SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF LOS ANGELES

ELVIRA LARA, an individual; BREANNA
MORRIS, an individual, and on behalf of all
others similarly situated,

Plaintiffs,

v.

3360 MAGNOLIA AVE, INC., a California
corporation; 3360 MAGNOLIA AVE, LLC., a
California limited liability company; and DOES
1 through 10, inclusive,

Defendants.

Case No.: 24STCV05190
[Consolidated with Case No. 24STCV20040]

Assigned for all purposes to:
Hon. Carolyn B. Kuhl
Dept. 12

**NOTICE OF MOTION AND MOTION
FOR FINAL APPROVAL OF CLASS
ACTION AND PAGA SETTLEMENT**

FINAL APPROVAL HEARING

Date: January 14, 2026
Time: 10:30 a.m.
Dept: 12

1 **TO ALL INTERESTED PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that on January 14, 2026 at 10:30 a.m., or as soon thereafter
3 as the matter may be heard in Department 12 of the above-entitled Court located at 312 North
4 Spring Street, Los Angeles, CA 90012, plaintiffs Elvira Lara and Breanna Morris (“Plaintiffs”)
5 will and hereby do move this Court for an Order:

- 6 1. Granting final approval of the proposed Class Action and PAGA Settlement
7 Agreement;
- 8 2. Awarding Class Counsel attorneys’ fees in the amount of \$172,916.67 and
9 reimbursement of litigation costs in the amount of \$20,936.43;
- 10 3. Awarding Plaintiffs the Class Representatives Service Payments in the amount of
11 \$7,500.00 to each Plaintiff (\$15,000.00 total);
- 12 4. Awarding \$10,490.00 to Apex Class Action Administration (“APEX”) for its
13 settlement administration expenses; and
- 14 5. Approving allocation of \$25,000.00 as civil penalties under the Private Attorneys’
15 General Act of 2004 (“PAGA”), 75% of which (\$18,750.00) will be paid to the
16 California Labor and Workforce Development Agency, and 25% of which
17 (\$6,250.00) will be distributed to Aggrieved Employees based on the number of
18 pay periods worked during the PAGA Period.

19 This Motion is based on this Notice of Motion, Memorandum of Points and Authorities,
20 the Declaration of John G. Yslas, the Declaration of Stacey Shim, the Declaration of Elvira Lara,
21 the Declaration of Breanna Morris, and on all records and documents on file, together with such
22 oral and documentary evidence that may be presented at the hearing on this matter.

I. INTRODUCTION

Plaintiffs Elvira Lara and Breanna Morris (“Plaintiffs”) seek final approval of a non-reversionary Gross Settlement Amount of \$518,750.00. The Class Action and PAGA Settlement Agreement (“Settlement”) provides that the deductions will be made from the Gross Settlement Amount:

1. Attorneys’ fees in the amount of up to \$172,916.67;
2. Litigation costs in the amount of up to \$25,000.00;
3. Class Representatives Service Payments of up to \$7,500.00 to each Plaintiff (\$15,000.00 total);
4. Settlement administration expenses of up to \$10,490.00; and
5. Civil penalties in the amount of \$25,000.00 for claims under the Private Attorneys’ General Act of 2004 (“PAGA”), 75% of which (\$18,750.00) will be paid to the California Labor and Workforce Development Agency (“LWDA), and 25% of which (\$6,250.00) will be distributed to Aggrieved Employees based on the number of pay periods worked during the PAGA Period. *See* Settlement §§ 3.2.5, 3.2.5.1; *see also* Declaration of Stacey Shim (“Shim Decl.”), at ¶¶ 15, 17.

After all deductions are made, the Net Settlement Amount will be distributed to 581 Class Members as of the filing of this Motion for Final Approval of Class Action and PAGA Settlement (the “Motion”) (“Participating Class Members” or “Settlement Class Member”) based on the number of weeks worked during the Class Period. Shim Decl. at ¶¶ 14-16.

The proposed Settlement is a product of diligent efforts, litigation, arm’s length negotiations, and informal discovery that resulted in the best possible outcome for the Class. By resolving this matter now, Class Members will receive a guaranteed recovery without risk of nonpayment, delay, or an adverse judgment at trial.

There are no objections to the Settlement and no requests for exclusion. *Id.* at ¶¶ 11, 12. The Participating Class Members will receive an average settlement payment of \$472.30, with the highest payout reaching \$2,823.30. Shim Decl. at ¶ 16. Aggrieved Employees will receive an average settlement payment of \$23.76, with the highest payout reaching \$55.76. *Id.* at ¶ 18.

