributions shall be made within 14 days after the Defendant funds the settlement.
23 (Agreement at ¶ 5.1.)

24 17. The amount remaining in the Gross Settlement Amount after the deduction of
25 Court-approved amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class
26 Representative Service Payments, the Class Counsel Fees Payment, the Class Counsel Litigation
27 Expenses Payment, and the Administration Expenses Payment (called the "Net Settlement
28 Amount") shall be allocated to Class Members as their Individual Class Payments. (Agreement at

¶¶ 1.29 and 3.2.) From the Net Settlement Amount, the Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. (Agreement at ¶ 3.2(e).) Workweeks will initially be based on Defendant's records, however, Class Members will have the right to challenge the number of Workweeks.

18. Class Members may choose to opt-out of the Settlement by following the directions in the Class Notice. (Agreement at ¶ 8.5, Ex. A.) The Class Notice provides that Class Members shall have sixty (60) days from the date that the Class Notice is mailed to them (the "Response Deadline") to request exclusion (opt-out) or to submit a written objection. (Agreement at ¶¶ 1.42, 8.5, 8.7.) All Class Members who do not "opt out" will be deemed Participating Class Members who will be bound by the Settlement and will be entitled to receive an Individual Class Payment. (Agreement at ¶ 8.5(c).) All Aggrieved Employees will be paid their allocation of the PAGA Penalties and will be subject to the release of the Released PAGA Claims regardless of any request for exclusion from the Class. (Agreement at ¶¶ 6.3 and 8.5(d).) Finally, the Class Notice will advise the Class Members of their right to object to the Settlement and/or dispute their Workweeks. (Agreement at ¶¶ 8.6 and 8.7, Ex. A.)

19. A Participating Class Member must cash his or her Individual Class Payment check within 180 days after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within 180 days will be voided and any funds represented by such checks sent to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). (Agreement at ¶ 5.4.) The Parties have agreed to propose "Children's Advocacy Institute" as the Cy Pres Recipient. (Agreement at ¶ 5.4.) The Parties, Class Counsel and Defense Counsel have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

20. Subject to Court approval, the Parties have agreed on Apex Class Action LLC to administer the settlement in this action ("Administrator"). (Agreement at ¶ 1.2.) The Administrator will be paid for settlement administration in an amount not to exceed \$14,000. (Agreement at ¶

1 3.2(c).) Apex Class Action provided an estimate of \$12,750 for administration expenses.

2 21. Subject to Court approval, the Agreement provides for Class Counsel to be awarded
3 a sum not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment.
4 (Agreement at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of
5 Class Counsel Litigation Expenses Payment in an amount not to exceed \$30,000. (Agreement at ¶
6 3.2(b).) Subject to Court approval, the Agreement provides for a payment of no more than \$15,000
7 each to the Plaintiffs as their Class Representative Service Payments.³ (Agreement at ¶ 3.2(a).)

8 22. Subject to Court approval, the PAGA Penalties will be paid from the Gross
9 Settlement Amount for PAGA penalties under the California Private Attorneys General Act, Cal.
10 Labor Code Section 2698, *et seq.* (“PAGA”). The PAGA Penalties are \$20,000, to be allocated
11 75% (\$15,000) to the LWDA PAGA Payment and 25% (\$5,000) to the Individual PAGA
12 Payments.⁴ (Agreement at ¶ 3.2(d).) The Individual PAGA Payments will be calculated by (a)
13 dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the
14 total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period
15 and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. (Agreement at ¶
16 3.2(d).) As set forth in the accompanying proof of service, the LWDA has been served with this
17 motion and the Agreement.

18
19 Risks of Continued Litigation and Standards for Approval

20 23. Plaintiffs and Class Counsel recognize the expense and length of continuing to

21
22 ³ Plaintiff Sanchez has additional individual claims against Defendant that Plaintiff Sanchez is
23 separately settling. Plaintiff Sanchez will be separately paid for resolution of these individual claims
24 arising out of his employment with Defendant, including Plaintiff's complaint made with the Equal
25 Employment Opportunity Commission (“EEOC”), case no. 37A-2025-01494 and her claim with the
26 California Civil Rights Department, Case No. 202408-25964526, alleging claims related to her
27 employment as set forth in a separate confidential individual settlement agreement that will include
28 a waiver of rights under Civil Code § 1542. These individual claims are based on separate and
different facts than the class claims, and the resolution of these individual claims is not being paid
from the Gross Settlement Amount.

⁴ The 75/25 allocation is required by Labor Code § 2699, because this action filed before June
2024 is not subject to the amended version of Labor Code § 2699.

1 litigate and trying the Actions against Defendant through possible appeals which could take several
2 years. Class Counsel has also taken into account the uncertain outcome and risk of litigation,
3 especially in complex actions such as the Actions. Class Counsel is also mindful of and recognize
4 the inherent problems of proof under, and alleged defenses to, the claims asserted in the Actions.
5 Based upon their evaluation, Plaintiffs and Class Counsel have determined that the Settlement set
6 forth in the Agreement is in the best interest of the Class Members.

7 24. A number of defenses asserted by Defendant present serious threats to the claims of
8 the Plaintiffs and the other Class Members. Defendant asserted that Defendant's practices complied
9 with all applicable Labor laws. Defendant argued that Class Members were paid for all time
10 worked and that work time was properly recorded. Defendant maintained there was no
11 miscalculation of the regular rate resulting in the underpayment of wages to the Plaintiffs and the
12 Class. Defendant contends that its meal and rest period policies fully complied with California law
13 and that Defendant did not fail to provide the opportunity for legally required meal and rest breaks.
14 Defendant could argue that its payment of significant meal and rest period premiums is evidence of
15 its lawful practices. Defendant contends that there was no failure to pay for business expenses and
16 any cell phone usage was merely convenient and voluntary such that reimbursement was not legally
17 required. Finally, Defendant has an argument that the Supreme Court decision in *Brinker v.*
18 *Superior Court*, 53 Cal. 4th 1004 (2012), weakened Plaintiffs' claims, on liability, value, and class
19 certifiability as to the meal and rest period claims. Defendant also argues that based on its facially
20 lawful practices, Defendant acted in good faith and without willfulness, which if accepted would
21 negate the claims for waiting time penalties and/or inaccurate wage statements. See e.g. *Naranjo v.*
22 *Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024) ("if an employer reasonably and in good
23 faith believed it was providing a complete and accurate wage statement in compliance with the
24 requirements of section 226, then it has not knowingly and intentionally failed to comply with the
25 wage statement law.") If successful, Defendant's defenses could eliminate or substantially reduce
26 any recovery to the Class. While Plaintiffs believe that these defenses could be overcome,
27 Defendant maintains these defenses have merit and therefore present a serious risk to recovery by
28 the Class.

1 25. There was also a significant risk that, if the Action was not settled, Plaintiffs would
2 be unable to obtain a certified class and maintain the certified class through trial, and thereby not
3 recover on behalf of any employees other than themselves. At the time of the mediation, Defendant
4 forcefully opposed the propriety of class certification, arguing that individual issues precluded class
5 certification. Further, as demonstrated by the California Supreme Court decision in *Duran v. U.S.*
6 *Bank National Assn.*, 59 Cal. 4th 1 (2014), there are significant hurdles to overcome for a class-
7 wide recovery even where the class has been certified. While other cases have approved class
8 certification in wage and hour claims, class certification in this action was hotly disputed and the
9 maintenance of a certified class through trial was by no means a foregone conclusion.

10 26. This settlement is therefore certainly entitled to preliminary approval. Were this
11 case to go to trial, the Plaintiffs and the other class members would need to prove, among other
12 things, that wages were owed on a class-wide basis. This was and is a substantial risk.

13 27. Plaintiffs will apply to the Court for Class Representative Service Payments in
14 consideration for their service and for the risks undertaken on behalf of the Class. (Agreement at ¶
15 3.2(a).) Plaintiffs performed their duties admirably by working with Class Counsel over the course
16 of litigation, and risked adverse consequences if Defendant prevailed. The Declarations of the
17 Plaintiffs are submitted herewith in support. At this stage, the requested service award is within the
18 accepted range of awards for purposes of preliminary approval. *See e.g. Andrews v. Plains All Am.*
19 *Pipeline L.P.*, 2022 U.S. Dist. LEXIS 172183, at *11 (C.D. Cal. 2022) (finding that the requested
20 service awards of \$15,000 each are appropriate); *Reynolds v. Direct Flow Med., Inc.*, 2019 U.S.
21 Dist. LEXIS 149865, at *19 (N.D. Cal. 2019) (granting request for \$12,500 service award); *Mathein*
22 *v. Pier 1 Imps. (U.S.), Inc.*, 2018 U.S. Dist. LEXIS 71386 (E.D. Cal. 2018) (awarding \$12,500
23 where average class member payment was \$351); *Louie v. Kaiser Foundation Health Plan, Inc.*,
24 2008 WL 4473183, *7 (S.D. Cal. Oct. 06, 2008) (awarding \$25,000 service award to each of six
25 plaintiffs in overtime class action); *Glass v. UBS Fin. Servs.*, 2007 WL 221862, *16-17 (N.D. Cal.
26 2007) (awarding \$25,000 service award in overtime class action and a pool of \$100,000 in
27 enhancements).

