CASE NO.: **37-2024-00001450-CU-OE-CTL**

**DECLARATION OF KYLE NORDREHAUG
IN SUPPORT OF MOTION FOR
PRELIMINARY APPROVAL OF CLASS
SETTLEMENT**

Hearing Date: January 24, 2025

Hearing Time: 9:10 a.m.

Judge: Hon. Judy S. Bae
Dept.: 62

Date Action Filed: January 12, 2024

Trial Date: Not set

1 I, Kyle Nordrehaug, declare as follows:

2 1. I am a partner of the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP,
3 counsel for Plaintiff Hirsi Mursal ("Plaintiff") in this matter. As such, I am fully familiar with the
4 facts, pleadings and history of this matter. The following facts are within my own personal
5 knowledge, and if called as a witness, I could testify competently to the matters stated herein.

6 2. This declaration is being submitted in support of Plaintiff's unopposed motion for
7 preliminary approval of the proposed class action settlement with Defendant Toray Membrane USA,
8 Inc. ("Defendant"), which motion seeks entry of an order: (1) preliminarily approving the proposed
9 settlement of this class action with Defendant; (2) for settlement purposes only, conditionally
10 certifying the Class, which is comprised of "all individuals who are or previously were employed by
11 Defendant in the State of California, classified as non-exempt employees and performed work for
12 Defendant at any time during the Class Period", which is January 12, 2020 through January 9, 2025;
13 (3) provisionally appointing Plaintiff as the representative of the Class; (4) provisionally appointing
14 Norman B. Blumenthal, Kyle R. Nordrehaug and Aparajit Bhowmik of Blumenthal Nordrehaug
15 Bhowmik De Blouw LLP and John Gomez of Gomez Trial Attorneys, APLC as Class Counsel; (5)
16 approving the form and method for providing class-wide notice; (6) directing that notice of the
17 proposed settlement be given to the Class; (7) appointing Apex Class Action LLC as Administrator,
18 and (8) scheduling a final approval hearing date, proposed for June 13, 2025, to consider Plaintiff's
19 motion for final approval of the settlement and for approval of attorneys' fees, expenses and the
20 service award. Attached hereto as Exhibit #1 is a copy of the fully executed Class Action and
21 PAGA Settlement Agreement ("Agreement") along with exhibits thereto. The form of the
22 Agreement is based upon the Los Angeles County Superior Court model form for a class and PAGA
23 settlement. This Declaration incorporates by reference the definitions in the Agreement, and all
24 terms defined therein shall have the same meaning as set forth in the Agreement.

25
26 Fairness of Settlement

27 3. As consideration for this Settlement, the non-reversionary Gross Settlement Amount
28 of Six Hundred Fifty Thousand Dollars (\$650,000) (the "Gross Settlement Amount") is to be paid

1 by Defendant, as set forth in the Agreement. The Gross Settlement Amount will settle all issues
2 pending in the Action between the Parties and will be made in full and final settlement of the
3 Released Class Claims in exchange for the payments to Participating Class Members from the Net
4 Settlement Amount, and includes (a) the costs of administration of the settlement, (b) all attorneys'
5 fees and costs, (c) Class Representative Service Payment, and (d) the PAGA Penalties payment
6 allocated 75% to the LWDA and 25% to the Aggrieved Employees. (Agreement at ¶ 1.22.) The
7 following is a table of the key Settlement terms and the proposed deductions:

8 **\$650,000** (Gross Settlement Amount)

- 9 - \$10,000 (Plaintiff's proposed service award not to exceed amount)
- 10 - \$25,000 (Class Counsel Litigation Expenses Payment - not to exceed amount)
- 11 - \$216,666 (Class Counsel Fees Payment - not to exceed 1/3 of settlement)
- 12 - \$40,000 (PAGA Payment - 75% to LWDA / 25% to Aggrieved Employees)
- 13 - \$9,500 (Administration Expenses Payment - not to exceed amount)

14 **\$348,834** (Net Settlement Amount)

15 4. The relief provided in the Settlement will benefit all members of the Class. The
16 Settlement does not grant preferential treatment to Plaintiff or segments of the Class in any way.
17 Payments to the Class Members are all determined under a neutral methodology. Each Participating
18 Class Member will receive the same opportunity to participate in and receive payment through a
19 neutral formula that is based upon the Workweeks for that individual.

20 5. On October 9, 2024, the Parties participated in an all-day mediation with Jeffrey
21 Ross, a respected and experienced mediator of wage and hour class actions. In preparation for the
22 mediation, Defendant provided Class Counsel with payroll, time and employment data, along with
23 other information regarding the Class Members, various internal documents, and other
24 compensation and employment-related materials. Class Counsel analyzed the data with the
25 assistance of damages expert Berger Consulting and prepared and submitted a mediation brief to the
26 mediator. The final settlement terms were negotiated and set forth in the Agreement now presented
27 for this Court's approval. Importantly, Plaintiff and Class Counsel believe that this Settlement is
28 fair, reasonable and adequate.

1 6. Based upon 187 Class Members who worked an estimated 19,395 work weeks
2 (Agreement at ¶ 4.1), the Gross Settlement Amount provides an average value of \$3,475 per Class
3 Member and \$33.51 per workweek and after deductions the Net Settlement Amount provides an
4 average recovery of \$1,865.42 per Class Member and a recovery of \$17.98 per workweek. The
5 calculations to compensate for the amount due for the Class at the time of the mediation were
6 calculated by Berger Consulting, Plaintiff's damage expert. As to the Class whose claims are at
7 issue in this Action, Plaintiff used the expert to analyze the data and determine the potential unpaid
8 wages for the employees. The maximum potential damages were calculated to be \$657,037 for the
9 alleged unpaid wages for off-the-clock work at one hour per week, \$105,547 for alleged unpaid
10 overtime due to the miscalculation of the regular rate, \$68,304 for the alleged unpaid meal
11 premiums and sick pay due to the alleged miscalculation of the result rate, \$1,281,275 for alleged
12 meal period damages based upon a 75% potential violation rate for all shifts worked observed in the
13 time records and after deduction for meal premiums paid by Defendant, \$1,302,690 for alleged rest
14 period damages based upon the same 75% potential violation rate for shifts worked, \$23,835 for
15 alleged unreimbursed cell-phone expenses at \$5 per month. Decl. Nordrehaug, ¶6. As a result, the
16 total damage valuation was calculated that Defendant were subject to a maximum damage claim in
17 the amount of \$3,438,688. As to potential penalties, Plaintiff calculated that potential waiting time
18 penalties were a maximum of between \$281,041 and \$461,195, depending on the predicate
19 violation, and potential maximum wage statement penalties were \$608,000.¹ Defendant vigorously
20 disputed Plaintiff's calculations and exposure theories. Consequently, the Gross Settlement Amount
21 of \$650,000 represents more than 18% of the maximum value of the alleged damages at issue in this

22
23
24
25 ¹ While Plaintiff alleged claims for statutory penalties pursuant to Labor Code Sections 203 and
26 226, at mediation Plaintiff recognized that these claims were subject to additional, separate defenses
27 asserted by Defendant, including, a good faith dispute defense as to whether any premium wages for
28 meal or rest periods or other wages were owed given Defendant's position that Plaintiff and Class
Members were properly compensated. *See Nordstrom Commission Cases*, 186 Cal. App. 4th 576,
584 (2010) ("There is no willful failure to pay wages if the employer and employee have a good
faith dispute as to whether and when the wages were due.").

1 case at the time this Settlement was negotiated.² Importantly, the recent decision that good faith
2 belief of compliance by the employer in *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056,
3 1065 (2024), could completely negate the claims for waiting time and wage statement penalties,
4 even if wages were owed to the Class. The above maximum calculations should then be
5 realistically risk adjusted in consideration for both the risk of class certification and the risk of
6 establishing class-wide liability on all claims. Given the amount of the settlement as compared to
7 the potential value of claims in this case and the defenses asserted by Defendant, this settlement is
8 fair and reasonable.

9
10 Procedural History of the Litigation

11 7. On December 20, 2023, Plaintiff filed with the LWDA and served on Defendant a
12 notice under Labor Code section 2699.3 identifying the alleged Labor Code violations to recover
13 civil penalties on behalf of Aggrieved Employees for various Labor Code violations. The PAGA
14 Notice by Plaintiff is attached hereto as Exhibit #3 for the Court's reference.

15 8. On January 12, 2024, Plaintiff filed a class action Complaint against Defendant in
16 the Superior Court of the State of California, County of San Diego. This class action Complaint
17 asserted class claims against Defendant for: (1) unfair competition in violation of Cal. Bus & Prof.
18 Code §§ 17200, et seq.; (2) failure to to pay minimum wages in violation of California Labor Code
19 §§ 1194, 1197, and 1197.1; (3) failure to pay overtime wages in violation of California Labor Code
20 §§ 510, 1194 & 1198; (4) failure to provide required meal periods in violation of Cal. Labor Code
21 §§ 226.7 and 512; (5) failure to provide required rest periods in violation of Cal. Labor Code §§
22 226.7 and 512; (6) failure to reimburse employees for required expenses in violation of California
23 Labor Code § 2802; (7) failure to provide accurate itemized wage statements in violation of
24 California Labor Code § 226;(8) failure to provide wages when due in violation of California Labor
25 Code §§ 201, 202 and 203; and, (9) failure to pay sick pay wages in violation of California Labor

26
27 ² Because the PAGA claim is not a class claim and primarily is paid to the State of California,
28 Plaintiff has not included the PAGA claim in this discussion of the value of the class claims. The
PAGA claim is addressed in the Decl. Nordrehaug at ¶33.

1 Code §§ 201-204, 233, and 246. On May 28, 2024, Plaintiff filed a separate Representative Action
2 Complaint against Defendant (the “PAGA Action”). Plaintiff’s PAGA Action complaint asserted
3 one cause of action against Defendant for Civil Penalties Pursuant to Labor Code §§ 2699, et seq.
4 for violations of Labor Code §§ 201, 202, 203, 204 *et seq.*, 210, 218, 221, 226(a), 226.7, 227.3, 246,
5 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8,
6 Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14)
7 (Failure to Provide Seating), and the applicable Wage Order(s).

8 9. As part of this Agreement, the Parties stipulate to the filing of a First Amended
9 Complaint in the Class Action that adds the claims and allegations from the PAGA Action. The
10 First Amended Complaint is the operative complaint in the Action (the "Operative Complaint"), and
11 was filed on September 16, 2024.

