Attorneys for Plaintiff

**SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF VENTURA**

DARRIN CRAWFORD, individually, and on
behalf of all others similarly situated,

Plaintiff,

vs.

DOUBLE J ENTERPRISES, INC., a California
corporation; and DOES 1 through 10, inclusive,

Defendants.

Case No.: 2024CUOE022910

*[Assigned for All Purposes to the Hon.
Charmaine H. Buehner, Dept. 44]*

**PLAINTIFF'S NOTICE OF MOTION
AND MOTION FOR PRELIMINARY
APPROVAL OF CLASS ACTION AND
PAGA SETTLEMENT; MEMORANDUM
OF POINTS AND AUTHORITIES**

Preliminary Approval Hearing:

Date: March 4, 2026

Time: 1:30 p.m.

Dept.: 44

Action Filed: March 28, 2024

1 **TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that on March 4, 2026, at 1:30 p.m., or as soon thereafter as
3 the matter may be heard in Department 44 of the Superior Court of California, County of Ventura
4 located at Hall of Justice, 800 S. Victoria Avenue, Ventura, California 93009, Plaintiff Darrin
5 Crawford (“Plaintiff”) will and hereby does move this Court for an Order:

- 6 1. Granting preliminary approval of the proposed Class Action and PAGA Settlement
7 Agreement (“Settlement”);
8 2. Conditionally certifying the proposed Class for settlement purposes only;
9 3. Appointing Plaintiff as the Class Representative;
10 4. Appointing Wilshire Law Firm, PLC as Class Counsel;
11 5. Appointing Apex Class Action Administration as the Settlement Administrator; and
12 6. Setting a final approval hearing date.

13 Pursuant to California Rules of Court, Rule 3.769(d) and (e), this Motion is made on the
14 grounds that the proposed Settlement satisfies all criteria for preliminary approval and falls well
15 within the range of reasonableness. The Settlement was reached through informed, arm’s length
16 bargaining between experienced attorneys with the assistance of an experienced neutral, and
17 Plaintiff and Plaintiff’s Counsel will fairly and adequately represent the Class.

18 This Motion is based on this Notice of Motion, the accompanying Memorandum of Points
19 and Authorities, the Declaration of John G. Yslas, the Declaration of Plaintiff Darrin Crawford,
20 and on all records and documents on file, together with such oral and documentary evidence that
21 may be presented at the hearing on this matter.

22 Respectfully submitted,

23 Dated: February 6, 2026

MEMORANDUM OF POINTS AND AUTHORITIES

I. INTRODUCTION

Pursuant to California Rules of Court, Rule 3.769(d) and (e), Plaintiff seeks preliminary approval of a class action settlement of wage and hour claims, including representative claims brought under the Private Attorneys General Act of 2004 (“PAGA”) against Defendant Double J Enterprises, Inc. (“Defendant”). The proposed Class is defined as all persons who worked for Defendant in California as an hourly-paid or non-exempt employee (“Class Members”) at any time during the period from October 2, 2019, through the date of preliminary approval, or August 31, 2025, whichever date occurs first (“Class Period”). The main terms of the Settlement are as follows:

1. A Gross Settlement Amount of \$225,015.00, which will be distributed to approximately 83 Class Members on a pro rata basis according to the total workweeks worked by each Class Member during the Class Period;
2. Attorneys’ fees of up to one third (1/3) of the Gross Settlement Amount (currently \$75,005.00) and up to \$20,000.00 in reimbursement of litigation costs to Plaintiff’s Counsel;
3. A class representative service payment of up to \$10,000.00 to Plaintiff;
4. Costs of settlement administration of up to \$4,240.00; and
5. Allocation of \$20,000.00 to PAGA penalties, seventy-five percent (75%) of which (\$15,000.00) will be paid to the Labor and Workforce Development Agency (“LWDA”), and twenty-five percent (25%) of which (\$5,000.00) will be paid to all persons who worked for Defendant in California as an hourly-paid or non-exempt employee (“Aggrieved Employees”) at any time during the period from June 12, 2023, through the date of preliminary approval, or August 31, 2025, whichever date occurs first (“PAGA Period”).

The Settlement meets all criteria for preliminary approval and falls within the range of reasonableness given the risks and expenses of further litigation. The Settlement was reached through informed, arm’s length bargaining between experienced attorneys with the assistance of

an experienced neutral. As such, Plaintiff requests that the Court grant preliminary approval of the Settlement, conditionally certify the Class for settlement purposes only, appoint Plaintiff as the Class Representative, appoint Plaintiff's Counsel as Class Counsel, appoint Apex Class Action Administration as the Settlement Administrator, authorize the Settlement Administrator to administer notice of the Settlement to the Class, and set a final approval hearing date.

II. PROCEDURAL HISTORY

On March 28 2024, Plaintiff filed this putative class action against Defendant Double J. Enterprises, Inc. ("Defendant") alleging: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures; (8) failure to produce requested employment records; and (9) unfair business practices. Declaration of John G. Yslas in Support of Plaintiff's Motion for Preliminary Approval of Class Action and PAGA Settlement ("Yslas Decl.") at ¶ 3.

