1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Plaintiffs Carlos Garcia and Edgar Ixen (“Plaintiffs”) brought this class and representative action
4 against Defendant Povac Investments, Inc. (“Defendant” or “Povac”) alleging various wage and hour and
5 related violations. Plaintiffs’ primary allegations are that Defendant: (1) failed to pay all minimum wages
6 owed; (2) failed to pay all overtime wages owed; (3) failed to provide meal periods; (4) failed to authorize
7 and permit rest periods; (5) failed to provide accurate, itemized wage statements; (6) failed to indemnify
8 all necessary business expenditures; (7) failed to pay all final wages owed upon termination; (8) engaged
9 in unfair competition; and (9) is liable for civil penalties under the Labor Code Private Attorneys General
10 Act of 2004 (“PAGA”).

11 Plaintiffs now respectfully request that this Court preliminarily approve this non-reversionary,
12 class action settlement,¹ in which Defendant has agreed to pay Three Hundred Ninety-Seven Thousand
13 Five Hundred Dollars and Zero Cents (\$397,500.00) on behalf of the following Settlement Class:

14 All individuals who worked as non-exempt employees of Defendant Povac
15 Investments, Inc. in California at any time during the Class Period.

16 The Class Period is the period from May 16, 2021 to the date the Court grants
17 Preliminary Approval, unless Defendant elects to select an earlier end date for
18 release pursuant to the escalator provision within this Agreement.

19 Significantly, Settlement Class members do not need to file a claim to receive payment. All
20 Settlement Class members will automatically receive a payment unless they affirmatively opt-out. After
21 deducting (a) the Individual PAGA Payments, (b) the LWDA PAGA Payment, (c) the Class
22 Representative Service Payments, (d) the Class Counsel Litigation Expenses Payment and Class Counsel
23 Fees Payment, and (e) the Administration Expenses Payment, the remaining Net Settlement Amount
24 (“NSA”) of approximately \$189,125.00 will be distributed to all Settlement Class members who do not
25 opt-out of the Settlement. There are approximately 354 Settlement Class members, which means the
26 average payment to each Settlement Class member is currently expected to be approximately **\$534.25**.

27 _____
28 ¹ The Class Action and PAGA Settlement Agreement (“Settlement”) is attached to the Declaration of Milan Moore as Exhibit
2. The proposed Class Notice is attached to the Settlement as Exhibit A. All defined terms in this motion have the same
definitions as used in the Settlement.

1 There are approximately 187 Aggrieved Employees, which means the average individual PAGA Amount
2 is \$26.74.

3 This proposed Settlement is well-within the range of possible approval in light of the significant
4 legal and factual obstacles that Plaintiffs faced, the risks and costs of further litigation, and the tangible
5 monetary benefits to be received by the Settlement Class. For the reasons discussed herein, Plaintiffs
6 respectfully request that the Court grant preliminary approval of the Settlement.

7 **II. SUMMARY OF THE LITIGATION**

8 **A. THE PARTIES**

9 Defendant is in the construction industry. Declaration of Milan Moore (“Moore Decl.”), ¶ 7.
10 Plaintiff Garcia, a former, non-exempt employee, worked for Defendant from approximately 2021 through
11 approximately May 2023. See Declaration of Carlos Garcia (“Garcia Decl.”), ¶ 2. During his
12 employment, Plaintiff worked as a Cleaner. *Id.* Plaintiff Ixen, a former non-exempt employee, was
13 employed with Defendant as a Framer from approximately 2012 through approximately 2023. See
14 Declaration of Edgar Ixen (“Ixen Decl.”), ¶ 2.

15 **B. BRIEF PROCEDURAL HISTORY**

16 On February 6, 2024, Plaintiff Garcia commenced this Action by filing a Complaint alleging
17 causes of action against Defendant for (i) failure to pay all overtime wages owed; (ii) failure to pay all
18 minimum wages owed; (iii) failure to provide meal periods; (iv) failure to authorize and permit rest
19 periods; (v) failure to provide accurate, itemized wage statements; (vi) failure to indemnify all necessary
20 business expenditures; (vii) failure to pay all wages owed upon termination; and (viii) unfair competition.
21 Moore Decl., ¶ 7. Pursuant to Labor Code section 2699.3, subdivision (a), Plaintiff Garcia gave timely
22 written notice to Defendant and the LWDA by sending the PAGA Notice. On April 12, 2024, Plaintiff
23 Garcia filed a First Amended Complaint adding a cause of action for civil penalties under the PAGA. *Id.*,
24 at Exhibit 1. On April 1, 2025, Plaintiff Garcia filed a Second Amended Complaint adding Edgar Ixen as
25 a named plaintiff. *Id.* The primary allegations are that Defendant: (1) failed to pay all minimum wages
26 owed; (2) failed to pay all overtime wages owed; (3) failed to provide meal periods; (4) failed to authorize
27 and permit rest periods; (5) failed to provide accurate, itemized wage statements; (6) failed to indemnify
28 all necessary business expenditures; (7) failed to pay all final wages owed upon termination; (8) engaged

1 in unfair competition; and (9) is liable for civil penalties under the Private Attorneys General Act of 2004
2 (“PAGA”). *Id.*

3 Plaintiffs will serve the instant Motion and proposed Settlement Agreement on the LWDA on the
4 same date as they file this Motion and will submit a proof of service to the Court evidencing the
5 submission. Moore Decl., ¶ 31.

6 **III. DUNK/KULLAR ANALYSIS**

7 Settlement is the preferred means of dispute resolution, particularly in complex class action
8 litigation. *See In re Syncor ERISA Litig.* (9th Cir. 2008) 516 F.3d 1095, 1101. The Court’s role in
9 evaluating a proposed settlement is limited to ensuring that the agreement taken as a whole is fair. *See*
10 *e.g., Hanlon, supra*, 150 F.3d at 1027. There is an initial presumption of fairness where, as here, the
11 Settlement agreement was negotiated at arm’s-length by class counsel and with the assistance of an
12 experienced wage and hour class action mediator. *See e.g. Kullar v. Foot Locker Retail, Inc.* (2008) 168
13 Cal.App.4th 116, 130.