12 10. Over the course of litigation, the Parties engaged in the investigation of the claims,
13 including informal discovery and the production of documents, class data, and other information,
14 allowing for the full and complete analysis of liabilities and defenses to the claims in the Action.
15 The information for mediation obtained by Plaintiff included: (1) data concerning the class; (2)
16 payroll data and time punch data for the Class covering 180 employees, 68,613 shifts and 18,316
17 workweeks; (3) Defendant’s wage and hour policies; (4) the employment files for the Plaintiff; and,
18 (5) samples of wage statements provided by Defendant. As such, Class Counsel received the data
19 and information for the Class, which was sufficient for Plaintiff’s expert to prepare the valuations of
20 the claims for the Class.

21 11. Class Counsel has extensive experience in litigating wage and hour class actions in
22 California. The Parties have vigorously litigated the Action since inception. During the course of
23 litigation, the Parties each performed analysis of the merits and value of the claims. Plaintiff and
24 Defendant have engaged in significant research and investigation in connection with the Action.
25 Class Counsel has thoroughly analyzed the value of the claims during the prosecution of this Action
26 and utilized an expert to perform an analysis of the data and valuation of the claims.

27 12. Plaintiff and Defendant agreed to discuss resolution of the Action through a
28

1 mediation. Prior to mediation, the Parties engaged in the above investigation and the exchange of
2 documents and information in connection with the Action. On October 9, 2024, the Parties
3 participated in an all-day mediation presided over by Jeffrey Ross, a respected and experienced
4 mediator of wage and hour class actions. Following the mediation, the Parties agreed to settle the
5 Action based upon a mediator's proposal which was memorialized in the form of a Memorandum of
6 Understanding. The Parties then negotiated the final terms of the settlement as set forth in the
7 Agreement. At all times, the negotiations were arm's length and contentious.

8 13. Although a settlement has been reached, Defendant denies any liability or
9 wrongdoing of any kind associated with the claims alleged in the Action and further denies that, for
10 any purpose other than settlement, the Action is appropriate for class and/or representative
11 treatment. Defendant contends, among other things, that it has complied at all times with the
12 California Labor Code, applicable Wage Order, and all other laws and regulations. Further,
13 Defendant contends that class certification is inappropriate for any reason other than for settlement.
14 Plaintiff contends that Defendant violated California wage and hour laws. Plaintiff further contends
15 that the Action is appropriate for class certification on the basis that the claims meet the requisites
16 for class certification. Without admitting that class certification is proper, Defendant has stipulated
17 that the above Class may be certified for settlement purposes only. (Agreement at ¶ 2.7.) The
18 Parties agree that certification for settlement purposes is not an admission that class certification is
19 proper. Further, the Agreement is not admissible in this or any other proceeding as evidence that the
20 Class could be certified absent a settlement. Solely for purposes of settling the Action, the Parties
21 stipulate and agree that the requisites for establishing class certification with respect to the Class are
22 satisfied.

23 14. Class Counsel has conducted an investigation into the facts of the class action.
24 informal discovery was obtained, which included the production of relevant documents and data.
25 Class Counsel engaged in a thorough review and analysis of the relevant documents and data with
26 the assistance of an expert. Accordingly, the agreement to settle did not occur until Class Counsel
27 possessed sufficient information to make an informed judgment regarding the likelihood of success
28 on the merits and the results that could be obtained through further litigation. In addition, Class

1 Counsel previously negotiated settlements with other employers in actions involving nearly identical
2 issues and analogous defenses. Based on the foregoing data and their own independent
3 investigation, evaluation and experience, Class Counsel believes that the settlement with Defendant
4 on the terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of
5 the Class in light of all known facts and circumstances, including the risk of significant delay,
6 defenses asserted by Defendant, and potential appellate issues.

7
8 Settlement Terms and Plan of Allocation

9 15. The Gross Settlement Amount is Six Hundred Fifty Thousand Dollars (\$650,000).
10 (Agreement at ¶ 1.22.) Under the Settlement, the Gross Settlement Amount consists of the
11 following elements: (1) payment of the Individual Class Payments to the Participating Class
12 Members; (2) Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment; (3)
13 Administration Expenses Payment; (4) the Class Representative Service Payment to the Plaintiff;
14 and (5) the PAGA Penalties payment. (Agreement at ¶ 1.22.) The Gross Settlement Amount does
15 not include Defendant's share of payroll taxes. (Agreement at ¶ 3.1.) The Gross Settlement
16 Amount shall be all-in with no reversion to Defendant. (Agreement at ¶ 3.1.)

17 16. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay
18 payroll taxes no later than twenty-one (21) days after the Effective Date. (Agreement at ¶ 4.3.) The
19 distribution of Individual Class Payments to Participating Class Members along with the other
20 Court-approved distributions shall be made within 14 days after the Defendant funds the settlement.
21 (Agreement at ¶ 5.1.)

22 17. The amount remaining in the Gross Settlement Amount after the deduction of
23 Court-approved amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class
24 Representative Service Payment, the Class Counsel Fees Payment, the Class Counsel Litigation
25 Expenses Payment, and the Administration Expenses Payment (called the "Net Settlement
26 Amount") shall be allocated to Class Members as their Individual Class Payments. (Agreement at
27 ¶¶ 1.28 and 3.2.) From the Net Settlement Amount, the Individual Class Payment for each
28 Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the

1 total number of Workweeks worked by all Participating Class Members during the Class Period and
2 (b) multiplying the result by each Participating Class Member's Workweeks. (Agreement at ¶
3 3.2(e).) Workweeks will initially be based on Defendant's records, however, Class Members will
4 have the right to challenge the number of Workweeks.

5 18. Class Members may choose to opt-out of the Settlement by following the directions
6 in the Class Notice. (Agreement at ¶ 8.5, Ex. A.) The Class Notice provides that Class Members
7 shall have sixty (60) days from the date that the Class Notice is mailed to them (the "Response
8 Deadline") to request exclusion (opt-out) or to submit a written objection. (Agreement at ¶¶ 1.42,
9 8.5, 8.7.) All Class Members who do not "opt out" will be deemed Participating Class Members
10 who will be bound by the Settlement and will be entitled to receive an Individual Class Payment.
11 (Agreement at ¶ 8.5(c).) All Aggrieved Employees, including those who submit an opt-out request,
12 will still be paid their allocation of the PAGA Penalties and will remain subject to the release of the
13 Released PAGA Claims regardless of their request for exclusion. (Agreement at ¶¶ 6.3 and 8.5(d).)
14 Finally, the Class Notice advises the Class Members of their right to object to the Settlement and/or
15 dispute their Workweeks. (Agreement at ¶¶ 8.6 and 8.7, Ex. A.)

16 19. A Participating Class Member must cash his or her Individual Class Payment check
17 within 180 days after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within
18 180 days will be voided and any funds represented by such checks sent to a Court-approved
19 nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy
20 Pres Recipient"). The Parties mutually agree upon and propose Voices for Children, San Diego to
21 serve as the Cy Pres Recipient. The Parties, Class Counsel and Defense Counsel represent that they
22 have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.
23 (Agreement at ¶ 5.4.)

24 20. Subject to Court approval, the Parties have agreed on Apex Class Action to
25 administer the settlement in this action ("Administrator"). (Agreement at ¶ 1.2.) The Administrator
26 will be paid for settlement administration in an amount not to exceed \$9,500. (Agreement at ¶
27 3.2(c).) ILYM Group provided an estimate of \$7,750 for administration expenses.

28 21. Subject to Court approval, the Agreement provides for Class Counsel to be awarded

1 a sum not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment.
2 (Agreement at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of
3 Class Counsel Litigation Expenses Payment in an amount not to exceed \$25,000. (Agreement at ¶
4 3.2(b).) Subject to Court approval, the Agreement provides for a payment of no more than \$10,000
5 to the Plaintiff as the Class Representative Service Payment. (Agreement at ¶ 3.2(a).)

6 22. Subject to Court approval, the PAGA Penalties will be paid from the Gross
7 Settlement Amount for PAGA penalties under the California Private Attorneys General Act, Cal.
8 Labor Code Section 2698, *et seq.* (“PAGA”). The PAGA Penalties are \$40,000, to be allocated
9 75% (\$30,000) to the LWDA PAGA Payment and 25% (\$10,000) to the Individual PAGA
10 Payments.³ (Agreement at ¶ 3.2(d).) The Individual PAGA Payments will be calculated by (a)
11 dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$10,000) by the
12 total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period
13 and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. (Agreement at ¶
14 3.2(d).) As set forth in the accompanying proof of service, the LWDA has been served with this
15 motion and the Agreement.

16 17 Risks of Continued Litigation and Standards for Approval

18 23. Plaintiff and Class Counsel recognize the expense and length of continuing to
19 litigate and trying this Action against Defendant through possible appeals which could take several
20 years. Class Counsel has also taken into account the uncertain outcome and risk of litigation,
21 especially in complex class actions such as this Action. Class Counsel is also mindful of and
22 recognize the inherent problems of proof under, and alleged defenses to, the claims asserted in the
23 Action. Based upon their evaluation, Plaintiff and Class Counsel have determined that the
24 Settlement set forth in the Agreement is in the best interest of the Class Members.

25 24. Here, a number of defenses asserted by Defendant present serious threats to the
26

27 ³ The 75/25 allocation is required by Labor Code § 2699, because this action filed before June
28 2024 is not subject to the amended version of Labor Code § 2699.

1 claims of the Plaintiff and the other Class Members. Defendant asserted that Defendant's practices
2 complied with all applicable Labor laws. Defendant argued that Class Members were paid for all
3 time worked and that work time was properly recorded. Defendant maintained there was no
4 miscalculation of the regular rate when paying wages to the Plaintiff and the Class. Defendant
5 contend that their meal and rest period policies fully complied with California law and that
6 Defendant did not fail to provide the opportunity for legally required meal and rest breaks.
7 Defendant could argue that its payment of meal period premiums is further evidence of their lawful
8 practices. Defendant contends that there was no failure to pay for business expenses and any cell
9 phone usage was merely convenient and voluntary such that reimbursement was not legally
10 required. Finally, Defendant could argue that the Supreme Court decision in *Brinker v. Superior*
11 *Court*, 53 Cal. 4th 1004 (2012), weakened Plaintiff's claims, on liability, value, and class
12 certifiability as to the meal and rest period claims. Defendant also argues that based on its facially
13 lawful practices, Defendant acted in good faith and without willfulness, which if accepted would
14 negate the claims for waiting time penalties and/or inaccurate wage statements. See e.g. *Naranjo v.*
15 *Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024) ("if an employer reasonably and in good
16 faith believed it was providing a complete and accurate wage statement in compliance with the
17 requirements of section 226, then it has not knowingly and intentionally failed to comply with the
18 wage statement law.") If successful, Defendant's defenses could eliminate or substantially reduce
19 any recovery to the Class. While Plaintiff believes that these defenses could be overcome,
20 Defendant maintains these defenses have merit and therefore present a serious risk to recovery by
21 the Class.

