1 I, Conor J.D. Gomez, declare as follows:

2 1. I am admitted, in good standing, to practice as an attorney in the State of California
3 and the United States District Court for the Northern District of California. I am a Settlement
4 Attorney at Wilshire Law Firm, PLC (“WLF”), counsel of record for Plaintiff Tamim Hakimzada
5 (“Plaintiff” or “Class Representative”). I, along with Alan Wilcox and Lucy Nguyen of WLF, have
6 reviewed the case files for this matter as routinely kept by WLF in the course of litigation and
7 conferred with my colleagues, Benjamin H. Haber, Daniel J. Kramer, Chase M. Stern, of WLF.
8 (collectively and inclusively “Class Counsel”). Based upon the information available to Class
9 Counsel through WLF’s record-keeping processes, I am competent to make this declaration (this
10 “Declaration”). This Declaration is submitted concurrently with and in support of Plaintiff’s
11 Motion for Preliminary Approval of Class Action Settlement (the “Motion”).

12 CASE BACKGROUND

13 2. This is a wage and hour class and Private Attorneys General Act (“PAGA”) (Cal.
14 Lab. Code §§ 2699, *et seq.*) representative action between Plaintiff, on behalf of the putative class
15 members who worked in California as hourly non-exempt employees for Defendant (each a “Class
16 Member” and collectively the “Class”) between June 27, 2020 and March 12, 2025 (the “Class
17 Period”) and Defendant My Wireless NCC, Inc. (“Defendant,” and together with Plaintiff, the
18 “Parties”). Defendant is headquartered in Santa Ana, California and touts itself as one of the largest
19 AT&T authorized retailers in the United States, with over 175 AT&T retail locations from Hawaii
20 to Puerto Rico, including several dozen throughout California.

21 3. Plaintiff alleges that Defendant’s payroll, timekeeping, and wage and hour
22 practices resulted in Labor Code violations. Specifically, Plaintiff alleges that Defendant failed
23 to pay for all hours worked (minimum, straight time, and overtime wages), failed to provide
24 meal periods, failed to authorize and permit rest periods, failed to timely pay final wages, failed
25 to furnish accurate wage statements, and failed to indemnify employees for expenditures.

26 4. Based on these allegations, on June 27, 2024, Plaintiff filed a putative wage and
27 hour class action complaint against Defendant for: (1) failure to pay minimum and straight time
28 wages (Labor Code §§ 204, 1194, 1194.2, and 1197); (2) failure to pay overtime wages (Labor

Code §§ 1194 and 1198); (3) failure to provide meal periods (Labor Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Labor Code § 226.7); (5) failure to timely pay final wages at termination (Labor Code §§ 201-203); (6) failure to provide accurate itemized wage statements (Labor Code § 226); (7) failure to indemnify employees for expenditures (Labor Code § 2802); and (8) unfair business practices (Business and Professions Code §§ 17200, *et seq.*). Plaintiff sent a notice to Defendant and the California Labor & Workforce Development Agency (“LWDA”) alleging similar wage and hour violations pursuant to the PAGA on June 19, 2024. On April 9, 2025, Plaintiff filed a first amended class and representative action complaint against Defendant for civil penalties under PAGA, Labor Code §§ 2699, *et seq.* (collectively, the “Action”).

DISCOVERY, INVESTIGATION, AND SETTLEMENT

5. Following the filing of the Action, the Parties exchanged documents and information before going to mediation. Defendant produced a sample of time and pay records for Class Members. Defendant also provided documents of its wage and hour policies and practices during the Class Period, and information regarding the total number of current and former employees in its informal discovery responses.

6. After reviewing documents regarding Defendant’s wage and hour policies and practices and analyzing Defendant’s timekeeping and payroll records, Class Counsel was able to evaluate the probability of class certification, success on the merits, and Defendant’s maximum monetary exposure for all claims. Class Counsel also investigated the applicable law regarding the claims and defenses asserted in the Action. Class Counsel also investigated the applicable law regarding the claims and defenses asserted in the Action. Class Counsel reviewed these records and utilized an expert to prepare a damages analysis prior to mediation.

SETTLEMENT NEGOTIATIONS

7. On January 15, 2025, the Parties participated in private mediation with experienced class action mediator Sonya Goodwin, Esq. The mediation was conducted via Zoom. The settlement negotiations were at arm’s length and, although conducted in a professional manner, were adversarial. The Parties went into the mediation willing to explore the potential for a

1 settlement of the Action, but the Parties were also prepared to litigate their position through trial
2 and appeal if a settlement had not been reached.

3 8. After extensive negotiations and discussions regarding the strengths and
4 weaknesses of Plaintiff's claims and Defendant's defenses, the Parties reached a settlement for
5 \$230,000.00 (the "Gross Settlement Amount"), the material terms of which are encompassed
6 within the Class Action and PAGA Settlement Agreement (the "Settlement" or "Settlement
7 Agreement"). A true and correct copy of the Settlement Agreement is attached as **Exhibit 1**.

8 9. Class Counsel submitted the proposed Settlement to the LWDA before filing the
9 Motion.

10 10. WLF requested several bids from experienced class action settlement administrators
11 to serve as the settlement administrator for this Settlement. The Parties accepted the bid of Apex
12 Class Action Administration (the "Settlement Administrator") which was the lowest out of the
13 multiple bids sought. The Settlement Administrator has multiple years of experience in the field
14 of class action administration, particularly in the wage and hour arena. In its bid, the Settlement
15 Administrator agreed to cap its costs at \$5,490.00 for 199 Class Members. The Settlement
16 Administrator's bid accounts for serving the class notice in English. A true and correct copy of the
17 bid is attached as **Exhibit 2**.

18 11. Plaintiff does not have any interest, financial or otherwise, in the Settlement
19 Administrator.

20 12. No one at WLF (meaning the law firm itself and anyone employed at the law firm)
21 has any interest, financial or otherwise, in the Settlement Administrator.

22 13. WLF has no fee-splitting agreement with any other counsel in this Action.

23 **THE PROPOSED SETTLEMENT IS FAIR AND REASONABLE**

24 14. Class Counsel has conducted a thorough investigation into the facts of this Action.
25 Based on the foregoing discovery and their own independent investigation and evaluation, Class
26 Counsel is of the opinion that the Settlement is fair, just, reasonable, and adequate and is in the
27 best interests of the Class Members in light of all known facts and circumstances, the risk of
28

1 significant delay, the defenses that could be asserted by Defendant both to certification and on the
2 merits, trial risk, and appellate risk.

3 15. Based on an analysis of the facts and legal contentions in this Action, documents
4 and information from Defendant, Class Counsel evaluated Defendant's maximum exposure. Class
5 Counsel took into account the risk of not having the claims certified and the risk of not prevailing
6 at trial, even if the claims are certified. After using the data Defendant provided, including Class
7 Member timekeeping and payroll records, as well as Class Member demographics (i.e., the number
8 of Class Members, "Workweeks" (any week during which a Class Member worked for
9 Defendant during the Class Period using dates of employment and prorated for partial weeks at
10 the beginning or end of their employment if those arose during the Class Period), PAGA Pay
11 Periods (any week during which a PAGA Member worked for Defendant for at least one day during
12 the PAGA Period and average total compensation of the Class), with the assistance of a statistics
13 expert, Class Counsel created a damages model to evaluate the realistic range of potential recovery
14 for the Class. The damages model is based on the following benchmarks:

15 Total Class Members: 199

16 Terminated Class Members during 3-year statute of limitations period: 113

17 Total Workweeks: 6,785

18 PAGA Pay Periods: 1,500

19 PAGA Eligible Employees: 117

20 Avg. Hourly Rate: \$20.74

21 16. Based on Plaintiff's discovery and investigation, Class Counsel reached the
22 conclusion that Defendant had a policy and practice of: requiring its employees to work "off-the-
23 clock" prior to clocking in for the workday, during meal periods, and after clocking out for the
24 workday, time which it did not pay for; not providing its employees with California compliant
25 meal and rest periods, which it did not pay appropriate premiums for; and failing to reimburse its
26 employees for business-related expenses. Defendant denies these claims.

27 17. For purposes of calculating Defendant's liability based on a best-case scenario for
28 Plaintiff and the Class, we estimate that Defendant's maximum potential exposure by assuming

1 that all unpaid work time should have been paid at the overtime rate, not minimum or straight time
2 wages and we assumed that Defendant is liable for 3 hours of unpaid worktime per workweek.
3 This results in an estimate of \$633,244.05 (6,785 weeks * \$20.74 hourly average rate * 1.5
4 overtime rate * 3 hours of unpaid work per week) but we discounted this figure by 80% to account
5 for the difficulty of prevailing on a motion for class certification and a trial on the merits because
6 liability depends on whether Defendant knew or should have known that Class Members were
7 working off-the-clock, yielding a realistic damage estimate of \$126,648.81.¹

8 18. With respect to the meal period claim, Plaintiff alleges that Defendant required
9 Plaintiff and similarly situated Class Members to either work in lieu of taking meal periods, or
10 their meal periods were untimely or interrupted. Our expert analyzed Defendant's timekeeping
11 records and opined that approximately 20.7% of all meal breaks had violations of short, missed, or
12 no meal periods. Using that estimate, potential liability for the meal period claim is \$131,081.52
13 (6,785 weeks * 20.7% * \$20.74 * reasonable estimated 4.5 shifts a week). We discounted this
14 figure by 80% to account for the difficulty of certifying and proving meal period claims, as well
15 as Defendant's contention that the claim lacks merit, particularly in light of its numerous meal
16 period premium payments, yielding a realistic damage estimate of \$26,216.31.

