Assigned for all purposes to:
Hon. Stephanie Tanada
Dept. S33-SBJC

**NOTICE OF MOTION AND MOTION
FOR FINAL APPROVAL OF CLASS
ACTION AND PAGA SETTLEMENT**

FINAL APPROVAL HEARING

Date: December 15, 2025

Time: 8:30 a.m.

1 **TO ALL INTERESTED PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that on December 15, 2025 at 8:30 a.m., or as soon thereafter
3 as the matter may be heard in Department S33-SBJC of the above-entitled Court located at 247
4 West Third Street, San Bernardino, CA 92415, Plaintiffs Brandon Lewis and Karl DiTommaso
5 (“Plaintiffs”) will and hereby do move this Court for an Order:

- 6 1. Granting final approval of the proposed Amended Class Action and PAGA
7 Settlement Agreement and Class Notice;
- 8 2. Awarding Class Counsel attorneys’ fees in the amount of \$75,000.00 and
9 reimbursement of litigation costs in the amount of \$12,910.67;
- 10 3. Awarding Plaintiffs Class Representatives Service Payments in the amount of
11 \$4,000.00 each (\$8,000.00 total);
- 12 4. Awarding \$7,950.00 to ILYM Group, Inc (“ILYM”) for its settlement
13 administration expenses; and
- 14 5. Approving allocation of \$20,000.00 as civil penalties under the Private Attorneys’
15 General Act of 2004 (“PAGA”), 75% of which (\$15,000.00) will be paid to the
16 California Labor and Workforce Development Agency, and 25% of which
17 (\$5,000.00) will be distributed to Aggrieved Employees based on the number of
18 pay periods worked during the PAGA Period.

19 This Motion is based on this Notice of Motion, Memorandum of Points and Authorities,
20 the Declaration of John G. Yslas, the Declaration of Amanda Howard, the Declaration of Brandon
21 Lewis, the Declaration of Karl DiTommaso, and on all records and documents on file, together
22 with such oral and documentary evidence that may be presented at the hearing on this matter.

I. INTRODUCTION

Plaintiffs Brandon Lewis and Karl DiTommaso (“Plaintiffs”) seek final approval of a non-reversionary Gross Settlement Amount of \$225,000.00. The Amended Class Action and PAGA Settlement Agreement and Class Notice (“Settlement”) provides that the deductions will be made from the Gross Settlement Amount:

1. Attorneys’ fees in the amount of up to \$78,750.00;
2. Litigation costs in the amount of up to \$15,819.73;
3. Class Representatives Service Payments of up to \$5,000.00 each Plaintiff;
4. Settlement administration expenses of up to \$7,950.00; and
5. Civil penalties in the amount of \$20,000.00 for claims under the Private Attorneys’ General Act of 2004 (“PAGA”), 75% of which (\$15,000.00) will be paid to the California Labor and Workforce Development Agency (“LWDA), and 25% of which (\$5,000.00) will be distributed to Aggrieved Employees based on the number of pay periods worked during the PAGA Period. *See* Settlement § 3.2.1-3.2.5.

After all deductions are made, the Net Settlement Amount will be distributed to 260 Class Members as of the filing of this Motion for Final Approval of Class Action and PAGA Settlement (the “Motion”) (“Participating Class Members” or “Settlement Class Member”) based on the number of weeks worked during the Class Period. Howard Decl. at ¶¶ 14, 15.

The proposed Settlement is a product of diligent efforts, litigation, arm’s length negotiations, and informal discovery that resulted in the best possible outcome for the Class. By resolving this matter now, Class Members will receive a guaranteed recovery without risk of nonpayment, delay, or an adverse judgment at trial.

There are no objections to the Settlement and no requests for exclusion. *Id.* at ¶¶ 11, 12. The Participating Class Members will receive an average settlement payment of \$389.00, with the highest payout reaching \$1,389.96. Howard Decl. at ¶ 16. Aggrieved Employees will receive an average settlement payment of \$39.68, with the highest payout reaching \$76.05. *Id.* at ¶ 18. Plaintiff Lewis’ estimated Individual Class Payment and his Individual PAGA Payment totals \$612.60. *Id.* at ¶¶ 16, 18. Plaintiff DiTommaso’s estimated Individual Class Payment and his

1 Individual PAGA Payment totals \$204.54. *Id.* In light of the Class’s favorable response, and the
2 facts and law set forth below as well as in the motion for preliminary approval, Plaintiffs
3 respectfully request that the Court now enter an Order: (1) granting final approval of the
4 Settlement; (2) entering final judgment; (3) requiring distribution of individual settlement shares
5 to Participating Class Members; and (4) approving payments for attorneys’ fees, litigation costs,
6 the Class Representatives Service Payments, Settlement Administration Expenses, and civil
7 penalties under PAGA.

