**DECLARATION OF NORMAN
BLUMENTHAL IN SUPPORT OF MOTION
FOR FINAL APPROVAL OF CLASS
SETTLEMENT, ATTORNEYS' FEES,
COSTS AND SERVICE AWARDS**

Hearing Date: February 26, 2026

Hearing Time: 11:00 a.m.

[Hearing scheduled by Order dated October

Judge: Hon. Timothy Patrick Dillon
Dept: SS-15

Date Filed: March 29, 2024

Trial Date: Not set

1 I, NORMAN B. BLUMENTHAL, declare as follows:

2 1. I am the managing partner of the law firm of Blumenthal Nordrehaug Bhowmik De
3 Blouw LLP, counsel of record for Plaintiffs Enyllel Rugama-Hernandez and Edgar Santiago ("Plaintiffs")
4 in this matter. As such, I am fully familiar with the facts, pleadings and history of this matter. The
5 following facts are within my own personal knowledge, and if called as a witness, I could testify
6 competently to the matters stated herein. This declaration is being submitted in support to the Plaintiffs'
7 motion for final approval of the class settlement, including attorneys' fees, costs and service awards.

8 2. Over the course of the litigation, a number of attorneys in my firm have worked on this
9 matter. Their credentials are reflected in the Blumenthal Nordrehaug Bhowmik De Blouw LLP firm
10 resume, a true and correct copy of which is attached hereto as Exhibit #1. Some of the major cases our
11 firm has undertaken are also set forth in Exhibit #1. The bulk of the attorneys involved in this matter at
12 Blumenthal Nordrehaug Bhowmik De Blouw LLP have had substantial class litigation experience in the
13 areas of employment class actions, unfair business practices and other complex litigation. The attorneys
14 at my firm have extensive experience in cases involving labor code violations and overtime claims. Class
15 Counsel has litigated similar overtime cases against other employers on behalf of employees, including
16 cases against Sharp Healthcare, Walmart, Legoland, Cigna, HealthNet, See's Candies, Securitas, Okta,
17 Advanced Home Health, El Pollo Loco, Total Renal, Panda Express, Walt Disney Resorts, Pharmaca,
18 Nortek Security, California Fine Wine, Solarcity, Walgreens, Space Exploration, Union Bank, Verizon,
19 Apple, Wells Fargo, Kaiser, Universal Protection Services, and California State Automobile Association.
20 Class Counsel have been approved as experienced class counsel during contested motions in state and
21 federal courts throughout California. It is this level of experience which enabled the firm to undertake the
22 instant matter and to successfully combat the resources of the defendants and their capable and
23 experienced counsel. Class Counsel have participated in every aspect of the settlement discussions and
24 have concluded the settlement is fair, adequate and reasonable and in the best interests of the Class.

25
26 3. Summary of the Proposed Settlement.

27 (a) A true and correct copy of the First Amended Class Action and PAGA Settlement Agreement
28 (the "Agreement") between the parties is attached hereto as Exhibit #2. Plaintiffs and Defendant P & B

1 Intermodal Services Limited Liability Company (“Defendant”) reached a full and final settlement of the
2 above-captioned action, which is embodied in the Agreement filed concurrently with the Court. As
3 consideration for this Settlement, the Gross Settlement Amount to be paid by Defendant is Nine Hundred
4 Seventy-Five Thousand Dollars (\$975,000) (the “Gross Settlement Amount”). (Agreement at ¶¶ 1.22 and
5 3.1.) Under the Settlement, the Gross Settlement Amount consists of the following elements: (1) payment
6 of the Individual Class Payments to the Participating Class Members; (2) Class Counsel Fees Payment
7 and Class Counsel Litigation Expenses Payment; (3) Administration Expenses Payment; (4) the Class
8 Representative Service Payments to Plaintiffs; and (5) the PAGA Penalties payment. (Agreement at ¶
9 1.22.)

10 (b) The Gross Settlement Amount does not include Defendant’s share of payroll taxes.
11 (Agreement at ¶ 3.1.) The Gross Settlement Amount shall be all-in with no reversion to Defendant.
12 (Agreement at ¶ 3.1.)

13 (c) Defendant shall fund the Gross Settlement Amount and the amount necessary to pay payroll
14 taxes thereon no later than 14 days after the Effective Date. (Agreement at ¶ 4.3.) The distribution of
15 Individual Class Payments to Participating Class Members will be made within 14 days after Defendant
16 funds the Gross Settlement Amount. (Agreement at ¶ 5.1.)

17 (d) The amount remaining in the Gross Settlement Amount after the deduction of Court-approved
18 amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class Representative Service
19 Payments, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the
20 Administration Expenses Payment (called the “Net Settlement Amount”) shall be allocated to Class
21 Members as their Individual Class Payments. (Agreement at ¶¶ 1.28 and 3.2.) The Administrator will
22 calculate each Individual Class Payment by (a) dividing the Net Settlement Amount by the total number
23 of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying
24 the result by each Participating Class Member's Workweeks. (Agreement at ¶ 3.2(e).) Workweeks will
25 initially be based on Defendant’s records, however, Class Members will have the right to challenge the
26 number of Workweeks.

27 (e) Class Members were sent the Court approved Class Notice using the procedure approved by
28 the Court by mailing the notice packets after updating class members’ addresses using the National

1 Change of Address database and, for any notice packets returned as undeliverable, re-mailing such notices
2 to any forwarding address provided or updated address located. *See* Declaration of Katie Tran (“Tran
3 Decl.”) ¶ 7, Exh. A. Class Members were provided with the opportunity to exclude themselves or "opt
4 out" if they did not want to participate in the settlement. (Agreement at ¶ 8.5, Ex. A.) Tran Decl. ¶ 7,
5 Exh. A. Significantly, there have been **no objections and no request for exclusion**. Tran Decl. ¶¶ 11-12.
6 As such, the entire Class (100%) will participate in the Settlement and will be sent a settlement check.
7 *See* Tran Decl. at ¶¶ 14, 17. All Aggrieved Employees, including those who submit an opt-out request,
8 will still be paid their allocation of the PAGA Penalties and will remain subject to the release of the
9 PAGA Released Claims regardless of their request for exclusion. (Agreement at ¶ 6.3 and 5.8(d)) Finally,
10 the Notice advised the Class Members of their right to object to the Settlement and/or dispute their
11 Workweeks. (Agreement at ¶¶ 8.6 and 8.7, Ex. A.)

12 (f) Participating Class Members must cash their Individual Class Payment check within 180 days
13 after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within 180 days will be voided
14 and any funds represented by such checks sent to the California Controller's Unclaimed Property Fund
15 in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of
16 California Code of Civil Procedure Section 384, subd. (b). (Agreement at ¶ 5.4.)

17 (g) Apex Class Action, LLC. was appointed by the Court as the Administrator for the Settlement.
18 (Agreement at ¶ 1.2) From the Gross Settlement Amount, Administrator will be paid for settlement
19 administration in an amount not to exceed \$9,900. (Agreement at ¶ 3.2(c).) As set forth in the Tran Decl.
20 at ¶ 18, the Administration Expenses Payment, including fees and costs incurred to-date, as well as
21 anticipated fees and costs for completion of the settlement administration, are \$9,490.00.

22 (h) Subject to Court approval, the Agreement provides for Class Counsel to be awarded a sum
23 not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment. (Agreement
24 at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of Class Counsel
25 Litigation Expenses Payment in an amount not to exceed \$30,000. (Agreement at ¶ 3.2(b).) Subject to
26 Court approval, the Agreement provides for a payment of no more than \$7,500 to each Plaintiff (reduced
27 from \$15,000 each by the Court at preliminary approval) as their Class Representative Service Payments.
28 (Agreement at ¶ 3.2(a).) In support of these requests for attorneys’ fees, reimbursement of expenses and

1 service awards, Class Counsel is providing evidentiary support, including lodestar.

2 (i) Subject to Court approval, the PAGA Penalties will be paid from the Gross Settlement
3 Amount for PAGA penalties under the California Private Attorneys General Act, Cal. Labor Code Section
4 2698, *et seq.* (“PAGA”). The PAGA Penalties are \$20,000. (Agreement at ¶¶ 1.34 and 3.2(d).) Pursuant
5 to the express requirements of Labor Code § 2699(i), the PAGA Payment shall be allocated as follows:
6 75% shall be allocated to the Labor Workforce Development Agency (“LWDA”) as its share of the civil
7 penalties and 25% allocated to the Individual PAGA Payments to be distributed to the Aggrieved
8 Employees based on the number of their respective PAGA Pay Periods.¹ (Agreement at ¶ 3.2(d).) As set
9 forth in the accompanying proof of service, the LWDA has been served with this motion and the
10 Agreement.

11 (j) The Settlement is fair, adequate and reasonable to the class and should be finally approved for
12 the same reasons the Court granted preliminary approval of the Settlement, agreeing that the settlement
13 is “fair, adequate, and reasonable.” (Preliminary Approval Order at ¶ 3.) In sum, the Settlement valued
14 at \$975,000 is an excellent result for the Class. This result is particularly favorable in light of the fact that
15 liability and class certification in this case were far from certain in light of the defenses asserted by
16 Defendant. Given the complexities of this case, the defenses asserted, the uncertainty of class
17 certification, along with the uncertainties of proof at trial and appeal, the proposed settlement is fair,
18 reasonable and adequate, and should be finally approved.

19
20 4. Procedural status of the settlement - In accordance with the Preliminary Approval Order
21 dated October 10, 2025 ("Preliminary Approval Order"), the approved Class Notice has been
22 disseminated to the Class. The reaction of the Class unequivocally supports approval of the Settlement.
23 On November 10, 2025, the Administrator mailed the Court-approved Class Notice to the Class
24 Members, which provided each class member with the terms of the Settlement, including notice of the
25 claims at issue and the financial terms of the settlement, including the attorneys' fees, costs, and service
26 award that were being sought, how individual settlement awards would be calculated, and the specific,

27
28 ¹ The PAGA claim in this Action was initiated prior to June 2024, and therefore the prior version
of Labor Code ¶2699 applies to the 75/25 allocation.

1 estimated payment amount to that individual. Tran Decl. ¶ 7, Exh. A. In disseminating the notice, the
2 Administrator followed the notice procedures authorized by the Court in its Preliminary Approval Order.
3 Significantly, there have been **no objections and only no request for exclusion**. Tran Decl. ¶¶ 11-12.
4 As such, the entire Class (100%) will participate in the Settlement and will be sent a settlement check.
5 See Tran Decl. at ¶¶ 14, 17.

6
7 5. Description of Plaintiffs' claims - The Action generally alleges that Plaintiffs and other
8 Class Members were not properly paid all overtime wages for hours worked and at the correct rate of pay,
9 were not provided meal and rest periods or paid premiums at the correct rate of pay in lieu thereof, were
10 not timely paid earned wages, were not provided reimbursement for required expenses, were not paid
11 accrued and used sick pay at the correct rate of pay, were not provided accurate itemized wage statements,
12 were not provide all wages when due, and that Defendant did not properly maintain accurate records. The
13 Action seeks unpaid wages, penalties, attorney fees, litigation costs, and any other equitable or legal relief
14 allegedly due and owing to Plaintiffs and the other Class Members by virtue of the foregoing claims.

15
16 6. Procedural History of the Litigation

17 (a) On December 19, 2023, Plaintiff Rugama-Hernandez filed with the LWDA and served on
18 Defendant a notice under Labor Code section 2699.3 identifying the alleged Labor Code violations to
19 recover civil penalties on behalf of Aggrieved Employees for various Labor Code violations. The PAGA
20 Notice specifically alleged violations of Labor Code §§ 201, 202, 203, 204 et seq., 210, 218, 221, 226(a),
21 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of
22 Regulations, Title 8, Section 11040, Subdivision 5(A)-(B),, California Code of Regulations, Title 8,
23 Section 1 1070(14) (Failure to Provide Seating), and violation of the applicable Wage Order(s).

