1 **DECLARATION OF LILIT TUNYAN**

2 I, LILIT TUNYAN, declare as follows:

3 1. I am admitted, in good standing, to practice as an attorney in the State of California, the
4 United States District Courts for the Central, Eastern, Southern and Northern Districts of California. I am
5 the founding partner at the law firm of Tunyan Law, APC. I am a fully qualified, adult resident of the
6 State of California, and, if called as a witness herein, I would testify truthfully to the matters set forth
7 herein. All of the matters set forth herein are within my personal knowledge, except those matters that
8 are stated to be upon information and belief. As to such matters, I believe them to be true. I am one of
9 the attorneys of record for Plaintiff ROBERTO GOMEZ ("Plaintiff").

10 2. This Declaration is submitted in support of Plaintiff's Motion for Preliminary Approval
11 of Class and PAGA Representative Action Settlement.

12 **BACKGROUND**

13 3. On January 31, 2024, Plaintiff commenced this Action by filing a complaint alleging
14 causes of action against Defendant for: (1) Violation of Labor Code §§ 204, 246, 510, 1194, 1198
15 (Failure to Pay All Wages and Sick Pay; (2) Violation of Labor Code §§ 226.7, 512 (Failure to Provide
16 Meal Periods; (3) Violation of Labor Code § 226.7 (Failure to Provide Rest Periods); (4) Violation of
17 Labor Code § 226, (Failure to Keep Accurate Itemized Wage Statements); (5) Violation of Labor Code
18 §§ 201-203 (Failure to Pay Wages Upon Termination of Employment); (6) Violation of Labor Code §
19 2802 (Failure to Reimburse For Necessary Expenditures); and (7) Violation of Bus. & Prof. Code §
20 17200 et seq. (Unfair Business Practices). On April 8, 2024, Plaintiff filed a First Amended Complaint
21 adding a cause of action for Civil Penalties Under PAGA [Cal. Lab. Code § 2699, et seq.]. The First
22 Amended Complaint is the operative complaint in the Action (the "Operative Complaint.")

23 4. Pursuant to Labor Code § 2699.3(a), Plaintiff gave timely written notice to Defendant
24 and the LWDA by sending the PAGA Notice and Amended PAGA Notice. ("PAGA").

25 5. The Parties have conducted informal discovery and investigation of the facts and law.
26 Such discovery and investigation have included, inter alia, the exchange of informal data and
27 discoverable information in preparation for the mediation and settlement negotiations. The Parties have
28 analyzed payroll and other data pertaining to Plaintiff and the Class during the relevant Settlement

1 Period, including but not limited to the numbers of former and current members of the Class, average
2 workweeks, a sample size time and pay records and average rate of hourly pay, wage and hour policies.

3 6. After reviewing documents regarding Defendant's wage and hour policies and practices
4 and other information obtained during the exchange of discovery, Class Counsel were able to evaluate
5 the probability of class certification, success on the merits, and the reasonably obtainable maximum
6 monetary exposure for all claims. Class Counsel reviewed these records and prepared a damage analysis
7 prior to mediation. Class Counsel also investigated the applicable law regarding the claims and defenses
8 asserted in the litigation.

9 7. On August 29, 2025, the Parties mediated before a mediator Tagore Subramaniam, Esq.
10 who is a highly experienced and well-regarded mediator for wage and hour class action litigation, which
11 led to this Agreement to settle the Action. At the mediation, the Parties discussed at length the burdens
12 and risks of continuing with the litigation considering Defendant's defenses. The Parties have reached an
13 agreement regarding the substantive terms of a class-wide settlement, pending the Parties' agreement on
14 a long-form class settlement agreement. The Parties then signed a long form settlement agreement
15 ("Agreement").

16 8. Plaintiff and Class Counsel are aware of the burdens of proof necessary to establish
17 liability for the claims asserted in the Action, both generally and in response to Defendant's defenses
18 thereto. Plaintiff and Class Counsel have also taken into account Defendant's agreement to enter into a
19 Settlement that confers substantial relief upon the Class.

20 9. Based on the foregoing, Plaintiff and Class Counsel have determined that the Settlement
21 set forth in this Agreement is a fair, adequate, and reasonable Settlement and is in the best interests of the
22 Class. Solely for the purpose of settling this case, the parties agree that the requirements for establishing
23 class action certification with respect to this class have been met and are met. If this Settlement is not
24 approved by the Court for any reason, Defendant reserves its right to contest class certification. This
25 Settlement, if approved by the Court, will result in the entry of the Judgment and the release of all
26 Released Claims for all Class Members, including all within the class definition who have not elected to
27 exclude themselves from the Settlement Class.

28 ///

SUMMARY OF THE SETTLEMENT TERMS

10. Key provisions of the proposed settlement include the following:

- (a) Defendant agrees not to oppose certification of a Class for purposes of Settlement only (Settlement, ¶ 12.1);
- (b) Class or Class Members: All persons who are employed or have been employed as an hourly employee by Defendant, including current and former non-exempt staffing agency employees who worked for Defendant, in the State of California during the Class Period. (Settlement, ¶ 1.5);
- (c) Class Period: the period from January 31, 2020 through the date the Court grants preliminary approval of this settlement or as modified under Paragraph 8 (Settlement, ¶1.12.) ;
- (d) Participating Class Members: Those Class Members who do not submit timely exclusion requests to the Settlement Administrator. (Settlement, ¶ 1.9, 1.35);
- (e) Settlement Amount: Defendant will pay a maximum of **\$285,000.00**, referred to as the Gross Settlement Amount (or GSA herein), resulting in an estimated average **gross** payment per Class Member of approximately **\$6,195.65** (Settlement, ¶ 1.22);
- (f) Class Size: approximately **46** individuals who worked an approximately **5,439** workweeks during Class Period. (Settlement, ¶ 4.1, 8);
- (g) PAGA Group Size: approximately **29** individuals, who worked roughly **1,055** pay periods during PAGA period (Settlement, ¶ 4.1);
- (h) PAGA Period: the period from January 31, 2023 through the date the Court grants preliminary approval of this settlement or as modified under Paragraph 8 (Settlement, ¶ 1.31);
- (i) Escalator Clause: Based on its records, Defendant estimates that, as of August 29, 2025, the number of Workweeks during the Class Period is estimated to be 5,439. The parties stipulate to a 10% escalation of the estimated workweeks without any increase to the GSA. If the number of actual Workweeks during the Class Period

exceeds 10% of the estimated workweeks (i.e., exceeds 5,983 Workweeks), Defendant can either have the Class Period end on the date that the Workweeks exceed 5,983 or increase the GSA by a pro-rata dollar value equal to the number of Workweeks in excess of 5,983 workweeks. For example, if the number of Workweeks increase by 12%, Defendant shall have the option to increase the Gross Settlement Amount by 2%. In the alternative, Defendant may elect to shorten the Class Period in order to stay within the 10% cushion. (the “Escalator Clause”) (Settlement, ¶ 8);

- (j) Kullar/Munoz Analysis: Plaintiff addresses the claims analysis herein, at Part V.B.3, and in more detail the Declaration of Lilit Tunyan, at Paragraph 18;
- (k) No Reversion: The Settlement is a **non-reversionary** settlement (Settlement, ¶ 3.1);
- (l) Certification: Plaintiff addresses certification requisites herein, at Part V.A., and in the Declaration of Lilit Tunyan, at Paragraphs 34-40;
- (m) No Claim Form: No claim form is required (Settlement., ¶ 3.1);
- (n) Class Release: The Settlement will release specified wage-and-hour claims for Class Members (those Class Members who do not opt out of the Settlement) (Settlement, ¶¶ 1.39, 5.2);
- (o) PAGA Release: The Class Members will release the PAGA Claims set forth in this Action, that were identified in the First Amended Complaint and Plaintiff’s LWDA Notice Letter, regardless of whether they opt out of the class portion of the Settlement (Settlement, ¶¶ 1.40, 5.3);
- (p) Release Effective Date: The Release is not active until Defendant funds all payments required under the Settlement to the Settlement Administrator (Settlement, ¶ 5);
- (q) Net Settlement Amount Available to the Class: After deducting Class Counsel’s attorneys’ fees and costs, Service Award to Plaintiff, administration costs, and the payment to the LWDA, the remainder will be available for distribution to Class

Members who do not opt out, with each Class Member receiving a share based on the number of workweeks each Class Member worked for Defendant within the Class Period. The Net Settlement Amount is estimated to be at least **\$132,750.00**, resulting in an average **gross** payment per Class Member of **\$6,195.65** and **net** payment per Class Member of at least **\$2,885.87** before any tax withholdings. (Settlement, ¶ 3);

(r) Tax Allocation: The amounts distributed to Class Members will be characterized as 20% alleged unpaid wages, 80% to penalties and interest, and PAGA Settlement Payments will be allocated as 100% penalties. (Settlement, ¶ 3.2.4.1, 3.2.5.2);

(s) Employer's Portion of Payroll Taxes Paid Separately: Defendant's portion of payroll taxes (e.g., FICA, FUTA, etc.) owed on any settlement payments to Class Members that constitute wages will be paid separate and apart from the GSM (Settlement, ¶ 3.1);

