LODESTAR ATTORNEY'S FEES AND COSTS

6. Since undertaking representation of Plaintiff, my firm has borne costs of litigation without receiving any compensation to date. During this time, my firm has reasonably expended or will expend $3,147.50 in costs reasonably incurred in connection with this litigation. My firm expended these fees with no guarantee that they would ever be reimbursed and have carried these costs for the entirety of the litigation. True and correct copies of invoices for these costs are attached as **Exhibit 1**.

7. My law firm maintained records of all its hours worked on this case by billing our attorneys' time in increments of one-tenth (1/10) of an hour into an electronic timekeeping system. I access the timekeeping system regularly to assess the number of attorney hours worked for each case that my law firm handles.

8. The below chart presents a general summary showing the number of hours of the Firm performed in this case.

Name	Rate[2]	Hours	Pre-Multiplier Lodestar
Navid Barahmand	$425 / hr	87	$36,975.00
Total Lodestar		**87**	**$36,975.00**

[2] Under longstanding law, Class Counsel are entitled to use their current billing rate across the length of the litigation. *See, e.g.*, *Gates v. Deukmejian*, 987 F.2d 1392, 1406 (9th Cir. 1992) ("We long have recognized that district courts have the discretion to compensate prevailing parties for any delay in the receipt of fees by awarding fees at current rather than historic rates in order to adjust for inflation and loss of the use funds.").
Nonetheless, the following sets forth the historic rates for Class Counsel and the time periods in which those rates were in effect: Prior to January 1, 2026, my billable rate was $400.00, which was repeatedly upheld in Courts, including in the matters of *Brian Rubio v. Green Knight Security, Inc*.,

9. My firm's efforts in this case have included, but are not limited to: conducting pre-filing investigation, interviewing Plaintiff, reviewing Plaintiff's personnel file, analyzing Plaintiff's claims and Defendant's potential defenses to the same, conducting legal research, preparing the class action Complaint and PAGA Notice, preparing informal and formal discovery requests, reviewing formal discovery responses and voluminous documents produced by Defendants, opposing Defendant's Motion to Compel Arbitration, drafting a petition for writ of mandate challenging the trial court's ruling on Defendant's Motion to Compel Arbitration, performing substantial data analyses of Aggrieved Employee time punch and itemized wage statements for Plaintiffs and the entirety of the PAGA period, email exchanges with the expert regarding damages, preparing a settlement brief, attending a mediation, drafting, negotiating, and revising the Settlement Agreement, preparing for and appearing at hearings, monitoring the notice and settlement administration process, requesting and reviewing documents, Settlement, and administration process, and otherwise litigating the case.

10. My proposed hourly rate of $425.00, is reasonable in light of my respective skills, wage and hour class action experience, reputation, and comparable fee awards of other attorneys with similar experience in Southern California, which can range anywhere from $250 per hour to over $1,000 per hour. My hourly rate is in line with the Laffey Matrix. *see also Pazandeh v. Yamaha Corp. of Am*., No. SACV1601849JVSDFMX, 2018 WL 1406706, at *1 (C.D. Cal. Feb. 12, 2018) ("Thus, the Court finds that the rates of $595 to $455 per hour for partner work, $325 per hour for associate work, and $235 to $200 per hour for paralegal work are reasonable."); *In re High- Tech Employee Antitrust Litig*., 2015 WL 5158730, at *9 (N.D. Cal. Sept. 2, 2015) (finding reasonable "billing rates for partners [that] range from about $490 to $975 ... billing rates for non-partner attorneys, including senior counsel, counsel, senior associates, associates, and staff attorneys, [that]

Case No. 24STCV01923 (Los Angeles Sup. Court); *Ramin Solimanzadeh v. Volkswagen Group of America, Inc*.; Case No. 24SMCV04435 (Los Angeles Sup. Court), *Ossanna Aywazian v. Jaguar Land Rover North America, LLC*, Case No. 25SMCV01031 (Los Angeles Sup. Court), among several others.

range from about $310 to $800, with most under $500 ... [and] billing rates for paralegals, law clerks, and litigation support staff [that] range from about $190 to $430, with most in the $300 range.").

11. I have no knowledge of the existence of any conflicting interests between my firm and any of its attorneys, on the one hand, and the Legal Aid at Work, on the other.

I declare, under penalty of perjury under the laws of the State of California, that the foregoing is true and correct.

Executed on October 12, 2026 at Los Angeles, California.