On June 12, 2024, Plaintiff provided written notice to the LWDA, Defendant, and Bob Holzer Automotive, Inc. of the specific provisions the Labor Code alleged to have been violated, including the facts and theories in support. Yslas Decl. at ¶ 4, Exhibit 1. The LWDA did not notify Plaintiff that intended to investigate within 65 days of this written notice. Yslas Decl. at ¶ 4. Therefore, on August 19, 2024, after the 65-day statutory period passed, Plaintiff filed a First Amended Complaint, adding Bob Holzer Automotive, Inc. as a defendant and adding a cause of action for civil penalties under PAGA. *Id.* On April 28, 2025, Bob Holzer Automotive, Inc. was dismissed from this action without prejudice. *Id.*

On July 1, 2025, the Parties participated in a private full-day mediation with mediator Katherine Edwards. Yslas Decl. at ¶ 5. The negotiations were adversarial, conducted at arm's length, and tempered by the efforts of both sides to serve the interests of their clients. *Id.*

The Parties accepted a mediator's proposal the following day and agreed on general settlement terms. Yslas Decl. at ¶ 6. The Parties ultimately finalized the Settlement on January 22, 2026. *Id.* at Exhibit 1 ("Settlement Agreement"). On February 6, 2026, Plaintiff submitted a copy

of the Settlement Agreement to the LWDA. Yslas Decl. at ¶ 7, Exhibit 2.

III. SUMMARY OF THE SETTLEMENT TERMS

A. Terms of the Proposed Settlement

The parties have agreed to settle the claims alleged in this case and the related PAGA Action for a Gross Settlement Amount of \$225,015.00. Settlement Agreement at §§ 1.23, 3.1. Subject to Court approval, the following payments will be deducted from the Gross Settlement Amount: (1) a class representative service payment of up to \$10,000.00 to Plaintiff; (2) attorneys' fees of up to one third (1/3) of the Gross Settlement Amount (currently \$75,005.00) and reimbursement of litigation costs of up to \$20,000.00 to Plaintiff's Counsel; (3) costs of settlement administration of up to \$4,240.00 to Apex Class Action Administration; (4) individual class payments to Class Members; and (5) PAGA penalties in the amount of \$20,000.00, which will be allocated 75% to the LWDA (\$15,000.00) and 25% to Aggrieved Employees (\$5,000.00). *Id.* at § 3.2. After all requested deductions are made, the remaining Net Settlement Amount is currently estimated to be \$95,770.00. Yslas Decl. at ¶ 20.

Individual class payments will be calculated based on the number of workweeks worked by each Class Member during the Class Period. Settlement Agreement at § 3.2.4. For tax purposes, the individual class payments will be allocated 20% to wages and 80% to penalties, interest, and reimbursement of expenses. *Id.* at § 3.2.4.1. Defendant will separately pay any and all employer payroll taxes owed on the wage positions of the individual class payments separate from the Gross Settlement Amount. *Id.* at 3.1.

Individual PAGA payments to Aggrieved employees will be calculated based on the number of pay periods worked by each Aggrieved Employee during the PAGA Period. Settlement Agreement at § 3.2.5.1. For tax purposes, the individual PAGA payments will be allocated 100% to penalties. *Id.* at 3.2.5.2.

Any deductions not approved by the Court will be retained by the Settlement Administrator in the Net Settlement Amount. Settlement Agreement at § 3.2. Funds from any uncashed checks will be transmitted by the Settlement Administrator to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the

requirements of California Code of Civil Procedure § 384, subd. (b). *Id.* at § 4.4.3. None of the Gross Settlement Amount will revert to Defendant. *Id.* at § 3.1.

B. Proposed Settlement Administration

The parties' proposed Class Notice complies with the requirements of California Rules of Court, Rule 3.766(d). *See* Exhibit A to the Settlement Agreement. It provides information regarding the nature of this lawsuit, a summary of the settlement terms, the formula used for calculating individual class and PAGA payments and instructions to dispute the calculations, instructions on how to opt-out of or object to the Settlement, the date, time, and location of the final approval hearing, and the amounts sought for the class representative service payment, attorneys' fees and litigation costs, and settlement administration costs. *See generally, id.* The Class Notice also notifies Class Members that they do not need to submit a claim in order to participate in the Settlement and receive a payment. *See id.* The Settlement Administrator will mail Class Members the Class Notice by first-class mail in English only.¹ Settlement Agreement at § 7.4.2; Yslas Decl. at ¶ 36, Exhibit 4.

If a Class Notice is returned as undeliverable, the Settlement Administrator will re-mail the Class Notice within five (5) days to the forwarding address provided by the U.S. Postal Service. Settlement Agreement at § 7.4.3. If no forwarding address is provided, the Settlement Administrator will conduct a Class Member Address Search and re-mail the Class Notice to the most current address obtained. *Id.* The deadline to opt-out of the Settlement or to submit an objection or dispute will be extended by 14 days for all Class Members whose Class Notice was re-mailed. *Id.* at § 7.4.4.

