I, Melissa Clack, declare as follows:

2. I am one of the named Plaintiffs and proposed Class Representatives in the above-captioned action (the “Action”). In this declaration I set forth a summary of my efforts and participation in the Action, my common experience with the other class members, and my understanding of my responsibilities and duties as a class representative for the other class members.

4. I believe that I had a similar experience with Defendant compared to the other Class Members because we were all subjected to the same policies and practices.

6. I have taken my responsibility as a Class Representative seriously and will continue to do so. I have learned about the laws relating to the issues in this Action, including laws about minimum wages, overtime, meal breaks and rest breaks.

7. I know of no conflicts between my interests and goals and the interests and goals of anyone else in the Class.

I declare under penalty of perjury under the laws of the United States and the State of California that the foregoing is true and correct. Executed on October 27, 2025, in Shasta County, California.