1 Plaintiff Elvira Lara’s estimated Individual Class and PAGA Payments total \$1,284.06. *Id.* at
2 ¶¶ 16, 18. Plaintiff Breanna Morris’ estimated Individual Class and PAGA Payments total
3 \$1,539.61. *Id.* In light of the Class’s favorable response, and the facts and law set forth below
4 as well as in the motion for preliminary approval, Plaintiffs respectfully request that the Court
5 now enter an Order: (1) granting final approval of the Settlement; (2) entering final judgment;
6 (3) requiring distribution of individual settlement shares to Participating Class Members; and
7 (4) approving payments for attorneys’ fees, litigation costs, the Class Representatives Service
8 Payments, Settlement Administration Expenses, and civil penalties under PAGA.

9 **II. THE SETTLEMENT MERITS FINAL APPROVAL**

10 In deciding whether to grant final approval of a class action settlement, California courts
11 consider whether the settlement is “fair, adequate, and reasonable.” *Dunk v. Ford Motor Co.*,
12 48 Cal.App.4th 1794, 1801 (1996). In evaluating whether a settlement is fair, adequate, and
13 reasonable, courts evaluate the following factors: (1) the strength of the plaintiff’s case; (2) the
14 risk, expense, complexity and duration of further litigation; (3) the risk of maintaining class
15 action status through trial; (4) the amount offered in settlement; (5) the extent of discovery
16 completed and the stage of the proceedings; (6) the experience and views of counsel; (7) the
17 presence of a governmental participant; and (8) the reaction of class members to the proposed
18 settlement. *Id.*

19 **A. A Presumption of Fairness Exists**

20 While the burden is on the proponent to demonstrate that a proposed settlement is fair,
21 adequate, and reasonable, “a presumption of fairness exists where: (1) the settlement is reached
22 through arm’s length bargaining; (2) investigation is sufficient to allow counsel and the court
23 to act intelligently; (3) counsel is experienced in similar litigation; and (4) the percentage of
24 objectors is small.” *Id.* at 1802.

25 At preliminary approval, Plaintiffs presented evidence that this Settlement is entitled to
26 a presumption of fairness because: (1) it was reached through arm’s length bargaining with the
27 assistance of an experienced mediator; (2) Plaintiffs conducted a thorough investigation through
28 informal discovery and an analysis of Class Members’ time and payroll records; and (3)

1 Plaintiffs’ Counsel is experienced in similar litigation. *See generally* Declaration of John G.
2 Yslas in Support of Motion for Preliminary Approval of Class Action and PAGA Settlement
3 (“Yslas MPA Decl.”) filed June 24, 2025. None of the Class Members have opted out and none
4 have objected. *See* Shim Decl. at ¶¶ 11, 12. Therefore, the Court can confidently conclude that
5 a presumption of fairness exists.

6 **B. The Strength of Plaintiffs’ Claims, and the Risks, Expense, Complexity, and**
7 **Likely Duration of Further Litigation as a Class Action Through Trial**

8 Courts are not required to ensure that a settlement maximizes the value of released claims
9 with mathematical precision. “[T]he test is not the maximum amount plaintiffs might have
10 obtained at trial on the complaint, but rather whether the settlement is reasonable under all of
11 the circumstances.” *Wershba v. Apple Computer, Inc.* 91 Cal.App.4th 224, 250 (2001),
12 disapproved of on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th 260,
13 269-270 (2018); *see also 7-Eleven Owners for Fair Franchising v. Southland Corp.*, 85
14 Cal.App.4th 1135, 1150 (2000) (“the merits of the underlying class claims are not a basis for
15 upsetting the settlement of a class action; the operative word is ‘settlement.’”). The relevant
16 circumstances include the strengths and weaknesses of plaintiffs’ claims and the risks they faced
17 in litigation. *7-Eleven*, 85 Cal.App.4th at 1146.

18 Here, Plaintiffs presented sufficient information at preliminary approval regarding the
19 number of class members and an estimate of the maximum value of each of the claims alleged.
20 *See* Yslas MPA Decl. at ¶¶ 9-18. Plaintiffs have also described in detail the risks the Class faced
21 in litigation and the strengths and weaknesses of each of the claims. *See id.* Plaintiffs noted
22 potential difficulties in obtaining class certification and succeeding on the merits at trial. *See*
23 *id.* The factual record here is sufficiently developed to allow the Court to independently satisfy
24 itself “that the consideration being received for the release of the class members’ claims is
25 reasonable in light of the strengths and weaknesses of the claims and the risks of the particular
26 litigation.” *Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles*, 186 Cal.App.4th 399, 410
27 (2010).