C. Proposed Releases

Released Class Claims: "All Participating Class Members will release all claims, rights, demands, liabilities, and causes of action, alleged or which could have reasonably been alleged based on the facts alleged in the operative Complaint, including but not limited to: (1) failure to

¹ Defense Counsel represented to Plaintiff's Counsel that no Spanish translation is needed of the Class Notice to be sent to Class Members.

1 pay minimum and straight time wages (pursuant to Cal. Labor Code §§ 204, 1194, 1194.2, 1197
2 and 1197.1); (2) failure to pay overtime wages (pursuant to Cal. Labor Code §§ 510, 1194, and
3 1198); (3) failure to provide meal periods (pursuant to Cal. Labor Code §§ 226.7 and 512); (4)
4 failure to authorize and permit rest periods (pursuant to Cal. Labor Code §§ 226.7); (5) failure to
5 timely pay final wages at termination (pursuant to Cal. Labor Code §§ 201-203); (6) failure to
6 provide accurate itemized wage statements (pursuant to Cal. Labor Code §§ 226); (7) failure to
7 indemnify employees for expenditures (pursuant to Cal. Labor Code §§ 2802); (8) failure to
8 produce requested employment records (pursuant to Cal. Labor Code §§ 226, 432, and 1198.5);
9 and (9) unfair business practices (pursuant to Cal. Bus. & Prof. Code §§ 17200, et seq.). The
10 enumeration of these specific claims shall neither enlarge nor narrow the scope of res judicata
11 based on the claims that were asserted in the Action or could have been asserted in the Action
12 based on the facts and circumstances alleged in the Complaint. The Released Class Claims are
13 those that accrued during the Class Period.” Settlement Agreement at § 5.2.

14 Released PAGA Claims: “All Aggrieved Employees will release all claims for PAGA civil
15 penalties that are alleged or reasonably could have been alleged based on the facts alleged in the
16 operative Complaint and in Plaintiff’s June 12, 2024 PAGA Notice, including but not limited to:
17 (1) failure to pay minimum, straight time, and overtime wages (pursuant to Cal. Labor Code §§
18 204, 510, 1194, 1197 and 1198); (2) failure to provide meal periods (pursuant to Cal. Labor Code
19 § 226.7); (3) failure to authorize and permit rest periods (pursuant to Cal. Labor Code § 226.7); (4)
20 failure to pay all earned wages twice per month periods (pursuant to Cal. Labor Code § 204); (5)
21 failure to maintain accurate records of hours worked and meal periods taken or missed (pursuant
22 to Cal. Labor Code § 1174.5); (6) failure to timely pay final wages at termination (pursuant to Cal.
23 Labor Code §§ 201 – 203); (7) failure to provide accurate itemized wage statements (pursuant to
24 Cal. Labor Code § 226); (8) failure to indemnify employees for expenditures (pursuant to Cal.
25 Labor Code § 2802); (9) failure to produce requested employment records (pursuant to Cal. Labor
26 Code §§ 226, 432, and 1198.5); (10) failure to keep accurate and complete payroll records
27 (pursuant to Cal. Labor Code § 1174); (11) failure to provide proper sick leave and supplemental
28 paid sick leave (pursuant to Cal. Labor Code §§ 245 – 248.5); (12) refusal to pay wages due and

1 payable and/or denial of the validity of any claim to wages due (pursuant to Cal. Labor Code §
2 216); (13) secretly paying wages lower than required by statute while purporting to pay legal wages
3 (pursuant to Cal. Labor Code § 223); (14) failure to pay vested vacation and/or paid time off
4 (pursuant to Cal. Labor Code § 117.3); (15) unlawful agreements (pursuant to Cal. Labor Code §
5 432.5); (16) failure to timely provide temporary workers with wages (pursuant to Cal. Labor Code
6 § 201.3); (17) preventing employees from using or disclosing the skills, knowledge and experience
7 they obtained at Defendant, and whistleblower violations (pursuant to Cal. Labor Code §§ 98.6,
8 232, 232.5, 1102.5, and 1197.5); and (18) unlawful inquiries at times into criminal histories
9 (pursuant to Cal. Labor Code § 432.7). The Released PAGA Claims are those that accrued during
10 the PAGA Period.” Settlement Agreement at § 5.3.

11 Only Plaintiff will agree to a general release and a waiver of Cal. Civil Code § 1542. *Id.* at
12 §§ 5.1, 5.1.1.

13 **IV. THE PROPOSED SETTLEMENT AGREEMENT MEETS ALL CRITERIA FOR** 14 **PRELIMINARY APPROVAL**

15 **A. Provisional Certification of the Class is Appropriate**

16 Class certification is appropriate when there is: (1) an ascertainable and sufficiently
17 numerous class; (2) a well-defined community of interest among class members; and (3) substantial
18 benefits from certification that render proceeding as a class superior to the alternatives. *Brinker*
19 *Restaurant Corp. v. Superior Court*, 53 Cal.4th 1004, 1021 (2012). Although courts still need to
20 review and consider each element for certification, a lesser standard can be used to provisionally
21 certify a settlement class. *Global Minerals & Metals Corp. v. Superior Court*, 113 Cal.App.4th
22 836, 859 (2003).

