*Assigned for all purposes to:

Dept. J4*

**DECLARATION OF JULIA M. TOSCANO IN
SUPPORT OF PLAINTIFF'S MOTION FOR
PRELIMINARY APPROVAL OF CLASS
ACTION SETTLEMENT**

1 I, Julia M. Toscano hereby declare as follows:

2 1. I am an attorney at law licensed to practice before all of the courts of the State of
3 California. I am an associate with Aegis Law Firm, PC (“Aegis”), counsel for Plaintiff in this matter.
4 I am thoroughly familiar with and have personal knowledge of all of the facts set forth herein.

5 2. I submit this declaration in support of Plaintiff’s Motion for Preliminary Approval of
6 Class Action Settlement. If called as a witness, I could and would competently testify thereto.

7 **Case History**

8 3. On January 29, 2024, Plaintiff’s Counsel provided written notice to the LWDA and
9 Defendants regarding Defendants’ alleged Labor Code violations, as required by Labor Code section
10 2699.3(a). The LWDA did not respond to this notice, indicating it did not intend to investigate, thus
11 allowing Plaintiff to bring a PAGA claim against Defendant.

12 4. On January 30, 2024, Plaintiff filed this putative class action on behalf of Defendants’ non-
13 exempt employees alleging the following causes of action: (1) failure to pay minimum wages; (2) failure
14 to pay overtime wages; (3) failure to provide meal periods; (4) failure to permit rest breaks; (5) failure to
15 reimburse business expenses; (6) failure to provide accurate itemized wage statements; (7) failure to pay
16 all wages due upon separation of employment; (8) and violation of Business and Professions Code §§
17 17200, et seq.; for the preceding claims.

18 5. The Parties agreed to attend early, private mediation and agreed to stay the action pending
19 mediation. To that end, through informal discovery, Defendants produced a significant amount of
20 documents and information, including Plaintiff’s personnel files, policy documents, and a 20% sample of
21 class members’ timekeeping and pay records. In preparation of mediation, Plaintiff’s counsel worked with
22 experts to analyze the time-keeping and payroll data related to the claims in order to evaluate the potential
23 damages and penalties.

24 6. The Parties attended mediation on January 22, 2025, with Gig Kyriacou, a respected wage
25 and hour mediator. After a full day of negotiating, the mediator made a mediator’s proposal, which was
26 eventually accepted by the Parties. Id. The Parties spent the next several months negotiating the terms
27 of the Settlement, which was finalized in June of 2025. The negotiations were adversarial, conducted at
28 arm’s length and tempered by the efforts of both sides to serve the interests of their clients.

1 7. On June 10, 2025, Plaintiff submitted the Settlement and this Motion to the LWDA
2 pursuant to Labor Code section 2699(1)(2).

3 8. Defendants' records show the Class consists of approximately 353 individuals, making
4 joinder of all Class Members impracticable. Further, the Class is readily ascertainable from Defendants'
5 business records because all Class Members are current or former employees of Defendants.

6 9. Plaintiff alleged that Defendants maintained uniform employment policies and/or practices
7 that illegally deprived Class Members of lawful wages, meal periods, rest breaks, accurate wage
8 statements, and waiting time pay. Plaintiff's allegations present common legal and factual questions of,
9 *inter alia*, whether Defendants applied the same scheduling, timekeeping, compensation, meal period, and
10 rest break policies to all Class Members; whether these policies and practices resulted in Labor Code
11 violations; whether Defendant' conduct was intentional; and whether Class Members are entitled to
12 penalties. These common questions could be resolved using Class Members' schedules, time punches,
13 and payroll records, Defendants' corporate representative's testimony, written communications between
14 Defendants and Class Members, and Class Member declarations.