17 19. With respect to the rest period claim, Plaintiff alleges that Defendant required them
18 and similarly situated class members to work in lieu of taking rest periods, or their rest periods
19 were interrupted. Assuming a 50% violation rate for the class period based on Plaintiff's and other
20 class members' experience working for Defendant, Defendant's potential liability for the rest
21 period claim is \$316,622.03 (6,785 weeks * 50% * \$20.74 * reasonable estimated 4.5 shifts a
22 week); however, we discounted this figure by 80% to account for the difficulty of certifying and
23 proving rest period claims, particularly because rest periods do not have to be recorded, and to
24 account for the possibility of class members voluntarily choosing to forego a rest period, yielding
25 a realistic damage estimate of \$63,324.41.

26
27 ¹ An 80% discount for risk at certification and trial is reasonable because the Judicial Council of California
28 found that only 21.4% of all class actions were certified either as part of a settlement *or* as part of a contested
certification motion. *See* Findings of the Study of California Class Action Litigation, 2000-2006, available at <http://www.courts.ca.gov/documents/class-action-lit-study.pdf>.

1 20. Plaintiff also alleges that Defendant failed to reimburse necessary business
2 expenses. Plaintiff and similarly situated Class Members were frequently required to use their
3 personal cell phones to communicate with their supervisors and managers about work-related
4 duties and were additionally required to purchase their own basic supplies. For purposes of
5 calculating Defendant's liability based on a best-case scenario for Plaintiff and the Class, we
6 estimated that Defendant was liable to each Class Member for \$50 per month, or \$12.50 per
7 workweek, in unreimbursed expenses, for a total amount of \$84,812.50 ($\$12.50 * 6,785$); however,
8 we discounted this figure by 80% to account for the difficulty of certifying and proving expense
9 reimbursement claims, particularly in light of written policies and practices providing a mechanism
10 for class member's to seek reimbursement, yielding a realistic damage estimate of \$16,962.50.

11 21. In sum, we estimated that Plaintiff's maximum recovery for the off-the-clock claim,
12 meal period violations, rest period violations, and failure to reimburse expenses is \$1,165,760.10,
13 but, after factoring in the risk and uncertainty of prevailing at certification and trial, we estimate
14 that Plaintiff's realistic estimated recovery for the non-penalty claims is \$233,152.03.

15 22. With respect to Plaintiff's derivative claims for statutory and civil penalties,
16 Plaintiff estimated that Defendant's realistic potential liability is \$162,886.73. While Defendant's
17 maximum potential liability for: waiting time penalties is \$520,283.64 based on approximately 113
18 terminated class members during the 3-year statute of limitations period ($113 * \$20.74 * 7.4 \text{ hours}$
19 $* 30 \text{ days}$); inaccurate wage statements is \$144,150.00 based on approximately 117 class members
20 who worked approximately 1,500 pay periods within the 1-year statute of limitations period ($(\$50$
21 $* 117) + (\$100 * 1383)$); and PAGA violations \$150,000.00 based on the Court assessing a \$100
22 penalty for initial violations for all 1,500 pay periods within the 1-year statute of limitations period,
23 we believe that it would be unrealistic to expect the Court to award the full \$814,433.64 in penalties
24 given Defendant's defenses, the contested nature of Plaintiff's claims, and the discretionary nature
25 of penalties. Considering that the underlying claims are realistically estimated to be \$233,152.03,
26 such a disproportionate award would also raise due process concerns. Weighing these factors and
27 applying a discount of 80% to account for the risk and uncertainty of prevailing at trial and the
28

1 Court's discretionary ability to lower penalties, we arrived at \$162,886.73 for statutory and civil
2 penalties.

3 23. Using these estimated figures, Plaintiff predicted that the realistic maximum
4 recovery for all claims, including penalties, would be \$396,038.76. This means that the
5 \$230,000.00 settlement figure represents approximately 58% of the realistic maximum recovery
6 ($\$230,000.00 / \$396,038.76 = 58.0\%$). Considering the risk and uncertainty of prevailing at class
7 certification and at trial, this is an excellent result for the Class.² Indeed, because of the Settlement,
8 Class Members will receive timely, guaranteed relief and will avoid the risk of an unfavorable
9 judgment.

10 24. While Plaintiff is confident in the merits of their claims, a legitimate controversy
11 exists as to each cause of action. Plaintiff also recognizes that proving the amount of wages due to
12 each Class Member would be an expensive, time-consuming, and uncertain proposition.

13 25. This Settlement avoids the risks and the accompanying expenses of further
14 litigation. Although the Parties had engaged in significant amount of investigation, informal
15 discovery and Class-wide data analysis, the Parties had not yet completed formal written discovery.
16 Plaintiff intended to depose corporate officers and managers of Defendant. Moreover, preparation
17 for a class certification and a trial remained for the Parties as well as the prospect of appeals in the
18 wake of a disputed class certification ruling for Plaintiff and/or adverse summary judgment ruling.
19 Had the Court certified any claims, Defendant could move to decertify the claims. As a result, the
20 Parties would incur considerably more attorneys' fees and costs through trial.

21 26. As a result of the Settlement, the net settlement amount to be split amongst the Class
22 is the Gross Settlement Amount minus:

- 23 a. \$76,666.66 for Class Counsel's attorneys' fees (the "Class Counsel Fees
24 Payment");

25
26 ² See, e.g., *Wise v. Ulta Salon, Cosmetics & Fragrance, Inc.* (E.D. Cal. Aug. 21, 2019) 2019 WL 3943859 at
27 *8 (granting preliminary approval where the proposed allocation to settle class claims was between 9.53 percent of
28 Plaintiffs' maximum recovery); *Bravo v. Gale Triangle, Inc.* (C.D. Cal. Feb 16, 2017) 2017 WL 708766 at * 10
(finding that "a settlement for fourteen percent recovery of Plaintiffs' maximum recovery is reasonable"); *In re*
Omnivision Techs., Inc. (N.D. Cal. 2008) 559 F.Supp.2d 1036, 1042 (approving settlement amount that "is just over
9% of the maximum potential recovery asserted by either party.").

- b. \$25,000.00 for Class Counsel's litigation expenses (the "Class Counsel Litigation Expenses Payment");
 - c. \$5,490.00 in administration costs (the "Administrator Payment");
 - d. \$11,250.00 for the allocated amount of the PAGA penalties payable to the LWDA (the "LWDA PAGA Payment"); and
 - e. \$10,000.00 for the service award to Plaintiff for serving as the Class Representative (the "Class Representative Service Payment")
- (the "Net Settlement Amount").

27. The Net Settlement Amount is estimated to be \$101,593.34 for the Class. As a result, each Class Member is eligible to receive an average net benefit of approximately \$510.52. When considering the risks of litigation, the uncertainties involved in achieving class certification, the burdens of proof necessary to establish liability, the probability of appeal of a favorable judgment, it is clear that the Settlement is within the "ballpark" of reasonableness, and preliminary settlement approval is appropriate.

CLASS REPRESENTATIVE SERVICE AWARD IS REASONABLE

28. Class Counsel represents that Plaintiff devoted a great deal of time and work assisting Class Counsel in the Action.

29. Throughout the Action, Plaintiff has cooperated immensely with Class Counsel and has taken many actions to protect the interests of the Class. Plaintiff provided valuable information regarding the off-the-clock, meal period, and rest period claims. Plaintiff also informed Class Counsel of developments and information relevant to the Action, participated in decisions concerning the Action, and Plaintiff was available to answer questions during the mediation. Before Class Counsel filed the Action, Plaintiff provided Class Counsel with documents regarding the claims alleged in the Action. The information and documentation provided by Plaintiff was instrumental in establishing the wage and hour violations alleged in the Action, and the recovery provided for in the Settlement Agreement would have been impossible to obtain without Plaintiff's participation.

30. At the same time, Plaintiff faced many risks in serving as the Class Representative

1 in the Action. Plaintiff faced actual risks with his future employment since being named on public
2 record in an employment lawsuit could also very well affect a person's ability to procure future
3 employment. Furthermore, as part of the Settlement, Plaintiff is executing general release of all
4 claims against Defendant.

5 31. In turn, Class Members will now have the opportunity to participate in the
6 Settlement, which reimburses them for alleged wage violations they may have never known about
7 on their own or been willing to pursue on their own. If the Class Members would have each tried
8 to pursue their legal remedies on their own, that would have resulted in each Class Member
9 expending a significant amount of their own monetary resources and time, which were obviated
10 by Plaintiff serving as Class Representative on behalf of the other Class Members.

11 32. In the final analysis, this Action would not have been possible without the aid of
12 Plaintiff, who put their own time and effort into the Action, sacrificed the value of their own
13 individual claims, and placed assumed risks for the sake of the Class. The Class Representative
14 Service Award for Plaintiff's service and general release of all individual claims is a relatively
15 small amount of money given the time and effort Plaintiff put into the Action and in comparison
16 to service awards granted to named plaintiffs in similar class actions. The Class Representative
17 Service Award is therefore reasonable to compensate Plaintiff for their active participation in this
18 lawsuit.

19 THE REQUEST FOR CLASS COUNSEL FEES AND COSTS IS REASONABLE

20 33. I am informed and believe that the Class Counsel Fees Payment and Class Counsel
21 Litigation Expenses Payment are reasonable. The fee percentage requested is less than that charged
22 by Class Counsel for most employment cases. Class Counsel invested significant time and
23 resources into the Action, with payment deferred to the end, and then, of course, contingent on the
24 outcome.

25 34. It is further estimated that Class Counsel will need to expend at least another 10 to
26 15 hours to monitor the process leading up to the final approval and payments made to the Class.
27 Class Counsel also bears the risk of taking the necessary actions if Defendant fails to pay.

28 35. The risk to Class Counsel has been very significant, particularly if we would not be

1 successful in pursuing this Action. In that case, Class Counsel would have been left with no
2 compensation for all the time taken in litigating this Action. Indeed, Class Counsel has taken on a
3 number of class action cases that have resulted in thousands of attorney hours being expended and
4 ultimately having certification denied or the defendant company going bankrupt. The contingent
5 risk in these types of cases is very real and they do occur regularly. Furthermore, Class Counsel
6 was precluded from focusing on, or taking on, other cases which could have resulted in a larger,
7 and less risky, monetary gain.

