Defendants.

Case No.: CIVSB2403148
*[Assigned to Hon. Christian Towns, Dept S26,
for all purposes]*

**DECLARATION OF PLAINTIFF ANDRE
STOKES**

I, Andre Stokes, state and declare:

1. I am a Plaintiff in the above captioned action and have personal knowledge of all matters stated herein and could competently testify thereto. I make this declaration in support of the motion for preliminary approval of the class action settlement. I believe that the settlement is fair and reasonable and constitutes a fair resolution of the claims alleged.

2. When I first retained my attorneys (Lauby, Mankin & Lauby) and chose to pursue this case on a class action basis, I understood that I had specific burdens as the “Class Representative,” which included: (a) representing the interests of all class members, (2)

1 considering the interests of all class members above my own personal interests, (3) participating
2 actively in the lawsuit, including potential testimony at deposition and trial, and keeping
3 generally aware of the status and progress of the lawsuit. Moreover, I understood that any
4 resolution of the lawsuit is subject to court approval and must be designed in the best interests of
5 the class as a whole.

6 3. Since first initiating this action on behalf of the proposed class, I believe that I
7 have more than adequately performed my duties as a class representative. I have been an active
8 participant in this litigation, including assisting my attorneys in various ways and making myself
9 available when needed. For example, I have assisted my attorneys by compiling and analyzing
10 substantial documentation regarding the claims in this case and have also responded to formal
11 discovery. I have also helped to explain and discuss the company's practices and their general
12 practices and procedures, locating and analyzing company documents, among others. I have also
13 reviewed all settlement documents and believe that this settlement is fair for the class. Finally, I
14 will continue to take all steps necessary to finalize this settlement and obtain court approval.

15 4. Additionally, I believe that my claims are typical of the other employees (the class
16 members) because we were all subjected to the same uniform practices of the company. For
17 example, I was subjected to the same per-mile pay issues, and I was also subjected to the same
18 claims for alleged failure to reimburse business expenses.

19 5. I have no conflicts with the proposed class members and will continue to assist
20 with the litigation and prosecute the case on behalf of the other employees.

21 6. I respectfully request that the court preliminarily approve the service award. As
22 outlined above, I have performed substantial services for the Class and helped obtain a highly
23 beneficial settlement for my fellow employees. At the final approval stage, I will submit an
24 additional declaration setting forth all the work I did for this case, including an estimated number
25 of hours spent assisting the Class and my attorneys

26 I declare under penalty of perjury under the laws of the State of California that the
27 foregoing is true and correct. Executed on Aug 28, 2025 at San Bernardino, California.