1 **C. The Amount Offered in Settlement**

2 The Settlement provides a \$518,750.00 Gross Settlement Amount (“GSA”) to be
3 distributed among the 581 Class Members who did not opt out as of the date of this filing. Shim
4 Decl. at ¶¶ 11-15. The Gross Settlement Amount will be used to pay Class Counsel’s attorneys’
5 fees and costs, Plaintiffs’ Class Representatives Service Payments, and Apex Class Action
6 Administration (“APEX”) for its administration of the Class Notice and settlement funds. *Id.* at
7 ¶ 15. The Settlement also allocates \$25,000.00 from the Gross Settlement Amount to civil
8 penalties under PAGA. *See* Settlement at ¶ 3.2.5; *see also* Shim Decl. ¶ 15. After all deductions
9 are made, the Net Settlement Amount will be \$270,406.90, which will be distributed to
10 Participating Class Members according to the number of weeks they worked for Defendant
11 during the Class Period. *See* Settlement at ¶ 3.2.4; *see also* Shim Decl. ¶¶ 15-16.

12 The Settlement Administrator has calculated a total of 25,076 workweeks in the Class
13 Period. Shim Decl. at ¶ 15. As a result, the average recovery for Participating Class Members
14 is \$472.30, and the highest payout is \$2,823.30. *Id.* at ¶ 16. Weighing the potential value of the
15 class claims against the risk and expense of trial, the Settlement provides sufficient relief in
16 light of the potential risks associated with seeking a class judgment.

17 **D. The Extent of Discovery Completed and the Stage of the Proceedings**

18 Class Counsel sufficiently investigated the alleged claims, applicable law, and potential
19 defenses. *See* Yslas MPA Decl. at ¶ 9. Specifically, Class Counsel assessed the value of the
20 claims using data and documents provided by Defendant in informal discovery, which included
21 policy documents and timekeeping and payroll records. *See id.* Following a complete analysis
22 of this information, the Parties attended mediation on December 11, 2024 with an experienced
23 mediator. *Id.* at ¶ 6. The Parties were able to reach an agreement and spent the next several
24 months negotiating the terms of the Settlement. *Id.* at ¶¶ 7, 8.

25 **E. The Experience and Views of Counsel**

26 Plaintiffs are represented by Wilshire Law Firm, PLC. Declaration of John G. Yslas in
27 Support of Motion for Final Approval of Class Action and PAGA Settlement (“Yslas MFA
28 Decl.”) at ¶ 3. Class Counsel prosecute wage and hour cases, including class and representative

actions. *Id.* at ¶¶ 4, 5. Class Counsel has litigated many wage and hour cases and have successfully resolved cases involving similar issues presented in this matter. *Id.* at ¶¶ 4-15. Class Counsel has negotiated a settlement here that they believe is fair, reasonable, and adequate based on their prior experience litigating these types of cases. *Id.* at ¶ 21.

F. The Presence of a Government Participant

The LWDA has received the required notice of this Settlement. Yslas MPA Decl. at ¶ 8. On June 11, 2024, Plaintiff Elvira Lara provided notice to the LWDA of her intention to file a PAGA claim. Yslas MPA Decl. at ¶ 4. The Settlement provides for the payment of \$25,000.00 in civil penalties, 75% of which (\$18,750.00) will be paid to the LWDA, and 25% of which (\$6,250.00) will be paid to Aggrieved Employees based on the number of pay periods worked during the PAGA Period. *See* Shim Decl. at ¶¶ 15, 17; *see also* Settlement at §§ 3.2.5, 3.2.5.1. Plaintiffs submitted a copy of the Class Action and PAGA Settlement Agreement to the LWDA. Yslas MPA Decl. at ¶ 8, Exhibit 2. The LWDA has not responded to or objected to the Settlement. Yslas MFA Decl. at ¶ 22.

G. The Reaction of Class Members to the Proposed Settlement

Class Members' reaction to the Settlement has been favorable. A court may properly infer that a class action settlement is fair, reasonable, and adequate when few class members object to or opt out of it. *Lealo v. Beneficial California, Inc.*, 82 Cal.App.4th 19, 51 (2000).

When the Court granted preliminary approval, it also approved the method of providing notice to Class Members. Following a search of the National Change of Address database, APEX mailed the Class Notice to all Class Members on October 7, 2025. Shim Decl. at ¶¶ 6, 7. The Class Notice informed Class Members of the terms of the Settlement, the amount of their individual settlements and how those amounts were calculated, their right to either participate in the Settlement, opt out of it, object to it, or dispute the amount of their individual settlement payment, the procedures and deadlines to submit an opt out, objection, or dispute, and the date, time, and place of the hearing on Plaintiffs' Motion for Final Approval and instructions to be heard at the hearing. *Id.* at ¶ 7, Exhibit A. Here, in response to the Class Notice, no Class Member opted out, and none objected as of the date of the filing of this Motion. *Id.* at ¶¶ 11, 12.