24 (b) On March 28, 2024, Plaintiff Rugama-Hernandez commenced this Action by filing a Class
25 Action Complaint against Defendant in the Superior Court of the State of California, County of Los
26 Angeles. This Class Action Complaint asserted class claims against Defendant for: (1) unfair competition
27 in violation of Cal. Bus & Prof. Code §§ 17200, et seq.; (2) failure to to pay minimum wages in violation
28 of California Labor Code §§ 1194, 1197, and 1197.1; (3) failure to pay overtime wages in violation of

1 California Labor Code §§ 510, 1194 & 1198; (4) failure to provide required meal periods in violation of
2 Cal. Labor Code §§ 226.7 and 512; (5) failure to provide required rest periods in violation of Cal. Labor
3 Code §§ 226.7 and 512; (6) failure to provide accurate itemized wage statements in violation of California
4 Labor Code §§ 226.7 and 512; (7) failure to to reimburse employees for required expenses in violation
5 of California Labor Code § 2802; (8) failure to provide wages when due in violation of California Labor
6 Code §§ 201, 202 and 203; and, (9) failure to pay sick pay wages in violation of California Labor Code
7 §§ 201-204, 233, 246. On March 20, 2024, Plaintiff Rugama-Hernandez filed a separate Representative
8 Action Complaint against Defendant in the Superior Court of the State of California, County of Alameda
9 (the "PAGA Action"). Plaintiff Rugama-Hernandez's Representative Action Complaint asserted one cause
10 of action against Defendant for Civil Penalties Pursuant to Labor Code §§ 2699, et seq. for violations of
11 Labor Code §§ 201, 202, 203, 204, et seq., 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512,
12 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040,
13 Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to Provide
14 Seating) and the applicable Wage Order(s).².

15 (c) On May 29, 2025, Plaintiffs filed a First Amended Class and Representative Action Complaint
16 in this Action adding all claims and parties originally filed in the Santiago Class Action, Santiago LWDA
17 letter dated December 6, 2024, and Rugama-Hernandez PAGA Action. . The First Amended Class and
18 Representative Action Complaint is the operative complaint in the Action (the "Operative Complaint").

19 (d) Over the course of litigation, the Parties engaged in the investigation of the claims, including
20 informal discovery, and the production of hundreds of pages of documents, class data, and other
21 information, allowing for the full and complete analysis of liabilities and defenses to the claims in the
22 Action. The information for mediation obtained by Plaintiffs included: (1) data concerning the class; (2)
23 payroll data and time punch data for the class covering 129 employees, 31,120 shifts worked and 6,326
24 workweeks; (3) Defendant's wage and hour policies; (4) the employment file for the Plaintiffs; and, (5)
25 samples of wage statements provided by Defendant. As such, Class Counsel received the data and
26 information for the Class, which was sufficient for Plaintiffs' expert to prepare the valuations of the

27
28 ² After the Operative Complaint is filed, the Santiago Class Action and the Rugama-Hernandez
PAGA Action will be dismissed without prejudice.

1 claims for the Class.

2 (e) Class Counsel has extensive experience in litigating wage and hour class actions in California.
3 The Parties have intelligently litigated the Action since inception. During the course of litigation, the
4 Parties each performed analysis of the merits and value of the claims. Plaintiffs and Defendant have
5 engaged in significant research and investigation in connection with the Action. Plaintiffs obtained
6 informal discovery and the production of relevant documents and data from the Defendant. Class
7 Counsel has thoroughly analyzed the value of the claims during the prosecution of this Action and utilized
8 an expert to perform an analysis of the data and valuation of the claims.

9 (f) Plaintiffs and Defendant agreed to discuss resolution of the Action through a mediation. Prior
10 to mediation, the Parties engaged in the above investigation and the exchange of documents and
11 information in connection with the Action. On January 24, 2025, the Parties participated in an all-day
12 mediation presided over by Tagore Subramaniam, a respected mediator of wage and hour representative
13 and class actions. Following the mediation, each side, represented by its respective counsel, were able
14 to agree to settle the Action based upon a mediator's proposal which was memorialized in a memorandum
15 of understanding. The Parties then negotiated the final terms of the settlement as set forth in the
16 Agreement. At all times, the negotiations were arm's length and contentious

17 (g) Although a settlement has been reached, Defendant denies any liability or wrongdoing of any
18 kind associated with the claims alleged in the Action and further denies that, for any purpose other than
19 settlement, the Action is appropriate for class and/or representative treatment. Defendant contends,
20 among other things, that it has complied at all times with the California Labor Code, applicable Wage
21 Order, and all other laws and regulations. Further, Defendant contends that class certification is
22 inappropriate for any reason other than for settlement. Plaintiffs contend that Defendant violated
23 California wage and hour laws. Plaintiffs further contend that the Action is appropriate for class
24 certification on the basis that the claims meet the requisites for class certification. Without admitting that
25 class certification is proper, Defendant has stipulated that the above Class may be certified for settlement
26 purposes only. (Agreement at ¶ 2.8). The Parties agree that certification for settlement purposes is not
27 an admission that class certification is proper. Further, the Agreement is not admissible in this or any
28 other proceeding as evidence that the Class could be certified absent a settlement. Solely for purposes

1 of settling the Action, the Parties stipulate and agree that the requisites for establishing class certification
2 with respect to the Class are satisfied..

3 (h) Class Counsel has conducted an investigation into the facts of the class action. Informal
4 discovery was obtained, which included the production of hundreds of pages of documents. Class
5 Counsel engaged in a thorough review and analysis of the relevant documents and data with the assistance
6 of an expert. Accordingly, the agreement to settle did not occur until Class Counsel possessed sufficient
7 information to make an informed judgment regarding the likelihood of success on the merits and the
8 results that could be obtained through further litigation. In addition, Class Counsel previously negotiated
9 settlements with other employers in actions involving nearly identical issues and analogous defenses.
10 Based on the foregoing data and their own independent investigation, evaluation and experience, Class
11 Counsel believes that the settlement with Defendant on the terms set forth in the Agreement is fair,
12 reasonable, and adequate and is in the best interest of the Class in light of all known facts and
13 circumstances, including the risk of significant delay, defenses asserted by Defendant, and potential
14 appellate issues.

15
16 7. History of Settlement Discussions

17 (a) This settlement is the result of extensive and hard-fought litigation as well as negotiations
18 before an experienced and well-respected mediator. Defendant has expressly denied and continues to deny
19 any wrongdoing or legal liability arising out of the conduct alleged in the Action. Plaintiffs and Class
20 Counsel have determined that it is desirable and beneficial to the Class to resolve the Released Class
21 Claims of the Class and the Released PAGA Claims as to the Aggrieved Employees in accordance with
22 this Settlement, based upon the experience of Class Counsel who has previously litigated similar claims
23 against other employers.

24 (b) The Parties attended an arms-length mediation session with Tagore Subramaniam, Esq., a
25 respected and experienced mediator of wage and hour class actions, in order to reach this Settlement. In
26 preparation for the mediation, Defendant provided Plaintiffs and Class Counsel with payroll and
27 employment data and other information regarding the Class Members, various internal documents, and
28 other compensation and employment-related materials. Class Counsel analyzed the data with the

1 assistance of damages expert Berger Consulting and prepared and submitted a mediation brief to the
2 mediator. Following the all-day mediation session, with after arms' length negotiations both during and
3 after the mediation, the Parties agreed to this Settlement based upon a mediator's proposal.

4 (c) From February 2025 to July 2025, the settlement agreement and exhibits thereto were
5 finalized and executed. On September 25, 2025, the Court granted Plaintiff's motion for preliminary
6 approval, and on October 10, 2025, the Court entered the Preliminary Approval Order preliminarily
7 finding the settlement to be fair, adequate, and reasonable to the Class.

8 (d) Plaintiffs and Class Counsel believe that this settlement is fair, reasonable and adequate. In
9 my judgment as experienced Class Counsel, this Settlement should be finally approved.

10

11 8. The outcome of this case would have been uncertain and fraught with risks.

12 (a) Here, a number of defenses asserted by Defendant present serious threats to the claims of the
13 Plaintiffs and the other Class Members. Defendant asserted that Defendant's practices complied with all
14 applicable Labor laws. Defendant argued that Class Members were paid for all time worked and that all
15 work time was properly recorded and compensation for that time was correctly compensated. Defendant
16 contends that its meal and rest period policies fully complied with California law and Defendant did not
17 fail to provide the opportunity for legally required meal and rest breaks. Defendant could argue that the
18 payment of meal period premiums is evidence of its lawful practices. Defendant contends that there was
19 no failure to pay for business expenses and any cell phone usage was merely convenient and voluntary
20 such that reimbursement was not legally required. Finally, Defendant could argue that the Supreme Court
21 decision in *Brinker v. Superior Court*, 53 Cal. 4th 1004 (2012), weakened Plaintiffs' claims, on liability,
22 value, and class certifiability as to the meal and rest period claims. Defendant also argues that based on
23 their facially lawful practices, Defendant acted in good faith and without willfulness, which if accepted
24 would negate the claims for waiting time penalties and/or inaccurate wage statements. See e.g. *Naranjo*
25 *v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (May 6, 2024) ("if an employer reasonably and in
26 good faith believed it was providing a complete and accurate wage statement in compliance with the
27 requirements of section 226, then it has not knowingly and intentionally failed to comply with the wage
28 statement law.") Defendant's defenses could eliminate or substantially reduce any recovery to the Class.

1 While Plaintiffs believe that these defenses could be overcome, Defendant maintains these defenses have
2 merit and therefore present a serious risk to recovery by the Class.

3 (b) There was also a significant risk that, if the Action was not settled, Plaintiffs would be unable
4 to obtain a certified class and maintain the certified class through trial, and thereby not recover on behalf
5 of any employees other than themselves. At the time of the mediation, Defendant forcefully opposed the
6 propriety of class certification, arguing that individual issues precluded class certification. Further, as
7 demonstrated by the California Supreme Court decision in *Duran v. U.S. Bank National Assn.*, 59 Cal.4th
8 1 (2014), there are significant hurdles to overcome for a class-wide recovery even where the class has
9 been certified. While other cases have approved class certification in wage and hour claims, class
10 certification in this action was hotly disputed and the maintenance of a certified class through trial was
11 by no means a foregone conclusion.

12 (c) As demonstrated by the decision in *Duran*, the complexities and duration of further litigation
13 cannot be overstated. There is little doubt that Defendant would post a bond and appeal in the event of
14 an adverse judgment. A post-judgment appeal by Defendant would have required many more years to
15 resolve, assuming the judgment was affirmed. If the judgment was not affirmed in total, then the case
16 could have dragged on for years after the appeal. The benefits of a guaranteed recovery today outweigh
17 an uncertain result three or more years in the future. Plaintiffs and Class Counsel recognize the expense
18 and length of a trial against Defendant through possible appeals which could take at least another two or
19 three years. Class Counsel also have taken into account the uncertain outcome, the risk of litigation,
20 especially in complex actions such as this one. Class Counsel are also mindful of and recognize the
21 inherent problems of proof under, and alleged defenses to, the claims asserted in the Action. Moreover,
22 post-trial motions and appeals would have been inevitable. Costs would have mounted and recovery
23 would have been delayed if not denied, thereby reducing the benefits of an ultimate victory. The
24 Settlement confers substantial benefits upon the Class. Based upon their evaluation, Plaintiffs and Class
25 Counsel have determined that the Settlement set forth in the Agreement is in the best interest of the Class.