(t) Settlement Administrator: The notice portion of the Settlement will be administered by a third-party Administrator, Phoenix Class Action Administration Solutions as Phoenix Class Action Administration Solutions' low bid for settlement administration services in the amount of **\$5,500.00** was selected as the lowest bid from a competitive bidding process (Settlement, ¶ 3.2.3);

(u) Class Data for Administration: The Settlement Administrator will receive the Class List within 21 calendar days of Preliminary Approval, use the NCOA database to update the Class List, and then use skip tracing on returned Notices (Settlement, ¶ 4.2);

(v) Notice: The Notice will issue within 14 days of receipt of the Class List (Settlement, ¶ 7.4.2). The Notice describes how to dispute workweeks, submit an objection in writing, in person, or through an attorney, or request exclusion (Settlement, ¶¶ 7.4 – 7.7);

- (w) Notice Language: Notice will issue in English and Spanish (Settlement, ¶ 1.11);
- (x) Objections: Objections can be submitted in person, through an attorney, or in writing to the Settlement Administrator (Settlement, ¶ 7.7);
- (y) Exclusion Requests: The procedure for exclusion requests, mailing a request to the Settlement Administrator, is the same as the procedure for submitting a written objection (Settlement, ¶¶ 7.5 and 7.7);
- (z) PAGA Allocation: From the GSA, **\$25,000.00** will be allocated to settle claims brought pursuant to the California Private Attorneys General Act, Labor Code § 2699 *et seq.* (“PAGA”), and seventy-five percent (75%), or **\$18,750.00**, will be paid to the California Labor & Workforce Development Agency (Settlement, ¶¶ 1.34, 3.2.5.);
- (aa) Notice to LWDA: Notice was provided prior to the filing of this Motion. Evidence is attached to the Declaration of Lilit Tunyan;
- (bb) Enhancement/Service Award to Plaintiff: Defendant will not oppose the application for Class Representative Service Award of up to **\$10,000.00** for Plaintiff, to be paid from the GSA (Settlement, ¶ 3.2.1);
- (cc) Fees and Costs: Defendant will not oppose Class Counsel’s application for fees not to exceed 33 1/3% of the GSA (**\$95,00000**), and actual costs, in an amount not to exceed **\$23,000.00**, to be paid out of the GSA (Settlement, ¶ 3.2.2);
- (dd) Check Void Period: Settlement checks will be valid for 180 days (Settlement, ¶ 4.4.3);
- (ee) Uncashed Checks: Any settlement checks that are mailed to the Class Members and remain uncashed after 180 days of the date of issuance will be cancelled, and the moneys will be directed to the California Controller's Unclaimed Property Fund (Settlement, ¶¶ 4.4.1, 4.4.3);
- (ff) Judgment Notice: Settlement Agreement, Class Notice and Judgment will be posted on the Settlement Administrator’s website after entry (Settlement ¶ 7.8.1);
- (gg) Confidentiality Provisions: The Settlement permits Class Counsel to discuss the

Settlement with Class Members (Settlement ¶ 12.2).

11. A true and correct copy of the CLASS ACTION AND PAGA SETTLEMENT AGREEMENT is attached hereto as **Exhibit “1.”**

THE SETTLEMENT IS FAIR, JUST AND REASONABLE

12. Plaintiff and counsel have diligently investigated the claims of the Class Members. Plaintiff and Class Counsel concluded, after taking into account the disputed factual and legal issues involved in this Action, the substantial risks attending further prosecution including risks related to the outcome of certification, and the substantial benefits to be received pursuant to the compromise and settlement of the Action as set forth in the Settlement, that settlement on the terms agreed to are in the best interest of Plaintiff and the putative Class and are fair and reasonable. Plaintiff’s and Defendant’s counsel brought to bear a great deal of experience with class actions in negotiating the settlement of this case.

13. One fundamental purpose of the class action device is to promote efficiency. Resolution at this time will forestall the need for additional expensive and time-consuming litigation that could very well result in an outcome less satisfactory than that proposed under this settlement. But, before any other consideration, we have agreed to this settlement because it is objectively reasonable. The potential for resolution benefits the class members, since they do not have to wait additional years for a similar recovery. The efficiency of this litigation benefits the Court, the parties and their counsel. A class-wide resolution is the most realistic method for addressing the claims raised in this matter.

14. We have engaged in the necessary investigation in this case that made it possible for us to exercise informed judgment in those aspects of the settlement process in which we were involved. The exchange of time and wage data, wage and hour policy documents and data about the composition of the Class were sufficient to permit us counsel to adequately evaluate the settlement. We had more than enough information upon which to evaluate a fair and reasonable settlement amount.

15. We believe that the case was viable through to a trial. However, while Plaintiff asserts a belief that this is a viable case for trial, we realize that there are always significant risks associated with certification and trials, and those risks cannot be eliminated in this case. Continued litigation of this lawsuit presented Plaintiff and Defendant with substantial legal risks and costs that were (and continue to

1 be) difficult to assess. The risks in this matter include:

- 2 • the risk that Plaintiff would be unable to establish liability for allegedly unpaid straight time
3 or overtime wages, see *Duran v. US Bank Nat'l Ass'n*, 59 Cal. 4th 1, 39 & fn. 33 (2014)
4 (“*Duran*”), citing *Dilts v. Penske Logistics, LLC* 2014 WL 205039 (S.D. Cal. 2014)
5 (dismissing certified off-the-clock claims based on proof at trial);;
- 6 • the risk that Defendant’ meal and rest period policies might not ultimately support class
7 certification or a class-wide liability finding, see *Duran*, 59 Cal. 4th at 14, n. 28 (citing
8 Court of Appeal decisions favorable on class certification issue without expressing opinion
9 as to ultimate viability of proposition) given also low violation rate based on the review of
10 the sample records;
- 11 • the risk that uncertainties pertaining to the ultimate legality of Defendant’ policies and
12 practices could preclude class-wide awards of statutory penalties under Labor Code §§ 203
13 and 226(e);
- 14 • the risk that individual differences between Class Members could be construed as
15 pertaining to liability and not solely to damages, see *Duran*, 59 Cal. 4th at 19;
- 16 • the risk that any civil penalties award under the PAGA could be reduced by the Court in its
17 discretion, see Labor Code § 2699(e)(1);
- 18 • the risk that class treatment could be deemed improper as to one or more claims, except for
19 settlement purposes;
- 20 • the risk that lengthy appellate litigation could ensue;
- 21 • the risk that violation rate estimates would prove much lower than expected.

22 These risks are non-exhaustive. While we remain confident that we possess credible strategies for
23 responding to the legal and factual risks facing them, those risks cannot be disregarded. We carefully
24 considered the risks created by all of these uncontrollable factors when evaluating the reasonableness of
25 this proposed settlement. This Settlement provides a benefit to the Class Members that is very
26 reasonable in light of these particular risks.

27 16. The Settlement is the product of arm’s-length negotiations between the Parties occurring
28 throughout the litigation. In light of the uncertainties of protracted litigation and the state of the law

1 regarding the legal positions of the Parties, the settlement amount reflects the best feasible recovery for
2 the Class Members. The settlement amount is, of course, a compromise figure. By necessity it took into
3 account risks related to liability, damages, and the defenses asserted by Defendant. Moreover, each
4 Class Member will be given the opportunity to opt-out of the Settlement, allowing those who feel they
5 have claims that are greater than the benefits they can receive under this Settlement to pursue their own
6 claims. For the approximately **46** members of the Class, the average **gross** recovery is at least **\$6,195.65**
7 per Class Member, and the estimated average **net** recovery for each Class Member is approximately
8 **\$2,885.87**. Given that Defendant could challenge certification and liability, this is a significant sum to
9 have achieved in settlement. Moreover, a Class Member who worked a greater number of weeks for
10 Defendant will receive a larger share of the Settlement than a Class Member who worked for a shorter
11 amount of time during the class period.

12 17. The Gross Settlement Amount of **\$285,000.00** is about 90% of the **\$316,132.20** estimate
13 of *risk-adjusted* recovery (excluding interest) at this stage in the litigation. This assessment is based on a
14 carefully constructed model of the current fair value of the case, using estimated risks, average wage
15 rates, numbers of employees, and the amount of time covered by the class period. While Plaintiff would
16 certainly have preferred to recover more (and Defendant would have preferred to pay less), this outcome
17 is in line with a carefully constructed estimate of the current fair value of the case. On that basis, it
18 would be unwise to pass up this settlement opportunity. My maximum calculated reasonable exposure,
19 after removing implausible or extreme estimated recoveries, is **\$1,117,438.98 including** PAGA penalties.

- 20 • A reasonably estimated exposure for unpaid wages for unlawful rounding and regular rate
21 violation was calculated, with the assistance of an expert, to be approximately **\$70,039.18**.
22 However, with the risk factor discounts for certification and liability proof, the value of that
23 claim is estimated by Plaintiff's counsel to be approximately **\$50,428.21**, assuming
24 certification probability of 80% and merits success at 90%.
- 25 • A reasonably estimated exposure for unpaid off-the-clock work was calculated, with the
26 assistance of an expert, to be approximately **\$136,790.85** (5,439 workweeks x 1 hour of
27 unpaid wage per workweek, which is based on the average overtime rate of \$25.15 per hour).
28 However, with the risk factor discounts for certification and liability proof, the value of that

claim is estimated by Plaintiff's counsel to be approximately **\$16,414.90**, assuming certification probability of 40% and merits success at 30%.