22 25. There was also a significant risk that, if the Action was not settled, Plaintiff would be
23 unable to obtain a certified class and maintain the certified class through trial, and thereby not
24 recover on behalf of any employees other than themselves. At the time of the mediation, Defendant
25 forcefully opposed the propriety of class certification, arguing that individual issues precluded class
26 certification. Further, as demonstrated by the California Supreme Court decision in *Duran v. U.S.*
27 *Bank National Assn.*, 59 Cal. 4th 1 (2014), there are significant hurdles to overcome for a class-wide
28 recovery even where the class has been certified. While other cases have approved class

1 certification in wage and hour claims, class certification in this action was hotly disputed and the
2 maintenance of a certified class through trial was by no means a foregone conclusion.

3 26. This settlement is therefore certainly entitled to preliminary approval. Were this
4 case to go to trial, the Plaintiff and the other class members would need to prove, among other
5 things, that wages were owed on a class-wide basis. This was and is a substantial risk.

6 27. Plaintiff will apply to the Court for a Class Representative Service Payment in
7 consideration for his service and for the risks undertaken on behalf of the Class. (Agreement at ¶
8 3.2(a).) Plaintiff performed his duties admirably by working with Class Counsel over the course of
9 litigation, and is giving a general release for this service award. The Declaration of the Plaintiff is
10 submitted herewith in support. At this stage, the requested service award is within the accepted
11 range of awards for purposes of preliminary approval. *See e.g. Andrews v. Plains All Am. Pipeline*
12 *L.P.*, 2022 U.S. Dist. LEXIS 172183, at *11 (C.D. Cal. 2022) (finding that the requested service
13 awards of \$15,000 each are appropriate); *Reynolds v. Direct Flow Med., Inc.*, 2019 U.S. Dist.
14 LEXIS 149865, at *19 (N.D. Cal. 2019) (granting request for \$12,500 service award); *Mathein v.*
15 *Pier 1 Imps. (U.S.), Inc.*, 2018 U.S. Dist. LEXIS 71386 (E.D. Cal. 2018) (awarding \$12,500 where
16 average class member payment was \$351); *Louie v. Kaiser Foundation Health Plan, Inc.*, 2008 WL
17 4473183, *7 (S.D. Cal. Oct. 06, 2008) (awarding \$25,000 service award to each of six plaintiffs in
18 overtime class action); *Glass v. UBS Fin. Servs.*, 2007 WL 221862, *16-17 (N.D. Cal. 2007)
19 (awarding \$25,000 service award in overtime class action and a pool of \$100,000 in enhancements).

20 28. The stage of the proceedings at which this Settlement was reached also militates in
21 favor of preliminary approval and ultimately, final approval of the Settlement. Class Counsel has
22 conducted a thorough investigation into the facts of the class action. Class Counsel began
23 investigating the Class Members' claims before the Action were filed, and during the course of
24 litigation, and Class Counsel and engaged in sufficient informal discovery to obtain necessary
25 information. Class Counsel conducted a review and analysis of the relevant documents and data.
26 Class Counsel was also experienced with these claims, as Class Counsel previously litigated and
27 settled similar claims in other actions. Accordingly, the agreement to settle did not occur until Class
28 Counsel possessed sufficient information to make an informed judgment regarding the likelihood of

1 success on the merits and the results that could be obtained through further litigation.

2 29. Based on the foregoing data and their own independent investigation and evaluation,
3 Class Counsel is of the opinion that the Settlement with Defendant for the consideration and on the
4 terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of the
5 Class in light of all known facts and circumstances, including the risk of significant delay, defenses
6 asserted by Defendant, and numerous potential appellate issues. There can be no doubt that Counsel
7 for both Parties possessed sufficient information to make an informed judgment regarding the
8 likelihood of success on the merits and the results that could be obtained through further litigation.

9
10 Class Certification Issues

11 30. Plaintiff contends that the proposed settlement meet all of the requirements for class
12 certification under California Code of Civil Procedure § 382 as demonstrated below, and therefore,
13 the Court may appropriately approve the Class as defined in the Agreement. This Court should
14 conditionally certify the Class for settlement purposes only, defined as follows:

15 All individuals who are or previously were employed by Defendant in the State of
16 California, classified as non-exempt employees and performed work for Defendant at
17 any time during the Class Period.

18 (Agreement at ¶ 1.5.)

19 The Class Period is from January 12, 2020 through January 9, 2025. (Agreement at ¶ 1.13).

20 a. **Numerosity** - Here, Plaintiff asserts that the 187 current and former
21 employees that comprise the Class can be identified based on Defendant's records and are
22 sufficiently numerous for class certification.

23 b. **Common Issues Predominate** - Here, Plaintiff contends that common
24 questions of law and fact are present, specifically the common questions of whether Defendant's
25 employment practices were lawful, whether Defendant failed to provide meal and rest periods to
26 Class Members, whether Class members were lawfully compensated for all hours worked, whether
27 Defendant miscalculated the regular rate when paying Class Member wages, whether Defendant
28 failed to provide required expense reimbursement, and whether Class Members are entitled to

1 damages and penalties as a result of these practices. Plaintiff contend that certification of this Class
2 is appropriate because Defendant allegedly engaged in uniform practices with respect to the Class
3 Members. As a result, these common questions of liability could be answered on a class wide basis.

4 . c. **Typicality** - In this Action, Plaintiff contends that the typicality requirement
5 is fully satisfied. Plaintiff, like every other member of the Class, was employed by Defendant as a
6 non-exempt employee, and, like every other member of the Class, was subject to the same
7 employment practices. Plaintiff, like every other member of the Class, also claims owed
8 compensation as a result of the Defendant's uniform company policies and practices. Thus, the
9 claims of Plaintiff and the members of the Class arise from the same course of conduct by
10 Defendant, involve the same issues, and are based on the same legal theories.

11 d. **Adequacy** - Plaintiff contends that the Class Members are adequately
12 represented here because Plaintiff and representing counsel (a) do not have any conflicts of interest
13 with other class members, and (b) will prosecute the case vigorously on behalf of the class. This
14 requirement is met here. First, Plaintiff are well aware of his duties as the representative of the
15 Class and has actively participated in the prosecution of this case to date. Plaintiff effectively
16 communicated with Class Counsel, provided documents and information to Class Counsel, and
17 participated in the investigation and resolution of the Action. The personal involvement of the
18 Plaintiff was essential to the prosecution of the Action and the monetary settlement reached.
19 Second, Plaintiff retained competent counsel who are experienced in employment class actions and
20 who have no conflicts. Third, there is no antagonism between the interests of the Plaintiff and those
21 of the Class. Both the Plaintiff and the Class Members seek monetary relief under the same set of
22 facts and legal theories. Under such circumstances, there can be no conflicts of interest, and
23 adequacy of representation is satisfied.

24 31. Class Counsel's Adequacy of Representation and Absence of Conflict: Blumenthal
25 Nordrehaug Bhowmik De Blouw LLP is experienced in prosecuting class action lawsuits and can
26 competently represent the Class. Other lawyers at my firm and I have extensive class litigation
27 experience. We have handled a number of class actions and complex cases and have acted both as
28 counsel and as lead and co-lead counsel in a variety of these matters. We have successfully

1 prosecuted and obtained significant recoveries in numerous class action lawsuits and other lawsuits
2 involving complex issues of law and fact. My firm is particularly experienced in wage and hour
3 employment law class actions, including claims for misclassification, overtime, expense
4 reimbursement, unlawful deduction of wages, and missed rest and meal periods. Blumenthal
5 Nordrehaug Bhowmik De Blouw LLP has been involved as class counsel in over hundreds of wage
6 and hour class actions. Blumenthal Nordrehaug Bhowmik De Blouw LLP has been found to be
7 adequate counsel by the courts throughout California. We have been approved as experienced class
8 counsel by both state and federal courts in California in contested class certification proceedings. A
9 true and correct copy of the resume of my firm is attached hereto as Exhibit #2. The Class in this
10 settlement is defined as “all individuals who are or previously were employed by Defendant in the
11 State of California, classified as non-exempt employees and performed work for Defendant at any
12 time during the Class Period.” I have reviewed my firm’s cases and representation of other
13 plaintiffs and there is no conflict or representation which would prevent my firm from representing
14 the interests of the Class this case. My firm only represents employees, and not employers. My
15 firm has never represented Defendant nor any affiliate of the Defendant. My firm’s only interest in
16 the subject matter of this litigation is to ensure a recovery to the Class and to maximize that
17 recovery. Finally, our allegiance to the Class and the claims of the Class is not inconsistent with our
18 allegiance to pursue the claims on behalf of other employees and classes as the claims are all against
19 different and distinct employers. I can think of no conflict that would arise in our representation of
20 the Class and our adequate representation of the Class is evidenced by the successful prosecution of
21 the class claims to reach an excellent recovery for the Class. Moreover, neither the Plaintiff nor
22 Class Counsel have any affiliation with the proposed Administrator for this settlement. Thus, the
23 adequacy requirement for my firm is satisfied.