26 (d) The Settlement in this case is fair, reasonable and adequate considering Defendant's
27 defenses to Plaintiffs' claims. As set forth in the Declaration of Nordrehaug in support of preliminary
28 approval which discussed the value of the class claims in detail, the Gross Settlement Amount compares

1 favorably to the value of the claims. Based upon 549 Participating Class Members who collectively
2 worked an estimated 41,122 Workweeks, the Gross Settlement Amount provides an average value of
3 \$1,775 per Class Member and \$23.70 per workweek and, after deductions, the Net Settlement Amount
4 provides an average recovery of \$1,048.28 per Class Member and a recovery of \$13.99 per workweek.
5 The calculations to compensate for the amount due for the Class at the time of the mediation were
6 calculated by Berger Consulting, Plaintiffs' damage expert. As to the Class whose claims are at issue in
7 this Action, Plaintiffs used the expert to analyze the data and determine the potential unpaid wages for
8 the employees. The maximum potential damages were calculated to be \$1,330,418 for the alleged unpaid
9 wages due to off-the-clock work at 1 hour per week, \$5,039 for the alleged underpaid overtime due to
10 the alleged miscalculation of the regular rate, \$1,410 for the alleged underpaid sick pay due to the alleged
11 miscalculation of the regular rate, \$3,500,630 for alleged meal period damages based upon a 54%
12 potential violation rate for shifts observed in the time records and after deduction of meal premiums paid
13 by Defendant, and \$3,504,302 for alleged rest period damages based upon the same 23.1% potential
14 violation rate observed for meal breaks, \$247,318 for alleged unreimbursed business expenses for
15 personal cell phone usage at \$5 per month. As a result, the total damage valuation was calculated that
16 Defendant was subject to a maximum damage claim in the amount of \$8,589,119. As to potential
17 penalties, Plaintiffs calculated that potential waiting time penalties were a maximum of \$3,563,715, and
18 potential maximum wage statement penalties were \$1,740,000.³ Defendant vigorously disputed Plaintiffs'
19 calculations and exposure theories. Consequently, the Gross Settlement Amount of \$975,000 represents
20 more than 11% of the maximum value of the alleged damages at issue in this case at the time this
21 Settlement was negotiated.⁴ The mediation valuation set forth above likely overvalued the claims by at
22

23 ³ While Plaintiffs alleged claims for statutory penalties pursuant to Labor Code Sections 203 and
24 226, at mediation these claims are subject to additional, separate defenses asserted by Defendant,
25 including, a good faith dispute defense as to whether any wages were owed given Defendant's position
26 that Plaintiffs and Class Members were properly compensated. *See Nordstrom Commission Cases*, 186
Cal.App.4th 576, 584 (2010) ("There is no willful failure to pay wages if the employer and employee
have a good faith dispute as to whether and when the wages were due.").

27 ⁴ Because the PAGA claim is not a class claim and primarily is paid to the State of California,
28 Plaintiffs did not include the PAGA claim in this discussion of the value of the class claims. The
PAGA claim was addressed in the Declaration of Kyle Nordrehaug at ¶33 filed in support of Plaintiffs'

1 least 20% because the valuation used 49,761 workweeks, when in fact the actual workweeks were more
2 than 20% less. Importantly, the recent decision that good faith belief of compliance by the employer in
3 *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal.5th 1056, 1065 (2024), could completely negate the claims
4 for waiting time and wage statement penalties, even if wages were owed to the Class. The above
5 maximum calculations should then be adjusted in consideration for both the risk of class certification and
6 the risk of establishing class-wide liability on all claims. Given the amount of the settlement as compared
7 to the potential value of claims in this case and the defenses asserted by Defendant, this settlement is fair
8 and reasonable.⁵ Clearly, the goal of this litigation has been met.

9 (e) In sum, the Settlement is a fair and reasonable result, and provides the Class with a significant
10 recovery, particularly when viewed in light of the fact that the Defendant asserted serious and substantial
11 defenses both to liability and to class certification. The maximum and average class member allocation
12 (in addition to their Individual PAGA Payment) are \$3,652.74 and \$1,048.29, respectively. *See* Tran Decl.
13 at ¶17. Given the complexities of this case, the defenses, along with the uncertainties of proof and appeal,
14 the proposed Settlement is fair, reasonable and adequate, and should be finally approved.

15 (f) It is impossible to predict with certainty whether, under the facts of this case, Plaintiffs would
16 prevail against the Defendant's factual and legal defenses. While Plaintiffs and Class Counsel believe in
17 the merits of the claims, Defendant have asserted real and substantial defenses to these claims and to class
18 certification. Settlement in this case clearly benefits the Class when measuring the strengths of Plaintiffs'
19 case and the risk of establishing class wide liability and damages.

1 **ATTORNEYS' FEES, LITIGATION EXPENSES AND SERVICE AWARD**

2 9. The Agreement For The Payment of Fees and Expenses Is Appropriate And Should Be
3 Enforced

4 (a) Class Counsel successfully negotiated a class action settlement which provides for a common
5 fund settlement to be paid by Defendant to the Class in the amount of Nine Hundred Seventy-Five
6 Thousand Dollars (\$975,000). (Agreement at ¶¶ 1.22 and 3.1.) As part of the settlement, the parties
7 agreed to an award of attorneys' fees equal to one-third (1/3) of the Gross Settlement Amount as the Class
8 Counsel Fees Payment. (Agreement at ¶ 3.2(b).) By this motion, Class Counsel respectfully requests
9 approval of the Class Counsel Fees Payment in an amount equal to one-third of the Gross Settlement
10 Amount.

11 (b) In the class action context, that means "attempting to award the fee that informed private
12 bargaining, if it were truly possible, might have reached." Here, informed arms-length bargaining between
13 experienced counsel and Defendant resulted in Defendant negotiating the fee award to one-third of the
14 Gross Settlement Amount. Such bargaining is obviously the best measure of the market for fees.
15 Moreover, fee awards in common fund settlements as this one have resulted in a percentage of fees in an
16 equivalent percentage to the sum sought by Class Counsel herein, further reflecting the accurate market
17 value of the award requested.

18 (c) The requested fee award, agreed to by the parties as part of the Settlement, should be
19 approved. The requested fee award was bargained for during arms' length adversarial bargaining by
20 counsel for each of the parties as part of the Settlement.

21 10. The Class Counsel Fee Award Is Properly Calculated as a Percentage of the Total Value
22 Created for the Benefit of the Class

23 (a) As part of the settlement, the Parties agreed to an award of attorneys' fees equal to one-third
24 of the Gross Settlement Amount of \$975,000, which equals \$325,000 for attorneys' fees. As part of the
25 Agreement, Defendant also agreed that Class Counsel will also be paid reasonable litigations expenses
26 incurred as per Class Counsel's billing statement in an amount not to exceed \$30,000. Finally, Defendant
27 also agreed that Plaintiffs can be awarded Class Representative Service Payments in the amount of \$7,500
28 each (reduced from \$15,000 each by the Court at preliminary approval) as their service awards under the

1 Agreement.

2 (b) In defining a reasonable fee, the Court should mimic the marketplace for cases involving a
3 significant contingent risk such as this one. Our legal system places unique reliance on private litigants
4 to enforce substantive provisions of employment law through class actions. Therefore, attorneys providing
5 these substantial benefits should be paid an award equal to the amount negotiated in private bargaining
6 that takes place in the legal market place.

7 (c) There is a substantial difference between the risk assumed by attorneys being paid by the hour
8 and attorneys working on a contingent fee basis. The attorney being paid by the hour can go to the bank
9 with his fee. The attorney working on a contingent basis can only log hours while working without pay
10 towards a result that will hopefully entitle him to a marketplace contingent fee taking into account the risk
11 and other factors of the undertaking. Otherwise, the contingent fee attorney receives nothing. In this case,
12 the nature of the fee was wholly contingent. Class Counsel subjected themselves to this contingent fee
13 market risk in this all or nothing contingent fee case wherein the necessity and financial burden of private
14 enforcement makes the requested award appropriate. This case was litigated on a contingent basis for over
15 one year, with all of the risk factors inherent in such an uncertain undertaking. Indeed, I am aware of other
16 similar cases where the court dismissed the class allegations or denied class certification. Under such
17 circumstances, courts have held that a risk multiplier must be applied to the fee award.

18 (d) Here, the contingent nature of the fee award, both from the point of view of eventual
19 settlement and the point of view of establishing eligibility for an award, also warrant the requested fee
20 award. A number of difficult issues, the adverse resolution of any one of which could have doomed the
21 successful prosecution of the action, were present here. Attorneys' fees in this case were not only
22 contingent but risky, with a very real chance that Class Counsel would receive nothing at all for their
23 efforts, having devoted time and advanced costs. Class Counsel has previously invested in cases which
24 resulted in no recovery, and here Class Counsel is recovering a fee award that comparable to the
25 multiplier approved in other cases.

26 (e) At the time this case was brought, the result was far from certain as discussed above at
27 paragraphs 8(a) and 8(b).

28 (f) The Settlement was possible because Defendant recognized the risks that Plaintiffs could

1 potentially prevail on any or all of the contested issues regarding liability, and obtain class certification.
2 In successfully navigating these hurdles Class Counsel displayed the necessary skills in both wage and
3 hour and class action litigation. The high quality of the Class Counsel's work in this case was mandated
4 by the vigorous defense presented by counsel for Defendant. Over the last years of litigation, Class
5 Counsel was required to invest substantial time and resources in investigation, litigation, the
6 determination of potential damages and communicating with and responding to opposing counsel's and
7 class members' requests and inquiries.

8 (g) To represent the Class on a contingent fee basis, Class Counsel also had to forego
9 compensable hourly work on other cases to devote the necessary time and resources to this contingent
10 case. In so doing, Class Counsel gave up the hourly work that a firm can bank on for the risky contingent
11 fee work in this case which could potentially have paid nothing.

12 (h) Class Counsel were required to advance all costs in this litigation. Especially in this type of
13 litigation where the corporate defendant and their attorneys are well funded, this can prove to be very
14 expensive and risky. Accordingly, because the risk of advancing costs in this type of litigation can be
15 significant, it is therefore cost prohibitive to many attorneys. The financial burdens undertaken by
16 Plaintiffs and Class Counsel in prosecuting this action on behalf of the Class were very substantial. Class
17 Counsel has previously litigated cases and advanced costs, but received no recovery. To date, Class
18 Counsel advanced more than \$22,000 in costs which could not have been recovered if this case had been
19 lost. Plaintiffs also undertook the risk of liability for Defendant's costs had this case not succeeded, as
20 well as other potential negative financial ramifications from having sued Defendant on behalf of the
21 Class. Accordingly, the contingent nature of the fee and the financial burdens on Class Counsel and on
22 Plaintiffs also support the requested awards.

23 (i) In a common fund settlement "[t]he lodestar method is merely a cross-check on the
24 reasonableness of a percentage figure." *Vizcaino v. Microsoft Corp.*, 290 F.3d 1043, 1050, n.5 (9th Cir.
25 2002). In this case, the reasonableness of the requested attorneys' fee of one-third equal to \$325,000 is
26 also established by reference to Class Counsel's lodestar in this matter. **The contemporaneous billing**
27 **records for Class Counsel evidence that through January 29, 2026, Class Counsel's total lodestar**
28 **is \$232,475.00, with significant additional fees still to be incurred to complete final approval and**

1 **the settlement process.** (Exhibit #3 [lodestar of \$137,500.00]; see also Declaration of James Clark at
2 ¶ 17 [lodestar of \$94,975].) The requested fee award is therefore currently equivalent to Class Counsel's
3 total lodestar with a reasonable multiplier cross-check of less than 1.4, and there will be additional
4 lodestar incurred by Class Counsel to complete the settlement process and manage the settlement
5 distribution and reports. As evidenced by the billing, Class Counsel's work was efficiently performed and
6 highly successful, and Class Counsel should not be punished for efficient and successful litigation. As
7 a result, this Court may conclude that the requested award is fair and reasonable and is justified under
8 California law.

9 (j) Counsel retained on a contingency fee basis, whether in private matters or in representative
10 litigation of this sort, is entitled to a premium beyond his standard, hourly, non-contingent fee schedule
11 in order to compensate for both the risks and the delay in payment for the simple fact that despite the most
12 vigorous and competent of efforts, success is never guaranteed. This is particularly true here where Class
13 Counsel has prosecuted this case on a contingency basis for a year. Indeed, if counsel is not adequately
14 compensated for the risks inherent in difficult class actions, competent attorneys will be discouraged from
15 prosecuting similar cases.

14 County Superior Court Case No. 22CV408939), Judge Theodore Zayner approved a one-third fee award
15 in a wage and hour class settlement. A fee award equal to one-third of the common fund is therefore
16 reasonable in light of the fees that have been awarded in other similar cases.