15 10. Plaintiff alleges that he and other Class Members were employed by Defendant and
16 injured by Defendants' common wage and hour policies and practices, including Defendant's
17 scheduling, timekeeping, compensation, meal period, and rest break practices and policies. Through
18 documents and information exchanged in discovery, including production of policy documents by
19 Defendants, Plaintiff confirmed that these common policies and practices similarly affected Plaintiff
20 and the Class. Plaintiff's counsel extensively reviewed policy documents and compared Class Members'
21 handwritten time to their pay records to perform a thorough analysis. Further, Plaintiff's Counsel
22 engaged an expert to quantify the potential exposure using the time and payroll records, and then
23 assessed the risks associated with each of the claims meriting reductions in the likely recovery at trial.
24 Accordingly, Plaintiff's Counsel fully understood the strengths and weaknesses of the claims before the
25 Parties reached a settlement.

26 11. Plaintiff contends that his claims are based on Defendant's common, class-wide policies
27 and procedures, and that liability could be determined on a class-wide basis without dependence on
28 individual assessments of liability.

Exposure Analysis

12. While Plaintiff and his counsel believed and continue to believe this is a strong case for certification, the significant risks and expenses associated with class certification and liability proceedings must be taken into account.

13. In determining whether the amount offered in settlement was reasonable, Plaintiff's Counsel weighed that figure against many risk factors. Although the amount of the Class's maximum potential damages – if proven – is substantial, legitimate and serious risks compelled a considerable discount for settlement. If Plaintiff continued to prosecute the claims rather than accept a settlement, Plaintiff would have faced deadlines to file a motion for class certification, had to have engaged in formal discovery and taken depositions, expended time and resources to resolve disputes, prepared and filed potential dispositive motions and/or discovery motions, and engaged in extensive trial preparation. An adverse ruling at any one of these stages could have prevented the Class from obtaining any recovery.

14. Plaintiff believed his strongest claim was based on Defendants' failure to reimburse business expenses. Plaintiff alleged that Class Members were required to use their personal cell phones to carry out their job duties. Specifically, Plaintiff's job was to provide non-emergency medical transportation and as such, he needed to use his cell phone to obtain patient contact information, directions, and to communicate with dispatchers and patients. Assuming each Class Member incurred an expense of \$30 per month, then damages could reach up to \$189,000. However, Defendants argued that this claim would be limited to only those who worked in similar driving positions as Plaintiff. Further, Defendants argued that there was no source of common proof as to who incurred these cell phone expenses, whether they sought reimbursement, and how much would make them whole, making the claim difficult to prove damages at trial. As such, Plaintiff assumed there would be a 80% chance at class certification and a 60% chance at trial, ultimately valuing this claim at \$91,000 for settlement purposes.

15. Plaintiff's minimum wage and overtime claims were premised on the theory that Defendants rounded class members' time punches that resulted in an underpayment of wages. Plaintiff's expert calculated that this claim was worth approximately \$28,218, with about 4% of pay periods having unpaid overtime. However, Defendants argued that any underpayment was a result of employees'

1 incorrect timekeeping. Defendant initially required employees to record their time on handwritten
2 timesheets, and then changed its timekeeping practice in 2020 to have employees electronically record
3 their time. This electronic timekeeping system then paid for all time recorded. Therefore, Plaintiff would
4 face difficulty proving commonality of this claim throughout the class period. As such, Plaintiff
5 assumed there was a 70% chance of success at class certification and a 60% chance of success at trial,
6 rendering this claim worth approximately \$12,000 for settlement purposes.

7 16. Plaintiff's meal period claim was potentially worth about \$60,000 in light of the
8 violations shown in the records. However, Defendants argued that they maintained compliant written
9 policies and provided evidence that they paid meal period premiums when violations showed records.
10 Defendants also argued that employees could waive their right to a meal period when they worked less
11 than 6 hours or between 10-12 hours. If the Court considered that there were valid meal waivers, then
12 the violation rate would drop significantly. Thus, Plaintiff discounted this claim for the risk that the
13 damages could at least be reduced, and that the claim would be hard to certify with an updated compliant
14 policy. As such, Plaintiff's counsel believed there was a 50% chance succeeding at class certification
15 and a 30% chance at trial, resulting in a value of about \$9,000.

