

ADDENDUM TO PAGA SETTLEMENT AGREEMENT

(Modification of Release Language in Sections 5.1 and 5.2)

This Addendum to the Private Attorneys General Act Settlement Agreement (“Addendum”) is entered into by and between Plaintiffs Mark Alcaraz and Isaiah Torres (“Plaintiffs”) and Defendant Delta Scientific Corporation (“Defendant”). Plaintiffs and Defendant are referred to collectively as the “Parties,” or individually as a “Party.”

1. Purpose of Addendum

This Addendum is executed to comply with the Court’s directive on February 10, 2026 that the release provisions of the PAGA Settlement Agreement be narrowed to remove references to “heirs.”

2. Modification of Release Language

Notwithstanding anything to the contrary in the PAGA Settlement Agreement, the release language contained in Sections 5.1 and 5.2 of the Agreement is hereby modified as follows:

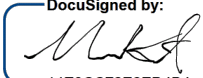

- Any reference to “heirs” in Sections 5.1 and 5.2, and 5.3 is deleted and of no force or effect.
- As modified, the releases in Sections 5.1 and 5.2 apply only to the releasing individual(s) and, where applicable, their respective former and present representatives, agents, attorneys, administrators, successors, and assigns, and do not include heirs.

3. No Other Modifications

Except as expressly set forth in this Addendum, all other terms and provisions of the PAGA Settlement Agreement remain unchanged and in full force and effect. This Addendum shall be deemed incorporated into and made part of the PAGA Settlement Agreement.

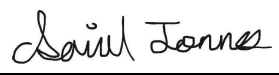

4. Effectiveness

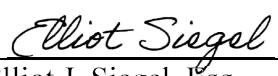

This Addendum shall become effective upon execution by the Parties and approval by the Court.
