1 This matter came before the Court for hearing on Plaintiff's Motion for Final Approval of
2 Class Action and PAGA Settlement and Award of Attorneys' Fees, Costs, and Class
3 Representative Enhancement Awards. The Court considered the proposed Class and
4 Representative Action Settlement Agreement And Release ("Settlement Agreement"), attached as
5 Exhibit 1 to the Supplemental Declaration of James R. Hawkins in Support of Plaintiffs' Motion
6 for Final Approval of Class Action and PAGA Settlement (filed April 16, 2026), the submissions
7 of counsel, and all other papers filed in this action. This matter having been submitted, and good
8 cause appearing therefore, this Court **HEREBY ORDERS THAT:**

9 1. This Court adopts and incorporates by reference the terms and conditions of the
10 Settlement Agreement, together with the definitions and terms used and contained therein.

11 2. The Court finds that it has jurisdiction over the subject matter of the action and over
12 all parties to the action, including all Class Members.

13 3. The Court finds the Settlement was entered into in good faith, that it is fair,
14 reasonable and adequate, and that it satisfies the standards and applicable requirements for final
15 approval of this class action settlement under California law, including the provisions of California
16 Code of Civil Procedure section 382 and California Rules of Court, Rule 3.769.

17 4. In so finding, the Court considered all evidence presented, including evidence
18 regarding the strength of Plaintiffs' case; the risk, expense, and complexity of the claims presented;
19 the likely duration of further litigation; the amount offered in settlement; the extent of investigation
20 and discovery completed; and the experience and views of counsel. The Parties have provided the
21 Court with sufficient information about the nature and magnitude of the claims being settled, as
22 well as the impediments to recovery, to make an independent assessment of the reasonableness of
23 the terms of the Settlement.

24 5. With respect to the Class and for the purpose of approving the Settlement only, this
25 Court finds and concludes that: (a) the Class Members are ascertainable and so numerous that
26 joinder of all members is impracticable; (b) there are questions of law or fact common to the Class
27 Members, and there is a well-defined community of interest among Class Members with respect
28 to the subject matter of the claims in the action; (c) the claims of Plaintiffs are typical of the claims

1 of the Class Members; (d) the Plaintiffs have fairly and adequately protected the interests of the
2 Class Members; (e) a class action is superior to other available methods for an efficient
3 adjudication of this controversy; and (f) counsel for Plaintiffs are qualified to serve as Class
4 Counsel for the Class Members.

5 6. Notice was provided to the Class Members in compliance with the Settlement
6 Agreement and Preliminary Approval Order, California Code of Civil Procedure section 382,
7 California Rules of Court 3.766 and 3.769, the California and United States Constitutions, and any
8 other applicable law. The Notice: (i) fully and accurately informed Class Members about all
9 material elements of the action and proposed Settlement; (ii) provided sufficient information so
10 that Class Members were able to decide whether to opt-out and pursue their own remedies, or
11 object to the proposed Settlement; (iii) provided procedures for Class Members to request
12 exclusion from the Settlement, to state written objections to the proposed Settlement, to dispute
13 the amount of work weeks, and to appear at the hearing; and (iv) provided the time, date and place
14 of the final fairness hearing.

15 7. Class Members were given a full opportunity to participate in the final fairness
16 hearing, and all Class Members and other persons wishing to be heard have been heard.

17 8. The Gross Settlement Amount and the means of distributing the Net Settlement
18 Amount to Participating Settlement Class Members are fair and reasonable in light of the nature
19 of this case.

20 9. The Court finds that the attorneys at James Hawkins APLC and Wilshire Law Firm
21 PLC have the requisite qualifications, experience, and skill to protect and advance the interests of
22 the Class Members. The Court therefore finds that counsel satisfy the professional and ethical
23 obligations attendant to the position of Class Counsel, and hereby appoints James R. Hawkins,
24 Christina M. Lucio, and Mitchell J. Murray of James Hawkins APLC, and Tyler J. Woods, Alan
25 Wilcox, and Conor J.D. Gomez of Wilshire Law Firm PLC, as Class Counsel.

26 10. Class Counsel has provided services and benefits to absent Class Members and
27 expended efforts and resources to secure the benefits and is thus entitled to the requested and
28 unopposed attorneys' fees and costs as approved by the Court. The Court finds that the requested

1 award of attorneys' fees of thirty-three and one-third percent (33.33%) of the Gross Settlement
2 Amount (i.e. \$103,333.00) created by the Settlement is reasonable for a contingency fee in a class
3 action and that use of this method for determining the fee award is reasonable because it
4 encourages efficient litigation.

5 11. The Class Representatives prosecuted this lawsuit, worked with counsel, undertook
6 the risks associated with litigation, acted to protect the interests of the Class, and conferred a
7 benefit on absent Class Members, and are thus entitled to receive a Class Representative
8 Enhancement Awards as approved by the Court.

9 12. The appointed Settlement Administrator, ILYM Group Inc. ("ILYM"), rendered
10 services and will continue to render services, in connection with administering the notice and
11 settlement process, and is thus entitled to its requested administration fees.

12 13. The Gross Settlement Amount or "common fund" is \$310,000.00, with the Net
13 Settlement Amount to be paid to Participating Class Members being calculated by deducting the
14 following amounts from the Gross Settlement Amount: (1) Class Counsel's attorneys' fees of
15 \$103,333.00; (2) Class Counsel's documented costs of \$25,975.77; (3) the Class Representative
16 Enhancement Awards to be paid to Plaintiffs as the Class Representatives of \$10,000 each (total
17 of \$20,000.00); (4) the Settlement Administrator fees to ILYM of \$7,850.00; and (5) the PAGA
18 Payment of \$100,000.00, (allocated 75% to the LWDA and 25% in Individual PAGA Payments
19 to the Aggrieved Employees). The Net Settlement Amount which will be paid as Individual
20 Settlement Payments to Participating Class Members is estimated to be approximately \$53,480.72.
21 There is no reversion to Defendants.

22 **IT IS ORDERED THAT:**

23 1. **Class Members:** The Court certifies, for settlement purposes only, the following
24 Class: All individuals who are or previously were employed by Gucci in California as non-exempt
25 employees at any time during the Class Settlement Period who did not sign an arbitration
26 agreement containing a class action waiver provision.

26 Members and Individual PAGA Payments to Aggrieved Employees. The distribution shall be in

9 negotiated within 180 days after the date of issuance will be voided and the Settlement
10 Administrator will report and send the unclaimed funds to California Controller's Unclaimed
11 Property Fund in the name of the Class Member and/or Aggrieved Employee. The Administrator
12 shall mail a reminder postcard to any Class Member and/or Aggrieved Employee whose Individual
13 Class Payment and/or Individual PAGA Payment check has not been negotiated within 100 days
14 of the date of mailing. If any Class Members and/or Aggrieved Employees are current employees
15 of Defendants, if their Individual Class Payment and/or Individual PAGA Payment is returned as
16 undeliverable and the Administrator is unable to locate a valid mailing address, then the