16 17. Plaintiff alleged that Defendants failed to authorize or permit timely rest breaks due to
17 the productivity requirements imposed on class members. If Plaintiff could prove a 100% violation rate
18 for each shift over 3.5 hours, then damages could reach up to \$1.99 million. However, Defendants again
19 argued that they maintained compliant written rest break policies and that class members could again
20 choose to waive their rest breaks. Further, Defendants showed that rest breaks were possible in between
21 servicing customers by referencing schedules worked. As such, this claim would have relied on Class
22 Member testimony, making it a riskier claim at class certification and liability stages. Plaintiff's counsel
23 believed there was a 30% chance succeeding at class certification and a 10% chance at trial, resulting
24 in a value of \$59,000.

25 18. Plaintiff's Counsel also considered the arguable presence of various derivative penalties,
26 and weighed the potential recoveries against probable defenses. Specifically, Defendants could argue that
27 Plaintiff could not prove the "willful" prong needed to obtain waiting time penalties under Labor Code
28 section 203. Additionally, Defendants could argue that Plaintiff could not show that Class Members

1 suffered an “injury” as a result of wage statement violations, as required by Labor Code section 226.
2 Moreover, Plaintiff would not recover any of these derivative penalties if he failed to prove the underlying
3 claims. Although the Class arguably could have seen a payout of approximately \$752,000 for waiting time
4 penalties and \$538,000 for wage statement penalties, Plaintiff would not recover any of these derivative
5 penalties if he failed to prove the underlying claims. Thus, Plaintiff discounted these claims assuming a
6 50% chance of class certification and 30% chance at the merits for both claims, resulting in a realistic
7 value of \$112,000 for the waiting time claim and \$80,000 for the wage statement claim.

8 19. The PAGA claim presented even higher hurdles. Although Plaintiff’s Counsel found
9 Defendants’ exposure could potentially reach approximately \$551,100 under Labor Code section
10 2699(f), assuming the initial penalty rate of \$100 for every pay period, Plaintiff would have to prove a
11 violation in each pay period. Most importantly, the Court would have discretion to reduce the PAGA
12 award based on whether the amount of the award would be “unjust, arbitrary and oppressive, or
13 confiscatory.” Lab. Code § 2699(e)(2). In theory, the Court could reduce the award by 99% if it so
14 wished. Plaintiff was doubtful he could recover any PAGA penalties, especially in light of Defendants’
15 compliant written policies and payment of meal period premiums. Accordingly, Plaintiff could not
16 place a high value on the PAGA penalties, and therefore allocated \$25,000.00 of the Gross Settlement
17 Amount to settle these claims.

18 Service Award

19 20. Plaintiff had the option to pursue his claims individually, but instead chose to pursue this
20 class action, delaying individual recovery until approval of a class action settlement. Throughout the
21 case, Plaintiff assisted counsel in gathering the evidence necessary to prosecute the class claims, helping
22 respond to written discovery, maintained regular contact with counsel, was available on the day of
23 mediation and communicated with their attorneys during the day of mediation to answer critical
24 questions, and reviewed the Settlement to make sure it was fair to the Class. None of the other 353 Class
25 Members had shown any interest in bearing the expense and burden of litigating their own claims. No
26 action would likely have been taken by Class Members individually, and no compensation would have
27 been recovered for them, but for Plaintiff’s services on behalf of the Class.

21. The amount of Plaintiff's requested Service Award was not negotiated until after the Parties agreed to the Gross Settlement Amount and many other terms.

22. At the final approval stage, Plaintiff will further support the request for the Service Awards by a declaration that addresses the factors for the award.

The Complaint is the operative complaint in the Action (the “Operative Complaint”). Defendants deny the allegations in

the Operative Complaint, deny any failure to comply with the laws identified in the Operative Complaint and deny any and all liability for the causes of action alleged.

- 2.2. Pursuant to Labor Code section 2699.3, subd.(a), Plaintiff gave timely written notice to Defendants and the LWDA by sending the PAGA Notice.
- 2.3. On January 22, 2025, the Parties participated in an all-day mediation presided over by Gig Kyriacou which led to this Agreement to settle the Action.
- 2.4. Prior to mediation, Plaintiff obtained through informal discovery, a 20% sample of time and pay records for the Class, relevant policy documents, and information regarding the Class data. Plaintiff's investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. - 2.5. The Court has not granted class certification.
- 2.6. The Parties, Class Counsel and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. MONETARY TERMS.