23 **1. The Proposed Class is Numerous and Ascertainable**

24 “Ascertainability” is determined by examining the class definition and the size of the class,
25 and may also involve examining the means available to identify class members. *Noel v. Thrifty*
26 *Payless, Inc.*, 7 Cal.5th 955, 980-981, 985-986 (2019). As the settlement eliminates the need for
27 trial, “the case management issues inherent in the ascertainable class determination need not be
28 confronted.” *Global Minerals*, 113 Cal.App.4th at 859. Further, under California law, there is no

1 minimum number of class members for maintenance of a class action. *Hendershot v. Ready to Roll*
2 *Transp., Inc.*, 228 Cal.App.4th 1213, 1222 (2014). Class sizes as small as 10 have been permitted.
3 *Rose v. City of Hayward*, 126 Cal.App.3d 926, 934 (1981), disapproved on other grounds by *Noel*,
4 7 Cal.5th at 986.

5 The Class here consists of all persons who worked for Defendant in California as an hourly-
6 paid or non-exempt employee at any time during the Class Period. *See* Settlement Agreement at
7 §§ 1.5, 1.13. The Class is also readily ascertainable from Defendant’s business records, because
8 all Class Members are or were employees of Defendant. *Id.* Defendant’s records show there are
9 approximately 83 Class Members, making joinder of all Class Members impracticable. Yslas Decl.
10 at ¶ 9.

11 **2. A Well-Defined Community of Interest Exists**

12 The community of interest requirement embodies three factors: (1) predominant common
13 questions of law or fact; (2) class representatives with claims or defenses typical of the class; and
14 (3) class representatives who can adequately represent the class. *Brinker*, 53 Cal.4th at 1021.

15 **a. Common Questions Predominate**

16 In determining whether common issues “predominate,” courts consider both plaintiff’s
17 legal theories and defendant’s affirmative defenses. *Duran v. U.S. Bank Nat’l Ass’n*, 59 Cal.4th 1,
18 28-29 (2014). The “predominate common questions” factor does not require that all class members
19 have identical claims. *Ayala v. Antelope Valley Newspapers, Inc.*, 59 Cal.4th 522, 530 (2014).
20 Rather, the focus is on whether issues shared by the class members are sufficiently uniform to
21 permit class-wide assessment, and whether individual variations in proof on those issues are
22 manageable. *Id.*

23 Plaintiff has alleged that Defendant maintained common employment policies and/or
24 practices that unlawfully deprived Class Members of wages, meal periods, rest periods,
25 reimbursements for business expenses, accurate wage statements, timely payment of wages upon
26 separation of employment, and production of requested employment records. Yslas Decl. at ¶ 10.
27 These allegations present common factual and legal questions of, *inter alia*, whether Defendant
28 applied the same scheduling, timekeeping, pay, meal period, rest period, reimbursement, and

1 employment records production policies to all Class Members, whether these policies and practices
2 resulted in Labor Code violations, whether Defendant's conduct was intentional, and whether Class
3 Members are entitled to damages and/or penalties. *Id.* These common questions could be resolved
4 using Class Members' time records, payroll records, testimony from Defendant's designated
5 representative(s), and Class Members' testimony. *Id.* Therefore, the Court can and should exercise
6 its discretion to grant conditional class certification for settlement purposes.

7 **b. Plaintiff is Typical of the Class**

8 Typicality does not require that the representative plaintiff's claims and those of the class
9 members be identical or perfectly aligned. *Wershba v. Apple Computer, Inc.*, 91 Cal.App.4th 224,
10 228 (2001), disapproved on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th
11 260, 269-280 (2018). Typicality does not require that a plaintiff's claims be identical to those of
12 other class members, only that their claims and the defenses applicable to them are sufficiently
13 similar to those of other class members that a named plaintiff is able to adequately represent the
14 class and focus on common issues. *Medraza v. Honda of North Hollywood*, 166 Cal.App.4th 89,
15 99 (2008).

16 Plaintiff has alleged that he and Class Members were employed by the same Defendant and
17 injured by Defendant's common wage and hour policies and practices, including Defendant's
18 scheduling, timekeeping, pay, meal period, rest period, reimbursement, and employment records
19 production policies. *See* Yslas Decl. at ¶ 10. Through informal discovery, including the production
20 of data and documents by Defendant, Plaintiff confirmed that these challenged policies and
21 practices applied to Plaintiff and other Class Members alike. *See id.* at ¶ 11. Therefore, Plaintiff's
22 claims and Class Members' claims arise from the same challenged employment policies and
23 practices and are based on the same legal theories.

24 **c. Plaintiff and Plaintiff's Counsel Will Adequately Represent the**
25 **Class**

26 Certification requires adequacy of both the proposed class representative and of the
27 proposed class counsel. Cal. Code Civ. Proc. § 382. "Only a conflict that goes to the very subject
28 matter of the litigation will defeat a party's claim of representative status." *Richmond v. Dart*

1 *Industries*, 29 Cal.3d 462, 470 (1981). Only conflicts that are “irreconcilable” can defeat adequacy.
2 *Nat’l Solar Equip. Owners’ Ass’n v. Grumman Corp.*, 235 Cal.App.3d 1273, 1286 (1991). The
3 proposed representative Plaintiff and proposed Class Counsel present no such conflict.

