**DECLARATION OF JOHN G. YSLAS IN
SUPPORT OF PLAINTIFF'S MOTION
FOR FINAL APPROVAL OF CLASS
ACTION AND PAGA SETTLEMENT**

Final Approval Hearing:

Date: August 3, 2026

Time: 1:30 p.m.

Dept.: CX-103

Action Filed: May 20, 2024

DECLARATION OF JOHN G. YSLAS

I, John G. Yslas, declare as follows:

1. I am an attorney at law licensed to practice before all of the courts of the State of California. I am a Senior Partner at Wilshire Law Firm, PLC (“WLF” or “Class Counsel”), counsel of record for Plaintiff Rigoberto Hernandez (“Plaintiff”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness.

2. I submit this declaration in support of Plaintiff’s Motion for Final Approval of Class Action and PAGA Settlement.

3. Plaintiff is represented by WLF. The attorneys at WLF performed significant work and expended litigation costs in prosecuting this matter with no guarantee of payment.

4. WLF was selected by Best Lawyers and U.S. News & World Report as one of the nation’s Best Law Firms since 2020 and is comprised of more than 100 attorneys and over 600 employees. WLF is actively and continuously practicing in employment litigation, representing employees in both individual and class actions in both state and federal courts throughout California.

5. WLF is qualified to handle this Litigation because its attorneys are experienced in litigating Labor Code violations in individual, class action, and representative action cases. WLF has handled, and is currently handling, numerous wage and hour class action lawsuits, as well as class actions involving consumer rights and data privacy litigation.

6. I graduated from the University of California, Santa Barbara with High Honors in 1991 with Bachelor of Arts degrees in Psychology. I received my Juris Doctor from UCLA Law School in 1996.

7. Upon graduating from law school in 1996, I worked for a boutique law firm practicing general litigation which included employment law matters. Since 2000 (that is, the last 25 years) my practice has been exclusively focused on labor and employment matters including handling wage and hour class, collective and representative actions (including the California Private Attorneys General Act, or “PAGA”), including in the international law firms of Morgan,

1 Lewis & Bockius LLP (where I was a senior associate), Foley & Lardner LLP (where I was a
2 partner and a national Vice Chair of the Labor and Employment Group), Norton Rose Fulbright
3 LLP (where I was a partner) and Seyfarth Shaw LLP (where I was a partner and member of the
4 Wage and Hour Practice Group). During my time at these law firms, I was the primary attorney
5 or took a major leading role in defending employers on numerous wage and hour class, collective
6 and representative actions.

7 8. In late June 2022 I left Seyfarth Shaw LLP and joined my current firm, Wilshire
8 Law Firm, PLC, to represent plaintiff employees. I have been and am handling many wage and
9 hour class and representative actions litigating such matters on behalf of plaintiff employees in
10 numerous Superior Courts and District Courts. From matters representing both plaintiffs and
11 defendants, I have successfully mediated the resolution of many wage and hour class, collective,
12 and representative actions. Just since starting to settle cases in late April 2023 I have already
13 successfully mediated matters in which I have been counsel or co-counsel resulting in **over \$275**
14 **million** in settlements and verdicts which are in the process of being finalized, and with numerous
15 upcoming mediations scheduled. In those and numerous other matters, I have managed and
16 assisted with the litigation and settlement of many wage and hour PAGA and class actions. In
17 those actions, I performed similar tasks as those performed in the course of prosecuting this
18 action. Indeed, I recently tried and prevailed in achieving a jury verdict in a certified wage and
19 hour class action in the matter of *Aguilar-Flores v. Javier's – CC LLC*, Los Angeles County
20 Superior Court, Case No. 19STCV36438 (settled after verdict).

21 9. I have received numerous awards for my legal work. For example, from 2015 to
22 2018, I was listed in Los Angeles Super Lawyers for Employment Litigation (Thomson Reuters).
23 I have also served on numerous prominent boards and in other leadership positions, including
24 serving as Southern California Regional President for the Hispanic National Bar Association and
25 on the board of directors of the Mexican American Bar Foundation. I also previously served on
26 the 5-member Los Angeles Civil Service Commission, which generally oversees the personnel
27 decisions for the City of Los Angeles.