28 28. The stage of the proceedings at which this Settlement was reached also militates in

1 favor of preliminary approval and ultimately, final approval of the Settlement. Class Counsel has
2 conducted a thorough investigation into the facts of the class action. Class Counsel began
3 investigating the Class Members' claims before the Actions were filed, and during the course of
4 litigation, and Class Counsel and engaged in informal discovery to obtain necessary information.
5 Class Counsel conducted a review and analysis of the relevant documents and data. Class Counsel
6 was also experienced with these claims, as Class Counsel previously litigated and settled similar
7 claims in other actions. Accordingly, the agreement to settle did not occur until Class Counsel
8 possessed sufficient information to make an informed judgment regarding the likelihood of success
9 on the merits and the results that could be obtained through further litigation.

10 29. Based on the foregoing data and their own independent investigation and evaluation,
11 Class Counsel is of the opinion that the Settlement with Defendant for the consideration and on the
12 terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of the
13 Class in light of all known facts and circumstances, including the risk of significant delay, defenses
14 asserted by Defendant, and numerous potential appellate issues. There can be no doubt that
15 Counsel for both Parties possessed sufficient information to make an informed judgment regarding
16 the likelihood of success on the merits and the results that could be obtained through further
17 litigation.

18
19 Class Certification Issues

20 30. Plaintiffs contend that the proposed settlement meet all of the requirements for class
21 certification under California Code of Civil Procedure § 382 as demonstrated below, and therefore,
22 the Court may appropriately approve the Class as defined in the Agreement. This Court should
23 conditionally certify the Class for settlement purposes only, defined as follows:

24 All individuals who were employed by Defendant in California and classified as
25 non-exempt employees at any time during the Class Period.
26 (Agreement at ¶ 1.5.)

27 The Class Period is from March 20, 2020 to April 17, 2025. (Agreement at ¶ 1.14).

28 a. **Numerosity** - Plaintiffs assert that the 781 current and former workers that

1 comprise the Class can be identified based on Defendant's records and are sufficiently numerous for
2 class certification.

3 b. **Common Issues Predominate** - Plaintiffs contend that common questions of
4 law and fact are present, specifically the common questions of whether Defendant's practices were
5 lawful, whether Defendant failed to provide meal and rest periods to Class Members, whether Class
6 Members were lawfully compensated for all hours worked, whether Defendant miscalculated the
7 regular rate when paying meal premiums and/or sick pay, whether Defendant failed to provide
8 required expense reimbursement, and whether Class Members are entitled to damages and penalties
9 as a result of these practices. Plaintiffs contend that certification of this Class is appropriate
10 because Defendant allegedly engaged in uniform practices with respect to the Class Members. As a
11 result, these common questions of liability could be answered on a class wide basis.

12 c. **Typicality** - In this Action, Plaintiffs contend that the typicality requirement
13 is fully satisfied. Plaintiffs, like every other member of the Class, were employed by Defendant as
14 non-exempt employees, and, like every other member of the Class, were subject to the same
15 employment policies and practices. Plaintiffs, like every other member of the Class, also claim
16 owed compensation as a result of the Defendant's uniform company policies and practices. Thus,
17 the claims of Plaintiffs and the members of the Class arise from the same course of conduct by
18 Defendant, involve the same issues, and are based on the same legal theories.

19 d. **Adequacy** - Plaintiffs contend that the Class Members are adequately
20 represented here because Plaintiffs and representing counsel (a) do not have any conflicts of interest
21 with other class members, and (b) will prosecute the case vigorously on behalf of the class. This
22 requirement is met here. First, Plaintiffs are well aware of their duties as the representatives of the
23 Class and has actively participated in the prosecution of this case to date. Plaintiffs effectively
24 communicated with Class Counsel, provided documents and information to Class Counsel, and
25 participated in the investigation and resolution of the Actions. The personal involvement of the
26 Plaintiffs was essential to the prosecution of the Actions and the monetary settlement reached.
27 Second, Plaintiffs retained competent counsel who are experienced in employment class actions and
28 who have no conflicts. Third, there is no antagonism between the interests of the Plaintiffs and

1 those of the Class. Both the Plaintiffs and the Class Members seek monetary relief under the same
2 set of facts and legal theories. Under such circumstances, there can be no conflicts of interest, and
3 adequacy of representation is satisfied.

4 31. Class Counsel's Adequacy of Representation and Absence of Conflict: Blumenthal
5 Nordrehaug Bhowmik De Blouw LLP is experienced in prosecuting class action lawsuits and can
6 competently represent the Class. Other lawyers at my firm and I have extensive class litigation
7 experience. We have handled a number of class actions and complex cases and have acted both as
8 counsel and as lead and co-lead counsel in a variety of these matters. We have successfully
9 prosecuted and obtained significant recoveries in numerous class action lawsuits and other lawsuits
10 involving complex issues of law and fact. My firm is particularly experienced in wage and hour
11 employment law class actions, including claims for misclassification, overtime, expense
12 reimbursement, unlawful deduction of wages, and missed rest and meal periods. Blumenthal
13 Nordrehaug Bhowmik De Blouw LLP has been involved as class counsel in over hundreds of wage
14 and hour class actions. Blumenthal Nordrehaug Bhowmik De Blouw LLP has been found to be
15 adequate counsel by the courts throughout California. We have been approved as experienced class
16 counsel by both state and federal courts in California in contested class certification proceedings. A
17 true and correct copy of the resume of my firm is attached hereto as Exhibit #2. The Class in this
18 settlement is defined as "all individuals who were employed by Defendant in California and
19 classified as non-exempt employees at any time during the Class Period." I have reviewed my
20 firm's cases and representation of other plaintiffs and there is no conflict or representation which
21 would prevent my firm from representing the interests of the Class this case. My firm only
22 represents employees, and not employers. My firm has never represented Defendant nor any
23 affiliate of the Defendant. My firm's only interest in the subject matter of this litigation is to ensure
24 a recovery to the Class and to maximize that recovery. Finally, our allegiance to the Class and the
25 claims of the Class is not inconsistent with our allegiance to pursue the claims on behalf of other
26 employees and classes as the claims are all against different and distinct employers. I can think of
27 no conflict that would arise in our representation of the Class and our adequate representation of the
28 Class is evidenced by the successful prosecution of the class claims to reach an excellent recovery

1 for the Class. Moreover, neither the Plaintiffs nor Class Counsel have any affiliation with the
2 proposed Administrator for this settlement. Thus, the adequacy requirement for my firm is satisfied
3 for purposes of this Settlement.

4 32. The Class Notice, drafted jointly and agreed upon by the Parties through their
5 respective counsel and to be approved by the Court, includes all relevant information. (See Exhibit
6 “A” to the Agreement.) In accordance with the Agreement, Defendant will provide to the
7 Administrator a confidential electronic spreadsheet containing the Class Data. (Agreement at ¶
8 4.2.) Within 14 days after receiving the Class Data, the Administrator will mail the Class Notice to
9 all Class Members via first-class U.S. Mail using the most current mailing address information
10 available. (Agreement at ¶ 8.4(b).) A Spanish translation will be included with the Class Notice.
11 (Agreement at ¶ 1.11.) The Class Notice will include, among other information: (i) information
12 regarding the Actions; (ii) the impact on the rights of the Class Members if they do not opt out,
13 including a description of the applicable release; (iii) information to the Class Members regarding
14 how to opt out and how to object to the Settlement; (iv) the estimated Individual Class Payment for
15 each of the Class Members; (iii) the amount of attorneys’ fees and expenses to be sought; (v) the
16 amount of the Plaintiffs’ service award request; and (vi) the anticipated expenses of the
17 Administrator. The Class Notice will state that the Class Members shall have sixty (60) days from
18 the date that the Class Notice is mailed to them (the “Response Deadline”) to request exclusion
19 (opt-out) or to submit a written objection. (Agreement at ¶¶ 1.442, 8.5, 8.7.) Class Members shall
20 be given the opportunity to object to the Settlement and the request for attorneys’ fees and
21 expenses, and to appear at the Final Approval Hearing. (Agreement at ¶ 8.7.) Class Members who
22 do not submit a timely and proper request to opt-out will automatically receive a payment of their
23 Individual Class Payment. This notice program was designed to meaningfully reach the Class
24 Members and it advises them of all pertinent information concerning the Settlement.

25
26 33. The PAGA Claim -

27 a. **Approval of PAGA Settlements.** The decision in *O'Connor v. Uber*, 201
28

1 F.Supp.3d 1110, 1133 (N.D. Cal. 2016), and the LWDA's Response therein is illustrative. The
2 LWDA first states that "when viewing the monetary relief allocated to PAGA claims under a
3 settlement, the LWDA recognizes that the PAGA sum need not necessarily be viewed through the
4 same lens as the relief obtained by absent class members on other claims (i.e., the percentage of
5 recovery-to-exposure on the PAGA claims need not necessarily equal the percentage of recovery on
6 the other claims)." (LWDA Response at p.3). The LWDA also indicated that the payment of
7 money to the aggrieved employees furthers the purposes of PAGA and that the Court considers that
8 primary consideration. "The LWDA recognizes that this Court does not review the PAGA
9 allocation in isolation, but rather reviews the settlement as a whole, to determine whether it is
10 fundamentally fair, reasonable and adequate, with primary consideration for the interests of absent
11 class members." (LWDA Response at p.4).

