2 I, DAVID MARA, declare as follows:

- 3 1. I am President of Mara Law Firm, PC, and counsel of record for the Plaintiff and the putative
4 class in this matter. I am duly admitted to practice before all the courts of the state of
5 California. The following facts are within my personal knowledge and, if called to testify, I
6 could and would competently testify thereto.
- 7 2. I graduated from California Western School of Law and was admitted to practice law in
8 California in May 2004.
- 9 3. I extensively handle employment cases which involve violations of the California Labor Code
10 and Industrial Welfare Commission Wage Orders, such as wage and hour class actions and
11 cases alleging violations of the Private Attorneys General Act of 2004 ("PAGA"). I have
12 litigated over three hundred and fifty (350) class action and PAGA lawsuits over the course of
13 approximately 20 years.
- 14 4. I was co-class counsel in *Hohnbaum v. Brinker Restaurant Corp.* (San Diego County
15 Superior Court, Case No. GIC834348) which was the underlying case in the California
16 Supreme Court's landmark decision in *Brinker Restaurant Corp. v. Superior Court* (2012)
17 53 Cal.4th 1004, in which the California Supreme Court delineated the scope of employer
18 obligations to provide, and employee rights to receive, meal and rest periods under California
19 law.
- 20 5. I am frequently called upon to author Amicus Curiae briefs on behalf of Consumer Attorneys
21 of California ("CAOC"). For example, I authored the Amicus Curiae briefs on behalf of
22 CAOC in *Augustus v. ABM Security Services, Inc.* (2016) 2 Cal.5th 257, (The California
23 Supreme Court ruling that, like meal periods, employers must relieve employees of all duty
24 and relinquish all control to satisfactorily discharge its obligation to authorize and permit rest
25 periods.); *Frlekin v. Apple, Inc.* (2020) 8 Cal.5th 1038 (The California Supreme Court ruling
26 that the time spent on the employer's premises waiting for, and undergoing, required exit
27 searches of packages, bags, or personal technology devices voluntarily brought to work is
28

1 compensable hours worked within the meaning of the Wage Orders.); *Oliver v. Superior*
2 *Court* (2021) California Court of Appeal Case No. H049185 (A brief asking the California
3 Court of Appeal for the Sixth Appellate District to determine whether mandatory drive time
4 of personal vehicles should be considered hours worked within the meaning of the Wage
5 Orders’ suffered or permitted test.). *Davidson v. O’Reilly Auto Enterprises, LLC* (9th Cir.,
6 2020; Docket No. 18-56188)(a brief seeking Review *En Banc* of an order denying class
7 certification in a wage and hour matter).

8 6. I am also a member of CAOC’s Amicus Committee that determines the cases in which the
9 organization will agree to provide amicus support.

10 7. I have also lectured as a panelist for California Employment Lawyers Association regarding
11 a host of wage and hour issues.

12 8. My firm has been named as class counsel in a number of wage and hour class actions in
13 which the Court granted the plaintiff’s motion for class certification. For example, my firm
14 has been named class counsel in: *Mario Norona v. B&G Delivery System, Inc.* (Sacramento
15 County Superior Court, Case No. 34-2015-00186826-CU-OE-GDS); *Jerald Schroeder v.*
16 *YRC, Inc.; et al.* (Central District of California, Case No. 12-cv-01374-TJH); *John Martin v.*
17 *Sysco Corporation, et al.* (Eastern District of California, Case No. 1:16-cv-00990-DAD-
18 SAB); *William Smith v. Werner Enterprises, Inc. d/b/a C.L. Werner, Inc.* (District of
19 Nebraska, Case No. 8:15-cv-287); *Thomas Perez v. City of San Diego* (San Diego County
20 Superior Court, Case No. 37-2014-00016621-CU-OE-CTL); *Eric Mendez v. M&N*

26 Court, Case No. 37-2019-00063361-CU-OE-CTL); *Ashton Harden v. Mushiana Transport*

2 BC660723); and *Ribaldo Olvera, et al. v. American Corporate Security, Inc.* (Los Angeles
3 County Superior Court, Case No. 21STCV16417).

- 4 9. I have also been named as class counsel in numerous cases during the settlement process.
5 Here is a non-exhaustive list of cases where I have been named as class counsel in cases
6 during the settlement process: *Kenneth Cox v. 3PL Worx, et al.* (Yolo County Superior Court,
7 Case No. CV-18-100); *Brian Davidson v. A&B Trucking Services, Inc.* (Kern County

10. Plaintiff submitted his Notice of Labor Code Violations to the LWDA on August 28, 2024. On September 5, 2024, Plaintiff filed this class action complaint, alleging various wage and hour violations on behalf of similarly situated drivers for Defendant including: (1) failure to pay all straight time wages; (2) knowing and intentional failure to comply with itemized wage statements; (3) failure to pay all wages due at termination; (4) failure to reimburse business expenses; and (5) violation of unfair competition law. On or around November 4, 2025, Plaintiff filed a First Amended Complaint in this matter to adding a cause of action under PAGA for the aforementioned wage and hour violations.
11. The Parties conducted significant investigation and discovery of the facts and law. Through informal discovery, Defendant produced relevant policy documents that covered drivers' employment with Defendant, such as driver handbooks and Defendant's wage and hour policies. Defendant also produced a sampling of time and wage records for Class Members. Plaintiff also requested, and Defendant produced, employee data points, such as the number of Class Members and the number of workweeks worked by Class Members during the relevant time period, to establish a potential exposure model in preparation for mediation. From this discovery and data, Plaintiff and his Counsel were able to analyze Defendant's liability and prepare a realistic damage model.
12. The Parties attended an all-day mediation with respected mediator Doug Leach on February

1 19, 2025. Though the matter did not settle at that time, the Parties agreed to schedule a second
2 mediation with Mr. Leach on June 25, 2025 to permit Defendant time to gather additional
3 documents and data for the Parties to evaluate. The arms-length settlement discussion at this
4 second mediation ultimately resulted in settlement. The Parties then met and conferred over
5 all the terms of the settlement and finalized their settlement in the Parties' Agreement. The
6 Parties seek preliminary approval of the Agreement in the instant motion.

7 13. Plaintiff contends that Defendant consistently and systematically failed to pay Plaintiff and
8 Class Members for all "hours worked," as that phrase is defined in the Wage Order and
9 interpreted by California courts. Hours worked is defined in Wage Order 9-2001 as "the time
10 during which an employee is subject to the control of an employer, and includes all the time
11 the employee is suffered or permitted to work, whether or not required to do so." Wage Order
12 9-2001, Subd. 2(H); *see also Mendiola v. CPS Security Solutions, Inc.* (2015) 60 Cal.4th 833.
13 In *Mendiola*, the California Supreme Court reiterated that an employee's standby time may
14 require compensation. *Id.* at 833.

15 14. Following *Mendiola*, Plaintiff contends that he and other drivers are not paid for all time they
16 work and are subject to Defendant's control because they must frequently wait for their
17 assigned truck to arrive due to delays, but that they are not paid for this time. The drivers
18 operate Defendant's fleet trucks around the clock, where one set of drivers will drive the fleet
19 for the first half of the day, and another set of drivers operating that same fleet the second
20 half of the day. However, Plaintiff contends, that he and other drivers are routinely forced to
21 endure significant delays and must wait long periods of time before their assigned truck
22 arrives, without pay. Many times drivers learn of the delay when they arrive at the terminal
23 and have to wait it out there until the truck arrives. Even when drivers are notified before
24 they arrive at the terminal when they are nonetheless instructed to be ready to go whenever
25 they get a call from dispatch to come to the terminal. In either of the scenarios, drivers are
26 engaged by the company to wait for the trucks to come in. They are not free to use this time
27 effectively for their own purposes, as they must be ready to be at the terminal when their
28

1 truck arrives and continually check back with dispatch to obtain updated ETAs.

2 15. Defendant wholly disputes this and claims that it does pay drivers for all time worked.
3 Defendant contends, drivers are in no way subject to Defendant's control if a truck is delayed.
4 Defendant asserts that drivers are not expected to perform any work during this time, that
5 they are not required to be on site, and that they are entirely free to do whatever they want
6 prior to the assigned truck arriving. Moreover, Defendant argues that it can provide
7 declarations from individual drivers verifying that they were not subject to Defendant's
8 control during this time and that whatever they did during this time was entirely up to them.
9 Further Defendant argues that this issue is highly individualized and varies significantly
10 amongst Class Members. Defendant asserts that, amongst other things, the Court would have
11 to ask each driver for each individual shift whether there was any delay, how long the delay
12 was for (if any), when they were notified of the potential delay, and whether they were
13 subject to the control of Defendant during this alleged waiting period or whether they were
14 free to do whatever they pleased. Defendant contends that these individualized issues would
15 undeniably predominate any trial and render it unmanageable. Therefore, Defendant
16 maintains that Plaintiff's unpaid wages claim could be defeated both at class certification
17 and on the merits.