8 **II. THE SETTLEMENT MERITS FINAL APPROVAL**

9 In deciding whether to grant final approval of a class action settlement, California courts
10 consider whether the settlement is “fair, adequate, and reasonable.” *Dunk v. Ford Motor Co.*,
11 48 Cal.App.4th 1794, 1801 (1996). In evaluating whether a settlement is fair, adequate, and
12 reasonable, courts evaluate the following factors: (1) the strength of the plaintiff’s case; (2) the
13 risk, expense, complexity and duration of further litigation; (3) the risk of maintaining class
14 action status through trial; (4) the amount offered in settlement; (5) the extent of discovery
15 completed and the stage of the proceedings; (6) the experience and views of counsel; (7) the
16 presence of a governmental participant; and (8) the reaction of class members to the proposed
17 settlement. *Id.*

18 **A. A Presumption of Fairness Exists**

19 While the burden is on the proponent to demonstrate that a proposed settlement is fair,
20 adequate, and reasonable, “a presumption of fairness exists where: (1) the settlement is reached
21 through arm’s length bargaining; (2) investigation is sufficient to allow counsel and the court
22 to act intelligently; (3) counsel is experienced in similar litigation; and (4) the percentage of
23 objectors is small.” *Id.* at 1802.

24 At preliminary approval, Plaintiffs presented evidence that this Settlement is entitled to
25 a presumption of fairness because: (1) it was reached through arm’s length bargaining with the
26 assistance of an experienced mediator; (2) Plaintiffs conducted a thorough investigation through
27 informal discovery and an analysis of Class Members’ time and payroll records; and (3)
28 Plaintiffs’ Counsel is experienced in similar litigation. *See* First Amended Declaration of John

1 G. Yslas in Support of Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement
2 (“Yslas MPA Decl.”) filed June 9, 2025 at ¶¶ 5-9, 15-28, 39-51. None of the Class Members
3 have opted out and none have objected. *See* Howard Decl. at ¶¶ 11, 12. Therefore, the Court can
4 confidently conclude that a presumption of fairness exists.

5 **B. The Strength of Plaintiffs’ Claims, and the Risks, Expense, Complexity, and**
6 **Likely Duration of Further Litigation as a Class Action Through Trial**

7 Courts are not required to ensure that a settlement maximizes the value of released claims
8 with mathematical precision. “[T]he test is not the maximum amount plaintiffs might have
9 obtained at trial on the complaint, but rather whether the settlement is reasonable under all of
10 the circumstances.” *Wershba v. Apple Computer, Inc.* 91 Cal.App.4th 224, 250 (2001),
11 disapproved of on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th 260,
12 269-270 (2018); *see also 7-Eleven Owners for Fair Franchising v. Southland Corp.*, 85
13 Cal.App.4th 1135, 1150 (2000) (“the merits of the underlying class claims are not a basis for
14 upsetting the settlement of a class action; the operative word is ‘settlement.’”). The relevant
15 circumstances include the strengths and weaknesses of plaintiffs’ claims and the risks they faced
16 in litigation. *7-Eleven*, 85 Cal.App.4th at 1146.

17 Here, Plaintiffs presented sufficient information at preliminary approval regarding the
18 number of class members and an estimate of the maximum value of each of the claims alleged.
19 *See* Yslas MPA Decl. at ¶¶ 15-28. Plaintiffs have also described in detail the risks the Class
20 faced in litigation and the strengths and weaknesses of each of the claims. *See id.* Plaintiffs
21 noted potential difficulties in obtaining class certification and succeeding on the merits at trial.
22 *See id.* The factual record here is sufficiently developed to allow the Court to independently
23 satisfy itself “that the consideration being received for the release of the class members’ claims
24 is reasonable in light of the strengths and weaknesses of the claims and the risks of the particular
25 litigation.” *Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles*, 186 Cal.App.4th 399, 410
26 (2010).

