DECLARATION OF PLAINTIFF GILDA ALBIZURES IN SUPPORT OF PLAINTIFFS' MOTION FOR PRELIMINARY APPROVAL OF CLASS ACTION AND PAGA SETTLEMENT

Docusign Envelope ID: BC459C11-83FD-80C5-8237-CDE61809AA5A

I, Gilda Albizures, hereby declare as follows:

1. I have personal knowledge of the facts set forth herein and if called upon to testify, I could and would do so competently under oath.

2. I make this declaration, in support of Plaintiffs' Motion for Preliminary Approval of Class Action and PAGA Settlement.

3. I worked for Defendant as a yard spotter from approximately January 2024 to March 2024.

4. Based on my experience and knowledge of Defendant's wage and hour policies and my familiarity with its employment practices, I worked with my attorneys to bring claims on my behalf and on behalf of other non-exempt employees that worked for Defendant.

5. I am seeking to become a Class Representative in this case. I believe my experiences are similar to other non-exempt employees who worked for Defendant.

6. I do not have any conflicts with other non-exempt employees that would hinder my ability to represent them. Therefore, I believe I can adequately represent Defendant's other non-exempt employees.

7. My interests as a named plaintiff in this litigation are not adverse to the interests of the other non-exempt employees. My interests are the same as the interests of the other non-exempt employees because we were all subject to the same policies and practices and were similarly injured by Defendant's company-wide policies and practices. I am seeking the same recovery on behalf of myself and Defendant's other non-exempt employees, which is to collect unpaid wages, meal period premiums, rest period premiums, business expense reimbursements, interest, and penalties that are owed by Defendant.

8. I have always kept the best interests of the other non-exempt employees in mind while performing my duties as a named plaintiff in this action. I have been committed throughout the course of this litigation to vigorously prosecuting this case on behalf of myself and the other non-exempt employees. I believe that I have demonstrated my ability to advocate for the interests of the other non-exempt employees by participating in this lawsuit, providing documents to my attorneys pertaining to my employment with Defendant, going over the claims and theories of the case with my attorneys, keeping in regular contact with my attorneys regarding the status of the lawsuit, and reviewing the settlement agreement and its terms to make sure it was fair.

9. I will continue to actively participate in this lawsuit as necessary, and will continue to make myself available to assist in this case in the future as needed.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration was executed on 10/16/2026 | 12:39 PM PDT in Hesperia, California.
