**DECLARATION OF BRIAN J. MANKIN,
ESQ., IN SUPPORT OF MOTION FOR
FINAL APPROVAL OF CLASS ACTION
SETTLEMENT**

Hearing

Date: July 23, 2026

Time: 8:30 a.m.

Dept.: 1

I, Brian J. Mankin, state and declare:

1. I am an attorney licensed to practice before all of the courts of the State of California. I am a partner with the law firm of Lauby Mankin Lauby LLP, which has offices in Orange County and Riverside County, and I manage the firm's employment law practice. I represent Plaintiff in this action and I am thoroughly familiar with and have personal knowledge of all of the facts set forth herein. I submit this declaration in support of Plaintiff's Motion for Final Approval of this Class Action Settlement. If called as a witness, I could and would competently testify thereto.

///

1 **COUNSEL’S EXPERIENCE**

2 2. I have been a member, in good standing, of the State Bar of California since 2001.
3 I am admitted to practice in the United States District Courts for the Central and Southern
4 District of California and the Ninth Circuit Court of Appeal and have tried cases in various
5 courts in California.

6 3. I have handled well over 500 employee vs. employer litigation matters during my
7 nearly 25 years in practice. Over the last 19 years, my practice has almost entirely consisted of
8 representing employees, the majority of which has included class action and representative
9 action wage and hour matters. In total, I have handled well over 300 class action and
10 representative action wage/hour cases, and have been appointed by the court as class counsel and
11 have received final court approval and judgment in close to half of those actions to date, and
12 anticipate receiving final approval in many more of those in the future.

13 4. As part of these settlements and judgments, I have recovered in excess of \$300
14 million in damages for my clients and the class members (who often work as nurses, ambulance
15 drivers, technicians, warehouse workers, truck drivers, sales, professional occupations and
16 countless other trades). At one point, my team and I held the record for the largest known
17 PAGA-only case in California’s history - a \$12.5 million-dollar court approved settlement,
18 which followed extensive litigation, summary adjudication and writs to the CA Supreme Court
19 against a Fortune 50 company (*Garcia v. Macy’s*, San Bernardino Superior Court).

20 5. I have tried two class and PAGA cases against Fortune 100 companies. I was
21 lead counsel in a PAGA case that my firm tried to the bench in the Orange County Superior
22 Court and received a \$425,000 judgment. I was co-counsel in a class action case against
23 Walmart that was tried to the jury in District Court for the Central District, wherein the jury
24 awarded Plaintiffs over \$6 million. Following the successful outcome in trial, both cases were
25 appealed.

26 6. I was named by the LA Times as one “Southern California Leading Lawyers” in
27 the May 2023 issue of Consumer Attorney’s of Southern California (a recognition given to 17
28 employment/labor law attorneys in 2023). Additionally, over the last 6 consecutive years, I have

1 been selected by my peers as a “Super Lawyer” in Employment Litigation, a distinction that only
2 5% of lawyers receive.

3 **ADEQUACY OF THE SETTLEMENT**

4 7. The Class, as conditionally certified by this Court, consists of all current and
5 former nonexempt employees employed by Defendant in California during the Class Period of
6 April 20, 2020, through July 2, 2025.

7 8. As set forth in the Declaration of the Administrator, the Net Settlement Amount is
8 \$1,038,984.44, after the deductions set forth in the chart below:

<i>Gross Settlement Amount</i>	\$ 1,750,000.00
Attorneys’ Fees	\$ 612,500.00
Litigation Costs	\$ 24,515.56
Administrator Costs	\$ 14,000.00
PAGA Penalties	\$ 50,000.00
Class Representative Service Award	\$ 10,000.00
<i>Net Settlement Amount</i>	\$ 1,038,984.44

14 9. The process of mailing the Notice Packets was very successful, as all Class
15 Notices were determined to be deliverable, resulting in a 100% success rate in mailing the
16 notices.

17 10. The response from the Class Members was overwhelmingly positive, as no Class
18 Member has objected and only one opted out of the settlement.

19 11. As discussed at length in Plaintiff’s motion for preliminary approval, as well as in
20 the Motion for Final Approval, this Settlement is favorable to the Class, and the release is
21 narrowly limited to the claims alleged.

22 12. Sufficient information existed to allow Class Counsel to intelligently value this
23 case. Given the parties’ arms’ length bargaining facilitated by a reputable and experienced wage
24 and hour mediator, the exchange of informal discovery, the experience of Class Counsel, the fact
25 that 99.93% of the Class has elected to participate and no objections were submitted, the
26 presumption of fairness is justified.

27 13. I believe that the Settlement is fair, reasonable and adequate, and in the best
28 interests of the Class, given the litigation risks and delay inherent in further litigation and

possible appeals. As set forth in Plaintiff's motion for preliminary approval and the declarations submitted in support thereof, Defendant vigorously contested Plaintiff's claims, and Plaintiff faced real challenges in certifying the Class and obtaining a recovery on the claims in this matter. Nonetheless, the Parties concluded that further litigation would be protracted and expensive, and that it is desirable that the action be fully and finally settled in the manner and upon the terms and conditions set forth in the Settlement Agreement in order to limit further expense, inconvenience and distraction, to dispose of burdensome and protracted litigation, and to permit the operation of Defendant's business without further expensive litigation and the distraction and diversion of its personnel with respect to matters at issue. All parties took into account the uncertainty of risks inherent in any litigation, especially in complex cases such as this case. The parties determined that it is desirable and beneficial to both the Class and Defendants that this case be settled. Risks on both sides were considered in reaching the Settlement Agreement. The recoveries contemplated by the Settlement represent a good result for the Class, fairly proportioned to the likely risk-adjusted recovery in litigation.

ADEQUACY OF COUNSEL AND

REASONABLENESS OF REQUESTED FEE AND COST AWARDS

14. As set forth above, I have handled over 300 class and representative actions, have been appointed as class counsel and have successfully resolved over half of those cases, and many others remain pending and will successfully resolve in the future while recovering hundreds of millions of dollars for my clients and Class Members. This is substantially better than average accordingly to Mayer Brown LLP's study entitled, *An Empirical Analysis of Class Actions*, cited in *Laguna v. Coverall North America, Inc.*, No. 12-55479 (9th Cir. 2014), which found that only one-third of class actions are successful, compared to two-thirds that are defeated and result in no payment to the class members.¹

15. When this case was taken on a contingency fee basis, with my office agreeing to assume responsibility for all litigation costs, the ultimate result was far from certain. In the

¹ www.mayerbrown.com/files/uploads/Documents/PDFs/2013/December/DoClassActionsBenefitClassMembers.pdf

1 course of this litigation, my office paid all costs including filing fees, court costs, research fees,
2 and mediation costs. There was never a guarantee that we would recoup those expenditures.

3 16. There are several factors and reasons why I believe the Court should award the
4 requested amount of attorneys' fees.

5 17. First, Class Counsel's efforts resulted in a common fund settlement amount of
6 \$1,750,000, whereby some Class Members will receive as much as \$2,234.84, while the average
7 payment is \$767.91. This is an excellent result in light of the disputed nature of the claims
8 alleged. This result was achieved by the work and success of my office, who negotiated the
9 settlement after extensive litigation, discovery, preparation, investigation, mediation, and
10 substantial work thereafter.