- 3.1. Gross Settlement Amount. Except as otherwise provided by Paragraph 8 below, Defendants promise to pay \$575,000.00 and no more as the Gross Settlement Amount and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. Defendants have no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendant.
- 3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:

To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000.00 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Defendants will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for the Class Representative Service Payment no later than 16 court days prior to the Final Approval Hearing. If

the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment.

- 3.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than one-third (1/3) of the Gross Settlement Amount, which is currently estimated to be \$191,666.67 and a Class Counsel Litigation Expenses Payment of not more than \$30,000.00. Defendants will not oppose requests for these payments provided that they do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for final approval of the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. - 3.2.3. To the Administrator: An Administration Expenses Payment not to exceed \$7,900.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses Payment is less or the Court approves payment less than \$7,900.00. the Administrator will retain the remainder in the Net Settlement Amount.
- 3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.
 - 3.2.4.1. Tax Allocation of Individual Class Payments. 20% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 80% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual

Class Payment.

- 3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.
- 3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$25,000.00 to be paid from the Gross Settlement Amount, with 75% (\$18,750.00) allocated to the LWDA PAGA Payment and 25% (\$6,250.00) allocated to the Individual PAGA Payments.
- 3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (or \$6,250.00) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.
- 3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

- 4.2. Class Data. Not later than 14 business days after the Court grants Preliminary Approval, Defendants will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendants have a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendants must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class

Data.

4.3. Funding of Gross Settlement Amount. Defendants shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendants' share of payroll taxes by transmitting the funds to the Administrator no later than 65 days after the Effective Date.

4.4. Payments from the Gross Settlement Amount. Within 10 business days after Defendants fully fund the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil

Procedure Section 384, subd. (b).

- 4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendants to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. RELEASES OF CLAIMS. Effective on the date when Defendants fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

- 5.1. Plaintiff's Release. Plaintiff and his respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences arising out of Plaintiff's employment that occurred prior to the date of execution of this agreement, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, Plaintiff's PAGA Notice ("Plaintiff's Release"). Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

- 5.1.1. Plaintiff's Waiver of Rights Under California Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or released party.

- 5.2. Release by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the operative complaint that arose during the Class Period (defined below), including claims for: (1) failure to pay minimum

wages in violation of Labor Code sections 1197, and 1198, and the applicable IWC Wage Order(s); (2) failure to pay overtime wages in violation of Labor Code sections 510, and the applicable IWC Wage Order(s); (3) failure to pay sick wages at the proper legal rate in violation of Labor Code sections 227.3 and 246; (4) failure to provide compliant rest periods and pay missed rest break premiums in violation of Labor Code section 226.7 and the applicable IWC Wage Order(s); (5) failure to provide compliant meal periods and pay missed meal period premiums in violation of Labor Code sections 226.7 and 512, and the applicable IWC Wage Order(s); (6) failure to pay all wages due and owing during employment in violation of Labor Code section 204; (7) failure to pay all wages due at separation of employment in violation of Labor Code sections 201-203; (8) failure to provide complete and accurate wage statements in violation of Labor Code sections 226 and 226.3; (9) failure to maintain accurate payroll records in violation of section 1174 and 1174.4; (10) failure to reimburse necessary business expenses in violation of Labor Code sections 2800-2804; (11) violations of ICRAA, Civil Code section 1786.16; (12) deceptive, fraudulent, or otherwise unlawful business practices based on the foregoing in violation of California's Unfair Competition Law (Bus. & Prof. Code, §§ 17200–17210); and (13) all claims for liquidated damages, penalties, interest, fees, costs based on the foregoing. Except as set forth in Section 5.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

5.3. Release by Aggrieved Employees:

All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the operative complaint (and the PAGA Notices), which occurred during the PAGA Period.

6. MOTION FOR PRELIMINARY APPROVAL. Plaintiff shall file a motion for preliminary approval ("Motion for Preliminary Approval").

6.1. Responsibilities of Counsel. Class Counsel is responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval Order to the Administrator.