- A reasonably estimated exposure for rest break violations over the class period was calculated at **\$181,553.82** (5,439 workweeks x 2rest period premium per workweek x \$16.69), but with chances of certification and proof of liability (40% and 30% respectively) for a risk-adjusted exposure of **\$21,786.46**.
- A reasonably estimated exposure for meal break violations over the class period was calculated at **\$272,330.73** (5,439 workweeks x 3meal period premium per workweek x \$16.69) with chances of certification and liability risks (80% and 60% respectively) resulting in a risk-adjusted exposure of **\$130,718.75**.
- Risk-adjusted penalty recoveries for wage statement and Labor Code § 203 penalties were estimated to be approximately **\$20,640.00** (with chances of certification and liability risks of 50% and 40% respectively) and **\$19,226.88** (with chances of certification and liability risks of 50% and 40% respectively), respectively, on maximum exposures of **\$103,200.00** (46 initial violations x \$50 statutory penalty) + [1,009 subsequent violations x \$100 statutory penalty]) and **\$96,134.00** (24 employees terminated during the three-year statute of limitation x (30 days x hourly rate of \$16.69 x 8 hours), or approximately \$4,005.6 per individual, respectively).
- A reasonably estimated exposure for unreimbursed expenses was calculated at **\$54,390.00** (5,439 workweeks x \$10 unreimbursed business expenses per workweek), with chances of certification and liability risks (60% and 50% respectively) resulting in a risk-adjusted exposure of **\$16,317.00**.
- Performing risk-adjusted valuations for all claims yields a total value in the range of **\$275,532.20**, excluding PAGA. (Id.)
- PAGA penalty exposures are commonly calculated two ways, primarily to address the issue of "stacking," which is the argument that a single incorrect act cannot result in multiple penalties all based on that one violation. Here, the approximate number of pay periods is currently estimated to be **1,055**. Using the "catch-all" \$100 penalty, and assuming one

violation for every single PAGA Pay Period, the exposure would be **\$105,500.00**. However, Counsel also, with the assistance of a data analyst, calculated all penalties that could be identified, even where that resulted in some “stacking” of penalties. The resulting exposure under that more aggressive method is **\$203,000.00** (29 aggrieved employees estimated to have worked during one-year statutory period x \$7,000.00 civil penalties). Counsel then had to determine a viable current value for this claim. Many of the claims are testimony dependent. In addition, the Court could, in the interest of justice, reduce any penalty further, once the violation was proven, considering this is PAGA allocation within class and PAGA action. The resulting risk-adjusted exposure of **\$40,600.00** PAGA penalties were calculated as having a maximum realistic exposure of **\$203,000.00**, after factoring in risks of 80% reduction in penalties pursuant to Court discretion.

As required under *Kullar v. Foot Locker Retail, Inc.*, 168 Cal. App. 4th 116 (2008) and *Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles*, 186 Cal. App. 4th 399 (2010), the maximum plausible and realistic recoveries versus the current risk-adjusted value of the claims are discussed in additional detail below:

(a) Key Class Data Elements at Time of Mediation:

- 1) Class Members: approximately 46
- 2) Work Weeks: approximately 5,439 workweeks during Class Period
- 3) PAGA Employees: approximately 29
- 4) Gross Settlement Amount: \$285,000

(b) KULLAR/MUNOZ ANALYSIS: Unpaid Wages Due to Rounding and Regular Rate Violation

- 1) Plaintiff’s claim for unpaid wages due to time rounding is based on the argument that Class Members were paid for the rounded time instead of actual time worked for Defendant. The time was rounded and as a result Class Members were harmed by that rounding. As for the regular rate violation allegation, Plaintiff’s claim is based on Defendant’s failure to incorporate monthly and semi-annual bonuses in calculation of overtime

pay rate.

2) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$70,039.18
Estimated certification probability	80%
Estimated chance of prevailing on merits	90%
Max recovery × certification risk × chance or success on merits = Present Settlement Value	\$50,428.21

(c) **KULLAR/MUNOZ ANALYSIS: Unpaid Wages Due to Off-the-Clock Work**

- 1) Plaintiff's claims for unpaid wages due to off-the-clock work is based on Defendant's practice of making Plaintiff and Class Members to clock out and continue working after the scheduled shifts and by making them wash their heavily soiled uniforms after the scheduled shifts without compensation.
- 2) Defendant denies these allegations and contends they compensated for all time.
- 3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$136,790.85
Estimated certification probability	40%
Estimated chance of prevailing on merits	30%
Max recovery × certification risk × chance or success on merits = Present Settlement Value	\$16,414.90

(d) **KULLAR/MUNOZ ANALYSIS: Meal Periods**

- 1) Plaintiff's claim for meal break violation is based on Defendant's deficient meal period written policy which does not state the timing of the meal periods, the entitlement to second meal periods and requires notification to supervisors to leave premises for breaks as well as significant facial meal

period violation rate based on the produced sample records. Employees are entitled to meal periods of at least 30 minutes before exceeding five hours of work and to second meal periods of not less than 30 minutes before exceeding 10 hours of work. For each meal period missed or taken late an employer must pay the employee an additional one hour of compensation. Labor Code § 226.7. This additional hour of compensation is referred to as “premium pay.”

- 2) Defendant denies these allegations and maintains that the obligation is simply to “provide” meal periods, not to “ensure” that they are taken. *Brinker v. Superior Court*, 53 Cal. App. 4th 1004, 1034-41 (2012) (rejecting “ensure” standard). Defendant asserts that Plaintiff’s meal period claims would not be amenable to class treatment, since individual inquiries would need to be made with respect to each specific shift that each employee missed a meal or rest period, to determine why that specific employee missed that specific meal or rest period on that specific shift.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$272,330.73
Estimated certification probability	80%
Estimated chance of prevailing on merits	60%
Max recovery × certification risk × chance of success on merits = Present Settlement Value	\$130,718.75

(e) **KULLAR/MUNOZ ANALYSIS: Rest Breaks**

- 1) Plaintiff’s claim for rest break violation is based on lack of any written policy for rest periods and routinely missed rest periods. Employees are entitled to a rest period of at least 10 minutes every four hours worked, or major fraction thereof. For each rest period missed or taken late an

1 employer must pay the employee an additional one hour of compensation.
2 Labor Code § 226.7. This additional hour of compensation is referred to as
3 “premium pay.”

- 4 2) Defendant maintains that the obligation is simply to “authorize and permit”
5 rest periods, not to “ensure” that they are taken. *Brinker v. Superior Court*,
6 53 Cal. App. 4th 1004, 1034-41 (2012) (rejecting “ensure” standard).
7 Furthermore, Defendant contend that any failure to take rest breaks was a
8 result of employee choice, not of any policy or practice of Defendant.
9 Finally, Defendant assert that Plaintiff’s rest breaks claims would not be
10 amenable to class treatment, since individual inquires would need to be
11 made with respect to each specific shift that each employee missed a rest
12 period, to determine why that specific employee missed that specific rest
13 break on that specific shift.

14 3) **Risk-adjusted Exposure Analysis:**

15 Calculated maximum recovery:	\$181,553.82
16 Estimated certification probability	40%
17 Estimated chance of prevailing on merits	30%
18 Max recovery × certification risk × chance or success 19 on merits = Present Settlement Value	\$21,786.46

20
21 (f) **KULLAR/MUNOZ ANALYSIS: Late Pay Penalties Under Labor Code § 203**

- 22 1) Labor Code § 203 provides that if an employer fails to pay an employee all
23 wages due at termination or within 72 hours of resignation, then that
24 employee’s wages shall continue as a penalty until paid for a period of up
25 to thirty (30) days from the date they were due. Because class members
26 stopped working for Defendant but again were not paid their full
27 compensation for the reasons discussed above, class members did not
28

1 receive all wages due upon termination of employment.

- 2 2) Defendant argues that a good-faith belief in the legality of its employment
3 practices precludes a finding that any withholding of wages was “willful.”
4 See Cal. Code Regs. § 13520 [good-faith dispute exists to a claim for
5 waiting time penalties “when an employer presents a defense, based in law
6 or fact which, if successful, would preclude any recovery on the part of the
7 employee. The fact that a defense is ultimately unsuccessful will not
8 preclude a finding that a good faith dispute did exist.”].) Defendant further
9 maintains that because of viable defenses in both law and fact that waiting-
10 time penalties could not be awarded and, in any case, such penalties were
11 subject to a three-year limitations period under Labor Code § 203(b) and an
12 arbitration agreement that would bar class treatment.

