**Re: Herrera, Jesiryl v. Pacific Hematology Oncology Associates
LWDA Case No. LWDA-CM-1012125-24**

To Whom It May Concern:

This correspondence shall constitute an amendment to the February 20, 2024 written notice under Labor Code § 2699.3 of my claims, individually and on behalf of all aggrieved employees, against my former employer Pacific Hematology Oncology Associates (the “Company”). In addition to the Labor Code violations alleged in my February 20, 2024 letter, I further allege that:

1. Violated Labor Code §§ 226.7 by not authorizing and permitting duty-free meal periods to me and other similarly situated employees, nor paying the requisite meal period premium pay of an additional hour of wages for meal breaks that were not provided within the first 5 hours of the start of our shifts or were less than 30 minutes in length. For example, on days that I and aggrieved employees started our shift at 7:00 a.m., but our meal breaks were taken at 12:30 p.m., the Company did not pay our meal break premium wages. Similarly, if our meal breaks were less than thirty (30) minutes in length or were interrupted, the Company did not pay meal break premium wages.

Further as a result of such violations, the Company violated Labor Code §§ 201-203 by not paying employees all of their meal premium wages upon separation of employment and Labor Code § 226(a) as the net/gross wages earned shown on the wage statements were inaccurate due to the wage violations set forth above.

The address for the Company is:

Pacific Hematology Oncology Associates
2100 Webster St Ste 225
San Francisco, CA 94115

Please contact my attorney, Edward W. Choi, at the address/telephone number listed above if you have any questions regarding this matter.

Sincerely,