11 18. Second, Plaintiff faced significant risks going forward with the litigation. As
12 discussed in the motion for preliminary approval, Defendant raised various defenses throughout
13 this litigation, any one of which, if successful, could have decimated Plaintiff's case. And
14 Defendant vowed to raise all these defenses at trial. Accordingly, Plaintiff faced risky issues
15 going forward with this litigation, and it would have taken several more years to realize any
16 recovery in this action along with the possibility of post-trial appeals.

17 19. Third, Class Counsel are experienced class action litigators. This experience and
18 expertise, combined with the high quality of work performed in this case, resulted in the
19 settlement achieved in this case.

20 20. Fourth, Class Counsel have been representing Plaintiff in this matter strictly on a
21 contingency fee basis. To that end, we have incurred the risk of non-recovery after investing a
22 substantial amount of time, money, and resources, and have done so since the inception of this
23 case without any payment or compensation. If Plaintiff had lost this case, we would have
24 recovered nothing and would have lost our out-of-pocket costs. This is not an easy burden for
25 my office, which is a small firm. If, despite these hardships and risks, the best my office could
26 hope for is merely to be paid our hourly rate, then Class Counsel would not be compensated for
27 the hardships and serious risks we faced litigating this contingency case, and would not be
28 incentivized to take on similar cases in the future. Indeed, not all class/PAGA cases are

1 successful. Many cases end with no fees or a greatly reduced fee that is far less than lodestar,
2 often due to no fault of counsel (*i.e.*, bankruptcy, change in the law, consolidation- coordination-
3 preemption, being top filed, etc.). As noted in the Mayer Brown LLP's study discussed above,
4 only one-third of class actions are successful, compared to two-thirds that are defeated and result
5 in no payment to the class members.

6 21. To illustrate the high-risk nature of contingent representation in class actions, I
7 can directly attest to handling many cases that resulted in: (a) zero recovery, and a major loss, (b)
8 a negative multiplier, and (c) individual settlements in lieu of a class recovery.

9 22. For instance, my firm received zero recovery – and posted substantial loss of hard
10 costs and attorney hours – in many cases, including the following examples:

11 A. In 2025 alone, there were several Class/PAGA actions in which
12 ***Defendants filed for bankruptcy, resulting in a potential loss of all fees and costs.*** These
13 bankruptcies resulted in an anticipated attorneys' fees loss of approximately \$1.3 million due to
14 the loss of nearly \$4 million in Class/PAGA settlements (*Williamson v. Kal Freight, Inc., et. al*,
15 Riverside Superior Court Case No. CVRI2204960; *Grammatico v. Kal Freight, Inc.*, San
16 Bernardino Superior Court Case No. CIVSB2214750; *Lyons v. Modivcare*, San Bernardino
17 Superior Court Case No. CIVSB2312049; *Turner v. Sharon Care*, Los Angeles Superior Court
18 Case No. 24STCV02146).

19 B. In a complex Class/PAGA action that was litigated for **7 years**, and after
20 receiving class certification, my firm eventually reached a settlement with Defendants that
21 factored in Defendants' financial constraints. This settlement resulted in a **negative 7.75**
22 **multiplier**. After the Court granted Final Approval, ***Defendants have defaulted and failed to***
23 ***fund any payments to the Settlement Administrator; as a result, we began the collections***
24 ***process, but have not yet recovered any funds.*** (*Carr v. H&IC Bros. Corp.*, San Bernardino
25 Superior Court Case No. CIVDS1711425).

26 C. In another heavily litigated Class/PAGA action, my firm obtained class
27 certification, prevailed on summary adjudication as to liability, then fully prepared for trial (on
28 damages only). Yet, one day before the start of trial, ***Defendant filed for bankruptcy, resulting***

1 *in complete loss of attorneys' fees and all costs advanced* (*Garza v. Quality Conversation*, San
2 Bernardino Superior Court Case No. CIVDS1506788).

3 D. My firm has also had numerous Class/PAGA cases result in a complete
4 loss of all fees and cost because of early bankruptcy filings. (*Gomez v. Ultimate Logistics*,
5 Riverside Superior Court Case No. RIC1723054, and *Bonilla v. Home Energy*, San Bernardino
6 Superior Court Case No. CIVSB2215927).

7 23. Additionally, even when my firm achieved a settlement (which appears on its face
8 as a "favorable" outcome), there are countless times when the fees requested by my firm still
9 result in a ***large negative attorney fee multiplier***, including the following examples:

10 A. ***Negative 4.26 multiplier:*** In *Pompa v. Landforce*, San Bernardino
11 Superior Court Case No. CIVDCX10100451, my firm litigated for over 4.5 years, and obtained
12 class certification. Yet, despite the fact that a settlement was eventually achieved, it resulted in a
13 negative 4.26 multiplier due to financial condition;

14 B. ***Negative 4.24 multiplier:*** In *Sacks v. Natural Energy*, San Bernardino
15 Superior Court Case No. CIVDS1811288, the matter resulted in a settlement with a negative
16 4.24 multiplier for my firm due to financial condition.

17 24. There are also many situations when my firm is forced to convert matters into
18 small individual settlements (and therein lose substantial attorneys' fees) for a variety of reasons,
19 including the financial constraints of a defendant, or because a company may engage in a "Pick-
20 up Stix Campaign" to settle directly with the class members, or because a defendant engages in a
21 reverse auction and settles a class/PAGA case with another firm that will take less, thereby
22 cutting off Class Counsel's recovery. There are indeed numerous examples of this occurring that
23 result in an individual settlement, thereby causing my firm to bear the burden of a loss in
24 attorneys' fees.

25 25. To offset these risks and unfavorable results, Courts historically award a
26 multiplier on Class Counsel's lodestar, as discussed further below. Because if the *best* my firm
27 could hope for is merely to be paid its customary hourly rate multiplied by the number of hours
28 worked on a case, then my firm would not be compensated for the hardships and serious risks

1 they faced litigating contingency cases and incurring losses on the unfavorable results, and
2 would not be incentivized to take on similar cases in the future. Indeed, the availability of a
3 “lodestar multiplier” allows my firm to be an advocate for employees and take on risky cases
4 where we may have to shoulder the risks of large losses in other cases, so that the class members
5 do not have to forego their right to the justice system. Thus, the potential for a multiplier
6 ensures that competent counsel who are willing to offer contingency fee agreements are available
7 and willing to take on cases to help all Class Members – not just those employed by large
8 corporations.

9 26. Fifth, the request for attorney’s fees from the common fund falls well within the
10 norms accepted by state and federal courts in California in comparable wage and hour actions
11 actually handled by my office. Moreover, the award of a one-third fee recovery under the
12 common fund doctrine was recently approved by the California Supreme Court in *Laffitte, supra*,
13 1 Cal.5th 480, 503.