8 36. Because most individuals cannot afford to pay for representation in litigation on an
9 hourly basis, WLF represents virtually all of its employment law clients on a contingency fee basis.
10 Pursuant to this arrangement, WLF is not compensated for our time unless we prevail at trial or
11 successfully settle our clients' cases. Because Class Counsel is taking the risk that we will not be
12 reimbursed for our time unless our client settles or wins his or her case, we cannot afford to
13 represent an individual employee on a contingency basis if, at the end of our representation, all we
14 are to receive is our regular hourly rate for services. It is essential that we recover more than our
15 regular hourly rate when we win or settle to remain in practice and continue representing other
16 individuals in civil rights employment disputes.

17 PLAINTIFF'S COUNSEL'S EXPERIENCE AND QUALIFICATIONS

18 37. WLF was selected by Best Lawyers and U.S. News & World Report as one of the
19 nation's Best Law Firms for every year since 2020 and is comprised of more than 100 attorneys
20 and over 600 employees. WLF is actively and continuously practicing in employment litigation,
21 representing employees in both individual and class actions in both state and federal courts
22 throughout California.

23 38. WLF is qualified to handle this Action because its attorneys are experienced in
24 litigating Labor Code violations in both individual, class action, and representative action cases.
25 WLF has handled, and is currently handling, numerous wage and hour class action lawsuits, as
26 well as class actions involving consumer rights and data privacy litigation.

27 39. I am a fifth-year Settlement Attorney at WLF where I am responsible for finalizing
28 resolved class action and PAGA matters, ensuring that they are carried through the approval and

1 distribution process in an efficient manner and in compliance with Court orders. I graduated from
2 the University of California, Los Angeles School of Law in May 2020, and I passed the California
3 Bar Exam on my first try and was admitted to practice in May 2021. I am admitted to practice law
4 in the State of California and the Northern District of California.

5 40. I am also an adjunct professor at the Thomas Jefferson School of Law in San Diego,
6 California, and I serve as a Bar Exam Preparation mentor to various law students in San Diego,
7 California. I graduated from the University of California, San Diego in 2017 with a Bachelor of
8 Arts degree in Sociology, with a specific concentration in Law & Society. During law school, I
9 also obtained credentials in course design, teaching innovation and technology, and business
10 administration from the University of California, Irvine. I was awarded the Masin Family
11 Foundation Gold Award for my academic performance in law school.

12 41. I started my career representing both for-profit and non-profit/tax-exempt
13 organizations, and I utilize those skills to achieve strong results for my clients now because I have
14 sat on the other side of the table representing businesses. I have practiced in Plaintiff-side
15 employment litigation for several years now, and I have a strong record of reaching settlement for
16 individual wage and hour and FEHA claims with results regularly landing in the six-figure range.
17 I have worked with several firms gaining increasing responsibility, and I have regularly mentored
18 dozens of new attorneys teaching them the basics of employment law and litigation strategy to
19 achieve efficient results. I transitioned to this role at WLF to capitalize on my strengths of reaching
20 settlement, creating efficient workflows, drafting clear and concise agreements and motions, and I
21 wanted to achieve maximal results for larger classes of workers.

22 42. I have served on the board of directors for local arts organizations and regularly host
23 workshops throughout southern California. I have guest lectured at the University of California,
24 Irvine on various legal topics. I am also a certified mediator and serve on the California Lawyers
25 for the Arts' mediation panel, where I volunteer my time to mediate a wide range of cases from
26 artistic business and ownerships disputes and employment disputes.

27 43. I believe my hourly rate is reasonable given my experience and when compared to
28 other similarly experienced attorneys in this practice and geographic location. The reasonableness

1 of my and my colleagues' hourly rates is also supported by several surveys of legal rates, including
2 the following:

3 a. The 2022 Real Rate Report survey compiled by Wolters Kluwer, which presents
4 the real market rates of Los Angeles area attorneys who practice litigation. For
5 that category, the third quartile 2022 rate was \$1,045 per hour for partners and
6 \$855 for associates. Likewise, page 32 of the Report describes the rates charged
7 by 183 Los Angeles partners with "21 or more years of experience" and "Fewer
8 than 21 years." For those categories, the third quartile Los Angeles partner rate
9 in 2022 were \$1,133 per hour for 21 or more years and \$1,075 for attorneys
10 with fewer than 21 years. A true and correct copy of portions of the 2022 Real
11 Rate Report is attached hereto as Exhibit 3.

12 b. In an article entitled "Big Law Rates Topping \$2,000 Leave Value 'In Eye of
13 Beholder,'" written by Roy Strom and published by Bloomberg Law on June 9,
14 2022, the author describes how Big Law firms have crossed the \$2,000-per
15 hour rate. The article also notes that law firm rates have been increasing by just
16 under 3% per year. A true and correct copy of this article is attached hereto as
17 Exhibit 4.

18 44. Alan Wilcox is a Senior Attorney at WLF charged with taking resolved class action
19 and PAGA matters and ensuring that they are carried through the approval and distribution process
20 in an efficient manner and in compliance with Court orders. He obtained his Bachelor's degree
21 from the University of California, Berkeley in 2007. He graduated from Pepperdine University's
22 School of Law and became a member of the California State Bar in 2012.

23 45. Throughout his career up until his employment at WLF, Mr. Wilcox was essentially
24 continuously employed as a civil litigation attorney at multiple law firms. He has represented
25 clients in both state and federal Courts in a wide variety of matters, including contract disputes,
26 wrongful foreclosure, unlawful detainer, divorce, product defect, tort, and employment.

27 46. From 2014 to the present, he has been exclusively practicing complex civil litigation
28 representing plaintiff employees in employment matters. In that time, Mr. Wilcox became an

expert in the field. Mr. Wilcox has handled both individual wrongful discharge and collective wage and hour actions, with the class action and PAGA matters including *Flores v. Aqua Terra Culinary, Inc.*, Monterey Superior Court Case No. 17CV002672, *Garcia v. Construction Innovations Group, LLC*, Sacramento Superior Court Case No. 34-2020-00285239, *Kim v. 1 2. **RECITALS.**

2 2.1 On June 27, 2024, Plaintiff commenced this Action by filing a class action complaint
3 alleging Defendant: (1) failed to pay minimum and straight time wages; (2) failed to pay overtime
4 wages; (3) failed to provide meal periods; (4) failed to authorize and permit rest periods; (5) failed
5 to timely pay final wages at termination; (6) failed to provide accurate itemized wage statements;
6 (7) failed to indemnify employees for expenditures; and (8) violated California's Unfair
7 Competition Law, California Business and Professions Code section 17200, *et seq.* On June 19,
8 2024, pursuant to Labor Code § 2699.3, subd.(a), Plaintiff gave notice to the LWDA and
9 Defendant that Plaintiff intended to proceed with a representative action under PAGA (LWDA-
10 CM-1034959-24). On April 9, 2025, Plaintiff filed an amended complaint titled "First Amended
11 Class and Representative Action Complaint," adding a cause of action for civil penalties under
12 PAGA, Labor Code §§ 2699, *et seq.*

13 2.2 Defendant denies the allegations in the Action, denies any failure to comply with the
14 laws identified in the Action, and denies any and all liability for the causes of action alleged in
15 the Action.

16 2.3 On January 15, 2025, the Parties participated in an all-day mediation presided over by
17 mediator Sonya Goodwin, Esq. With the help of Ms. Goodwin, the Parties were able to reach an
18 agreement on general settlement terms at mediation and executed a Memorandum of
19 Understanding thereafter.

20 2.4 In advance of mediation, Class Counsel conducted a thorough investigation into the facts
21 of, and applicable law to, the Action. Prior to mediation, Plaintiff obtained and analyzed the time
22 and payroll data for all Class Members and the necessary policy documents through informal
23 discovery to properly evaluate the strengths and weakness of the claims and engage in meaningful
24 settlement discussions. Plaintiff's investigation was sufficient to satisfy the criteria for court
25 approval set forth in *Dunk v. Foot Locker Retail, Inc.*, 48 Cal.App.4th 1794, 1801 (1996) and
26 *Kullar v. Foot Locker Retail, Inc.*, 168 Cal.App.4th 116, 129-130 (2008) ("*Dunk/Kullar*").

27 2.5 The Court has not granted class certification because the Parties engaged in mediation
28 before any class certification.

2.6 The Parties, Class Counsel, and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. **MONETARY TERMS.**

3.1 Gross Settlement Amount. Except as otherwise provided by Paragraph 8 below, Defendant will pay \$230,000.00 to fully settle, resolve, and extinguish all claims asserted in the Action, including without limitation all claims asserted in the PAGA Notice. The Gross Settlement Amount is non-reversionary and does not include employer-side payroll taxes owed on the wage portions of the Individual Class Payments, which Defendant will pay separately.

3.2 Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:

3.2.1 To Plaintiff: A payment for the Enhancement Award to Plaintiff of not more than \$10,000.00 in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member. Defendant will not oppose Plaintiff's request for an Enhancement Award that does not exceed this amount. As part of the motion for the Class Counsel Fees and Litigation Expenses Payments, Plaintiff will seek Court approval for any Enhancement Award no later than 16 (sixteen) court days prior to the Final Approval Hearing, or as otherwise ordered by the Court. If the Court approves an Enhancement Award less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount to be distributed to Participating Class Members. The Administrator will pay the Enhancement Award using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Enhancement Award and holds Defendant harmless, and indemnifies Defendant, from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.2 To Class Counsel: A Class Counsel Fees Payment of not more than one-third (1/3) of the GSA, which is currently estimated to be \$76,666.66 and a Class Counsel Litigation Expenses Payment for actual costs. Defendant will not oppose requests for these payments.

Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees and Litigation Expenses Payments no later than 16 (sixteen) court days prior to the Final Approval Hearing, or as otherwise ordered by the Court. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount for distribution to Participating Class Members. Released Parties shall have no liability to Class Counsel or any other Plaintiff's counsel arising from any claim to any portion of Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Defendant harmless, and indemnifies Defendant, from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.3 To the Administrator: An Administrator Costs Payment for actual costs, not to exceed \$6,000.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Costs are less or the Court approves payment of less than requested, the Administrator will retain the remainder in the Net Settlement Amount to be distributed to Participating Class Members.

3.2.4 To Each Participating Class Member: An Individual Class Payment is calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period, and (b) multiplying the result by each individual Participating Class Member's Workweeks.

3.2.4.1 Tax Allocation of Individual Class Payments. 33% of each Participating Class Member's Individual Class Payment will be allocated to the Settlement of wage claims (the "Wage Portion"). The Wage Portion is subject to tax withholding and will be reported on an IRS W-2 Form. The remaining 67% of each Participating Class Member's Individual Class Payment will be allocated to the settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee

taxes owed on their Individual Class Payment, except for employer taxes on wages, which will be paid by Defendant..

3.2.4.2 Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments and will not be included in the calculation of the total Workweeks at issue for purposes of calculating the amount of Individual Class Payments.

3.2.5 To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$15,000.00 to be paid from the Gross Settlement Amount, with 75% (\$11,250.00) allocated to the LWDA PAGA Payment and 25% (\$3,750.00) allocated to the Individual PAGA Payments.

3.2.5.1 The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$3,750.00) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period, and (b) multiplying the result by each individual Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.5.2 If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount to be distributed to Participating Class Members. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

4.1 Class Workweeks and Aggrieved Employee Pay Periods. Based on a review of its records, Defendant represents that as of the date of the mediation of this case on January 15, 2025, there were approximately 199 Class Members who collectively worked a total of approximately 6,785 Workweeks during the Class Period and approximately 117 Aggrieved Employees who collectively worked a total of approximately 1,500 PAGA Pay Periods during the PAGA Period through the date of mediation.

4.2 Class Data. Not later than seven (7) days after the Court grants Preliminary Approval of the Settlement, Defendant will deliver the Class Data to the Administrator, in the form of a

Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.3 Funding of Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount and the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than 14 (fourteen) calendar days after the Effective Date.

4.4 Payments from the Gross Settlement Amount. Within seven (7) days after Defendant fully funds the GSA, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Costs Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Enhancement Award. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Enhancement Award shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.4.1 The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail. The face of each check shall prominently state the date (180 days after the date of mailing) when the check will be voided ("Void Date"). The Administrator will cancel all checks not cashed by the Void Date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom the Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved

Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2 The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within seven (7) days of receiving a returned check, the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3 For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and canceled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

4.4.4 The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. **RELEASES OF CLAIMS.** Effective on the date when Defendant fully funds the Gross Settlement Amount and all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Aggrieved Employees will release claims against all Released Parties as follows:

5.1 **Plaintiff's Release.** Plaintiff discharges Released Parties from all claims, transactions, or occurrences, that occurred during the Class Period, including, but not limited to, all claims that were, or reasonably could have been, alleged, based on the facts contained in the Action or that relate in any way to Plaintiff's employment with Defendant; and include any

1 statutory claims, including claims under the Fair Employment and Housing Act, California
2 Business and Professions Code, Americans with Disabilities Act, Title VII of the Civil Rights Act
3 of 1964, the California Labor Code, and all equivalent claims under federal law (“Plaintiff’s
4 Release”). Plaintiff’s Release does not extend to any claims or actions to enforce this Agreement,
5 or to any claims for vested benefits, unemployment benefits, disability benefits, social security
6 benefits, workers’ compensation benefits that arose at any time, or based on occurrences outside
7 the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from,
8 or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees,
9 nonetheless, that Plaintiff’s Release shall be and remain effective in all respects, notwithstanding
10 such different or additional facts or Plaintiff’s discovery of them.

11 5.1.1 Plaintiff’s Waiver of Rights Under California Civil Code Section 1542. For
12 purposes of Plaintiff’s Release, Plaintiff expressly waives and relinquishes the provisions, rights,
13 and benefits, if any, of section 1542 of the California Civil Code, which reads:

14 A general release does not extend to claims that the creditor or releasing party does
15 not know or suspect to exist in his or her favor at the time of executing the release
16 and that, if known by him or her, would have materially affected his or her
17 settlement with the debtor or released party.

18 5.2 Released Class Claims: All Participating Class Members will waive and release the
19 Released Parties from any and all claims, causes of action, damages, wages, benefits, expenses,
20 penalties, debts, liabilities, demands, obligations, attorneys’ fees, costs, and any other form of
21 relief or remedy in law, equity, or whatever kind of nature, arising from the claims pled in the
22 Action and any claims based on facts alleged in the Operative Complaint, including all claims for
23 failure to pay for all hours worked, failure to pay overtime wages, meal period violations, rest
24 break violations, failure to pay minimum wage, failure to pay straight time wages, wages not
25 timely paid upon termination, non-compliant wages statements, failure to reimburse necessary
26 business expenses, and unlawful business practices under the California Labor Code and/or the
27 California Business and Professions Code, including all claims for restitution or equitable relief,
28 liquidated damages, penalties of any nature whatsoever, attorneys’ fees and costs, asserted or that

might have been asserted by any Class Member against the Released Parties based on the facts or claims alleged in the Action during the Class Period. This includes claims meeting the above definition(s) under any and all applicable statutes, including without limitation California Labor Code sections §§ 201, 202, 203, 204, 226, 226.7, 510, 512, 558, 1174, 1194.2, 1197, 1198, 2800, 2802; the California Unfair Competition Law, and in particular, California Bus. and Prof. Code §§ 17200 et seq, as well as the applicable Industrial Welfare Commission Wage Orders (collectively the “Released Class Claims”).

5.3 Released PAGA Claims: The claims released by Aggrieved Employees, including Non-Participating Class Members who are Aggrieved Employees, are all claims for civil penalties under PAGA arising during the PAGA Period that were alleged in Plaintiff’s PAGA Notice dated June 19, 2024 to the LWDA or that could have been alleged by Plaintiff based on the factual allegations asserted in the PAGA Notice (collectively the “Released PAGA Claims”).

6. **MOTION FOR PRELIMINARY APPROVAL**. Plaintiff will prepare and file a motion for preliminary approval (“Motion for Preliminary Approval”).

6.1 Plaintiff’s Responsibilities. Plaintiff will prepare all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator; (v) a signed declaration from Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of this Agreement (Labor Code section 2699, subd. (l)(2)); and (vi) all facts relevant to any actual or potential conflict of interest with Class Members, and/or the Administrator. In their Declarations, Plaintiff and Class Counsel shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

6.2 Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing the Motion for Preliminary Approval. Class Counsel will obtain a prompt hearing date for the Motion for Preliminary Approval, file the Motion for Preliminary Approval no later than 16 (sixteen) court days before the hearing, unless otherwise ordered by the Court, and deliver the Court's Preliminary Approval Order to the Administrator.

6.3 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

7.1 Selection of Administrator. The Parties have jointly selected Apex Class Action Administration to serve as the Administrator and verified that, as a condition of appointment, the Administrator agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Costs. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports to state and federal tax authorities.

7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1 for the funding of the GSA. Any interest that accrues on the GSA sums paid into the QSF prior to distribution by the Administrator will become part of the NSA for distribution

1 to Participating Class Members.

2 7.4 Notice to Class Members.

3 7.4.1 No later than five (5) calendar days after receipt of the Class Data, the Administrator
4 shall notify Class Counsel that the list has been received and state the number of Class Members,
5 Aggrieved Employees, Workweeks, and Pay Periods in the Class Data.

6 7.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days
7 after receiving the Class Data, the Administrator will send to all Class Members identified in the
8 Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice
9 substantially in the form attached to this Agreement as Exhibit A. The first page of the Class
10 Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or
11 Individual PAGA Payment payable to the Class Member, and the number of Workweeks and
12 PAGA Pay Periods used to calculate these amounts. Before mailing Class Notices, the
13 Administrator shall update Class Member addresses using the National Change of Address
14 database.

15 7.4.3 Not later than five (5) calendar days after the Administrator's receipt of any Class
16 Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice
17 using any forwarding address provided by the USPS. If the USPS does not provide a forwarding
18 address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class
19 Notice to the most current address obtained. The Administrator has no obligation to make further
20 attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the
21 USPS a second time.

22 7.4.4 The deadlines for Class Members' written objections, challenges to Workweeks
23 and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond
24 the 45 days otherwise provided in the Class Notice for all Class Members whose notice is re-
25 mailed. The Administrator will inform the Class Member of the extended deadline with the re-
26 mailed Class Notice.

27 7.4.5 If the Administrator, Defendant, or Class Counsel is contacted by or otherwise
28 discovers any persons who believe they should have been included in the Class Data and should

1 have received Class Notice, the Parties will expeditiously meet and confer in person or by
2 telephone, and in good faith in an effort to agree on whether to include them as Class Members.
3 If the Parties agree, such persons will be Class Members entitled to the same rights as other Class
4 Members, and the Administrator will send, via email or overnight delivery, a Class Notice
5 requiring them to exercise options under this Agreement not later than 14 days after receipt of
6 Class Notice, or the deadline dates in the Class Notice, whichever are later.

7 7.5 Requests for Exclusion (Opt-Outs).

8 7.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement
9 must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not
10 later than 45 days after the Administrator mails the Class Notice (plus an additional 14) days for
11 Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class
12 Member or his/her representative that reasonably communicates the Class Member's election to
13 be excluded from the Settlement and includes the Class Member's name, address and email
14 address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed,
15 or postmarked by the Response Deadline.