24 32. The Class Notice, drafted jointly and agreed upon by the Parties through their
25 respective counsel and to be approved by the Court, includes all relevant information. (See Exhibit
26 “A” to the Agreement.) In accordance with the Agreement, Defendant will provide to the
27 Administrator a confidential electronic spreadsheet containing the Class Data. (Agreement at ¶ 4.2.)
28 Within 14 days after receiving the Class Data, the Administrator will mail the Class Notice to all

1 Class Members via first-class U.S. Mail using the most current mailing address information
2 available. (Agreement at ¶ 8.4(b).) A Spanish translation of the Class Notice will be included in the
3 mailing. (Agreement at ¶ 1.11.) The Class Notice will include, among other information: (i)
4 information regarding the Action; (ii) the impact on the rights of the Class Members if they do not
5 opt out, including a description of the applicable release; (iii) information to the Class Members
6 regarding how to opt out and how to object to the Settlement; (iv) the estimated Individual Class
7 Payment for each of the Class Members; (iii) the amount of attorneys' fees and expenses to be
8 sought; (v) the amount of the Plaintiffs' service award request; and (vi) the anticipated expenses of
9 the Administrator. The Class Notice will state that the Class Members shall have sixty (60) days
10 from the date that the Class Notice is mailed to them (the "Response Deadline") to request
11 exclusion (opt-out) or to submit a written objection. (Agreement at ¶¶ 1.42, 8.5, 8.7.) Class
12 Members shall be given the opportunity to object to the Settlement and the request for attorneys'
13 fees and expenses, and to appear at the Final Approval Hearing. (Agreement at ¶ 8.7.) Class
14 Members who do not submit a timely and proper request to opt-out will automatically receive a
15 payment of their Individual Class Payment. This notice program was designed to meaningfully
16 reach the Class Members and it advises them of all pertinent information concerning the Settlement.

17
18 33. The PAGA Claim -

19 a. **Approval of PAGA Settlements.** The decision in *O'Connor v. Uber*, 201
20 F.Supp.3d 1110, 1133 (N.D. Cal. 2016), and the LWDA's Response therein is illustrative. The
21 LWDA first states that "when viewing the monetary relief allocated to PAGA claims under a
22 settlement, the LWDA recognizes that the PAGA sum need not necessarily be viewed through the
23 same lens as the relief obtained by absent class members on other claims (i.e., the percentage of
24 recovery-to-exposure on the PAGA claims need not necessarily equal the percentage of recovery on
25 the other claims)." (LWDA Response at p.3). The LWDA also indicated that the payment of
26 money to the aggrieved employees furthers the purposes of PAGA and that the Court considers that
27 primary consideration. "The LWDA recognizes that this Court does not review the PAGA
28 allocation in isolation, but rather reviews the settlement as a whole, to determine whether it is

1 fundamentally fair, reasonable and adequate, with primary consideration for the interests of absent
2 class members." (LWDA Response at p.4).

3 b. **Valuation of the PAGA Claim.** For mediation, Plaintiff calculated the
4 value of the alleged PAGA claim as to Aggrieved Employees for civil penalties to be between
5 \$204,700 and \$409,400 for a single violation in every one of the 4,094 pay periods at issue in the
6 PAGA Period, depending on whether the violation was \$50 per pay period as in the case of Labor
7 Code § 558(a)(1) or the standard amount of \$100 per pay period for violation of Labor Code § 1198.
8 This valuation assumed that PAGA civil penalties would be awarded at the maximum rate per pay
9 period but without stacking.⁴ The PAGA allocation in the Settlement is the amount of \$40,000.
10 This allocation is justified by several important considerations. First, the PAGA claim was subject
11 to the same risks as the underlying class claims. Second, Defendant asserted additional defenses to
12 the PAGA claim, not only as to liability but also as to the amount of the penalties. Defendant argued
13 that significant PAGA penalties would be unlikely and would be reduced under such particular
14 "circumstances" under Cal. Labor Code §2699(e)(2) and/or "would result in an award that is unjust,
15 arbitrary and oppressive, or confiscatory" under Cal. Labor Code §2699(e)(2). Defendant could also
16 argue that no penalties prior to the PAGA notification should be awarded, and I am aware of one
17 trial court which has so ruled. These additional defenses present a risk to the PAGA claim and the
18 potential that some or all of the PAGA penalties sought may not be awarded. Third, in *Carrington v.*
19 *Starbucks Corp.*, 30 Cal. App. 5th 504 (2018), the court affirmed a judgment which only provided
20 for a PAGA penalty of \$5 per violation. Therefore, at trial, any PAGA penalties awarded could be
21 significantly less than Plaintiffs' calculation even where Plaintiff prevailed on the PAGA claim.
22 Even if we assume that violations for all 4,094 pay periods were established, using the valuation
23 from *Carrington* results in a potential recovery of only \$20,470 under PAGA. This means that the

25 ⁴ Stacking is where more than one civil penalty is imposed in a pay period for the same conduct.
26 The valuation of between \$204,700 and \$409,400 is the civil penalty amount without stacking. If
27 stacking is permitted, then the valuation increases with each additional penalty added to each pay
28 period. Plaintiff, however, is not aware of any PAGA award which permitted stacking and in the
cases cited herein, only one penalty per pay period was assessed, and the recent amendments to the
PAGA statute cast further doubt on stacking of penalties.

1 PAGA allocation in the Agreement is a reasonable percentage of this potential PAGA recovery.
2 Fourth, the interests of PAGA are also served by the Class recovery under the reasoning of the
3 LWDA in *O'Connor v. Uber*.

4 c. **Comparable PAGA Settlements.** In reaching the settlement of the PAGA
5 claim, Class Counsel was also aware of what allocations other Courts have approved for similar
6 PAGA settlements as compared to the total settlement amount. A class settlement that allocates
7 approximately 6% of the total settlement value to resolve the PAGA claims applicable to the class is
8 also supported by what has been approved in other wage-and-hour class settlements. Indeed, Courts
9 typically approve PAGA settlement amounts in the range of between 0.27 to 2 percent of the total
10 settlement. See *Davis v. Brown Shoe Co.*, 2015 U.S. Dist. LEXIS 149010 (E.D. Cal. 2015) (PAGA
11 Payment of \$5,000 in a \$1.5 million class settlement); *Zamora v. Ryder Integrated Logistics, Inc.*,

20 34. Attorneys' Fees - The Class Counsel Fees Payment is capped at one-third of the
21 Gross Settlement Amount. A fee award that is capped at one-third of the common fund is fair and
22 reasonable, and at the time of final approval, my firm will present lodestar to further support the
23 reasonableness of the requested fee award. My firm has been regularly awarded attorney's fees
24 equal to one-third of the common fund in Court-approved wage and hour class settlements. Some
25 of the class action awards obtained by Class Counsel in similar employment actions throughout the
26 state bear out the reasonableness of a fee and costs award equivalent to one-third (1/3) of the total
27 settlement value: On December 4, 2018, in *Panda Express Wage and Hour Cases* (Los Angeles
28 Superior Court, Case No. JCCP 4919) Judge Carolyn Kuhl awarded Class Counsel a one-third fee

1 award in a wage and hour class settlement. On February 1, 2019, in *Solarcity Wage and Hour*

3 *Candies* (San Mateo County Superior Court Case no. 22-CIV-02481), Judge Marie Weiner
4 approved a one-third fee award in a wage and hour class settlement. A fee award equal to one-third
5 of the common fund is therefore reasonable in light of the fees that have been awarded in other
6 similar cases.

7
8 35. Class Representative Service Payments - The reasonableness of the requested service
9 award is also established by reference to the amounts that other California courts have found to be
10 reasonable in wage and hour class action settlements: *Zamora v. Balboa Life & Casualty, LLC*,
11 Case No. BC360036, Los Angeles County Superior Court (Mar. 7, 2013)(awarding \$25,000 service
12 award); *Aguiar v. Cingular Wireless, LLC*, Case No. CV 06-8197 DDP (AJWx)(C.D. Cal. Mar. 17,

36. Potentially Related Other Actions - I am not aware of any other pending matter or

1 action asserting claims that will be extinguished or affected by the Settlement. (Agreement at ¶ 2.8.)

2
3 37. Administration - After seeking bids from qualified administrators, the estimate from
4 Apex Class Action is was selected, as it provided for an estimate of \$7,750 to perform the
5 settlement administration for up to 200 individuals, with any difference between the actual expenses
6 and the budget of \$9,500 to be retained in the Net Settlement Amount for distribution to the Class. I
7 have used Apex Class Action successfully as the administrator in more than ten class settlements in
8 the last couple years and know them to be competent and experienced. My firm has no relationship
9 or connection with Apex Class Acton, and thus no conflict of interest exists. Submitted in support
10 of the motion is the Declaration of Sean Hartranft of Apex Class Action which includes the estimate
11 for administration from ILYM Group for this matter.

Within seven (7) days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
- 5.4. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) (“Cy Pres Recipient”). The Parties mutually agree upon and propose Voices for Children, San Diego to serve as the Cy Pres Recipient. The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.
- 5.5. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to

Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

- 6. RELEASE OF CLAIMS.** Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Participating Class Members, Aggrieved Employees and the LWDA will release claims against all Released Parties as follows:

6.1. Plaintiff's Release. Plaintiff and his or her respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, shall be deemed to have fully, finally, and forever released, settled, compromised, relinquished and discharged any and all of the Released Parties of and from any and all claims, known or unknown, asserted and unasserted, that he has or may have had against Defendant or any of the other Released Parties from the beginning of time through the date Plaintiff signs the Settlement Agreement, including, but not limited to, any claims concerning Plaintiff's employment and/or the termination of his employment with Defendant, any claims based on the California Labor Code (including for wages, bonuses, severance pay, employment benefits, stock options), violation of any personnel policy, any claims based on discrimination, harassment, unlawful retaliation, violation of public policy, wrongful termination, or damages of any kind whatsoever, arising out of any common law torts, contracts, express or implied, any covenant of good faith and fair dealing, any theory of wrongful discharge, any theory of negligence, any theory of retaliation, any legal restriction on any affiliated entity's right to terminate the employment relationship, or any federal, state, local, or other governmental statute, executive order, regulation or ordinance, or common law, or any other basis whatsoever, to the fullest extent provided by law. ("Plaintiff's Release"). Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, or workers' compensation benefits that arose at any time. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

- (a) Plaintiff's Waiver of Rights Under Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code. Plaintiff understands that Section 1542 gives the right not to release existing claims of which he is not now aware, unless Plaintiff voluntarily chooses to waive this right. Having been so apprised, Plaintiff nevertheless voluntarily waives the rights described in Section 1542 and elects to assume all risks for claims that now exist in his favor, known or unknown. Which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

6.2. Release by Participating Class Members. All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims. It is the intent of the Parties that the Judgment entered by the Court upon Final Approval of the Settlement shall have res judicata effect and be final and binding upon Plaintiff and all Participating Class Members who have not expressly opted out of the settlement.

6.3. Release of PAGA Claims. All Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims. The express purpose of this Agreement and the Judgment to be entered by the Court following approval of this settlement is to forever bar Plaintiff, the LWDA, and any other individual or entity acting on behalf of or purporting to act on behalf of the LWDA (including all Aggrieved Employees) from asserting any of the PAGA Released Claims that occurred during the PAGA Period in any future litigation.