14 27. For these reasons, a common fund fee award in the amount of \$612,500 from the
15 common fund created by Plaintiff and Class Counsel is fair and reasonable, especially where the
16 requested amount requires only a small multiplier, well within the range of reasonableness
17 adopted by California courts. In fact, courts have held that “[m]ultipliers can range from 2 to 4 or
18 even higher.” *Wershba*, 91 Cal.App.4th at 255; *see also Steinder v. Am. Broadcasting Co., Inc.*
19 (9th Cir. 2007) 248 Fed.Appx. 780, 783 (**approving multiplier of 6.85** and citing cases with
20 comparable or higher multipliers); *Craft v. County of Los Angeles* (C.D. Cal. Apr. 1, 2008) 2008
21 U.S. Dist. LEXIS 27526 (**applying 5.2 multiplier**); *Torchia v. WW Grainger, Inc.* (E.D. Cal.
22 2014) 304 F.R.D. 256, 275-278 (approving attorneys’ fees of \$550,000 **constituting a 3.57**
23 **multiplier** on class counsel’s total lodestar); *Vizcaino*, 290 F.3d at 1051 (finding no abuse of
24 discretion in **awarding a multiplier of 3.65**); *Sternwest Corp v. Ash* (1986) 183 Cal.App.3d 74,
25 75-76 (where the Court of Appeal remanded for a lodestar enhancement of “**two, three, four or**
26 **otherwise**”).

27 28. At my office, this case was primarily handled by my senior associate attorney,
28 Peter Carlson, while I performed the role of the supervising attorney. As set forth in his

1 declaration, Mr. Carlson works exclusively with me on employment law matters. He has been in
2 practice for 12 years and bills at the hourly rate of \$750/hour. I have been in practice for nearly
3 25 years, with most of those years handling complex litigation and for over the last 19 years, my
4 practice has almost entirely consisted of handling class action wage and hour matters. My billing
5 rate is \$950/hour. I believe these rates are consistent with Plaintiff and Defense attorneys who
6 handle complex class action litigation, if not somewhat lower.

7 29. The reasonableness of these rates is reinforced by facts showing that local
8 attorneys in Los Angeles engaged in complex litigation bill at rates far higher than my office –
9 and far higher than the Laffey Matrix. Recent public filings confirm that the Los Angeles
10 Department of Water and Power is paying outside counsel at minimum rates of \$1,800 for
11 partners, \$1,180 per hour for associates with 7 years of experience or more, and LADWP even
12 pays first year associates \$745 per hour. See <https://www.latimes.com/california/story/2025-02-14/law-firm-1975-an-hour-defend-against-palisades-fire-lawsuits>.
13

14 30. Moreover, the Wolters Kluwer 2023 Real Rate Report (“Real Rate Report”) provides directly applicable information in this regard. The Real Rate Report is based on an
15 enormous and statistically significant compilation of data, comprising millions billing entries
16 from a hundred thousand individual timekeepers who worked at thousands of law firms. The
17 Real Rate Report then compiles and analyzes this data to provide the hourly rates for partners
18 and associates in major metropolitan areas. For the southern California area: (a) the rate for
19 partners in Los Angeles is between \$840 and \$1,159 per hour for the middle and upper quartiles,
20 and (b) the rates for associates with seven or more years of experience, the median rate is \$674
21 per hour, and the upper quartile rate is \$888 per hour. And, perhaps most importantly, the
22 information provided in the Real Rate Report is not based on self-reported numbers, surveys,
23 sampling, or reviews or other publications – instead, the Real Rate Report is based on the actual
24 hours and fees billed by law firms, which makes it “a much better reflection of true market rates
25 than self-reported rates in all practice areas.” *Brown v. CVS Pharmacy, Inc.* (C.D. Cal. Apr. 24,
26 2017) 2017 U.S. Dist. LEXIS 182309, at *21.
27
28

1 31. Here, the combined lodestar for my firm totals \$255,225. This includes Mr.
2 Carlson's 218.7 hours that he billed on this matter (as set forth in his declaration) plus my 96
3 hours (including time I will bill in finalizing and filing the motion, preparing for and attending
4 the approval hearing, and working with the administrator and defense counsel to issue checks,
5 respond to class members and finalize this matter). Thus, our total lodestar reflects a modest
6 lodestar multiplier of 2.39. Thus, the requested fee is warranted and appropriate because of the
7 results achieved for the Class Members, both in terms of the immediate cash settlement, as well
8 as the fact that the Class Members resoundingly supported the Settlement. Defendant does not
9 oppose this fee request.

10 32. In the course of prosecuting this action, my office has incurred expenses
11 necessary to the effective representation of the Class. These expenses included but were not
12 limited to: court filings, copying and management of documents, messenger services, postage,
13 fax transmission expenses, transportation, mediation fees, expert fees, and other incidental
14 expenses directly related to this action. My firm's expenses through the final approval hearing
15 are estimated to be \$24,515.56, which includes filing this motion, process/server costs, and
16 service expenses (see the itemized statement of these costs attached hereto as Exhibit B). Since
17 the Settlement Agreement provided for capped costs up to \$25,000, the savings will be placed in
18 the Net Settlement Amount and distributed to the Participating Class Members. Defendant does
19 not oppose this request for costs.

20 **REASONABLENESS OF REQUESTED SERVICE AWARD**

21 33. I also believe that the service award of \$10,000 to Plaintiff is fair and warranted
22 for the reasons outlined in her declaration and in the motion. She came forward and worked
23 directly with my offices in analyzing the claims and documents, providing valuable information.
24 (See her declaration for supporting information.) Indeed, her participation was an essential
25 element of Defendants' desire to mediate and of the pre- and post-mediation analysis that
26 allowed Class Counsel to settle the case. In addition, she also took on various risks, including
27 the risk that she could have been ordered to pay Defendants' costs if she lost and the risk of
28 retaliation and being black-balled in the industry. She also provided a full release of all claims.

1 Defendants do not oppose the requested service award.

2 **SUBMISSION TO THE LWDA**

3 34. The Motion and declarations, including the Settlement Agreement, have
4 concurrently been submitted to the LWDA. (See Exhibit "C").

5 **EXHIBITS AND CONCLUSION**

6 35. A true and correct copy of the Settlement Agreement is attached hereto as Exhibit
7 A.

8 36. Attached hereto as Exhibit B is a true and correct copy of an itemized statement
9 of my firm's litigation costs.

10 37. The LWDA's confirmation of receipt of this Motion and Declaration is attached
11 hereto as Exhibit C.

12 38. For the foregoing reasons, it is respectfully requested that the Court grant final
13 approval of the settlement as being fair, reasonable, and in the best interest of the class, and
14 approve the requested attorneys fees, costs, and service award.

15 I declare under penalty of perjury under the laws of the State of California that the
16 foregoing is true and correct. Executed on June 30, 2026, at Riverside, California.

B. General Terms

40. On April 20, 2024, Plaintiff filed the instant class action, alleging that Defendant violated various sections of the Labor Code. On April 23, 2024, Plaintiff gave written notice by online filing to the Labor and Workforce Development Agency (“LWDA”) and by certified mail to Defendant of the specific provisions of the Labor Code alleged to have been violated, including the facts and theories to support the alleged violations. Then, on about June 28, 2024, Plaintiff filed a First Amended Complaint adding causes of action under PAGA. Defendant filed

1 its Answer to the First Amended Complaint on August 2, 2024.