1 Class Members' favorable response to the Settlement further supports final approval.

2 **III. THE REQUESTED FEE AWARD IS REASONABLE AND SHOULD BE**
3 **APPROVED**

4 There are two primary methods of determining a reasonable attorney fee in the context
5 of class action litigation. *Laffitte v. Robert Half Int'l, Inc.*, 1 Cal.5th 480, 489 (2016). The
6 percentage-of-recovery method calculates the fee as a percentage of a common fund recovered
7 on behalf of the class. *Id.* The lodestar method calculates the fee by multiplying the number of
8 hours reasonably expended by counsel by a reasonable hourly rate, which amount then may be
9 adjusted based on other factors. *Id.* In *Laffitte*, the California Supreme Court held that trial
10 courts have the discretion to choose between the two calculation methods. *Id.* at 504. Trial courts
11 also have the discretion to blend the two fee calculation methods, using one method to "cross-
12 check" the reasonableness of the other's result, but a cross-check is not required. *Id.* 506.

13 **A. The Requested Fee Award is Fair and Reasonable Based on the Percentage-**
14 **of-Recovery Method**

15 The ultimate purpose of the percentage-of-recovery method is to "spread the attorney fee
16 among all the beneficiaries of the fund." *Id.* at 503. The California Supreme Court recognized
17 that the percentage-of-recovery method has many advantages, "including relative ease of
18 calculation, alignment of incentives between counsel and the class, a better approximation of
19 market conditions in a contingency case, and the encouragement is provides counsel to seek an
20 early settlement and avoid unnecessarily prolonging the litigation [citation] . . ." *Id.*

21 The requested fee award (33 1/3% or one-third (1/3) of the GSA) is consistent with the
22 average fee award in class actions. *See, e.g., Roos v. Honeywell Int'l, Inc.*, 241 Cal.App.4th
23 1472 (2015) (fee award of 37.5% was not an abuse of discretion), disapproved of on other
24 grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th 260, 287 (2018); *Wren v. RGIS*
25 *Inventory Specialists*, No. C-06-05778 JCS, 2011 WL 1230826, at *29 (N.D. Cal. Apr. 1, 2011)
26 (approving fee award of 42%); *Singer v. Becton Dickinson and Co.*, No. 08-CV-821-IEG, 2010
27 WL 2196104, at *8 (S.D. Cal. June 1, 2010) (approving fee award of one-third and noting that
28 the typical fees awarded in wage and hour class action cases ranges from 33.33% to 40%).

1 Therefore, the percentage-of-recovery method should be utilized to approve the requested fee.

2 **B. A Lodestar Cross-Check Confirms the Reasonableness of the Requested Fee**

3 Although *Laffitte* makes clear that a lodestar cross-check is not required, Class Counsel's
4 lodestar supports the reasonableness of the requested fee. The lodestar is determined by
5 multiplying the number of hours reasonably expended by the reasonable hourly rate. *PLCM*
6 *Group, Inc. v. Drexler*, 22 Cal.4th 1084, 1095 (2000). The lodestar figure may then be adjusted,
7 based on consideration of factors specific to the case, in order to fix the fee at the fair market
8 value for the legal services provided." *Id.* The factors that can be considered include "the nature
9 of the litigation, its difficulty, the amount involved, the skill required in its handling, the skill
10 employed, the attention given, the success or failure, and other circumstances in the case."
11 *Melnyk v. Robledo*, 64 Cal.App.3d 618, 623-624 (1976) (citations omitted).

12 Class Counsel's hourly rates are comparable to those charged by other class action
13 counsel. Yslas MFA Decl. at ¶ 16. The total hours expended on this action were reasonable and
14 in line with comparable cases. *Id.* Class Counsel spent a total of 235.2 hours in prosecuting this
15 action, which were divided among the attorneys working on this case according to skill level.
16 Yslas MFA Decl. at ¶¶ 17-19. The hours expended by each attorney were reasonable and not
17 duplicative and reflect the extensive investigation and analysis that was required to achieve this
18 Settlement. *Id.*

19 Multiplying the total hours expenses by Class Counsel by their reasonable hourly rates
20 yields a lodestar of \$224,920.00. Yslas MFA Decl. at ¶ 18. This amount surpasses the requested
21 fee award of \$172,916.67, resulting in a negative multiplier. Yslas MFA Decl. at ¶¶ 18, 19.
22 Accordingly, Class Counsel respectfully requests the Court approve their \$172,916.67 fee
23 request.