28 ///

1 10. I have also published numerous blogs on labor and employment issues including
2 on wage and hour issues. For example, I published “Headline News: Wal-Mart v. Dukes-Impact
3 on Class Action Litigation” (while a partner with Foley & Lardner LLP) and “Are You Really
4 Protected From Wage-and-Hour Successor Liability in an Asset Purchase” (while a partner with
5 Seyfarth Shaw LLP). I have also been a presenter at numerous conferences, including being a
6 presenter involving the “Employment Law Update” at a National Employment Law Council
7 conference. I currently bill at an hourly rate of \$1,500.00.

8 11. Eugene Zinovyev is a Junior Partner at WLF. He graduated from the University of
9 California Berkeley with a Bachelor of Arts in Political Economy of Industrial Societies, and
10 received his Juris Doctor from the University of California, San Francisco School of Law in 2009.
11 He has practiced employment and wage and hour law since on both the plaintiff and defense sides.
12 Mr. Zinovyev has tried multiple jury cases to verdict as well as numerous bench trials. He has
13 also briefed published appellate court decisions in both state and federal court. Mr. Zinovyev is
14 admitted to practice before all Federal District Courts in California as well as the 9th Circuit
15 Court of Appeals. He is also a member of the California Employment Lawyers Association. He
16 has mediated and settled dozens of class and representative actions as well as individual civil
17 matters. Mr. Zinovyev’s hourly billing rate is \$950.00.

18 12. John Brown is an Associate Attorney at WLF. He was admitted to practice law in
19 the State of California in 2004. Mr. Brown graduated from UC Berkeley with a Bachelor of Arts
20 and received his Juris Doctor from UCLA School of Law. His current practice has been focused
21 on class action employment law. Mr. Brown has participated in dozens of settlements totaling
22 tens of millions of dollars, from the memorandum of understanding and settlement agreement
23 drafting stage through to final approvals from the court. Mr. Brown’s hourly billing rate is
24 \$650.00.

25 13. Gabriella Solé is an Associate Attorney at Wilshire Law Firm, PLC. She was
26 admitted to practice law in the State of California in 2022. Ms. Solé graduated from University
27 of California, Los Angeles with a Bachelor of Arts in Sociology. She received her Juris Doctor
28 from University of San Francisco, School of Law. During law school, she was a First Year Moot

1 Court Director on the Moot Court Board. Since graduating, her practice has been mainly focused
2 on wage and hour class action litigation. Ms. Solé's hourly billing rate is \$550.00.

3 14. Aram Boyadjian was a fifth-year Associate Attorney at WLF. He was admitted to
4 practice law in the State of California in 2021. Mr. Boyadjian graduated from the University of
5 California, Los Angeles, with a Bachelor of Arts in Political Science. He received his Juris Doctor
6 from Loyola Law School. During law school, he was a member of the student editorial board for
7 the Interna-tional and Comparative Law Review. Since January 2021, his practice has mainly
8 been focused on wage and hour class action litigation. Mr. Boyadjian billed at an hourly rate of
9 \$600.00.

10 15. Andrew Sandoval was a third-year Associate Attorney at WLF. He was admitted
11 to practice law in the State of California in 2022. Mr. Sandoval graduated from Azusa Pacific
12 University with a Bachelor of Arts in Economics. He received his Juris Doctor from Loyola Law
13 School. During law school, he was a Vice-President of La Raza de Loyola. Since graduating, his
14 practice has mainly been focused on wage and hour class action litigation. Mr. Sandoval billed at
15 an hourly rate of \$500.00.

16 16. Lisa B. Iturriaga was a Settlement Attorney at Wilshire Law Firm, PLC. She was
17 admitted to practice law in the State of California in 2021. Ms. Iturriaga graduated from
18 University of South Florida with a Bachelor of Science in Finance and a Bachelor of Arts in
19 Marketing. She received her Juris Doctor from Chapman University Dale E. Fowler School of
20 Law. Since graduating, her practice has been in insurance defense (previously) and employment
21 law (currently). Since 2023, she has exclusively worked on Plaintiff-side wage and hour cases.
22 Ms. Iturriaga is also a member of the California Employment Lawyers Association (CELA). Ms.
23 Iturriaga billed at an hourly rate of \$600.00.