12 b. **Valuation of the PAGA Claim.** For mediation, Plaintiff calculated the
13 value of the alleged PAGA claim as to Aggrieved Employees for civil penalties to be between
14 \$817,050 and \$1,634,100 for a single violation in every one of the 16,341 pay periods at issue in the
15 PAGA Period, depending on whether the violation was \$50 per pay period as in the case of Labor
16 Code § 558(a)(1) or the standard amount of \$100 per pay period for violation of Labor Code §
17 1198. This valuation assumed that PAGA civil penalties would be awarded at the maximum rate
18 per pay period but without stacking.⁵ The PAGA allocation in the Settlement is the amount of
19 \$20,000. This allocation is justified by several important considerations. First, the PAGA claim
20 was subject to the same risks as the underlying class claims. Second, Defendant asserted additional
21 defenses to the PAGA claim, not only as to liability but also as to the amount of the penalties.
22 Defendant argued that significant PAGA penalties would be unlikely and would be reduced under
23 such particular "circumstances" under Cal. Labor Code §2699(e)(2) and/or "would result in an
24

25 ⁵ Stacking is where more than one civil penalty is imposed in a pay period for the same conduct.
26 The valuation of between \$817,050 and \$1,634,100 is the civil penalty amount without stacking. If
27 stacking is permitted, then the valuation increases with each additional penalty added to each pay
28 period. Plaintiff, however, is not aware of any PAGA award which permitted stacking and in the
cases cited herein, only one penalty per pay period was assessed, and the recent 2024 amendments
to the PAGA statute cast further doubt on stacking of penalties.

award that is unjust, arbitrary and oppressive, or confiscatory” under Cal. Labor Code §2699(e)(2). Defendant could also argue that no penalties prior to the PAGA notification should be awarded, and I am aware of one trial court which has so ruled. These additional defenses present a risk to the PAGA claim and the potential that some or all of the PAGA penalties sought may not be awarded. Third, in *Carrington v. Starbucks Corp.*, 30 Cal. App. 5th 504 (2018), the court affirmed a judgment which only provided for a PAGA penalty of \$5 per violation. Therefore, at trial, any PAGA penalties awarded could be significantly less than Plaintiffs’ calculation even where Plaintiff prevailed on the PAGA claim. Even if we assume that violations for all 16,341 pay periods were established, using the valuation from *Carrington* results in a potential recovery of only \$81,705 under PAGA. This means that the PAGA allocation in the Agreement is a reasonable percentage of this potential PAGA recovery. Fourth, the interests of PAGA are also served by the Class recovery under the reasoning of the LWDA in *O'Connor v. Uber*.

c. **Comparable PAGA Settlements.** In reaching the settlement of the PAGA claim, Class Counsel was also aware of what allocations other Courts have approved for similar PAGA settlements as compared to the total settlement amount. A class settlement that allocates approximately 2% of the total settlement value to resolve the PAGA claims applicable to the class is also supported by what has been approved in other wage-and-hour class settlements. Indeed, Courts typically approve PAGA settlement amounts in the range of between 0.27 to 2 percent of the total settlement. See *Davis v. Brown Shoe Co.*, 2015 U.S. Dist. LEXIS 149010 (E.D. Cal. 2015) (PAGA Payment of \$5,000 in a \$1.5 million class settlement); *Zamora v. Ryder Integrated Logistics, Inc.*, 2014 U.S. Dist. LEXIS 184096 (S.D. 1 34. Attorneys' Fees - The Class Counsel Fees Payment is capped at one-third of the
2 Gross Settlement Amount. A fee award that is capped at one-third of the common fund is fair and
3 reasonable, and at the time of final approval, my firm will present lodestar to further support the
4 reasonableness of the requested fee award. My firm has been regularly awarded attorney's fees
5 equal to one-third of the common fund in Court-approved wage and hour class settlements. Some
6 of the class action awards obtained by Class Counsel in similar employment actions throughout the
7 state bear out the reasonableness of a fee and costs award equivalent to one-third (1/3) of the total

36. Potentially Related Other Actions - I am not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement. (Agreement at ¶ 2.11.)

37. Administration - After seeking bids from qualified administrators, the estimate from Apex Class Action was selected, as it provided for an estimate of \$12,750 to perform the settlement administration for 800 individuals, with any difference between the actual expenses and the budget of \$14,000 to be retained in the Net Settlement Amount for distribution to the Class. I have used Apex Class Action successfully as the administrator in more than twenty class settlements in the last couple years and know them to be competent and experienced. My firm has no relationship or connection with Apex Class Action, and thus no conflict of interest exists. Submitted in support of the motion is the Declaration of Michael Sutherland from Apex Class Action which includes the estimate for administration from Apex Class Action for this matter.

Service on the LWDA:

38. At the same time as the filing and service of this declaration, I am also serving the LWDA with the entire motion for preliminary approval which includes the Class Action and PAGA Settlement Agreement. This service is verified by the accompanying proof of service.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 7th day of October, 2025, at La Jolla, California.

The Parties agree to certification of the Class for purposes of this Settlement only. If for any reason the settlement does not become effective, this Agreement shall not be admissible, and Defendant reserves the right to contest certification of any class for any reason and reserves all available defenses to the claims in the Actions.

- (d) To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$20,000 to be paid from the Gross Settlement Amount, with 75% (\$15,000) allocated to the LWDA PAGA Payment and 25% (\$5,000) allocated to the Individual PAGA Payments.
 - i. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.
 - ii. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.
- (e) To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.
 - i. Tax Allocation of Individual Class Payments. 33% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 67% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for non-wages, expense reimbursement, interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.
 - ii. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

4. SETTLEMENT FUNDING

- 4.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on its records, Defendant estimates there are approximately 781 Class Members who collectively worked a total of approximately 63,640 workweeks during the period of March 20, 2020 through April 17, 2025, and 548 Aggrieved Employees who worked a total of 16,341

PAGA Pay Periods during the period of March 25, 2023 to the April 17, 2025. Defendants represented that Plaintiffs and approximately 25% of the Class Members signed arbitration agreements.

- 4.2. Class Data. Not later than 15 days after the Court enters and Order granting Preliminary Approval of the Settlement, Defendant will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.
- 4.3. Funding of the Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than forty-five (45) days after the Effective Date.

5. PAYMENTS FROM THE GROSS SETTLEMENT AMOUNT

- 5.1. Within 14 days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payments in accordance with this Agreement.
- 5.2. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the "void date", which is 180 days after the date of mailing, when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Class Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients' mailing

addresses using the National Change of Address Database. If a Participating Class Member's or Aggrieved Employee's check is not cashed within 120 days after its last mailing to the affected individual, the Administrator will also send the individual a notice informing him or her that unless the check is cashed by the void date, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced but not cashed.

- 5.3. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
- 5.4. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to Children's Advocacy Institute, a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.
- 5.5. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement. Participating Class Members will be deemed to have waived all such claims for additional benefits based on the payment of Individual Class Payments and Individual PAGA Payments.
6. **RELEASE OF CLAIMS.** Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Participating Class Members, Aggrieved Employees and the LWDA will release claims against all Released Parties as follows:
 - 6.1. Plaintiffs' Release. Plaintiffs and their respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, Plaintiff's PAGA Notice ("Plaintiffs' Release"). Plaintiffs' Release

does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, or workers' compensation benefits that arose at any time,. Plaintiffs acknowledge that Plaintiffs may discover facts or law different from, or in addition to, the facts or law that Plaintiffs now know or believe to be true but agrees, nonetheless, that Plaintiffs' Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiffs' discovery of them.

- (a) Plaintiff Paul Williams's Waiver of Rights Under Civil Code Section 1542. Plaintiff William's Release shall include all claims, whether known or unknown by Plaintiff Williams. For purposes of Plaintiff Paul Williams's Release, Plaintiff Paul Williams expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

- (b) Plaintiff Maria Sanchez's Other Claims. Plaintiff Sanchez's Release shall include all claims, whether known or unknown by Plaintiff Sanchez. Plaintiff Maria Sanchez represents that she has claims against Defendant other than the Class claims and PAGA claims. Plaintiff Maria Sanchez is separately settling Plaintiff Sanchez's Individual Claims. Class Counsel will be filing a declaration with the Court affirming that the consideration given for the dismissal of Plaintiff Sanchez's Individual Claims is unrelated to and separate from the settlement of her Class claims and PAGA claims and is based on separate facts and claims.

6.2. Release by Participating Class Members. All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims.

6.3. Release of PAGA Claims. All Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims.

7. MOTION FOR PRELIMINARY APPROVAL. The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's procedures and instructions.

7.1. Amended Complaint. The Parties agree that Plaintiff will dismiss the PAGA Action

without prejudice and will amend the Class Action to include the claims brought pursuant to PAGA.