4 Plaintiff’s interests are coextensive with Class Members’ interests. Declaration Darrin
5 Crawford in Support of Plaintiff’s Motion for Preliminary Approval of Class Action and PAGA
6 Settlement (“Crawford Decl.”) at ¶ 6. Plaintiff has demonstrated an ability to advocate for the
7 interests of Class Members by initiating this lawsuit, providing information to his attorneys, being
8 available on the day of mediation to answer questions, assisting his attorneys in preparation for
9 mediation, and reviewing the proposed Settlement. *Id.* at ¶ 7.

10 Likewise, Wilshire Law Firm, PLC has expended considerable time and effort on this case
11 and will continue to do so through final approval. *See generally*, Yslas Decl. Therefore, Plaintiff
12 should be appointed Class Representative, and his counsel should be appointed Class Counsel.

13 **3. A Class Action is Superior to a Multitude of Individual Lawsuits**

14 Courts have held that class treatment of wage and hour claims is clearly “superior to the
15 other available methods for the fair and efficient adjudication of the controversy.” *Dean Witter*
16 *Reynolds, Inc. v. Superior Court*, 211 Cal.App.3d 758, 772-773 (1989). This is so because “[p]ublic
17 policy has long favored the ‘full and prompt payment of wages due an employee.’” *Sav-On Drug*
18 *Stores, Inc. v. Superior Court*, 34 Cal.4th 319, 340 (2004). Here, a class action is superior to a
19 multitude of individual lawsuits. Given the size and amount of each Class Members’ claim, Class
20 Members have little incentive to litigate their claims on an individual basis because the out-of-
21 pocket expenses and personal commitment necessary to litigate each claim likely outweigh any
22 potential recovery. Yslas Decl. at ¶ 9. Therefore, a class action is the superior method for seeking
23 relief.

24 **B. The Settlement Meets the Standards for Preliminary Approval**

25 The moving party must demonstrate that “the settlement is fair, adequate and reasonable.”
26 *Kullar v. Foot Locker Retail, Inc.*, 168 Cal.App.4th 116, 126 (2008). “In determining whether a
27 class settlement is fair, adequate, and reasonable, the trial court should consider relevant factors,
28 such as the strength of plaintiffs’ case, the risk, expense, complexity and likely duration of further

1 litigation, the risk of maintaining class action status through trial, the amount offered in settlement,
2 the extent of discovery completed and the stage of the proceedings, the experience and views of
3 counsel, the presence of a governmental participant, and the reaction of the class members to the
4 proposed settlement.” *Wershba*, 91 Cal.App.4th at 244-245 (internal quotations and citations
5 omitted).

6 **1. The Settlement is Entitled to a Presumption of Fairness**

7 A settlement is entitled to “a presumption of fairness . . . where : (1) the settlement is
8 reached through arm’s length bargaining; (2) investigation and discovery are sufficient to allow
9 counsel and the court to act intelligently; (3) counsel is experienced in similar litigation; and (4)
10 the percentage of objectors is small.” *Dunk v. Ford Motor Co.*, 48 Cal.App.4th 1794, 1801 (1996).
11 The Settlement here satisfies the first three factors. Plaintiff will analyze the fourth factor at final
12 approval after Class Members have been notified of the Settlement and provided with an
13 opportunity to object.

14 **a. The Settlement is the Result of Arm’s Length Negotiation**

15 Courts have recognized that the involvement of a respected mediator provides a high degree
16 of assurance that the settlement is the result of arm’s length bargaining. *See Chavez v. Netflix, Inc.*,
17 162 Cal.App.4th 43, 52-53 (2008). The Settlement in this matter was the product of a full-day
18 mediation session with a respected mediator. Yslas Decl. at ¶ 5. The negotiations were adversarial,
19 conducted at arm’s length, and tempered by the efforts of both sides to serve the interests of their
20 clients. *Id.*

21 **b. Sufficient Investigation and Discovery Have Been Conducted**

22 Prior to attending mediation, Plaintiff’s Counsel thoroughly investigated the claims,
23 applicable law, and potential defenses. Yslas Decl. at ¶ 8. Plaintiff’s Counsel assessed the value to
24 the claims using the data and documents Defendant produced in informal discovery, including the
25 number of Class Members and Workweeks during the Class Period, the number of Aggrieved
26 Employees and PAGA Periods during the PAGA Period, the average rate of pay for Class
27 Members, all documents concerning Plaintiff, Defendant’s wage and hour policy documents,
28 Defendant’s handbooks, and timekeeping and payroll records for Class Members. *Id.*

1 **c. Plaintiff's Counsel is Experienced in Similar Litigation**

2 Plaintiff is represented by Wilshire Law Firm. *Id.* at ¶ 1. Plaintiff's Counsel has extensive
3 experience litigating wage and hour class actions on behalf of employees. *See id.* at ¶¶ 21-33.
4 Plaintiff's Counsel has been involved as counsel in numerous class actions that have resulted in
5 millions of dollars in recovery. *See id.*

6 **2. The Settlement is Reasonable Given the Strengths of Plaintiff's**
7 **Claims and the Risks and Expense of Further Litigation**

8 A settlement does not have to provide 100% of the damages sought to be considered fair
9 and reasonable. *See Rebney v. Wells Fargo Bank*, 220 Cal.App.3d 1117, 1139 (1991). Although
10 the exposure Plaintiff's Counsel calculated is substantial, the various risks at succeeding at class
11 certification and through trial affected the valuation of the claims for settlement purposes. Yslas
12 Decl. at ¶¶ 8-19.