24 17. Courtney M. Miller is a Settlement Attorney at WLF. She was admitted to practice
25 law in the State of California in 2019. Ms. Miller graduated from the University of California,
26 Santa Cruz, with a Bachelor of Arts in Sociology. Prior to becoming an attorney, Ms. Miller
27 worked at a boutique civil litigation firm for nearly a decade, primarily handling employment
28 matters. She earned her Juris Doctor from Southwestern Law School in 2019. Ms. Miller has

1 prosecuted wage and hour class and PAGA actions, almost exclusively, since 2020. As a handling
2 attorney, Ms. Miller obtained over \$30 million dollars in settlements on behalf of California
3 employees. Ms. Miller currently bills at an hourly rate of \$700.00.

4 18. WLF's hourly rates are comparable to those charged by other class action
5 plaintiffs' counsel and the firms defending class actions. WLF's rates are well within the range
6 of hourly rates that the Los Angeles legal marketplace would compensate counsel for similar
7 services accomplishing similar results. For example, in *Bronshteyn v. State of California*, Los
8 Angeles County Superior Ct. No. 19SMCV00057, Order Granting Plaintiff's Motion for
9 Statutory Attorneys' Fees and Costs filed March 30, 2023, an employment action brought by two
10 small law firms (Levy, Vinick, Burrell & Hyams LLP and Law Offices of Wendy Musell), the
11 court found that counsel's 2022 hourly rates of \$1,100 and \$1,000 per hour were reasonable for
12 the plaintiff's five senior attorneys, including \$1,000 per hour for the plaintiff's 23-year lead
13 counsel and \$850 per hour for a senior associate. These rates were then augmented by a 1.75
14 lodestar multiplier and affirmed by the California Court of Appeals. The rates (and multiplier)
15 requested here are well in line with those found reasonable in *Bronshteyn*. In *Tran v. Golden State*
16 *FC LLC, et al.* (LASC Case No. BC699931), Fee Order filed 4/8/2022, the court found hourly
17 rates of \$1,300 per hour reasonable for plaintiff's 32-year attorney and \$1,000 per hour reasonable
18 for a 14-year attorney. The multiplier here is even more compelling given Class Counsel
19 represents approximately 283 Class Members.

20 19. WLF has been approved as class counsel by courts in California. *See, e.g., Matthew*
21 *Veliz v. DrinkPak, LLC*, Los Angeles County Superior Court, Case No. 22STCV37384, *Ismael*
22 *Villegas-Sanchez v. COE Orchard Equipment, Inc.*, Sutter County Superior Court, Case No.

12 *Planned Parenthood: Shasta-Diablo, Inc.*, San Francisco County Superior Court, Case No. CGC-
13 23-607359. The total hours expended on this action are reasonable and in line with those
14 expended in comparable cases.

15 20. In cases in which WLF has been approved as class counsel, California courts have
16 approved rates similar to those requested by WLF in the instant case. *See, e.g., Rodolfo Ponce v.*

21. In support of the reasonableness of WLF's hourly rates, attached as **Exhibit 1** is a true and correct excerpt from the *2025 Real Rate Report* published by Wolters Kluwer. The Real Rate Report is widely relied upon in the legal industry because it is derived from anonymized billing data taken from actual law firm invoices that were submitted to clients and approved for

1 payment, rather than from voluntary surveys or self-reported rates. Although the report refers to
2 “2025” rates, the data reflects rates charged by law firms during the first half of 2024 and therefore
3 represents the most recent available objective evidence of prevailing market rates.