27 **C. The Amount Offered in Settlement**

28 The Settlement provides a \$225,000.00 Gross Settlement Amount (“GSA”) to be

distributed among the 260 Class Members who did not opt out as of the date of this filing. Howard Decl. at ¶¶ 5-6, 11-15. The Gross Settlement Amount will be used to pay Class Counsel’s attorneys’ fees and costs, Plaintiffs’ Class Representatives Service Payments, and ILYM Group, Inc. (“ILYM”) for its administration of the Class Notice and settlement funds. *Id.* at ¶ 12. The Settlement also allocates \$20,000.00 from the Gross Settlement Amount to civil penalties under PAGA. *See* Settlement at § 3.2.5; *see also* Howard Decl. ¶ 14. After all deductions are made, the Net Settlement Amount will be \$101,139.33, which will be distributed to Participating Class Members according to the number of weeks they worked for Defendant during the Class Period. *See* Settlement at § 3.2; *see also* Howard Decl. ¶¶ 14-16.

The Settlement Administrator has calculated a total of 11,715 workweeks in the Class Period. Howard Decl. at ¶ 5. As a result, the average recovery for Participating Class Members is \$389.00, and the highest payout is \$1,389.96. *Id.* at ¶ 16. Weighing the potential value of the class claims against the risk and expense of trial, the Settlement provides sufficient relief in light of the potential risks associated with seeking a class judgment.

D. The Extent of Discovery Completed and the Stage of the Proceedings

Class Counsel sufficiently investigated the alleged claims, applicable law, and potential defenses. *See* Yslas MPA Decl. at ¶¶ 5-6, 15-28. Specifically, Class Counsel assessed the value of the claims using data and documents provided by Defendant in informal discovery, which included policy documents and timekeeping and payroll records. *See* Yslas MPA Decl. at ¶ 5. Following a complete analysis of this information, the Parties attended mediation on March 26, 2024 with an experienced mediator. Yslas MPA Decl. at ¶ 7. The Parties were able to reach an agreement and spent the next several months negotiating the terms of the Settlement. Yslas MPA Decl. at ¶ 8.

E. The Experience and Views of Counsel

Plaintiffs are represented by Wilshire Law Firm, PLC. Declaration of John G. Yslas in Support of Motion for Final Approval of Class Action and PAGA Settlement (“Yslas MFA Decl.”) at ¶ 3. Class Counsel prosecute wage and hour cases, including class and representative actions. *Id.* at ¶¶ 4, 5. Class Counsel has litigated many wage and hour cases and have

1 successfully resolved cases involving similar issues presented in this matter. Yslas MFA Decl.
2 at ¶¶ 4-15. Class Counsel has negotiated a settlement here that they believe is fair, reasonable,
3 and adequate based on their prior experience litigating these types of cases. Yslas MFA Decl.
4 at ¶ 21.

5 **F. The Presence of a Government Participant**

6 The LWDA has received the required notice of this Settlement. Yslas MPA Decl. at ¶ 9.
7 On January 10, 2024, Plaintiffs provided notice to the LWDA of their intention to file a PAGA
8 claim. Yslas MPA Decl. at ¶ 4. On October 8, 2024, Plaintiff Brandon Lewis filed a First
9 Amended Complaint adding Plaintiff Karl DiTommaso as a class representative and a cause of
10 action for civil penalties under PAGA. *Id.* The Settlement provides for the payment of
11 \$20,000.00 in civil penalties, 75% of which (\$15,000.00) will be paid to the LWDA, and 25%
12 of which (\$5,000.00) will be paid to PAGA Members based on the number of pay periods
13 worked during the PAGA Period. *See* Howard Decl. at ¶ 14; *see also* Settlement at § 3.2.5.
14 Plaintiffs submitted a copy of the Class Action and PAGA Settlement Agreement to the LWDA.
15 Yslas MPA Decl. at ¶ 9, Exhibit 2. The LWDA has not responded to or objected to the
16 Settlement. Yslas MFA Decl. at ¶ 22.

17 **G. The Reaction of Class Members to the Proposed Settlement**

18 Class Members' reaction to the Settlement has been favorable. A court may properly
19 infer that a class action settlement is fair, reasonable, and adequate when few class members
20 object to or opt out of it. *Lealo v. Beneficial California, Inc.*, 82 Cal.App.4th 19, 51 (2000).