17 12. **The contemporaneous billing records for Class Counsel evidence that through**
18 **January 29, 2026, Class Counsel's total combined lodestar is \$232,475.00, with significant**
19 **additional fees still to be incurred to complete final approval and the settlement process.** From
20 December 2023 to January 29, 2026, my firm worked on this matter for over 189 hours, with hourly rates
21 for attorneys ranging from \$450 to \$995, resulting in a total incurred lodestar for my firm in the amount
22 of \$137,500.00. The requested fee award is therefore currently equivalent to Class Counsel's total
23 lodestar with a reasonable multiplier cross-check of less than 1.4, and there will be additional lodestar
24 incurred by Class Counsel to complete the settlement process and manage the settlement distribution and
25 reports. A true and correct copy of my firm's billing statement for this matter providing a detailed
26 breakdown of the total fees and the services performed by the firm on this case is attached hereto as
27 Exhibit #3. In addition, Class Counsel will be performing significant additional work that is not included
28 in this lodestar amount, including finalizing the final approval motion, attending the hearing on final

1 approval, and monitoring completion of the settlement process. I expect this additional work will result
2 in \$15,00 to \$20,000 in additional lodestar for my firm. The rates charged by my firm are in line with the
3 prevailing rates of attorneys in the local legal community for similar work and, if this were a commercial
4 matter, these are the charges that would be made and presented to the client. My firm's hourly rates are
5 based upon the Laffey Matrix with the appropriate 2% increase adjustment for Southern California. A
6 true and correct copy of the current Laffey Matrix is attached hereto as Exhibit # 4. These hourly rates
7 have been approved by Court's throughout California, including the Courts in the Superior Court of
8 California. In fact, on August 1, 2018, District Judge Andre Birotte Jr. explicitly found that Class
9 Counsel's "rates generally appear reasonable and 'in line with those prevailing in the [relevant]
10 community'—the Central District of California". Finally, the reasonableness of Class Counsel's hourly
11 rates is further confirmed by comparing such rates with the rates of comparable counsel practicing
12 complex and class litigation as detailed in the National Law Journal Billing Survey. *See e.g. Zest IP*
13 *Holdings, LLC v. Implant Direct MFG., LLC*, 2014 U.S. Dist. LEXIS 167563 (S.D. Cal. 2014) (finding
14 that "Mayer Brown's \$775 average billing rate for partners" and "Mayer Brown's \$543 average associate
15 billing rate" are reasonable rates when compared within 21 other firms practicing in the Southern District
16 of California.) This survey is useful to show that Class Counsel's rates are in line with the comparable
17 rates of the defense counsel that opposes these types of class claims, such as Mayer Brown noted above
18 who is defense counsel in cases currently being prosecuted by Class Counsel. In another example,
19 Sheppard Mullin Richter & Hampton, who is opposing counsel in many cases prosecuted by Class
20 Counsel, charges rates as high as \$875 for partners and \$535 for associates. Similarly, Paul Hastings,
21 another opposing counsel in these types of cases, charges between \$900 and \$750 for partners and \$755
22 and \$335 for associates. Thus, the rates charged by Class Counsel for comparable work are less than
23 these examples, and are therefore undoubtedly reasonable. Therefore, the requested fee award as a
24 percentage of the fund is supported by the currently lodestar incurred with a reasonable multiplier which
25 will be even less by the completion of the settlement. This is comparable to the multipliers approved in
26 other cases. The requested award is therefore reasonable viewed by the Lodestar/Multiplier cross-check.

27
28 13. Litigation Expenses: The Agreement provides at paragraph 3.2(b), that Class Counsel may

1 seek a "Class Counsel Litigation Expenses Payment of not more than \$30,000." Class Counsel requests
2 reimbursement for incurred litigation expenses and costs in the amount of \$22,915.90 based upon
3 counsel's billing records, which is less than the "not to exceed" amount. These litigation expenses include
4 filing fees, mediation expenses, expert expenses (Berger Consulting), attorney service charges (OneLegal,
5 Knox), and CaseAnywhere charges, all of which are costs normally billed to the client.⁶ The details of
6 the litigation expenses incurred are set forth in Exhibit #3 hereto [expenses of \$20,645.61]. See also
7 Declaration of James Clark at ¶27 [expenses of \$2,270.29]. The expenses incurred by my firm were
8 reasonably incurred in the prosecution of the Action.

9
10 Service Awards

11 14. For their service as the only class representatives, Plaintiffs should be awarded the agreed
12 service awards of \$7,500 each (reduced from \$15,000 each by the Court at preliminary approval), in
13 accordance with the Agreement for their time, risk and effort expended on behalf of the Class as the class
14 representatives. (Agreement at ¶ 3.2(a).) Defendant has agreed to these payments and there have been no
15 objections to the requested service awards. Plaintiffs' Declarations are submitted in support of this request
16 and are attached hereto as Exhibits #5-6. As the representatives of the Class, Plaintiffs performed their
17 duties to the Class admirably and without exception. Plaintiffs worked extensively with Class Counsel
18 during the course of the litigation, responding to numerous requests, searching for documents, working
19 with counsel, and reviewing the settlement documentation. As set forth in the Agreement, Plaintiffs are
20 also providing a comprehensive release as part of the Settlement, far beyond the class release. Plaintiffs'
21 Declarations detail the involvement, stress and risks they undertook as a result of this Action. Plaintiffs
22 also assumed the serious risk that they might possibly be liable for costs and fees to Defendant, as well
23 as the reputational risk of being "blacklisted" by other future employers for having filed a class action on
24 behalf of fellow former employees. Without the Plaintiffs' participation, cooperation and information,

25
26 ⁶ Nontaxable costs are properly awarded where authorized by the parties' agreement. *Stetson*, 821

1 no other employees would be receiving any benefit. The payment of service awards to successful class
2 representatives is appropriate and the amount of \$7,500 is well within the currently awarded range for

1 15. The requested service awards are also reasonable in light of the reputational risk that
2 Plaintiffs assumed in bringing this action against their former employer. Plaintiffs put their future
3 employment prospects at risk by becoming a class representative as the fact that she filed a lawsuit "is
4 searchable on the internet and may become known to prospective employers when evaluating" him for
5 employment. *Guippone v. BHS&B Holdings, LLC*, 2011 U.S., Dist. LEXIS 126026, *20 (S.D.N.Y. Oct.
6 28, 2011). Employers routinely screen employee candidates to determine whether they have ever filed
7 a suit against other employers, allowing them to screen out the litigious candidates. An entire industry
8 exists that allows employers to run extensive background searches on potential employees. Companies
9 who provide these services specifically highlight the fact that their services allows employers to weed out
10 litigious employment candidates. Reliable Plant outlines ways that employers can "get a sense of whether
11 a prospective employee is likely to sue" the employer, through background checks and other means, to
12 screen out these employees.⁷ Onicra Credit Rating Agency states: "Background screening has become a
13 necessity in today's litigious society." Back Track Screening also represents: "In today's litigious culture,
14 employers simply cannot afford to hire employees who will put their company at risk."⁸ PreciseHire also
15 offers employment screening and similarly warns "with today's business climate being extremely
16 competitive and highly litigious, conducting pre employment background checks has become a
17 necessity."⁹

18 16. As a result, Class Counsel respectfully requests approval of the application for award of
19 the Class Counsel Fees Payment equal to one-third (1/3) of the common fund, an award of litigation
20 expenses in the amount of \$22,915.90, and approval of the requested service awards to the Plaintiffs.

21 17. In accordance with California Rules of Court, rule 3.769, I make the following disclosure.
22 The Class Counsel Fees Payment awarded shall be allocated to class counsel as follows: 75% to
23 Blumenthal Nordrehaug Bhowmik De Blouw LLP and 25% to Lavi & Ebrahimian, LLP

REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);

Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);

Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under *Aerojet-General*. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was

no additional standing rules for PAGA claim brought by independent contractor); In re Tobacco Cases II, 41 Cal. 4th 1257 (2007); Washington Mutual Bank v. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

The face of each check shall prominently state the "void date", which is one hundred eight (180) days after the date of mailing, when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Class Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients' mailing addresses using the National Change of Address Database. If a Participating Class Member's or Aggrieved Employee's check is not cashed within one hundred twenty (120) days after its last mailing to the affected individual, the Administrator will also send the individual a notice informing him or her that unless the check is cashed by the void date, it will expire and become non-negotiable and offer to replace the check if it was lost or misplaced but not cashed.
- 5.3. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within seven (7) days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
- 5.4. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed

Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

5.5. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

6. **RELEASE OF CLAIMS.** Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiffs, Participating Class Members, Aggrieved Employees and the LWDA will release claims against all Released Parties as follows:

6.1. Plaintiff Rugama-Hernandez's Release. Plaintiff Rugama-Hernandez and his respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences that occurred during the Class Period, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on the facts contained in the Operative Complaint, Plaintiffs' PAGA Notice ("Plaintiff Rugama-Hernandez's Release"). Plaintiff Rugama-Hernandez's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, or workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff Rugama-Hernandez acknowledges that he may discover facts or law different from, or in addition to, the facts or law that Plaintiff Rugama-Hernandez now knows or believes to be true but agrees, nonetheless, that Plaintiff Rugama-Hernandez's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or discovery of them.

(a) Plaintiff Rugama-Hernandez's Waiver of Rights Under Civil Code Section 1542. Plaintiff Rugama-Hernandez expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

(b) Plaintiff Santiago's Release. Plaintiff Santiago and his respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns, release and discharge Released Parties from (a) all claims during the Class Period that were, or reasonably could have been, alleged, based on the facts contained

in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on the facts contained in the Operative Complaint, Plaintiffs' PAGA Notice ("Plaintiff Santiago's Release"). Plaintiff Santiago's Release does not extend to any claims or actions to enforce this Agreement. Plaintiff Santiago acknowledges that he may discover facts or law different from, or in addition to, the facts or law that Plaintiff Santiago now knows or believes to be true but agrees, nonetheless, that Plaintiff Santiago's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or discovery of them.

6.2. Release by Participating Class Members. All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims, as defined in paragraph 1.38 above.

6.3. Release of PAGA Claims. All Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims, as defined in paragraph 1.39 above.

7. **MOTION FOR PRELIMINARY APPROVAL**. The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's procedures and instructions.

7.1. Defendant's Responsibilities. Within fourteen (14) days of the full execution of this Agreement, Defendant will prepare and deliver to Class Counsel a signed Declaration disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator. In the Declaration, Defendant shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement, other than the Santiago action. Further, following the execution of this Agreement, but prior to Preliminary Approval, Defendant shall also confirm in writing the number of Class Members and the number of Workweeks for the Class during the Class Period.

7.2. Plaintiffs' Responsibilities. Plaintiffs will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members; and the nature and extent of any financial relationship with Plaintiffs, Class Counsel or Defense

Counsel; (v) a signed declaration from Plaintiffs confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (1)(1)), this Agreement (Labor Code section 2699, subd. (1)(2)); and (vi) all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator. In their Declarations, Plaintiffs and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement

- 7.3. Responsibilities of Counsel. The Parties are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than thirty (30) days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Plaintiffs are responsible for delivering the Court's Preliminary Approval to the Administrator.
- 7.4. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, the Parties will expeditiously work together by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, the Parties will expeditiously work together by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

8. SETTLEMENT ADMINISTRATION

- 8.1. Selection of Administrator. The Parties have jointly selected Apex Class Action, LLC to serve as the Administrator and verified that, as a condition of appointment, Apex Class Action, LLC agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Administrator's duties will include preparing, printing, and mailing the Class Notice Packet to all Class Members; conducting a National Change of Address search to update Class Member addresses before mailing the Class Notice Packets; re-mailing Class Notice Packets that are returned to the Class Member's new address; setting up a toll-free telephone number and email and a fax number to receive communications from Class Members; receiving and reviewing for validity completed Requests for Exclusion; providing the Parties with weekly status reports about the delivery of Class Notice Packets and receipt of Requests for Exclusion, objections and disputes; calculating Individual Class Payments and Individual PAGA Payments; issuing the checks to effectuate the payments due under the Settlement; issuing the tax reports required under this Settlement; and otherwise administering the Settlement pursuant to this Agreement. The Parties and their Counsel represent that they have no interest or relationship,

financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

8.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

8.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund (“QSF”) under US Treasury Regulation section 468B-1.