7. **MOTION FOR PRELIMINARY APPROVAL.** The Parties agree to jointly prepare and file a motion for preliminary approval (“Motion for Preliminary Approval”) that complies with the Court’s procedures and instructions.

7.1. Plaintiff’s Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its “not to exceed” bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members and/or the proposed Cy Pres Recipient; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator and/or the proposed Cy Pres Recipient; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code

section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), this Agreement (Labor Code section 2699, subd. (l)(2)); (vi) a redlined version of the parties' Agreement showing all modifications made to the Model Agreement ready for filing with the Court; and (vii) all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator and/or the Cy Pres Recipient, if any. In their declarations, Plaintiff and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement

7.2. Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than thirty (30) days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.

7.3. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

8. SETTLEMENT ADMINISTRATION

8.1. Selection of Administrator. The Parties have jointly selected Apex Class Action LLC to serve as the Administrator and verified that, as a condition of appointment, Apex Class Action LLC agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Administrator's duties will include preparing, printing, and mailing the Class Notice Packet to all Class Members; conducting a National Change of Address search to update Class Member addresses before mailing the Class Notice Packets; re-mailing Class Notice Packets that are returned to the Class Member's new address; setting up a toll-free telephone number and email and a fax number to receive communications from Class Members; receiving and reviewing for validity completed Requests for Exclusion; providing the Parties with weekly status reports about the delivery of Class Notice Packets and receipt of Requests for Exclusion, objections and disputes; calculating Individual Class Payments and Individual PAGA Payments; issuing the checks to effectuate the payments due under the Settlement; issuing the tax reports required under this Settlement; and otherwise administering the Settlement pursuant to this Agreement. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise,

with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

8.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

8.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund (“QSF”) under US Treasury Regulation section 468B-1.

8.4. Notice to Class Members.

- (a) No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- (b) Using best efforts to perform as soon as possible, and in no event later than fourteen (14) days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice with Spanish translation, if applicable substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- (c) Not later than seven (7) days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.
- (d) The deadlines for Class Members’ written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional fourteen (14) days beyond the Response Deadline provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- (e) If the Administrator, the Parties, Defense Counsel or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet

and confer in person or by telephone, and in good faith. In an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than fourteen (14) days after receipt of Class Notice, or the deadline dates in the class Notice, which ever are later.

8.5. Requests for Exclusion (Opt-Outs).

- (a) Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than the Response Deadline (plus an additional fourteen (14) days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.
- (b) The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- (c) Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraph 6.2 of the Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- (d) Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment. If a Class Member submits both a Request for Exclusion and an

objection, only the Request for Exclusion will be accepted and the objection will be void.

8.6. Challenges to Calculation of Workweeks. Each Class Member shall have until the Response Deadline (plus an additional fourteen (14) days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination as to the challenges

8.7. Objections to Settlement.

- (a) Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.
- (b) Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, or in addition to a written objection, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline (plus an additional fourteen (14) days for Class Members whose Class Notice was re-mailed).
- (c) Non-Participating Class Members have no right to object to any of the class action components of the Settlement. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- (a) Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the

Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

- (b) Request for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than seven (7) days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- (c) Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- (d) Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- (e) Administrator’s Declaration. Not later than seven (7) days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.

(f) Final Report by Administrator. Within ten (10) days after the Administrator disburses all funds of the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least seven (7) days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least 7 days before any deadline for a second declaration and Class Counsel shall be responsible for filing the second declaration with the Court.

9. CLASS SIZE MODIFICATION AND ESCALATOR CLAUSE. Based on its records, Defendant provided figures as to the Class size as set forth in paragraph 4.1 above. Any finding of Workweeks during the Class Period that exceeds the estimate stated herein in paragraph 4.1 by more than 10% (for a total of 21,335 workweeks) at the option of Defendant, Defendant shall either increase the Gross Settlement Amount or elect to move the end date for the Class Period to a date that does not exceed 21,335 workweeks. In the event Defendant elects to extend the Class Period to a date wherein the total workweeks is more than 21, 335, the Gross Settlement Amount will be increased by determining the workweek value calculated based on 21, 335 workweeks divided by the Gross Settlement Amount multiplied by the additional number of workweeks. For example, if the total number of workweeks by the end of the Class Period is 21,435 and because the workweek value is \$16.40 per workweek, Defendant would have to increase the Gross Settlement amount by \$1,640 (21,435-21,335=100x\$16.40).

10. DEFENDANT'S RIGHT TO WITHDRAW. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Administration Expenses incurred as of the date Defendant makes this election to withdraw. Defendant must notify Class Counsel and the Court of its election to withdraw not later than fourteen (14) days after the Administrator sends the final Exclusion List to Defense Counsel. Invalid Requests for Exclusion will have no effect on this threshold for an election.

11. MOTION FOR FINAL APPROVAL. Unless otherwise ordered by the Court, not later than sixteen (16) court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699(I), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion

for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

- 11.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for a Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement under C.C.P. section 664.6 solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 11.4. Waiver of the Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on an equal basis, any additional Administration Expenses reasonably incurred at the time of remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class

Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

- 12. AMENDED JUDGMENT.** If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS

- 13.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or Judgment pursuant to this Agreement, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Actions, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Actions will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).
- 13.2. Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees have not and will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

13.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

13.7. Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.

13.8. Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

13.9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.

13.10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.

- 13.11. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 13.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 13.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant.
- 13.15. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 13.17. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

EXHIBIT “A”

**NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION
AND HEARING DATE FOR FINAL COURT APPROVAL**

***Mursal v. Toray Membrane USA, Inc., Superior Court of the State of California,
County of San Diego, Case No. 37-2024-00001450-CU-OE-CTL***

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT
ACT. PLEASE READ THIS NOTICE CAREFULLY.**

You may be eligible to receive money from a consolidated employee class action lawsuit (“Action”) against Defendant Toray Membrane USA, Inc. (“Defendant”) for alleged wage and hour violations. The Action is brought by Plaintiff Hirsi Mursal (“Plaintiff”) and seeks payment of (1) wages and other relief for a Class of all individuals who are or previously were employed by Defendant in the State of California, classified as non-exempt employees and performed work for Defendant at any time during the Class Period (January 12, 2020 through January 9, 2025) (“Class Members”), and (2) penalties under the California Private Attorney General Act (“PAGA”) for all individuals who are or previously were employed by Defendant in the State of California, classified as non-exempt employees and performed work for Defendant at any time during the PAGA Period (December 20, 2022 through January 9, 2025) (“Aggrieved Employees”).

The proposed Settlement includes the following: (1) a Class Settlement requiring Defendant to fund Individual Class Payments to Class Members, and (2) a PAGA Settlement requiring the payment of PAGA Penalties to be allocated to the California Labor and Workforce Development Agency (“LWDA”) and to Aggrieved Employees.

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be <<\$_____>> (less withholding) and your share of the PAGA Penalties (“Individual PAGA Payment”) is estimated to <<be \$_____>>.** The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked <<_____>> Workweeks during the Class Period and you worked <<_____>> PAGA Pay Periods.** If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Notice below.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully

read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims (if any) against Defendant as described below in Section 4 below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment, however you will preserve your right to personally pursue wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Class Claims). Additional information is set forth below.
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is ____.	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. If you request exclusion, you will receive no money from the Settlement and you will not be bound by the Class Settlement. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 7 of this Notice. However, you cannot opt-out of the PAGA portion of the proposed Settlement. If you are also an Aggrieved Employee and exclude yourself, you will still be paid your Individual PAGA Payment and

	will remain subject to the release of the Released PAGA Claims regardless of whether you submit a Request for Exclusion.
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by _____	All Class Members who do not opt-out (“Participating Class Members”) can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 8 of this Notice.
You Can Participate in the Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____, at 9:10 a.m., at the San Diego County Superior Court, located at 330 West Broadway, San Diego, CA 92101, in Department 62 before Judge Judy S. Bae. This hearing may change as explained below in Section 9. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 9 of this Notice
You Can Challenge the Calculation of Your Workweeks / PAGA Pay Periods Written Challenges Must be Submitted by _____	The amount of your Individual Class Payment and your Individual PAGA Payment (if any) depend on how many Workweeks you worked at least one day during the Class Period and how many PAGA Pay Periods you worked during the PAGA Period, respectively. The number of Workweeks during the Class Period and number of PAGA Period Pay Periods you worked according to Defendant’s records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____. See Section 5 of this Notice

1. Why did I get this Notice?

A proposed class action settlement (the “Settlement”) of the above-captioned action pending in the Superior Court of the State of California, in and for the County of San Diego (the “Court”), has been reached between Plaintiff and Defendant and has been granted preliminary approval by the Court. You may be entitled to receive money from this Settlement.

You have received this Notice because you have been identified as a member of the Class, which is defined as:

All individuals who are or previously were employed by Defendant in the State of California, classified as non-exempt employees and performed work for

Defendant at any time during the Class Period (January 12, 2020 through January 9, 2025).

So far, the Court has made no determination whether Defendant or Plaintiff are correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written Class Action and PAGA Settlement Agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims. Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and its defenses, and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

2. What is this class action lawsuit about?

On January 12, 2024, Plaintiff filed a Complaint against Defendant in the Superior Court of the State of California, County of San Diego, Case No. 37-2024-00001450-CU-OE-CTL (“Action”). The Action asserted class claims for unfair competition, failure to pay minimum wages, failure to pay overtime wages, failure to provide required meal periods, failure to provide required rest periods, failure to provide accurate itemized wage statements, failure to reimburse employees for required expenses, failure to provide wages when due, and failure to pay sick wages. On May 28, 2024, Plaintiff filed a separate representative action complaint against Defendant in the Superior Court of the State of California, County of San Diego, Case No. 34-2024-00025001 (the “PAGA Action”), asserting a single cause of action for violation of the Private Attorney General Act, Cal. Labor Code §§ 2698, et seq. (“PAGA”).

On [REDACTED], Plaintiff filed a First Amended Consolidated Class and Representative Action Complaint, which added the claims, allegations and parties originally in the separate PAGA Action to this Action. The First Amended Consolidated Class and Representative Action Complaint is referred to as the “Operative Complaint”.