- 7.2. Defendant's Responsibilities. Within 30 days of the full execution of this Agreement, Defendant will prepare and deliver to Class Counsel a signed Declaration disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator and the Cy Pres Recipient, if any. In the Declaration, Defendant shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement. In this Declaration, Defendant shall also aver as to the number of Class Members and the number of Workweeks for the Class during the Class Period.
- 7.3. Plaintiff's Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members and/or the proposed Cy Pres Recipient; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator and/or the proposed Cy Pres Recipient; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), this Agreement (Labor Code section 2699, subd. (l)(2)); (and (vi) all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator and/or the Cy Pres Recipient, if any. In their Declarations, Plaintiff and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 7.4. Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of

the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.

- 7.5. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

8. SETTLEMENT ADMINISTRATION

- 8.1. Selection of Administrator. The Parties have jointly selected Apex Class Action to serve as the Administrator and verified that, as a condition of appointment, Apex Class Action agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Administrator's duties will include preparing, printing, and mailing the Class Notice Packet to all Class Members; conducting a National Change of Address search to update Class Member addresses before mailing the Class Notice Packets; re-mailing Class Notice Packets that are returned to the Class Member's new address; setting up a toll-free telephone number and email and a fax number to receive communications from Class Members; receiving and reviewing for validity completed Requests for Exclusion; providing the Parties with weekly status reports about the delivery of Class Notice Packets and receipt of Requests for Exclusion, objections and disputes; calculating Individual Class Payments and Individual PAGA Payments; issuing the checks to effectuate the payments due under the Settlement; issuing the tax reports required under this Settlement; and otherwise administering the Settlement pursuant to this Agreement. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 8.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 8.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 8.4. Notice to Class Members.

- (a) No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- (b) Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice with Spanish translation, if applicable substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- (c) Not later than 7 days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.
- (d) The deadlines for Class Members’ written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the Response Deadline provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- (e) If the Administrator, the Parties, Defense Counsel or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

8.5. Requests for Exclusion (Opt-Outs).

- (a) Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for

Exclusion not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

- (b) The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- (c) Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraph 6.2 of the Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- (d) Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.6. Challenges to Calculation of Workweeks. Each Class Member shall have until the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is

entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination as to the challenges

8.7. Objections to Settlement.

- (a) Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.
- (b) Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, or in addition to a written objection, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice was re-mailed).
- (c) Non-Participating Class Members have no right to object to any of the class action components of the Settlement. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- (a) Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- (b) Request for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity.

Not later than 7 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

- (c) Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- (d) Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- (e) Administrator’s Declaration. Not later than 7 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- (f) Final Report by Administrator. Within 10 days after the Administrator disburses all funds of the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 7 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class

Counsel is responsible for filing the Administrator's declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least 7 days before any deadline for a second declaration and Class Counsel shall be responsible for filing the second declaration with the Court.

9. **CLASS SIZE MODIFICATION AND ESCALATOR CLAUSE.** Based on its records, Defendant provided figures as to the Class size as set forth in paragraph 4.1 above. In regard hereto, Defendant is providing a declaration as set forth in paragraph 7.1 above. The Gross Settlement Amount will increase proportionally with added Workweeks if the actual number of Workweeks in the Class Period is more than 10% of the estimate stated herein in paragraph 4.1 (for example, if the number of workweeks is 11% higher than 59,288, the Gross Settlement Amount would be increased by 1%). In the alternative, Defendant may elect to end the Class Period on a date on which the Workweeks exceeds 10% over 59,288.
10. **DEFENDANT'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Administration Expenses incurred as of the date Defendant makes this election to withdraw. Defendant must notify Class Counsel and the Court of its election to withdraw not later than 7 days after the Administrator sends the final Exclusion List to Defense Counsel. Invalid Requests for Exclusion will have no effect on this threshold for an election.
11. **MOTION FOR FINAL APPROVAL.** Unless otherwise ordered by the Court, not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699(l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
 - 11.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together

in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for a Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement under C.C.P. section 664.6 solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

11.4. Waiver of the Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on an equal basis, any additional Administration Expenses reasonably incurred at the time of remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS

- 13.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or Judgment pursuant to this Agreement, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).
- 13.2. Confidentiality Prior to Preliminary Approval. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. Plaintiffs and Class Counsel agree that they will not issue any press releases or have any contact with the media about the fact, amount, or terms of the Settlement. This paragraph does not restrict Class Counsel's communications with Class Members after preliminary approval is granted for the sole purpose of administering the Settlement and in accordance with Class Counsel's ethical obligations owed to Class Members.
- 13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees have not and will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. If a Class Member submits a valid Election Not to Participate in Settlement, Class Counsel will not solicit, represent, or otherwise

encourage that Non-Participating Class Member to participate in separate litigation against Released Parties and agrees that such representation would create a conflict of interest. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 13.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. EXHIBIT A

[NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND HEARING DATE FOR
FINAL COURT APPROVAL]

EXHIBIT “A”

**NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION
AND HEARING DATE FOR FINAL COURT APPROVAL**

***Sanchez v. Mission Bay Management, LLC, Superior Court of the State of California,
County of San Diego, Case No. 37-2024-00013022-CU-OE-CTL***

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT
ACT. PLEASE READ THIS NOTICE CAREFULLY.**

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Defendant Mission Bay Management, LLC (“Defendant”) for alleged wage and hour violations. The Action is brought by Plaintiffs Maria Sanchez and Paul Williams (“Plaintiffs”) and seeks payment of (1) wages and other relief for a Class of all individuals who were employed by Defendant in California and classified as non-exempt employees at any time during the Class Period (March 20, 2020 through April 17, 2025) (“Class Members”), and (2) penalties under the California Private Attorney General Act (“PAGA”) for all individuals who were employed by Defendant in California and classified as non-exempt employees at any time during the PAGA Period (March 25, 2023 through April 17, 2025) (“Aggrieved Employees”). While Defendant disputes Plaintiffs’ claims in the Action and denies all liability, in order to resolve the Action, the Parties have reached a proposed Settlement.

The proposed Settlement includes the following: (1) a Class Settlement requiring Defendant to fund Individual Class Payments to Class Members, and (2) a PAGA Settlement requiring the payment of PAGA Penalties to be allocated to the California Labor and Workforce Development Agency (“LWDA”) and to Aggrieved Employees.

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be <<\$ _____>> (less withholding) and your share of the PAGA Penalties (“Individual PAGA Payment”) is estimated to <<be \$ _____>>.** The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked << _____>> Workweeks during the Class Period and you worked << _____>> PAGA Pay Periods.** If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Notice below.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully

read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs' attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment (if any). As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims (if any) against Defendant as described below in Section 4 below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment, however you will preserve your right to personally pursue wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Class Claims). Additional information is set forth below.
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is _____. 2026	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. If you request exclusion, you will receive no money from the Class Settlement for an Individual Class Payment and you will not be bound by the Class Settlement. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 7 of this Notice. However, you cannot opt-out of the PAGA portion of the proposed Settlement. If you are also an Aggrieved Employee and exclude

	yourself, you will still be paid your Individual PAGA Payment and will remain subject to the release of the Released PAGA Claims regardless of whether you submit a Request for Exclusion.
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by _____, 2026	All Class Members who do not opt-out (“Participating Class Members”) can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiffs who pursued the Action on behalf of the Class. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. See Section 8 of this Notice.
You Can Participate in the Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____, at 1:30 p.m., at the San Diego County Superior Court, located at 330 West Broadway, San Diego, CA 92101, in Department 63 before Judge Katherine Bacal. This hearing may change as explained below in Section 9. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 9 of this Notice
You Can Challenge the Calculation of Your Workweeks / PAGA Pay Periods Written Challenges Must be Submitted by _____	The amount of your Individual Class Payment and your Individual PAGA Payment (if any) depend on how many Workweeks you worked at least one day during the Class Period and how many PAGA Pay Periods you worked during the PAGA Period, respectively. The number of Workweeks during the Class Period and number of PAGA Period Pay Periods you worked according to Defendant’s records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____, 2026. See Section 5 of this Notice

1. Why did I get this Notice?

A proposed class action settlement (the “Settlement”) of the above-captioned action pending in the Superior Court of the State of California, in and for the County of San Diego (the “Court”), has been reached between Plaintiffs and Defendant and has been granted preliminary approval by the Court. You may be entitled to receive money from this Settlement.

You have received this Notice because you have been identified as a member of the Class, which is defined as:

All individuals who were employed by Defendant in California and classified as non-exempt employees at any time during the Class Period (March 20, 2020 through April 17, 2025).

So far, the Court has made no determination whether Defendant or Plaintiffs are correct on the merits. In the meantime, Plaintiffs and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a written Class Action and PAGA Settlement Agreement (“Agreement”) and agreeing to ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiffs and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims. Plaintiffs and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and its defenses, and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

2. What is this class action lawsuit about?

On March 20, 2024, plaintiff Maria Sanchez filed a Complaint against Defendant in the Superior Court of the State of California, County of San Diego (“Class Action”). The Class Action asserted class claims for unfair competition, failure to pay minimum wages, failure to pay overtime wages, failure to provide required meal periods, failure to provide required rest periods, failure to provide accurate itemized wage statements, failure to reimburse employees for required expenses, failure to provide wages when due, and failure to pay sick wages. On May 28, 2024, plaintiff Maria Sanchez filed a Representative Action Complaint alleging a single cause of action against Defendant for recovery of civil penalties for violation of Private Attorney General Act, Cal. Labor Code §§ 2698, et seq. (“PAGA”) in the Superior Court of the State of California, County of San Diego (“PAGA Action”).