16 7.5.2 The Administrator may not reject a Request for Exclusion timely submitted as
17 invalid because it fails to contain all the information specified in the Class Notice. The
18 Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably
19 ascertain the identity of the person as a Class Member and the Class Member's desire to be
20 excluded. The Administrator's determination shall be final and not appealable or otherwise
21 susceptible to challenge. If the Administrator has reason to question the authenticity of a Request
22 for Exclusion, the Administrator may demand additional proof of the Class Member's identity.
23 The Administrator's determination of authenticity shall be final and not appealable or otherwise
24 susceptible to challenge.

25 7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion
26 is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and
27 bound by all terms and conditions of the Settlement, including the Participating Class Members'
28 Releases under paragraphs 5.2 and 5.3 of this Agreement, regardless of whether the Participating

1 Class Member actually receives the Class Notice or objects to the Settlement.

2 7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a
3 Non-Participating Class Member and shall not receive an Individual Class Payment or have the
4 right to object to the class action components of the Settlement. Because future PAGA claims are
5 subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who
6 are Aggrieved Employees are deemed to release the Released PAGA Claims identified in
7 Paragraph 5.3 of this Agreement and are eligible for an Individual PAGA Payment.

8 7.6 Challenges to Calculation of Workweeks and Pay Periods. Each Class Member shall
9 have 45 (forty-five) days after the Administrator mails the Class Notice (plus an additional 14
10 (fourteen) days for Class Members whose Class Notice is re-mailed) to challenge the number of
11 Class Workweeks and PAGA Pay Periods allocated to the Class Member in the Class Notice. The
12 Class Member may challenge the allocation by communicating with the Administrator via fax,
13 email or mail. The Administrator must encourage the challenging Class Member to submit
14 supporting documentation. In the absence of any contrary documentation, the Administrator is
15 entitled to presume that the Workweeks contained in the Class Notice are correct so long as they
16 are consistent with the Class Data. The Administrator's determination of each Class Member's
17 allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise
18 susceptible to challenge. The Administrator shall promptly provide copies of all challenges to the
19 calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the
20 Administrator's determination of the challenges.

21 7.7 Objections to Settlement.

22 7.7.1 Only Participating Class Members may object to the class action components of the
23 Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or
24 amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses
25 Payment and/or Enhancement Award.

26 7.7.2 Participating Class Members may send written objections to the Administrator, by
27 fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire
28 an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A

1 Participating Class Member who elects to send a written objection to the Administrator must do
2 so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional
3 14 days for Class Members whose Class Notice was re-mailed).

4 7.7.3 Non-Participating Class Members have no right to object to any of the class action
5 components of the Settlement.

6 7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be
7 performed or observed by the Administrator contained in this Agreement or otherwise.

8 7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish,
9 maintain and use an internet website to post information of interest to Class Members including
10 the date, time and location for the Final Approval Hearing and copies of the Settlement
11 Agreement; Motion for Preliminary Approval; Preliminary Approval Order; Class Notice;
12 Motion for Final Approval; Motion for Class Counsel Fees Payment, Class Counsel Litigation
13 Expenses Payment and Enhancement Award; the Final Approval Order; and the Judgment. The
14 Administrator will also maintain and monitor an email address and a toll-free telephone number
15 to receive Class Member calls, faxes and emails.

16 7.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will
17 promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later
18 than five (5) days after the expiration of the deadline for submitting Requests for Exclusion, the
19 Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names
20 and other identifying information of Class Members who have timely submitted valid Requests
21 for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class
22 Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for
23 Exclusion from Settlement submitted (whether valid or invalid).

24 7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports
25 to Class Counsel and Defense Counsel that, among other things, tally the number of: Class
26 Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether
27 valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods
28 received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA

1 Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment
2 of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and
3 objections received.

4 7.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to
5 address and make final decisions consistent with the terms of this Agreement on all Class Member
6 challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision
7 shall be final and not appealable or otherwise susceptible to challenge.

8 7.8.5 Administrator’s Declaration. Not later than 14 days before the date by which
9 Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator
10 will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in
11 Court attesting to its due diligence and compliance with all of its obligations under this
12 Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned
13 as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total
14 number of Requests for Exclusion from Settlement it received (both valid or invalid), the number
15 of written objections and attach the Exclusion List. The Administrator will supplement its
16 declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible
17 for filing the Administrator’s declaration(s) in Court.

18 7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator
19 disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel
20 and Defense Counsel with a final report detailing its disbursements by employee identification
21 number only of all payments made under this Agreement. At least 15 days before any deadline
22 set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense
23 Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all
24 payments required under this Agreement. Class Counsel is responsible for filing the
25 Administrator's declaration in Court.

26 8. **ESCALATOR CLAUSE**. The GSA was calculated based on Defendant’s estimate that 199
27 Class Members collectively worked a total of 6,785 Workweeks during the Class Period up until
28 the date of mediation. Should the total number of Workweeks increase by more than 10% (i.e.

more than 678.5 Workweeks), the GSA will increase on a proportional basis equal to the percentage increase in the number of Workweeks worked by the Class Members above 10% (for example, if the final number of total Workweeks increases by 11%, the GSA will increase by 1%).

9. **DEFENDANT’S RIGHT TO WITHDRAW.** If the valid Requests for Exclusion identified in the Exclusion List represent more than an aggregate total of 10% of Class Members (i.e. more than 20 opted-out), Defendant may, but is not obligated, to elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be *void ab initio*, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Costs incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than 5 (five) business days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

10. **MOTION FOR FINAL APPROVAL.** Not later than 16 (sixteen) court days before the calendared Final Approval Hearing, unless otherwise scheduled by the Court, Plaintiff will file in Court, a Motion for Final Approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l); a Proposed Final Approval Order; and a proposed Judgment (collectively “Motion for Final Approval”). Plaintiff shall provide drafts of these documents to Defense Counsel prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

10.1 **Response to Objections.** Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

10.2 **Duty to Cooperate.** If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good

1 faith to address the Court's concerns by revising the Agreement as necessary to obtain Final
2 Approval. The Court's decision to award less than the amounts requested for the Enhancement
3 Award, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and/or
4 Administrator Costs Payment shall not constitute a material modification to the Agreement within
5 the meaning of this paragraph.

6 10.3 Continuing Jurisdiction of the Court. The Parties agree that, pursuant to Code of Civil
7 Procedure section 664.6, after entry of Judgment, the Court will retain jurisdiction over the
8 Parties, the Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or
9 Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-
10 Judgment matters as are permitted by law.

11 10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and
12 conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class
13 Counsel Litigation Expenses Payment as set forth in this Settlement, the Parties, their respective
14 counsel, and all Participating Class Members who did not object to the Settlement as provided in
15 this Agreement, waive all rights to appeal from the Judgment, including all rights to post-
16 judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new
17 trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the
18 right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties'
19 obligations to perform under this Agreement will be suspended until such time as the appeal is
20 finally resolved and the Judgment becomes final, except as to matters that do not affect the amount
21 of the Net Settlement Amount.

22 10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the
23 reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material
24 modification of this Agreement (including, but not limited to, the scope of release to be granted
25 by Class Members), this Agreement shall be null and void. The Parties shall nevertheless
26 expeditiously work together in good faith to address the appellate court's concerns and to obtain
27 Final Approval and Entry of Judgment, sharing, on a 50-50 basis, any additional Administration
28 Costs reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the

Court's award of the Enhancement Award or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. **AMENDED JUDGMENT.** If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit a proposed amended judgment.

12. **ADDITIONAL PROVISIONS.**

12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint has merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason, the Court does grant Preliminary Approval, Final Approval, or enter Judgment, Defendant reserves the right to contest certification of any class for any reason, Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

12.2 Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant, and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the

1 extent necessary to report income to appropriate taxing authorities; (4) in response to a court order
2 or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government
3 agency. Each Party agrees to immediately notify the other Party of any judicial or agency order,
4 inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant, and Defense
5 Counsel separately agree not to, directly or indirectly, initiate any conversation or other
6 communication, before the filing of the Motion for Preliminary Approval, with any third party
7 regarding this Agreement or the matters giving rise to this Agreement except to respond only that
8 “the matter was resolved,” or words to that effect. This paragraph does not restrict Class Counsel’s
9 communications with Class Members in accordance with Class Counsel’s ethical obligations
10 owed to Class Members.

11 12.3 No Publicity. Plaintiff and Class Counsel agree that they will not issue any press releases,
12 initiate any contact with the press, respond to any press inquiry or have any communication with
13 the press about this case and/or the fact, amount or terms of the Settlement. In addition, Plaintiff
14 and Class Counsel agree that they will not engage in any advertising or distribute any marketing
15 materials relating to the Settlement, including but not limited to any postings on any websites
16 maintained by Class Counsel; provided, however, that Class Counsel may state that it has settled
17 a class action claim against a company so long as neither Defendant, nor the Plaintiff are
18 identified. In addition, Class Counsel may list the case name, number, and a brief description of
19 the claims in their declarations in support of qualifications as class counsel in future filings.

20 12.4 No Solicitation. The Parties separately agree that they and their respective counsel and
21 employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal
22 from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel’s ability
23 to communicate with Class Members in accordance with Defense Counsel’s and Class Counsel’s
24 ethical obligations and Class Counsel’s fiduciary duties owed to Class Members.

25 12.5 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement
26 together with its attached exhibits shall constitute the entire agreement between the Parties
27 relating to the Settlement, superseding any and all oral representations, warranties, covenants, or
28 inducements made to or by any Party.

1 12.6 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and
2 represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate
3 action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate
4 its terms, and to execute any other documents reasonably required to effectuate the terms of this
5 Agreement including any amendments to this Agreement.