2 41. Defendant denies Plaintiff's claims and allegations and contends that the Action is
3 not suitable for class certification.

4 42. The Class Representative believes she can proceed with the representative and
5 class claims, that the Action is meritorious, and that class certification is appropriate.

6 43. The Parties have conducted a thorough investigation into the facts of the Action.
7 This includes an extensive exchange of informal discovery, including a sampling of payroll and
8 timekeeping records for Class Members. Class Counsel is both knowledgeable about and has
9 done extensive research with respect to the applicable law and potential defenses to the claims of
10 the Class. Class Counsel has diligently pursued an investigation of the Class Members' claims
11 against Defendant. Based on the foregoing data and on their own independent investigation and
12 evaluation, Class Counsel is of the opinion that the settlement with Defendant for the
13 consideration and on the terms set forth in this Settlement Agreement is fair, reasonable, and
14 adequate and is in the best interest of the Class Members in light of all known facts and
15 circumstances, including the risk of significant delay and uncertainty associated with litigation,
16 various defenses asserted by Defendant, and numerous potential appellate issues.

17 44. On July 2, 2025, Plaintiff and Defendant participated in a full-day mediation with
18 Daniel Turner, Esq., a well-respected wage-and-hour mediator. Although the Action did not
19 settle at mediation, the Parties continued their negotiations, facilitated by the mediator.
20 Ultimately, the mediator issued a mediator's proposal that was accepted by the Parties on
21 October 20, 2025.

22 45. The Parties agree that neither the Parties' Settlement, this Agreement, nor the acts
23 to be performed or judgment to be entered pursuant to the terms of the Settlement and
24 Agreement, shall be construed as an admission by Defendant of any wrongdoing or violation of
25 any statute or law or liability on the claims or allegations in the Action.

26 46. Stipulation for Class Certification. For settlement purposes only, Defendant will
27 stipulate that the Class Members described herein who do not Request Exclusion from the Class
28 may be conditionally certified as a Class. This stipulation to certification is in no way an

admission that class action certification is proper and shall not be admissible in this action except for the sole purposes of enforcing this Agreement. Should, for whatever reason, the Court fail to issue Final Approval, the Parties' stipulation to class certification as part of the Settlement shall become null and void ab initio and shall have no bearing on, and shall not be admissible in this Action in connection with, the issue of whether certification would be appropriate in a non-settlement context. Defendant expressly reserves its rights and declares that it would continue to oppose class certification and the substantive merits of the case should the Court fail to issue Final Approval. Plaintiff expressly reserves her rights and declares that she will continue to pursue class certification and a trial should the Court fail to issue Final Approval.

C. Terms of Settlement

47. The financial terms of the Settlement are as follows:

(a) Settlement Amount: The Parties agree to settle this Action for the Settlement Amount, which is the maximum amount that will be paid by Defendant unless the Escalator Clause is triggered and except for the employer's share of payroll taxes. The Settlement Amount includes payments to the Participating Class Members, PAGA Penalties (to the Aggrieved Employees and LWDA), Attorneys' Fees and Costs Award, the Service Payment to the Class Representative, and Settlement Administration Costs. Defendant shall separately pay the employer's share of its payroll tax obligations, which shall be reported through the Settlement Administrator.

(b) Net Settlement Amount: The "Net Settlement Amount" is defined as the Settlement Amount, less the Attorneys' Fees and Costs Award, the Service Payment to the Class Representative as awarded by the Court, the Settlement Administration Costs, and PAGA Penalties. If the Court reduces the Attorneys' Fees and Costs Award, Service Award, or Settlement Administrator Costs, or either increases or decreases the amount allocated to the PAGA Penalties, the difference shall be placed in the Net Settlement Amount and allocated to the Participating Class Members.

(c) Individual Class Payments for the Class will be calculated and apportioned from the Net Settlement Amount based on the number of Weeks Worked by a Class Member

1 during the Class Period. Thus, each specific Individual Class Payment will be calculated by: (a)
2 dividing the Net Settlement Amount by the total number of Weeks Worked by all Participating
3 Class Members during the Class Period, and (b) multiplying the result by each Participating
4 Class Members' Weeks Worked. The amount actually distributed to Participating Class
5 Members shall equal one hundred percent (100%) of the Net Settlement Amount.

6 (d) Allocation of Individual Class Payments: The Individual Class Payments
7 to Participating Class Members will be allocated as follows: twenty percent (20%) will be
8 allocated as wages subject to withholding of all applicable local, state and federal taxes; and
9 eighty percent (80%) will be allocated for interest and statutory penalties (pursuant to, e.g.,
10 California Labor Code sections 203, 210, 226) from which no taxes will be withheld. The
11 Settlement Administrator will issue to each Participating Class Member an Internal Revenue
12 Service Form W-2 and comparable state forms with respect to the wage allocation and a Form
13 1099 with respect to the penalties and interest allocations.

14 (e) Service Payment to Class Representative: The amount, if any, awarded to
15 the Class Representative as a Service Payment will be set by the Court in its discretion, not to
16 exceed \$10,000, in exchange for the service that Plaintiff performed on behalf of the Class.
17 Defendant agrees not to oppose this request. The Service Payment to Plaintiff will be paid out of
18 the Settlement Amount. The Class Representative will be issued an IRS Form 1099 for this
19 payment. Plaintiff shall be solely and legally responsible to pay any and all applicable taxes on
20 this payment. The Parties agree that any amount awarded as the Service Payment to Plaintiff
21 less than the requested amount shall not be a basis for Class Counsel to void this Settlement
22 Agreement. Should the Court approve a lesser amount for the Service Payment, the difference
23 shall be added to the Net Settlement Amount for distribution to Participating Class Members.

24 (f) Attorneys' Fees and Costs Award: Defendant agrees to not oppose a
25 request by Class Counsel to the Court for an award of attorneys' fees of thirty-five percent (35%)
26 of the Settlement Amount, plus reasonable litigation costs not to exceed \$25,000 ("Attorney's
27 Fees and Cost Award"). Defendant agrees not to oppose any contention by Class Counsel that
28 attorneys' fees should be based on the catalyst and/or common fund theory. The Attorney's Fee

1 and Cost Award shall be paid from the Settlement Amount, and, except for this award,
2 Defendant shall have no further obligation to pay any attorneys' fees, costs or expenses to Class
3 Counsel. Should the Court approve a lesser amount than what is sought by Class Counsel, the
4 difference shall be added to the Net Settlement Amount to be distributed to the Participating
5 Class Members. Any Court order awarding less than the amount sought by Class Counsel shall
6 not be grounds to rescind the Settlement Agreement or otherwise void the Settlement. The
7 Settlement Administrator shall issue to Class Counsel an IRS Form 1099 reflecting the amount
8 of attorneys' fees and costs awarded by the Court.