24 **IV. THE REQUESTED COST AWARD IS REASONABLE AND SHOULD BE**
25 **APPROVED**

26 The Settlement permits Class Counsel to seek reimbursement of litigation costs in an
27 amount up to \$25,000.00. The actual costs incurred are \$20,936.43, as such Class Counsel is
28 seeking reimbursement of \$20,936.43. *Id.* at ¶ 20, Exhibit 1. Since Class Counsel's costs do not

1 exceed the maximum of \$25,000.00, the remaining \$4,063.57 will revert to the Net Settlement
2 Amount. *Id.* These costs were reasonable and necessary to prosecute this case and obtain the
3 results achieved. *Id.*

4 **V. THE REQUESTED CLASS REPRESENTATIVES SERVICE PAYMENTS ARE**
5 **REASONABLE AND SHOULD BE APPROVED**

6 Plaintiffs also request that they be awarded service payments of \$7,500.00 each for their
7 role in obtaining the Settlement. In evaluating a service payment, the Court may consider: “(1)
8 the risk, both financial and otherwise, the class representative faced in bringing the suit; (2) the
9 notoriety and personal difficulties encountered by the class representative; (3) the amount of
10 time and effort spent by the class representative; (4) the duration of the litigation; and (5) the
11 personal benefit received by the class representative as a result of the litigation.” *Golba v. Dick’s*
12 *Sporting Goods, Inc.*, 238 Cal.App.4th 1251, 1272 (2015); *Clark v. American Residential*
13 *Services, LLC*, 175 Cal.App.4th 785, 804 (2009).

14 Here, Plaintiffs provided a declaration in support of Plaintiffs’ Motion for Preliminary
15 Approval of Class Action and PAGA Settlement and a declaration in support of Plaintiffs’
16 Motion for Final Approval of Class Action and PAGA Settlement detailing the risk they faced
17 in bringing the suit, the notoriety and personal difficulties they encountered, the amount of time
18 and effort they spent on this litigation, the duration of this litigation, and the personal benefit
19 they will receive as a result of the litigation. *See generally* Declaration of Elvira Lara in Support
20 of Motion for Preliminary Approval of Class Action and PAGA Settlement filed on June 24,
21 2025 and Declaration of Plaintiff Elvira Lara in Support of Motion for Final Approval of Class
22 Action and PAGA Settlement filed concurrently herewith; *see also* Declaration of Breanna
23 Morris in Support of Motion for Preliminary Approval of Class Action and PAGA Settlement
24 filed on June 24, 2025 and Declaration of Plaintiff Breanna Morris in Support of Motion for
25 Final Approval of Class Action and PAGA Settlement filed concurrently herewith. Plaintiffs
26 should be adequately compensated for their role in obtaining this Settlement.

27 Additionally, no Class Members objected to the amount of additional compensation
28 sought by Plaintiffs. As such, the award is reasonable in light of the substantial benefits

1 Plaintiffs conferred upon the settlement class.

2 **VI. THE SETTLEMENT ADMINISTRATION COSTS ARE REASONABLE AND**
3 **SHOULD BE APPROVED**

4 The Parties agreed to hire APEX as the Settlement Administrator in this case and the
5 Court approved this choice at preliminary approval. The Settlement Administrator was
6 responsible for updating Class Members' mailing addresses, mailing the Class Notice to each
7 Class Member, responding to Class Member questions, providing weekly status reports, and
8 providing a declaration as to the results of the mailing. *See* Shim Decl. at ¶ 3. Following final
9 approval, APEX's duties will continue in order to calculate and to mail the settlement payments
10 to Class Members, disburse other payments as ordered by the Court, and perform such other
11 duties described in the Settlement. *Id.* The requested amount of \$10,490.00 for services rendered
12 and to be rendered is therefore fair and reasonable.

13 **VII. CONCLUSION**

14 Based on the foregoing, Class Counsel respectfully requests that the Court grant final
15 approval of the Class Action and PAGA Settlement, approve Class Counsel attorneys' fees in
16 the amount of \$172,916.67 and reimbursement of litigation costs in the amount of \$20,936.43,
17 the Class Representatives Service Payments in the amount of \$7,500.00 to each Plaintiff
18 (\$15,000.00 total), civil penalties under PAGA in the amount of \$25,000.00, and \$10,490.00 to
19 APEX for its settlement administration expenses.