6 12.7 Cooperation. The Parties and their counsel will cooperate with each other and use their
7 best efforts, in good faith, to implement the Settlement by, among other things, modifying the
8 Settlement Agreement, submitting supplemental evidence and supplementing points and
9 authorities as requested by the Court. In the event the Parties are unable to agree upon the form
10 or content of any document necessary to implement the Settlement, or on any modification of the
11 Agreement that may become necessary to implement the Settlement, the Parties will seek the
12 assistance of a mediator and/or the Court for resolution.

13 12.8 No Prior Assignments. The Parties separately represent and warrant that they have not
14 directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or
15 encumber to any person or entity and portion of any liability, claim, demand, action, cause of
16 action, or right released and discharged by the Party in this Settlement.

17 12.9 No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are
18 providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied
19 upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR
20 Part 10, as amended) or otherwise.

21 12.10 Modification of Agreement. This Agreement, and all parts of it, may be amended,

EXHIBIT A

**COURT APPROVED NOTICE OF CLASS ACTION AND PAGA SETTLEMENT AND
HEARING DATE FOR FINAL COURT APPROVAL**

Tamim Hakimzada v. My Wireless NCC, Inc.
Santa Clara County Superior Court, Case No. 24CV441948

***The Santa Clara County Superior Court authorized this notice.
It is not junk mail, spam, an advertisement, or solicitation by a lawyer.
Please read it carefully! You are not being sued.***

You may be eligible to receive money from an employee class and representative action lawsuit (“Action”) against My Wireless NCC, Inc. (“Defendant”) for alleged wage and hour violations. The Action was filed by former employee, Tamim Hakimzada, and seeks (1) payment of unpaid wages, meal period penalties, rest break penalties, and other relief for a class of current and former non-exempt or hourly-paid employees (“Class Members”) who worked for Defendant in California in such a position at any time during the Class Period (June 27, 2020, through March 12, 2025); and (2) penalties under the California Private Attorneys General Act (“PAGA”) for all Class Members who worked for Defendant in California in a non-exempt or hourly-paid position at any time during the PAGA Period (June 19, 2023, through March 12, 2025) (“Aggrieved Employees”).

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$ [REDACTED] (less withholding) and your Individual PAGA Payment (if applicable) is estimated to be \$ [REDACTED]**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work for Defendant in California in a non-exempt or hourly-paid position during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked [REDACTED] Workweeks for Defendant in California in a non-exempt or hourly-paid position during the Class Period and you worked [REDACTED] PAGA Pay Periods for Defendant in California in a non-exempt or hourly-paid position during the PAGA Period**. If you believe that you worked more during either period, you can submit a challenge by the deadline date.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval of the Settlement. Your legal rights are affected whether you act or not act. READ THIS NOTICE CAREFULLY. You will be deemed to have read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
DO NOTHING	Receive money. Give up rights to sue Defendant for claims released in the Settlement.
EXCLUDE YOURSELF	Receive no money from the Class settlement. You will retain the right to pursue your own legal claims against Defendant. However, even if you exclude yourself from the Class settlement, you will still receive a portion of the PAGA settlement and be bound by it if you worked during the PAGA Period.
OBJECT	Write to the Court about why you object to the Settlement. If the Settlement receives Final Approval, you will receive money and give up rights to sue Defendant for claims released in the Settlement.
CHALLENGE YOUR NUMBER OF WORKWEEKS AND/OR PAY PERIODS	Challenge your number of Workweeks or Pay Periods listed in this Notice and provide supporting evidence. If you challenge your workweeks or pay periods, you will still be part of the Settlement and will give up rights to sue Defendant for claims released in the Settlement.

BASIC INFORMATION

1. WHY AM I RECEIVING THIS NOTICE?

Defendant's records indicate that you worked for Defendant in California in a non-exempt or hourly-paid position at some point(s) during the Class Period, from June 27, 2020, to March 12, 2025, and are therefore a member of the Class for purposes of this Settlement.

You received this Notice because you have a right to know about a proposed Settlement of the Action, and about all of your options, before the Court decides whether to finally approve the Settlement. The Settlement will resolve all Class Members' claims, which are described below, during the Class Period. The Settlement will also resolve claims for civil penalties brought under PAGA. If you are a Class Member, you are also an Aggrieved Employee if you worked for Defendant in California in a non-exempt or hourly-paid position during the PAGA Period, of June 19, 2023, through March 12, 2025.

If the Court grants Final Approval to the Settlement, a settlement Administrator appointed by the Court will issue the payments provided for by the Settlement to Class Members. You are encouraged to always keep your address up to date with the Administrator (the Administrator's contact information can be found in Section 12, below).

This Notice package explains the allegations and background regarding the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to receive those benefits.

The Court in charge of the Action is the Santa Clara County Superior Court. The case is titled *Tamim*

Hakimzada v. My Wireless NCC, Inc., Case No. 24CV441948. The person who sued, Tamim Hakimzada, is the Plaintiff, and the company sued, My Wireless NCC, Inc., is the Defendant.

2. WHAT IS THE LAWSUIT ABOUT?

The Plaintiff in the lawsuit alleges wage and hour violations against Defendant for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods and pay meal period premiums; (4) failure to provide rest periods and pay rest period premiums; (5) failure to pay all wages earned and unpaid at separation; (6) failure to furnish accurate itemized wage statements; (7) failure to indemnify employees for all necessary business expenditures; (8) violation of California's Unfair Competition Law, California Business and Professions Code section 17200, *et seq.*; and (9) civil penalties pursuant to PAGA based on the alleged violations of the California Labor Code listed above (the "Claims"). Defendant denies Plaintiff's Claims and denies any wrongdoing.

3. WHY IS THIS A CLASS ACTION?

In an employment class action, one or more people called "Class Representatives" (in this case, the Plaintiff) sue on behalf of all workers who they contend have similar claims. All of these workers are a Class or Class Members. Bringing one lawsuit, as opposed to many small ones, saves money, time and court resources. The court resolves the issues for all Class Members, except for those who exclude themselves from the Class.

4. WHY IS THERE A SETTLEMENT?

The Court did not decide in favor of the Plaintiff or Defendant on the merits of the claims alleged in the lawsuit. Plaintiff believes Plaintiff would win at trial. Defendant thinks that Plaintiff's lawsuit would not proceed to a trial and/or that Plaintiff would not win at trial. However, there has been no trial. Instead, in acknowledgement of the risk that both Parties face should the case proceed, the Parties have agreed to a negotiated settlement. This way, all Parties avoid the cost of preparing for and conducting a trial, the risk of losing the right to a trial, and the workers affected by the alleged violations receive compensation. The Settlement represents a compromise and settlement of highly disputed claims.

WHO IS INCLUDED IN THE SETTLEMENT?

5. WHO IS INCLUDED IN THE SETTLEMENT?

If you received this Notice, you are a Class Member for settlement purposes. The Class includes: all non-exempt, hourly individuals that worked for Defendant in California in such a position at any time during the Class Period.

6. ARE THERE EXCEPTIONS TO BEING INCLUDED?

You are not a Class Member if you already have resolved the claims asserted in this lawsuit, whether by settlement (including separation agreement) or a separate legal proceeding (i.e., another lawsuit). You may, however, still be entitled to an Individual PAGA Payment if you are an Aggrieved Employee.

THE SETTLEMENT BENEFITS—WHAT YOU GET

7. WHAT DOES THE SETTLEMENT PROVIDE?

Defendant has agreed to pay a Gross Settlement Amount (“Gross Settlement Amount” or “GSA”) of \$230,000.00 to settle the lawsuit. From the GSA, Class Counsel will apply to the Court for attorneys’ fees of one-third (1/3) of the GSA, currently estimated to total \$76,666.66, and reimbursement for reasonable costs (“Litigation Expenses”); an Enhancement Award of \$10,000.00 to the Plaintiff (for Plaintiff’s work and efforts prosecuting this case and Plaintiff’s broader general release); a PAGA Penalties payment of \$15,000.00 to resolve the PAGA claims (“PAGA Penalties”); and Settlement Administration Costs in an amount not to exceed \$6,000.00. The exact amount of the Class Counsel’s Fees and Litigation Expenses, Class Representative Service Payment, and Administration Costs will be determined by the Court at the Final Approval hearing. The remaining portion of the Settlement amount is the “Net Settlement Amount” or the “NSA.” The NSA will be apportioned and paid out as Individual Class Payments to the Settlement Class Members, who are the Class Members that do not request to be excluded (“opt out”) from the Settlement.

PAGA Penalties payment: As part of the PAGA portion of the Settlement, the Parties will ask the Court to approve a \$15,000.00 PAGA Penalties payment in settlement of claims for civil penalties under PAGA. As required under PAGA, 75% of the PAGA Penalties payment, or \$11,250.00, will be paid to the California Labor and Workforce Development Agency. The remaining 25% of the PAGA Penalties payment, or \$3,750.00, will be distributed to the Aggrieved Employees as Individual PAGA Payments.

8. HOW MUCH WILL MY PAYMENT BE?

An approximation of your Individual Class Payment appears on the first page of this Notice. If you are also an Aggrieved Employee, an approximation of your Individual PAGA Payment will also appear on the first page of this Notice.

Individual Class Payment: Your Individual Class Payment is based on the number Workweeks you worked, as represented in Defendant’s records, in comparison to the total number of Workweeks worked by all Class Members during the Class Period. Sixty-seven percent (67%) of each Class Member’s Individual Class Payment will be treated as a payment in settlement of the alleged claims for civil and statutory penalties and interest on unpaid wages and any other non-wage related amount, if any, which will be reported on an IRS Form 1099 by the Settlement Administrator. Thirty-three percent (33%) of each Class Member’s Individual Class Payment will be treated as a payment in settlement of alleged claims for unpaid wages. The 33% allocated as unpaid wages will be reduced by applicable payroll tax withholdings and deductions and reported on an IRS Form W-2.