6.2. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will

expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

- 7.1. Selection of Administrator. The Parties have jointly selected ILYM Group, Inc., to serve as the Administrator and verified that, as a condition of appointment, ILYM Group, Inc., agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 7.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports to state and federal tax authorities.
- 7.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 7.4. Notice to Class Members.
 - 7.4.1. No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, Aggrieved Employees, Workweeks, and PAGA Pay Periods in the Class Data.
 - 7.4.2. Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice with Spanish translation, substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
 - 7.4.3. Not later than 3 business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or

send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

7.4.4. The deadlines for Class Members' written objections, challenges to Workweeks and/or PAGA Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

7.4.5. If the Administrator, Defendants, or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

7.5. Requests for Exclusion (Opt-Outs).

7.5.1. Class Members who wish to exclude themselves from (opt-out of) the Class portion of the Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Class portion of the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

7.5.2. The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Court has the power to make the final determination on challenges. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity.

7.5.3. Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 5.2 and 5.3 of this Agreement, regardless of whether the Participating Class Member actually

receives the Class Notice or objects to the Class portion of the Settlement.

7.5.4. Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the Released PAGA Claims identified in Paragraph 5.3 of this Agreement and are eligible for an Individual PAGA Payment.

7.6. Challenges to Calculation of Workweeks and/or PAGA Pay Periods. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Workweeks and/or PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail, and must provide any supporting documentation to the Administrator. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks and/or PAGA Pay Periods contained in the Class Notice are correct as long as they are consistent with the Class Data. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination of the challenges. The Court has the power to make the final determination on challenges.

7.7. Objections to Settlement.

7.7.1. Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

7.7.2. Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

7.7.3. Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or

otherwise.

- 7.8.1. Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the motion for Final Approval, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- 7.8.2. Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion submitted (whether valid or invalid).
- 7.8.3. Weekly Reports. The Administrator must, on a weekly basis provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or PAGA Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- 7.8.4. Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including but not limited to, its mailing of the Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- 7.8.5. Final Report by Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements

by Employee Identification Number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

- 8. CLASS SIZE ESTIMATES and ESCALATOR CLAUSE** If the number of Class Members during the Class Period exceeds 353 or the number of Workweeks during the Class Period exceeds 40,054 by more than 10%, the Gross Settlement Amount will increase pro rata per additional Class Member or additional Workweek, whichever is greater, as follows: \$1,628.90 per additional Class Member or \$14.36 per additional Workweek. Alternatively, Defendants, in their sole discretion, may elect to end the Class Period on the date in which the number of workweeks is 40,054 such that this escalator clause is not triggered, and no additional funds are due. Similarly, Defendants, in their sole discretion, may elect to end the PAGA Period on the date in which the number of pay periods is 5,989 such that the escalator clause is not triggered, and no additional funds are due.
- 9. DEFENDANTS' RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List is 10% or more of the total of all Class Members, Defendants may, but are not obligated, to elect to withdraw from the Settlement. The Parties agree that, if Defendants withdraw, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendants will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendants must notify Class Counsel and the Court of its election to withdraw not later than ten days after the Administrator sends the final Exclusion List to Defense Counsel and Class Counsel; late elections will have no effect.
- 10. MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file a motion for final approval of the Settlement that includes a request for final approval of the PAGA settlement under Labor Code section 2699, subd. (1), and a Proposed Final Approval Order (collectively "Motion for Final Approval").
 - 10.1. Response to Objections.** Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 10.2. Duty to Cooperate.** If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this

paragraph.

10.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law pursuant to California Code of Civil Procedure section 664.6.

10.4. Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

10.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit a proposed amended judgment.