18 16. Plaintiff claims that Defendant fails to reimburse employees for business expenses. Under
19 Labor Code section 2802, the employer must "indemnify its employees for expenses they
20 necessarily incur in the discharge of their duties[.]" The California Supreme Court in *Gattuso*
21 *v. Harte-Hanks Shoppers, Inc.*, makes clear that the goal of section 2802 is "to prevent
22 employers from passing on their operating expenses to their employees." *Gattuso v. Harte-*
23 *Hanks Shoppers, Inc.* (2007) 42 Cal. 4th 554, 569-71. Plaintiff argues that Defendant requires
24 drivers to use their personal cell phones for business purposes. Plaintiff contends that
25 Defendant requires drivers to remain in constant contact throughout the workday through the
26 drivers' personal cell phones in order to provide updates about things such as driver location
27 and delivery status. Despite this, Defendant fails to reimburse employees for the costs
28

- 1 associated with the use of their cell phones.
- 2 17. Defendant contends that it has never required employees to use their personal cell phone for
- 3 business purposes. Defendant further contends if drivers decided to use their personal cell
- 4 phones for business purposes, it was solely that driver's choice and not the result of any
- 5 purported mandate by Defendant.
- 6 18. Plaintiff alleges Class Members are not provided with accurate itemized wage statements in
- 7 violation of California Labor Code § 226. This claim is derivative of Plaintiff's unpaid wages
- 8 claims. Should Plaintiff's unpaid wages fail, these claims would also fail.
- 9 19. Defendant disputes this. Defendant claims that it properly totaled the hours worked on wage
- 10 statements. As such, Defendant contends its wage statements were lawful. Further,
- 11 Defendant also asserts that any violation of California Labor Code § 226 was not "knowing
- 12 and intentional." *See* Cal. Lab. Code § 226(e); *Amaral v. Cintas Corp. No. 2* (2008) 163
- 13 Cal.App.4th 1157, 1195; *Naranjo v. Spectrum Security Services, Inc.* (2024) 15 Cal.5th
- 14 1056, 1065. Defendant maintains that it reasonably and in good faith believes that it was
- 15 providing a complete and accurate wage statement in compliance with California law.
- 16 Defendant further contends that drivers cannot show that they have suffered an injury
- 17 because of any potential violation of California Labor Code § 226. Defendant contends that
- 18 drivers knew to talk to their supervisor if they had any questions or concerns with their wage
- 19 statements. As such, disputes exist as to whether Defendant's wage statements violated
- 20 California Labor Code § 226(a), whether any such violation was knowing and intentional,
- 21 and whether employees suffered an injury. Defendant also relies on the case *Maldonado v.*
- 22 *Epsilon Plastics, Inc.* (2018) 22 Cal.App.5th 1308, for the position that employees do not
- 23 suffer injury under California Labor Code § 226(a) so long as the wage statements correctly
- 24 reflected the hours worked and the pay received even if the pay is later determined to be
- 25 inaccurate.
- 26 20. Plaintiff also contends that Defendant failed to pay employees their final wages within the
- 27 timeframes outlined by California law pursuant to Labor Code § 203. This claim is derivative
- 28

1 of Plaintiff's unpaid wages claims. Should Plaintiff's unpaid wages claims fail, these claims
2 would also fail.

3 21. In addition, Defendant contends that even if Plaintiff were successful in his unpaid wages,
4 claims, he would have to prove Defendant "willfully" failed to pay drivers the appropriate
5 wages due upon separation of employment. "A willful failure to pay wages within the
6 meaning of Labor Code § 203 occurs when an employer intentionally fails to pay wages to
7 an employee when those wages are due. However, a good faith dispute that any wages are
8 due will preclude imposition of waiting time penalties under Section 203." Cal. Code Regs.
9 Tit. 8 § 13520. "A 'good faith dispute' that any wages are due occurs when an employer
10 presents a defense, based in law or fact, which would preclude any recovery on the part of
11 the employee. The fact that a defense is ultimately unsuccessful will not preclude a finding
12 that a good faith dispute did exist." *Id.* Defendant contends that any failure to pay wages due
13 at the separation of employment was not willful. Defendant argues that it would not be liable
14 for waiting time penalties because a "good faith dispute" exists over the payment of those
15 wages. *See* Cal. Code Regs. Tit. 8 § 13520; *Amaral v. Cintas Corp. No. 2* (2008) 163
16 Cal.App.4th 1157, 1201.

17 22. Plaintiff alleges that Defendant fails to pay drivers for the time they are forced to wait for
18 their assigned trucks when there are delays. Drivers are only able to clock-in through a device
19 inside their assigned truck, so when there is a delay they have no choice but to wait. During
20 this time, Plaintiff contends that they are subject to Defendant's control during these waiting
21 periods as they are not able to effectively use the time for their own purposes and have to be
22 ready to be at the terminal whenever dispatch calls them. Through the discovery conducted
23 prior to mediation, Plaintiff estimated that drivers averaged 1.5 hours of wait time a day.
24 Thus, the potential exposure for unpaid wages would be \$1,135,143 (23,285 shifts x \$32.50
25 average hourly rate x 1.5 hours = \$1,135,143).

26 23. Defendant contends these amounts are zero because it lawfully pays drivers for all hours
27 worked. Defendant argues employees are not subject to Defendant's control before the truck
28

1 arrives at the terminal. Defendant contends that drivers are not expected to perform any work
2 duties prior to the truck arriving and that they are free use this supposed waiting time however
3 they choose. Accordingly, Defendant claims Plaintiff should take nothing on these claims
4 and, if the factfinder agreed, Plaintiff would take nothing. Although remaining confident in
5 his position, Plaintiff had no way of knowing how the factfinder would rule on this issue,
6 and a substantial discount had to be given to make settlement possible.

7 24. Plaintiff also alleges that Defendant fails to reimburse drivers for personal cell phone usage,
8 even though they are expected to remain in constant contact with Defendant about when they
9 arrive at any location, when they finish deliveries, and about any other status update. If
10 Plaintiff were to prevail on his reimbursement cause of action, Class Members would be
11 entitled to reimbursement for a reasonable percentage of their costs associated with their
12 personal cell phones. Therefore, the *maximum potential exposure* under this theory of
13 liability would be \$105,840 (approximately 19.6 months during the relevant time period x
14 \$100, or 50% of an \$200 monthly phone bill, x 54 current employees = \$105,840).

15 25. However, Defendant contends these amounts are zero because it never required employees
16 to use their personal cell phone for business purposes. Further, if drivers decided to use their
17 personal cell phones for business purposes, it was solely that driver's choice and not the
18 result of any purported mandate by Defendant. Thus, Defendant asserts Plaintiff and Class
19 Members would not be entitled to any recovery.

20 26. Plaintiff alleges that Defendant failed to provide accurate itemized wage statements which is
21 derivative of Plaintiff's unpaid wages claim. The statute of limitations for Plaintiff's wage
22 statement claim is one year. If Plaintiff were to prevail on this claim, the *maximum potential*
23 *exposure* would be \$216,00. (\$4000 maximum penalty x 54 current drivers = \$216,000).

24 27. However, if Plaintiff's underlying unpaid wages claim failed, this claim would also fail.
25 Moreover, Defendant also asserts that any violation of California Labor Code § 226 was not
26 "knowing and intentional" and that drivers cannot show that they have suffered an injury as
27 a result of any potential violation. Thus, Plaintiff had to take Defendant's arguments into
28

1 consideration in evaluating this claim.

2 28. Similarly, if Plaintiff prevailed on his unpaid wages claims he and the Class Members may
3 be entitled to waiting time penalties for failure to pay all wages due at termination. Plaintiff
4 calculates the potential maximum exposure for his waiting time penalties cause of action as
5 \$748,800 (64 former drivers x 30 days x 12 hours x \$32.50 average hourly rate = \$748,800).

6 29. But again, if Plaintiff's underlying unpaid wages claim failed, so would this claim. There is
7 also a possibility that the factfinder could find these violations are not willful. If this were to
8 occur, Plaintiff and the Class would receive nothing under these claims. In addition, a good
9 faith dispute that any wages are due will preclude any imposition of waiting time penalties.
10 Defendant argues that Plaintiff will not be able to show that any violations were willful.
11 Defendant also contends that there is a good faith dispute about whether any wages are due.

12 30. Plaintiff also seeks PAGA penalties for the failure to pay all time worked, failure to
13 reimburse business expenses, and failure to provide accurate wage statements. PAGA allows
14 the private enforcement of certain California Labor Code sections relating to wage and hour
15 violations. The statute of limitations for PAGA violations go back one year. The potential
16 damages under PAGA for Plaintiff's core claims is thus \$1,354,500 (\$100 x 3 PAGA
17 violations x 4,515 pay periods = \$1,354,500).

18 31. Defendant contends that Plaintiff would not be allowed to "stack" PAGA penalties. If the
19 Court were to agree with this and only award one PAGA penalty per pay period, Defendant's
20 exposure would be \$451,500.