14 **A. INVESTIGATION AND DISCOVERY**

15 After agreeing to participate in private mediation, Defendant informally produced timekeeping and
16 payroll data for a sampling of the class, as well as its wage and hour policies and other relevant documents
17 and information relevant to the claims alleged. Moore Decl., ¶ 8. After a detailed review of the time and
18 payroll records for the putative class and other documents and policies produced by Defendant, Class
19 Counsel drew on their extensive experience in similar cases to assess the strengths and weaknesses of
20 Plaintiffs’ case. *Id.* This informal discovery allowed the parties to assess the merits and value of Plaintiffs’
21 claims and Defendant’s defenses thereto, if a settlement could not be reached. *Id.*

22 **B. ARMS-LENGTH NEGOTIATIONS**

23 On December 3, 2025, after extensive research and analysis, a mediation was held with Michael
24 Ludwig, a well-respected wage and hour class action mediator. Moore Decl., ¶ 9. During mediation, the
25 parties vigorously debated their opposing legal positions, the likelihood of certification of Plaintiffs’
26 claims, and the legal basis for the claims and defenses. *Id.* Ultimately, after continued direct negotiations,
27 the parties agreed in principle on a class-wide resolution. *Id.* In the weeks that followed, the parties
28 finalized the terms of settlement and executed the Class Action and PAGA Settlement Agreement

1 (“Settlement”). *Id.*

2 **C. THE EXPERIENCE AND VIEWS OF COUNSEL**

3 “Parties represented by competent counsel are better positioned than courts to produce a settlement
4 that fairly reflects each party’s expected outcome in litigation.” *In re Pacific Enterprises Securities*
5 *Litigation* (9th Cir. 1995) 47 F.3d 373, 378. Here, Plaintiffs are represented by competent, experienced
6 counsel who possess extensive experience prosecuting and defending wage-and-hour class actions, and
7 who have been appointed as class counsel in numerous cases alleging similar claims. *See* Moore Decl.,
8 ¶¶ 2-5; Declaration of Scott M. Lidman (“Lidman Decl.”), ¶¶ 2-8; Declaration of Paul K. Haines (“Haines
9 Decl.”), ¶¶ 2-8; Declaration of Tiara Gose-Hardy (“Gose-Hardy Decl.”), ¶¶ 2-3. Class Counsel conducted
10 an in-depth review of Defendant’s policies and timekeeping and payroll records and drew on their
11 extensive experience in similar cases to assess the strengths and weaknesses of Plaintiffs’ case. Moore
12 Decl., ¶ 8. The Settlement was also reached with the assistance of an experienced and respected wage and
13 hour class action mediator. Moore Decl., ¶ 9. This factor strongly supports preliminary approval of the
14 Settlement. *See Kullar, supra*, 168 Cal.App.4th at 130.

15 **D. AMOUNT OFFERED IN SETTLEMENT GIVEN REALISTIC VALUE OF**
16 **CLAIMS**

17 The Settlement provides a fair and reasonable monetary recovery for the Settlement Class in the
18 face of disputed claims. Plaintiffs’ analysis of the maximum and realistic expected recoveries for each of
19 the theories of liability pled is set forth below:

20 Defendant Failed to Pay for All Hours Worked: Plaintiffs allege that they and Settlement Class
21 Members were not fully compensated for all of their time worked. Moore Decl., ¶ 14. Specifically,
22 Plaintiffs allege Defendant had a policy and practice of rounding their work time such that they were not
23 fully compensated for all their time worked, including all minimum and/or overtime wages. *Id.*

24 However, Defendant contends that it compensated Settlement Class Members for all of their time
25 worked. Moore Decl., ¶ 15. Defendant also contends that it did not round its employees’ work time
26 during the relevant time period. *Id.* Indeed, based on the records produced by Defendant, it is confirmed
27 that no rounding took place during the relevant time period. *Id.* Accordingly, Plaintiffs valued this claim
28 at zero (0).

1 Defendant Failed to Provide All Legally Required Meal Periods: Plaintiffs allege that they and
2 Settlement Class members were not provided with all legally-compliant first meal periods beginning before
3 the end of the fifth hour of work. Moore Decl., ¶ 16. Specifically, due to Defendant’s policies and/or
4 practices, Plaintiffs allege that the meal periods were either late or otherwise unlawful. *Id.* Based on
5 Plaintiff’s review of the time data produced in connection with mediation, Defendant’s violation rate for
6 first meal period violations was approximately one percent or approximately 23.7% of the meal enabling
7 shifts. *Id.* Therefore, Plaintiff calculated Defendant’s maximum exposure on the alleged meal period
8 violations at approximately \$651,808, inclusive of interest. *Id.*

9 Defendant counters that it has always provided non-exempt employees with an opportunity to take
10 legally compliant meal periods, and any non-compliant meal periods reflected in employee timekeeping
11 records were solely the result of employee choice, rather than any policy or practice of Defendant. Moore
12 Decl., ¶ 17. Defendant also points out that under *Brinker Restaurant Corp. v. Superior Court* (2012) 53
13 Cal. 4th 1004, it is only required to “provide” the opportunity to take meal periods, not “ensure” meal
14 periods are taken, and that they have always done so. *Id.*; See *Brinker, supra*, 53 Cal.4th at 1038 (rejecting
15 “ensure” standard). Defendant also contends individual inquiries would be required to assess which
16 employees took non-compliant meal periods, how many meal periods were non-compliant or missed, and
17 the reasons why a particular employee took a non-compliant meal period or missed a meal period during
18 a particular shift. *Id.* Further, Defendant contends that many of the Settlement Class Members signed
19 valid arbitration agreements with class action waivers. Accordingly, Plaintiffs discounted the maximum
20 exposure by 50% for the risk of non-certification, and an additional 45% to account for Defendant’s
21 defenses on the merits to arrive at an estimated exposure of \$179,247.20. *Id.*