4 a. The report provides rate information filtered by geographic market,
5 practice type, and timekeeper role. Page 33 of the report reflects rates drawn from 565 partners
6 and 518 associates practicing in Los Angeles. In that dataset, the third-quartile hourly rate is
7 \$1,365 for partners and \$982 for associates. These figures confirm that Los Angeles is a high-
8 rate legal market and that experienced litigation partners routinely bill in excess of \$1,300 per
9 hour based on rates actually paid by clients in 2024. The Real Rate Report further shows that in
10 the San Diego market, partners with 21 or more years of experience command third-quartile
11 billing rates of approximately \$1,334 per hour, confirming that highly experienced litigators in
12 major California markets routinely bill at the upper end of the rate spectrum.

13 b. The 2025 Real Rate Report’s practice-area-specific data further supports
14 this conclusion. Page 81 provides third-quartile rates for the detailed practice category
15 “Employment and Labor: Other Litigation,” which is directly analogous to the type of work
16 performed in this case. That dataset includes 24 partners and 14 associates and shows a third-
17 quartile rate of \$1,252 per hour for partners and \$564 per hour for associates. These figures
18 demonstrate that even within the specialized employment litigation market, partners regularly bill
19 well above \$1,200 per hour based on rates actually charged to clients. When this practice-specific
20 benchmark is considered together with the broader regional market data, it confirms that WLF’s
21 hourly rate for highly experienced counsel in a representative employment action falls within the
22 upper range of prevailing market rates rather than outside it.

23 c. The Real Rate Report does not provide 1st quartile or 4th quartile rates,
24 presumably to provide a sense of the average attorney billing rates. Importantly, the third quartile
25 represents the point below which 75% of rates fall; it is not a cap on reasonable rates. By
26 definition, a substantial portion of partners in the relevant benchmark market routinely bill above
27 that level, particularly those with extensive experience, specialized expertise, or leadership roles
28 in complex litigation. Courts evaluating fee requests recognize that leading counsel in complex

1 or representative actions may reasonably bill above median or third-quartile benchmarks where
2 their experience, results obtained, and responsibilities justify higher rates. We firmly believe
3 WLF belongs in the 4th quartile of attorney billing rates in Los Angeles. As previously discussed,
4 WLF is a nationally recognized employment litigation firm that has been named one of the
5 nation's *Best Law Firms* by U.S. News & World Report and Best Lawyers since 2020, and its
6 attorneys regularly litigate complex wage-and-hour class and representative actions throughout
7 California. I am a UCLA School of Law graduate with nearly three decades of experience
8 litigating labor and employment matters—including as a partner and holding leadership roles at
9 major international law firms when I was on the defense side for 26 years, as well as substantial
10 recent class and representative action results including being one of the few attorneys in the state
11 of California to try a wage and hour class action to verdict (and prevail), and achieving results
12 exceeding \$225 million in just the last three years since starting to settle matters as a plaintiffs'
13 attorney. My credentials and experience place my \$1,500 hourly rate within the highest tier of
14 Los Angeles employment litigators, consistent with rates that would fall within the fourth quartile
15 beyond those reported in the Real Rate Report.

16 22. WLF has performed significant work and incurred litigation costs in prosecuting
17 this matter with no guarantee of any payment. The efforts expended by Class Counsel to achieve
18 this result include, but are not limited to, the following:

- 19 a. the investigation of the matter, including meeting with Plaintiff, reviewing
20 Defendant's policies, and requesting and reviewing Plaintiff's time and pay
21 records, personnel file, and exploring the corporate structure of Defendant;
- 22 b. filing the Action;
- 23 c. attending status conferences and meeting and conferring with Defendant
24 regarding the case;
- 25 d. meeting and conferring with Defendant regarding mediation, exchange of
26 informal discovery beforehand, and negotiating with opposing counsel
27 regarding the parameters thereof;
- 28 e. selecting a mediator and mediation date;

- f. working with opposing counsel for the receipt of a representative sampling and analyzing the same with the aid of an expert consultant and Plaintiff to perform analyses of liability and exposure prior to attendance of the mediation in this matter;
- g. reviewing policy documents from Defendant and researching applicable defenses;
- h. preparing the mediation brief and damages model for use at mediation;
- i. attending the mediation;
- j. communicating with Plaintiff who requested updates or other information regarding this matter;
- k. negotiating, finalizing and fully executing the settlement agreement;
- l. preparing and filing the Motion for Preliminary Approval and supporting documents;
- m. communicating with any Class Members who sought additional information regarding the settlement, including answering questions regarding the settlement and obtaining updated addresses from Class Members for purposes of receiving the Class Notice and administering the settlement checks; and
- n. preparing the instant Motion for Final Approval and supporting documents.