12. ADDITIONAL PROVISIONS.

12.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendants that any of the allegations in the Operative Complaint have merit or that Defendants have any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendants' defenses in the Action have merit. The Parties agree that class certification and representative treatment

is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or enter Judgment, Defendants reserve the right to contest certification of any class for any reasons, and Defendants reserve all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendants' defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

- 12.2. No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 12.3. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 12.4. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 12.5. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 12.6. No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 12.7. No Tax Advice. Neither Plaintiff, Class Counsel, Defendants nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury

Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

- 12.8. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 12.9. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 12.10. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 12.11. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 12.12. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 12.13. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 12.14. Calendar Days. Unless otherwise noted, all reference to “days” in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND
HEARING DATE FOR FINAL COURT APPROVAL**

Gomez v. Westcoast Paratransit, Inc. and Good Care Medical Transport Non-Emergency, Inc.
Ventura County Superior Court, Case No. 2024CUOE020092

*The Superior Court for the State of California authorized this Notice. Read it Carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.*

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Westcoast Paratransit, Inc. and Good Care Medical Transport Non-Emergency, Inc. (“Defendants” is used herein as a placeholder) for alleged wage and hour violations. The Action was filed by a former employee, Juan Manuel Gomez (“Plaintiff”), and seeks payment of (1) back wages and other relief for a class of non-exempt employees (“Class Members”) who worked for Defendants during the Class Period (January 30, 2020 through January 22, 2025); and (2) penalties under the California Private Attorneys General Act (“PAGA”) for all non-exempt employees who worked for Defendants during the PAGA Period (January 30, 2023 through March 25, 2025) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendants to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendants to fund individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendants’ records, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____.** The actual amount you may receive likely will be different and will depend on a number of factors. If no amount is stated for your Individual PAGA Payment, then according to Defendants’ records, you are not eligible for an Individual PAGA Payment because you did not work for Defendants during the PAGA Period.

The above estimates are based on Defendants’ records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ pay periods** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendants to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendants.

If you worked for Defendants during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

(1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert the Released Class Claims and Released PAGA Claims against Defendants.

(2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class portion of the Settlement (opt-out) by submitting a written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue the Released Class Claims against Defendants, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendants will not retaliate against you for any actions you take with respect to the proposed Settlement

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendants that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is _____	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendants must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by _____	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or

	Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the _____ Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on _____. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by _____	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many weeks you worked at least one day during the Class Period and how many pay periods you worked at least one day during the PAGA Period, respectively. The number of Class Period Workweeks and number of PAGA Pay Periods you worked according to Defendants' records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former employee of Defendants. The Action accuses Defendants of violating California labor laws by failing to pay overtime wages, minimum wages, wages due upon termination and reimbursable expenses and failing to provide meal periods, rest breaks and accurate itemized wage statements. Based on the same claims, Plaintiff also sought civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Samuel A. Wong, Kashif Haque, Jessica L. Campbell, and Julia Toscano from Aegis Law Firm, PC ("Class Counsel.")

Defendants strongly deny violating any laws or failing to pay any wages and contend they complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendants or Plaintiff are correct on the merits. In the meantime, Plaintiff and Defendants hired an experienced, neutral mediator in an effort to resolve the Action by negotiating to settle the case rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendants have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendants do not admit any violations or concede the merit of any claims. Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendants have agreed to pay a fair, reasonable and adequate amount considering the strength of the claims

and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

- A. Defendants Will Pay \$575,000.00 as the Gross Settlement Amount (Gross Settlement). Defendants have agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendants will fund the Gross Settlement not more than 65 days after the Judgment entered by the Court becomes final.
- B. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
- i. Up to one-third (1/3) of the Gross Settlement Amount to Class Counsel for attorneys' fees and up to \$30,000.00 for reimbursement of their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - ii. Up to \$10,000.00 as a Class Representative Service Award for filing the Action, working with Class Counsel, and representing the Class. A Class Representative Service Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
 - iii. Up to \$7,900.00 to the Administrator for services administering the Settlement.
 - iv. Up to \$25,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

- C. Net Settlement Distributed to Participating Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Workweeks.

- D. Taxes Owed on Payments to Class Members. Plaintiff and Defendants are asking the Court to approve an allocation of 20% of each Individual Class Payment to taxable wages (“Wage Portion”) and 80% to interest and penalties. (“Non-Wage Portion”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendants will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.
- E. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller’s Unclaimed Property Fund in your name. If the monies represented by your check is sent to the Controller’s Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.
- F. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class portion of the Settlement, unless you notify the Administrator in writing, not later than [REDACTED], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [REDACTED] Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class portion of the Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert the Released PAGA Claims against Defendants.