20 (g) **KULLAR/MUNOZ ANALYSIS: Wage Statement Violations**

- 21 1) Plaintiff also alleged a cause of action under Labor Code § 226(a) for not
22 including all wages, or meal and rest break premiums, overtime and double
23 time rate, the total number of hours, the employer’s address and accrued
24 sick leave in the wage statements. That section states that an employer must
25 provide an accurate itemized wage statement twice a month or each time
26 wages are paid, whichever is the more frequent. Failure to do so entitles
27 employees to recover the greater of all actual damages or fifty dollars (\$50)
28

for the initial pay period in which a violation occurs and one hundred dollars (\$100) for each violation in a subsequent pay period, not exceeding an aggregate penalty of four thousand dollars (\$4,000). See Labor Code § 226(e).

- 2) Defendant contends that Labor Code § 226(e) penalties are not automatic. Rather, the employee must show that he or she suffered injury from the employer's failure to provide compliant wage statements, and that Defendant's noncompliance was knowing and intentional. Defendant contends that class members suffered no injury from any failure to issue compliant wage statements and, furthermore, that any noncompliance was not knowing and intentional. The parties discussed these issues, and in light of these and other considerations Class Counsel factored in a reduction of liability and damages for this cause of action.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$103,200.00
Estimated certification probability	50%
Estimated chance of prevailing on merits	40%
Max recovery × certification risk × chance of success on merits = Present Settlement Value	\$20,640.00

(h) **KULLAR/MUNOZ ANALYSIS: Unreimbursed Expenses Under Labor Code § 2802**

- 1) Plaintiff also alleged a cause of action under Labor Code § 2802 for failure to reimburse all necessary expenses. Under Labor Code § 2802, "an employer shall indemnify his or her employee for all necessary expenditures... incurred by the employee in direct consequence of the discharge of his or her duties." Lab. Code § 2802. Plaintiff's claim for unreimbursed expenses is based upon allegation that Plaintiff and Class

Members were required to use their personal cellular telephones to communicate with co-workers and supervisors regarding the work assignments and wash their heavily soiled uniforms without reimbursement.

- 2) Defendant contends that Class Members did not incur significant expenses, and that they were not required to use their personal cell phones.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$54,390.00
Estimated certification probability	60%
Estimated chance of prevailing on merits	50%
Max recovery × certification risk × chance of success on merits = Present Settlement Value	\$16,317.00

(i) **QUASI- KULLAR/MUNOZ ANALYSIS: PAGA**

- 1) The Labor Code Private Attorneys General Act, Labor Code § 2699 *et seq.*, allows Plaintiff to obtain civil penalties on behalf of himself and other class members for Defendant's violation of any provision of the Labor Code enumerated under Labor Code § 2699.5. Where civil penalties are provided in the statute, those civil penalties are recoverable; where no civil penalties are recoverable, Labor Code § 2699(f) establishes civil penalties of one (\$100) for each aggrieved employee per pay period for the initial violation and two hundred dollars (\$200) for each aggrieved employee per pay period for each subsequent violation. Pursuant to Labor Code § 2699(i), seventy-five (75) percent of the penalties recovered must be allocated to the Labor and Workforce Development Agency (LWDA), with the remaining twenty-five (25) percent allocated to the affected employees. The limitations period is one year prior to the filing of the complaint.

2) The provisions of the Labor Code potentially triggering PAGA penalties in this case include but are not limited to Labor Code §§ 203, 226(a), 226.7, and 510. Defendant asserted that if PAGA penalties were mandatory, an employer's PAGA liability would be huge because of the possibility of collecting multiple civil penalties for a single violation, and thus such penalties would almost always dwarf the damages available under the causes of action proper. However, PAGA penalties are not mandatory but permissive. Labor Code § 2699(e)(2) states that "a court may award a lesser amount than the maximum civil penalty amount specified by this part if, based on the facts and circumstances of the particular case, to do otherwise would result in an award that is unjust, arbitrary and oppressive, or confiscatory." *See also Thurman v. Bayshore Transit Management, Inc.*, 203 Cal. App. 4th 1112, 1135 (2012) [affirming reduction of PAGA penalties].) Defendant here maintains that they have a strong argument that it would be unjust to award maximum PAGA penalties.

3) Furthermore, PAGA penalties are also completely derivative of each and every other claim. Finally, under *Amaral v. Cintas Corp.*, 163 Cal. App. 4th 1157(2008), it can be argued that penalties under PAGA could, at best, be awarded only at the rates obtainable for initial violations under the applicable statutes, because Defendant had never been notified of the alleged violations. *Id.*, at 1208, 1209.

4) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$203,000.00
Discount reduction factor for risk of Court reduction and uncertainty of proof for all aggrieved employees	20%
Max recovery × risk reduction = Present Settlement Value	\$40,600.00

1 With the assistance of Class Counsel's retained damages expert, Class
2 Counsel estimated Defendant's maximum total reasonable exposure on the
3 PAGA claim at approximately **\$203,000.00**. This number presupposes
4 underlying claims are proven at a plausible rate and that the Court awards
5 the full base penalties for each. Class Counsel then applied discounts in
6 light of the countervailing arguments with regard to the other causes of
7 action, and the Court's power to award "a lesser amount than the maximum
8 civil liability." Accordingly, due to the speculative nature of a valuation for
9 this claim, a discount of **80%** was applied to account for the difficulty of
10 prevailing on this claim.

11 (j) **Kullar Summary:** Indulging the most optimistic estimates and improbably
12 favorable outcomes, the maximum reasonable recovery is estimated to be
13 approximately **\$1,117,438.98**, including PAGA. The settlement amount is about
14 **26%** of that amount. The calculated current settlement value is **\$316,132.20**
15 (calculated by adding the risk-adjusted amounts in the charts above together), and
16 the settlement is **90%** of the current risk-adjusted settlement value. The bottom
17 line is that the settlement is about 26% of the maximum plausible recovery for the
18 46 Class Members, and it is a reasonable settlement, given that the full amount is
19 very unlikely to be recovered.

20 18. This result here is fully supportable as reasonable. First, it is important to recognize the
21 wilfulness finding required for Labor Code §§ 203 and 226 is challenging to establish. Second, rest
22 break and meal period claims have been challenging to certify for many years, even after *Brinker*. Many
23 risks are eliminated through settlement. And, with respect to those risks, certification rates in California
24 are **lower** than conventional wisdom holds. See, e.g., H. Scott Leviant, *Second Interim Report on class*
25 *actions in California sheds new light on certification* (February 19, 2010),
26 [www.thecomplexlitigator.com](http://www.thecomplexlitigator.com/post-data/2010/2/19/second-interim-report-on-class-actions-in-california-sheds-n.html), available at [http://www.thecomplexlitigator.com/post-](http://www.thecomplexlitigator.com/post-data/2010/2/19/second-interim-report-on-class-actions-in-california-sheds-n.html)

28 *the Study of California Class Action Litigation, 2000-2006*, available at

1 <http://www.courtinfo.ca.gov/reference/documents/class-action-lit-study.pdf> (finding, at page 5, and in
2 Table 9, at page 15, that only 21.4% of all class actions were certified either as part of a settlement **or** as
3 part of a contested certification motion). Here, the estimated certification probabilities are **above** the
4 average rate at which cases were certified in California over the study years, based upon data available
5 through the California Courts websites. In sum, well *under* 20% of all cases filed as proposed class
6 actions are ultimately certified by way of a *contested* motion. Since the recovery is roughly **26%** of the
7 maximum theoretical recovery, it meets the expected outcome under that metric. This Settlement
8 achieves the goals of the litigation.

9 19. To the best of my knowledge, there are no other like class claims asserted or filed by
10 Class Members. To the best of my knowledge, no Class Member has refrained from bringing an action
11 with claims similar to those raised in the Action, whether in reliance on the Action or otherwise, and who
12 thus might be prejudiced by entering the Judgment in this Action.

13 THE EXPERIENCE OF CLASS COUNSEL

14 20. I am a founding partner of Tunyan Law, APC and has been engaged in the practice of
15 employment and labor law for about six years focusing exclusively on plaintiffs' employment law and
16 wage-and-hour class actions and more than twenty-six years in practice of law in general. I have handled
17 hundreds of wage-related class and PAGA actions.

18 21. Prior to establishing my own practice, I was an associate attorney at Moon & Yang, APC and
19 Mahoney Law Group, APC. Since I was admitted to the California Bar, my practice has focused mainly
20 on labor and employment class action lawsuits involving California and federal labor laws. Along with
21 those firm's other attorneys I have successfully settled more than 50 class and PAGA matters during that
22 time span and was routinely appointed lead or co-lead class counsel in courts in California including by
23 way of motion for class certification. I have additionally successfully settled about 30 class and PAGA
24 matters during the last two and a half years prior to filing this motion.

25 22. I received my Juris Doctorate from the State Yerevan University and my LL.M. from
26 University of Minnesota Law School. Prior to moving to California and starting to practice law in
27 California I practiced law in Armenia for about twenty years as a licensed attorney. I have been general
28 counsel and head of legal department for big telecommunication and financial corporations in Armenia

1 for the last 12 years prior to moving to California. I managed corporate legal department and corporate
2 legal and regulatory affairs and handled complex litigation matters as well as complex transactions for
3 many years.

4 23. I am a current member of the California Employment Lawyers Association (CELA). I
5 have been an active member of the State Bar of California in good standing.