21 32. Further, as Plaintiff's PAGA claims are based on the same alleged unlawful conduct as his
22 class claims, Plaintiff's PAGA claims are subject to the same risks on the merits as Plaintiff's
23 class claims. In addition, the Court may reduce any PAGA penalties awarded under Section
24 2699, subdivision (e)(2). The likelihood of the Court reducing the PAGA penalties awarded
25 to Plaintiff and the PAGA Class Members – assuming liability is proven as to each of
26 Plaintiff's claims – is higher in this case where these same individuals may also be receiving
27 money for the same unlawful conduct under the class claims. As such, the Court may reduce
28

any PAGA penalty amount awarded to Plaintiff and the PAGA Members.

33. Thus, not taking into account any of Defendant's defenses or arguments, Plaintiff estimated that if he were successful in his core claims, Defendant's total exposure would be approximately \$1,240,983 [\$1,135,143 (unpaid time) + \$105,840 (reimbursements) = \$1,240,983]. If the fact finder were to side with Defendant on the unpaid wages claim, Plaintiff and the Class Members would also not be entitled to any damages for derivative wage statement, waiting time, or PAGA penalties. If Plaintiff is successful in his unpaid wages claim, and is able to prove that Defendant's wage statement and waiting time penalties violations were "knowing and intentional" and "willful," he may also be entitled to damages for wage statement penalties and waiting time penalties in the amounts of \$216,00 and \$748,800, respectively. Plaintiff and the PAGA Class Members may also be entitled to PAGA penalties in the amount of \$1,354,500, subject to Court reduction.

34. In light of the risks Plaintiff's claims faced, Plaintiff and his Counsel believe that the settlement amount of \$370,000 – with an average settlement share amount estimated at \$1709.04 – is a reasonable and fair settlement amount. 34

35. A true and correct copy of the Settlement Agreement is attached hereto as **Exhibit 1**. A true and correct copy of the proposed Class Notice is attached to **Exhibit 1** as **Exhibit A**.

36. A true and correct copy of the filing receipt from Plaintiff's upload of their preliminary approval motion and supporting documents to the LWDA's website is attached as **Exhibit 2**.

37. A true and correct copy of the confirmation that the upload of Plaintiff's preliminary approval motion was received by the LWDA is attached as **Exhibit 3**.

I declare under penalty of perjury under the laws of the State of California that all the foregoing is true and correct.

3. **Aggrieved Employees:** All current or former hourly drivers, delivery drivers, truck drivers, truck workers, or similar job designations covered by, *inter alia*, California IWC Occupational Wage Order No. 9-2001, and Title 8, *California Code of Regulations*, section 11110, who drove for Defendant and who spent a majority of their work time in California and/or had their base of operations in California from August 28, 2023 through September 14, 2025.
4. **Attorneys Fee Award:** The amount of attorneys’ fees approved of by the Court and awarded to Class Counsel. This amount shall not exceed one-third of the Gross Settlement Amount. One-third of the Gross Settlement Amount is currently \$123,333.33. The Attorneys Fee Award shall be paid from the Gross Settlement Amount. If the Court awards less than the amount requested, any amount not awarded will become part of the Net Settlement Amount for distribution to Participating Class Members.
5. **Class:** All current or former hourly drivers, delivery drivers, truck drivers, truck workers, or similar job designations covered by, *inter alia*, California IWC Occupational Wage Order No. 9-2001, and Title 8, *California Code of Regulations*, section 11110, who drove for Defendant and who spent a majority

11. **Class Representative or Plaintiff:** Adan Mendoza.
12. **Class Representative Enhancement Payment:** The amount the Court awards to Plaintiff, which will not exceed \$7,500. This payment shall be paid from the Gross Settlement Amount. This payment is being offered in consideration for Plaintiff executing a general release of claims against Defendant, a release that is broader than any Participating Class Member will provide in consideration for a settlement share. This payment is also offered in consideration for the Plaintiff's actions in conferring a benefit upon the State of California and the Class, and the time and effort Plaintiff put into pursuing the litigation. If the Court awards less than the amount requested, any amount not awarded will become part of the Net Settlement Amount for distribution to Participating Class Members.
13. **Cost Award:** The amount that the Court orders Defendant to pay Class Counsel for payment of actual litigation costs, which shall not exceed \$15,000. The Cost Award will be paid from the Gross Settlement Amount and will not be opposed by Defendant. The Cost Award is subject to Court approval. If the actual costs incurred are less than the amount allocated in this Agreement, or if the Court awards less than the amount requested, the difference in the amount allocated in this Agreement and the amount awarded by the Court will become part of the Net Settlement Amount for distribution to Participating Class Members.
14. **Counsel for Defendant:** Vee B. Sotelo of Slovak Baron Empey Murphy & Pinkney LLP.

15. **Court:** Superior Court of California for the County of San Bernardino.
16. **Defendant:** Elite Fuels Transportation, Inc.

18. **Effective Final Settlement Date:** The effective date of this Settlement will be when the final approval of the settlement can no longer be appealed, or, if there are no objectors and no plaintiffs in intervention at the time the court grants final approval of the settlement, the date the court enters judgment granting final approval of the settlement.
19. **Employer Taxes:** Defendant's portion of payroll taxes as the Class Members' current or former employer (including the employer's payment of applicable FICA, FUTA, and SUI contributions, etc.) owed to the appropriate local, state, and federal taxing authorities. Defendant will pay its portion of payroll taxes separate and apart from the Gross Settlement Amount.
20. **Final Judgment or Final Approval:** The final order entered by the Court approving this Agreement.
21. **Funding of Settlement:** Defendant shall wire or otherwise provide to the Settlement Administrator the Gross Settlement Amount no later than September 31, 2026. If the Effective Settlement Date is after September 31, 2026, then Defendant shall wire or otherwise provide to the Settlement Administrator the Gross Settlement Amount no later than five (5) business days after the Effective Final Settlement Date.
22. **Gross Settlement Amount or GSA:** The total value of the Settlement is a non-reversionary \$370,000. This is the gross amount Defendant can be required to pay under this Settlement Agreement, with the exception of its obligation to pay Employer Taxes and any additional amounts owed pursuant to the Escalator provision. The Gross Settlement Amount includes without limitation: (1) the Net Settlement Amount to be paid to Participating Class Members; (2) the Attorneys Fee Award and Cost Award to Class Counsel for attorneys' fees and costs, as approved by the Court; (3) the Class Representative Enhancement Payment paid to the Class Representative, as approved by the Court; (4) the

Administration Costs, as approved by the Court; and (5) the PAGA Payment to the LWDA and to Aggrieved Employees, as approved by the Court. Defendant's portion of payroll taxes as the Class Members' current or former employer will be paid outside of and in addition to the Gross Settlement Amount. No portion of the Gross Settlement Amount will revert to Defendant for any reason.

23. **Individual Class Settlement Share(s)**: The amount payable to each Participating Class Member under the terms of this Settlement Agreement. Class Members are not required to submit a claim form to receive their Individual Class Settlement Shares pursuant to this Agreement. Rather, Participating Class Members will receive an Individual Class Settlement Share automatically, without the return of a claim form.
24. **Individual PAGA Settlement Share(s)**: The amount payable to each Aggrieved Employee under the terms of this Settlement Agreement. Aggrieved Employees are not required to submit a claim form to receive their Individual Settlement Shares pursuant to this Agreement. Also, even if an Aggrieved Employee requests exclusion from the Class Settlement as described in this Agreement, the Aggrieved Employee will receive an Individual PAGA Settlement Share. Therefore, Aggrieved Employees will receive an Individual PAGA Settlement Share automatically, without the return of a claim form and regardless of whether they request to be excluded from the Class Settlement.
25. **LWDA**: California Labor and Workforce Development Agency ("LWDA"). The LWDA is empowered to enforce the Labor Code Private Attorneys General Act, California Labor Code section 2698, *et seq.*, and has delegated such authority to Plaintiff with regard to the claim in the PAGA Action through the procedural mechanisms provided for by statute.
26. **LWDA Payment**: Refers to the Sixty-five percent (65%) of the PAGA Payment of \$15,000 that is to be paid to the LWDA as described in this Settlement.
27. **Net PAGA Settlement Amount or NPSA**: The total amount of money for payout to Aggrieved Employees, which is the PAGA Payment less the LWDA Payment.
28. **Net Settlement Amount or NSA**: The total amount of money available for payout to Participating Class Members, which is the GSA less the Attorneys Fee Award, Cost Award, Class Representative Enhancement Payment, the PAGA Payment, and Administration Costs. In other words, the NSA is the portion of the GSA that will be distributed to Participating Class Members. The payment of employee-side taxes on the portion of the settlement shares earmarked as wages shall be paid out of the Net Settlement Amount. Thus, the Individual Settlement Shares that are paid out of the Net Settlement Amount

shall be reduced by the employee's tax liability for the share for the portion of the settlement shares allocated as wages.