- G. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Defendants have agreed that, in either case, the Settlement will be void: Defendants will not pay any money and Class Members will not release any claims against Defendants.
- H. Administrator. The Court has appointed a neutral company, ILYM Group, Inc., (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Members’ challenges to Workweeks and/or PAGA Pay Periods, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The

Administrator's contact information is contained in Section 9 of this Notice.

I. Participating Class Members' Release.

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the operative complaint that arose during the Class Period (defined below), including claims for: (1) failure to pay minimum wages in violation of Labor Code sections 1197, and 1198, and the applicable IWC Wage Order(s); (2) failure to pay overtime wages in violation of Labor Code sections 510, and the applicable IWC Wage Order(s); (3) failure to pay sick wages at the proper legal rate in violation of Labor Code sections 227.3 and 246; (4) failure to provide compliant rest periods and pay missed rest break premiums in violation of Labor Code section 226.7 and the applicable IWC Wage Order(s); (5) failure to provide compliant meal periods and pay missed meal period premiums in violation of Labor Code sections 226.7 and 512, and the applicable IWC Wage Order(s); (6) failure to pay all wages due and owing during employment in violation of Labor Code section 204; (7) failure to pay all wages due at separation of employment in violation of Labor Code sections 201-203; (8) failure to provide complete and accurate wage statements in violation of Labor Code sections 226 and 226.3; (9) failure to maintain accurate payroll records in violation of section 1174 and 1174.4; (10) failure to reimburse necessary business expenses in violation of Labor Code sections 2800-2804; (11) violations of ICRAA, Civil Code section 1786.16; (12) deceptive, fraudulent, or otherwise unlawful business practices based on the foregoing in violation of California's Unfair Competition Law (Bus. & Prof. Code, §§ 17200–17210); and (13) all claims for liquidated damages, penalties, interest, fees, costs based on the foregoing.

J. Aggrieved Employees' PAGA Release.

All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the operative complaint (and the PAGA Notices), which occurred during the PAGA Period.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

- A. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
- B. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$6,250.00 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.

- C. Workweek/Pay Period Challenges. The number of Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendants' records, are stated in the first page of this Notice. You have until [REDACTED] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records, otherwise the Administrator will accept Defendants' calculation of Workweeks and/or Pay Periods based on Defendants' records as accurate. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendants' Counsel. The Court has the power to make the final determination on challenges.

5. HOW WILL I GET PAID?

- A. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
- B. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee, including those who opt out of the Class Settlement (i.e., every Non-Participating Class Member who is also an Aggrieved Employee).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

Before deciding whether to object, you may wish to see what Plaintiff and Defendants are asking the Court to approve. Re: Juan Manuel Gomez v. Westcoast Paratransit, Inc.; Good Care Medical Transport Non-Emergency

Dear Labor and Workforce Development Agency; Westcoast Paratransit, Inc.; Good Care Medical Transport Non-Emergency:

Please allow this correspondence to serve as written notice required by California Labor Code § 2699.3(a)(1) of the specific provisions of the Labor Code allegedly violated by Westcoast Paratransit, Inc.; Good Care Medical Transport Non-Emergency; and any other employers or person(s) acting on behalf of the employer as such phrase is used under Labor Code sections 558 and 558.1 ("Respondent"), and the facts and theories in support of said allegations. This firm represents Juan Manuel Gomez ("Claimant"); we hereby notify you that Claimant intends to seek penalties against Respondent under the Private Attorneys General Act of 2004, Cal. Lab. Code §§ 2698 *et seq.*, on Claimant's own behalf and all other aggrieved employees.

Specific Provisions of the Labor Code Allegedly Violated by Respondent

The specific provisions of the Labor Code allegedly violated by Respondent and the provisions under which Claimant submits this correspondence include the following: §§ 201, 202, 203, 204, 210, 226, 226.3, 226.7, 246, 510, 512, 558, 1174, 1174.5, 1182.12, 1194, 1194.2, 1197, 1197.1, 1198, 2800, and 2802.

Facts and Theories Supporting the Allegations Against Respondent

Claimant and other aggrieved employees worked for Respondent in California as non-exempt employees. Claimant was employed by Respondent in California within the past year.