22 Defendant Failed to Authorize and Permit All Rest Periods: Plaintiffs allege that they and
23 Settlement Class members were also not authorized and permitted to take all required rest periods due to
24 Defendant’s rest period policies and practices that fail to authorize and permit all rest periods for every
25 four hours worked, *or major fraction thereof*. Moore Decl., ¶ 18. Specifically, Plaintiffs allege that due
26 to the work demands, they were not authorized and permitted to take rest periods. *Id.* Based on the data,
27 90,143 shifts worked were in excess of 3.5 hours or approximately 98.6% of the shifts. *Id.* Accordingly,
28 Plaintiffs calculated Defendant’s maximum exposure for rest period violations at \$2,813,300.00, inclusive

1 of interest. *Id.*

2 Defendant contends it has always maintained and enforced lawful rest period policies and
3 practices, and that Settlement Class Members were authorized and permitted to take all off-duty rest
4 periods in compliance with California law. Moore Decl., ¶ 19. Further, Defendant argues that the
5 maximum exposure incorrectly assumes a 100% rest period violation rate and Plaintiffs' rest period claim
6 is inherently unsuited for class treatment as it requires an individualized inquiry into whether each
7 Settlement Class Member was in fact authorized and permitted to take a compliant rest period, which
8 would devolve into an unmanageable series of mini-trials. *Id.* Further, Defendant contends that many of
9 the Settlement Class Members signed valid arbitration agreements with class action waivers. Accordingly,
10 Plaintiffs discounted the maximum exposure by 70% for the risk of non-certification, and an additional
11 65% to account for Defendant defenses on the merits to arrive at an estimated exposure of \$295,396.50.
12 *Id.*

13 Defendant Failed to Reimburse Necessary Business Expenses: Plaintiffs allege that Defendant
14 failed to reimburse the, and Settlement Class members for necessary business expenditures, including the
15 use of their personal cellular phones for work activities, as required under Labor Code section 2802 and
16 by *Cochran v. Schwan's Home Service, Inc.* (2014) 228 Cal.App.4th 1137. Moore Decl., ¶ 20. Plaintiffs
17 contends that Defendant required its non-exempt employees to use their personal cellular phones for work-
18 related purposes, but Defendant did not reimburse the putative class members for the cell phones and/or
19 the data usage. *Id.* Plaintiff estimates employees should have been reimbursed approximately \$5.00 per
20 workweek for reasonable cellular phone related expenses *Id.* Accordingly, Plaintiffs calculate
21 Defendant's maximum exposure for this claim at approximately \$56,780.00, including interest. *Id.*

22 Defendant contends that it prohibits employees from using their cell phones while working.
23 Defendant further contends it had previously reimbursed Plaintiffs and the Settlement Class members for
24 their use of their cellular phones for business purposes. Moore Decl., ¶ 21. Further, Defendant argues
25 that any expenses incurred were minimal given the affordability of cellular usage plans. *Id.* Defendant
26 also argues that this claim is not suitable for class treatment because it would require individualized
27 determinations as to whether each employee used a personal cellular phone for business purposes and how
28 often. *Id.* Accordingly, Plaintiffs discounted the maximum exposure by 80% for the risk of non-

1 certification, and an additional 55% to account for Defendant’s defenses on the merits, to arrive at an
2 estimated exposure of \$5,110.20. *Id.*

3 Defendant Issued Inaccurate Itemized Wage Statements: Plaintiffs further allege that Defendant
4 issued inaccurate wage statements in violation of Labor Code § 226 as a result of the alleged unpaid
5 minimum wages, overtime wages, and meal and rest period premium wages described above. Moore
6 Decl., ¶ 22. Specifically, Plaintiffs contend that this conduct violated Labor Code § 226(a) because the
7 wage statements issued to Settlement Class Members did not include all hours worked and the rate at which
8 they were being paid. *Id.* Plaintiffs’ data analysis reflected that there were approximately 4,995 wage
9 statements issued during the relevant time period. *Id.* Therefore, Plaintiffs calculated Defendant’s
10 maximum exposure for wage statement violations based on and applying \$50 for the first violation and
11 \$100 for each subsequent violation, Defendant’s exposure is \$350,450.00. *Id.*

12 Defendant argues that meal and rest period claims cannot support a claim for wage statement
13 penalties. Moore Decl., ¶ 23. Defendant further argues that its alleged wage statement violations could
14 not be shown to be “knowing and intentional,” and that Plaintiffs cannot show that they or any other
15 employee “suffer[ed] injury” as a result of the alleged wage statement violations, as required by Lab. Code
16 § 226(e) for imposition of penalties. *Id.* As such, Plaintiffs discounted the calculated exposure by 65%
17 for a risk of non-certification and an additional 70% for a risk of being unsuccessful on the merits, to arrive
18 at an estimated total of \$36,797.25. *Id.*

19 Defendant is Liable for Waiting Time Penalties: Plaintiffs allege that Defendant is also liable for
20 waiting time penalties under Labor Code section 203 as a result of its failure to timely pay all wages upon
21 separation. Moore Decl., ¶ 24. There are approximately 278 Settlement Class Members who have
22 separated their employment with Defendant during the relevant time period who could be entitled to
23 waiting time penalties. *Id.* Therefore, Plaintiffs calculated Defendant’s maximum exposure for waiting
24 time penalties at approximately \$1,782,243.00. *Id.*

25 Defendant asserts it has strong defenses to the waiting time claim because there exist good-faith
26 disputes as to Plaintiffs’ underlying claims, precluding imposition of penalties. Moore Decl., ¶ 25. *See*
27 *also* 8 Cal. Code Regs. § 13520 (a “good faith dispute that any wages are due will preclude imposition of
28 waiting time penalties”); *Kao v. Joy Holiday*, 12 Cal.App.5th 947, 963 (2017) (holding that “good faith

dispute” over whether employee was exempt precluded imposition of waiting time penalties over contested wages owed). Accordingly, Plaintiffs discounted the maximum exposure by 70% for the risk of non-certification, and an additional 70% to account for Defendant’s defenses on the merits, to arrive at an estimated exposure of \$160,401.87. *Id.*

Defendant is Liable for PAGA Civil Penalties: Plaintiffs also seek civil penalties under the PAGA as a result of the foregoing alleged Labor Code violations. Moore Decl., ¶ 26. Using the \$100 initial violation rate, Plaintiffs calculated Defendant’s maximum exposure at \$499,500.00. *Id.*; see *Amaral v. Cintas Corp. No. 2* (2008) 163 Cal.App.4th 1157, 1207 (finding “initial” violation rate applies until employer is notified that it is violating a Labor Code provision).