6 24. I am experienced in prosecuting employment matters, particularly class actions, and I focused
7 a substantial percentage of my practice on wage, hour, and working conditions violations. In addition to
8 the present case, I represented Plaintiff and the class members and have extensively worked on many
9 wage-and-hour class cases and have been appointed as class or PAGA counsel along with other counsel
10 and co-counsel for wage-and-hour class action lawsuits in various counties throughout California such as:

17 25. Artur Tunyan is another partner and attorney at Tunyan Law, APC. He received his Juris
18 Doctorate from the State Yerevan University and his LL.M. from the American University of Armenia
19 and University of Illinois Chicago, School of Law. Prior to moving to California and starting to practice
20 law in California he practiced law in Armenia for about twenty-five years. He oversaw international
21 donor-funded projects for the judiciary and managed public-private partnership initiatives in sectors such
22 as energy, banking, finance, and aviation. He managed complex transactions and litigation matters for
23 many years.

24 26. My current contingent billing rate is consistent with my practice area, legal market and
25 accepted hourly rates considering also that I practiced law in another country for additional 20 years
26 which brings a total of almost 25 years of experience practicing law. The 2024-2025 Adjusted Laffey
27 Matrix states that an attorney with 4 to 7 years experience can reasonably charge \$581 per hour. See

30. In the past six years, I have settled many wage-and-hour class actions. Just as the Court in *Chavez v. Netflix, Inc.*, 162 Cal. App. 4th 43, 66, n.11 (2008) observed, it has been my experience, that attorney fee awards of one-third of a common settlement fund are the rule, rather than the exception. Here, Class Counsel agrees that they will seek no more than one third of the settlement amount in fees. This is consistent with common practice, consistent with Ninth Circuit practice, consistent with California law approving the percentage of the fund method to award fees from a common fund, *Laffitte v. Robert Half Intern. Inc.*, 1 Cal. 5th 480, 503 (2016), and not inappropriate in light of the many hours expended by attorneys and paralegals performing work for Plaintiff before and after the filing of this matter. That work includes:

DECLARATION OF LILIT TUNYAN IN SUPPORT OF PLAINTIFF'S MOTION FOR PRELIMINARY APPROVAL OF CLASS AND PAGA REPRESENTATIVE ACTION SETTLEMENT

- (b) Investigation of the matter and exploring the corporate structure of Defendant;
- (c) Legal research of claims in this Action;
- (d) Legal research and investigation regarding the Defendant's practices at numerous points in the litigation;
- (e) Preparation of multiple drafts of the original complaint and finalization and filing of the original complaint;
- (f) Preparation and filing of First Amended Complaint;
- (g) Extensive "meet and confer" efforts with Defendant's counsel regarding obtaining relevant documents and information through informal discovery and selecting a mediator and mediation date;
- (h) Attending court hearings;
- (i) Drafting the LWDA Notice letter;
- (j) Drafting joint statements and joint stipulations;
- (k) Review of payroll and time data;
- (l) Working with opposing counsel for the receipt of a representative sampling and analyzing the same with the aid of expert consultants and Plaintiff to perform analyses of liability and exposure;
- (m) Preparation of a damages model with the aid of a statistics expert, review and revisions to the damage model and supporting data analysis;
- (n) Conferences with Defendant's counsel regarding mediation, sample data and settlement negotiations;
- (o) Preparing mediation brief;
- (p) Attending mediation;
- (q) Communicating with Plaintiff regarding this matter;
- (r) Drafting, negotiating, and reviewing multiple drafts of the Settlement Agreement and attachments;
- (s) Preparation of the initial motion for preliminary approval and multiple revisions thereafter.

31. I anticipate that Class Counsel will spend an additional 35 hours on this matter, appearing at the hearing of preliminary approval, answering class member calls, working with the administrator to finalize documents in mailing format, conferring with counsel over any notice issues, drafting the final approval motion and motion for fees and costs, appearing at the final approval hearing, and resolving any post-approval issues that may arise, and appearing at a final accounting hearing. Class Counsel has also incurred costs in this matter that will be detailed at the time final approval is sought. Class Counsel has agreed to a cap on recoverable costs of \$23,000, and if total incurred costs exceed the cap, Class Counsel will request no more than the agreed-upon cap.

THE CONTRIBUTION OF PLAINTIFF AND THE REASONABLENESS OF THE REQUESTED
SERRVICE AWARD

32. Here, Plaintiff seeks a Service Award of **\$10,000.00**. This amount is very reasonable given the risks undertaken by Plaintiff for involvement in the Action. Taking the risk of filing a lawsuit against an employer deserves recognition, especially in light of the settlement achieved by Plaintiff. Additionally, Plaintiff was actively involved in the litigation, discovery, mediation and settlement negotiations of this Action, expending considerable effort in advancing the interests of the Class. Plaintiff provided information to counsel before the filing of this matter; actively assisted with informal discovery and settlement process (which included conferring with counsel prior to mediation, during the mediation and after the mediation); and, regularly conferred with counsel regarding the case whenever questions arose. I estimate that Plaintiff contributed dozens of hours of time to the prosecution of this matter. Plaintiff's declaration also confirms that Plaintiff was an active participant in the filing and settlement of this case. Most importantly, this litigation has also resulted in a valuable benefit to the Class Members who will participate in the monetary payout of this Settlement because of Plaintiff's involvement. As a result of this Settlement, Class Members are receiving significant amounts in Settlement checks. For example, the net average payment per Class Member is at least \$2,885.87. The enhancement also recognizes the considerable risks Plaintiff undertook on behalf of the Class as well as the personal risk of facing intrusive discovery and potential disclosure to future employers that Plaintiff sued a former employer, making future employment prospects uncertain and that Plaintiff releases claims beyond wage-and-hour claims released by Class Members.

CLASS CERTIFICATION

35. The class is sufficiently numerous. Based upon Defendant's records, Defendant represented that there are approximately 46 Class Members as of August 29, 2025.

37. Common *issues* exist. Here, Class Members have shared a common interest in determining whether Defendant violated wage and hour requirements under state and related federal

1 law, including the following issues: i. Whether or not Defendant paid proper wages and sick pay to the
2 Class; ii. Whether or not Defendant provided meal periods to the Class; iii. Whether or not Defendant
3 provided rest periods to the Class; iv. Whether or not Defendant paid compensation timely upon
4 separation of employment to former Class Members; v. Whether or not Defendant paid compensation
5 timely throughout Class Members' employment; vi. Whether or not Defendant provided accurate
6 itemized wage statements to the Class; vii. Whether or not waiting-time penalties are available to the
7 Class for violation of California Labor Code § 203; viii. Whether or not Defendant reimbursed for
8 necessary business expenses pursuant to California Labor Code § 2802; ix. Whether or not Defendant
9 engaged in unlawful or unfair business practices affecting the Class in violation of California Business
10 and Professions Code §§ 17200-17208; and x. Whether or not Plaintiff and the Class are entitled to
11 penalties pursuant to PAGA.

12 38. From our review of the documentation provided, we determined that for purposes of
13 these claims, Defendant's policies and practices are either identical, or sufficiently similar, to raise the
14 same questions of liability, and applied to all Class Members. Because Class Members would have to
15 prove the same issues of law and fact to prevail, and because their potential legal remedies are identical,
16 it would be preferable to resolve all Class Members' claims by means of the Settlement than to require
17 each Class Member to litigate his or her individual claims. Therefore, common questions predominate
18 over any questions that may be unique to individual Class Members, and class-wide settlement is
19 superior to any other method of resolution.

20 39. My declaration, in Paragraphs above, summarizes the firm's experience that establishes
21 its adequacy to represent the Class. Plaintiff's counsel has no known conflicts of interest with absent
22 Class Members. Plaintiff has demonstrated, through participation in this action, a willingness to serve
23 as a representative for the Class. Plaintiff has no known conflicts of interest with absent Class
24 Members and have agreed to place the class interests above Plaintiff's own. Plaintiff's actions also
25 demonstrate adequacy.

26 40. By consolidating all of these potential individual actions into one proceeding, this
27 Court's use of the class action device enables it to manage this litigation in a manner that serves the
28 economics of time, effort and expense for the litigants and the judicial system. Absent class treatment,

1 similarly situated employees with small but potentially meritorious claims for damages would, as a
2 practical matter, have no means of redress because of the time, effort and expense required to prosecute
3 individual actions. Moreover, in the context of settlement, superiority concerns are almost non-
4 existent, since case management is controlled and a methodology for trial need not be identified.

To the extent the Administration Expenses are less or the Court approves payment less than \$7,000.00, the Administrator will retain the remainder in the Net Settlement Amount. The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$6,250.00) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for

any taxes owed on their Individual PAGA Payment.

3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.3. Funding of Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than fifteen (15) days after the Effective Date.

Within fourteen (14) days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class

Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date when the check will be voided, which date shall be one hundred eighty (180) days after the date of mailing. The Administrator will cancel all checks not cashed by the void date. The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within seven (7) days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA

Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure § 384(b).

