CLASS ACTION

**Declaration of Nicholas J. Ferraro in Support of
Motion for Preliminary Approval of Class
Action Settlement**

Motion for Prelim. App. Hearing

Date: September 19, 2025

Time: 1:30 p.m.

Action Filed: May 22, 2024

1 I, Nicholas J. Ferraro, declare as follows:

2 1. I am counsel of record for Plaintiffs Abram Izquierdo-Duarte, Rolando de Luna, and
3 Brenda Barragan in this action. I am principal of Ferraro Vega Employment Lawyers, Inc. and an
4 attorney licensed to practice law in the State of California and in Washington State. I submit this
5 declaration in support of Plaintiffs' Motion for Preliminary Approval of Class Action Settlement. If
6 called as a witness, I would testify honestly to the below facts based on my personal knowledge.
7 Attached to this declaration are true and correct copies of the following documents and records:

8 Exhibit 1 Ferraro Vega Firm Resume

9 **Preliminary Approval Standards**

10 2. My experience in wage and hour class action litigation is described below and our
11 updated Firm Resume is attached hereto as Exhibit 1. My co-counsel and partner, Lauren N. Vega, also
12 has substantial experience in handling class actions and other complex litigation as both an employment
13 defense and plaintiff's lawyer in cases like this one. We have engaged in significant pre-litigation
14 investigation, witness interviews, formal and informal discovery, damage analysis, and other litigation
15 efforts on behalf of Plaintiffs and the putative class. My office has extensive experience litigating class
16 actions on behalf of both plaintiffs and defendants. Our litigation practice focuses primarily on wage
17 and hour claims arising under California and federal law. Ferraro Vega Employment Lawyers has
18 already invested significantly in the investigation, litigation, and resolution of this case and will
19 continue to devote the necessary resources to bring the matter through final approval and conclusion.

20 3. Defense counsel are skilled and sophisticated lawyers, with significant class action
21 experience, from the law firm of Hamilton & Associates, APC and Farnaes & Lucio, APC. Defense
22 counsels' defense and counsel to their client throughout this case is reflective of their substantial skill
23 and experience in similar litigation.

24 4. Ultimately, the settlement is fair, reasonable, and in the best interest of the class in light
25 of the monetary recovery, difficulties of this litigation, the developing state of the law, risks of
26 certification/decertification, summary adjudication, the lengthy process of establishing damages, and
27 delay and uncertainty of appeals. Although the exchange of documents, data, records, and information
28 in advance of mediation was significant, the parties still had extensive discovery to complete in formal

1 litigation had the matter not settled. This would have required an expenditure of substantial time and
2 resources by both parties over the course of the next several years. We would have continued to advance
3 the case through written discovery, third party witness investigations, and depositions, whereas Naval
4 Engineering would have prepared motions for summary judgment on ripe legal issues. Even if Plaintiffs
5 certified all claims and avoided summary judgment on certain legal issues, the parties would incur
6 considerably more attorneys' fees and costs through additional motions, trial, and possible appeal.
7 Instead, this settlement avoids those risks and the accompanying expenses on the parties, the court, and
8 the putative class members.

9 5. My office will continue to represent Plaintiffs and the best interests of the putative class
10 throughout final approval of the proposed settlement in this case. Neither my office nor Plaintiffs have
11 any conflicts of interests with the class as a whole or with any individual class member. There are no
12 ancillary agreements made in connection with the proposed settlement between or among Plaintiffs,
13 Defendant, or their respective counsel of record.

14 6. No one at my office (meaning the law firm itself and anyone employed at the law firm)
15 has any interest, financial or otherwise, in the proposed third-party administrator, Phoenix.

16 **Experience & Adequacy of Counsel**

17 7. I am counsel of record in more than one dozen wage and hour class and representative
18 actions filed throughout the State of California, in state and federal courts.

19 8. As set forth on our Firm Resume, attached hereto as Exhibit 1, my firm has handled
20 many wage and hour class and representative actions through litigation and final judgment.

21 9. I have also previously served as defense counsel in numerous class action lawsuits,
22 including through final judgment in *Espinosa v. California College of San Diego, Inc., et al.* (U.S.
23 District Court, S.D. Cal., Case No. 17CV00744 [Hon. Michael M. Anello]).