9 (g) Settlement Administration Costs: The fees and other charges of the
10 Settlement Administrator will be paid from the Settlement Amount, not to exceed the agreed-
11 upon bid, unless (1) the Escalator Clause is triggered (whereby any reasonable increase in
12 Settlement Administration Costs shall be paid from the increased Settlement Amount, subject to
13 Court approval), or (2) as otherwise approved by all Parties and the Court.

14 (h) PAGA Penalties: The Parties agree that \$50,000 is allocated to PAGA
15 Penalties, and is to be paid from the Settlement Amount, subject to Court approval. Of this
16 amount, \$37,500 (75%) shall be paid to the LWDA in satisfaction of civil penalties under the
17 Private Attorney General Act of 2004 ("PAGA") and \$12,500 (25%) will form the Individual
18 PAGA Payments to the Aggrieved Employees, which shall be calculated and allocated pro-rata
19 on a Work Week basis, treated entirely as civil penalties, and which shall be reported as required
20 on an IRS Form 1099. Class Counsel shall give proper notice to the LWDA of the Settlement.

21 (i) Tax Liability: Class Counsel and Defendant make no representations as to
22 the tax treatment or legal effect of settlement amounts called for hereunder, and Plaintiff and the
23 Class Members are not relying on any statement or representation by Class Counsel or Defendant
24 in this regard. Plaintiff, Participating Class Members, and Aggrieved Employees understand and
25 agree that they will be solely responsible for the payment of any taxes and penalties assessed on
26 their respective Individual Class Payments and Individual PAGA Payments, described herein.
27 Forms 1099 will be distributed in the manner required by the Internal Revenue Code of 1986 (the
28 "Code") and consistent with this Agreement. If the Code, the regulations promulgated

1 thereunder, or other applicable tax law, is changed after the date of this Agreement, the processes
2 set forth in this Section may be modified in a manner to bring Defendant into compliance with
3 any such changes. Plaintiff, Participating Class Members, and Aggrieved Employees understand
4 and agree that they will be solely responsible for the payment of any taxes and penalties assessed
5 on their respective payments described herein.

6 (j) CIRCULAR 230 DISCLAIMER. EACH PARTY TO THIS
7 AGREEMENT (FOR PURPOSES OF THIS SECTION, THE “ACKNOWLEDGING PARTY”
8 AND EACH PARTY TO THIS AGREEMENT OTHER THAN THE ACKNOWLEDGING
9 PARTY, AN “OTHER PARTY”) ACKNOWLEDGES AND AGREES THAT (1) NO
10 PROVISION OF THIS AGREEMENT, AND NO WRITTEN COMMUNICATION OR
11 DISCLOSURE BETWEEN OR AMONG THE PARTIES OR THEIR ATTORNEYS AND
12 OTHER ADVISERS, IS OR WAS INTENDED TO BE, NOR SHALL ANY SUCH
13 COMMUNICATION OR DISCLOSURE CONSTITUTE OR BE CONSTRUED OR BE
14 RELIED UPON AS, TAX ADVICE WITHIN THE MEANING OF UNITED STATES
15 TREASURY DEPARTMENT CIRCULAR 230 (31 CFR PART 10, AS AMENDED); (2) THE
16 ACKNOWLEDGING PARTY (A) HAS RELIED EXCLUSIVELY UPON HIS, HER OR ITS
17 OWN, INDEPENDENT LEGAL AND TAX COUNSEL FOR ADVICE (INCLUDING TAX
18 ADVICE) IN CONNECTION WITH THIS AGREEMENT, (B) HAS NOT ENTERED INTO
19 THIS AGREEMENT BASED UPON THE RECOMMENDATION OF ANY OTHER PARTY
20 OR ANY ATTORNEY OR ADVISOR TO ANY OTHER PARTY, AND (C) IS NOT
21 ENTITLED TO RELY UPON ANY COMMUNICATION OR DISCLOSURE BY ANY
22 ATTORNEY OR ADVISOR TO ANY OTHER PARTY TO AVOID ANY TAX PENALTY
23 THAT MAY BE IMPOSED ON THE ACKNOWLEDGING PARTY; AND (3) NO
24 ATTORNEY OR ADVISOR TO ANY OTHER PARTY HAS IMPOSED ANY LIMITATION
25 THAT PROTECTS THE CONFIDENTIALITY OF ANY SUCH ATTORNEY’S OR
26 ADVISOR’S TAX STRATEGIES (REGARDLESS OF WHETHER SUCH LIMITATION IS
27 LEGALLY BINDING) UPON DISCLOSURE BY THE ACKNOWLEDGING PARTY OF
28 THE TAX TREATMENT OR TAX STRUCTURE OF ANY TRANSACTION, INCLUDING

1 ANY TRANSACTION CONTEMPLATED BY THIS AGREEMENT.

2 (k) “Non-Reversionary” Settlement. This is a “non-reversionary” settlement.
3 Under no circumstances will any portion of the Settlement Amount revert to Defendant.
4 Participating Class Members and Aggrieved Employees will not have to make a claim to receive
5 an Individual Class Payment or Individual PAGA Payment. Distributions, in the form of
6 Individual Class Payment or Individual PAGA Payments will be made directly to each
7 Participating Class Member and Aggrieved Employee. The Settlement Administrator shall be
8 responsible for accurately and timely reporting and remittance obligations with respect to
9 unclaimed funds as a result of a Participating Class Member and/or Aggrieved Employee not
10 cashing any checks delivered pursuant to the Settlement by the check cashing deadline, as set
11 forth herein.

12 (l) Class Counsel and Plaintiff believe that the Settlement is fair and
13 reasonable and will so represent same to the Court.

14 **D. Release by the Participating Class Members**

15 48. Upon the Effective Date and Defendant’s full funding of the Settlement Amount
16 and separate amount of payroll taxes, and except as to such rights or claims as may be created by
17 this Agreement, Plaintiff and the Participating Class Members will forever completely release
18 and discharge the Released Parties from the Released Class Claims for the Class Period.

19 49. Each Participating Class Member will be deemed to have made the foregoing
20 Release as if by manually signing it.

21 50. Class Representative, on behalf of herself and the Class, acknowledges and agrees
22 that the claims for unpaid wages and untimely payment of wages in the Action are disputed, and
23 that the payments set forth herein constitute payment of all sums allegedly due to them. Class
24 Representative, on behalf of herself and the Class, acknowledges and agrees that California
25 Labor Code Section 206.5 is not applicable to the Parties or Settlement. Labor Code § 206.5
26 provides in pertinent part as follows: “An employer shall not require the execution of any release
27 of any claim or right on account of wages due, or to become due, or made as an advance on
28 wages to be earned, unless payment of those wages has been made.”

1 **E. Release of PAGA Claims**

2 51. Upon the Effective Date and Defendant's full funding of the Settlement Amount
3 and separate amount of payroll taxes,, Plaintiff – in her individual capacity and on behalf of the
4 State of California and LWDA – shall completely release and discharge the Released Parties
5 from the Released PAGA Claims for the PAGA Period.

6 52. Regardless of submitting a valid Request for Exclusion, neither Plaintiff nor any
7 Aggrieved Employee shall have the right to opt-out or otherwise exclude themselves from
8 releasing the Released PAGA Claims.