Individual PAGA Payment: If you are also an Aggrieved Employee, you will receive an Individual PAGA Payment in addition to your Individual Class Payment. The Individual PAGA Payments are based on the number of PAGA Pay Periods worked by each Aggrieved Employee in comparison to the total amount of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period. One hundred percent (100%) of each Aggrieved Employees’ Individual PAGA Payment will be characterized as penalties and will not be reduced by payroll tax withholdings and deductions. The Individual PAGA Payment will be reported on an IRS Form 1099 by the Settlement Administrator. An approximation of

QUESTIONS? CALL 1-800-XXX-XXXX TOLL FREE

your anticipated Individual PAGA Payment appears on the first page of this Notice.

For the Class Members who are also Aggrieved Employees, their Individual Class Payment will be combined with their Individual PAGA Payment, and they will receive a single check for the combined payments. If a Class Member chooses to opt-out of the Settlement, they will still receive an Individual PAGA Payment, as Aggrieved Employees cannot opt-out of the PAGA portion of the Settlement. *See, e.g., Robinson v So. County Oil*, 53 Cal. App. 476 (2020).

HOW YOU GET A PAYMENT

9. HOW DO I RECEIVE A PAYMENT?

You do not need to do anything to receive a payment. However, if you believe that the number of Workweeks or PAGA Pay Periods you worked is incorrect, please correct it and provide any supporting evidence to the settlement Administrator, whose contact information is listed in Section 12 below.

10. WHEN WOULD I GET MY PAYMENT?

The Court will hold a Final Fairness Hearing on [REDACTED], to decide whether to approve the Settlement. If the Judge approves the Settlement, and anyone objects, there may be appeals. It is always uncertain when these objections and appeals can be resolved and resolving them can take time. If there is no objection, the Effective Date of the Settlement will be the date of entry of the Court's Order granting final approval.

Following the Effective Date and the Court's approval of the Settlement becoming final, including resolution of any appeals, Individual Class Payments and Individual PAGA Payments will be mailed to Participating Class Members and Aggrieved Employees after the Settlement is fully funded, which will not occur until approximately 28 days after the Effective Date.

Settlement checks should be cashed promptly upon receipt. Proceeds of checks which remain uncashed after 180 days from the date of issuance will be voided and the funds forwarded to the State of California Unclaimed Property Fund in the name of each Participating Class Member and/or Aggrieved Employee who did not cash his or her settlement check. If your settlement check is lost or misplaced, you should contact the Settlement Administrator immediately to request a replacement. You can search for unclaimed property on the State's website at: https://www.sco.ca.gov/search_upd.html.

For an update on the status of payments, please contact the Settlement Administrator (see Section 12).

11. WHAT AM I GIVING UP TO GET A PAYMENT?

If the Court approves this Settlement and unless you exclude yourself, you will become a Participating Class Member, and that means that you cannot sue, continue to sue, or be part of any other lawsuit against Defendant concerning the legal claims being resolved in this Settlement. Specifically, you will be giving up or "releasing" the Released Class Claims described below against Defendant, and its former and present owners, parents, subsidiaries, and all of its current and former officers, directors, members, managers, employees, consultants, partners, shareholders, joint venturers, agents, successors, assigns, accountants, insurers, or legal representatives ("Released Parties"). The releases become effective once the GSA is

fully funded by Defendant.

Released Class Claims: All Participating Class Members will waive and release the Released Parties from any and all claims, causes of action, damages, wages, benefits, expenses, penalties, debts, liabilities, demands, obligations, attorneys' fees, costs, and any other form of relief or remedy in law, equity, or whatever kind of nature, arising from the claims pled or could have been pled in the Action and any claims based on facts alleged in the Operative Complaint, including all claims for failure to pay for all hours worked, failure to pay overtime wages, meal period violations, rest break violations, failure to pay minimum wage, failure to pay straight time wages, wages not timely paid upon termination, non-compliant wages statements, failure to reimburse necessary business expenses, and unlawful business practices under the California Labor Code and/or the California Business and Professions Code, including all claims for restitution or equitable relief, liquidated damages, penalties of any nature whatsoever, attorneys' fees and costs, asserted or that might have been asserted by any Class Member against the Released Parties based on the facts or claims alleged in the Action during the Class Period. This includes claims meeting the above definition(s) under any and all applicable statutes, including without limitation California Labor Code sections §§ 201, 202, 203, 204, 226, 226.7, 510, 512, 558, 1174, 1194.2, 1197, 1198, 2800, 2802; the California Unfair Competition Law, and in particular, California Bus. and Prof. Code §§ 17200 et seq, as well as the applicable Industrial Welfare Commission Wage Orders.

Released PAGA Claims: All Aggrieved Employees, including Non-Participating Class Members who are Aggrieved Employees, and the State of California will release and discharge all claims for civil penalties under PAGA arising during the PAGA Period that were alleged in Plaintiff's PAGA Notice dated June 19, 2024 to the LWDA or that could have been alleged by Plaintiff based on the factual allegations asserted in the PAGA Notice.

EXCLUDING YOURSELF FROM THE SETTLEMENT

12. HOW DO I EXCLUDE MYSELF FROM THE SETTLEMENT?

To exclude yourself from the Settlement, you must send the Settlement Administrator a written and signed request for exclusion which must be postmarked no later than 45 days after Class Notice is mailed. Be sure to include your name, address, and telephone number, and any other information you think would be helpful to the settlement Administrator to identify you. You can send your request for exclusion to the settlement Administrator at:

If you ask to be excluded from the Settlement, you will not be legally bound by anything that happens in the Action, except as it relates to settlement of the PAGA claim. If you ask to be excluded from the Settlement you will not be able to object to the Settlement and you will not receive an Individual Class Payment, but you will still receive an Individual PAGA Payment if you worked for Defendant during the PAGA Period. If you ask to be excluded, you may be able to sue (or continue to sue) Defendant in the

future.

13. IF I DON'T EXCLUDE MYSELF, CAN I SUE DEFENDANT FOR THE SAME THING LATER?

No. Unless you exclude yourself, you give up any right to sue Defendant for the claims that this Settlement resolves. If you have a pending lawsuit, speak to your lawyer in that case immediately. You must exclude yourself from this Class to continue your own lawsuit. Remember, the exclusion deadline is 45 days after Class Notice is mailed.

14. IF I EXCLUDE MYSELF, CAN I GET MONEY FROM THIS SETTLEMENT?

Only if you are an Aggrieved Employee. Aggrieved Employees cannot opt-out of the PAGA portion of the Settlement, so they will receive their portion of the PAGA Penalties even if they exclude themselves from the rest of the Settlement. *See, e.g., Robinson v So. County Oil*, 53 Cal. App. 476 (2020). However, if you timely exclude yourself from the Settlement, you will not receive any of the Net Settlement Amount and you will retain the right to pursue your own legal action against Defendant for violations other than the Released PAGA Claims described above, if you desire.

16. HOW WILL THE LAWYERS BE PAID?

Class Counsel will ask the Court to approve \$76,666.66 (or one-third of the GSA) for attorneys' fees incurred in investigating the facts, litigating the case, and negotiating the Settlement. Class Counsel will also seek Court-approval of reasonable litigation expenses incurred in this matter. The Court may award Class Counsel less than what they request. Class Counsel will also ask the Court to approve a payment to Plaintiff in the amount of \$10,000.00 in addition to Plaintiff's Individual Class Payment and Individual PAGA Payment for the initiative, risk, time, and energy Plaintiff has spent in service to the Class as the

Class Representative and as compensation for Plaintiff's broader general release. The Court may award a Class Representative less than what is requested. If the Court awards Class Counsel and/or Plaintiff less than what they request, the difference between what is requested and what is awarded will be added to the Net Settlement Amount.

OBJECTING TO THE SETTLEMENT

You can and have the right to tell the Court you do not agree with the Settlement or some part of it.

17. HOW DO I TELL THE COURT THAT I OBJECT TO THE SETTLEMENT?

If you don't think the Settlement is fair, you can object to some or all of the Settlement. You can either object to the Settlement in person at the Final Approval Hearing or you can submit a written objection. Written objections and notices of intent to appear at the Final Approval Hearing must be mailed to the Settlement Administrator and postmarked on or before [REDACTED], at the following address:

[INSERT]
My Wireless NCC, Inc. Settlement
XXXXX
City, State, XXXXX
Email:
Fax:

The written objection should state your name and address and describe all legal and factual reasons that you object to the terms of the Settlement. You should also include or attach any documents upon which your objection is based. If the Court overrules the objection at the Final Approval hearing, the Settlement Agreement will be approved, and you will receive your payment. If you do not submit a written objection, you may still appear at the Final Approval hearing to voice your objection or to otherwise observe the proceedings.

18. WHAT'S THE DIFFERENCE BETWEEN OBJECTING AND REQUESTING EXCLUSION?

Objecting is simply telling the Court that you do not agree with something about the Settlement. You can object only if you stay in the Class.

Requesting exclusion is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you, and you do not get any money from this Settlement. If you submit both an objection and a request to be excluded from the settlement, the request to be excluded will control and you will not get any money from this settlement.

THE COURT'S FAIRNESS HEARING

The Court will hold a Final Approval Hearing to decide whether to approve the Settlement. You may attend and you may ask to speak, but you don't have to.

QUESTIONS? CALL 1-800-XXX-XXXX TOLL FREE

19. WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT?

The Court will hold a Final Approval Hearing at [REDACTED] on [REDACTED] in Department 19 of the Santa Clara County Superior Court located at 161 North First Street, San Jose, CA 95113, to determine whether the Settlement should be finally approved as fair, reasonable, and adequate. If there are objections, the Court will consider them at that time. The Court will also be asked to approve the requests for the Class Representative Service Payment and the Class Counsel Fees and Litigation Expenses Payments.