Defendant argues that Plaintiffs’ PAGA claim will fail for the same reasons that their underlying claims will fail. Moore Decl., ¶ 27; see *Price v. Starbucks Corp.* (2011) 192 Cal.App.4th 1136, 1147 (“Because the underlying causes of action fail, the derivative UCL and PAGA claims also fail.”). Defendant also maintains that, given its good faith defenses, this Court would exercise its discretion to substantially reduce any PAGA penalties if it were to find Defendant liable for any of Plaintiffs’ claims. See Lab. Code § 2699(e)(2); *Thurman v. Bayshore Transit Mgmt., Inc.* (2012) 203 Cal.App.4th 1112, 1135 (affirming reduction of PAGA penalties); *Fleming v. Covidien Inc.* (C.D. Cal. 2011) Case No. ED CV10-01487 RGK (OPx), 2011 WL 7563047, at *4 (reducing PAGA penalties from \$2.8 million to \$500,000). Therefore, Plaintiffs discounted the maximum exposure figure by 50% for a risk of being unsuccessful on the merits, and an additional 50% to account for the possibility of this Court reducing penalties, to arrive at an estimated exposure of \$124,875.00. *Id.*

E. THE SETTLEMENT IS WITHIN THE RANGE OF POSSIBLE APPROVAL

Using these estimated figures for each of the claims described above, Plaintiffs predicted the realistic total recovery for the Settlement Class would be approximately \$801,828.02. Moore Decl., ¶ 28. The proposed settlement of \$397,500.00 therefore represents approximately 49.6% of the reasonably forecasted recovery for the Settlement Class. *Id.* Preliminary approval is appropriate as the settlement will provide tangible monetary relief to Settlement Class members, and will still provide an average recovery to Settlement Class members of over \$500.00. *Id.*

//

1 The proposed settlement reflects approximately 49.6% of the estimated recovery the Settlement
2 Class could reasonably expect in light of the significant litigation risks and will provide tangible monetary
3 compensation for hotly disputed claims. Indeed, the percentage of the liability exposure recovered in
4 this case is within the range of percentages routinely approved by courts. *See, e.g., Glass v. UBS Finan.*
5 *Servs.* (N.D. Cal. 2007) Case No. C-06-4068 MMC, 2007 WL 221862, *4 (approving settlement
6 representing 25% to 35% of potential damages); *Dunleavy v. Nadler* (9th Cir. 2000) 213 F.3d 454, 459
7 (approving settlement representing about one-sixth of potential recovery); *Nat'l Rural Telecomm. Coop.*
8 *v. DirecTV, Inc.* (C.D. Cal. 2004) 221 F.R.D. 523, 527 (“it is well-settled law that a proposed settlement
9 may be acceptable even though it amounts to only a fraction of the potential recovery that might be
10 available to the Settlement Class members at trial”). Thus, Plaintiff submits that the proposed settlement
11 is within the range of possible approval, such that notice should be provided to the Settlement Class so
12 that they can consider the Settlement. The Court will have the opportunity to again assess the
13 reasonableness of the Settlement after the Settlement Class has had the opportunity to opt-out or object.

14 **F. RISK, EXPENSES, COMPLEXITY, AND DURATION OF FURTHER**
15 **LITIGATION**

16 Although the parties engaged in informal discovery, the parties still had significant discovery to
17 complete in formal litigation had the matter not settled. Moore Decl., ¶ 30. Moreover, Plaintiffs still had
18 to file for class certification, and faced the prospect of appeals in the wake of a disputed class certification
19 ruling for Plaintiffs and/or an adverse summary judgment ruling. *Id.* Even if the classes sought to be
20 certified by Plaintiffs were in fact certified, the parties would incur considerably more attorneys’ fees and
21 costs through a possible decertification motion, trial, and possible appeal. *Id.* This Settlement avoids
22 those risks and the accompanying expense. Thus, this factor supports preliminary approval.

23 **G. RISK OF MAINTAINING CLASS ACTION STATUS**

24 Plaintiffs had not yet filed their motion for class certification and as such, the extent to which
25 Plaintiffs’ proposed classes were certifiable is somewhat speculative. Absent settlement, there was a risk
26 that there would not be a certified class at the time of trial.

27 //

28 //

IV. CLASS CERTIFICATION FOR SETTLEMENT PURPOSES

California Rule of Court 3.769 conditions settlement of a class action on court approval, which is generally evaluated under the federal standards applicable under Rule 23 of the Federal Rules of Civil Procedure. *See Reed v. United Teachers Los Angeles* (2012) 208 Cal.App.4th 322 requires trial court to determine “that the settlement is fair, reasonable and adequate to all concerned”); *Hanlon v. Chrysler Corp.* (9th Cir. 1998) 150 F.3d 1011, 1026 requires the trial court to determine “whether a proposed settlement is fundamentally fair, adequate, and reasonable”).

As explained below, the Settlement Class satisfies the criteria for certification of a settlement class because: (1) the Settlement Class is so numerous that joinder would be impractical; (2) common questions of law and fact predominate over individual questions such that class certification is the most efficient and desirable way to maintain this litigation; (3) Plaintiffs’ claims are typical of the claims of absent Settlement Class members; and (4) Plaintiffs and their counsel will fairly and adequately represent Settlement Class members’ interest. *See* Cal. Civ. Proc. § 382.

A. NUMEROSITY IS SATISFIED.

Here, the proposed Settlement Class consists of approximately 354 members, and is therefore sufficiently numerous as to make joinder impracticable. *See* Moore Decl., ¶ 11; *See, e.g., Bowles v. Sup. Ct.* (1955) 44 Cal.2d 574 (holding a class representing 10 beneficiaries of a trust sufficiently numerous). Thus, numerosity is satisfied.