29. **PAGA**: The California Labor Code Private Attorneys General Act of 2004 (Cal. Labor Code §§ 2698 *et seq.*).
30. **PAGA Data**: The electronic database Defendants shall deliver to the Settlement Administrator which will list the following information for each Aggrieved Employee: (1) first and last name; (2) last known mailing address; (3) social security number; (4) telephone number; and (5) the total number of pay periods during which the Aggrieved Employee performed work during the PAGA Period as a member of the Aggrieved Employees. The PAGA Data shall be based on Defendants' payroll, personnel, and other business records.
31. **PAGA Payment**: Refers to the \$15,000 the Parties have agreed to settle the PAGA claims. 65% of this amount, or \$9,750, shall be paid to the LWDA. The remaining 35% of the \$15,000, or \$5,250, shall become part of the Net PAGA Settlement Amount payable to Aggrieved Employees.
32. **PAGA Period**: August 28, 2023 through September 14, 2025.
33. **PAGA Settlement**: Refers to the settlement of claims included in the Released PAGA Claims, for which Aggrieved Employees will receive an Individual PAGA Settlement Share payment.
34. **Participating Class Members**: All Class Members who do not submit a valid and timely request to exclude themselves from this Settlement.
35. **Parties**: Plaintiff Adan Mendoza, as an individual and as Class Representative, and Defendant Elite Fuels Transportation, Inc.
36. **Preliminary Approval or Preliminary Approval Order**: The Court's order preliminarily approving the Class Settlement.
37. **Released Class Claims**: All claims alleged or that could have been alleged based on the facts in the Action for the failure to pay all straight time and minimum wages, the knowing and intentional failure to comply with itemized employee wage statement provisions, the failure to pay all wages due at the time of termination, the failure to reimburse business expenses, and violations of unfair competition law. All Released Class Claims are limited to the Class Period.
38. **Released PAGA Claims**: Any and all claims for civil penalties that could have been asserted by the Labor Commissioner against Defendant under the PAGA during the PAGA Period, Cal. Lab. Code § 2698, *et seq.* to the extent such claims are predicated on claims alleged or that could have been alleged based

on the facts in the Action and Plaintiff's notice to the LWDA for the failure to pay all straight time and minimum wages, the knowing and intentional failure to comply with itemized employee wage statement provisions, the failure to pay all wages due at the time of termination, the failure to reimburse business expenses, and the failure to pay all wages owed twice per month. All Released PAGA Claims are limited to the PAGA Period.

39. **Released Parties:** Defendant and its past, present and/or future, direct and/or indirect, officers, directors, employees, representatives, administrators, attorneys, agents, parent companies, subsidiaries and affiliated corporations and entities, consultants, shareholders, joint ventures, predecessors, successors, and/or assigns.
40. **Response Deadline:** Forty-Five (45) calendar days from the initial mailing of the Class Notices.
41. **Settlement Administration:** The Settlement Administrator will use the National Change of Address Database to obtain updated addresses for Class Members. The Settlement Administrator will mail the Class Notices by first class U.S. mail to all Class Members at the address resulting from the search of the National Change of Address Database. The Class Notices will inform Class Members that they have until the Response Deadline to either object to the Settlement or to opt-out of the Settlement. Any Class Member who does not receive notice after the steps outlined above have been taken will still be bound by the Settlement and/or judgment.
42. **Settlement Administrator:** The third party administrator agreed upon by Parties to administer this Settlement is Apex Class Action LLC.

II. **RECITALS**

43. A class action complaint was filed by Plaintiff on September 5, 2024 in San Bernardino County Superior Court (Case No. CIVSB2427100). The complaint alleges the following causes of action against Defendant: 1) Failure to Pay All Straight Time Wages; 2) Knowing and Intentional Failure to Comply with Itemized Employee Wage Statement Provisions; 3) Failure to Pay all Wages Due at the Time of Termination; 4) Failure to Reimburse Business Expenses; and 5) Violation of Unfair Competition Law.
44. Plaintiff submitted his Notice of Labor Code Violations to the LWDA on August 28, 2024. Thereafter, Plaintiff filed a First Amended Complaint on or around November 4, 2024, to allege an additional cause of action for Violations of the Labor Code Private Attorneys General Act of 2004 ("PAGA") based on the same underlying allegations for the class claims.

45. The parties met and conferred regarding the cases on multiple occasions and then agreed to attend a mediation. Prior to the mediation, Defendant provided class-wide data, documents, and information permitting Plaintiff and his lawyers to fully evaluate class-wide exposure.
46. On February 19, 2025, the Parties attended an all-day mediation with mediator Doug Leach. Though the matter did not settle at that time, the Parties agreed to schedule a second mediation with Mr. Leach on June 25, 2025 to permit Defendant time to gather additional documents and data for the Parties to evaluate. This second mediation resulted in the settlement that is reflected in this Agreement.
47. **Benefits of Settlement to Class Members.** Plaintiff and Class Counsel recognize the expense and length of continued proceedings necessary to continue the litigation against Defendant through trial and through any possible appeals. Plaintiff and Class Counsel also have taken into account the uncertainty and risk of further litigation, the potential outcome, and the difficulties and delays inherent in such litigation. Plaintiff and Class Counsel have conducted extensive settlement negotiations. Based on the foregoing, Plaintiff and Class Counsel believe the Settlement set forth in this Agreement is a fair, adequate, and reasonable settlement, and is in the best interests of the Class Members.
48. **Defendant's Reasons for Settlement.** Defendant recognizes that the defense of this litigation will be protracted and expensive. Substantial amounts of time, energy, and resources of Defendant has been and, unless this Settlement is made, will continue to be devoted to the defense of the claims asserted by Plaintiff. Defendant, therefore, has agreed to settle in the manner and upon the terms set forth in this Agreement to put to rest the Released Claims.
49. **Defendant's Denial of Wrongdoing.** Defendant generally and specifically denies any and all liability or wrongdoing of any sort with regard to any of the claims alleged, makes no concessions or admissions of liability of any sort, and contends that for any purpose other than settlement, the Action is not appropriate for class or representative treatment. Defendant asserts a number of defenses to the claims, and have denied any wrongdoing or liability arising out of any of the alleged facts or conduct in the Action. Neither this Agreement, nor any document referred to or contemplated herein, nor any action taken to carry out this Agreement, is or may be construed as, or may be used as an admission, concession, or indication by or against Defendant or any of the Released Parties of any fault, wrongdoing, or liability whatsoever. There has been no final determination by any court as to the merits of the claims asserted by Plaintiff against Defendant or as to whether a class or classes should be certified, other than for settlement purposes only.

- 50. Plaintiff's Claims.** Plaintiff asserts that Defendant's defenses are without merit. Neither this Agreement nor any documents referred to or contemplated herein, nor any action taken to carry out this Agreement is, may be construed as, or may be used as an admission, concession or indication by or against Plaintiff, Class Members, or Class Counsel as to the merits of any claims or defenses asserted, or lack thereof, in the Action. However, in the event that this Settlement is finally approved by the Court, the Plaintiffs, Participating Class Members, and Class Counsel will not oppose Defendant's efforts to use this Agreement to prove that Plaintiff and Participating Class Members have resolved and are forever barred from re-litigating the claims released under this Agreement.

III. SETTLEMENT TERMS AND CONDITIONS

- 51. Gross Settlement Amount.** Subject to the terms and conditions of this Agreement, the maximum Gross Settlement Amount, that Defendants are obligated to pay under this Settlement Agreement is \$370,000. The Gross Settlement Amount includes, but is not limited to: (1) the Net Settlement Amount to be paid to Participating Class Members; (2) the Attorneys Fee Award and Cost Award to Class Counsel for attorneys' fees and costs, as approved by the Court; (3) the Class Representative Enhancement Payment paid to the Class Representative, as approved by the Court; (4) the Administration Costs, as approved by the Court; and (5) the PAGA Payment, as approved by the Court. Defendant's portion of payroll taxes as the Class Members' current or former employer will be paid outside of and in addition to the Gross Settlement Amount. No portion of the Gross Settlement Amount will revert to Defendant for any reason.

A. Escalator Provision: At the mediation, there were approximately 4,657 workweeks worked by Class Members. If by the time the administrator receives the class data the workweeks increase by more than 10% (5,123 workweeks or more), Defendant shall have the option of either: (i) increasing the Gross Settlement Amount on a proportional basis equal to the percentage increase in number of workweeks worked by the Class Members above the 10% amount (*i.e.* if there was a 11% increase in the number of workweeks during the Class Period, Defendant would agree to increase the Gross Settlement Amount by 1%); or (ii) close the Class Period and PAGA Period on the date before the number of workweeks reaches or exceeds 5,123.

- 52. Class Certification.** Solely for the purposes of this Settlement, the Parties stipulate and agree to certification of the claims asserted on behalf of Class Members. As such, the Parties stipulate and agree that in order for this Settlement to occur, the Court must certify the Class as defined in this Agreement.

