DATE: October 6, 2026

TIME: 8:30 a.m.

DEPT: S22

Action Filed: May 13, 2024

Trial Date: Not Set

1 I, Carmen Prado Reyes, hereby declare as follows:

2 1. I am an individual over the age of 18 year and the named Plaintiff in the above-
3 captioned matter. This declaration is submitted in support of approval of the proposed class action
4 and PAGA settlement ("Settlement") reached in this case. I have personal knowledge of the facts
5 contained in this declaration, and if called as a witness, could and would testify as to their accuracy.

6 2. I was employed by Defendant Barstow Post Acute LLC ("Defendant") as an hourly-
7 paid, non-exempt employee from approximately July 2023 to 2024 as a CNA. During my
8 employment with Defendant, I was subject to Defendant's wage and hour policies and practices that
9 are at issue in this case.

10 3. Specifically, my meal breaks were frequently interrupted by my supervisors for
11 work-related reasons, resulting in meal period violations and unpaid wages, I frequently was unable
12 to take my rest breaks because of my workload, and I used group chat application on my personal
13 cellphone to receive my work assignments. As a result of the foregoing issues, I believe I received
14 inaccurate wage statements and was not paid all wages when my employment with Defendant
15 ended. I believe other non-exempt employees of Defendant were subject to the same policies and
16 procedures discussed above and that my claims against Defendant for unpaid wages and statutory
17 and civil penalties are typical of Class Members' claims.

18 4. Without waiving the attorney-client privilege, my attorneys explained my role and
19 responsibilities as a Class Representative, and I understand my responsibilities as a Class
20 Representative. Since retaining my attorneys in July 2024, I have had many discussions and
21 meetings with the attorneys and staff at Justice for Workers, discussions regarding Defendant's
22 wage and hour practices and my claims in this case, litigation strategy, updates on how the case was
23 proceeding, the Settlement, and how I could help the case and potential Class Members. I also
24 gathered and reviewed documents for use in the lawsuit and reviewed and signed relevant
25 documents with my attorneys, such as settlement documents. I estimate that I have spent
26 approximately 10 to 15 hours on this case from the time I first spoke with my attorneys regarding
27 this case until the present. I also understand that as part of the Settlement, I have agreed to a general
28 release of claims against Defendant, which is broader than the release of claims agreed to by other

1 Class Members.

2 5. Furthermore, there is no conflict between my interests and the interests of the class
3 that I am seeking to represent. My interests are entirely coextensive with the interests of the Class. I
4 allege that I was injured by the same company-wide policies and practices to which the proposed
5 Class was subjected and seek the same relief. I have already demonstrated my ability to advocate
6 for the interests of the Class by initiating this litigation, undertaking extensive class discovery, and
7 evaluating the proposed settlement to assure that it is fair.

8 6. I understood that at the time I filed this action, as a Class Representative, I owed a
9 duty to the putative class members to faithfully prosecute this action with their best interests at the
10 forefront of every decision. I understood that I could not make any decision in this action for the
11 sole benefit of my personal interest. I understood that in executing this duty, I might have been
12 asked to sacrifice my personal best interests for the benefit of the interests of the putative class
13 members. Nevertheless, I knowingly and voluntarily undertook this duty in order to provide the
14 broadest possible relief for my former co-workers for what I perceived to be Defendant's unlawful
15 wage and hour practices. I believe that I faithfully executed the duties of a Class Representative
16 throughout this litigation and will continue to do until this litigation is fully and finally resolved.

17 7. I understand that my attorneys will request that the Court approve a service award of
18 \$10,000 for my efforts on behalf of the Class. I believe this amount is reasonable based on the
19 amount of time and effort I have devoted to this case, the risks I have undertaken as a Class
20 Representative and my general release of claims.

21 I declare, under penalty of perjury under the laws of the State of California, that the
22 foregoing is true and correct.

23 Executed on July 16, 2026 at Apple Valley, California.
