DECLARATION OF ANU VERMA

I, Anu Verma, declare and state as follows:

1. I am over the age of eighteen (18) and a resident of the State of California. I am the named plaintiff in the above-captioned case. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by Defendant SingerLewak LLP (“Defendant”) as an hourly-paid, non-exempt Staff Accountant from approximately April 2022 to approximately April 2023.

3. Because I thought the practices at Defendant may not be lawful, I decided to seek legal advice about my work experiences at Defendant and about filing a lawsuit to obtain relief for my grievances. I contacted Blackstone Law, APC and spoke with their attorneys. I wanted to take steps to make sure Defendant was held accountable for not properly compensating its employees for all hours worked and for non-compliant meal and rest breaks. After speaking with the attorneys, I also investigated class and representative action lawsuits on my own. Thereafter, I further consulted with the attorneys at Blackstone Law, APC about my situation, class actions, representative action lawsuits under the Private Attorneys General Act (“PAGA”), and what it meant to bring a class and PAGA action so that I understood what I was considering doing.

4. I have regularly conferred with my attorneys regarding the case as part of my responsibilities as a PAGA representative. This process included searching for and providing documents concerning my employment with Defendant, answering any questions my attorneys had about the documents, providing information regarding the company's practices and the duties of other hourly-paid and/or non-exempt employees, and helping my attorneys develop a strategy as to what additional documents and information they could seek obtain from Defendant.

5. I routinely checked in with my attorneys and their staff to make sure that they had all of my most current information and any additional information that I had obtained. I made myself available to answer any questions my attorneys had about Defendant's practices and treatment of its employees whenever they needed me. I responded to them as quickly as possible and gave them as much information as I could.

///

6. I believe that I have done everything that my attorneys have asked of me and tried, to the best of my ability, to seek relief for the Aggrieved Employees and the State of California. I think my efforts helped to get the result obtained in this case.

7. I reviewed the settlement agreement, discussed the settlement agreement with my attorneys, and asked them questions before signing it. I also executed a separate agreement to settle and resolve my individual claims with Defendant.

8. I understand that any resolution of this lawsuit on a PAGA basis is subject to court approval, and any settlement must be designed in the best interest of the aggrieved employees as a whole. At all times throughout the course of this litigation I have considered the interests of the Aggrieved Employees and put them before my own personal interests.

9. I am not related to anyone associated with Blackstone Law, APC.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on 07/07/2025, at Diamond Bar, California.