Further, a class is “ascertainable” where the members “may be readily identified without unreasonable expense or time by reference to official [or business] records.” *See Sevidal v. Target Corp.* (2010) 189 Cal.App.4th 905, 916 (alterations in original). Here, the proposed Settlement Class is ascertainable through Defendant’s personnel files and employee records maintained in the regular course of business.

B. COMMONALITY IS SATISFIED.

The focus in a certification dispute is not the merits, but rather on what types of questions, “common or individual,” are likely to arise in the action. *See Sav-On Drug Store, Inc. v. Superior Court (Rocher)* (2004) 34 Cal.4th 319, 327.

1 Here, Settlement Class Members' claims arise from Defendant's common, uniform policies and
2 practices that applied to Settlement Class members during the class period. Moore Decl., ¶ 13.
3 Specifically, Plaintiffs alleged that Defendant's common and uniform policies and practices resulted in
4 the following violations, involving common questions of law and fact: (1) failure to pay all minimum
5 wages owed; (2) failure to pay all overtime wages owed; (3) failure to provide all meal periods; (4) failure
6 to authorize and permit rest periods; (5) failure to provide accurate, itemized wage statements; (6) failure
7 to indemnify all necessary business expenditures; (7) failure to pay all wages owed upon termination; (8)
8 engagement in unfair competition; and (9) liability for civil penalties under PAGA. *Id.*; *See e.g., Benton*
9 *v. Telecom Network Specialists, Inc.* (2013) 220 Cal.App.4th 701, 726.

10 **C. TYPICALITY IS SATISFIED.**

11 The typicality requirement is satisfied where class representatives have claims that are typical of
12 those of the rest of the class. *B.W.I. Custom Kitchen v. Owens-Illinois, Inc.* (1987) 191 Cal.App.3d 1341,
13 1347 (finding typicality satisfied where named Plaintiff purchased the same goods as the putative class
14 in a consumer class action).

15 Here, Plaintiffs' claims are typical of those held by the members of the proposed Settlement Class.
16 First, Plaintiffs were employed by Defendant during the Class Period as non-exempt employees and were
17 subject to Defendant's wage and hour policies at issue in this case. *See Garcia Decl.*, ¶ 2; *Ixen Decl.*, ¶
18 2. Second, Plaintiffs were allegedly injured by the same challenged policies that allegedly injured the
19 Settlement Class as a whole. For example, Plaintiffs assert that they were not paid all minimum and/or
20 overtime wages, were not provided all meal periods, were not authorized and permitted all rest periods,
21 were not reimbursed necessary business expenses, received inaccurate itemized wage statements, similar
22 to those received by the Settlement Class members, and were not paid all of their wages owed upon their
23 separation of employment. *Garcia Decl.*, ¶¶ 2-6, 12; *Ixen Decl.*, ¶¶ 2-6, 12. Given that Defendant's
24 policies and practices applied to all non-exempt employees, Settlement Class members possess a similar
25 interest and have suffered similar alleged injuries as Plaintiff. Accordingly, because Plaintiffs' claims
26 and those of the Settlement Class all arise from the same conduct, typicality is satisfied.
27
28

1 **D. ADEQUACY IS SATISFIED.**

2 The adequacy requirement examines conflicts of interest between named parties and the class(es)
3 they seek to represent. *Capital People First v. State Dept. of Developmental Services* 155 (2007)
4 Cal.App.4th 676, 697.

5 Here, there are no apparent conflicts of interest between Plaintiffs and the Settlement Class they
6 seek to represent. Garcia Decl., ¶ 13; Ixen Decl., ¶ 13. Indeed, Plaintiffs’ interests are aligned with those
7 of the Settlement Class members, as they all seek monetary relief under the same facts and legal theories.
8 Additionally, Class Counsel does not have any conflict of interest with the Settlement Class. *See McGhee*
9 *v. Bank of America* (1976) 60 Cal.App.3d 442, 450-51 (adequacy satisfied where there was no indication
10 that Class Counsel were not qualified and the named plaintiff had no interests antagonistic to those of the
11 proposed class). Further, Class Counsel also have extensive experience in wage and hour class action
12 litigation and have vigorously litigated this case. *See Moore Decl., ¶¶ 2-5; Lidman Decl., ¶¶ 2-8; Haines*
13 *Decl., ¶¶ 2-8; Gose-Hardy Decl., ¶¶ 2-3.*

14 **V. SETTLEMENT AGREEMENT**

15 **A. THE BASICS**

16 1. Class Definition and Release Period

17 The proposed Settlement Class is defined as “all individuals who worked as non-exempt employees
18 of Defendant Povac Investments, Inc. in California at any time during the Class Period.” Class Period is the
19 period from May 16, 2021 to the date the Court grants Preliminary Approval, unless Defendant elects to
20 select an earlier end date for release pursuant to the escalator provision within this Agreement. Moore
21 Decl., ¶ 11.

22 2. Aggrieved Employees and PAGA Period

23 The proposed Aggrieved Employees is defined as “all individuals who worked as non-exempt
24 employees of Defendant Povac Investments, Inc. in California at any time during the PAGA Period.”
25 Moore Decl., ¶ 12. For purposes of this Settlement Agreement, the “PAGA Period” means the period
26 from February 6, 2023 to the date the Court grants Preliminary Approval, unless Defendant elects to select
27 an earlier end date for the release pursuant to the escalator provision within this Agreement. *Id.*
28

1 **B. RELEASE OF CLAIMS**

2 1. Scope of Settlement Class Members' Release

3 All Participating Class Members release Defendant and all of its present and former parent
4 companies, subsidiaries, affiliates and joint ventures, and all of their owners, officers, managers, directors,
5 employees, agents, servants, registered representatives, attorneys, insurers, successors and assigns, and
6 any persons acting by through, under or in concert with any of them ("Released Parties") from (i) all
7 claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in
8 the Operative Complaint, and/or ascertained in the course of the Action and which occurred during the
9 Class Period. The claims released include, without limitation: (i) failure to pay all overtime wages owed;
10 (ii) failure to pay all minimum wages owed; (iii) failure to provide meal periods; (iv) failure to authorize
11 and permit rest periods; (v) failure to provide accurate, itemized wage statements; (vi) failure to indemnify
12 all necessary business expenditures; (vii) failure to pay all wages owed upon termination; and (viii) unfair
13 competition. Except as set forth in Section 5.3 of this Agreement, Participating Class Members do not
14 release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair
15 Employment and Housing Act, unemployment insurance, disability, social security, workers'
16 compensation or claims based on facts occurring outside the Class Period. Settlement, ¶ 5.2.