Defendant denies that it has done anything wrong and disputes all the claims in the Action. For example, Defendant contends that Plaintiff and the Class Members were, at all times, properly compensated for wages under California law; that Plaintiff and the Class Members were provided with meal and rest periods in compliance with California law; that Defendant did not fail to pay to Plaintiff or any Class Members any wages allegedly due during employment and at the time of their termination; that Defendant complied with California wage statement and record requirements; that Defendant did not violate California Business and Professions Code section 17200 *et seq.*; that Defendant is not liable for any of the penalties sought or that could have been sought in the Action; and that this Action cannot be maintained as a class or representative action.

The Court granted preliminary approval of the Settlement on <<INSERT PRELIMINARY APPROVAL DATE>>. At that time, the Court also preliminarily approved the Plaintiff to serve as the Class Representative, and the law firms of Blumenthal Nordrehaug Bhowmik De Blouw LLP and Gomez Trial Attorneys, APLC to serve as Class Counsel.

The Court has not ruled on the merits of Plaintiff's claims. However, to avoid additional expense, inconvenience, and interference with the business operations of Defendant, the Parties concluded that it is in their best interests and the interests of the Class to settle the Action now on the terms summarized in this Notice. The Settlement was reached after mediation and arm's-length negotiations between the Parties. The Plaintiff and Class Counsel think the settlement is in the best interest of all Class Members.

Accordingly, the Settlement constitutes a compromise of disputed claims and should not be construed as an admission of liability on the part of Defendant, who expressly denies all liability.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay an "all in" amount of Six Hundred Fifty Thousand Dollars (\$650,000) (the "Gross Settlement Amount") to fund the settlement of the Action. The Gross Settlement Amount includes all payments of Individual Class Payments to Participating Class Members, the Administration Expenses Payment, the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and the PAGA Penalties payment for civil penalties under PAGA. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay payroll taxes within twenty-one (21) days of the Effective Date. The Effective Date is the date the Judgment is final and no longer subject to appeal. The Administrator will mail checks for all settlement payments within fourteen (14) days of the funding of the settlement by Defendant.

Court Approved Deductions from Gross Settlement Amount. The proposed payments, subject to Court approval, will be deducted from the Gross Settlement Amount before payments of Individual Class Payments are made to Class Members who do not request exclusion ("Participating Class Members"). At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

- **Administration Expenses Payment.** Payment to the Administrator, estimated not to exceed \$9,500, for expenses, including expenses of notifying the Class Members of the Settlement, processing Request for Exclusions, and distributing settlement checks and tax forms.
- **Attorneys' Fees and Costs.** Payment to Class Counsel of reasonable attorneys' fees not to exceed one-third (1/3) of the Gross Settlement Amount, which presently equals \$216,666, and an additional amount to reimburse actual litigation costs incurred by the Plaintiff not to exceed \$25,000. Class Counsel has been prosecuting the Action on behalf of Plaintiff and the Class on a contingency fee basis (that is, without being paid any

money to date) and has been paying all litigation costs and expenses. The amounts stated are what Class Counsel will be requesting and the final amounts to be paid will be decided at the Final Approval Hearing. The attorneys' fees award shall be allocated 75% to Blumenthal Nordrehaug Bhowmik De Blouw LLP, and 25% to Gomez Trial Attorneys, APLC

- Class Representative Service Payment. Class Representative Service Payment in an amount not more than \$10,000 to the named Plaintiff as service award, or such lesser amount as may be approved by the Court, to compensate him for services on behalf of the Class in initiating and prosecuting the Action, and for the risks he undertook. The amount stated is what Plaintiff will be requesting and the final amount to be paid will be decided at the Final Approval Hearing.
- PAGA Penalties. A payment of \$40,000 relating to Plaintiff's claim under PAGA, 75% (\$30,000) of which will be paid to the State of California's Labor and Workforce Development Agency ("LWDA"). The remaining 25% (\$10,000) will be distributed to the Aggrieved Employees. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$10,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. "PAGA Pay Period" means any pay period during which an Aggrieved Employee worked for Defendant for at least one day during the PAGA Period. The PAGA Period is December 20, 2022 through **January 9, 2025**.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Payments to Class Members. After all of the payments of the court-approved Attorneys' Fees and Costs, the Class Representative Service Payment, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, the "Net Settlement Amount", shall be distributed as Individual Class Payments to the Participating Class Members. The Net Settlement Amount is estimated to be at least **\$348,834**. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. "Workweek" means any week during the Class Period in which a Class Member worked for Defendant as a Class Member for at least one day. The number of Workweeks will be based on Defendant's records, however, Class Members may challenge the number of Workweeks worked as explained below.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

Tax Matters. Fifty Percent (50%) of each Participating Class Member's Individual Class Payment is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on IRS Form W-2. Fifty Percent (50%) of each Participating Class Member's Individual Class Payment is in settlement of claims for alleged claims for non-wages, expense reimbursement, interest and penalties due to employees (collectively the "Non-Wage Portion"). The Non-Wage Portion shall not be subject to wage withholdings and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. Neither Class Counsel nor Defendant's Counsel intend anything contained in this Class Notice to constitute advice regarding taxes or taxability. The tax issues for each Participating Class Member are unique to him/her, and each Participating Class Member may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement and your receipt of the Individual Class Payment are conditioned upon the Court entering an order granting final approval of the Settlement and entering judgment.

The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

Need to Promptly Cash Payment Checks. The front of every check issued will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the monies will be transmitted to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). The Parties have proposed Voices for Children, San Diego to serve as the Cy Pres Recipient, subject to Court approval.

4. What Do I Release Under the Settlement?

Released Class Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims. The "Released Class Claims" are all claims that were alleged, or reasonably could have been alleged by Participating Class Members on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, against Released Parties (defined below), based on the facts stated in the Operative Complaint that occurred during the Class Period, for unpaid wages (including overtime wages and premiums) or other compensation allegedly owed, or for damages, penalties, restitution, interest, liquidated damages, attorneys' fees, or costs, or any other recovery including under the California Labor Code and corresponding provisions of Wage Orders, for: (1) Unfair Competition pursuant to Cal. Bus. & Prof. Code §§ 17200, et seq., (2) Failure to Pay Minimum Wage; (3) Failure to Pay Overtime; (4) Failure to Provide Meal Periods; (5) Failure to Provide Rest Breaks; (6) Failure to Provide

Compliant Wage Statements; (7) Failure to Reimburse Business Expenses; (8) Failure to Pay Wages When Due; (9) Failure to Pay Sick Pay Wages; including all claims and/or penalties brought under or pursuant to Labor Code §§ 201-204 *et seq.*, 210, 218, 221, 226, 226.7, 227.3, 233, 246, 510, 512, 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5 (A)-(B), and the IWC Wage Orders . Except as expressly set forth in the Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

This means that, if you do not timely and formally exclude yourself from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant and any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court's orders in the Action will apply to you and legally bind you.

Released PAGA Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims. The "Released PAGA Claims" are all claims for PAGA penalties that were alleged, or reasonably could have been alleged by Aggrieved Employees on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, against Released Parties (defined below), based on the facts stated in the Operative Complaint and/or the PAGA notice including Labor Code §§ 201-204 *et seq.*, 210, 218, 221, 226, 226.7, 227.3, 233, 246, 510, 512, 558, 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5 (A)-(B), California Code of Regulations, Title 8 Section 1 1070 (14) (Failure to Provide Seating), and the IWC Wage Orders, that accrued at any time during the PAGA Period. The Released PAGA Claims do not include underlying wage and hour claims covered by the Released Class Claims, claims for wrongful termination, discrimination, unemployment insurance, disability and worker's compensation, and claims outside of the PAGA Period.

Released Parties. Released Parties is defined as, and includes, the Defendant and Defendant's respective former and present representatives, agents, attorneys, employees, partners, heirs, administrators, successors, and assigns, release Defendant and each of its former and present directors, officers, shareholders, owners, members, attorneys, employees, partners, insurers, predecessors, successors, assigns, subsidiaries, and affiliates.

**[PROPOSED] PRELIMINARY
APPROVAL ORDER**

Hearing Date:
Hearing Time:

Judge: Hon. Judy S. Bae
Dept.: 62

Date Action Filed: January 12, 2024
Trial Date: Not set

PRELIMINARY APPROVAL ORDER

1 This matter, having come before the Honorable Judy S. Bae of the Superior Court of the
2 State of California, in and for the County San Diego, on _____[DATE], for the motion by
3 Plaintiff Hirsi Mursal (“Plaintiff”) for preliminary approval of the class settlement with Defendant
4 Toray Membrane USA, Inc. (“Defendant”). The Court, having considered the briefs, argument of
5 counsel and all matters presented to the Court and good cause appearing, hereby GRANTS
6 Plaintiff’s Motion for Preliminary Approval of Class Action Settlement.

7
8 **IT IS HEREBY ORDERED:**

9 1. The Court preliminarily approves the Class Action and PAGA Settlement
10 Agreement (“Agreement”) attached as Exhibit ____ to the Declaration of Kyle Nordrehaug in
11 Support of Plaintiff’s Motion for Preliminary Approval of Class Action Settlement. This is based
12 on the Court’s determination that the Settlement set forth in the Agreement is within the range of
13 possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil
14 Procedure and California Rules of Court, rule 3.769.

15 2. This Order incorporates by reference the definitions in the Agreement, and all
16 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

17 3. The Gross Settlement Amount is Six Hundred Fifty Thousand Dollars (\$650,000).
18 It appears to the Court on a preliminary basis that the settlement amount and terms are fair,
19 adequate and reasonable as to all potential Class Members when balanced against the probable
20 outcome of further litigation and the significant risks relating to certification, liability and damages
21 issues. It further appears that investigation and research have been conducted such that counsel
22 for the Parties are able to reasonably evaluate their respective positions. It further appears to the
23 Court that settlement at this time will avoid substantial additional costs by all Parties, as well as
24 avoid the delay and risks that would be presented by the further prosecution of the Action. It
25 further appears that the Settlement has been reached as the result of serious and non-collusive,
26 arms-length negotiations. The Court therefore preliminarily finds that the Settlement is fair,

adequate, and reasonable when balanced against the probable outcome of further litigation and the significant risks relating to certification, liability, and damages issues.

4. The Agreement specifies an attorneys' fees award not to exceed one-third of the Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$25,000, and proposed Class Representative Service Payment to the Plaintiff in an amount not to exceed \$10,000. The Court will not approve the amount of attorneys' fees and costs, nor the amount of any service award, until the Final Approval Hearing.