53. **Conditional Nature of Stipulation for Certification.** The Parties stipulate and agree to the certification of the claims asserted on behalf of Plaintiff and Class Members for purposes of this Settlement only. If the Settlement does not become effective, the fact that the Parties were willing to stipulate to certification as part of the Settlement shall not be admissible or used in any way in connection with, the question of whether the Court should certify any claims in a non-settlement context in this Action or in any other lawsuit. If the Settlement does not become effective, Defendant reserves the right to contest any issues relating to class certification and liability.
54. **Appointment of Class Representative.** Solely for the purposes of this Settlement, the Parties stipulate and agree Plaintiff Adan Mendoza shall be appointed as representative for the Class.
55. **Appointment of Class Counsel.** Solely for the purpose of this Settlement, the Parties stipulate and agree that the Court appoint Class Counsel to represent the Class.
56. **Individual Class Settlement Share.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will pay an Individual Class Settlement Share from the Net Settlement Amount to each Participating Class Member.

A. Calculation.

- i. **Individual Class Settlement Share Calculation.** Each Participating Class Member will receive a proportionate share of the Net Settlement Amount that is equal to (i) the number of weeks he or she worked for Defendant, based on the Class Data provided by Defendant, divided by (ii) the total number of weeks worked by all Participating Class Members based on the same Class Data, which is then multiplied by the Net Settlement Amount. One day worked in a given week will be credited as a work week for purposes of this calculation. Therefore, the value of each Class Member's Individual Settlement Share ties directly to the amount of weeks that he or she worked.

- B. Tax Withholdings.** Each Class Member's Individual Settlement Share will be apportioned as follows: one-third wages, one-third interest, and one-third penalties. The amounts paid as wages shall be subject to all tax withholdings customarily made from an employee's wages and all other authorized and required withholdings and shall be reported by W-2 forms. Payment of all amounts will be made subject to backup withholding unless a duly executed W-9 form is received from the payee(s). The amounts paid as penalties and interest shall be subject to all authorized and required withholdings other

than the tax withholdings customarily made from employees' wages and shall be reported by IRS 1099 forms. Only the employee share of payroll tax withholdings shall be paid from each Class Member's Individual Settlement Share. The employer share of payroll tax withholdings shall be paid separate from and in addition to the Gross Settlement Amount.

- 57. Individual PAGA Settlement Share.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will pay an Individual PAGA Settlement Share from the Net PAGA Settlement Amount to each Aggrieved Employee.

A. Calculation.

- i. **Individual PAGA Settlement Share Calculation.** Each Aggrieved Employee will receive a proportionate share of the Net PAGA Settlement Amount that is equal to (i) the number of pay periods he or she worked for Defendant, based on the PAGA Data provided by Defendant, divided by (ii) the total number of pay periods worked by all Aggrieved Employees based on the same PAGA data, which is then multiplied by the Net PAGA Settlement Amount. One day worked in a given pay period will be credited as a pay period for purposes of this calculation. Therefore, the value of each Aggrieved Employee's Individual PAGA Settlement Share ties directly to the amount of pay periods that he or she worked during the PAGA Period.

- B. Tax Withholdings.** Each Aggrieved Employee's Individual PAGA Settlement Share will be apportioned as 100% penalties. The Individual PAGA Settlement Shares shall therefore be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported by IRS 1099 forms.

- 58. Constituents of Gross Settlement Amount Disbursement.** Subject to the terms and conditions of this Agreement, the Settlement Administrator shall disburse the Gross Settlement Amount as directed later on herein to the following:

- A. To the Named Plaintiff:** In addition to his Individual Settlement Share, and subject to the Court's approval, the named Plaintiff, Adan Mendoza, will receive up to \$7,500 in consideration for providing Defendants a General Release, a release that is broader than the claims released by Participating Class Members. Defendant shall not oppose this request. The Settlement Administrator will pay the Class Representative Enhancement Payment out of the Gross Settlement Amount. Payroll tax withholdings and deductions will not be taken from the Class Representative Enhancement Payment. An

IRS Form 1099 will be issued to Plaintiff with respect to his Class Representative Enhancement Payment.

- B. To Class Counsel.** At the Final Approval Hearing, Class Counsel will apply to the Court for an Attorneys Fee Award not to exceed 1/3 of the GSA (which currently equates to \$123,333.33) and a Cost Award not to exceed \$15,000. Defendant shall not oppose this request. The Settlement Administrator will pay the Court approved amounts for the Attorneys Fee Award and Cost Award out of the Gross Settlement Amount. The Settlement Administrator may, at the request of Class Counsel, purchase an annuity to utilize U.S. treasuries and bonds or other attorneys fee deferral vehicles for Class Counsel. Payroll tax withholding and deductions will not be taken from the Attorneys Fee Award or the Cost Award. IRS Forms 1099 will be issued to Class Counsel with respect to the Attorneys Fee Award. In the event the Court does not approve the entirety of the application for the Attorneys Fee Award and/or Cost Award, the Settlement Administrator shall pay whatever amount the Court awards, and neither Defendant nor the Settlement Administrator shall be responsible for paying the difference between the amount requested and the amount awarded. If the amount awarded is less than the amount requested by Class Counsel for the Attorneys Fee Award and/or Cost Award, the difference shall become part of the NSA and be available for distribution to Participating Class Members.
- C. To the Responsible Tax Authorities.** The Settlement Administrator will pay the amount of the Participating Class Members' portion of normal payroll withholding taxes out of each Class Member's Individual Settlement Share. Defendant's portion of payroll taxes as the current or former employer (including the employer's payment of applicable FICA, FUTA, and SUI contributions, etc.) will be paid outside of and in addition to the GSA. The Settlement Administrator will calculate the amount of the Participating Class Members' and Defendant's portion of payroll withholding taxes and will forward the amount of the Participating Class Members' portion of normal payroll withholding taxes to the appropriate taxing authorities.
- D. To the Settlement Administrator.** The Settlement Administrator – Apex Class Action LLC – will pay to itself Administration Costs (reasonable fees and expenses) approved by the Court not to exceed \$7,500. This will be paid out of the Gross Settlement Amount. If the actual amount of Administration Costs is less than the amount estimated and/or requested, the difference shall become part of the NSA and be available for distribution to Participating Class Members.
- E. To the LWDA and Aggrieved Employees.** The Settlement Administrator will pay \$9,750 of the PAGA Payment to the LWDA. This is 65% of the \$15,000 allocated to satisfy the PAGA penalties claim. The remaining 35%

of the PAGA Payment (which equates to \$5,250) shall become part of the Net PAGA Settlement Amount payable to Aggrieved Employees

F. To Participating Class Members. The Settlement Administrator will pay Participating Class Members according to the Individual Settlement Share calculations set forth above. All payments to Participating Class Members and Aggrieved Employees shall be made from the Gross Settlement Amount.

59. Appointment of Settlement Administrator. Solely for the purposes of this Settlement, the Parties stipulate and agree that Apex Class Action LLC shall be retained to serve as Settlement Administrator. The Settlement Administrator shall be responsible for preparing, printing, and mailing the Class Notice to Class Members and Aggrieved Employees; performing skip traces and remailing notices to Class Members and Aggrieved Employees; calling Class Members and Aggrieved Employees with undeliverable notices to obtain accurate addresses; keeping track of any objections or requests for exclusion from Class Members; calculating any and all payroll tax deductions as required by law; calculating each Class Member's and Aggrieved Employee's Individual Settlement Share; maintaining a website which will include settlement documents; providing weekly status reports to Defendant's Counsel and Class Counsel, which is to include updates on any objections or requests for exclusion that have been received; providing a due diligence declaration for submission to the Court prior to the Final Approval hearing; mailing and remailing Individual Settlement Shares to Participating Class Members and Aggrieved Employees; calculating and mailing the LWDA Payment to the LWDA; distributing the Attorneys Fee Award and Cost Award to Class Counsel; printing and providing Participating Class Members, Aggrieved Employees, and Plaintiff with W-2s and 1099 forms as required under this Agreement and applicable law; providing a due diligence declaration for submission to the Court upon the completion of the Settlement; providing any funds remaining in the QSF as a result of uncashed checks to the State of California unclaimed property fund in the name of the Class Member; and for such other tasks as the Parties mutually agree. The Parties each represent that they do not have any financial interest in Apex Class Action LLC or otherwise have a relationship with Apex Class Action LLC that could create a conflict of interest.

60. Procedure for Approving Settlement.

A. Cooperation.

- i.** All Parties and their counsel shall support the Settlement and take such steps as are reasonably necessary to effectuate the Settlement.

