I, Mehrdad Bokhour, say and declare as follows:

1. I am an attorney at law, duly licensed to practice before all the Courts of the State of California, and I am the principal of Bokhour Law Group, P.C., and I serve as attorney of record for Plaintiff Robert Sumner (“Plaintiff”) and the Putative Class.

2. I am familiar with the file in this matter, and if called as a witness, I could and would competently testify to the following facts of my own personal knowledge. I submit this declaration in support of Plaintiff's Motion for Preliminary Approval of Class Action Settlement.

3. I have been a member, in good standing, of the State Bar of California since 2012. I am admitted to practice before all California state courts, the U.S. Court of Appeals for the Ninth Circuit, the U.S. District Court for the Central District of California, Eastern District of California, and Southern District of California, and have litigated class action and Private Attorneys General Act (“PAGA”) representative action cases in various courts in California.

4. I graduated from the University of California, Berkeley in 2007. I received my Juris Doctorate from Loyola Law School, Los Angeles, in 2012. I began my legal career focusing on plaintiff-side employment litigation, emphasizing disability discrimination and harassment matters under the Fair Employment and Housing Act.

5. After practicing for several years in an amorphous range of civil litigation on behalf of plaintiffs and defendants, I opened my law firm in 2014 with an exclusive concentration on the representation of employees against employers to recover unpaid wages and vindicate harassment, discrimination, and retaliation claims in various contexts. Most of my cases have been litigated as class actions, representative PAGA actions, or a combination of the two.

6. I am also an active member of the California Employment Lawyers Association (“CELA”) and have attended various Continuing Legal Education courses pertaining to advocacy on behalf of employees. My firm has the experience, resources, and means necessary to allow us to provide adequate representation as Class Counsel to all aggrieved employees in this litigation. Currently, my firm is acting as lead counsel in at least twenty-five wage-and-hour class actions and co-counsel in at least twenty others.

1
2 7. I was selected as a “Super Lawyer Rising Star” in Employment Litigation from 2017
3 through 2022 and as a “Super Lawyer” from 2023-2024, a distinction reserved for the top 2.5 % of
4 attorneys in the practice area.

5 8. Through a contested but productive mediation, Plaintiff and Defendant VACCO
6 Industries (“Defendant”) (collectively, the “Parties”) entered into a Class Action and PAGA
7 Settlement Agreement resolving the wage and hour claims of the Settlement Class (“Settlement
8 Agreement” and/or “Settlement”), which is attached hereto as **Exhibit A**.

9 9. The Settlement Agreement seeks to fully release and discharge Defendant from the
10 claims brought against it in this matter in exchange for Defendant’s agreement to pay \$1,260,000 on
11 a non-reversionary, non-claim made basis (each Settlement Class Member will receive his/her share
12 of the Net Settlement Amount without having to submit a claim form or taking action, except for
13 those who opt-out). Specifically, Plaintiff seeks to represent a Class of all current and former non-
14 exempt employees who worked for VACCO in California at any time between September 20, 2020,
15 and July 31, 2025 (“Class Period”) (the “Class Members”).

16 10. Likewise, the allegedly aggrieved employees include all current and former non-
17 exempt employees of VACCO who worked for VACCO in California from September 20, 2023,
18 through July 31, 2025, referred to as “PAGA Members.”

19 11. Under the terms of the Settlement Agreement, Defendant will not oppose Class
20 Counsel’s request for a reasonable award of attorney’s fees not to exceed one-third of the Settlement
21 Amount and litigation costs not to exceed \$25,000, Settlement Administration Costs not to exceed
22 \$10,000, PAGA penalties of \$50,000 (of which \$32,500 or 65% will be paid to the LWDA and the
23 remaining \$17,500 or 35% will be paid to the PAGA Members) (“Individual PAGA Payments”), and
24 a Class Representative Service Payment not to exceed \$10,000 to the named Plaintiff as follows:

	Total Amount
<i>Gross Settlement Amount</i>	\$1,260,000.00
Class Counsel Fees Payment	\$420,000
Litigation Costs (not to exceed)	\$25,000.00
Administrator Costs (not to exceed)	\$10,000.00

PAGA payment to LWDA (65% of \$50k award)	\$32,500.00
PAGA payment to PAGA Members (35% of 50k award)	\$17,500.00
Class Representative Service Payment	\$10,000.00
<i>Net Settlement Amount</i>	\$745,000

12. The Class includes approximately 339 Class Members who worked for Defendant during the Class Period. Plaintiff contends that, regardless of their roles, all non-exempt employees worked under the same workplace policies and practices, and therefore, the individual class payments will be paid on a pro-rata basis based on the number of weeks during which a Class Member worked for VACCO for at least one day during the Class Period (“Workweeks”) worked during the Class Period (the “Individual Class Payments”). Assuming a total class size of 317 Class Members, the average payment to each will be approximately \$2,197. Of course, those with more Workweeks stand to recover proportionally more from the Settlement.