5. The Court recognizes that Plaintiff and Defendant stipulate and agree to certification of a class for settlement purposes only. This stipulation will not be deemed admissible in this or any other proceeding should this Settlement not become final. For settlement purposes only, the Court conditionally certifies the following Class: "all individuals who are or previously were employed by Defendant in the State of California, classified as non-exempt employees and performed work for Defendant at any time during the Class Period." The Class Period is January 12, 2020 through January 9, 2025.

6. The Court concludes that, for settlement purposes only, the Class meets the requirements for certification under section 382 of the California Code of Civil Procedure in that: (a) the Class is ascertainable and so numerous that joinder of all members of the Class is impracticable; (b) common questions of law and fact predominate, and there is a well-defined community of interest amongst the members of the Class with respect to the subject matter of the litigation; (c) the claims of the Plaintiff are typical of the claims of the members of the Class; (d) the Plaintiff can fairly and adequately protect the interests of the members of the Class; (e) a class action is superior to other available methods for the efficient resolution of this controversy; and (f) counsel for the Class is qualified to act as counsel for the Class and the Plaintiff is an adequate representative of the Class.

7. The Court provisionally appoints Plaintiff as the representative of the Class. The Court provisionally appoints Blumenthal Nordrehaug Bhowmik De Blouw LLP and Gomez Trial Attorneys, APLC as Class Counsel for the Class.

1 8. The Court hereby approves, as to form and content, the Court Approved Notice of
2 Proposed Settlement of Class Action and Hearing Date for Final Court Approval (“Class Notice”)
3 attached to the Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and
4 accurately inform the Class of all material elements of the proposed Settlement, of the Class
5 Members’ right to be excluded from the Class by submitting a written opt-out request, and of each
6 Class Member’s right and opportunity to object to the Settlement. The Court further finds that the
7 distribution of the Class Notice substantially in the manner and form set forth in the Agreement
8 and this Order meets the requirements of due process, is the best notice practicable under the
9 circumstances, and shall constitute due and sufficient notice to all persons entitled thereto. The
10 Court orders the mailing of the Class Notice by first class mail, pursuant to the terms set forth in
11 the Agreement.

12 9. The Court hereby appoints Apex Class Action as the Administrator. No later than
13 twenty-one (21) days after preliminary approval of the Settlement by the Court, Defendant shall
14 provide to the Administrator an electronic spreadsheet with the Class Data. The Administrator
15 will perform address updates and verifications as necessary prior to the mailing of the Class
16 Notice. Using best efforts to mail it as soon as possible, and in no event later than 14 days after
17 receiving the Class Data, the Administrator will mail the Class Notice Packets to all Class
18 Members via first-class U.S. Mail. Before mailing Class Notices, the Administrator shall update
19 Class Member addresses using the National Change of Address database.

20 10. The Court hereby preliminarily approves the proposed procedure for exclusion
21 from the Settlement. Any Class Member may individually choose to opt out of and be excluded
22 from the Class as provided in the Class Notice by following the instructions for requesting
23 exclusion from the Class that are set forth in the Class Notice. All Requests for Exclusion must be
24 postmarked by no later than the Response Deadline, which is sixty (60) calendar days after the
25 date of the mailing of the Class Notice and be received by the Administrator. If the Class Notice
26 Packet is re-mailed, the Response Deadline will be extended an additional 14 days. Any such
27 person who chooses to opt out of and be excluded from the Class will not be entitled to any
28

1 recovery under the Settlement and will not be bound by the class portion of the Settlement or have
2 any right to object, appeal or comment thereon. Class Members who have not requested exclusion
3 shall be bound by all determinations of the Court, the Agreement and the Judgment. A Request
4 for Exclusion may only opt out that particular individual, and any attempt to effect an opt out of a
5 group, class, or subclass of individuals is not permitted and will be deemed invalid. Subject to the
6 Court's final approval of the Settlement, the Aggrieved Employees will be paid their allocation of
7 the PAGA Penalties and will remain bound by the release of the Released PAGA Claims.

8 11. Any Class Member who has not opted out ("Participating Class Member") may
9 appear at the final approval hearing and may object or express the Member's views regarding the
10 Settlement and may present evidence and file briefs or other papers that may be proper and
11 relevant to the issues to be heard and determined by the Court as provided in the Notice.
12 Participating Class Members will have until the Response Deadline, which is sixty (60) calendar
13 days from the date of the mailing of the Class Notices, to submit their written objections to the
14 Administrator in accordance with the instructions in the Class Notice. If the Class Notice Packet
15 is re-mailed, the Response Deadline for written objections will be extended an additional 14 days.
16 Alternatively, Participating Class Members may appear at the Final Approval Hearing to make an
17 oral objection.

18 12. A Final Approval Hearing shall be held before this Court on _____
19 _____, 9:10 a.m. in Department 62 at the San Diego County Superior Court to
20 determine all necessary matters concerning the Settlement, including: whether the proposed
21 settlement of the Action on the terms and conditions provided for in the Agreement is fair,
22 adequate and reasonable and should be finally approved by the Court; whether the Final Approval
23 Order and Judgment should be entered herein; whether the plan of allocation contained in the
24 Agreement should be approved as fair, adequate and reasonable to the Class Members; and to
25 finally approve attorneys' fees and costs, the service award, and the expenses of the Administrator.
26 All papers in support of the motion for final approval and for attorneys' fees, costs and service
27
28

1 award, to be heard at the Final Approval Hearing, shall be filed with the Court and served on all
2 counsel no later than sixteen (16) court days before the hearing.

3 13. Neither the Settlement nor any exhibit, document, or instrument delivered
4 thereunder shall be construed as a concession or admission by Defendant in any way that the
5 claims asserted have any merit or that this Action was properly brought as a class or representative
6 action, and shall not be used as evidence of, or used against Defendant as, an admission or
7 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
8 omission by Defendant or with respect to the truth of any allegation asserted by any person.
9 Defendant has denied that it has done anything wrong and disputes all the claims in this Action.
10 Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit,
11 document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts
12 thereof, shall in any event be construed as, offered or admitted in evidence as, received as or
13 deemed to be evidence for any purpose adverse to the Defendant, including, but not limited to,
14 evidence of a presumption, concession, indication or admission by Defendant of any liability,
15 fault, wrongdoing, omission, concession or damage.

16 14. In the event the Settlement does not become effective in accordance with the terms
17 of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to
18 become effective for any reason, this Order shall be rendered null and void and shall be vacated,
19 and the Parties shall revert to their respective positions as of before entering into the Agreement,
20 and expressly reserve their respective rights regarding the prosecution and defense of this Action,
21 including all available defenses and affirmative defenses, and arguments that any claim in the
22 Action could not be certified as a class action and/or managed as a representative action. In such
23 an event, the Court's orders regarding the Settlement, including this Order, shall not be used or
24 referred to in litigation for any purpose.

25 15. The Court reserves the right to adjourn or continue the date of the final approval
26 hearing and all dates provided for in the Agreement without further notice to Class Members and
27
28

1 retains jurisdiction to consider all further applications arising out of or connected with the
2 proposed Settlement.

3 16. The Action is stayed and all trial and related pre-trial dates, if any, are vacated,
4 subject to further orders of the Court at the Final Approval Hearing.

SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF SAN DIEGO

HIRSI MURSAL, an individual, on behalf of
himself and on behalf of all persons similarly
situated,

Plaintiff,

vs.

TORAY MEMBRANE USA, INC., a
California Corporation; and DOES 1 through
50, inclusive,

Defendants.

CASE NO.: **37-2024-00001450-CU-OE-CTL**

**[PROPOSED] FINAL APPROVAL
ORDER AND JUDGMENT**

Hearing Date:
Hearing Time:

Judge: Hon. Judy S. Bae
Dept.: 62

Date Action Filed: January 12, 2024
Trial Date: Not set

1 The motion of Plaintiff Hirsı Mursal (“Plaintiff”) for an order finally approving the Class
2 Action and PAGA Settlement Agreement (“Agreement”) with Defendant Toray Membrane USA,
3 Inc. (“Defendant”) and for an award of attorneys’ fees and costs, service payment, and the fees of
4 the Administrator duly came on for hearing on _____ before the Honorable Judy S.
5 Bae.

6 **I.**

7 **FINDINGS**

8 Based on the oral and written argument and evidence presented in connection with the
9 motion, the Court makes the following findings:

- 10 1. All terms used herein shall have the same meaning as defined in the Agreement.
- 11 2. This Court has jurisdiction over the subject matter of this litigation pending before
12 the California Superior Court for the County of San Diego, and over all Parties to this litigation,
13 including the Class.
- 14 3. Based on a review of the papers submitted by Plaintiff and a review of the
15 applicable law, the Court finds that the Gross Settlement Amount of Six Hundred Fifty Thousand
16 Dollars (\$650,000) and the terms set forth in the Agreement are fair, reasonable, and adequate.
- 17 4. The Court further finds that the Settlement was the result of arm’s length
18 negotiations conducted after Class Counsel had adequately investigated the claims and became
19 familiar with the strengths and weaknesses of those claims. In particular, the amount of the
20 Settlement, the significant risks relating to certification, liability, and damages issues, and the
21 assistance of an experienced mediator in the settlement process, among other factors, support the
22 Court’s conclusion that the Settlement is fair, reasonable, and adequate.

23 **Preliminary Approval of the Settlement**

- 24 5. On _____, the Court granted preliminary approval of the Settlement. At
25 this same time, the Court approved conditional certification of the Class for settlement purposes
26 only.

27 **Notice to the Class**

1 6. In compliance with the Preliminary Approval Order, the Class Notice was mailed
2 by first class mail to members of the Class at their last known addresses on or about
3 _____. Mailing of the Class Notice to their last known addresses was the best notice
4 option under the circumstances and was reasonably calculated to communicate actual notice of the
5 litigation and the proposed settlement to the Class. The Class Notice given to the Class Members
6 fully and accurately informed the Class Members of all material elements of the proposed
7 Settlement and of their opportunity to object to or comment thereon or to seek exclusion from the
8 Settlement; constituted valid, due, and sufficient notice to all Class Members; and complied fully
9 with the laws of the State of California, the United States Constitution, due process and other
10 applicable law. The Class Notice fairly and adequately described the Settlement and provided
11 Class Members adequate instructions and a variety of means to obtain additional information.