4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

7.4.2. Using best efforts to perform as soon as possible, and in no event later than fourteen (14) days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice (with Spanish translation) substantially in the form attached to this Agreement as **Exhibit A**. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

7.4.3. Not later than three (3) business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

7.4.4. The deadlines for Class Members’ written objections, Challenges to Workweeks

and/or Pay Periods, and Requests for Exclusion will be extended an additional fourteen (14) days beyond the forty-five (45) days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

7.4.5. If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than fourteen (14) days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

7.5. Requests for Exclusion (Opt-Outs).

7.5.1. Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than forty-five (45) days after the Administrator mails the Class Notice or as otherwise extended for re-mailed Class Notices as described herein. A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline, subject to extension for re-mailed Class Notices as described herein.

7.5.2. The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator

1 shall accept any Request for Exclusion as valid if the Administrator can reasonably
2 ascertain the identity of the person as a Class Member and the Class Member's
3 desire to be excluded. The Administrator's determination shall be final and not
4 appealable or otherwise susceptible to challenge. If the Administrator has reason to
5 question the authenticity of a Request for Exclusion, the Administrator may
6 demand additional proof of the Class Member's identity. The Administrator's
7 determination of authenticity shall be final and not appealable or otherwise
8 susceptible to challenge.

9 7.5.3. Every Class Member who does not submit a timely and valid Request for
10 Exclusion is deemed to be a Participating Class Member under this Agreement,
11 entitled to all benefits and bound by all terms and conditions of the Settlement,
12 including the Participating Class Members' Releases under Paragraphs 5.2 and 5.3
13 of this Agreement, regardless whether the Participating Class Member actually
14 receives the Class Notice or objects to the Settlement.

15 7.5.4. Every Class Member who submits a valid and timely Request for Exclusion is a
16 Non-Participating Class Member and shall not receive an Individual Class
17 Payment or have the right to object to the class action components of the
18 Settlement. Because future PAGA claims are subject to claim preclusion upon
19 entry of the Judgment, Non-Participating Class Members who are Aggrieved
20 Employees are deemed to release the claims identified in Paragraph 5.4 of this
21 Agreement and are eligible for an Individual PAGA Payment.

22 7.6. Challenges to Calculation of Workweeks. Each Class Member shall have forty-five (45)
23 days after the Administrator mails the Class Notice, or as otherwise extended for re-mailed
24 Class Notices as described herein, to challenge the number of Workweeks and PAGA Pay
25 Periods (if any) allocated to the Class Member in the Class Notice. The Class Member
26 may challenge the allocation by communicating with the Administrator via fax, email or
27 mail. The Administrator must encourage the challenging Class Member to submit
28 supporting documentation. In the absence of any contrary documentation, the

Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

7.7. Objections to Settlement.

7.7.1. Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

7.7.2. Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline, or as otherwise extended for re-mailed Class Notices as described herein.

7.7.3. Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

7.8.1. Website, Email Address and Toll-Free Number. The Administrator will post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, the Class Notice, the Final Approval and the Judgment on the Administrator's website. The Administrator will also maintain and monitor an email address and a toll-free

telephone number to receive Class Member calls, faxes and emails.

7.8.2. Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than five (5) days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

7.8.3. Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include provide the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

7.8.4. Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.

7.8.5. Administrator’s Declaration. Not later than fourteen (14) days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance

with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

7.8.6. Final Report by Settlement Administrator. Within fourteen (14) days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least fourteen (14) days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. CLASS SIZE ESTIMATES and ESCALATOR CLAUSE

Based on its records, Defendant estimates that, as of August 29, 2025, the number of Workweeks during the Class Period is estimated to be 5,439. The parties stipulate to a 10% escalation of the estimated workweeks without any increase to the GSA. If the number of actual Workweeks during the Class Period exceeds 10% of the estimated workweeks (i.e., exceeds 5,983 Workweeks), Defendant can either have the Class Period end on the date that the Workweeks exceed 5,983 or increase the GSA by a pro-rata dollar value equal to the number of Workweeks in excess of 5,983 workweeks. For example, if the number of Workweeks increase by 12%, Defendant shall have the option to increase the Gross Settlement Amount by 2%. In the alternative, Defendant may elect to shorten the Class Period in order to stay within the 10% cushion.

9. DEFENDANT’S RIGHT TO WITHDRAW

If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 20% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven (7) days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

10. MOTION FOR FINAL APPROVAL.

Not later than sixteen (16) court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code § 2699(*l*), a Proposed Final Approval Order and a proposed Judgment (collectively “Motion for Final Approval”). Plaintiff shall provide drafts of these documents to Defense Counsel not later than five (5) days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

10.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

10.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court’s concerns by revising the Agreement as necessary to obtain Final Approval.

10.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the

1 Court will retain jurisdiction over the Parties, Action, and the Settlement solely for
2 purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement
3 administration matters, and (iii) addressing such post-Judgment matters as are permitted by
4 law.

5 10.4. Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and
6 conditions of this Agreement, specifically including the Class Counsel Fees Payment and
7 Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the
8 Parties, their respective counsel, and all Participating Class Members who did not object to
9 the Settlement as provided in this Agreement, waive all rights to appeal from the
10 Judgment, including all rights to post-judgment and appellate proceedings, the right to file
11 motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The
12 waiver of appeal does not include any waiver of the right to oppose such motions, writs or
13 appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this
14 Agreement will be suspended until such time as the appeal is finally resolved and the
15 Judgment becomes final, except as to matters that do not affect the amount of the Net
16 Settlement Amount.

17 10.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the
18 reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a
19 material modification of this Agreement (including, but not limited to, the scope of release
20 to be granted by Class Members), this Agreement shall be null and void. The Parties shall
21 nevertheless expeditiously work together in good faith to address the appellate court's
22 concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis,
23 any additional Administration Expenses reasonably incurred after remittitur. An appellate
24 decision to vacate, reverse, or modify the Court's award of the Class Representative
25 Service Payment or any payments to Class Counsel shall not constitute a material
26 modification of the Judgment within the meaning of this paragraph, as long as the Gross
27 Settlement Amount remains unchanged.
28

1 **11. AMENDED JUDGMENT.**

2 If any amended judgment is required under Code of Civil Procedure § 384, the Parties will work together
3 in good faith to jointly submit and a proposed amended judgment.

4
5 **12. ADDITIONAL PROVISIONS.**

6 12.1. No Admission of Liability, Class Certification or Representative Manageability for Other
7 Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in
8 this Agreement is intended or should be construed as an admission by Defendant that any of the
9 allegations in the Operative Complaint have merit or that Defendant has any liability for any claims
10 asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in
11 the Action have merit. The Parties agree that class certification and representative treatment is for
12 purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final
13 Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any
14 reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves
15 the right to move for class certification on any grounds available and to contest Defendant's defenses. The
16 Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will
17 not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the
18 Settlement and this Agreement).

19 12.2. Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant and
20 Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed,
21 they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to
22 disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or
23 generally, to any person, corporation, association, government agency, or other entity except: (1) to the
24 Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement
25 confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate
26 taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or
27 subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each
28 other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class

Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that “the matter was resolved,” or words to that effect. This paragraph does not restrict Class Counsel’s communications with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.

12.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel’s ability to communicate with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.

12.4. No Publicity. Plaintiff and Plaintiff’s Counsel will not contact the media about the settlement or respond to any inquiries by the media regarding the Settlement, other than to state that the matter was amicably settled, and the Court did not find Defendant liable. Plaintiff and his respective counsel also will not post any information about the settlement on social media or their firms' websites.

12.5. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

12.6. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

12.7. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become

necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

12.8. No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.

12.9. No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

12.10. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.

12.11. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.

12.12. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.

12.13. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

12.14. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

12.15. Use and Return of Class Data. Information provided to Class Counsel pursuant to Evidence Code § 1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in

any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant.

12.16. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.

12.17. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.

12.18. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR
FINAL COURT APPROVAL**

Gomez v. Sigma Companies International Corp.
San Bernardino Superior Court Case No. CIVSB2404346

*The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.*

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Defendant SIGMA COMPANIES INTERNATIONAL CORP. (“Defendant”) for alleged wage and hour violations. The Action was filed by former Defendant’s employee plaintiff Roberto Gomez (“Plaintiff”) and seeks payment of back wages, penalties, expense reimbursements for all persons who are employed or have been employed as an hourly employee by Defendant, including current and former non-exempt staffing agency employees who worked for Defendant, in the State of California (“Class Members”) at any time during the Class Period (January 31, 2020 through -----) and (2) penalties under the California Private Attorney General Act (“PAGA”) for all persons who are employed or have been employed as an hourly employee by Defendant, including current and former non-exempt staffing agency employees who worked for Defendant, in the State of California (“Aggrieved Employees”) one or more pay periods during the PAGA Period (January 31, 2023 through -----).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$ [REDACTED] (less withholding) and your Individual PAGA Payment is estimated to be \$ [REDACTED]**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked [REDACTED] workweeks** during the Class Period and **you worked [REDACTED] pay periods** during the PAGA Period. If you believe that you worked more workweeks or pay periods during any of the respective periods, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don’t have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

DEFENDANT will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [REDACTED]	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by [REDACTED]	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the [REDACTED] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [REDACTED]. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [REDACTED]	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [REDACTED]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former Defendant's employee. The Action accuses Defendant of violating California labor laws by failing to pay all wages and sick pay, wages due upon termination and reimbursable expenses and failing to provide meal periods, rest breaks and accurate itemized wage statements. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Tunyan Law, APC ("Class Counsel.")