17 2. Scope of PAGA Release

18 All Aggrieved Employees release the Released Parties from all claims for PAGA penalties that
19 were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the
20 Operative Complaint and the PAGA Notice and/or ascertained in the course of the Action and which
21 occurred during the PAGA Period. The claims released include, without limitation: (i) failure to pay all
22 overtime wages owed; (ii) failure to pay all minimum wages owed; (iii) failure to provide meal periods;
23 (iv) failure to authorize and permit rest periods; (v) failure to provide accurate, itemized wage statements;
24 (vi) failure to indemnify all necessary business expenditures; (vii) failure to pay all wages owed upon
25 termination; (viii) failure to pay all earned wages at least twice during each calendar month; and (ix)
26 failure to maintain accurate records. Settlement, ¶ 5.3.

1 3. Releases Effective Date

2 The releases described are effective on the date when Defendant fully funds the entire Gross
3 Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual
4 Class Payments. Settlement, ¶ 5.

5 **C. MONETARY TERMS OF SETTLEMENT**

6 1. Gross Settlement Amount and Timing of Payment

7 If the Court approves this Settlement, Defendant will pay a Gross Settlement Amount (“GSA”) of
8 \$397,500.00. Moore Decl., ¶ 10, Exh. 2 (Settlement, ¶ 3.1). Significantly, this Settlement is **non-**
9 **reversionary**, and no Settlement Class member will have to submit a claim form to receive a Settlement
10 Award. *Id.* Each Settlement Class member will automatically receive a Settlement Award unless he or
11 she affirmatively opts out of the Settlement. *Id.*

12 Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to
13 fully pay Defendant’s share of payroll taxes by transmitting the funds to the Administrator no later than
14 14 days after the Effective Date.² See Moore Decl., ¶ 10.

15 2. Deductions from Gross Settlement Amount

16 The monetary terms of the Settlement are summarized below:

Gross Settlement Amount (“GSA”):	\$397,500.00
Minus Court-approved attorneys’ fees (35% of GSA):	\$139,125.00
Minus Court-approved, verified costs (up to \$25,000.00):	\$25,000.00
Minus Court-approved Class Representative Service Awards:	\$15,000.00
Minus Settlement Administration Costs:	\$9,250.00
Minus PAGA civil penalties to LWDA and PAGA Employees:	\$20,000.00
Net Settlement Amount (“NSA”):	\$189,125.00

17
18
19
20
21
22
23
24
25
26 ² “**Effective Date**” means the date by when both of the following have occurred:

27 (a) the Court enters a Judgment on its Order Granting Final Approval of the Settlement; and (b) the Judgment is final.
28 The Judgment is final as of the latest of the following occurrences: (a) if no Participating Class Member objects to the Settlement, the day the Court enters Judgment; or (b) if one or more Participating Class Members objects to the Settlement, the day after the deadline for filing a notice of appeal from the Judgment; or if a timely appeal from the Judgment is filed, the day after the appellate court affirms the Judgment and issues a remittitur. Settlement 1.18.

1 **“Net Settlement Amount” (“NSA”)** means the Gross Settlement Amount, less the following
2 payments in the amounts approved by the Court: (a) the Individual PAGA Payments, (b) the LWDA
3 PAGA Payment, (c) the Class Representative Service Payments, (d) the Class Counsel Fees Payment, (e)
4 the Class Counsel Litigation Expenses Payment, and (f) the Administration Expenses Payment. The
5 remainder is to be paid to Participating Class Members as Individual Class Payments. Settlement, ¶ 1.29.
6 The Settlement requires Defendant to pay a NSA of at least \$189,125.00 to all Settlement Class members
7 who do not timely opt out. Moore Decl., ¶ 10 and Exh. 2.

8 3. Class Representative Service Awards

9 “[I]ncentive awards are fairly typical in class action cases . . . and are intended to compensate class
10 representatives for work done on behalf of the class [and] to make up for financial or reputational risk
11 undertaken in bringing the action.” *In re Cellphone Fee Termination Cases* (2010) 186 Cal.App.4th 1380,
12 1393-94. Here, as part of the Settlement, Plaintiffs will separately apply for their service award at the
13 time of seeking final approval of the proposed class action settlement in the amount of \$7,500.00 each for
14 their services to the Settlement Class. Moore Decl., ¶ 30 and Exh. 2 (Settlement, ¶ 3.2.1); Garcia Decl.,
15 ¶¶ 8-14; Ixen Decl., ¶¶ 8-14. As will be fully briefed at the time of final approval, Plaintiffs’ requested
16 service awards are intended to recognize the time and effort Plaintiffs expended on behalf of the Settlement
17 Class, including providing substantial factual information and documents to Class Counsel, attending
18 multiple meetings with Class Counsel to discuss the claims and theories at issue in the litigation, as well
19 as the significant risks Plaintiffs undertook by agreeing to serve as a named plaintiff in this case, and the
20 fact that Plaintiffs have agreed to a general release of all claims subject to a waiver of Civil Code § 1542.
21 See Moore Decl., ¶ 30; Garcia Decl., ¶¶ 8-14; Ixen Decl., ¶¶ 8-14; Settlement ¶ 5.1.1.

22 4. Attorneys’ Fees and Costs

23 California courts recognize an appropriate method for awarding attorneys’ fees in class actions is
24 to award a percentage of the “common fund” created as a result of a settlement. See e.g., *Laffitte v. Robert*
25 *Half Int’l, Inc.* (2016) 1 Cal.5th 480, 506 (holding “the percentage of fund method survives in California
26 class action cases”). Class Counsel’s request for fees of one-third of the GSA is well within the range of
27 reasonableness, and indeed is considered the typical rate for common fund settlements. Historically,
28 courts have awarded percentage fees in the range of 20% to 50%, depending on the circumstances of the

1 case. *See* 4 Newberg on Class Actions § 14.6 (4th Ed. 2013).