On June 27, 2025, Plaintiffs filed a First Amended Complaint in the Class Action which added plaintiff Paul Williams as a named plaintiff and added the claims alleged in the PAGA Action. This First Amended Complaint in the Class Action is referred to as the “Operative Complaint”.

Defendant denies that it has done anything wrong and disputes all the claims in the Action. For example, Defendant contends that Plaintiffs and the Class Members were, at all times, properly compensated for wages under California law; that Plaintiffs and the Class Members were provided with meal and rest periods in compliance with California law; that Defendant did not fail to pay to Plaintiffs or any Class Members any wages allegedly due during employment and at the time of their termination; that Defendant complied with California wage statement and record requirements; that Defendant did not violate California Business and Professions Code section 17200 *et seq.*; that Defendant is not liable for any of the penalties sought or that could have been sought in the Operative Complaint; and that this Action cannot be maintained as a class or representative action.

The Court granted preliminary approval of the Settlement on <<INSERT PRELIMINARY APPROVAL DATE>>. At that time, the Court also preliminarily approved the Plaintiffs to serve as the Class Representatives, and the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP and Gomez Trial Attorneys, APLC to serve as Class Counsel.

The Court has not ruled on the merits of Plaintiffs' claims. However, to avoid additional expense, inconvenience, and interference with the business operations of Defendant, the Parties concluded that it is in their best interests and the interests of the Class to settle the Actions now on the terms summarized in this Notice. The Settlement was reached after mediation and arm's-length negotiations between the Parties. The Plaintiffs and Class Counsel think the settlement is in the best interest of all Class Members.

Accordingly, the Settlement constitutes a compromise of disputed claims and should not be construed as an admission of liability on the part of Defendant, who expressly denies all liability.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay an "all in" amount of Eight Hundred Fifty Thousand Dollars (\$850,000) (the "Gross Settlement Amount") to fund the settlement of the Action. The Gross Settlement Amount includes all payments of Individual Class Payments to Participating Class Members, the Administration Expenses Payment, the Class Representative Service Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and the PAGA Penalties payment for civil penalties under PAGA. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay payroll taxes within forty-five (45) days of the Effective Date. The Effective Date is the date the Judgment is final and no longer subject to appeal. The Administrator will mail checks for all settlement payments within fourteen (14) days of the funding of the settlement by Defendant.

Court Approved Deductions from Gross Settlement Amount. The proposed payments, subject to Court approval, will be deducted from the Gross Settlement Amount before payments of Individual Class Payments are made to Class Members who do not request exclusion ("Participating Class Members"). At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

- **Administration Expenses Payment.** Payment to the Administrator, estimated not to exceed \$14,000, for expenses, including expenses of notifying the Class Members of the Settlement, processing Request for Exclusions, and distributing settlement checks and tax forms.
- **Attorneys' Fees and Costs.** Payment to Class Counsel of reasonable attorneys' fees not to exceed one-third (1/3) of the Gross Settlement Amount, which presently equals \$283,333, and an additional amount to reimburse actual litigation costs incurred by the Plaintiffs not to exceed \$30,000. Class Counsel has been prosecuting the Actions on behalf of Plaintiffs and the Class on a contingency fee basis (that is, without being paid

any money to date) and has been paying all litigation costs and expenses. The payment of Class counsel Fees Payment shall be made as follows: 75% to Blumenthal Nordrehaug Bhowmik De Blouw LLP and 25% to Gomez Trial Attorneys, APLC. The amounts stated are what Class Counsel will be requesting and the final amounts to be paid will be decided at the Final Approval Hearing.

- Class Representative Service Payments. Class Representative Service Payments in an amount not more than \$15,000 each to the two named Plaintiffs as service awards, or such lesser amount as may be approved by the Court, to compensate them for services on behalf of the Class in initiating and prosecuting the Actions, and for the risks they undertook. The amount stated is what Plaintiffs will be requesting and the final amount to be paid will be decided at the Final Approval Hearing.
- PAGA Penalties. A payment of \$20,000 relating to Plaintiffs' claim under PAGA, 75% (\$15,000) of which will be paid to the State of California's Labor and Workforce Development Agency ("LWDA"). The remaining 25% (\$5,000) will be distributed to the Aggrieved Employees. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. "PAGA Pay Period" means any pay period during which an Aggrieved Employee worked for Defendant for at least one day during the PAGA Period. The PAGA Period is March 25, 2023 through April 17, 2025.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Payments to Class Members. After all of the payments of the court-approved Attorneys' Fees and Costs, the Class Representative Service Payments, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, the "Net Settlement Amount", shall be distributed as Individual Class Payments to the Participating Class Members. The Net Settlement Amount is estimated to be at least \$472,667. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. "Workweek" means any week during the Class Period in which a Class Member worked for Defendant as a Class Member for at least one day. The number of Workweeks will be based on Defendant's records, however, Class Members may challenge the number of Workweeks worked as explained below.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

Tax Matters. Thirty-Three Percent (33%) of each Participating Class Member's Individual Class Payment is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on IRS Form W-2. Sixty-Seven Percent (67%) of each Participating Class Member's Individual Class Payment is in settlement of claims for alleged claims for non-wages, expense reimbursement, interest and penalties due to employees (collectively the "Non-Wage Portion"). The Non-Wage Portion and any Individual PAGA Payment shall not be subject to wage withholdings and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. Neither Class Counsel nor Defendant's Counsel intend anything contained in this Class Notice to constitute advice regarding taxes or taxability. The tax issues for each Participating Class Member are unique to him/her, and each Participating Class Member may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement and your receipt of the Individual Class Payment are conditioned upon the Court entering an order granting final approval of the Settlement and entering a Judgment.

The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

Need to Promptly Cash Payment Checks. The front of every check issued will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the funds represented by such checks sent to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). The Parties have selected Children's Advocacy Institute as the Cy Pres Recipient. The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

4. What Do I Release Under the Settlement?

Released Class Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims. The "Released Class Claims" are all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint which occurred during the Class Period during employment in a non-exempt position in California, including but not limited to minimum wages, overtime and double time wages (including, but not limited to, any claims for additional wages owed due to "rounding," "off the clock work," and/or not factoring bonuses into the regular rate of pay); meal and rest breaks violations; failure to maintain accurate employment records; wage statement violations; separation pay violations; failure to pay wages timely during employment; failure to keep requisite payroll records; failure to reimburse business expenses;

failure to pay sick wages; unlawful deductions; failure to provide suitable seating; and unfair business practices. Except as expressly set forth in the Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, claims based on facts occurring outside the Class Period, and plaintiff Sanchez's Individual Claims that are subject to a separate release.

This means that, if you do not timely and formally exclude yourself from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant and any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court's orders in the Action will apply to you and legally bind you.

Released PAGA Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims. The "Released PAGA Claims" are all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notice, including but not limited to, minimum wages, overtime and double time wages (including but not limited to, any claims for additional wages owed due to "rounding," "off the clock work," and/or not factoring bonuses into the regular rate of pay); real and rest break violations; failure to maintain accurate employment records; wage statement violations; separation pay violations; failure to pay wages timely during employment; failure to keep requisite payroll records; failure to reimburse business expenses; failure to pay sick wages; unlawful deductions; failure to provide suitable seating; and unfair business practices which occurred during the PAGA Period during employment in a non-exempt position in California. The Released PAGA Claims do not include other PAGA claims, underlying wage and hour claims, claims for vested benefits, claims for wrongful termination, unemployment insurance, disability, social security, worker's compensation, claims outside of the PAGA Period, and Plaintiff Sanchez's Individual Claims that are subject to a separate release.

Released Parties. Released Parties are defined as: Defendant and each of its former, past, present, and future parents, affiliated entities, corporations, divisions, managers, partners, members, agents, employees directors, officers, shareholders, owners, attorneys, insurers, predecessors, successors, assigns and subsidiaries, including Noble House Hotels and Resorts, L.P.

5. How much will my payment be?
--

Defendant's records reflect that you worked << ____ >> Workweeks during the Class Period (March 20, 2020 through April 17, 2025).

Based on this information, your estimated Individual Class Payment from the Net Settlement Amount is << ____ >>.

[Defendant's records reflect that you worked <<____>> PAGA Pay Periods during the during the PAGA Period (March 25, 2023 through April 17, 2025). Based on this information your estimated Individual PAGA Payment is <<____>>.]

If you wish to challenge the information set forth above, then you must submit a written, signed dispute challenging the information along with supporting documents, to the Administrator at the address provided in this Class Notice no later than the Response Deadline, which is _____ [sixty (60) days after the mailing of the Class Notice or an additional 14 days in the case of re-mailing]. You may also fax the dispute to _____ or email the dispute to _____ by no later than the Response Deadline. Any dispute should include credible written evidence and will be resolved by the Administrator.

6. How can I get a payment?

To get money from the Settlement, you do not have to do anything. A check for your Individual Class Payment will be mailed automatically to the same address as this Class Notice. If your address is incorrect or has changed, you must notify the Administrator. The Administrator is: Apex Class Action, _____ (800) _____.