20. DO I HAVE TO COME TO THE HEARING?

No. Class Counsel will answer questions the Court may have. However, you are welcome to attend. If you send an objection, you do not have to come to the Court to talk about it. As long as you mailed your written objection to the settlement administrator on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

IF YOU DO NOTHING

21. WHAT IF I DO NOTHING AT ALL?

If you do nothing, you will receive a Settlement payment, and you will be bound by the terms of Settlement, which means that you will not be able to start a lawsuit, continue a lawsuit, or be a part of any other lawsuit against the Defendant about the legal issues in the Action.

Terms & Conditions

The following Terms and Conditions govern the provision of all services to be provided by Apex Class Action and its affiliates ("Apex") to the Client. These terms and conditions are binding and shall apply to all services provided by Apex in relation to any related services or products.

1. **Services:** Apex commits to providing the Client with the administrative services detailed in the attached Proposal (the "Services").

2. **Payment Terms:** As compensation for the legal services to be provided, the Client agrees to pay Apex all fees detailed in the Proposal. The fees quoted in the Proposal (and any subsequent proposals for additional services) are estimates based on the information provided to Apex by the Client. Apex makes no representation that the estimated fees in the Proposal or any subsequent proposals for additional services shall equal the actual fees charged by Apex to the Client, which fees (including individual line items) may be greater or less than estimated. If additional services are requested on an hourly basis and are not specifically detailed in the Proposal, Apex will prepare estimates for such services subject to approval by the Client. In the performance of such additional services, Apex will charge standard hourly fees which shall apply.

3. **Incurred Expenses:** In relation to the provision of services outlined in this agreement, the Client agrees to reimburse Apex for all reasonable out-of-pocket expenses incurred. Such expenses may include, but are not limited to, costs associated with postage, media production or publication, banking fees, brokerage fees, messenger and delivery service expenses, travel expenses, filing fees, office supplies, meals, staff overtime expenses, and other related costs and expenses. If not otherwise specified in writing, fees for print notice and certain expenses, such as media publication and postage, must be paid immediately upon invoicing and, in certain cases, at least ten (10) days prior to the date on which such expenses will be incurred.

4. **Invoicing:** Apex shall present invoices for its fees and expenses on a monthly basis, except as provided in Section 3. The Client agrees to pay each invoice within 30 days of receipt. In case of non-payment within 90 days of the billing date, an additional service charge of 1.5% per month may apply. Apex reserves the right to increase its prices, charges, and rates annually, subject to reasonable adjustments. If any price increases exceed 10%, Apex shall give thirty (30) days' notice to the Client. In the event of any unpaid invoices beyond 120 days of the due date, Apex reserves the right to withhold services and reports until payment is received, subject to notice to the Client. It is important to note that Apex's failure to provide services and reports in such instances shall not constitute a default under this agreement.

5. **Case Duration:** The duration of these Terms and Conditions, except for the data storage obligations stated in Section 13, shall be in effect until 30 days following the completion of the Services as described in the Proposal. The parties may extend these Terms and Conditions in writing for a mutually agreed-upon period beyond this initial 30-day period.

6. **Termination of Services:** Either party may terminate the Services by providing thirty (30) days written notice to the other party. Alternatively, termination may occur immediately upon written notice for Cause, as defined below. Cause means (i) Apex's gross negligence or willful misconduct that causes serious and material harm to the Client; (ii) the Client's failure to pay Apex invoices for more than one hundred twenty (120) days from the date of the invoice; or (iii) the accrual of invoices or unpaid services where Apex reasonably believes it will not be paid. Termination of the Services shall not relieve the Client of its obligation to pay Apex for services rendered prior to the termination.

7. **Independent Contractor:** As an independent contractor, Apex will provide services under the terms of this agreement. It is agreed that neither Apex nor any of its employees will be considered an employee of the Client. Consequently, Apex and its employees will not be eligible for any benefits provided by the Client to its employees. The Client will not make any tax deductions from the payments due to Apex for state or federal tax purposes. Apex will be solely responsible for paying all taxes and other payments due on payments received from the Client under this agreement.

8. **Apex warrants** that the Services outlined in the Proposal will be performed in accordance with the standards generally adhered to by professionals providing similar services. It is acknowledged that the Services may entail the likelihood of some human and machine errors, omissions, delays, and losses that may result in damage. However, Apex shall not be held liable for such errors, omissions, delays, or losses unless they are caused by its gross negligence or willful misconduct. In the event of any breach of this warranty by Apex, the Client's sole remedy will be limited to Apex's reworking, at its expense, any inaccurate output provided that such inaccuracies occurred solely as a result of Apex's gross negligence or willful misconduct under this agreement.

9. **Limitation of Liability:** The Client acknowledges that Apex shall not be held liable for any consequential, special, or incidental damages incurred by the Client in relation to the performance of Services, whether the claim is based on breach of warranty, contract, tort (including negligence), strict liability, or any other grounds. Under no circumstances shall Apex's liability to the Client, for any Losses (including court costs and reasonable attorney's fees), arising out of or in connection with these Terms and Conditions, exceed the total amount charged or chargeable to the Client for the specific service(s) that caused the Losses.

10. **Indemnification:** The Client agrees to indemnify and hold harmless Apex from any losses, suits, actions, judgments, fines, costs, liabilities, or claims arising from any action or proceeding relating to the Services provided by Apex, regardless of whether or not it results in liability (collectively referred to as "Indemnified Claims"). However, this indemnification provision shall not apply to the extent that such Indemnified Claims are caused by Apex's willful misconduct, gross negligence, or breach of these Terms and Conditions. This provision shall survive termination of the Services.

11. **Confidentiality:** Apex will uphold strict confidentiality between Apex and the Client and applies to all non-public records, documents, systems, procedures, processes, software, and other information received by either party in connection with the performance of services under these terms. Both Apex and the Client agree to keep confidential all such non-public information, including any material marked or identified as confidential or proprietary. Any such confidential information shall not be disclosed, provided, disseminated, or otherwise made available to any third party, except as required to fulfill the parties' obligations under these terms. The parties acknowledge that in the event of any request to disclose any confidential information in connection with a legal or administrative proceeding, or otherwise to comply with a legal requirement, prompt notice of such request must be given to the other party to enable that party to seek an appropriate protective order or other remedy or to waive compliance with the relevant provisions of these terms. If the Client seeks a protective order or another remedy, Apex, at the Client's expense, will cooperate with and assist the Client in such efforts. If the Client fails to obtain a protective order or waives compliance with the relevant provisions of these terms, Apex will disclose only that portion of the confidential information that it determines it is required to disclose. This confidentiality provision shall survive termination of the services provided. Both parties acknowledge and agree that any breach of these terms may cause irreparable harm to the non-breaching party and that injunctive relief may be necessary to prevent any actual or threatened breach. The terms set forth between the parties supersede all prior negotiations, understandings, and agreements between the parties concerning confidentiality. These terms may only be amended in writing and signed by both parties.

12. **Ownership** of the programs, system data, and materials provided by Apex to the Client during the course of providing services herein shall solely belong to Apex. It is acknowledged that fees and expenses paid by the Client do not confer any rights in such property. It is also understood that the said property is made available to the Client solely for the purpose of using it during and in connection with the services provided by Apex.

13. **Apex may derive financial benefits** from financial institutions in connection with the deposit and investment of funds with such institutions, including without limitation, discounts on eligible banking services and fees, and loans at favorable rates.

14. **COMPLETE AGREEMENT.** These Terms and Conditions, along with the attached Proposal, represent the complete agreement and understanding between the parties and override any prior agreements (whether written or oral) between Apex and the Client regarding the subject matter. Any modification to these Terms and Conditions may only be made in writing and must be signed by both Apex and the Client. The headings in this document are included for convenience only and do not alter or restrict any provisions in these Terms and Conditions. They may not be used in the interpretation of these Terms and Conditions.

15. **This provision outlines the requirements for providing notice or other communication** under this agreement. All such communications must be in writing and can be delivered either by personal delivery or through U.S. Mail with prepaid postage or overnight courier. Once delivered personally or sent through the mail, the notice will be considered given after five (5) days from the deposit date in the U.S. Mail. Alternatively, if sent through an overnight courier, the notice will be considered given one business day after delivery to the such courier. It's important to note that the notice must be provided to a responsible officer or principal of the Client or Apex, depending on the case.

16. **Force Majeure:** In the event of any failure or delay in performance due to circumstances beyond Apex's control, including but not limited to strikes, lockouts, fires, floods, acts of God or public enemy, riots, civil disorders, insurrections, war or war conditions, or interference by civil or military authorities, Apex shall not be held liable for any resulting loss or damage. The time for performance under this agreement shall be extended for a period equal to the duration of the disabling cause and a reasonable time thereafter. This provision shall constitute a force majeure clause and shall be construed accordingly.

17. **The applicable state and federal laws shall govern the interpretation and enforcement** of these Terms and Conditions. No choice of law or conflict of laws provisions shall affect this governing law provision.

18. **Severability:** This applies to all clauses and covenants contained within these Terms and Conditions. In the event that any clause or covenant is deemed invalid, illegal, or unenforceable, the remaining provisions shall remain valid and enforceable to the fullest extent permissible by law. The validity, legality, and enforceability of the remaining provisions shall in no way be affected or impaired by the invalidity, illegality, or unenforceability of any provision deemed so.

19. **Nonwaiver:** This applies to these Terms and Conditions. This means that any failure by one party to enforce a provision of these terms on one or more occasions shall not be construed as a waiver of that provision. In other words, any failure to enforce a provision does not give up the right to enforce it in the future. All provisions of these Terms and Conditions remain in full force and effect, regardless of any prior failure to enforce them.

Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Firm	Highest Billing Rate
Hogan Lovells	\$2,465
Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Bloomberg Law

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