B. Motion for Preliminary Approval and Conditional Certification.

- i. Plaintiff will move for an order: (1) conditionally certifying the Class for settlement purposes only; (2) granting Preliminary Approval of the Settlement; (3) setting a date for the Final Approval hearing; and (4) approving the Class Notice.
- ii. At the same time that Plaintiff files his Motion for Preliminary Approval, Plaintiff shall send a copy of the Agreement to the LWDA pursuant to the 2016 amendments to PAGA.
- iii. At the Preliminary Approval hearing, Plaintiff will appear, support the granting of the motion, and submit a proposed order granting conditional certification of the Class and Preliminary Approval of the Settlement; appointing the Class Representative, Class Counsel, and Settlement Administrator; approving the Class Notice; and setting the Final Approval hearing.
- iv. **Effect of Denial of Preliminary Approval.** Should the Court decline to conditionally certify the Class or to Preliminarily Approve all material aspects of the Settlement, the Settlement Agreement will be null and void, and the Parties will have no further obligations under it. Provided, however, that the amounts of the Attorneys Fee Award, Cost Award, Administration Costs, and Class Representative Enhancement Payment shall be determined by the Court, and the Court's determination on these amounts shall be final and binding, and that the Court's approval or denial of any amount requested for these items are not conditions of this Settlement Agreement, and are to be considered separate and apart from the fairness, reasonableness, and adequacy of the Settlement Agreement. Any order or proceeding relating to an application for the Attorneys Fee Award, Cost Award, Administration Costs, and Class Representative Enhancement Payment shall not operate to terminate or cancel this Settlement Agreement. Nothing in this Agreement shall limit Plaintiff's or Class Counsel's ability to appeal any decision by the Court to award less than the requested Attorneys Fee Award, Cost Award, Administration Costs, and Class Representative Enhancement Payment.

C. Notice to Class Members and Aggrieved Employees. After the Court enters its Preliminary Approval Order, every Class Member and Aggrieved Employee will be provided with the Class Notice in accordance with the following procedure:

- i. **Delivery of Class and PAGA Data.** Within ten business (10) days after entry of the Preliminary Approval Order, Defendant shall

deliver to the Settlement Administrator an electronic database, which will list the Class and PAGA Data. If any or all of this information is unavailable to Defendant, Defendant will so inform Class Counsel and the Parties will make their best efforts to reconstruct or otherwise agree upon how to deal with the unavailable information. The Settlement Administrator will use the National Change of Address Database to obtain updated addresses for Class Members. The Class Data and PAGA Data shall be based on Defendant's payroll, personnel, and other business records. The Settlement Administrator shall maintain the Class and PAGA Data and all information contained within the Class and PAGA Data as private and confidential.

- ii. **Preparation of Class Notices.** Based on the information in the Class and PAGA Data and the formulae set forth in Paragraph 56(A)(i) and 57(A)(i), above, the Settlement Administrator shall promptly calculate the estimated Individual Settlement Share and Individual PAGA Settlement Share for every Class Member and Aggrieved Employee, to be included in the individualized Class Notices to be sent to that Class Member and/or Aggrieved Employee, and shall prepare and mail a spreadsheet setting forth those calculations to Class Counsel and Defense Counsel no fewer than five (5) days before mailing the Class Notices to Class Members and Aggrieved Employees. The Class Notices will inform each Class Member of his/her right to do nothing, dispute the number of weeks or pay periods worked, opt out of the Settlement, or object to the Settlement. It will also inform Class Members that if they first request exclusion from the Settlement and then object, the objections would not be considered valid. In addition, if the Class Members object and then request exclusion from the Class Settlement, the Class Members would be deemed to have waived their objection.
- iii. **Mailing of Class Notices.** Within ten (10) business days after receipt of the Class and PAGA Data, the Settlement Administrator will mail via first-class regular U.S. Mail the Class Notice to all identified Class Members and Aggrieved Employees using the mailing address information provided by Defendants and the results of the search of the National Change of Address Database on all Class Members and Aggrieved Employees.
- iv. **Returned Notices.** If a Class Notice is returned because of an incorrect address, within five (5) business days from receipt of the returned notice, the Settlement Administrator will conduct a search for a more current address for the Class Member and re-mail the Class Notice to the Class Member. The Settlement

Administrator will use the National Change of Address Database and skip traces to attempt to find the current address. The Settlement Administrator will be responsible for taking reasonable steps to trace the mailing address of any Class Member for whom a Class Notice is returned by U.S. Postal Service as undeliverable. These reasonable steps shall include, at a minimum, the tracking of all undelivered mail, performing address searches for all mail returned without a forwarding address, and promptly re-mailing to Class Members for whom new addresses are found.

v. Weekly Status Reports. The Settlement Administrator shall provide a weekly status report to the Parties. As part of its weekly status report, the Settlement Administrator will inform Class Counsel and Defendants' Counsel of the number of Notices mailed, the number of Notices returned as undeliverable, the number of Notices re-mailed, and the number of requests for exclusion or objections received.

vi. Settlement Administrator's Declaration. No later than fourteen (14) calendar days after the Response Deadline, or on a date mutually agreed upon by the Parties and the Settlement Administrator, the Settlement Administrator will serve on the Parties a declaration of due diligence setting forth its compliance with its obligations under this Agreement. The declaration from the Settlement Administrator shall also be filed with the Court by Class Counsel at the same time as the final approval motion is filed. Before the Final Approval hearing, the Settlement Administrator will supplement its declaration of due diligence if any material changes occur from the date of the filing of its prior declaration.

D. Objections to Settlement. The Class Notice will provide that the Class Members who wish to object to the Settlement must do so in writing, signed, dated, and mailed to the Settlement Administrator postmarked no later than the Response Deadline. The timeframe to submit an objection will not be increased for returned mailings.

a. Format. Any Objections shall state: (a) the objecting person's full name, address, and telephone number; (b) the words "Notice of Objection" or "Formal Objection;" (c) describe, in clear and concise terms, the legal and factual arguments supporting the objection; (d) list identifying witness(es) the objector may call to testify at the Final Approval hearing; and (e) provide true and correct copies of any exhibit(s) the objector intends to offer at the Final Approval hearing.

- b. Notice of Intent to Appear.** Objecting Class Members may (though are not required to) appear at the Final Approval Hearing, either in person or through the objector's own counsel. Objecting Class Members are permitted to appear regardless of whether they submitted a written objection.

E. Request for Exclusion from the Settlement ("Opt-Out"). The Class Notice will provide that Class Members who wish to exclude themselves from the Settlement must mail to the Settlement Administrator a written request for exclusion. The written request for exclusion must: (a) state the Class Member's name, address, telephone number, and the last four digits of the Class Member's social security number or employee identification number; (b) state the Class Member's intention to exclude themselves from or opt-out of the Settlement; (c) be addressed to the Settlement Administrator; (d) be signed by the Class Member or his or her lawful representative; and (e) be postmarked no later than the Response Deadline.

- i. Effect of "Opt-Out."** Any Class Member who returns a timely, valid, and executed request for exclusion will not participate in or be bound by the Settlement and subsequent judgment and will not receive an Individual Settlement Share or any benefit of this Settlement. If the Class Member is also an Aggrieved Employee as defined in this Agreement, however, he or she will still receive an Individual PAGA Settlement Share payment as approved by the Court. Aggrieved Employees have no right to opt-out of the PAGA Settlement.
- ii. Confirmation of Authenticity.** If there is a question about the authenticity of a signed request for exclusion, the Settlement Administrator may demand additional proof of the Class Member's identity. Any Class Member who returns a timely, valid, and executed request for exclusion will not participate in or be bound by the Settlement and subsequent judgment and will not receive an Individual Settlement Share. A Class Member who does not complete and mail a timely request for exclusion will automatically be included in the Settlement, will receive an Individual Class Settlement Share, and be bound by all terms and conditions of the Settlement, if the Settlement is approved by the Court, and by the subsequent judgment, regardless of whether he or she has objected to the Settlement.
- iii. Report.** No later than five (5) business days after the Response Deadline, the Settlement Administrator will provide the Parties with a complete and accurate accounting of the number of Notices mailed to Class Members, the number of Notices returned as undeliverable, the number of Notices re-mailed to Class Members,

the number of re-mailed Notices returned as undeliverable, the number of Class Members who objected to the Settlement and copies of their submitted objections, the number of Class Members who returned valid requests for exclusion, and the number of Class Members who returned invalid requests for exclusion.

F. Class Member and Aggrieved Employee Disputes. If a Class Member or Aggrieved Employee who receives a Class Notice wishes to dispute the number of weeks or pay periods listed on the Class Notice, the Class Member or Aggrieved Employee may notify the Settlement Administrator by mail or telephone no later than the Response Deadline and should produce any available supporting evidence, such as wage statements, offers of employment, termination letters, and/or other employment records, to the Settlement Administrator. The documentation should provide evidence of the dates the Class Member or Aggrieved Employee contends he or she worked for Defendants during the Class or PAGA Period. The Settlement Administrator shall then provide the documentation provided by the Class Member or Aggrieved Employee to Defendant. Defendant shall review their records, the documentation provided by the Class Member or Aggrieved Employee, and shall provide information to the Settlement Administrator in response to any such disputed claim. Defendant's records shall be presumed to be determinative, but the Settlement Administrator shall evaluate the evidence submitted by the Class Member or Aggrieved Employee and make the decision as to which dates should be applied. The determination by the Settlement Administrator shall be final and binding.