The Court will hold a Final Approval Hearing on _____, at 1:30 p.m. to decide whether to approve the Settlement and fix the amounts to be paid as attorneys' fees and costs to Class Counsel and as a service payment to Plaintiffs. If the Court approves the Settlement and there are no objections or appeals, payments will be mailed approximately three months after the hearing. If there are objections or appeals, resolving them can take time and delay the settlement, perhaps more than a year. Please be patient.

7. What if I don't want to be a part of the Settlement?

If you do not wish to participate in the Settlement, you may exclude yourself from the Settlement or "opt out." **If you opt out, you will not receive an Individual Class Payment from the Settlement, and you will not be bound by its terms, which means you will retain the right to sue Defendant for the Released Class Claims.** However, Aggrieved Employees who opt out will still be paid their Individual PAGA Payment and will remain bound by the release of the Released PAGA Claims regardless of whether they submit a request for exclusion.

To opt out of the class portion of the settlement, you must submit to the Administrator a written, signed and dated request for exclusion ("opt-out") postmarked no later than the Response Deadline which is _____ [sixty (60) days after the mailing of the Class Notice or an additional 14 days in the case of re-mailing]. You may also fax your request to opt out to _____ or email to _____ by no later than the Response Deadline. The request to opt-out should state in substance that you wish to be excluded from the class settlement in the *Sanchez v. Mission Bay Management, LLC* lawsuit. The request to opt-out should state the Class Member's full name, address, and telephone number or email address. Please include the name and number of the case, which is *Sanchez v. Mission Bay Management, LLC*, Case No. 37-2024-00013022-CU-OE-CTL. The request to opt-out must be completed and signed by you. No other person may opt-out for a living member of the Class.

The address for the Administrator is _____. Written requests for exclusion that are postmarked after _____, or are incomplete or unsigned will be rejected, and those Class Members will remain bound by the Settlement and the release described above.

8. How do I Object to the Settlement?

Only Participating Class Members have the right to object to the Settlement. individually, on behalf of themselves and on

through 50, inclusive,

Defendants.

CASE NO.: **37-2024-00013022-CU-OE-CTL**

**[PROPOSED] PRELIMINARY
APPROVAL ORDER**

Hearing Date:
Hearing Time:

Judge: Hon. Katherine Bacal
Dept.: 63

Date Action Filed: March 20, 2024
Trial Date: Not set

PRELIMINARY APPROVAL ORDER

1 This matter, having come before the Honorable Katherine Bacal of the Superior Court of
2 the State of California, in and for the County San Diego, on _____[DATE], for the motion
3 by Plaintiffs Maria Sanchez and Paul Williams (“Plaintiffs”) for preliminary approval of the class
4 settlement with Defendant Mission Bay Management, LLC (“Defendant”). The Court, having
5 considered the briefs, argument of counsel and all matters presented to the Court and good cause
6 appearing, hereby GRANTS Plaintiffs’ Motion for Preliminary Approval of Class Action
7 Settlement.

8 **IT IS HEREBY ORDERED:**

9 1. The Court preliminarily approves the Class Action and PAGA Settlement
10 Agreement (“Agreement”) attached as Exhibit ____ to the Declaration of Kyle Nordrehaug in
11 Support of Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement. This is based
12 on the Court’s determination that the Settlement set forth in the Agreement is within the range of
13 possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil
14 Procedure and California Rules of Court, rule 3.769.

15 2. This Order incorporates by reference the definitions in the Agreement, and all
16 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

17 3. The Gross Settlement Amount is Eight Hundred Fifty Thousand Dollars
18 (\$850,000). It appears to the Court on a preliminary basis that the settlement amount and terms
19 are fair, adequate and reasonable as to all potential Class Members when balanced against the
20 probable outcome of further litigation and the significant risks relating to certification, liability and
21 damages issues. It further appears that investigation and research have been conducted such that
22 counsel for the Parties are able to reasonably evaluate their respective positions. It further appears
23 to the Court that settlement at this time will avoid substantial additional costs by all Parties, as
24 well as avoid the delay and risks that would be presented by the further prosecution of the Action.
25 It further appears that the Settlement has been reached as the result of serious and non-collusive,
26 arms-length negotiations. The Court therefore preliminarily finds that the Settlement is fair,
27
28

adequate, and reasonable when balanced against the probable outcome of further litigation and the significant risks relating to certification, liability, and damages issues.

4. The Agreement specifies an attorneys' fees award not to exceed one-third of the Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$30,000, and proposed Class Representative Service Payments to the Plaintiffs in an amount not to exceed \$15,000 each. The Court will not approve the amount of attorneys' fees and costs, nor the amount of any service award, until the Final Approval Hearing.

5. The Court recognizes that Plaintiffs and Defendant stipulate and agree to certification of a class for settlement purposes only. This stipulation will not be deemed admissible in this or any other proceeding should this Settlement not become final. For settlement purposes only, the Court conditionally certifies the following Class: "all individuals who were employed by Defendant in California and classified as non-exempt employees at any time during the Class Period." The Class Period is March 20, 2020 through April 17, 2025.

6. The Court concludes that, for settlement purposes only, the Class meets the requirements for certification under section 382 of the California Code of Civil Procedure in that: (a) the Class is ascertainable and so numerous that joinder of all members of the Class is impracticable; (b) common questions of law and fact predominate, and there is a well-defined community of interest amongst the members of the Class with respect to the subject matter of the litigation; (c) the claims of the Plaintiffs are typical of the claims of the members of the Class; (d) the Plaintiffs can fairly and adequately protect the interests of the members of the Class; (e) a class action is superior to other available methods for the efficient resolution of this controversy; and (f) counsel for the Class is qualified to act as counsel for the Class and the Plaintiffs are adequate representatives of the Class.

7. The Court provisionally appoints Plaintiffs as the representatives of the Class. The Court provisionally appoints Blumenthal Nordrehaug Bhowmik De Blouw LLP and Gomez Trial Attorneys, APLC as Class Counsel for the Class.

1 8. The Court hereby approves, as to form and content, the Court Approved Notice of
2 Proposed Settlement of Class Action and Hearing Date for Final Court Approval (“Class Notice”)
3 attached to the Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and
4 accurately inform the Class of all material elements of the proposed Settlement, of the Class
5 Members’ right to be excluded from the Class by submitting a written opt-out request, and of each
6 Class Member’s right and opportunity to object to the Settlement. The Court further finds that the
7 distribution of the Class Notice substantially in the manner and form set forth in the Agreement
8 and this Order meets the requirements of due process, is the best notice practicable under the
9 circumstances, and shall constitute due and sufficient notice to all persons entitled thereto. The
10 Court orders the mailing of the Class Notice by first class mail, pursuant to the terms set forth in
11 the Agreement.

12 9. The Court hereby appoints Apex Class Action LLC as the Administrator. No later
13 than fifteen (15) days after preliminary approval of the Settlement by the Court, Defendant shall
14 provide to the Administrator an electronic spreadsheet with the Class Data. The Administrator
15 will perform address updates and verifications as necessary prior to the mailing of the Class
16 Notice. Using best efforts to mail it as soon as possible, and in no event later than 14 days after
17 receiving the Class Data, the Administrator will mail the Class Notice Packets to all Class
18 Members via first-class U.S. Mail. Before mailing Class Notices, the Administrator shall update
19 Class Member addresses using the National Change of Address database.

20 10. The Court hereby preliminarily approves the proposed procedure for exclusion
21 from the Settlement. Any Class Member may individually choose to opt out of and be excluded
22 from the Class as provided in the Class Notice by following the instructions for requesting
23 exclusion from the Class that are set forth in the Class Notice. All Requests for Exclusion must be
24 postmarked by no later than the Response Deadline, which is sixty (60) calendar days after the
25 date of the mailing of the Class Notice and be received by the Administrator. If the Class Notice
26 Packet is re-mailed, the Response Deadline will be extended an additional 14 days. Any such
27 person who chooses to opt out of and be excluded from the Class will not be entitled to any
28

1 recovery under the Settlement and will not be bound by the class portion of the Settlement or have
2 any right to object, appeal or comment thereon. Class Members who have not requested exclusion
3 shall be bound by all determinations of the Court, the Agreement and the Judgment. A Request
4 for Exclusion may only opt out that particular individual, and any attempt to effect an opt out of a
5 group, class, or subclass of individuals is not permitted and will be deemed invalid. Subject to the
6 Court's final approval of the Settlement, the Aggrieved Employees will be paid their allocation of
7 the PAGA Penalties and will remain bound by the release of the Released PAGA Claims.

8 11. Any Class Member who has not opted out ("Participating Class Member") may
9 appear at the final approval hearing and may object or express their views regarding the
10 Settlement and may present evidence and file briefs or other papers that may be proper and
11 relevant to the issues to be heard and determined by the Court as provided in the Notice.
12 Participating Class Members will have until the Response Deadline, which is sixty (60) calendar
13 days from the date of the mailing of the Class Notices, to submit their written objections to the
14 Administrator in accordance with the instructions in the Class Notice. If the Class Notice Packet
15 is re-mailed, the Response Deadline for written objections will be extended an additional 14 days.
16 Alternatively, Participating Class Members may appear at the Final Approval Hearing to make an
17 oral objection.