8.4. Notice to Class Members.

- (a) No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and PAGA Pay Periods in the Class Data.
- (b) Using best efforts to perform as soon as possible, and in no event later than fourteen (14) days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- (c) Not later than seven (7) days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.
- (d) The deadlines for Class Members’ written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional fourteen (14) days beyond the Response Deadline provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- (e) If the Administrator, the Parties, Defense Counsel or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet

and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than fourteen (14) days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

8.5. Requests for Exclusion (Opt-Outs).

- (a) Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.
- (b) The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- (c) Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraph 6.2 of the Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- (d) Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted, and the objection will be void.

8.6. Challenges to Calculation of Workweeks. Each Class Member shall have until the Response Deadline (plus an additional fourteen [14] days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination as to the challenges

8.7. Objections to Settlement.

- (a) Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payments.
- (b) Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, or in addition to a written objection, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline (plus an additional fourteen [14] days for Class Members whose Class Notice was re-mailed).
- (c) Non-Participating Class Members have no right to object to any of the class action components of the Settlement. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted, and the objection will be void.

8.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- (a) Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payments, the Final Approval and the Judgment. The Administrator will also

maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

- (b) Request for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than seven (7) days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- (c) Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- (d) Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- (e) Administrator’s Declaration. Not later than seven (7) days before the date by which Plaintiffs are required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Plaintiffs are responsible for filing the Administrator’s declaration(s) in Court.
- (f) Final Report by Administrator. Within ten (10) days after the Administrator disburses all funds of the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At

least seven (7) days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Plaintiffs are responsible for filing the Administrator's declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least seven (7) days before any deadline for a second declaration, and Plaintiffs shall be responsible for filing the second declaration with the Court.

9. CLASS SIZE MODIFICATION AND ESCALATOR CLAUSE. Based on its records, Defendant provided figures as to the Class size as set forth in paragraph 4.1 above. In the event the released Workweeks is more than 10% greater than this amount (more than 43,618), Defendant may elect to either 1) purchase the additional Workweeks at a pro rata rate, or 2) cut off the Class Period as of the date that the 10% cushion is exhausted (date upon which 43,618 workweeks is reached).

10. DEFENDANT'S RIGHT TO WITHDRAW. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Administration Expenses incurred as of the date Defendant makes this election to withdraw. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven (7) days after the Administrator sends the final Exclusion List to Defense Counsel. Invalid Requests for Exclusion will have no effect on this threshold for an election.

11. MOTION FOR FINAL APPROVAL. Unless otherwise ordered by the Court, not later than sixteen (16) court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699(1), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiffs shall provide drafts of these documents to Defense Counsel not later than seven (7) days prior to filing the Motion for Final Approval. The Parties will expeditiously meet and confer and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

11.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as

necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement under C.C.P. section 664.6 solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

11.4. Waiver of the Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on an equal basis, any additional Administration Expenses reasonably incurred at the time of remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payments or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS

13.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly

disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiffs that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or Judgment pursuant to this Agreement, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiffs reserve the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

13.2. Confidentiality Prior to Preliminary Approval. The Parties separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. The Parties separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees have not and will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

13.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiffs and Defendant, respectively, to take all

appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

- 13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will first seek the assistance of the mediator and then the Court for resolution.
- 13.7. Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8. Tax Advice. Neither Plaintiffs, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 13.11. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 13.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 13.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and

no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than ninety (90) days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiffs shall destroy all paper and electronic versions of Class Data received from Defendant.

- 13.15. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 13.17. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

This Agreement may be executed in one or more counterparts by facsimile, electronically (i.e. DocuSign), or email which for purposes of this Agreement shall be accepted as an original. All executed counterparts and each of them will be deemed to be one and the same instrument if counsel for the Parties will exchange between themselves signed counterparts. EXHIBIT A

[NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND HEARING DATE FOR
FINAL COURT APPROVAL]

EXHIBIT “A”

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT
AND HEARING DATE FOR FINAL COURT APPROVAL**

***Rugama-Hernandez v. P & B Intermodal Services Limited Liability Company,
Superior Court of the State of California, County of Los Angeles, Case No. 24STCV07771***

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT
ACT. PLEASE READ THIS NOTICE CAREFULLY.**

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Defendant P & B Intermodal Services Limited Liability Company (“Defendant”) for alleged wage and hour violations. The Action was filed by Plaintiffs Enyllels Rugama-Hernandez and Edgar Santiago (“Plaintiffs”) and seeks payment of (1) wages and other relief on behalf of all individuals who were employed by Defendant in California and classified as a non-exempt employee at any time during the Class Period (March 29, 2020 through March 27, 2025) (“Class Members”), and (2) penalties and other relief on behalf of all individuals who were employed by Defendant in California and classified as a non-exempt employee at any time during the PAGA Period (December 19, 2022 through March 27, 2025) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments to Class Members, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be <<\$_____>> (less withholding), and your Individual PAGA Payment is estimated to <<be \$_____>>.** The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked <<_____>> workweeks** during the Class Period and **you worked <<_____>> pay periods** during the PAGA Period. If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Notice below.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have

carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs' attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment, and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant as described below in Section 4 below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment, however you will preserve your right to personally pursue Class Period wage claims against Defendant. If you are an Aggrieved Employee, you remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Class Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is ____.	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 7 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below) regardless of whether you submit a request for exclusion.
Participating Class	All Class Members who do not opt-out ("Participating Class

Members Can Object to the Class Settlement Written Objections Must be Submitted by the Response Deadline _____	Members”) can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiffs who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiffs reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. See Section 8 of this Notice.
You Can Participate in the _____ Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____ at _____ [a.m./p.m.], at the Los Angeles County Superior Court, Spring Street Courthouse, located at 312 North Spring Street, Los Angeles, CA 90012, in Department 14 before Judge _____. This hearing may change as explained below in Section 9. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 9 of this Notice
You Can Challenge the Calculation of Your Workweeks / Pay Periods Witten Challenges Must be Submitted by the Response Deadline (_____)	The amount of your Individual Class Payment depends on how many workweeks you worked at least one day during the Class Period. The amount of your share of your Individual PAGA Payment (if any) depends on how many pay periods you worked at least one day during the PAGA Period. The number of Class Period workweeks and number of PAGA Period pay periods you worked according to Defendant’s records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____. See Section 5 of this Notice

1. What is action about?

Plaintiffs were employees of Defendant. The Action accuses Defendant of violating California labor laws by failing to pay minimum wages, failing to pay overtime wages, failing to provide required meal periods and unpaid premiums, failing to provide required rest periods and unpaid premiums, failing to provide accurate itemized wage statements, failing to provide required expense reimbursement, failing to provide wages when due, failure to pay sick pay, and engaging in unfair competition. Plaintiffs also seeks civil penalties in a representative claim under the Private Attorneys General Act (“PAGA”).

Defendant strongly denies that it violated any laws or failed to pay any wages and further denies any liability whatsoever to Plaintiffs, the Class, or Aggrieved Employees. Defendant contends it complied with all applicable laws.

2. What does it mean that the action has settled?

The Court has made no determination whether Defendant or Plaintiffs are correct on the merits. In other words, the Court has not determined whether any laws have been violated, nor has it decided in favor of Plaintiffs or Defendant. In the meantime, Plaintiffs and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) with no decision or admission of who is right or wrong, rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written Class Action and PAGA Settlement Agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiffs and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims. Plaintiffs and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay an “all in” amount of Nine Hundred Seventy-Five Thousand Dollars and No Cents (\$975,000.00) (the “Gross Settlement Amount”) to fund the settlement of the Action. The Gross Settlement Amount includes all payments of Individual Class Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class Representative Service Payments, the Administration Expenses Payment, Individual PAGA Payments, and civil penalties under PAGA. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant. Defendant shall fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant’s share of payroll taxes, by transmitting the funds to the Administrator no later than 14 days after the Effective Date. The “Effective Date” means the date the Judgment is entered, unless there are objections or an appeal, in which case the Effective Date is the date the Judgment is final and no longer subject to appeal. Within 14 days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments to Participating Class Members.

Court Approved Deductions from Gross Settlement Amount. At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

- **Administration Expenses Payment.** Payment to the Administrator, estimated not to exceed \$9,900, for expenses, including expenses of notifying the Class Members of the Settlement, processing opt outs, and distributing settlement checks and tax forms.

- Attorneys' Fees and Costs. Payment to Class Counsel of reasonable attorneys' fees not to exceed one-third (1/3) of the Gross Settlement Amount, which presently equals \$325,000.00, and an additional amount to reimburse actual litigation costs incurred by the Plaintiffs not to exceed \$30,000.00. Class Counsel has been prosecuting the Action on behalf of Plaintiffs and the Class on a contingency fee basis (that is, without being paid any money to date) and has been paying all litigation costs and expenses. The amounts stated are what Class Counsel will be requesting and the final amounts to be paid will be decided at the Final Approval Hearing.
- Class Representative Service Payments. Class Representative Service Payments in an amount not more than \$15,000.00 each to the Plaintiffs as a service award, or such lesser amount as may be approved by the Court, to compensate them for services on behalf of the Class in initiating and prosecuting the Action, and for the risks they undertook. The amount stated is what Plaintiffs will be requesting and the final amount to be paid will be decided at the Final Approval Hearing.
- PAGA Penalties. A payment of \$20,000.00 relating to Plaintiffs' claim under PAGA, \$15,000.00 of which will be paid to the State of California's Labor and Workforce Development Agency ("LWDA"). The remaining \$5,000.00 will be distributed to the Aggrieved Employees as Individual PAGA Payments. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment. "PAGA Pay Period" means any Pay Period during which an Aggrieved Employee worked for Defendant for at least one day during the PAGA Period, which is December 19, 2022 through March 27, 2025.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Payments to Class Members. After all of the payments of the court-approved Attorneys' Fees and Costs, the Class Representative Service Payments, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, the "Net Settlement Amount", shall be distributed as Individual Class Payments to the Participating Class Members. The Net Settlement Amount is estimated to be at least \$_____. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. "Workweek" means any week during the Class Period in which a Class Member worked for Defendant as a Class Member for at least one day. The number of Workweeks will be based on Defendant's records; however, Class Members may challenge the number of Workweeks as explained below.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

Tax Matters. Twenty Percent (20%) of each Participating Class Member's Individual Class Payment is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on IRS Form W-2. Eighty Percent (80%) of each Participating Class Member's Individual Class Payment is in settlement of claims for non-wages, expense reimbursement, interest and penalties allegedly due to employees (collectively the "Non-Wage Portion"). The Non-Wage Portion shall not be subject to wage withholdings and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. Neither Class Counsel nor Defendant's Counsel intend anything contained in this Class Notice to constitute advice regarding taxes or taxability. The tax issues for each Participating Class Member are unique to him/her, and each Participating Class Member may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement and your receipt of the Individual Class Payment is conditioned upon the Court entering an order granting final approval of the Settlement and entering judgment.

The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

Need to Promptly Cash Payment Checks. The front of every check issued will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the individual who failed to cash their check.

Administrator. The Court has appointed a neutral company, Apex Class Action LLC (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.

4. What Do I Release Under the Settlement?

Released Class Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members, on behalf of themselves and their

respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims. The “Released Class Claims” are any and all claims that were alleged, or reasonably could have been alleged, based on the facts and/or theories alleged in the Operative Complaint filed in the Action, as amended, and/or PAGA Notice, as amended, which occurred during the Class Period during employment in a non-exempt position in California. The Released Class Claims are all claims that were alleged, or reasonably could have been alleged, based facts stated in the Operative Complaint which occurred during the Class Period during employment in a non-exempt position in California, including: (1) Unfair Competition in Violation of Cal. Bus. & Prof. Code Section 17200, *et seq.*; (2) Failure to Pay Minimum Wages; (3) Failure to Pay Overtime Wages; (4) Failure to Provide Meal periods; (5) Failure to Provide Rest Periods; (6) Failure to Provide Accurate Itemized Wage Statements; (7) Failure to Reimburse Employees for Necessary Expenses; (8) Failure to Provide Timely and final Wages; (9) Failure to Pay Sick Pay, as well as claims under California Labor Code Sections 201, 202, 203, 218, 218.5, 218.6, 221, 223, 226, 226.7, 233, 227.3, 246, 510, 512, 1194, 1194.2, 1197, 1197.1, 1198, and 2802, and applicable IWC Wage Order(s). Except as expressly set forth in the Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violations of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or Class claims based on facts occurring outside the Class Period.

