1 **[PROPOSED] ORDER**

2 The Court has before it Plaintiff Tracy Loveless's ("Plaintiff") Motion for Preliminary
3 Approval of Class Action Settlement (the "Motion"). Having reviewed the Motion along with
4 the accompanying papers, the Class Action and PAGA Settlement Agreement ("Agreement"),
5 and good cause appearing, the Court hereby finds and **ORDERS** as follows:

6 1. The Court finds on a preliminary basis that the Agreement appears to be fair,
7 adequate, and reasonable and therefore meets the requirements for preliminary approval. The
8 Court grants preliminary approval of the Settlement and the Class (as defined below) based
9 upon the terms set forth in the Agreement between Plaintiff and Defendant Essential Behavioral
10 Support Inc. ("Defendant") (collectively, the "Parties"). A true and correct copy of the
11 Agreement is attached as **Exhibit 1** to the Declaration of Conor J.D. Gomez in Support of
12 Plaintiff's Motion for Preliminary Approval of Class Action Settlement, filed April 22, 2026.

13 2. The Settlement falls within the range of reasonableness of a settlement that could
14 ultimately be given final approval by this Court and appears to be presumptively valid, subject
15 only to any objections that may be raised at the final approval hearing and final approval by this
16 Court. The Court notes that Defendant has agreed to create a common fund of \$512,500.00
17 ("Gross Settlement Amount") to cover (a) Individual Class Payments to Class Members (as
18 defined below) who do not validly opt out ("Participating Class Members"); (b) PAGA Penalties
19 in the amount of \$25,625.00 for civil penalties under the Private Attorneys General Act
20 ("PAGA"), Lab. Code § 2698, *et seq.*, 65% of which (\$16,656.25) will be paid to the LWDA
21 (the "LWDA PAGA Payment") and 35% (\$8,968.75) to Aggrieved Employee (as defined in the
22 Agreement) as Individual PAGA Payments; (c) a Class Representative Service Payment in an
23 amount not to exceed \$10,000.00 for Plaintiff; (d) a Class Counsel Fees Payment for attorneys'
24 fees not to exceed one-third of the Gross Settlement Amount (\$170,833.33), and a Class Counsel
25 Litigation Expenses Payment not to exceed \$25,000.00 for actual litigation expenses incurred
26 by Class Counsel; and (e) Administration Costs not to exceed \$10,000.00 to Apex Class Action,
27 LLC (the "Administrator") for costs incurred in administering the Settlement.

28 3. The Court finds that the terms of the Settlement appear to be within the range of

possible approval, pursuant to California Code of Civil Procedure § 382 and applicable law. The Court finds on a preliminary basis that: (1) the Gross Settlement Amount is fair, adequate, and reasonable to the Class when balanced against the probable outcome of further litigation relating to class certification, liability and damages issues, and potential appeals; (2) significant informal discovery, investigation, research, and litigation have been conducted such that counsel for the Parties at this time are able to reasonably and intelligently evaluate their respective positions; (3) settlement at this time will avoid substantial costs, delay, and risks that would be presented by further litigation; and (4) the proposed Settlement has been reached as the result of intensive, serious, and non-collusive negotiations between the Parties with the assistance of a well-respected class action mediator. Accordingly, the Court preliminarily finds that the Agreement was entered into in good faith.

4. A final approval hearing on the question of whether the proposed Settlement, the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment, the PAGA Penalties, and the Class Representative Service Payment should be finally approved as fair, adequate, and reasonable as to the Class is hereby set in accordance with the implementation schedule set forth below.

5. For settlement purposes, the Court provisionally certifies the Class defined as All current and former hourly, non-exempt employees employed by Defendant in the State of California during the Class Period from September 20, 2020, through July 29, 2026 (“Class Members”).

6. The Court finds, for settlement purposes only, that the Class meets the requirements for certification under California Code of Civil Procedure § 382 in that: (1) Class Members are so numerous that joinder is impractical; (2) there are questions of law and fact that are common, or of general interest, to all Class Members, which predominate over individual issues; (3) Plaintiff’s claims are typical of Class Members’ claims; (4) Plaintiff and Class Counsel will fairly and adequately protect the interests of the Class; and (5) a class action is superior to other available methods for the fair and efficient adjudication of the controversy.

7. The Court appoints Plaintiff as Class Representative, for settlement purposes

only. The Court further preliminarily approves Plaintiff's request for a Class Representative Service Payment in an amount not to exceed \$10,000.

8. The Court appoints, for settlement purposes only, Tyler Woods, James Yoo, Heriberto Ponce, and Ruby Carrera of Wilshire Law Firm, PLC as "Class Counsel." The Court further preliminarily approves Class Counsel's request for a Class Counsel Fees Payment in an amount not to exceed one-third (1/3) of the Gross Settlement Amount and a Class Counsel Litigation Expenses Payment in an amount not to exceed \$25,000.

9. The Court appoints Apex Class Action, LLC as the "Administrator" and preliminarily approves Administration Costs estimated not to exceed \$8,990.00.

10. The Court approves, as to form and content, the Class Notice, a true and correct copy of which is attached as **Exhibit A** to the Supplemental Declaration of Karen L. Wallace In Support of the Motion. The Court finds on a preliminary basis that plan for distribution of the Class Notice to Class Members satisfies due process, provides the best notice practicable under the circumstances, and shall constitute due and sufficient notice to all persons entitled thereto.

11. The Parties are ordered to carry out the Settlement according to the terms of the Agreement.

12. Any Class Member who does not timely and validly request exclusion from the Settlement may object to the Agreement.

13. The Court orders the following implementation schedule:

Defendant to provide Class List to the Administrator	Within 21 business days after the Court grants Preliminary Approval of the Settlement
Administrator to mail the Class Notice	Within 14 days after receipt of the Class List from the Defendant
Response Deadline	60 days after Class Notice is mailed out by the Administrator 14 days additional days for any notices that

	were resent
Deadline to file Motion for Final Approval, Request for Class Counsel Fees and Costs, and Class Representative Service Payment to Plaintiff	16 court days before hearing on Motion for Final Approval
Final Approval Hearing	1:30 March 3, 2027, at 2:30 p.m. in Department 5. The hearing may be continued to another date without further notice to Class Members.

14. The Court **ORDERS** further that, pending further order of this Court, all proceedings in this lawsuit, except those contemplated herein and in the Settlement, are stayed.

15. _____

IT IS SO ORDERED.

Date: July 29, 2026

Hon. Theodore C. Zayner
Judge of the Superior Court