G. No Solicitation of Objection or Requests for Exclusion. Neither the Parties nor their respective counsel will solicit or otherwise encourage directly or indirectly any Class Member to object to the Settlement, request exclusion from the Settlement, or appeal from the Judgment.

H. Motion for Final Approval.

- i. Class Counsel will file unopposed motions and memorandums in support thereof for Final Approval of the Settlement and the following payments in accord with the terms of the Settlement: (1) the Attorneys Fee Award; (2) the Cost Award; (3) Administrative Costs; (4) the Class Representative Enhancement Payment; and (5) PAGA Payment. Class Counsel will also move the Court for an order of Final Approval (and associated entry of Judgment) releasing and barring any Released Class and PAGA Claims of the Participating Class Members and LWDA.
- ii. **Denial or Appeal of Final Approval.** If the Court does not grant Final Approval of the Settlement, or if the Court's Final Approval

of the Settlement is reversed or materially modified on appellate review, then this Settlement will become null and void. If that occurs, the Parties will have no further obligations under the Settlement, including any obligation by Defendant to pay the Gross Settlement Amount or any amounts that otherwise would have been owed under this Agreement. Further, should this occur, the Parties agree they shall be equally responsible for the Settlement Administrator's Administration Costs through that date. An award by the Court of a lesser amount than sought by Plaintiff and Class Counsel for the Class Representative Enhancement Payment, Attorneys Fee Award, Cost Award, and Administration Costs award will not constitute a material modification to the Settlement within the meaning of this paragraph.

iii. Proposed Order and Judgment. Upon Final Approval of the Settlement, the Parties shall present to the Court a proposed Final Approval Order, approving of the Settlement and entering Judgment in accordance therewith. After entry of Judgment, the Court shall have continuing jurisdiction over the action for purposes of: (1) enforcing this Settlement Agreement; (2) addressing settlement administration matters, and (3) addressing such post-judgment matters as may be appropriate under Court rules and applicable law.

I. Waiver of Right to Appeal. Provided that the judgment is consistent with the terms and conditions of this Agreement, if Class Members do not timely object to the Settlement, then the Parties and their respective counsel waive any and all rights to appeal from the judgment, including, but not limited to, all rights to any post-judgment proceeding and appellate proceeding, such as a motion to vacate or set aside judgment, and any extraordinary writ, and the judgment will become non-appealable at the time it is entered. The waiver of appeal does not include any waiver of the right to oppose any appeal, appellate proceeding, or post-judgment proceeding.

J. Vacating, Reversing, or Modifying Judgment on Appeal. If, after a notice of appeal, the reviewing Court vacates, reverses, or modifies the judgment such that there is a material modification to the Settlement Agreement, and that Court's decision is not completely reversed and the judgment is not fully affirmed on review by a higher Court, then this Settlement will become null and void and the Parties will have no further obligations under it. A material modification would include, but not necessarily be limited to, any alteration of the Gross Settlement Amount, an alteration in the calculation of the Net Settlement Amount, and any change to the calculation of the Individual Settlement Share.

K. Disbursement of Settlement Shares and Payments. Subject to the Court finally approving the Settlement, the Settlement Administrator shall distribute funds pursuant to the terms of this Agreement and the Court's Final Approval Order and Judgment. The Settlement Administrator shall keep Defendant's Counsel and Class Counsel apprised of all distributions from the Gross Settlement Amount. The Settlement Administrator shall respond to questions from Defendant's Counsel and Class Counsel. No person shall have any claim against Defendant, Defendant's Counsel, Plaintiff, Class Counsel, or the Settlement Administrator based on the distributions and payments made in accordance with this Agreement.

- i. Funding the Settlement:** Defendant shall wire or otherwise provide to the Settlement Administrator the Gross Settlement Amount no later than September 31, 2026. If the Effective Settlement Date is after September 31, 2026, then Defendant shall wire or otherwise provide to the Settlement Administrator the Gross Settlement Amount no later than five (5) business days after the Effective Final Settlement Date.
- ii. Disbursement:** Within ten (10) business days after the Defendant provides the GSA to the Settlement Administrator, the Settlement Administrator shall disburse: (1) the Net Settlement Amount to be paid to Participating Class Members; (2) the Net PAGA Settlement Amount to be Paid to Aggrieved Employees; (3) the Attorney Fee Award and Cost Award to Class Counsel for attorneys' fees and costs, as approved by the Court; (4) the Class Representative Enhancement Payment paid to the Class Representative, as approved by the Court; (5) the Administration Costs, as approved by the Court; (6) the LWDA Payment to the LWDA; and (7) Defendant's portion of payroll taxes as the Class Members' current or former employer.
- iii. Qualified Settlement Fund or QSF:** The Parties agree that the QSF is intended to be a "Qualified Settlement Fund" under Section 468B of the Code and Treasury Regulations § 1.468B-1, 26 C.F.R. § 1.468B-1 *et seq.*, and will be administered by the Settlement Administrator as such. The Parties and Settlement Administrator shall treat the QSF as coming into existence as a Qualified Settlement Fund on the earliest date permitted as set forth in 26 C.F.R. § 1.468B-1, and such election statement shall be attached to the appropriate returns as required by law.

L. Settlement Administrator's Final Report. Within ten (10) business days after the disbursement of all funds, the Settlement Administrator will serve on the Parties a declaration providing a final report on the disbursements of all funds. The Parties shall file this declaration with the Court. The

Settlement Administrator will provide any supplemental declaration required by the Court or the Parties.

M. Uncashed Checks. Participating Class Members and Aggrieved Employees must cash or deposit their Individual Settlement Share checks within one hundred and eighty (180) calendar days after the checks are mailed to them.

- i. Reminder Postcard.** If any checks are not redeemed or deposited within ninety (90) calendar days after mailing, the Settlement Administrator will send a reminder postcard indicating that unless the check is redeemed or deposited in the next ninety (90) days, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced.
- ii.** If any checks remain uncashed or not deposited by the expiration of the 90-day period after mailing the reminder notice, the Settlement Administrator will, within two hundred (200) calendar days after the checks are mailed, cancel the checks. All funds associated with the Individual Settlement Share checks returned as undeliverable and funds associated with those checks remaining un-cashed, shall escheat to the State of California Controller's Office under the Unclaimed Property Statutes in the name of the Class Member.

N. Defendant's Legal Fees. Defendant is responsible for paying for all of Defendant's own legal fees, costs, and expenses incurred in this Action outside of the Gross Settlement Amount.

- 61. Release of Class Claims.** As of the Effective Final Settlement Date, Class Members who do not submit a timely and valid request for exclusion release the Released Parties from the Released Class Claims. Participating Class Members agree not to sue or otherwise make a claim against any of the Released Parties for any of the Released Class Claims.
- 62. Release of PAGA Claims.** As of the Effective Final Settlement Date, Aggrieved Employees will release the Released Parties from the Released PAGA Claims. Aggrieved Employees agree not to sue or otherwise make a claim against any of the Released Parties for any of the Released PAGA Claims. Aggrieved Employees may not opt out of the PAGA Settlement.
- 63. Plaintiff's Release of Claims and General Release.** As of the Effective Final Settlement Date, and in exchange for the Class Representative Enhancement Payment to the named Plaintiff in an amount not to exceed \$7,500, Plaintiff Adan Mendoza shall give the following general release of claims for himself and his respective spouse, heirs, successors and assigns, forever release the

Released Parties from any and all charges, complaints, claims, liabilities, obligations, promises, agreements, controversies, damages, actions, causes of action, suits, rights, demands, costs, losses, debts, penalties and expenses of any nature whatsoever, from the beginning of time through the date of their signatures on this Agreement, known or unknown, suspected or unsuspected, whether in tort, contract, equity, or otherwise, for violation of any federal, state or local statute, rule, ordinance or regulation, including but not limited to all claims arising out of, based upon, or relating to his employment with Defendants or the remuneration for, or termination of, such employment. Plaintiff's Release of Claims also includes a waiver of California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

This release excludes Plaintiff's existing Workers' Compensation claim against Defendant and any claims that may not be released as a matter of law.