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiff is correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator Tagore Subramaniam in an effort to resolve the Action by negotiating to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant have agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$285,000.00 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the California Labor and Workforce Development Agency (“LWDA”). Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement not more than fifteen (15) days after the Judgment entered by the Court becomes final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$95,000.00 (33 and 1/3% of the Gross Settlement] to Class Counsel for attorneys’ fees and up to \$23,000.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000.00 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive for representing the Class in this Action other than Plaintiff’s Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$7,000.00 to the Administrator for services administering the Settlement (estimated to be \$5,500.00).
 - D. Up to \$25,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net

Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.

4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of 20 % of each Individual Class Payment to taxable wages (“Wage Portion”) and 80% to interest and penalties (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name. If the monies represented by your check is sent to the Controller’s Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.
6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [REDACTED], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [REDACTED] Response Deadline. The Request for Exclusion should be a signed letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.
8. Administrator. The Court has appointed a neutral company, Phoenix Class Action Administration Solutions (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.

9. Participating Class Members' Release. After the Judgment is final and Defendant has fully funded the Gross Settlement Amount and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of another lawsuit against Defendant or Released Parties for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release the Released Parties from (i) all claims that were alleged, or reasonably could have been alleged, based on the factual allegations and primary rights stated in the Operative Complaint, including all claims under Labor Code §§ 201, 202, 203, 226(a), 226.7, 510, 512, 1194, 1194.2, 1199; Wage Order 1-2001; and Business & Professions Code § 17200; and claims for failure to pay minimum wages and/or overtime, failure to provide meal breaks, wage statement violations, waiting time penalties, and unfair competition. Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees' PAGA Release. After the Court's judgment is final, and Defendant has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Defendant or Released Parties based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases are as follows:

All Aggrieved Employees, and the LWDA, are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the factual allegations and primary rights stated in the Operative Complaint and the PAGA Notice letter, including PAGA penalties for violations of Labor Code §§ 201, 202, 203, 226(a), 226.7, 510, 512, 1194, 1194.2, 1199; Wage Order 1-2001; failure to pay minimum wages and/or overtime, failure to provide meal breaks, wage statement violations, waiting time penalties.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$6,250.00 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.

3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until [REDACTED] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Gomez v. Sigma Companies International Corp.*, Case N CIVSB2404346 pending in San Bernardino Superior Court, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [REDACTED], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Defendant are asking the Court to approve. At least 16 days before the [REDACTED] Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, approval of Counsel's Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the

Administrator's Website [REDACTED] or the Court's website <https://cap.sb-court.org/search>.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is [REDACTED]**. Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action and include your name, current address, telephone number, and approximate dates of employment for Defendant and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. **NOTICE OF LABOR CODE VIOLATIONS PURSUANT TO
LABOR CODE SECTION § 2698 ET SEQ.**

Re: Gomez v. Sigma Companies International Corp.

To Whom It May Concern:

Please be advised that The Sentinel Firm, APC has been retained by Roberto Gomez (“Plaintiff”) to pursue a Labor Code Private Attorney General Act (PAGA) representative action (Cal. Lab. Code §§ 2699, *et seq.*) against his former employer Sigma Companies International Corp. (“Defendant”). Pursuant to the joint prosecution and fee sharing agreement entered between Tunyan Law, APC and The Sentinel Firm, APC and Plaintiff’s written consent to joint prosecution and fee sharing agreement, Tunyan Law, APC and The Sentinel Firm, APC will be jointly prosecuting Plaintiff’s action against Defendant. The purpose of this letter is to comply with PAGA and set forth the facts and theories of California Labor Code violations which

Plaintiff alleges Defendant engaged in with respect to Plaintiff and all of Defendant's aggrieved employees.

Plaintiff wishes to pursue a PAGA representative action on behalf of himself as an aggrieved employee, on behalf of the State of California, and on behalf of all other current and former aggrieved employees who worked for Defendant in California as an hourly paid, non-exempt employee at any time within the applicable statutory period (hereafter, the "Aggrieved Employees").

Plaintiff and the Aggrieved Employees of Defendant suffered the Labor Code violations described below.

Factual Background Regarding Plaintiff's Employment with Defendant

Defendant owns and operates an industry, business, and establishment within the State of California, including San Bernardino County. As such, Defendant is subject to the California Labor Code and the Wage Orders issued by the Industrial Welfare Commission ("IWC").

Plaintiff worked for Defendant as a painter from approximately October 2017 to October 2023, primarily in San Bernardino County. Defendant classified Plaintiff as non-exempt from overtime. During the time period that Plaintiff was employed by Defendant, Plaintiff typically worked 5-6 days per week and over 11 hours each workday.

Throughout Plaintiff's employment, Defendant committed numerous labor code violations under state law. As discussed below, Plaintiff's experience working for Defendant was typical and illustrative.

Failure to Pay for All Hours Worked, Including Overtime

Under California law, an employer must pay for all hours worked by an employee. "Hours worked" is the time during which an employee is subject to the control of an employer and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

In addition, Labor Code § 510 provides that employees in California shall not be employed more than eight (8) hours in any workday or forty (40) hours in a workweek unless they receive additional compensation beyond their regular wages in amounts specified by law.

Labor Code §§ 1194 and 1198 also provide that employees in California shall not be employed more than eight hours in any workday unless they receive additional compensation beyond their regular wages in amounts specified by law. Additionally, Labor Code § 1198 states that the employment of an employee for longer hours than those fixed by the Industrial Welfare Commission is unlawful.

Throughout the statutory time period, Defendant maintained a policy and practice of failing to pay Plaintiff and the Aggrieved Employees for all hours worked. Defendant regularly used a system of time rounding in a manner that resulted, over a period of time, in failing to compensate Plaintiff and the Aggrieved Employees properly for all the time they have actually worked, even though the realities of Defendant's operations are such that it is possible, practical, and feasible to count and pay for work time to the minute. Accordingly, Defendant frequently paid Plaintiff and the Aggrieved Employees less than all their work time. Some of this unpaid work also should have been paid at the overtime rate. Throughout the statutory period, Plaintiff and the Aggrieved Employees received additional remuneration in the form of biweekly and semi-annual bonuses. However, Defendant has not compensated Plaintiff and the Aggrieved Employees at the proper overtime rate. Defendant did not include the additional remuneration paid to Plaintiff and the Aggrieved Employees in the regular rate of pay for purposes of calculating overtime rate of pay. Throughout the statutory period, Defendant also maintained a policy and practice of requiring Plaintiff and the Aggrieved Employees to perform work "off-the-clock". Defendant required Plaintiff and the Aggrieved Employees to clock out at the end of their shifts and to continue working. Additionally, Plaintiff and the Aggrieved Employees were also required to wash their heavily soiled uniforms after the scheduled shift hours. Starting approximately from March 2020 Defendant required Plaintiff and the Aggrieved Employees to undergo COVID pre-screening prior to clocking in to work but failed to compensate for that time. In maintaining a practice of not paying all wages owed, Defendant failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked. In doing so, Defendant also failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 558, 1197.1, and 2699(f)(2) for failing to pay for all hours worked, including overtime.

Failure to Provide Meal Periods

Under California law, employers have an affirmative obligation to relieve employees of all duty in order to take their first 30-minute, duty-free meal periods no later than the start of sixth hour of work in a workday, and to allow employees to take their second 30-minute, duty-free meal period no later than the start of the eleventh hour of work in the workday. Further, employees are entitled to be paid one hour of additional wages for each workday they were not provided with all required meal period(s).

Despite these legal requirements, Defendant wrongfully failed to provide Plaintiff and the Aggrieved Employees with legally compliant meal periods. Defendant regularly required Plaintiff and the Aggrieved Employees to work in excess of five consecutive hours a day without providing a 30-minute, continuous and uninterrupted, duty-free meal period for every five hours of work, or without compensating Plaintiff and the Aggrieved Employees for meal periods that were not provided by the end of the fifth hour of work or tenth hour of work. Plaintiff and the

Aggrieved Employees would often times miss or have late, interrupted or short meal periods. Most importantly, Plaintiff and the Aggrieved Employees have never been authorized or taken their second meal periods when they worked more than ten and even twelve hours during one shift. Accordingly, Defendant's policy and practice was to not provide meal periods to Plaintiff and the Aggrieved Employees in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not provided with all required meal period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for meal periods and that were not provided.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 558, and 2699(f)(2) for failing to provide meal periods and pay meal period premium wages.

Failure to Authorize and Permit Rest Periods

Employers are required by California law to authorize and permit breaks of 10 uninterrupted minutes for each four hours of work or major fraction of four hours (i.e. more than two hours). Thus, for example, if an employee's work time is 6 hours and ten minutes, the employee is entitled to two rest breaks. Each failure to authorize rest breaks as so required is itself a violation of California's rest break laws.