9 53. It is the intent of the Parties that the Final Approval Order shall have full
10 equitable and collateral estoppel and res judicata effect to the fullest extent permitted by law.

11 **F. Interim Stay of Proceedings**

12 54. Pending completion of all prerequisites necessary to effectuate this Settlement,
13 the Parties agree, subject to Court approval, to a stay of all proceedings in the Action except such
14 as are necessary to effectuate the Settlement.

15 **G. Notice Process**

16 55. Appointment of Settlement Administrator. The Parties have agreed to the
17 appointment of the Settlement Administrator to perform the duties of a settlement administrator,
18 including mailing the Notice, using standard devices to obtain forwarding addresses,
19 independently reviewing and verifying documentation associated with any claims or opt-out
20 requests, resolving any disputes regarding the calculation or application of the formula for
21 determining the Individual Settlement Amounts, drafting and mailing the settlement checks to
22 Participating Class Members and Aggrieved Employees, issuing all necessary tax forms, and
23 performing other tasks as set forth herein or as the Parties mutually agree or the Court orders.

24 56. Disputes Regarding Settlement Administration. Any and all disputes relating to
25 administration of the Settlement by the Settlement Administrator (except for disputes regarding
26 Class Data) shall be referred to the Court, if necessary, which will have continuing jurisdiction
27 over the terms and conditions of this Agreement, until Plaintiff and Defendant notify the Court
28 that all payments and obligations contemplated by this Agreement have been fully carried out.

1 Prior to presenting any issue to the Court, counsel for the Parties will confer in good faith to
2 resolve the dispute without the necessity of Court intervention. The Settlement Administrator
3 shall also be responsible for issuing to Plaintiff, Participating Class Members, and Aggrieved
4 Employees, and Class Counsel any Tax Forms as may be required by law for all amounts paid
5 pursuant to this Agreement.

6 57. Class Data. Within fourteen (14) days after entry of the Preliminary Approval
7 Order, Defendant shall provide the Class Data to the Settlement Administrator. The Settlement
8 Administrator will run a check of the Class Members' addresses against those on file with the
9 U.S. Postal Service's National Change of Address List. The Class Data provided to the
10 Settlement Administrator will remain confidential and will not be used or disclosed to anyone,
11 except as required by applicable tax authorities, pursuant to Defendant's express written consent,
12 or by order of the Court. Although Class Counsel will not be provided with the list of Class Data,
13 nothing herein shall prevent Class Counsel from communicating with Class Members regarding
14 the Action and Settlement.

15 58. Total Workweeks. At least 5 days prior to mailing the Notice, the Settlement
16 Administrator shall provide a spreadsheet to Class Counsel and Defense Counsel containing a
17 preliminary calculation of all payments to be paid from the Settlement Amount, including the
18 estimated Individual Class Payments to each Class Member and Individual PAGA Payments to
19 each Aggrieved Employee (a person's name shall be redacted and a control number used in place
20 of the name). In the event that the total Workweeks worked by all Class Members triggers the
21 Escalator Clause, the Settlement Administrator shall notify the Parties of the increased
22 Settlement Amount, and related increased payments from the Settlement Amount, including
23 increased Attorneys' Fees and Costs and any increased Settlement Administration Costs, all of
24 which shall be subject to Court approval, and shall update Notice accordingly.

25 59. Notice. The Notice, as approved by the Court, shall be sent by the Settlement
26 Administrator to the Class Members, by first class mail, in English and Spanish, within ten (10)
27 calendar days following the Settlement Administrator's receipt of the Class Data. The Settlement
28 Administrator shall use standard devices, including a skip trace, to obtain forwarding addresses

of Class Members if any envelopes are returned.

60. Returned Notices. The Settlement Administrator will take steps to ensure that the Notice is received by all Class Members, including utilization of the National Change of Address Database maintained by the United States Postal Service to review the accuracy of and, if possible, update a mailing address. Notices will be re-mailed to any Class Member for whom an updated address is located within ten (10) calendar days following both the Settlement Administrator learning of the failed mailing and its receipt of the updated address. The Notice shall be identical to the original Notice, except that it shall notify the Class Member that the exclusion (opt-out) request or objection must be returned by the later of the Response Deadline or fifteen (15) days after the remailing of the Notice.

61. Presumption Regarding Receipt of Notice. It will be conclusively presumed that if an envelope has not been returned to Settlement Administrator by the Response Deadline that the Class Member received the Notice.

62. Disputes Regarding Class Data. Class Members are deemed to participate in the Settlement unless they opt-out, and Aggrieved Employees may not opt out of the Released PAGA Claims. The Notice will inform Class Members of his/her estimated Individual Class Payment and Individual PAGA Payment, as well as the number of Weeks Worked during the Class Period and the PAGA Period. Class Members may dispute their Weeks Worked by timely submitting evidence to the Settlement Administrator. Defendant's records will be presumed determinative absent reliable evidence to rebut Defendant's records, but the Settlement Administrator will evaluate the evidence submitted by the Class Member and provide the evidence submitted to Class Counsel and Defense Counsel who agree to meet and confer in good faith about the evidence to determine the Class Member's actual number of Work Weeks, and estimated Individual Class and PAGA Payments. If Class Counsel and Defense Counsel are unable to agree, they agree to submit the dispute to the Court to render a final decision. Class Members and Aggrieved Employees will have until the Response Deadline to dispute Weeks Worked, object, or opt out, unless extended by the Court.

63. Declaration of Due Diligence. The Settlement Administrator shall provide

counsel for the Parties, at least five (5) days after the initial Response Deadline, a declaration of due diligence and proof of mailing with regard to the mailing of the Notice.

64. Class Members' Rights. Each Class Member will be fully advised of the Settlement, the ability to object to the settlement, and the ability to opt-out or request exclusion from the Class Claims portion of the Settlement. The Notice will inform the Class Members of the Court-established deadlines for filing objections or requesting exclusion from the Settlement in accordance with the following guidelines:

(a) Requests for Exclusion from Class. Any Class Member, other than Plaintiff, may request to be excluded from the Class by submitting a "Request for Exclusion" to the Administrator, postmarked on or before the Response Deadline. The Request for Exclusion should state:

"I WISH TO BE EXCLUDED FROM THE CLASS IN THE SAC HEALTH LAWSUIT. I UNDERSTAND THAT IF I ASK TO BE EXCLUDED FROM THE SETTLEMENT, I WILL NOT RECEIVE MY INDIVIDUAL CLASS PAYMENT FROM THIS LAWSUIT."

To be valid, any Request for Exclusion must include the full name, address, telephone number, last four digits of the social security number or date of birth, and signature of the Class Member requesting exclusion. The Request for Exclusion must be returned by mail to the Administrator at the specified address set forth in the Notice. Any such Request must be made in accordance with the terms set forth in the Notice. A Request for Exclusion will be timely only if postmarked by the Response Deadline, unless the Parties otherwise agree in writing. Any Class Member who timely requests exclusion in compliance with these requirements: (i) will not have any rights under this Agreement, including the right to object, appeal or comment on the Settlement; (ii) will not be entitled to receive the Individual Class Payment under this Agreement; and (iii) will not be bound by this Agreement, or the Judgment. Any Class Member who is an Aggrieved Employee who requests timely exclusion will still be subject to the Released PAGA Claims to the fullest extent permitted by law and receive an Individual PAGA Payment. All Parties and their counsel, including Defendant's respective members, member

managers, owners, officers, and directors, shall not encourage or solicit opt-outs or objections, directly or indirectly, through any means.