13 Minimum and Overtime Wages: Plaintiff's unpaid minimum and overtime wage claims
14 were based on the allegation that Defendant required Class Members to routinely perform work
15 duties off the clock. Yslas Decl. at ¶ 12. For example, Plaintiff alleges that Defendant required him
16 and other Class Members were required to perform work while off the clock during meal periods
17 and outside their scheduled shifts for mandatory on-call time, all without compensation. *Id.* Based
18 on these allegations, Plaintiff's Counsel conservatively estimated that Class Members worked one
19 (1) hour off the clock per week as overtime in calculating potential exposure to be approximately
20 \$166,350.38 for these claims (6,429 workweeks x \$17.25 hourly rate x 1.5 overtime rate of pay x
21 1.00 hour of unpaid work per workweek). *Id.* Because this claim would have relied heavily on
22 Class Member testimony and would not be evidenced in Defendant's time and payroll records, the
23 risk of succeeding at class certification was substantial. *Id.* Accordingly, Plaintiff's Counsel
24 applied a risk discount based on a 40% chance of succeeding at class certification and a 40% chance
25 of succeeding at trial on the merits, yielding a realistic damage estimate of approximately
26 \$26,616.06 (\$166,350.38 x 40% x 40%). *Id.*

27 Meal Periods: Plaintiff's meal period claim was based on the allegation that Defendant
28 failed to provide Class Members with legally compliant meal periods or pay meal period premiums

1 in lieu thereof. Yslas Decl. at ¶ 13. For example, Plaintiff alleges that Defendant routinely required
2 him and other Class Members to work through their recorded meal periods. *Id.* Based on these
3 allegations, Plaintiff's Counsel applied a 100% violation rate to all shifts greater than five (5)
4 hours. *Id.* Therefore, potential liability for the meal period claims is approximately \$554,501.25
5 (approximately 32,145 shifts greater than 5.00 hours x \$17.25 hourly rate x 100% violation rate).
6 *Id.* However, Defendant argued that Class Members were covered by standing meal period waivers.
7 *Id.* Accordingly, Plaintiff's Counsel applied a risk discount based on a 50% chance of succeeding
8 at class certification and a 40% chance of succeeding at trial on the merits, yielding a realistic
9 damage estimate of approximately \$110,900.25 (\$554,501.25 x 50% x 40%). *Id.*

10 Rest Periods: Plaintiff's rest period claim was based on the allegation that Defendant failed
11 to provide Class Members with legally compliant rest periods or pay rest period premiums in lieu
12 thereof. Yslas Decl. at ¶ 14. For example, Plaintiff alleges that Defendant failed to provide him
13 and the other Class Members with any rest periods. *Id.* Based on these allegations, Plaintiff's
14 Counsel applied a 100% violation rate to all shifts of 3.5 hours or longer. *Id.* Therefore, potential
15 liability for the rest period claims is approximately \$554,501.25 (approximately 32,145 of 3.5
16 hours or longer x \$17.25 hourly rate x 100% violation rate). *Id.* However, Plaintiff's Counsel
17 discounted this figure to account for the difficulty of certifying and proving rest period claims,
18 particularly because rest periods do not have to be recorded, and to account for the possibility of
19 Class Members voluntarily choosing to forego a rest period. *Id.* Because this claim would have
20 relied exclusively on Class Member testimony, Plaintiff's Counsel discounted this claim based on
21 a 30% chance of succeeding at class certification and a 20% chance of succeeding at trial, yielding
22 a realistic damage estimate of approximately \$33,270.08 (\$554,501.25 x 30% x 20%). *Id.*

23 Reimbursements: Plaintiff's reimbursement claim was based on the allegation that
24 Defendant failed to indemnify Class Members for expenses incurred as a direct result of performing
25 their job duties for Defendant. Yslas Decl. at ¶ 15. For example, Plaintiff alleges that Defendant
26 required him and other Class Members to use their personal cell phones to communicate for work
27 purposes and to also provide their own tools to repair vehicles. *Id.* For purposes of calculating
28 Defendant's liability based on a best-case scenario for Plaintiff and the Class, Plaintiff's Counsel

1 estimated that Defendant was liable to each class member for \$30 per month, or \$7.50 per
2 workweek, in unreimbursed expenses, for a total amount of approximately \$48,217.50 (\$7.50 x
3 6,429 workweeks). *Id.* Plaintiff's Counsel discounted this figure based on an evaluation of a 30%
4 chance of succeeding at class certification and a 30% chance of succeeding at trial to account for
5 the difficulty of certifying and proving expense reimbursement claims, yielding a realistic damage
6 estimate of approximately \$4,339.58 (\$48,217.50 x 30% x 30%). *Id.*

7 In sum, Plaintiff's Counsel estimated that Plaintiff's maximum recovery for the off-the-
8 clock claim, meal period violations, and rest period violations is approximately \$1.28 million, but
9 after factoring in the risk and uncertainty of prevailing at certification and trial, Plaintiff's Counsel
10 estimates that Plaintiff's realistic estimated recovery for the non-penalty wage claims is
11 approximately \$170,786.39. Yslas Decl. at ¶ 16.