21 When the Court granted preliminary approval, it also approved the method of providing
22 notice to Class Members. Following a search of the National Change of Address database,
23 ILYM mailed the Class Notice to all Class Members on September 12, 2025. Howard Decl. at
24 ¶¶ 6, 7. The Class Notice informed Class Members of the terms of the Settlement, the amount
25 of their individual settlements and how those amounts were calculated, their right to either
26 participate in the Settlement, opt out of it, object to it, or dispute the amount of their individual
27 settlement payment, the procedures and deadlines to submit an opt out, objection, or dispute,
28 and the date, time, and place of the hearing on Plaintiffs' Motion for Final Approval and

1 instructions to be heard at the hearing. *Id.* at ¶ 7, Exhibit A. Here, in response to the Class
2 Notice, no Class Members opted out, and none objected as of the date of the filing of this
3 Motion. *Id.* at ¶¶ 11, 12. Class Members’ favorable response to the Settlement further supports
4 final approval.

5 **III. THE REQUESTED FEE AWARD IS REASONABLE AND SHOULD BE**
6 **APPROVED**

7 There are two primary methods of determining a reasonable attorney fee in the context
8 of class action litigation. *Laffitte v. Robert Half Int’l, Inc.*, 1 Cal.5th 480, 489 (2016). The
9 percentage-of-recovery method calculates the fee as a percentage of a common fund recovered
10 on behalf of the class. *Id.* The lodestar method calculates the fee by multiplying the number of
11 hours reasonably expended by counsel by a reasonable hourly rate, which amount then may be
12 adjusted based on other factors. *Id.* In *Laffitte*, the California Supreme Court held that trial
13 courts have the discretion to choose between the two calculation methods. *Id.* at 504. Trial courts
14 also have the discretion to blend the two fee calculation methods, using one method to “cross-
15 check” the reasonableness of the other’s result, but a cross-check is not required. *Id.* 506.

16 **A. The Requested Fee Award is Fair and Reasonable Based on the Percentage-**
17 **of-Recovery Method**

18 The ultimate purpose of the percentage-of-recovery method is to “spread the attorney fee
19 among all the beneficiaries of the fund.” *Id.* at 503. The California Supreme Court recognized
20 that the percentage-of-recovery method has many advantages, “including relative ease of
21 calculation, alignment of incentives between counsel and the class, a better approximation of
22 market conditions in a contingency case, and the encouragement is provides counsel to seek an
23 early settlement and avoid unnecessarily prolonging the litigation [citation] . . .” *Id.*

24 The requested fee award **(one-third (1/3) of the GSA)**¹ is consistent with the average
25 fee award in class actions. *See, e.g., Roos v. Honeywell Int’l, Inc.*, 241 Cal.App.4th 1472 (2015)

26
27 ¹ In the First Amended Order Granting Plaintiff’s Motion for Preliminary Approval of Class Action Settlement
28 filed on August 14, 2025, the Court interlineated Plaintiffs’ attorneys’ fees from 35% to 33%, however, Class
Counsel requests that the Court reconsider and award one-third (1/3) which is \$75,000.00 in attorneys’ fees
rather than 74,250.00 (or 33%).

(fee award of 37.5% was not an abuse of discretion), disapproved of on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th 260, 287 (2018); *Wren v. RGIS Inventory Specialists*, No. C-06-05778 JCS, 2011 WL 1230826, at *29 (N.D. Cal. Apr. 1, 2011) (approving fee award of 42%); *Singer v. Becton Dickinson and Co.*, No. 08-CV-821-IEG, 2010 WL 2196104, at *8 (S.D. Cal. June 1, 2010) (approving fee award of one-third and noting that the typical fees awarded in wage and hour class action cases ranges from 33.33% to 40%). Therefore, the percentage-of-recovery method should be utilized to approve the requested fee.

B. A Lodestar Cross-Check Confirms the Reasonableness of the Requested Fee

Although *Laffitte* makes clear that a lodestar cross-check is not required, Class Counsel’s lodestar supports the reasonableness of the requested fee. The lodestar is determined by multiplying the number of hours reasonably expended by the reasonable hourly rate. *PLCM Group, Inc. v. Drexler*, 22 Cal.4th 1084, 1095 (2000). The lodestar figure may then be adjusted, based on consideration of factors specific to the case, in order to fix the fee at the fair market value for the legal services provided.” *Id.* The factors that can be considered include “the nature of the litigation, its difficulty, the amount involved, the skill required in its handling, the skill employed, the attention given, the success or failure, and other circumstances in the case.” *Melnyk v. Robledo*, 64 Cal.App.3d 618, 623-624 (1976) (citations omitted).