(b) Binding Effect on Participating Class Members. All Participating Class Members will: (i) be bound by the terms and conditions of this Agreement, the Judgment, and the releases set forth herein; and (ii) except as otherwise provided herein, will be deemed to have waived all objections and oppositions to the fairness, reasonableness, and adequacy of the Settlement.

(c) Objections to Settlement. Any Class Member, other than Plaintiff, who does not submit a valid and timely Request for Exclusion may object to the terms of this Agreement. To object, a Class Member shall inform the Administrator, in writing, of his or her objection which must be postmarked by the Response Deadline at the address set forth in the Notice. Such objection shall include the Objecting Class Member's full name, address, telephone number, last four digits of the social security number or date of birth, signature, and dates of employment with Defendant, in addition to the case name and number, the basis for the objection, including any legal support and each specific reason in support of the objection, as well as any documentation or evidence in support thereof, and, if the Objecting Class Member is represented by counsel, the name and address of his or her counsel. The Administrator shall provide objections, if any, to Class Counsel and Defense Counsel within three (3) calendar days of receipt, and the Administrator shall attach the same to its declaration of due diligence and file with the Court prior to the Final Approval Hearing. An Objecting Class Member remains eligible to receive monetary compensation from the Settlement. Plaintiff and Defendant shall not be responsible for any fees, costs, or expenses incurred by an Objecting Class Member and/or his or her counsel related to any objections to the Settlement. Submitting an objection does not preserve the right to appeal a final judgment. Rather, the right to appeal is preserved by becoming a party of record by timely and properly intervening or filing a motion to vacate the judgment under Code of Civil Procedure § 663.

(d) Failure to Object. Any Class Member who does not timely and properly become a party of record by intervening or filing a motion to vacate the judgment waives any

1 and all rights to appeal from the Judgment, including all rights to any post-judgment proceeding
2 and appellate proceeding, such as a motion to vacate judgment, motion for new trial, a motion
3 under California Code of Civil Procedure § 473, and extraordinary writs.

4 (e) Responses to Objections. Counsel for the Parties may file a response to
5 any objections submitted by Objecting Class Members at least five (5) court days before the date
6 of the Final Approval Hearing.

7 (f) Class Members will have until the Response Deadline to object or submit
8 a Request for Exclusion to the Settlement Administrator by U.S. Mail. The Settlement
9 Administrator shall disclose jointly to Class Counsel and Defense Counsel what objections or
10 Requests for Exclusion were timely submitted on a weekly basis, and upon the request of Class
11 Counsel or Defense Counsel.

12 65. Funding of the Settlement Amount. Defendant shall deposit the Settlement
13 Amount, plus Defendant's share of payroll taxes, within 15 days of the Effective Date.

14 66. Distribution of Funds. No later than ten (10) calendar days after the deposit of the
15 Settlement Amount by Defendant, the Settlement Administrator shall mail the Individual Class
16 Payments to the Participating Class Members, the Individual PAGA Payments to the Aggrieved
17 Employees, the payment to Class Counsel for the Attorneys' Fees and Costs Award, any Service
18 Payment to the Class Representative, the payment to the LWDA for PAGA Penalties, mail to the
19 Aggrieved Employees their portion of the PAGA Penalties, and will pay itself the Settlement
20 Administration Costs.

21 67. Deadline for Cashing Settlement Checks. Participating Class Members and
22 Aggrieved Employees shall have 180 calendar days after mailing by the Settlement
23 Administrator to cash their settlement checks. The release will be binding upon all Participating
24 Class Members who do not cash their checks within the 180-day period. In the event that any
25 settlement check is returned to the Settlement Administrator within 180 days of mailing, the
26 Settlement Administrator will, within five (5) business days of receipt of the returned settlement
27 check, perform a skip trace to locate the individual, and notify Defense Counsel and Class
28 Counsel of the results. If a new address is located by these means, the Administrator will have

ten (10) business days to re-issue the check. Neither Defendant, Defense Counsel, Class Counsel, Plaintiff, nor the Settlement Administrator will have any liability for lost or stolen settlement checks, forged signatures on settlement checks, or unauthorized negotiation of settlement checks. Without limiting the foregoing, in the event a Participating Class Member and/or Aggrieved Employee notifies the Settlement Administrator that he or she believes that a settlement check has been lost or stolen, the Settlement Administrator shall immediately stop payment on such check. If the check in question has not been negotiated prior to the stop payment order, the Settlement Administrator will issue a replacement check.

a. If any Participating Class Member's check is not cashed within the time periods noted above, the check will be void and a stop-payment will be issued, and the Settlement Administrator shall issue the unclaimed funds to the California State Controller's Office in the name of the Class Member.

b. If any Aggrieved Employee's check is not cashed within the time periods noted above, the check will be void and a stop-payment will be issued, and the Settlement Administrator shall issue the unclaimed funds to the California State Controller's Office in the name of the Aggrieved Employee.

H. Duties of the Parties Prior to the Court's Approval

68. Promptly after execution of this Agreement, Plaintiff will move the Court for Preliminary Approval of this Settlement and entry of the Preliminary Approval Order accomplishing the following:

(a) Scheduling the Final Approval Hearing on the issue of whether this Settlement should be finally approved as fair, reasonable and adequate as to the Class Members and a hearing on fees, costs and the Service Payment;

(b) Approving as to form and content the proposed Notice;

(c) Directing the mailing of the Notice by first class mail to the Class Members;

(d) Preliminarily approving this Settlement;

(e) Preliminarily certifying the class for purposes of this Settlement; and

(f) Advising the LWDA of the proposed Settlement.

I. Duties of the Parties Following Court's Final Approval

69. In connection with the Final Approval Hearing provided for in this Agreement, Class Counsel shall submit a proposed Final Approval Order:

(a) Approving the Settlement, adjudging the terms thereof to be fair, reasonable and adequate, and directing consummation of its terms and provisions;

(b) Approving Class Counsel's application for an award of attorneys' fees and reimbursement of litigation costs and expenses, the Service Payment to the Class Representative, and the payment to the Settlement Administrator for costs of administering the settlement; and

(c) Entering judgment approving settlement.

J. Voiding the Agreement

70. If the Court fails or refuses to issue the Final Approval Order or fails to approve any material condition of this Agreement which effects a fundamental change of the Settlement, the entire Agreement shall be rendered voidable and unenforceable as to all Parties herein at the option of either Party.

71. If the Settlement is voided or fails for any reason, Plaintiff and Defendant will have no further obligations under the Settlement, including any obligation by Defendant to pay the Settlement Amount, or any amounts that otherwise would have been owed under this Settlement.

72. If the Settlement is voided or fails for any reason, any costs incurred by the Settlement Administrator shall be borne equally by Defendant and Plaintiff, unless otherwise specified in this Agreement.