2 Here, Class Counsel will apply for an attorneys' fees award of 35% of the GSA, which is estimated
3 to be \$139,125.00, and up to \$25,000.00 in verified costs reimbursement. *See* Settlement, ¶ 3.2.2; Moore
4 Decl., ¶ 29. Plaintiffs submit the requested fee is fair compensation for undertaking complex, risky,
5 expensive, and time-consuming litigation on a purely contingent fee basis. *Id.* Further, Plaintiffs have
6 provided written approval of the split of attorneys' fees in this action. *Id.* Class Counsel has incurred
7 substantial attorney fees conducting pre-filing investigation, analyzing Plaintiffs' claims, conducting legal
8 research, analyzing Settlement Class members' timekeeping data and payroll records, preparing for and
9 attending mediation, engaging in weeks long direct settlement negotiations, negotiating and revising the
10 long-form settlement agreement, preparing this Motion, and otherwise litigating the case. *Id.* Class
11 Counsel expect to expend additional attorney time in attending the hearing on this Motion, overseeing the
12 Notice process and fielding questions from Settlement Class members, preparing the final approval papers
13 and attending the Final Approval hearing. *Id.*

14 The request for attorneys' fees is reasonable when viewed as an overall percentage of the
15 settlement in light of the substantial risks, significant work undertaken, the extremely positive results
16 obtained for the class, and the efficiency with which the Parties conducted the litigation. Should the Court
17 grant preliminary approval, Class Counsel will seek an award of attorneys' fees and verified litigation
18 costs at the time of seeking final approval of the Settlement, which will include a lodestar analysis.

19
20 5. Payroll Taxes

21 The Settlement provides that Defendant's payroll taxes shall be paid separately from, and in
22 addition to, and the Gross Settlement Amount. Settlement ¶ 3.1. Defendant agrees to deposit it with the
23 Settlement Administrator on the same date the Gross Settlement Amount is due.

24 6. Payment Formula

25 The Net Settlement Amount shall be divided by the total number of workweeks worked during the
26 Class Period in order to establish the workweek amount. The workweek amount will then be multiplied
27 by the number of workweeks attributable to each Participating Class Member in order to determine the
28 correct amount to be payable to each Participating Class Member. Settlement, ¶ 3.2.3.

1 Thus, the average Individual Settlement Payment is projected to be approximately **\$534.25, which**
2 **is exclusive of the PAGA Amount.** Moore Decl., ¶ 10. According to Defendant, there are approximately
3 19,110 workweeks, which means the net value per workweek is approximately \$9.90 (\$189,125 / 19,110
4 Workweeks). *Id.*

5 PAGA Amount: The Administrator will calculate each Individual PAGA Payment by (a) dividing
6 the amount of the Aggrieved Employees' 25% share of PAGA Penalties, Five Thousand Dollars
7 (\$5,000.00) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees, and
8 (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Settlement, ¶ 3.2.4.2.
9 There are approximately 187 Aggrieved Employees and thus the average PAGA Penalties payment to
10 Aggrieved Employees is **\$26.74.** *Id.* The Aggrieved Employees collectively worked a total of
11 approximately 4,995 Pay Periods, making the net value per Pay Period \$1.00 (\$5,000 / 4,995 Pay Periods).
12 Moore Decl., ¶ 12. Each Aggrieved Employee assumes full responsibility and liability for any taxes owed
13 on his or her Individual PAGA Payment. *Id.*

14 7. Tax Allocation

15 For purposes of calculating applicable taxes and withholdings, 20% of each Participating Class
16 Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion").
17 Settlement, ¶ 3.2.4.1. The Wage Portions are subject to tax withholding and will be reported on an IRS
18 W-2 Form. *Id.* The remaining 80% of each Participating Class Member's Individual Class Payment will
19 be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). *Id.* The Non-
20 Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. *Id.* Each
21 Participating Class Member assumes full responsibility and liability for any employee taxes owed on his
22 or her Individual Class Payment. *Id.*

23 8. PAGA Penalty

24 The parties have agreed to a PAGA award of \$20,000.00 and in accordance with California Labor
25 Code section 2699(i), the LWDA will receive 75% of the amount attributable to PAGA penalties – or
26 \$15,000.00. Settlement ¶ 3.2.5. The total amount allocated to PAGA represents approximately 16% of
27 the estimated realistic PAGA exposure discussed above of \$124,875.00. In addition, the \$20,000
28 represents 5% of the \$397,500.00 Gross Settlement Amount and is above the zero to two percent range

1 for PAGA claims approved by Courts. *See, e.g., In re M.L. Stern Overtime Litig.*, No. CV 07-0118 BTM
2 (JMAx), 2009 WL 995864, at *1 (S.D. Cal. Apr. 13, 2009) (approving PAGA settlement of 2 percent, or
3 \$20,000); *Hopson v. Hanesbrands, Inc.*, No. CV 08-0844 EDL, 2008 WL 3385452, at *1 (S.D. Cal. Apr.
4 13, 2009) (approving a PAGA settlement of 0.3 percent, or \$1,500); *Nordstrom Comm’n Cases*, 186 Cal.
5 App. 4th 576, 589 (2010) (approving settlement of wage and hour class action claims and PAGA claims
6 under which no money was allocated to the PAGA claims).

7 **VI. NOTICE ADMINISTRATION**

8 **A. QUALIFICATIONS AND EXPERIENCE OF ADMINISTRATOR**

9 Phoenix Settlement Administrators (“PSA”) has extensive experience in class action matters,
10 having provided services in class action settlements involving antitrust, securities fraud, property damage,
11 employment discrimination, employment wage and hour, product liability, insurance and consumer issues.
12 Declaration of Jodey Lawrence in support of Plaintiff’s Motion for Preliminary Approval filed
13 concurrently herewith (“Lawrence Decl.”).