Defendant, however, wrongfully failed to authorize and permit Plaintiff and the Aggrieved Employees to take timely and duty-free rest periods. Defendant regularly required Plaintiff and the Aggrieved Employees to work in excess of four consecutive hours a day without Defendant authorizing and permitting them to take a 10 minute, continuous and uninterrupted, rest period for every four hours of work (or major fraction of four hours), or without compensating Plaintiff and the Aggrieved Employees for rest periods that were not authorized or permitted. Plaintiff and the Aggrieved Employees would often times miss or have interrupted or short rest periods. Plaintiff and the Aggrieved Employees have never been authorized and taken their third rest periods when they worked more than eight hours during one shift. Accordingly, Defendant's policy and practice was for Plaintiff and the Aggrieved Employees to work through rest periods and to not authorize or permit them to take any rest periods.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not authorized and permitted to take all required rest period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for rest periods and that they were not authorized and permitted to take.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 558, and 2699(f)(2) for failing to authorize and permit rest periods and pay rest period premium wages.

Failure to Maintain Accurate Records of Hours Worked

Plaintiff seeks penalties under Labor Code § 1174(d). Pursuant to Labor Code § 1174.5, any person, including any entity, employing labor who willfully fails to maintain accurate and complete records required by Labor Code § 1174 is subject to a penalty under § 1174.5. Pursuant to the applicable IWC Order § 7(A)(3), every employer shall keep time records showing when the employee begins and ends each work period. Meal periods and total hours worked daily shall also be recorded.

Defendant, however, failed to maintain accurate records of hours worked and meal periods taken or missed by Plaintiff and the Aggrieved Employees.

Defendant's failure to provide and maintain records required by the Labor Code IWC Wage Orders deprived Plaintiff and the Aggrieved Employees the ability to know, understand and question the accuracy and frequency of meal periods, and the accuracy of their hours worked stated in Defendant's records. Therefore, Plaintiff and the Aggrieved Employees had no way to dispute the resulting failure to pay wages, all of which resulted in an unjustified economic enrichment to Defendant. As a direct result, Plaintiff and the Aggrieved Employees have suffered and continue to suffer, substantial losses related to the use and enjoyment of such wages, lost interest on such wages and expenses and attorney's fees in seeking to compel Defendant to fully perform its obligation under state law, all to their respective damage in amounts according to proof at trial. As a result of Defendant's knowing failure to comply with the Labor Code and applicable IWC Wage Orders, Plaintiff and the Aggrieved Employees have also suffered an injury in that they were prevented from knowing, understanding, and disputing the wage payments paid to them.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 1174.5 for failing to maintain accurate records of hours worked and meal periods.

Failure to Reimburse and Indemnify Expenses

California Labor Code § 2802 requires employers to reimburse employees for their necessary expenditures and losses incurred as a direct consequence of the discharge of their duties or of their obedience to directions of the employer.

Throughout the statutory period, Defendant wrongfully required Plaintiff and the Aggrieved Employees to pay expenses that they incurred in direct discharge of their duties for Defendant without reimbursement. Plaintiff and the Aggrieved Employees were required to use their

personal cell phones to communicate with their supervisors regarding work but were not compensated for cell phone usage. Plaintiff and the Aggrieved Employees were also required to wash and maintain their uniforms at their own expense. Plaintiff and the Aggrieved Employees incurred these substantial expenses as a direct result of performing their job duties for Defendant, and Defendant has failed to indemnify Plaintiff and the Aggrieved Employees for these employment-related expenses.

Failure to Timely Pay All Wages at Termination

Labor Code §§ 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and that if an employee voluntarily leaves his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours previous notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

Within the applicable statute of limitations, the employment of Plaintiff and many Aggrieved Employees ended, i.e. was terminated by quitting or discharge, and the employment of others will be. However, during the relevant time period, Defendant failed, and continues to fail to pay to Plaintiff and the Aggrieved Employees, without abatement, all wages required to be paid by Labor Code sections 201 and 202 either at the time of discharge, or within seventy-two (72) hours of their leaving Defendant's employ. These unpaid wages include wages for unpaid work time, missed meal periods, and missed rest periods.

Defendant's conduct violates Labor Code §§ 201 and 202. Labor Code § 203 provides that if an employer willfully fails to pay wages owed, in accordance with sections 201 and 202, then the wages of the employee shall continue as a penalty wage from the due date, and at the same rate until paid or until an action is commenced; but the wages shall not continue for more than thirty (30) days.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendant their additionally accruing wages for each day they were not paid, at their regular hourly rate of pay, up to 30 days maximum pursuant to Labor Code § 203.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to timely pay all wages at termination.

Failure to Furnish Accurate Itemized Wage Statements

Labor Code § 226(a) provides that every employer shall furnish each of his or her employees an accurate itemized wage statement in writing showing nine pieces of information, including: (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all

deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. An employee is presumed to suffer an injury if this information is missing. Lab. Code § 226(e)(2)(B)(iii).

The statute further provides: “An employee suffering injury as a result of a knowing and intentional failure by an employer to comply with subdivision (a) is entitled to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) per employee for each violation in a subsequent pay period, not to exceed an aggregate penalty of four thousand dollars (\$4,000), and is entitled to an award of costs and reasonable attorney’s fees.” Lab. Code § 226(e)(1).

Defendant intentionally and willfully failed to provide employees with complete and accurate wage statements. The deficiencies include, among other things, the failure to list Defendant’s correct legal entity name and address, the failure to correctly list gross wages earned, the failure to correctly list the true net wages earned, including wages for meal periods that were not provided in accordance with California law, wages for rest periods that were not authorized and permitted to take in accordance with California law, and correct wages earned for all hours worked.

As a result of Defendant violating Labor Code § 226, Plaintiff and similarly Aggrieved Employees suffered injury and damage to their statutorily protected rights.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendant the greater of their actual damages caused by Defendant’s failure to comply with Labor Code § 226(a), or an aggregate penalty not exceeding \$4,000 dollars per employee.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 226.3 for failing to furnish accurate itemized wage statements.

Failure to Pay All Earned Wages Twice Per Month

Based on its failure to pay Plaintiff and the Aggrieved Employees for all wages as discussed above, Defendants also violated Labor Code § 204.

Labor Code § 204 requires employers to pay employees all earned wages two times per month on days designated in advance by the employer as the regular paydays. Labor performed between the 1st and 15th days, inclusive, of any calendar month shall be paid for between the 16th and the 26th day of the month during which the labor was performed, and labor performed between the

16th and the last day, inclusive, of any calendar month, shall be paid for between the 1st and 10th day of the following month. Lab. Code § 204(a). The requirements of this section shall be deemed satisfied by the payment of wages for weekly, biweekly, or semimonthly payroll if the wages are paid not more than seven calendar days following the close of the payroll period. Lab. Code § 204(d).

Throughout the statute of limitations period applicable to this cause of action, employees were also entitled to be paid twice a month at their regular rates, including all meal period premium wages owed, rest period premium wages owed, and wages owed for hours worked. However, during all such times, Defendant systematically failed and refused to pay the employees all wages due, and failed to pay those wages twice a month, in that employees were not paid all wages for all meal periods not provided by Defendant, all wages for all rest periods not authorized and permitted by Defendant, and all wages for all hours worked. As a result, Defendant owe employees the legally required wages for unpaid wages, and Plaintiff and the Aggrieved Employees suffered damages in those amounts.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 210 for failing to pay all earned wages twice per month.

Failure to Provide Written Notice of Available Paid Sick Leave

Labor Code § 246 (a) an employee who, on or after July 1, 2015, works in California for the same employer for 30 or more days within a year from the commencement of employment is entitled to paid sick days. Labor Code § 246 (i) requires employers to provide an employee with written notice that sets forth the amount of paid sick leave available.

During the statutory period, Defendant maintained a policy and practice of failing to provide Plaintiff and the Aggrieved Employees with the paid sick leave as well as to provide a written notice of accrued paid sick leave. On information and belief, Defendant's failure to provide an employee with written notice that sets forth the amount of paid sick leave available was not a single, isolated incident, but was instead part of Defendant's policy and practice that applied to the Aggrieved Employees.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to provide any information on accrued sick leave.

Action for Civil Penalties Under PAGA

In light of the above, Plaintiff alleges that Defendant violated the following provisions of the Labor Code with respect to the Aggrieved Employees:

1. Labor Code § 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked, including minimum wages, straight time wages and overtime wages;

2. Labor Code § 226.7, 512 and applicable Wage Orders by failing to provide meal periods;
3. Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods;
4. Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed;
5. Labor Code § 2802 by failing to reimburse and indemnify employees for expenses and losses in the direct consequence and discharge of their duties;
6. Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination;
7. Labor Code § 226 by failing to provide accurate itemized wage statements;
8. Labor Code § 204 by failing to pay all earned wages two times per month;
9. Labor Code § 246 by failing to provide paid sick leave and written notice of available paid sick leave.

Therefore, on behalf of all Aggrieved Employees, Plaintiff seeks applicable penalties related to the violations alleged above pursuant to the PAGA. These include, but are not limited to, penalties under Labor Code §§ 210, 558, 1174.5, 1197.1, 2802, 2699(f)(2).