This means that, if you do not timely and formally exclude yourself from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant and any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court’s orders in the Action will apply to you and legally bind you.

Released PAGA Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims. The “Released PAGA Claims” are all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notice, which occurred during the PAGA Period during employment in a nonexempt position in California, including: Civil Penalties pursuant to Labor Code Sections 2699, *et seq.* for violations of Labor Code Sections 201, 202, 203, 204, *et seq.*, 210, 218, 221, 223, 225.5, 226(a), 226.3, 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to Provide Seating) and the applicable Wage Order(s). The Released PAGA Claims do not include other PAGA claims, underlying wage and hour claims, including claims for vested benefits, wrongful termination, violations of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, and PAGA claims based on facts occurring outside of the PAGA Period.

Released Parties. The Released Parties are: Defendant and each of its former and present directors, officers, shareholders, owners, managers, agents, principals, heirs, representatives,

accountants, auditors, attorneys, insurers, franchisors, consultants, and their respective predecessors and successors in interest, subsidiaries, affiliates, and parents, as well as any individual or entity that could be alleged to be jointly liable with Defendant.

5. How much will my payment be?

Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.

Defendant's records reflect that you worked <<____>> Workweeks during the Class Period (March 29, 2020 through March 27, 2025).

Based on this information, your estimated Individual Class Payment from the Net Settlement Amount is <<____>>.

Defendant's records reflect that you worked <<____>> PAGA Pay Periods during the during the PAGA Period (December 19, 2022 through March 27, 2025). Based on this information your estimated Individual PAGA Payment is <<____>>.

If you wish to challenge the information set forth above, then you must submit a written, signed dispute challenging the information along with supporting documents, to the Administrator at the address provided in this Class Notice no later than the Response Deadline, which is _____ [sixty (60) days after the mailing of the Class Notice or an additional 14 days in the case of re-mailing]. You may also fax the dispute to _____ or email the dispute to _____ by no later than the Response Deadline. Any dispute should include credible written evidence and will be resolved by the Administrator.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

6. How can I get a payment?

To get money from the Settlement, you do not have to do anything. A check for your Individual Class Payment will be mailed automatically to the same address as this Class Notice.

The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.

The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Class Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Class Notice has the Administrator's contact information.

7. What if I don't want to be a part of the Settlement?

If you do not wish to participate in the Settlement, you may exclude yourself from the Class portion of the Settlement or "opt out." **If you opt out, you will not receive an Individual Class Payment from the Settlement, and you will not be bound by its terms, which means you will retain the right to sue Defendant for the Released Class Claims.** However, Aggrieved Employees who opt out will still be paid their allocation of the PAGA Penalties and will remain bound by the release of the Released PAGA Claims regardless of whether they submit a request for exclusion. The PAGA Penalties amount is \$20,000.00, of which \$5,000.00 will be distributed to the Aggrieved Employees to be allocated based on their respective PAGA Pay Periods. Your share of the PAGA Penalties, if any, is set forth in Section 5 above.

To opt out, you must submit to the Administrator a written, signed and dated request to opt-out postmarked no later than the Response Deadline which is _____. You may also fax your request to opt out to _____ or email the dispute to _____ by no later than the Response Deadline. The request to opt-out should state in substance that you wish to be excluded from the class settlement in the *Rugama-Hernandez v. P & B Intermodal Services Limited Liability Company* lawsuit. The request to opt-out should state the Class Member's full name, address and email address or telephone number. Please include the name and number of the case, which is *Rugama-Hernandez v. P & B Intermodal Services Limited Liability Company*, Case No. 24STCV07771. The request to opt-out must be completed and signed by you. No other person may opt-out for a living member of the Class.

The address for the Administrator is _____. Written requests for exclusion that are postmarked after _____, or are incomplete or unsigned will be rejected, and those Class Members will remain bound by the Settlement and the release described above.

8. How do I Object to the Settlement?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiffs and Defendant are asking the Court to approve. At least sixteen (16) court days before the Final Approval Hearing, scheduled for _____, Class Counsel and Plaintiffs will file in Court a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiffs are requesting as Class Representative Service Payments. Upon reasonable request, Class Counsel (whose contact information is below) will send you copies of these documents at no cost to you. You can also view them on Class Counsel's website at _____

www.bamlawca.com under “Class Notices” for *Rugama-Hernandez v. P & B Intermodal Services Limited Liability Company* or on the Court’s website (<http://www.lacourt.org/casesummary/ui/index.aspx?casetype=civil>) and entering the Case No. 24STCV07771.

A Participating Class Member who disagrees with any aspect of the Agreement and/or the Motion for Final Approval may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiffs are too high or too low. **The Response Deadline for sending written objections to the Administrator is _____** [sixty (60) days after the date of the Notice or an additional 14 days after the Notice in the case of re-mailing]. You may also fax the dispute to _____ or email the dispute to _____ by no later than this Response Deadline. Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action, *Rugama-Hernandez v. P & B Intermodal Services Limited Liability Company*, Case No. 24STCV07771, and include your name, current address, email or telephone number, and approximate dates of employment for Defendant and sign the objection. The Administrator’s contact information is as follows:

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. behalf of themselves and on behalf of all
persons similarly situatedl,

Plaintiffs,

vs.

P & B INTERMODAL SERVICES LIMITED
LIABILITY COMPANY, a Limited Liability
Company; and DOES 1 through 50, inclusive,

Defendants.

CASE NO.: **24STCV07771**

**[PROPOSED] PRELIMINARY
APPROVAL ORDER**

Hearing Date: _____
Hearing Time: _____

Judge: Hon.
Dept: SS-14

Date Filed: March 29, 2024
Trial Date: Not set

This matter came before the Honorable _____ of the Superior Court of the
State of California, in and for the County Los Angeles, on _____[DATE], for hearing on the
unopposed motion by Plaintiffs Enyllels Rugama-Hernandez and Edgar Santiago (collectively,
"Plaintiffs") for preliminary approval of the Class Action and PAGA Settlement with Defendant P
& B Intermodal Services Limited Liability Company ("Defendant"). The Court, having

1 considered the briefs, argument of counsel and all matters presented to the Court and good cause
2 appearing, hereby GRANTS Plaintiffs' Motion for Preliminary Approval of Class Action
3 Settlement.

4
5 **IT IS HEREBY ORDERED:**

6 1. The Court preliminarily approves the Class Action and PAGA Settlement
7 Agreement ("Agreement") attached as Exhibit ____ to the Declaration of Kyle Nordrehaug in
8 Support of Plaintiffs' Motion for Preliminary Approval of Class Action Settlement. This is based
9 on the Court's determination that the Settlement set forth in the Agreement is within the range of
10 possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil
11 Procedure and California Rules of Court, rule 3.769.

12 2. This Order incorporates by reference the definitions in the Agreement, and all
13 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

14 3. The Gross Settlement Amount that Defendant shall pay is Nine Hundred Seventy-
15 Five Thousand Dollars (\$975,000). It appears to the Court on a preliminary basis that the
16 settlement amount and terms are fair, adequate and reasonable as to all potential Class Members
17 when balanced against the probable outcome of further litigation and the significant risks relating
18 to certification, liability and damages issues. It further appears that investigation and research
19 have been conducted such that counsel for the Parties are able to reasonably evaluate their
20 respective positions. It further appears to the Court that the Settlement will avoid substantial
21 additional costs by all Parties, as well as avoid the delay and risks that would be presented by the
22 further prosecution of the Action. It further appears that the Settlement has been reached as the
23 result of serious and non-collusive, arm's-length negotiations.

24 4. The Court preliminarily finds that the Settlement appears to be within the range of
25 reasonableness of a settlement that could ultimately be given final approval by this Court. The
26 Court has reviewed the monetary recovery that is being granted as part of the Settlement and
27 preliminarily finds that the monetary settlement awards made available to the Class is fair,
28

1 adequate, and reasonable when balanced against the probable outcome of further litigation and the
2 significant risks relating to certification, liability, and damages issues.

3 5. The Agreement specifies for an attorneys' fees award not to exceed one-third of the
4 Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$30,000, and
5 proposed Class Representative Service Payments to the Plaintiffs in an amount not to exceed
6 \$15,000 each. The Court will not approve the amount of attorneys' fees and costs, nor the amount
7 of any service award, until the Final Approval Hearing. Plaintiffs will be required to present
8 evidence supporting these requests, including lodestar, prior to final approval.

9 6. The Court recognizes that Plaintiffs and Defendant stipulate and agree to
10 representative treatment and certification of a class for settlement purposes only. This stipulation
11 will not be deemed admissible in this, or any other proceeding should this Settlement not become
12 final. For settlement purposes only, the Court conditionally certifies the Class which consists of
13 "all individuals who were employed by Defendant in California and classified as a non-exempt
14 employee at any time during the Class Period." The "Class Period" is March 29, 2020 through
15 March 27, 2025.

16 7. The Court concludes that, for settlement purposes only, the Class meets the
17 requirements for certification under section 382 of the California Code of Civil Procedure in that:
18 (a) the Class is ascertainable and so numerous that joinder of all members of the Class is
19 impracticable; (b) common questions of law and fact predominate, and there is a well-defined
20 community of interest amongst the members of the Class with respect to the subject matter of the
21 litigation; (c) the claims of the Plaintiffs are typical of the claims of the members of the Class; (d)
22 the Plaintiffs will fairly and adequately protect the interests of the members of the Class; (e) a
23 class action is superior to other available methods for the efficient adjudication of this controversy;
24 and (f) counsel for the Class is qualified to act as Class Counsel and the Plaintiffs are adequate
25 representatives of the Class.

26 8. The Court provisionally appoints Plaintiffs as the representatives of the Class. The
27 Court provisionally appoints Norman B. Blumenthal, Kyle R. Nordrehaug, Aparajit Bhowmik,
28

1 Nicholas J. De Blouw, Jeffrey S. Herman, Sergio J. Puche, and Trevor G. Moran of Blumenthal
2 Nordrehaug Bhowmik De Blouw LLP and Joseph Lavi, Vincent C. Granberry, William Tran, Eric
3 J. Naessig, and Jovahn Wiggins of Lavi & Ebrahimian as Class Counsel for the Class.

4 9. The Agreement provides for a PAGA Penalties out of the Gross Settlement
5 Amount of \$20,000.00, which shall be allocated \$15,000.00 to the Labor & Workforce
6 Development Agency (“LWDA”) as the LWDA’s 75% share of the settlement of civil penalties
7 paid under this Agreement pursuant to the PAGA and \$5,000.00 to the Aggrieved Employees.
8 “Aggrieved Employees” are all individuals who were employed by Defendant in California and
9 classified as a non-exempt employee at any time during the PAGA Period (December 19, 2022
10 through March 27, 2025). Pursuant to Labor Code section 2699, subdivision (s)(2), the LWDA
11 was provided notice of the Agreement and these settlement terms. The Court finds the PAGA
12 Penalties to be reasonable.

13 10. The Court hereby approves, as to form and content, the Class Notice attached to the
14 Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and accurately
15 inform the Class of all material elements of the proposed Settlement, of the Class Members’ right
16 to be excluded from the Class by submitting a written opt-out request, and of each member’s right
17 and opportunity to object to the Settlement. The Court further finds that the distribution of the
18 Class Notice substantially in the manner and form set forth in the Agreement and this Order meets
19 the requirements of due process, is the best notice practicable under the circumstances, and shall
20 constitute due and sufficient notice to all persons entitled thereto. The Court orders the mailing of
21 the Class Notice by first class mail pursuant to the terms set forth in the Agreement. If a Class
22 Notice Packet is returned because of an incorrect address, the Administrator will promptly search
23 for a more current address for the Class Member and re-mail the Class Notice Packet to any new
24 address for the Class Member no later than seven (7) days after the receipt of the undelivered
25 Class Notice.