18 12. A Final Approval Hearing shall be held before this Court on _____
19 _____, 1:30 p.m. in Department 63 at the San Diego County Superior Court to
20 determine all necessary matters concerning the Settlement, including: whether the proposed
21 settlement of the Action on the terms and conditions provided for in the Agreement is fair,
22 adequate and reasonable and should be finally approved by the Court; whether the Final Approval
23 Order and Judgment should be entered herein; whether the plan of allocation contained in the
24 Agreement should be approved as fair, adequate and reasonable to the Class Members; and to
25 finally approve attorneys' fees and costs, the service awards, and the expenses of the
26 Administrator. All papers in support of the motion for final approval and for attorneys' fees, costs
27
28

1 and service awards, to be heard at the Final Approval Hearing, shall be filed with the Court and
2 served on all counsel no later than sixteen (16) court days before the hearing.

3 13. Neither the Settlement nor any exhibit, document, or instrument delivered
4 thereunder shall be construed as a concession or admission by Defendant in any way that the
5 claims asserted have any merit or that this Action was properly brought as a class or representative
6 action, and shall not be used as evidence of, or used against Defendant as, an admission or
7 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
8 omission by Defendant or with respect to the truth of any allegation asserted by any person.
9 Defendant has denied that it has done anything wrong and disputes all the claims in this Action.
10 Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit,
11 document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts
12 thereof, shall in any event be construed as, offered or admitted in evidence as, received as or
13 deemed to be evidence for any purpose adverse to the Defendant, including, but not limited to,
14 evidence of a presumption, concession, indication or admission by Defendant of any liability,
15 fault, wrongdoing, omission, concession or damage.

16 14. In the event the Settlement does not become effective in accordance with the terms
17 of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to
18 become effective for any reason, this Order shall be rendered null and void and shall be vacated,
19 and the Parties shall revert to their respective positions as of before entering into the Agreement,
20 and expressly reserve their respective rights regarding the prosecution and defense of this Action,
21 including all available defenses and affirmative defenses, and arguments that any claim in the
22 Action could not be certified as a class action and/or managed as a representative action. In such
23 an event, the Court's orders regarding the Settlement, including this Order, shall not be used or
24 referred to in litigation for any purpose.

25 15. The Court reserves the right to adjourn or continue the date of the final approval
26 hearing and all dates provided for in the Agreement without further notice to Class Members and
27
28

1 retains jurisdiction to consider all further applications arising out of or connected with the
2 proposed Settlement.

3 16. The Action is stayed and all trial and related pre-trial dates, if any, are vacated,
4 subject to further orders of the Court at the Final Approval Hearing.

PRELIMINARY APPROVAL ORDER

EXHIBIT C

[FINAL APPROVAL ORDER AND JUDGMENT]

EXHIBIT "C"

SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF SAN DIEGO

MARIA SANCHEZ and PAUL WILLIAMS,
individually, on behalf of themselves and on
behalf of all persons similarly situated,

Plaintiff,

vs.

MISSION BAY MANAGEMENT, LLC, a
limited liability company; and DOES 1
through 50, inclusive,

Defendants.

CASE NO.: **37-2024-00013022-CU-OE-CTL**

**[PROPOSED] FINAL APPROVAL
ORDER AND JUDGMENT**

Hearing Date:
Hearing Time:

Judge: Hon. Katherine Bacall
Dept.: 63

Date Action Filed: March 20, 2024
Trial Date: Not set

1 The motion of Plaintiffs Maria Sanchez and Paul Williams (“Plaintiffs”) for an order
2 finally approving the Class Action and PAGA Settlement Agreement (“Agreement”) with
3 Defendant Mission Bay Management, LLC (“Defendant”) and for an award of attorneys’ fees and
4 costs, service payments, and the fees of the Administrator duly came on for hearing on
5 _____ before the Honorable Katherine Bacal.

6 **I.**

7 **FINDINGS**

8 Based on the oral and written argument and evidence presented in connection with the
9 motion, the Court makes the following findings:

- 10 1. All terms used herein shall have the same meaning as defined in the Agreement.
- 11 2. This Court has jurisdiction over the subject matter of this litigation pending before
12 the California Superior Court for the County of San Diego, and over all Parties to this litigation,
13 including the Class.
- 14 3. Based on a review of the papers submitted by Plaintiff and a review of the
15 applicable law, the Court finds that the Gross Settlement Amount of Eight Hundred Fifty
16 Thousand Dollars (\$850,000.00) and the terms set forth in the Agreement are fair, reasonable, and
17 adequate.
- 18 4. The Court further finds that the Settlement was the result of arm’s length
19 negotiations conducted after Class Counsel had adequately investigated the claims and became
20 familiar with the strengths and weaknesses of those claims. In particular, the amount of the
21 Settlement, the significant risks relating to certification, liability, and damages issues, and the
22 assistance of an experienced mediator in the settlement process, among other factors, support the
23 Court’s conclusion that the Settlement is fair, reasonable, and adequate.

24 **Preliminary Approval of the Settlement**

- 25 5. On _____, the Court granted preliminary approval of the Settlement. At
26 this same time, the Court approved conditional certification of the Class for settlement purposes
27 only.

1 **Notice to the Class**

2 6. In compliance with the Preliminary Approval Order, the Class Notice was mailed
3 by first class mail to members of the Class at their last known addresses on or about
4 _____. Mailing of the Class Notice to their last known addresses was the best notice
5 option under the circumstances and was reasonably calculated to communicate actual notice of the
6 litigation and the proposed settlement to the Class. The Class Notice given to the Class Members
7 fully and accurately informed the Class Members of all material elements of the proposed
8 Settlement and of their opportunity to object to or comment thereon or to seek exclusion from the
9 Settlement; constituted valid, due, and sufficient notice to all Class Members; and complied fully
10 with the laws of the State of California, the United States Constitution, due process and other
11 applicable law. The Class Notice fairly and adequately described the Settlement and provided
12 Class Members adequate instructions and a variety of means to obtain additional information.

13 7. The Response Deadline for opting out of the Class or submitting written objections
14 to the Settlement was _____, which was extended by 14 days for re-mailed Class
15 Notices. There was an adequate interval between mailing of the Class Notice and the response
16 deadline to permit Class Members to choose what to do and act on their decision. A full
17 opportunity has been afforded to the Participating Class Members to participate in this hearing,
18 and all Participating Class Members and other persons wishing to be heard have been heard. Class
19 Members also have had a full and fair opportunity to exclude themselves from the proposed
20 Settlement and Class. Accordingly, the Court determines that all Class Members who did not
21 timely and properly submit a request for exclusion are bound by the Settlement and this Final
22 Approval Order and Judgment.

23 **Fairness Of Settlement**

24 8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.*
25 48 Cal.App.4th 1794, 1801 (1996).

26 a. The settlement was reached through arm's-length bargaining between the
27 parties during an all-day mediation before Louis Marlin, a respected and experienced mediator of
28

1 wage and hour class actions. There has been no collusion between the parties in reaching the
2 proposed settlement.

3 b. Plaintiffs' investigation and discovery have been sufficient to allow the
4 Court and counsel to act intelligently.

5 c. Counsel for both parties are experienced in similar employment class action
6 litigation. All counsel recommended approval of the Agreement.

7 d. The percentage of objectors and requests for exclusion is small. ____
8 objections were received. _____ requests for exclusion were received.

9 e. The participation rate was high. _____ Participating Class Members will
10 be mailed a settlement payment, representing ____% of the overall Class.

11 9. The consideration to be given to the Class Members under the terms of the
12 Agreement is fair, reasonable and adequate considering the strengths and weaknesses of the claims
13 asserted in this action and is fair, reasonable and adequate compensation for the release of Class
14 Members' claims, given the uncertainties and significant risks of the litigation and the delays
15 which would ensue from continued prosecution of the action.

16 10. The Agreement is approved as fair, adequate and reasonable and in the best
17 interests of the Class Members.

18 **Attorneys' Fees and Costs**

19 11. An award of \$283,333 for attorneys' fees, representing one-third of the Gross
20 Settlement Amount, and \$ _____ for litigation costs and expenses, is reasonable, in
21 light of the contingent nature of Class Counsel's fee, the hours worked by Class Counsel, and the
22 results achieved by Class Counsel. The requested awards have been supported by Class Counsel's
23 lodestar and billing statement.

24 **Class Representative Service Payments**

25 12. The Agreement provides for a Class Representative Service Payments of not more
26 than \$15,000 each to the Plaintiffs, subject to the Court's approval. The Court finds that Class
27 Representative Service Payments in the amount of \$ _____ each to the Plaintiffs are reasonable in
28

1 light of the risks and burdens undertaken by the Plaintiffs in the litigation and for their time and
2 effort in bringing and prosecuting this matter on behalf of the Class.

3 **Administration Expenses Payment**

4 13. The Administrator shall calculate and administer the payment to be made to the
5 Participating Class Members in the manner set forth in the Agreement, transmit payment for
6 attorneys' fees and costs to Class Counsel, transmit the Class Representative Service Payments to
7 the Plaintiffs, distribute the PAGA Penalties, issue any required tax reporting forms, calculate
8 withholdings and perform the other remaining duties set forth in the Agreement. The
9 Administrator has documented \$ _____ in fees and expenses, and this amount is reasonable in
10 light of the work performed by the Administrator.