12 7. The Response Deadline for opting out of the Class or submitting written objections
13 to the Settlement was _____, which was extended by 14 days for re-mailed Class
14 Notices. There was an adequate interval between mailing of the Class Notice and the response
15 deadline to permit Class Members to choose what to do and act on their decision. A full
16 opportunity has been afforded to the Participating Class Members to participate in this hearing,
17 and all Participating Class Members and other persons wishing to be heard have been heard. Class
18 Members also have had a full and fair opportunity to exclude themselves from the proposed
19 Settlement and Class. Accordingly, the Court determines that all Class Members who did not
20 timely and properly submit a request for exclusion are bound by the Settlement and this Final
21 Approval Order and Judgment.

22 **Fairness Of Settlement**

23 8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.*
24 48 Cal.App.4th 1794, 1801 (1996).

25 a. The settlement was reached through arm's-length bargaining between the
26 parties during an all-day mediation before Jeffrey Ross, a respected and experienced mediator of
27
28

1 wage and hour class actions. There has been no collusion between the parties in reaching the
2 proposed settlement.

3 b. Plaintiff's investigation and discovery have been sufficient to allow the
4 Court and counsel to act intelligently.

5 c. Counsel for both parties are experienced in similar employment class action
6 litigation. All counsel recommended approval of the Agreement.

7 d. The percentage of objectors and requests for exclusion is small. ____
8 objections were received. _____ requests for exclusion were received.

9 e. The participation rate was high. _____ Participating Class Members will
10 be mailed a settlement payment, representing ____% of the overall Class.

11 9. The consideration to be given to the Class Members under the terms of the
12 Agreement is fair, reasonable and adequate considering the strengths and weaknesses of the claims
13 asserted in this action and is fair, reasonable and adequate compensation for the release of Class
14 Members' claims, given the uncertainties and significant risks of the litigation and the delays
15 which would ensue from continued prosecution of the action.

16 10. The Agreement is approved as fair, adequate and reasonable and in the best
17 interests of the Class Members.

18 **Attorneys' Fees and Costs**

19 11. An award of \$216,666 for attorneys' fees, representing one-third of the Gross
20 Settlement Amount, and \$_____ for litigation costs and expenses, is reasonable, in
21 light of the contingent nature of Class Counsel's fee, the hours worked by Class Counsel, and the
22 results achieved by Class Counsel. The requested awards have been supported by Class Counsel's
23 lodestar and billing statement.

24 **Class Representative Service Payment**

25 12. The Agreement provides for a Class Representative Service Payment of not more
26 than \$10,000 to the Plaintiff, subject to the Court's approval. The Court finds that Class
27 Representative Service Payment in the amount of \$_____ to the Plaintiff is reasonable in light
28

1 of the risks and burdens undertaken by the Plaintiff in the litigation and for their time and effort in
2 bringing and prosecuting this matter on behalf of the Class.

3 **Administration Expenses Payment**

4 13. The Administrator shall calculate and administer the payment to be made to the
5 Participating Class Members in the manner set forth in the Agreement, transmit payment for
6 attorneys' fees and costs to Class Counsel, transmit the Class Representative Service Payment to
7 the Plaintiff, distribute the PAGA Penalties, issue any required tax reporting forms, calculate
8 withholdings and perform the other remaining duties set forth in the Agreement. The
9 Administrator has documented \$_____ in fees and expenses, and this amount is reasonable in
10 light of the work performed by the Administrator.

11 **PAGA Penalties**

12 14. The Agreement provides for PAGA Penalties out of the Gross Settlement Amount
13 of \$40,000, which shall be allocated with 75% (\$30,000) allocated to the LWDA PAGA Payment
14 and 25% (\$10,000) allocated to the Individual PAGA Payments to be distributed to the Aggrieved
15 Employees. The Administrator will calculate each Individual PAGA Payment by (a) dividing the
16 amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$10,000) by the total
17 number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and
18 (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. "Aggrieved
19 Employees" are all individuals who are or previously were employed by Defendant in the State of
20 California, classified as non-exempt employees and performed work for Defendant at any time
21 during the PAGA Period (December 20, 2022 through January 9, 2025). The Court finds the
22 PAGA Penalties to be reasonable. All Aggrieved Employees will be sent their share of the PAGA
23 Penalties and will be subject to the release of the Released PAGA Claims as set forth below,
24 whether or not they opt out of the Settlement.

25 **II.**

26 **ORDERS**

27 Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:

1 15. The certification of the Class for the purposes of settlement is confirmed. The
2 Class is defined as follows:

3 All individuals who are or previously were employed by Defendant in the State of

20 is approved.

26 settlement purposes). Neither this Final Approval Order and Judgment, the Agreement, nor any

2 whatsoever. Defendant has denied that it has done anything wrong and disputes all the claims in
3 this Action. The entering into or carrying out of the Agreement, and any negotiations or
4 proceedings related thereto, shall not in any event be construed as, or deemed to be evidence of, an
5 admission or concession with regard to the denials or defenses by Defendant. Notwithstanding
6 these restrictions, Defendant may file in the Action or in any other proceeding this Final Approval
7 Order and Judgment, the Agreement, or any other papers and records on file in the Action as
8 evidence of the Settlement to support a defense of res judicata, collateral estoppel, release, or other
9 theory of claim or issue preclusion or similar defense as to the Released Class Claims and/or the
10 Released PAGA Claims.

11 23. Notice of entry of this Final Approval Order and Judgment shall be given to all
12 Parties by Class Counsel on behalf of Plaintiff and all Class Members. The Final Approval Order
13 and Judgment shall be posted on Class Counsel's website as set forth in the Class Notice to the
14 Class. It shall not be necessary to send notice of entry of this Final Approval Order and Judgment
15 to individual Class Members. Plaintiff shall serve this Final Approval Order and Judgment on the
16 LWDA.

17 24. If the Agreement does not become final and effective in accordance with the terms
18 of the Agreement, then this Final Approval Order and Judgment, and all orders entered in
19 connection herewith, shall be rendered null and void and shall be vacated, and the Parties shall
20 revert to their respective positions as of before entering into the Agreement, and expressly reserve
21 their respective rights regarding the prosecution and defense of this Action, including all available
22 defenses and affirmative defenses, and arguments that any claim in the Action could not be
23 certified as a class action and/or managed as a representative action.

24 **IT IS HEREBY ORDERED, ADJUDICATED AND DECREED THAT:**

25 25. Except as set forth in the Agreement and this Final Approval Order and Judgment,
26 Plaintiff, and all members of the Class, shall take nothing in the Action.

2 jurisdiction to construe, interpret, implement and enforce the Agreement, to hear and resolve any
3 contested challenge to a claim for settlement benefits, and to supervise and adjudicate any dispute
4 arising from or in connection with the distribution of settlement benefits.

REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);

Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);

Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under *Aerojet-General*. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was no additional standing rules for PAGA claim brought by independent contractor);

Re: Notice Of Violations Of California Labor Code Sections §§ 201, 202, 203, 204 *et seq.*, 210, 218, 221, 226(a), 226.7, 227.3, 246 *et seq.*, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to Provide Seating), and Violation of Applicable Industrial Welfare Commission Wage Order(s), brought Pursuant To California Labor Code Section 2699.5.

Dear Sir/Madam:

“Aggrieved Employees” refers to all individuals who are or previously were employed by Toray Membrane USA, Inc. in California, including any employees staffed with Toray Membrane USA, Inc. by a third party, and classified as non-exempt employees during the time period of December 20, 2022 until a date as determined by the Court. Our offices represent Plaintiff Hirsi Mursal (“Plaintiff”) and other Aggrieved Employees in a lawsuit against Toray Membrane USA, Inc. (“Defendant”). Plaintiff was employed by Defendant in California from September of 2021 to July of 2023. Plaintiff was at all times classified by Defendant as a non-exempt employee, paid on an hourly basis, and entitled to the legally required meal and rest periods and payment of minimum and overtime wages due for all time worked. Defendant, however, unlawfully failed to record and pay Plaintiff and other Aggrieved Employees for, including but not limited to, all of their time worked, including minimum and overtime wages and sick pay wages at the correct rate, for all of their missed meal and rest breaks at the correct regular rates, and for all of their time spent working off the clock. Moreover, when Defendant required Plaintiff and Aggrieved Employees to report for work, but “furnished less than half said employee’s usual or scheduled day’s work,” Defendant violated Cal. Code Regs., tit. 8 § 11040, subd. 5(A) by failing to pay Plaintiff and Aggrieved Employees for at least two (2) hours’ worth of work at their regular rate of pay. In addition, when Defendant required Plaintiff and Aggrieved Employees to respond to and engage in additional work, this resulted in a second reporting for work in a single workday, and Defendant failed to pay these employees reporting time pay as required by Cal. Code Regs., tit. 8, § 11040, subd. 5(B). Further, Defendant failed to advise Plaintiff and the other Aggrieved Employees of their right to take separately and hourly

paid duty-free ten (10) minute rest periods. *See Vaquero v. Stoneledge Furniture, LLC*, 9 Cal. App. 5th 98, 110 (2017). Additionally, pursuant to Labor Code § 204 *et seq.*, Defendant failed to timely provide Plaintiff and other Aggrieved Employees with their wages. Plaintiff further contends that Defendant failed to provide accurate wage statements to her, and other Aggrieved Employees, in violation of California Labor Code section 226(a). Specifically, PLAINTIFF and the AGGRIEVED EMPLOYEES were paid on an hourly basis. As such, the wage statements should reflect all applicable hourly rates during the pay period and the total hours worked, and the applicable pay period in which the wages were earned pursuant to California Labor Code Section 226(a). The wage statements Defendant provided to PLAINTIFF and the AGGRIEVED EMPLOYEES failed to identify such information. More specifically, the wage statements failed to identify the accurate total hours worked each pay period in violation of Cal. Lab. Code Section 226(a)(2). Additionally, Plaintiff contends that Defendant failed to comply with Industrial Wage Order 7(A)(3) in that Defendant failed to keep time records showing when Plaintiff began and ended each shift and meal period. Plaintiff and other Aggrieved Employees perform tasks that reasonably permit sitting, and a seat would not interfere with their performance of any of their tasks that may require them to stand. Defendant failed to provide Plaintiff and other Aggrieved Employees with suitable seats. Said conduct, in addition to the foregoing, as well as the conduct alleged in the incorporated Complaint, violates Labor Code §§ 201, 202, 203, 204 *et seq.*, 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 11070(14) (Failure to Provide Seating), Violation of the applicable Industrial Welfare Commission Wage Order(s), and is therefore actionable under California Labor Code section 2699.3.