26 11. The Court hereby appoints Apex Class Action LLC as the Administrator. No later
27 than fifteen (15) days after this Order, Defendant will provide the Class Data to the Administrator.

1 The Administrator will perform address updates and verifications as necessary prior to the first
2 mailing. Using best efforts to mail it as soon as possible, and in no event later than fourteen (14)
3 days after receiving the Class Data, the Administrator will mail the Class Notice Packet to all
4 Class Members via first-class regular U.S. Mail to their last known address.

5 12. The Court hereby preliminarily approves the proposed procedure for exclusion
6 from the Settlement. Any Class Member may individually choose to opt out of and be excluded
7 from the Class as provided in the Class Notice by following the instructions for requesting
8 exclusion from the Class that are set forth in the Class Notice. All requests for exclusion must be
9 postmarked or received no later than sixty (60) calendar days after the date of the mailing of the
10 Class Notice (“Response Deadline”). If a Class Notice Packet is re-mailed, the Response Deadline
11 for requests for exclusion will be extended an additional fourteen (14) days. A Request for
12 Exclusion may also be faxed or emailed to the Administrator as indicated in the Class Notice.
13 Any such person who chooses to opt out of and be excluded from the Class will not be entitled to
14 any recovery under the Class Settlement and will not be bound by the Class Settlement or have
15 any right to object, appeal or comment thereon. Class Members who have not requested exclusion
16 shall be bound by all determinations of the Court, the Agreement and the Judgment. A request for
17 exclusion may only opt out that particular individual, and any attempt to effect an opt-out of a
18 group, class, or subclass of individuals is not permitted and will be deemed invalid.

19 13. Any Class Member who has not opted out may appear at the final approval hearing
20 and may object or express the Member’s views regarding the Settlement and may present evidence
21 and file briefs or other papers that may be proper and relevant to the issues to be heard and
22 determined by the Court as provided in the Class Notice. Class Members will have until the
23 Response Deadline to submit their written objections to the Administrator. Written objections
24 may also be faxed or emailed to the Administrator as indicated in the Class Notice. If a Class
25 Notice Packet is re-mailed, the Response Deadline for written objections will be extended an
26 additional fourteen (14) days. Alternatively, Class Members may appear at the Final Approval
27 Hearing to make an oral objection.

1 14. A final approval hearing shall be held before this Court on _____
2 _____ at _____ in Department 14 at the Spring Street Courthouse of the Los
3 Angeles County Superior Court to hear the motion for final approval and for attorneys' fees and
4 costs, and to determine all necessary matters concerning the Settlement, including: whether the
5 proposed settlement of the Action on the terms and conditions provided for in the Agreement is
6 fair, adequate and reasonable and should be finally approved by the Court; whether the Final
7 Approval Order and Judgment should be entered herein; whether the plan of allocation contained
8 in the Agreement should be approved as fair, adequate and reasonable to the Class Members; and
9 to finally approve attorneys' fees and costs, service award, and the fees and expenses of the
10 Administrator. All papers in support of the motion for final approval shall be filed with the Court
11 and served on all counsel no later than sixteen (16) court days before the hearing and the motion
12 shall be heard at this final approval hearing.

13 15. Neither the Settlement nor any exhibit, document, or instrument delivered
14 thereunder shall be construed as a concession or admission by Defendant in any way that the
15 claims asserted have any merit or that this Action was properly brought as a class or representative
16 action, and shall not be used as evidence of, or used against Defendant as, an admission or
17 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
18 omission by Defendant or with respect to the truth of any allegation asserted by any person.
19 Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit,
20 document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts
21 thereof, shall in any event be construed as, offered or admitted in evidence as, received as or
22 deemed to be evidence for any purpose adverse to the Defendant, including, but not limited to,
23 evidence of a presumption, concession, indication or admission by Defendant of any liability,
24 fault, wrongdoing, omission, concession or damage.

25 16. In the event the Settlement does not become effective in accordance with the terms
26 of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to
27 become effective for any reason, this Order shall be rendered null and void and shall be vacated,
28

1 and the Parties shall revert to their respective positions as of before entering into the Agreement,
2 and expressly reserve their respective rights regarding the prosecution and defense of this Action,
3 including all available defenses and affirmative defenses, and arguments that any claim in the
4 Action could not be certified as a class action and/or managed as a representative action. In such
5 an event, the Court's orders regarding the Settlement, including this Order, shall not be used or
6 referred to in litigation for any purpose. Nothing in this paragraph is intended to alter the terms of
7 the Agreement with respect to the effect of the Agreement if it is not approved.

8 17. The Court reserves the right to adjourn or continue the date of the final approval
9 hearing and all dates provided for in the Agreement without further notice to Class Members and
10 retains jurisdiction to consider all further applications arising out of or connected with the
11 proposed Settlement.

behalf of themselves and on behalf of all
persons similarly situated,

Plaintiff,

vs.

P & B INTERMODAL SERVICES LIMITED
LIABILITY COMPANY, a Limited Liability
Company; and DOES 1 through 50, inclusive,

Defendants.

CASE NO.: 24STCV07771

**[PROPOSED] FINAL APPROVAL
ORDER AND JUDGMENT**

Hearing Date: _____
Hearing Time: _____

Judge: Hon.
Dept: SS-14

Date Filed: March 29, 2024
Trial Date: Not set

1 The unopposed motion of Plaintiffs Enyllels Rugama-Hernandez and Edgar Santiago
2 (“Plaintiffs”) for an order finally approving the Class Action and PAGA Settlement Agreement
3 (“Agreement”) with Defendant P & B Intermodal Services Limited Liability Company
4 (“Defendant”), attorneys’ fees and costs, service payments, and the expenses of the Administrator
5 duly came on for hearing on _____ before the Honorable _____.

6 **I.**

7 **FINDINGS**

8 Based on the oral and written argument and evidence presented in connection with the
9 motion, the Court makes the following findings:

- 10 1. All terms used herein shall have the same meaning as defined in the Agreement.
- 11 2. This Court has jurisdiction over the subject matter of this litigation pending before
12 the Superior Court for the State of California, in and for the County of Los Angeles, and over all
13 Parties to this litigation, including the Class.
- 14 3. Based on a review of the papers submitted by Plaintiffs and a review of the
15 applicable law, the Court finds that the Gross Settlement Amount of Nine Hundred Seventy-Five
16 Thousand Dollars (\$975,000) and the terms set forth in the Agreement are fair, reasonable, and
17 adequate.
- 18 4. The Court further finds that the Settlement was the result of arm’s length
19 negotiations conducted after Class Counsel had adequately investigated the claims and became
20 familiar with the strengths and weaknesses of those claims. In particular, the amount of the
21 Settlement, and the assistance of an experienced mediator in the settlement process, among other
22 factors, support the Court’s conclusion that the Settlement is fair, reasonable, and adequate.

23 **Preliminary Approval of the Settlement**

- 24 5. On _____, the Court granted preliminary approval of the Settlement. At
25 this same time, the Court approved conditional certification of the Class for settlement purposes
26 only.

27 **Notice to the Class**

1 6. In compliance with the Preliminary Approval Order, the Court-approved Class
2 Notice was mailed by first class mail to members of the Class at their last-known addresses on or
3 about _____. This mailing of the Class Notice to their last-known addresses was the
4 best notice practicable under the circumstances and was reasonably calculated to communicate
5 actual notice of the litigation and the proposed settlement to the Class. The Class Notice given to
6 the Class Members fully and accurately informed the Class Members of all material elements of
7 the proposed Settlement and of their opportunity to object to or comment thereon or to seek
8 exclusion from the Settlement; was valid, due, and sufficient notice to all Class Members; and
9 complied fully with the laws of the State of California, the United States Constitution, due process
10 and other applicable law. The Class Notice fairly and adequately described the Settlement and
11 provided Class Members adequate instructions and a variety of means to obtain additional
12 information.

13 7. The Response Deadline for opting out or submitting written objections to the
14 Settlement was _____, which for re-mailings was extended by fourteen (14) days. There
15 was an adequate interval between notice and the deadline to permit Class Members to choose what
16 to do and to act on their decision. A full and fair opportunity has been afforded to the Class
17 Members to participate in this hearing, and all Class Members and other persons wishing to be
18 heard have had a full and fair opportunity to be heard. Class Members also have had a full and
19 fair opportunity to exclude themselves from the proposed Settlement and Class. Accordingly, the
20 Court determines that all Class Members who did not timely and properly submit a request for
21 exclusion are bound by the Settlement and this Final Approval Order and Judgment.

22 **Fairness of the Settlement**

23 8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.*
24 48 Cal.App.4th 1794, 1801 (1996).

25 a. The settlement was reached through arm's-length bargaining between the
26 Parties during an all-day mediation before Tagore Subramaniam, an experienced mediator of wage
27 and hour class actions. There has been no collusion between the Parties in reaching the
28

1 Settlement.

2 b. Plaintiffs and Class Counsel's investigation and discovery have been
3 sufficient to allow the Court and counsel to act intelligently.

4 c. Counsel for all Parties are experienced in similar employment class action
5 and PAGA litigation. Class Counsel recommended approval of the Agreement.

6 d. The percentage of objectors and requests for exclusion is small. ____
7 objections were received. _____ requests for exclusion were received.

8 e. The participation rate was high. _____ Class Members will be mailed a
9 settlement payment, representing _____% of the overall Class.

10 9. The consideration to be given to the Class Members under the terms of the
11 Agreement is fair, reasonable and adequate considering the strengths and weaknesses of the claims
12 asserted in this action and is fair, reasonable and adequate compensation for the release of Class
13 Members' claims, given the uncertainties and significant risks of the litigation and the delays
14 which would ensue from continued prosecution of the action.

15 10. The Agreement is approved as fair, adequate and reasonable and in the best
16 interests of the Class Members.

17 **Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment**

18 11. An award of \$325,666 for attorneys' fees, representing one-third of the Gross
19 Settlement Amount, and \$_____ for litigation costs and expenses, is reasonable, in light of
20 the contingent nature of Class Counsel's fee, the hours worked by Class Counsel, and the results
21 achieved by Class Counsel. The requested awards have been supported by Class Counsel's
22 lodestar and billing statement.

23 **Class Representative Service Payments**

24 12. The Agreement provides for a Class Representative Service Payments of not more
25 than \$15,000 each to the Plaintiffs, subject to the Court's approval. The Court finds that Class
26 Representative Service Payments in the amount of \$_____ each to the Plaintiffs are
27
28

1 reasonable in light of the risks and burdens undertaken by the Plaintiffs in this litigation and for
2 their time and effort in bringing and prosecuting this matter on behalf of the Class.

3 **Administration Expenses Payment**

4 13. The Administrator shall calculate and administer the payment to be made to the
5 Class Members, transmit payment for attorneys' fees and costs to Class Counsel, transmit the
6 Class Representative Service Payments to the Plaintiffs, issue all required tax reporting forms,
7 calculate withholdings and perform the other remaining duties set forth in the Agreement. The
8 Administrator has documented \$ _____ in fees and expenses, and this amount is reasonable in
9 light of the work performed by the Administrator.

10 **PAGA Penalties**

11 14. The Agreement provides for PAGA Penalties out of the Gross Settlement Amount
12 of \$20,000.00, which shall be allocated \$15,000.00 to the Labor & Workforce Development
13 Agency ("LWDA") as the LWDA's 75% share of the settlement of civil penalties paid under this
14 Agreement pursuant to the PAGA and \$5,000.00 to be distributed to the Aggrieved Employees
15 and allocated by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA
16 Penalties (\$5,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees
17 during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay
18 Periods. "Aggrieved Employees" are all individuals who were employed by Defendant in
19 California and classified as a non-exempt employee at any time during the PAGA Period
20 (December 19, 2022 through March 27, 2025). Pursuant to Labor Code section 2699, subdivision
21 (s)(2), the LWDA was provided notice of the Agreement and these settlement terms and has not
22 indicated any objection thereto. The Court finds the PAGA Penalties to be reasonable.