11 **PAGA Penalties**

12 14. The Agreement provides for PAGA Penalties out of the Gross Settlement Amount
13 of \$20,000, which shall be allocated with 75% (\$15,000) allocated to the LWDA PAGA Payment
14 and 25% (\$5,000) allocated to the Individual PAGA Payments to be distributed to the Aggrieved
15 Employees. The Administrator will calculate each Individual PAGA Payment by (a) dividing the
16 amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the total number
17 of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b)
18 multiplying the result by each Aggrieved Employee's PAGA Pay Periods. "Aggrieved
19 Employees" are all individuals who were employed by Defendant in California and classified as
20 non-exempt employees at any time during the PAGA Period (March 25, 2023 through April 17,
21 2025). The Court finds the PAGA Penalties to be reasonable. All Aggrieved Employees will be
22 sent their share of the PAGA Penalties and will be subject to the release of the Released PAGA
23 Claims as set forth below, whether or not they opt out of the Settlement.

24 **II.**

25 **ORDERS**

26 Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:
27
28

1 15. The certification of the Class for the purposes of settlement is confirmed. The
2 Class is defined as follows:

4 non-exempt employees at any time during the Class Period (March 20, 2020
through April 17, 2025).

6 those individuals who filed a valid request for exclusion (“opt out”) from the Class. [INSERT
7 REFERENCE TO IDENTIFY ANY OPT OUTS].

8 17. The Agreement is hereby finally approved as fair, reasonable, adequate, and in the
9 best interest of the Class. Defendant shall fund the Gross Settlement Amount and the amount
10 necessary to pay Defendant’s share of payroll taxes thereon within forty-five (45) days of the
11 Effective Date.

12 18. Class Counsel are awarded attorneys' fees in the amount of \$283,333 and costs in
13 the amount of \$ _____. Class Counsel shall not seek or obtain any other compensation or
14 reimbursement from Defendant, Plaintiffs or members of the Class.

15 19. The payment of the Class Representative Service Payments in the amount of
16 \$ _____ each to the Plaintiffs is approved.

17 20. The payment of \$ _____ to the Administrator for their fees and expenses
18 is approved.

19 21. The PAGA Penalties in the amount of \$20,000 are approved and shall be allocated
20 in accordance with the Agreement.

21 22. The Agreement and this Settlement are not an admission by Defendant, nor is this
22 Final Approval Order and Judgment a finding, of the validity of any claims in the Action or of any
23 wrongdoing by Defendant or that this Action is appropriate for class treatment (other than for
24 settlement purposes). Neither this Final Approval Order and Judgment, the Agreement, nor any
25 document referred to herein, nor any action taken to carry out the Agreement is, may be construed
26 as, or may be used as an admission by or against Defendant of any fault, wrongdoing or liability
27 whatsoever. Defendant has denied that it has done anything wrong and disputes all the claims in
28

1 this Action. The entering into or carrying out of the Agreement, and any negotiations or
2 proceedings related thereto, shall not in any event be construed as, or deemed to be evidence of, an
3 admission or concession with regard to the denials or defenses by Defendant. Notwithstanding
4 these restrictions, Defendant may file in the Action or in any other proceeding this Final Approval
5 Order and Judgment, the Agreement, or any other papers and records on file in the Action as
6 evidence of the Settlement to support a defense of res judicata, collateral estoppel, release, or other
7 theory of claim or issue preclusion or similar defense as to the Released Class Claims and/or the
8 Released PAGA Claims.

9 23. Notice of entry of this Final Approval Order and Judgment shall be given to all
10 Parties by Class Counsel on behalf of Plaintiffs and all Class Members. The Final Approval Order
11 and Judgment shall be posted on Class Counsel's website as set forth in the Class Notice to the
12 Class. It shall not be necessary to send notice of entry of this Final Approval Order and Judgment
13 to individual Class Members. In accordance with California Code of Civil Procedure § 2699,
14 Plaintiffs shall serve this Final Approval Order and Judgment on the LWDA.

15 24. If the Agreement does not become final and effective in accordance with the terms
16 of the Agreement, then this Final Approval Order and Judgment, and all orders entered in
17 connection herewith, shall be rendered null and void and shall be vacated, and the Parties shall
18 revert to their respective positions as of before entering into the Agreement, and expressly reserve
19 their respective rights regarding the prosecution and defense of this Action, including all available
20 defenses and affirmative defenses, and arguments that any claim in the Action could not be
21 certified as a class action and/or managed as a representative action.

22 **IT IS HEREBY ORDERED, ADJUDICATED AND DECREED THAT:**

REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);

Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);

Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under *Aerojet-General*. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was

no additional standing rules for PAGA claim brought by independent contractor); In re Tobacco Cases II, 41 Cal. 4th 1257 (2007); Washington Mutual Bank v. Dear Sir/Madam:

“Aggrieved Employees” refers to all individuals who are or previously were employed by Mission Bay Management, LLC in California, including any employees staffed with Mission Bay Management, LLC a third party, and classified as non-exempt employees during the time period of December 6, 2022 until a date as determined by the Court. Our offices represent Plaintiff Maria Sanchez (“Plaintiff”) and other Aggrieved Employees in a lawsuit against Mission Bay Management, LLC (“Defendant”). Plaintiff has been employed by Defendant in California since November 2010. Plaintiff is at all times classified by Defendant as a non-exempt employee, paid on an hourly basis, and entitled to the legally required meal and rest periods and payment of minimum and overtime wages due for all time worked. Defendant, however, unlawfully failed to record and pay Plaintiff and other Aggrieved Employees for, including but not limited to, all of their time worked, including minimum and overtime wages and sick pay wages at the correct rate, for all of their missed meal and rest breaks at the correct regular rates, and for all of their time spent working off the clock. Moreover, when Defendant required Plaintiff and Aggrieved Employees to report for work, but “furnished less than half said employee’s usual or scheduled day’s work,” Defendant violated Cal. Code Regs., tit. 8 § 11040, subd. 5(A) by failing to pay Plaintiff and Aggrieved Employees for at least two (2) hours’ worth of work at their regular rate of pay. In addition, when Defendant required Plaintiff and Aggrieved Employees to respond to and engage in additional work, this resulted in a second reporting for work in a single workday, and Defendant failed to pay these employees reporting

time pay as required by Cal. Code Regs., tit. 8, § 11040, subd. 5(B). Further, Defendant failed to advise Plaintiff and the other Aggrieved Employees of their right to take separately and hourly paid duty-free ten (10) minute rest periods. *See Vaquero v. Stoneledge Furniture, LLC*, 9 Cal. App. 5th 98, 110 (2017). Additionally, pursuant to Labor Code § 204 *et seq.*, Defendant failed to timely provide Plaintiff and other Aggrieved Employees with their wages. Plaintiff further contends that Defendant failed to provide accurate wage statements to her, and other Aggrieved Employees, in violation of California Labor Code section 226(a). Specifically, PLAINTIFF and the AGGRIEVED EMPLOYEES were paid on an hourly basis. As such, the wage statements should reflect all applicable hourly rates during the pay period and the total hours worked, and the applicable pay period in which the wages were earned pursuant to California Labor Code Section 226(a). The wage statements Defendant provided to PLAINTIFF and the AGGRIEVED EMPLOYEES failed to identify such information. More specifically, the wage statements failed to identify the accurate total hours worked each pay period in violation of Cal. Lab. Code Section 226(a)(2). Additionally, Plaintiff contends that Defendant failed to comply with Industrial Wage Order 7(A)(3) in that Defendant failed to keep time records showing when Plaintiff began and ended each shift and meal period. Plaintiff and other Aggrieved Employees perform tasks that reasonably permit sitting, and a seat would not interfere with their performance of any of their tasks that may require them to stand. Defendant failed to provide Plaintiff and other Aggrieved Employees with suitable seats. Said conduct, in addition to the foregoing, as well as the conduct alleged in the incorporated Complaint, violates Labor Code §§ 201, 202, 203, 204 *et seq.*, 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to Provide Seating), Violation of the applicable Industrial Welfare Commission Wage Order(s), and is therefore actionable under California Labor Code section 2699.3.

A true and correct copy of the Complaint by Plaintiff against Defendant, which (i) identifies the alleged violations, (ii) details the facts and theories which support the alleged violations, (iii) details the specific work performed by Plaintiff, (iii) sets forth the people/entities, dates, classifications, violations, events, and actions which are at issue to the extent known to Plaintiff, and (iv) sets forth the illegal practices used by Defendant, is attached hereto. This information provides notice to the Labor and Workforce Development Agency of the facts and theories supporting the alleged violations for the agency's reference. Plaintiff therefore incorporates the allegations of the attached Complaint into this letter as if fully set forth herein. If the agency needs any further information, please do not hesitate to ask.

This notice is provided to enable Plaintiff to proceed with the Complaint against Defendant as authorized by California Labor Code section 2699, *et seq.* The lawsuit consists of other Aggrieved Employees. As counsel, our intention is to vigorously prosecute the claims as alleged in the Complaint, and to procure civil penalties as provided by the Private Attorney General Statue of 2004 on behalf of Plaintiff and all Aggrieved Employees.

Your earliest response to this notice is appreciated. If you have any questions of concerns, please do not hesitate to contact me at the above number and address.