Class Counsel’s hourly rates are comparable to those charged by other class action counsel. Yslas MFA Decl. at ¶ 16. The total hours expended on this action were reasonable and in line with comparable cases. *Id.* Class Counsel spent a total of 205.8 hours in prosecuting this action, which were divided among the attorneys working on this case according to skill level. Yslas MFA Decl. at ¶¶ 17-19. The hours expended by each attorney were reasonable and not duplicative and reflect the extensive investigation and analysis that was required to achieve this Settlement. *Id.*

Multiplying the total hours expenses by Class Counsel by their reasonable hourly rates yields a lodestar of \$154,740.00. Yslas MFA Decl. at ¶ 18. This amount surpasses the requested fee award of \$75,000.00, resulting in a negative multiplier. Yslas MFA Decl. at ¶¶ 18, 19. Accordingly, Class Counsel respectfully requests the Court approve their \$75,000.00 fee

request.

IV. THE REQUESTED COST AWARD IS REASONABLE AND SHOULD BE APPROVED

The Settlement permits Class Counsel to seek reimbursement of litigation costs in an amount up to \$15,819.73. The actual costs incurred are \$12,910.67, as such Class Counsel is seeking reimbursement of \$12,910.67. *Id.* at ¶ 20, Exhibit 1. Since Class Counsel’s costs do not exceed the maximum of \$15,819.73, the remaining \$2,909.06 will revert to the Net Settlement Amount. *Id.* These costs were reasonable and necessary to prosecute this case and obtain the results achieved. *Id.*

V. THE REQUESTED CLASS REPRESENTATIVE SERVICE PAYMENT IS REASONABLE AND SHOULD BE APPROVED

Plaintiffs also request that they be awarded service payments of \$4,000.00 each for their role in obtaining the Settlement. In evaluating a service payment, the Court may consider: “(1) the risk, both financial and otherwise, the class representative faced in bringing the suit; (2) the notoriety and personal difficulties encountered by the class representative; (3) the amount of time and effort spent by the class representative; (4) the duration of the litigation; and (5) the personal benefit received by the class representative as a result of the litigation.” *Golba v. Dick’s Sporting Goods, Inc.*, 238 Cal.App.4th 1251, 1272 (2015); *Clark v. American Residential Services, LLC*, 175 Cal.App.4th 785, 804 (2009).

Here, Plaintiffs provided a declaration in support of Plaintiffs’ Motion for Preliminary Approval of Class Action and PAGA Settlement detailing the risk they faced in bringing the suit, the notoriety and personal difficulties they encountered, the amount of time and effort they spent on this litigation, the duration of this litigation, and the personal benefit they will receive as a result of the litigation. *See generally* Declaration of Brandon Lewis in Support of Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement filed on June 9, 2025 and re-filed concurrently herewith; *see also* Declaration of Karl DiTommaso in Support of Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement filed on June 9, 2025 and re-filed concurrently herewith; Yslas MFA Decl., at ¶ 23; Howard Decl., at ¶¶ 16, 18. Plaintiffs should

1 be adequately compensated for their role in obtaining this Settlement.

2 Additionally, no Class Members objected to the amount of additional compensation
3 sought by Plaintiffs. As such, the award is reasonable in light of the substantial benefits
4 Plaintiffs conferred upon the settlement class.

5 **VI. THE SETTLEMENT ADMINISTRATION COSTS ARE REASONABLE AND**
6 **SHOULD BE APPROVED**

7 The Parties agreed to hire ILYM as the Settlement Administrator in this case and the
8 Court approved this choice at preliminary approval. The Settlement Administrator was
9 responsible for updating Class Members' mailing addresses, mailing the Class Notice to each
10 Class Member, responding to Class Member questions, providing weekly status reports, and
11 providing a declaration as to the results of the mailing. *See* Howard Decl. at ¶ 3. Following final
12 approval, ILYM's duties will continue in order to calculate and to mail the settlement payments
13 to Class Members, disburse other payments as ordered by the Court, and perform such other
14 duties described in the Settlement. *Id.* The requested amount of \$7,950.00 for services rendered
15 and to be rendered is therefore fair and reasonable.

16 **VII. CONCLUSION**

17 Based on the foregoing, Class Counsel respectfully requests that the Court grant final
18 approval of the Class Action and PAGA Settlement, approve Class Counsel attorneys' fees in
19 the amount of \$75,000.00 and reimbursement of litigation costs in the amount of \$12,910.67,
20 the Class Representatives Service Payments in the amount of \$4,000.00 to each Plaintiff
21 (\$8,000.00 in total), civil penalties under PAGA in the amount of \$20,000.00, and \$7,950.00 to
22 ILYM for its settlement administration expenses.