23 **II.**

24 **ORDERS**

25 Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:

26 15. The Class is certified for the purposes of settlement only. The Class is defined as
27 follows:

6 the Action as evidence of the Settlement to support a defense of *res judicata*, collateral estoppel,
7 release, or other theory of claim or issue preclusion or similar defense as to the Released Class
8 Claims and/or Released PAGA Claims.

9 24. Notice of entry of this Final Approval Order and Judgment shall be given to all
10 Parties by Class Counsel on behalf of Plaintiffs and all Class Members. The Final Approval Order
11 and Judgment shall be posted on the website as set forth in the Class Notice to the Class. It shall

The methodology of calculation and benchmarking for this Updated Laffey Matrix has been approved in a number of cases. See, e.g., *DL v. District of Columbia*, 267 F.Supp.3d 55, 69 (D.D.C. 2017)

* $i_{\frac{1}{2}}$ Years Out of Law School $i_{\frac{1}{2}}$ is calculated from June 1 of each year, when most law students graduate. $i_{\frac{1}{2}}1-3$ " includes an attorney in his 1st, 2nd and 3rd years of practice, measured from date of graduation (June 1). $i_{\frac{1}{2}}4-7$ " applies to attorneys in their 4th, 5th, 6th and 7th years of practice. An attorney who graduated in May 1996 would be in tier $i_{\frac{1}{2}}1-3$ " from June 1, 1996 until May 31, 1999, would move into tier $i_{\frac{1}{2}}4-7$ " on June 1, 1999, and tier $i_{\frac{1}{2}}8-10$ " on June 1, 2003.

Case No. 24STCV07771

**DECLARATION OF ENYLLEL
RUGAMA-HERNANDEZ IN SUPPORT
OF MOTION FOR PRELIMINARY
APPROVAL OF CLASS SETTLEMENT**

Hearing Date: September 25, 2025

Hearing Time: 11:00 a.m.

Judge: Hon. Timothy Patrick Dillon
Dept: 15

Action Filed: March 28, 2024 Trial Date:
None Set

1 I, Enyllel Rugama-Hernandez, declare as follows:

2 1. I am over the age of eighteen, a Plaintiff and a proposed Class Representative in the above-
3 entitled matter. I submit this declaration in support of the Motion for Preliminary Approval of Class
4 Settlement and in support of my application for a class representative service award.

5 2. I have personal knowledge of all the facts stated herein. I could and would competently
6 testify under oath to these facts in court if requested to do so.

7 3. I worked for Defendant P & B Intermodal Services Limited Liability Company
8 (“Intermodal”) in California from August of 2020 to April of 2023, and during that time period I
9 was classified by Intermodal as a non-exempt employee.

10 4. I retained my attorneys who are experienced in both class action and PAGA representative
11 action litigation and claims against employers for violations of the California Labor Code. I have
12 no personal relationship or family ties to my attorneys or any officer of the Court. I am not aware
13 of having any actual or potential conflicts of interest with another class member in this case. I am
14 not aware of any other pending matter or action asserting claims that will be extinguished or
15 adversely affected by this settlement.

16 5. I decided to file this class action lawsuit and be a plaintiff/class representative because I felt
17 that my legal rights as an employee and others like me were violated. For example, I was frequently
18 forced to work off the clock, as the device I was required to use to clock in was frequently out of
19 battery or disconnected from the internet. This prohibited me from clocking in on time. Further, I
20 was required to work considerable hours off the clock, staying well past my scheduled shifts to
21 complete repairs on cranes, and I was not paid for all of this time. Additionally, I rarely received
22 compliant meal and rest breaks which were often late, short or missed entirely, and was not always
23 paid the break penalties I was entitled to. Further, I was not properly reimbursed for required
24 business expenses, including the use of my personal cell phone.

25 6. I spoke to my attorneys several times and discussed how Intermodal implemented its
26 company policies and procedures. I also assisted my attorneys in their investigation into my claims
27 by providing them documents and answering their questions. I reviewed the complaint before it
28 was filed and was given access to an electronic file sharing program that alerted me via email when

1 important documents were filed so that I could review them and keep up with the developments in
2 the case which I understood was one of my duties as a class representative. I could also access court
3 filings from this case on my attorney's law firm website. Also, I was informed that Intermodal had
4 the right to take my deposition, and that the preparation and deposition itself could take multiple
5 days. Although my deposition was not taken, I feel I would have been adequately prepared and
6 comfortable to give testimony on my experiences.

7 7. Even though this action is in the process of settling, I was and remain prepared to perform
8 all the duties of a class representative. I understand that as a class representative I have assumed a
9 fiduciary responsibility to prosecute this class action on behalf of the absent class members. I have
10 understood that as a fiduciary, I have a duty to prosecute this action for the benefit of the class
11 members and surrender any right to compromise the group action for an individual gain.

12 8. I understood that being a plaintiff/class representative in this case meant that I was seeking
13 damages not only for myself but also other current and/or former non-exempt employees working
14 for Intermodal in California who make up the class. I felt that these individuals were not aware of
15 their labor law rights and even if they were they would probably be apprehensive about speaking
16 up or even simply because of the time, effort and risk involved in filing a class action lawsuit.

17 9. I understood that being a part of this lawsuit involved risks. For example, my attorneys
18 explained to me that if the case went to trial and we lost, I could be held responsible to pay for all
19 or part of the attorney fees and costs paid by Intermodal to defend this lawsuit. Also, I knew there
20 was a risk that future employers, if they ever find out about this lawsuit, could hold it against me or
21 downgrade me as a potential hire. As the only named Plaintiff in this case it would not be difficult
22 for a future employer to become aware that I sued a former employer for labor law violations.
23 Ultimately, I decided these risks were worth it and decided to fight for my rights and the rights of
24 others regardless of the risks, time and effort I spent on this case.

25 10. During the lawsuit I stayed in touch with my attorneys by phone and email. I also kept up
26 to date on important developments by reviewing court filings that were made available to me
27 electronically as I described above.

28 11. A mediation took place on January 24, 2025, with Tagore Subramainam, a well-respected

1 and experienced mediator of wage and hour class actions. After the mediation the parties were able
2 to come to an agreement to settle the action. I communicated with my attorneys regarding the terms
3 of the settlement which was reached between the parties and understood that I was representing
4 absent class members and therefore wanted the best possible result to be obtained for the class
5 members and I believe a very positive result was in fact achieved via settlement. I also closely
6 reviewed and signed the Settlement Agreement.

7 12. I have been actively involved with this lawsuit performing the duties described above.
8 Although I did not keep time records, I was in regular contact with my attorneys, reviewed court
9 filings and spent a significant amount of time on the issues presented during the lawsuit and in the
10 settlement process. I estimate that I spent approximately 30-40 hours working on this case up until
11 this point. I believe I have been diligent and have done what is expected of a named plaintiff and a
12 proposed class representative to date, and will continue to do so. I have and always will maintain
13 the best interest of the class members.

14 13. My attorneys explained to me that the settlement process involves a two-step review by the
15 Court to determine whether the settlement is fair before approving the settlement. I know this
16 process also involves notifying all class members of the settlement terms and of their rights to make
17 a claim for their settlement share, to opt out of the settlement or to object to the settlement.

18 14. I believe I did the right thing by filing this case on behalf of the class members who, subject
19 to court approval, are in line to receive monetary payments as a result of this case and settlement.
20 This is money they may never have ever gotten if I did not pursue this action on their behalf. I feel
21 significant personal satisfaction to know that I played a role in the class members being entitled to
22 monetary payments as a result of the filing of this lawsuit. I also believe that the requested class
23 representative service award of \$15,000 from the settlement is fair compensation for the work I
24 performed and the risks I undertook.

25 15. As part of the settlement, it was necessary for me to sign a general release of claims I may
26 have against Intermodal. I believe the class representative service payment I have requested
27 provides me with some compensation for this agreed release.
28

1 16. In light of all the time and effort I have spent on this case, the risk I undertook by suing a
2 former employer, the exposure to being responsible for paying Intermodal costs in the event we did
3 not win the case, the reputational risk that future employers may hold this lawsuit against me, the
4 general release and in light of the size of the settlement, I believe the request for \$15,000 as a class
5 representative service payment is fair and reasonable.

6 I declare under penalty of perjury under the laws of the State of California that the foregoing is
7 true and correct.

Attorneys for Plaintiff EDGAR SANTIAGO,
on behalf of himself and others similarly situated

SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF LOS ANGELES

ENYLLEL RUGAMA-HERNANDEZ and
EDGAR SANTIAGO, individuals, and on behalf
of themselves and on behalf of all persons
similarly situated,

Plaintiffs,

vs.

P & B INTERMODAL SERVICES LIMITED
LIABILITY COMPANY, a Limited Liability
Company; and DOES 1 through 50, inclusive,

Defendants.

CASE NO.: **24STCV07771**

**DECLARATION OF EDGAR SANTIAGO
IN SUPPORT OF FINAL APPROVAL OF
CLASS ACTION SETTLEMENT**

Judge: Hon. Timothy Patrick Dillon
Dept: SS-15

Date Filed: March 29, 2024
Trial Date: Not set

DECLARATION OF EDGAR SANTIAGO

I, Edgar Santiago, declare,

1. I am over the age of 18 and am a Plaintiff and a class representative in this matter. I have personal knowledge of the matters stated herein and if called and sworn as a witness, I would and could competently testify under oath thereto.

2. I worked for Defendant P&B Intermodal Services LLC ("Defendant"), as a non-exempt employee from approximately November 2023, until on or about July 26, 2024.

3. I understand this is a class action lawsuit where I represent the interests of all hourly, non-exempt employees of Defendant who worked for Defendant in California during the Class Period.

4. I have actively participated in this lawsuit by searching for an attorney since

approximately August of 2024, meeting with my attorneys in this case for evaluation of my case, to

retain them, and to discuss policies and practices of Defendant. I also spent time searching for

policies and other documents that were given to me during my employment. I responded to all of

my attorneys' telephone inquiries and met with them to provide information about my employment

and my experiences and my understanding about the operations of Defendant. During the mediation

session, I made myself available and provided any information needed from me. Once the settlement

agreement was finalized, I spent time reviewing and discussing the settlement agreement with my

attorneys before signing it. Since I first began searching for attorneys regarding my employment

with Defendant, I estimate that I have spent approximately 30 hours on this lawsuit which includes

time spent searching for attorneys, searching for documents and policies to help the lawsuit,

providing those documents and information to my attorneys, responding to my attorneys telephone

calls and requests to meet them to provide them with more information about different aspects of

my employment and experiences, speaking with my attorneys to evaluate my case and to provide

information and sign documents, making myself available during the mediation session, reviewing

the settlement agreements, and reviewing and providing information for this declaration.

5. I also understand that if there was a trial, I would need to be present at trial and follow any other request from the court. I have tried to support the case by responding to my attorneys when

1 I was needed and providing them with any requested information. I will continue to respond to any
2 requests from my attorneys or the court. I know that I took a risk by filing this lawsuit because, if I
3 lost, then I would have been responsible for the costs of the case. I also would have lost income if I
4 had to take work time off to come to trial or any other hearings. I also knew future employers may
5 learn of the lawsuit and view me negatively because I hired an attorney and sued my employer when
6 I thought my rights were violated.

7 6. I understand that the settlement we have reached in this case must be finally approved
8 by the Court and I must protect the interests of any and all hourly, non-exempt employees of
9 Defendant who worked for Defendant in California during the Class Period.

10 7. I do not have any interest that is adverse to the interests of the other class members.

11 8. I believe that, based on my contributions to this lawsuit, my active engagement
12 throughout this process, the risks that I have undertaken on behalf of the class, and the successful
13 result for the class members, the \$15,000.00 amount for the Class Representative Service Award is
14 fair and reasonable.

15 I declare under penalty of perjury, under the laws of the State of California, that the foregoing
16 is true and correct.