23. WLF's current lodestar reflects the efficiencies achieved by attorneys experienced in this field with **131.3** hours of work resulting in **\$120,905.00** in fees. A true and correct copy of Class Counsel's detailed billing records in this matter is attached hereto as **Exhibit 2**. The chart below shows the calculation of hours spent by each of WLF's attorneys on this case:

Attorney	Hours	Hourly Rate	Total
Courtney M. Miller	5.8	\$700.00	\$4,060.00
Gabriella Solé	42.8	\$550.00	\$23,540.00
John G. Yslas	26.8	\$1,500.00	\$40,200.00

Eugene Zinovyev	55.9	\$950.00	\$53,105.00
TOTAL	131.3		\$120,905.00

24. This amount surpasses the requested fee award of \$110,416.66, resulting in a negative multiplier. Class Counsel's lodestar does not include the time Class Counsel will spend at the Final Approval Hearing and assisting the Settlement Administrator following final approval. Class Counsel dedicated significant resources to this case by dividing the tasks required according to skill level. The hours expended by each attorney were not duplicative and reflect the extensive investigation and analysis that was required to achieve this Settlement. This time could have been spent on other potentially lucrative cases. Class Counsel's lodestar reflects the efficiencies achieved by attorneys experienced in this field. Moreover, Class Counsel has singularly assumed the risk and costs of litigation purely on a contingency basis. And, while Plaintiff is confident in the merits of his claims, a legitimate controversy exists as to each cause of action, posing an actual risk that Plaintiff may not succeed at class certification and/or trial. Any of these obstacles could have prevented recovery completely, meaning Class Counsel would have been left with no compensation for all the time and money invested in litigating this case. Despite these risks, Class Counsel took this case on a contingency basis so that Class Members (a particularly vulnerable group of hourly paid workers) could be compensated for their unpaid wages. Consequently, Class Counsel was precluded from focusing on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

25. In litigation costs, WLF has spent \$19,060.53 on items such as filing fees, service fees, mediation fees, and expert consultant fees and will incur an additional expense of \$60.00 to file this Motion. Plaintiff therefore seeks to recover \$19,120.53 in total costs. Since Class Counsel's costs do not exceed the maximum of \$24,000.00, the remaining \$4,879.47 will revert to the Net Settlement Amount. A true and correct copy of WLF's cost reports in this matter is attached hereto as **Exhibit 3**. Plaintiff's total costs include those in WLF's cost reports as well as the anticipated \$60.00 filing fee to file this Motion. All the costs incurred were reasonable and necessary for the prosecution of this case.

26. Class Counsel has negotiated a settlement here that they believe is fair, reasonable, and adequate based on their prior experience litigating these type of cases.

27. To date, the LWDA has not responded to or objected to the Settlement in this matter.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on July 10, 2026 at Los Angeles, California.

NOTE:

You may experience an issue that can sometimes occur in PDF viewer. Thin lines (like table borders) may appear to “disappear” or look broken when zoomed out in a PDF viewer. This is usually a display/rendering issue rather than a problem with the actual content of the PDF.

Solution:

- Open the PDF in Acrobat and go to Edit > Preferences > Page Display.
- Uncheck Enhance thin lines (if it's checked).
- Restart Acrobat and reopen the PDF.

A Letter to Our Readers

Welcome to the latest edition of the Real Rate Report®, the legal industry's most trusted benchmark for legal billing rates.

Since 2010, the Real Rate Report has helped legal departments and law firms make smarter decisions about pricing, resourcing, and vendor management. That hasn't changed. What has changed is how we deliver those insights.