12 Derivative Penalties: Plaintiff alleged that as a result of Defendant's failure to pay all wages
13 owed, Defendant owed waiting time penalties and wage statement penalties. Yslas Decl. at ¶ 17.
14 With respect to Plaintiff's derivative claims for statutory penalties, Plaintiff's Counsel estimated
15 that Defendant's realistic potential liability is approximately \$34,260.30. *Id.* Defendant's
16 maximum potential liability for waiting time penalties is approximately \$355,005.00 ([49
17 employees x \$17.25 hourly rate x 8.00 hours/day x 30 days] + [49 employees x \$17.25 hourly rate
18 x 4.00 hours of overtime/day x 1.5 overtime rate x 30 days) based on approximately 49 terminated
19 class members during the 3-year statute of limitations period. *Id.* Defendant's maximum potential
20 liability for inaccurate wage statements is approximately \$216,000.00 (54 employees x \$4,000.00
21 statutory maximum) based on approximately 54 class members who worked during the 1-year
22 statute of limitations period and approximately 3,210 pay periods in the statutory timeframe. *Id.* In
23 light of the foregoing, Plaintiff's Counsel believes that it would be unrealistic to expect the Court
24 to award the full \$571,005.00 in penalties given Defendant's defenses, the contested nature of
25 Plaintiff's claims, the challenges of establishing willfulness as applicable, and the discretionary
26 nature of penalties. *Id.* Considering that the underlying wage claims are realistically estimated to
27 be approximately \$170,786.39, such a disproportionate award would also raise due process
28 concerns. *Id.* As such, Plaintiff's counsel discounted these figures to account for the risk and

1 uncertainty of prevailing at trial, resulting in a realistic evaluation of approximately \$21,300.30 for
2 waiting time penalty claims ($\$355,005.00 \times 30\% \times 20\%$), and approximately \$12,960.00 for wage
3 statement penalty claims ($\$216,000.00 \times 30\% \times 20\%$), or approximately \$34,260.30 total for
4 statutory penalties. *Id.*

5 PAGA: For the PAGA claim, Plaintiff's Counsel determined that Defendant's potential
6 exposure could potentially reach \$297,500.00, assuming the initial \$100 penalty would apply for
7 each of the 2,975 pay periods in the PAGA Period. Yslas Decl. at ¶ 18. However, even assuming
8 success on the merits of each claim, PAGA gives the Court discretion to reduce penalties for a
9 variety of reasons, including where to do otherwise would result in an award that is unjust, arbitrary
10 and oppressive, or confiscatory. *Id.* As such, Plaintiff's counsel discounted this figure to account
11 for the risk and uncertainty of prevailing at trial, resulting in a realistic evaluation of approximately
12 \$29,750.00 ($\$297,500.00 \times 10\%$) for PAGA penalties. *Id.* The settlement allocates \$20,000.00 of
13 the Gross Settlement Amount to PAGA, therefore the realistic maximum damages for PAGA
14 penalties amount to approximately 149% of the PAGA allocation ($\$29,750.00 / \$20,000.00$). *Id.*

15 Using these estimated figures, Plaintiff's Counsel predicted that the realistic maximum
16 recovery for all claims, including penalties, would be approximately \$239,136.27. Yslas Decl. at
17 ¶ 19. This means that the realistic maximum recovery represents approximately 106% of the
18 \$225,015.00 gross settlement figure ($\$239,136.27 / \$225,015.00$). *Id.* Considering the risk and
19 uncertainty of prevailing at class certification and at trial, this is an excellent result for the Class.
20 *Id.* Indeed, because of the proposed Settlement, Class Members will receive timely, guaranteed
21 relief and will avoid the risk of an unfavorable judgment. *Id.*

22 The Net Settlement Amount available for class settlement payments is currently estimated
23 to be \$95,770.00 for approximately 83 Class Members. Yslas Decl. at ¶ 20. As a result, each
24 Settlement Class Member would be eligible to receive an average net benefit of approximately
25 \$1,153.86. *Id.*

26 **C. The Requested Service Payment is Reasonable**

27 Plaintiff seeks a class representative service payment of up to \$10,000.00 for accepting the
28 responsibilities of representing the interests of the Class and potential costs that were not borne by

1 any other Class Member. Settlement Agreement at § 3.2.1. A named plaintiff is eligible for
2 payment that reasonably compensates the plaintiff for undertaking and fulfilling a fiduciary duty
3 to represent absent class members. *See Cellphone Termination Fee Cases*, 186 Cal.App.4th 1380,
4 1393 (2010); *Bell v. Farmers Ins. Exch.*, 115 Cal.App.4th 715, 726 (2004).