14 PSA’s fees and expenses are estimated not to exceed \$9,250.00. *See* Lawrence Decl., ¶ 14, Exh.
15 F. This request is reasonable in light of the proposed class size of approximately 354 Settlement Class
16 members and the costs and expenses associated with administering the notices and distributing the awards.
17 Additionally, PSA will translate the Class Notice and will mail the Class Notices to Settlement Class
18 Members in both English and Spanish.

19 **B. CLASS DATA FROM DEFENDANT**

20 Within 15 calendar days after the Order granting Preliminary Approval is entered and served,
21 Defendant will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet.
22 Settlement, ¶ 4.2.

23 **C. CLASS DATA UPDATED PRIOR TO INITIAL MAILING**

24 Before mailing Class Notices, the Administrator shall update the Class Members’ addresses using
25 the National Change of Address database. Settlement, ¶ 8.1.

26 **D. DEADLINE FOR INITIAL ISSUANCE OF NOTICE TO CLASS MEMBERS**

27 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving
28

1 the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-
2 class United States Postal Service (“USPS”) mail, the Class Notice, with Spanish translation, substantially
3 in the form attached to the Agreement as **Exhibit A**. The Class Notice shall prominently estimate (1) the
4 dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class
5 Member, and (2) the number of Workweeks and/or PAGA Pay Periods used to calculate these amounts.
6 Settlement, ¶ 8.4.2.

7 **E. NOTICE COMPLIES WITH CAL. RULES OF COURT, RULE 3.766(D)**

8 The content of the proposed Class Notice satisfies California Rule of Court 3.766(d) because it
9 advises Settlement Class members of the nature of the claims, basic contentions and denials of the parties,
10 and the key terms of the Settlement, the 60-day deadline to opt-out or object to the Settlement and the
11 procedures by which to do so, explains the recovery formula and expected recovery amount for each
12 Settlement Class member, provides them the opportunity to contest their total workweeks included in the
13 notice, and advises them that they will be bound by the terms of the Settlement if they do not opt-out.
14 See Moore Decl., Exh. 2 (Settlement, Exh. A). The proposed Class Notice will also notify Settlement
15 Class members of the final approval hearing date and provides Settlement Class members the contact
16 information for Class Counsel, and advises Settlement Class members that they may enter an appearance
17 through counsel if they wish to. This manner of giving notice satisfies California Rule of Court 3.766(e)
18 as the most reliable and cost-effective method of reaching Settlement Class members.

19 **F. PROCESSING OF PAYMENTS**

20 Within 14 days after Defendant funds the Gross Settlement Amount, the Administrator will mail
21 checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment,
22 the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation
23 Expenses Payment, and the Class Representative Service Payments. Settlement, ¶ 4.4. Disbursement of
24 the Class Counsel Fee Award, the Class Counsel Litigation Expenses Payment and the Class
25 Representative Service Payments shall not precede disbursement of Individual Class Payments and
26 Individual PAGA Payments. *Id.*

1 **G. UNDELIVERABLE CLASS NOTICES**

2 No later than seven (7) days after the Administrator’s receipt of any Class Notice returned by the
3 USPS as undeliverable, the Administrator shall re-mail the Class Notice, via first-class USPS mail, using
4 any forwarding address provided by the USPS. Settlement, ¶ 4.4.2. If the USPS does not provide a
5 forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the
6 Class Notice to the most current address obtained. *Id.*

7 **VII. RESPONSES TO NOTICE**

8 **A. REQUESTS FOR EXCLUSION**

9 Class Members who wish to exclude themselves from (or opt-out of) the Settlement’s release of
10 class action claims must send the Administrator, by fax, email, or mail, a signed written Request for
11 Exclusion no later than the Response Deadline – *i.e.*, 60 days after the Administrator mails the Class
12 Notice (plus an additional 14 days for any Class Member whose Class Notice is re-mailed). Settlement,
13 ¶¶ 1.44, 8.4.4. A Request for Exclusion is a letter from a Class Member or his/her representative that
14 reasonably communicates the Class Member’s choice to be excluded from the Settlement and includes the
15 Class Member’s name, address, and email address or telephone number. Settlement, ¶ 8.5.2. To be valid,
16 a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline. *Id.*

17 **B. RE-MAILED NOTICES**

18 The Administrator has no obligation to make further attempts to locate or send Class Notice to
19 Class Members whose Class Notices are returned by the USPS a second time. Settlement, ¶ 8.4.3.

20 **C. OBJECTION PROCEDURES**

21 Participating Class Members may send written objections to the Administrator by fax, email, or
22 mail. Settlement, ¶ 8.7.3. In the alternative, Participating Class Members may appear in Court (or hire an
23 attorney to appear in Court) to present verbal objections at the Final Approval Hearing. *Id.* A Participating
24 Class Member who elects to send a written objection to the Administrator must do so not later than the
25 Response Deadline – *i.e.* 60 days after the Administrator’s mailing of the Class Notice (plus an additional
26 14 days for Class Members whose Class Notice was re-mailed after having been returned as
27 undeliverable). *Id.*

1 **VIII. CY PRES DISTRIBUTION**

2 For any Participating Class Member whose Individual Class Payment check is uncashed and
3 cancelled after the void date of 180 days, and for any Aggrieved Employee whose Individual PAGA
4 Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds
5 represented by such checks to the Controller's Unclaimed Property Fund, in the name of the Participating
6 Class Member and/or Aggrieved Employee, thereby leaving no "unpaid residue" subject to the
7 requirements of California Code of Civil Procedure § 384(b). Settlement ¶ 4.4.3. As all settlement funds
8 will be distributed to the Settlement Class members, there will be no residue and it is unnecessary to
9 designate *cy pres* recipients.

10 **IX. CONCLUSION**

11 This Court should set a hearing for final approval of the Settlement on a date appropriately
12 scheduled to follow the deadline by which Settlement Class members must file objections to the
13 Settlement or opt-out. *See* California Rule of Court 3.769. Therefore, for the foregoing reasons, Plaintiffs
14 respectfully request that the Court preliminarily approve the proposed Settlement, provisionally certify
15 the Settlement Class, and enter the Proposed Order Granting Preliminary Approval of Class Action
16 Settlement submitted concurrently herewith.