This year, the Real Rate Report is powered by LegalVIEW® DynamicInsights—our new digital-first platform that brings the same trusted LegalVIEW data to life in a more interactive, flexible, and timely way. Leveraging Wolters Kluwer's LegalVIEW database, with over \$200B in anonymized, approved, invoice data, LegalVIEW DynamicInsights offers dynamic filters, quarterly updates, and calendar-year alignment to help users tailor benchmarks to their unique needs, on demand.

The Real Rate Report remains a vital snapshot of the market, and we know many of you rely on it as a reference tool. But DynamicInsights goes further. It enables deeper exploration of rate trends by role, experience, geography, practice area, industry, and more. Whether you're negotiating rates, evaluating law firm performance, or planning budgets, DynamicInsights gives you the agility and precision today's legal environment demands.

As always, we welcome your feedback and thank our data contributors for making this work possible. We're proud to be your partner in legal analytics and look forward to continuing to deliver insights that drive better business outcomes.

Sincerely,

Brian Jorgenson

Real Rate Report Overview

The Real Rate Report is powered by LegalVIEW DynamicInsights, a web-based solution that delivers dynamic, invoice-backed insights through approved legal billing rates. It enables legal professionals to analyze rate trends by role, experience, industry, geography, practice area, and more using the world's largest repository of legal spend data.

DynamicInsights leverages the same trusted LegalVIEW database that has powered the Real Rate Report for years, now encompassing over \$200B+ in anonymized, approved legal invoice data. As with previous Real Rate Reports, our data is sourced from corporations' and law firms' e-billing and time management solutions. We have included lawyer and paralegal rate data filtered by specific practice and sub-practice areas, metropolitan areas, and types of matters. This level of granularity gives legal departments and law firms the precision they need to identify areas of opportunity.

What's different with DynamicInsights?

Same source, same methodology: DynamicInsights uses the same rigorous data validation and methodology as the Real Rate Report.

- **Enhanced flexibility:** With dynamic filters, DynamicInsights enables users to tailor benchmarks to their unique needs and on demand.
- **Full year data:** DynamicInsights now aligns to a calendar year view—January through December—replacing the previous July-to-June format used in the Real Rate Report, reducing confusion and improving consistency across reporting periods.
- **More up to date:** Unlike the annual and static Real Rate Report, DynamicInsights is refreshed quarterly, offering more timely insights.
- **Digital-first access:** Delivered via a secure online interface, users can interact with the data, bookmark views, and share insights in real time.

DynamicInsights provides the same level of credibility and analytical power long trusted in the Real Rate Report with more agility and transparency for today's legal environment.

2025 Real Rate Report use considerations

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in DynamicInsights and this report are derived from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Legal departments might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Examples of data to consider when reviewing rates:

- **Industry** – Compare spend and rate trends across various industries
- **Practice area** – Analyze cost variations in different legal practice areas
- **Detailed practice area** – Drill down into niche legal specialties for precise benchmarking
- **Am Law** – Benchmark against top-ranked law firms for competitive rate analysis
- **City** – Understand rate trends in specific metropolitan areas
- **Country** – Gain a global perspective on legal costs and spend management
- **Role** – Assess legal spend distribution across different law firm roles

Real Rate Report Overview

Understanding key statistical terms

To help interpret the legal rate data presented in DynamicInsights and this report, it's important to understand the statistical measures used. Below are definitions of the core metrics:

- **Mean (average):** The sum of all rate values divided by the total number of values added. It provides a general sense of the central tendency of the rates but can be influenced by extreme values (outliers).
- **Median:** The middle value when all rates are arranged in ascending order. If there is an even number of rates being analyzed, the median is the average of the two middle rates. It is a robust measure of central tendency of rates that is less affected by outliers.
- **First quartile (Q1):** The value below which 25% of the rates fall. It marks the lower boundary of the middle 50% of the rates and helps identify the lower range of typical values.
- **Third quartile (Q3):** The value below which 75% of the rates fall. It marks the upper boundary of the middle 50% of the rates and helps identify the upper range of typical values.
- **n:** The number of unique timekeepers contributing to the data.

These metrics are used to provide a more nuanced view of legal rates, helping users identify trends, outliers, and benchmarks across various dimensions.