5 Throughout this case, Plaintiff assisted counsel in providing information necessary to
6 prosecute the claims, maintained regular contact with counsel, was available on the day of
7 mediation to answer questions, and reviewed the Settlement to ensure it was fair to the Class.
8 Crawford Decl. at ¶ 7. No action would likely have been taken by Class Members individually and
9 no compensation would have been recovered for them, but for Plaintiff's services on behalf of the
10 Class. By actively pursuing this action, Plaintiff furthered the California public policy goal of
11 enforcing the State's wage and hour laws. *See Sav-On*, 34 Cal.4th at 340. The requested class
12 representative service payment is reasonable and should be preliminarily approved. Plaintiff has
13 provided a declaration regarding his work performed to date and will provide additional
14 information as requested or required by the Court at final approval.

15 **D. The Requested Attorneys' Fees and Costs Are Reasonable**

16 The purpose of an attorneys' fee award in class action litigation is to reward counsel who
17 invested in a case despite the risk of non-payment and achieved a substantial positive result for the
18 class. California courts routinely award attorneys' fees equaling one-third or more of the potential
19 value of the common fund. *See Chavez*, 162 Cal.App.4th at 66, fn. 11 ("Empirical studies show
20 that, regardless of whether the percentage method or the lodestar method is used, fee awards in
21 class actions average around one-third of the recovery.").

22 Additionally, Courts utilize "multipliers" to account for the risk of taking on cases where
23 there is no guarantee of recovery, uncertainties as to the amount that will be recovered, uncertainty
24 as to the cost of litigating the case (both in effort and expenses), and uncertainty about how much
25 time will pass before the recovery is obtained. *Ketchum v. Moses*, 24 Cal.4th 1122, 1132-33 (2001);
26 *see also Serrano v. Priest*, 20 Cal.3d 25, 48-49 (1977) (approving the adjustment of the lodestar
27 figure based on factors specific to the case to ensure fair market value for legal services provided
28 on a contingency basis). Application of that rule is particularly appropriate where the case is

1 brought to redress important rights of vulnerable persons. *Ketchum*, 24 Cal.4th at 1133.

2 Generally, “[m]ultipliers can range from 2 to 4 or even higher.” *Wershba v. Apple*
3 *Computers, Inc.*, 91 Cal.App.4th at p. 255 (2001); *see also Sutter Health Uninsured Pricing Cases*,
4 171 Cal.App.4th 495, 512 (2009) (applying a 2.52 multiplier on a cross-check in an antitrust class
5 action); *Chavez v. Netflix, Inc.*, 162 Cal.App.4th 43, 60 (2008) (applying a 2.5 multiplier on a
6 lodestar cross-check); *Vizcaino v. Microsoft Corp.*, 290 F.3d 1043, 1051 n.6 (9th Cir. 2002)
7 (“most” common fund cases apply a multiplier of 1.0-4.0); *Laffitte v. Robert Half Int’l*, 231
8 Cal.App.4th 860, 881-82 (2004) (affirming a 2.13 multiplier after finding that “2 to 4” is a
9 reasonable range for multipliers on a cross-check). *See also Bronshteyn v. State of California –*
10 *Department of Consumer Affairs*, 114 Cal.App.5th 537 (2025) (court did not abuse its discretion
11 by awarding 1.75 multiplier for fees incurred up to and including the jury verdict and a 1.25
12 enhancement for hours worked after the verdict where hourly rates for plaintiff’s five senior
13 attorneys were \$1,100.00 and \$1,000.00); *Tran v. Golden State FC LLC, et al.* (LASC Case No.
14 BC699931), Fee Order filed April 8, 2022 (approving hourly rate of \$1,300.00 for plaintiff’s 32-
15 year attorney).

16 Plaintiff seeks appointment of Wilshire Law Firm, PLC as Class Counsel. The attorneys
17 performed significant work and expended litigation costs in prosecuting this matter with no
18 guarantee of payment. Yslas Decl. at ¶ 21. Plaintiff’s Counsel seeks preliminary approval for
19 attorneys’ fees up to one third (1/3) of the Gross Settlement Amount, currently \$75,005.00, and up
20 to \$20,000.00 for reimbursement of litigation costs. Given the work performed in this matter, the
21 extensive information exchange, and the substantial recovery obtained on behalf of the Class,
22 Plaintiff’s Counsel achieved a settlement through efficient and diligent work. *See generally*, Yslas
23 Decl. At final approval, Plaintiff’s Counsel will fully brief the merits of its request for the award
24 of attorneys’ fees and litigation costs.

25 **V. CONCLUSION**

26 The Parties have negotiated a fair and reasonable settlement of the class claims in light of
27 the risks presented in this case. Plaintiff has presented the materials and information necessary to
28 demonstrate that the requirements for preliminary approval have been met, and therefore

1 respectfully requests that the Court preliminarily approve the Settlement and schedule a date for
2 the final approval hearing.

3 Respectfully submitted,

4 Dated: February 6, 2026

WILSHIRE LAW FIRM, PLC