24 10. I am a graduate of Gonzaga University and the University of San Diego School of Law,
25 where I was a member of the *San Diego Law Review* and recipient of a Dean's Honor Scholarship.

26 11. I was admitted to the State Bar of California in 2015 and worked at Simpson Delmore
27 Greene as an attorney. While at this firm I was primarily staffed on employment litigation and
28 counseling matters helping small and large employers. I was admitted to the State Bar of Washington

1 in 2022.

2 12. In May 2016, I accepted an associate attorney position on the employment law team at
3 the national law firm of Gordon Rees Scully Mansukhani LLP, at its Downtown San Diego office,
4 where I specialized in the defense of wage and hour and employment lawsuits filed by employees.

5 13. In March 2017, I accepted an associate attorney position in the labor and employment
6 department of the Philadelphia-based international law firm of Duane Morris LLP, at its Downtown
7 San Diego office. At Duane Morris, I had a particular focus on the defense of wage and hour class and
8 PAGA actions.

9 14. In August 2018, I started my own law practice, which I called Ferraro Employment Law,
10 Inc. (now known as Ferraro Vega Employment Lawyers, Inc.). Currently, about 90 percent of the firm's
11 practice is dedicated exclusively to prosecuting wage and hour class and representative actions under
12 the California Labor Code, California Private Attorneys General Act, California Business and
13 Professions Code, and the Fair Labor Standards Act. About 10 percent of my practice is dedicated to
14 individual claims involving unpaid wages, wrongful termination, discrimination, harassment, and
15 retaliation claims arising under the California Fair Employment and Housing Act, California Labor
16 Code, and common law. A portion of my practice involves helping businesses comply with California
17 and federal employment laws.

18 15. As a lawyer who focuses exclusively on labor and employment law issues, I have had
19 articles included in various written and online publications, including *California Employment Law*
20 *Letter*, *HR Daily Advisor*, Lexology, and in client alerts and newsletters. I have been asked to speak on
21 wage and hour and employment law issues during classes at the University of San Diego School of
22 Law, San Diego State University, and with the San Diego HR Forum, among other conferences and
23 seminars for clients hosted by my previous law firm employers.

24 16. In November 2022, I presented on wage and hour class and PAGA actions as a guest
25 lecturer in an Employment Law class at the University of San Diego School of Law. In September
26 2021, I helped create and lead a training seminar for the labor standards enforcement attorneys at the
27 California Department of Industrial Relations (DIR) on selected wage and hour litigation and arbitration
28 issues. I have also served as a panelist at the San Diego County Bar Association's 2019 Labor &

1 Employment Law Conference, and again at the San Diego County Bar Association's 2021 Labor and
2 Employment Law Conference.

3 17. I previously served on the Wage and Hour Committee for the California Employment
4 Lawyers Association and have held prior leadership positions with the Association of Business Trial
5 Lawyers (San Diego) and San Diego County Bar Association (Labor & Employment Law Section).

6 18. In 2022, the *San Diego Business Journal* named me as a "Top 100 Leaders in Law" in
7 their annual publication. For the past five years, from 2019 through 2023, Thomson Reuters' Super
8 Lawyers rating service recognized me as a "Rising Star" in the area of Class Actions. This is a
9 marketing honor that is awarded to 2.5 percent of California lawyers under the age of 40. For the years
10 of 2022 through 2024, *Best Lawyers* included me as "The Best Lawyers in America: Ones to Watch"
11 for California labor and employment lawyers.

12 **Concluding Statements**

13 19. In sum, I believe that the settlement in this case is fair, reasonable, and in the best
14 interests of the class in light of the monetary recovery, challenges of the case, recent developments in
15 wage and hour law, the risks of certification and decertification, adverse summary adjudication rulings,
16 and the lengthy process of establishing damages, and potential appeals. The resolution presented an
17 excellent opportunity for the class to obtain a robust and substantial settlement of \$250,000.00, which
18 should be approved. The settlement was reached only after extensive evaluation and review of
19 employment records, including an expert wage and hour analysis.

20 I declare under penalty of perjury under the laws of the State of California and the United States
21 of America that the foregoing is true and correct.

22
23 Respectfully submitted,

24 Dated: August 27, 2025