K. Other Terms

73. Waiver. The waiver by one Party of any breach of this Agreement by another Party shall not be deemed a waiver of any other prior or subsequent breach of this Agreement.

74. Parties' Authority. The signatories hereto represent that they are fully authorized to enter into this Agreement and bind the Parties hereto to the terms and conditions hereof.

1 75. Mutual Full Cooperation. The Parties agree to fully cooperate with each other to
2 accomplish the terms of this Agreement, including but not limited to, execution of such
3 documents and to take such other action as may reasonably be necessary to implement the terms
4 of this Agreement. The Parties to this Agreement shall use their best efforts, including all efforts
5 contemplated by this Agreement and any other efforts that may become necessary by order of the
6 Court, or otherwise, to effectuate this Agreement and the terms set forth herein. As soon as
7 practicable after execution of this Agreement, Class Counsel shall, with the assistance and
8 cooperation of Defendant and Defense Counsel, take all necessary steps to secure the Court's
9 preliminary and final approval of the settlement, and the final entry of judgment.

10 76. No Prior Assignments. The Parties hereto represent, covenant, and warrant that
11 they have not, directly or indirectly, assigned, transferred, encumbered, or purported to assign,
12 transfer, or encumber to any person or entity any portion of any liability, claim, demand, action,
13 cause of action or rights released and discharged by this Agreement.

14 77. No Admission. Defendant denies any and all liability to Plaintiff and/or any Class
15 Member and/or Aggrieved Employee in this Action, as to any and all causes of action that were
16 asserted or that might have been asserted in this Action. Nonetheless, Defendant wishes to settle
17 and compromise the matters at issue in the Complaint to avoid further substantial expense and
18 the inconvenience and distraction of protracted and burdensome litigation. Defendant has taken
19 into account the uncertainty and risks inherent in litigation, and without conceding any infirmity
20 in the defenses that they have asserted or could assert against Plaintiff, have determined that it is
21 desirable and beneficial that Plaintiff's claims be settled in the manner and upon the terms and
22 conditions set forth in this Agreement.

23 78. Inadmissibility of Agreement. Whether or not the Court issues the Final Approval
24 Order, nothing contained herein, nor the consummation of this Agreement, is to be construed or
25 deemed an admission of liability, culpability, negligence, or wrongdoing on the part of
26 Defendant or any of the other Released Parties. Each of the Parties hereto has entered into this
27 Agreement with the intention of avoiding further disputes and litigation with the attendant
28 inconvenience and expenses. This Agreement is a settlement document, and it, along with all

related documents such as the notices, and motions for preliminary and final approval, shall, pursuant to California Evidence Code § 1152 and/or Federal Rule of Evidence 408, be inadmissible in evidence in any proceeding, except an action or proceeding to approve the settlement, and/or interpret or enforce this Agreement. The stipulation for class certification as part of this Agreement is for settlement purposes only and if, for any reason the settlement is not approved, the stipulation will be of no force or effect.

79. No Publicity. The Parties will not publicize the Settlement or disclose it to third parties prior to the Court granting Preliminary Approval, except as required or necessary to effectuate its terms and comply with law. After the Final Approval Date, Class Counsel and Class Representatives agree that they will not discuss the Settlement with the media, any settlement and verdict reporting service, any social media postings or other Internet postings. Nothing herein shall be construed to prevent Class Counsel from the public filing of motions or other case materials in the Action related to seeking and obtaining Court approval of this Settlement and the related awards of attorneys' fees and costs, or to communications with Class Members or their representatives about this Settlement, including through the posting of Court-filed documents on Class Counsel's websites for access solely by the Class Members, or to prevent the Parties or their representatives from communicating with financial or legal advisors regarding the Settlement. In response to any media inquiry, Class Counsel may state only that the Action has been settled on terms mutually agreeable to the Parties.

80. Notices. Unless otherwise specifically provided herein, all notices, demands or other communications given hereunder shall be in writing and shall be deemed to have been duly given as of the third business day after mailing by United States registered or certified mail, return receipt requested, addressed:

1 81. Construction. The Parties hereto agree that the terms and conditions of this
2 Agreement are the result of lengthy, intensive arms' length negotiations between the Parties and
3 that this Agreement shall not be construed in favor of or against any Party by reason of the extent
4 to which any Party or his or its counsel participated in the drafting of this Agreement. Plaintiff
5 and Defendant expressly waive the common-law and statutory rule of construction that
6 ambiguities should be construed against the drafter of an agreement and further agree, covenant,
7 and represent that the language in all parts of this Agreement shall be in all cases construed as a
8 whole, according to its fair meaning.

9 82. Captions and Interpretations. Paragraph titles or captions contained herein are
10 inserted as a matter of convenience and for reference, and in no way define, limit, extend, or
11 describe the scope of this Agreement or any provision hereof. Each term of this Agreement is
12 contractual and not merely a recital.

13 83. Modification. This Agreement may not be changed, altered, or modified, except
14 in writing and signed by the Parties hereto, and approved by the Court. This Settlement
15 Agreement may not be discharged except by performance in accordance with its terms or by a
16 writing signed by all of the Parties hereto.

17 84. Dispute Resolution. Prior to instituting legal action to enforce the provisions of
18 this Agreement or to declare rights and/or obligations under this Agreement, a Party shall
19 provide written notice to the other Party and allow an opportunity to cure the alleged
20 deficiencies, and Plaintiff and Defendant may agree to seek the help of the mediator to resolve
21 any dispute they are unable to resolve informally. During this period, the Parties shall bear their
22 own attorneys' fees and costs. This provision shall not apply to any legal action or other
23 proceeding instituted by any person or entity other than Plaintiff or Defendant.

24 85. Choice of Law. This Settlement Agreement shall be governed by and construed,
25 enforced and administered in accordance with the laws of the State of California, without regard
26 to its conflicts-of-law rules.

27 86. Integration Clause. This Settlement Agreement contains the entire agreement
28 between the Parties relating to the settlement and transaction contemplated hereby, and all prior

1 or contemporaneous agreements, understandings, representations, and statements, whether oral
2 or written and whether by a Party or such Party's legal counsel, are merged herein (except for
3 Plaintiff's separate . No rights hereunder may be waived except in writing.

4 87. Binding On Assigns. This Agreement shall be binding upon and inure to the
5 benefit of the Parties hereto and their respective heirs, trustees, executors, administrators,
6 successors and assigns.

7 88. Signatures of All Class Members Unnecessary to be Binding. It is agreed that,
8 because the members of the Class are numerous, it is impossible or impractical to have each
9 Class Member execute this Agreement. The Notice will advise all Class Members of the binding
10 nature of the release provided herein and such shall have the same force and effect as if this
11 Agreement were executed by each Class Member.

12 89. Counterparts. This Agreement may be executed in counterparts, and when each
13 Party has signed and delivered at least one such counterpart, each counterpart shall be deemed an
14 original, and, when taken together with other signed counterparts, shall constitute one fully
15 signed Agreement, which shall be binding upon and effective as to all Parties. Electronic
16 signatures shall have the same force and effect as an original.