During the past year, Respondent failed to provide 30-minute uninterrupted meal periods within the appropriate time intervals to Claimant and other aggrieved employees as required by Labor Code section 512 and section 11 of the applicable Wage Order. Claimant and other aggrieved employees frequently worked shifts over five hours and did not receive lawful meal periods because they were discouraged from taking meal periods, were interrupted during their meal periods, were required to remain on call during meal periods, were subject to automatic deduction of meal periods not provided, and/or were not scheduled to be relieved at the appropriate intervals to receive all lawful meal periods, among other reasons. As a result, their meal periods were missed, late, short, and/or interrupted.

When Claimant and other aggrieved employees missed meal periods or if the meal periods were late, short, and/or interrupted, Respondent violated Labor Code sections 226.7 and 512, as well as section 11 of the applicable Wage Order, by failing to pay an additional hour of pay at the regular rate of pay to Claimant and other aggrieved employees for every day in which they suffered a meal period violation.

Respondent failed to authorize or permit paid 10-minute rest periods for every four hours or major fraction thereof worked because Claimant and other aggrieved employees were required or incentivized to work through their rest periods, discouraged from taking their rest periods, required to remain on call during rest periods, and/or were not scheduled to be relieved at the appropriate intervals to receive all rest periods.

When Claimant and other aggrieved employees did not receive rest periods, Respondent violated Labor Code section 226.7 and section 12 of the applicable Wage Order by failing to pay an additional hour of pay at the regular rate of pay to Claimant and other aggrieved employees.

Respondent failed to pay Claimant and other aggrieved employees at least the legal minimum wage, straight time wage, sick pay, and overtime wage at the correct rate of pay (in violation of Labor Code sections 246, 510, 558, 1182.12, 1194, 1194.2, 1197, 1197.1, and 1198) due to Respondent's policy and practice of requiring Claimant and aggrieved employees to work off-the-clock, failing to pay wages using the appropriate regular rate of pay or the required minimum wage, failing to pay wages for automatically deducted meal period time, failing to properly pay for on-call or standby-by time, failing to pay reporting time pay, and/or failing to pay for all recorded time, among other reasons. Respondent failed to pay Claimant and other aggrieved all minimum, regular, and overtime wages for these hours.

Claimant and other aggrieved employees incurred necessary business-related expenses as a direct consequence of the discharge of their job duties for the benefit of Respondent, such as cell phone use. As such, Respondent violated Labor Code §§ 2800 and 2802 by failing to reimburse Claimant and other aggrieved employees for such expenses.

As a result of, and in addition to, these actions, Respondent violated Labor Code sections 226, and 226.3 by failing to provide itemized wage statements that accurately reported the following: (1) gross wages earned; (2) total hours worked by the employee; (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis; (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item; (5) net wages earned; (6) the inclusive dates of the period for which the employee is paid; (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number; (8) the name and address of the legal entity that is the employer; and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. Specifically, the wage statements failed to list the correct hours, rates, and pay due to the above unpaid wage violations, and the wage statements failed to list the employer address, among other violations.

Respondent violated Labor Code sections 1174 and 1174.5 by failing to maintain accurate and complete records showing the hours worked daily by the aggrieved employees and the wages paid to aggrieved employees (due to the same underpayment of wages referenced above).

Furthermore, Respondent violated the Labor Code by failing to properly pay all these wages owed throughout aggrieved employees' employment and following the end of these workers' employment with Respondent due to the above violations and due to failure to timely pay final wages (in violation of Labor Code sections 201, 202, 203, 204).

Based on these violations, Claimant seeks attorneys' fees, interest, and penalties under the Labor Code. Enclosed and incorporated by reference is the class action complaint Claimant intends to file on behalf of herself and all other aggrieved employees against Respondent. Claimant intends to amend the complaint to include a cause of action pursuant to Labor Code §§ 2698, *et seq.*, after the minimum required review period elapses and will file a conformed copy of the complaint after it has been filed with the court.

Thank you for your assistance on this matter. Should you have any questions or comments, please do not hesitate to contact the undersigned.

Very truly yours,