64. Miscellaneous Terms

- A. No Admission of Liability.** Defendant makes no admission of liability or wrongdoing by virtue of entering into this Agreement. Additionally, Defendant reserves the right to contest any issues relating to class certification and liability if the Settlement is not approved. Defendant denies that it has engaged in any unlawful activity, has failed to comply with the law in any respect, has any liability to anyone under the claims asserted in the Action, or that but for the Settlement, a Class should be certified in the Action. This Agreement is entered into solely for the purpose of compromising highly disputed claims. Nothing in this Agreement is intended or will be construed as an admission by Defendant of liability or wrongdoing. - B. No Effect on Employee Benefits.** The Class Representative Enhancement Payment and/or Individual Settlement Shares paid to Plaintiff and Participating Class Members and/or Aggrieved Employees shall not be deemed to be pensionable earnings and shall not have any effect on the eligibility for, or calculation of, any of the employee benefits (e.g., vacation, holiday pay, retirement plans, etc.) of Plaintiff or the Participating Class Members or Aggrieved Employees. The Parties agree that any Class

Representative Enhancement Payment and/or Individual Settlement Share paid to Plaintiff or the Participating Class Members and/or Aggrieved Employees under the terms of this Agreement do not represent any modification of Plaintiff's or Participating Class Members' and/or Aggrieved Employees' previously credited hours of service or other eligibility criteria under any employee pension benefit plan or employee welfare benefit plan sponsored by Defendant. Further, any Class Representative Enhancement Payment shall not be considered "compensation" in any year for purposes of determining eligibility for, or benefit accrual within, an employee pension benefit plan or employee welfare benefit plan sponsored by Defendant.

- C. Integrated Agreement.** After this Agreement is signed and delivered by all Parties and their counsel, this Agreement and its exhibits will constitute the entire Agreement between the Parties relating to the Settlement, and it will then be deemed that no oral representations, warranties, covenants, or inducements have been made to any party concerning this Agreement or its exhibits, other than the representations, warranties, covenants, and inducements expressly stated in this Agreement and its exhibits.

- F. Interim Stay of Proceedings.** The Parties agree to stay and hold all proceedings in the Action in abeyance, except such proceedings necessary to implement and complete the Settlement, pending the Final Approval hearing to be conducted by the Court.

- G. Amendment or Modification of Agreement.** This Agreement, and any and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by counsel for all Parties or their successors-in-interest.
- H. Agreement Binding on Successors and Assigns.** This Agreement will be binding upon, and inure to the benefit of, the successors and assigns of the Parties, as previously defined.
- I. No Prior Assignment.** Plaintiff hereby represents, covenants, and warrants that he has not directly or indirectly, assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action or rights herein released and discharged.
- J. Applicable Law.** All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the laws of the State of California, without giving effect to any conflict of law principles or choice of law principles.
- K. Fair, Adequate, and Reasonable Settlement.** The Parties and their respective counsel believe and warrant that this Agreement reflects a fair, reasonable, and adequate settlement of the Action and have arrived at this Agreement through arms-length negotiations, taking into account all relevant factors, current and potential.
- L. No Tax or Legal Advice.** The Parties understand and agree that the Parties are neither providing tax or legal advice, nor making representations regarding tax obligations or consequences, if any, related to this Agreement, and that Class Members and Aggrieved Employees will assume any such tax obligations or consequences that may arise from this Agreement, and that Class Members and Aggrieved Employees shall not seek any indemnification from the Parties or any of the Released Parties in this regard. The Parties agree that, in the event that any taxing body determines that additional taxes are due from any Class Member or Aggrieved Employee, such Class Member assumes all responsibility for the payment of such taxes.
- M. Jurisdiction of the Court.** The Court shall retain jurisdiction with respect to the interpretation, implementation, and enforcement of the terms of this Agreement and all orders and judgment entered in connection therewith, and the Parties and their counsel hereto submit to the jurisdiction of the Court for purposes of interpreting, implementing, and enforcing the Settlement embodied in this Agreement and all orders and judgments in connection therewith.

N. Invalidity of Any Provision; Severability. Before declaring any provision of this Agreement invalid, the Parties request that the Court first attempt to construe the provisions valid to the fullest extent possible consistent with applicable precedents, so as to define all provisions of this Agreement valid and enforceable. In the event any provision of this Agreement shall be found unenforceable, the unenforceable provision shall be deemed deleted, and the validity and enforceability of the remaining provisions shall not be affected thereby.

O. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

2. *What Is This Case About?*

All PAGA Class Members will be enjoined from prosecuting the Released PAGA Claims and from initiating or continuing other proceedings regarding the Released PAGA Claims, including but not limited to filing any claims for monetary relief of the Released PAGA Claims before the DLSE or in any forum whatsoever.

10. How Much Can I Expect to Receive From This Settlement?

The total maximum amount that Defendant could be required to pay under this Agreement shall be up to but no more than \$370,000 ("Gross Settlement Amount" or "GSA").

A. Deductions from the Settlement

The "Net Settlement Amount" or "NSA" means the portion of the Gross Settlement Amount, available for distribution to Class Members after the deduction of (1) the Class Representative Enhancement Payment to the named Plaintiff in an amount up to \$7,500, for prosecution of the Lawsuits, risks undertaken for the payment of attorneys' fees and costs, and a general release of all claims; (2) the Settlement Administration Costs to the Settlement Administrator in an amount estimated not to exceed \$7,500; (3) a payment of \$15,000 allocated to the PAGA claims; and (4) payment to Class Counsel in an amount not to exceed \$123,333.33 (one-third of the Gross Settlement Amount) for attorneys' fees and an amount not to exceed \$15,000 for litigation costs. All of these payments are subject to court approval.

B. How Class Member Settlement Payments are Calculated

After deducting the above-referenced items, the remaining Net Settlement Amount, will be proportionately distributed amongst all Class Members who have not opted out. Each Participating Class Member will receive a proportionate share of the Net Settlement Amount that is equal to (i) the number of workweeks he or she worked for Defendant, based on the Class Data provided by Defendant, divided by (ii) the total number of workweeks worked by all Participating Class Members during the Class Period based on the same Class Data, which is then multiplied by the Net Settlement Amount. One day worked in a given week for Defendant will be credited as a workweek for purposes of this calculation. Therefore, the value of each Class Member's Individual Settlement Share ties directly to the amount of workweeks that he or she worked for Defendant in California.

C. How PAGA Class Member's Settlement Payments are Calculated

If you are a PAGA Class Member under the settlement, you will also receive a portion of the PAGA Payment. Pursuant to PAGA, the LWDA will receive a payment of \$9,750 (65% of the \$15,000 total PAGA Payment). The remaining \$5,250 is the "Net PAGA Settlement Amount" or "NPSA" and will be proportionately distributed

amongst all PAGA Class Members. Each PAGA Class Member will receive a proportionate share of the Net PAGA Settlement Amount that is equal to (i) the number of pay periods he or she worked for Defendant during the PAGA Period based on the PAGA Data provided by Defendant, divided by (ii) the total number of pay periods worked by all PAGA Class Members during the PAGA Period based on the same PAGA data, which is then multiplied by the Net PAGA Settlement Amount. One day worked for Defendant in a given pay period will be credited as a pay period for purposes of this calculation. Therefore, the value of each PAGA Class Member's Individual PAGA Settlement Share ties directly to the amount of pay periods that he or she worked during the PAGA Period for Defendant in California.

D. Your Estimated Settlement Payment

Although your exact share of the Net Settlement Amount as a Class Member cannot be precisely calculated until after the time during which individuals may object or seek exclusion from the Settlement concludes, based upon the calculation above, your approximate share of the Net Settlement Amount, is as follows: \$ [REDACTED], less taxes. This is based on the Class Data which shows you worked [REDACTED] workweeks during the Class Period. The maximum number of workweeks any Class Member may have is [REDACTED].

Based upon the calculation above, your approximate share of the Net PAGA Settlement Amount, is as follows: \$ [REDACTED]. This is based on the PAGA Data which shows you worked [REDACTED] workweeks during the PAGA Period. The maximum number of workweeks any PAGA Class Member may have is [REDACTED].

E. Tax Treatment of Your Settlement Payments

Each Class Member's Individual Class Settlement Share will be apportioned as follows: one-third wages and two-thirds for interest and penalties. The amounts paid as wages shall be subject to all tax withholdings customarily made from an employee's wages and all other authorized and required withholdings and shall be reported by W-2 forms. Payment of all amounts will be made subject to backup withholding unless a duly executed W-9 form is received from the payee(s). The amounts paid as penalties and interest shall be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported by IRS 1099 forms. Only the employee share of payroll tax withholdings shall be from each Class Member's Individual Class Settlement Share. The employer share of payroll tax withholdings shall be paid separate from and in addition to the Gross Settlement Amount.

If you are a PAGA Class Member, your Individual PAGA Settlement Share will be apportioned as 100% penalties. This will not be reduced by payroll tax withholding and deductions. The Settlement Administrator will issue to each PAGA Class Member an IRS Form 1099 with respect to his/her Individual PAGA Settlement Share.

If any checks remain uncashed or not deposited by the expiration of the 180-day period, the Settlement Administrator will pay over the amount represented by the check to the State of California unclaimed property fund in the name of the Class Member.

11. *How Will the Attorneys for the Class and the Class Representative Be Paid?*

The attorneys for Plaintiff and the Class will be paid from the Gross Settlement Amount.