13. The Settlement is non-reversionary, and Settlement Class Members will not be required to submit claim forms to receive payment, but each Settlement Class Member will receive the Notice Packet containing information about his/her share, the opportunity to dispute the number of Weeks Worked by the Settlement Class Member, and the opportunity to opt-out or object to the Settlement. All Settlement Class Members who do not affirmatively opt out will receive a settlement check upon the Court granting final approval (the Class Notice, Request for Exclusion Form, and Objection Form are attached hereto as **Exhibit B**).

14. Because the Settlement is fair and reasonable and was negotiated at arm’s length by experienced counsel and an experienced mediator following a sufficient exchange of information and documents before mediation, it should be preliminarily approved. Plaintiff respectfully requests that the Court enter an order preliminarily approving the Settlement, conditionally certifying the Class under Code of Civil Procedure § 382 for settlement purposes, approving the proposed Notice Packet, appointing Plaintiff’s counsel as Class Counsel, appointing Phoenix Class Action Settlement Administrators as the Settlement Administrator, and scheduling a hearing for the final approval of the Settlement.

15. On or about September 20, 2024, Plaintiff filed suit in Los Angeles County Superior Court against VACCO, asserting the following claims under the California Labor Code: (1) failure

1 to pay overtime wages; (2) failure to pay sick time wages, (3) failure to provide meal periods; (4)
2 failure to provide rest breaks; (5) failure to provide accurate itemized wage statements; (6) failure to
3 pay all wages due upon separation of employment; (7) failure to pay all vacation wages; (8) failure
4 to reimburse necessary business expenses. Plaintiff also asserted a claim for alleged violation of
5 California's Unfair Competition Law.

6 16. Plaintiff also submitted the PAGA Notice to the LWDA, asserting various allegations
7 under the Private Attorneys General Act ("PAGA") and providing notice of intent to file a
8 representative action on behalf of the LWDA and other allegedly aggrieved non-exempt California
9 employees of VACCO.

10 17. Defendant has denied and continues to deny the allegations throughout the litigation
11 and vowed to defend against the claims vigorously. However, before engaging in protracted litigation,
12 the Parties agreed to explore resolution through private mediation.

13 18. In preparation for mediation, the Parties agreed to an informal discovery process
14 where information relating to the applicable policies and procedures, a robust sampling of payroll
15 and timekeeping records, the size of the Class, compensation policies and practices, and other data
16 points bearing on the potential settlement value of the case were exchanged. (*Id.*) The time and pay
17 data sampling enabled Plaintiff's counsel and their expert to fully evaluate the potential claims and
18 extrapolate the data to the entire Class. During this process, Plaintiff and his counsel analyzed,
19 researched, and investigated the potential claims of all similarly situated employees.

20 19. On February 20, 2025, the Parties participated in mediation before Jeffrey Fuchshman,
21 Esq., an experienced class action mediator. The Parties, through counsel and with the assistance of
22 the mediator, engaged in continued settlement discussions and accepted a Mediator's Proposal made
23 by Mediator Fuchsman on or about August 6, 2025, which was accepted by all Parties on or about
24 August 8, 2025.

25 20. Based upon detailed data obtained through informal discovery and information
26 exchanges, Plaintiff's counsel estimated the following big-picture data points through the mediation
27 date: 317 Class Members who worked approximately 49,512 workweeks during the Class Period.

1 21. First, Plaintiff alleged that Defendant's use of an unlawful and invalid Alternative
2 Workweek Schedule ("AWS") resulted in underpayment of overtime wages in violation of
3 California law. Plaintiff contends that the AWS was not properly adopted in accordance with the
4 Labor Code and applicable Wage Orders, and therefore any hours worked in excess of eight per
5 day should have been paid at the applicable overtime rate. Based on Plaintiff's analysis of the
6 timekeeping and payroll records produced during informal discovery, Plaintiff estimates that
7 approximately 100,000 hours of overtime were underpaid due to the AWS, at an average hourly
8 overtime rate of \$31. This results in an estimated maximum value of \$3,100,000 in unpaid overtime
9 wages attributable to the AWS claim.

10 22. However, this maximum figure does not account for Defendant's defenses to
11 Plaintiff's AWS claim. Defendant asserted that the AWS was properly adopted pursuant to
12 applicable Labor Code requirements and that all overtime was paid in compliance with California
13 law. Defendant also argued that individualized inquiries would be required to determine the hours
14 worked and whether any overtime was, in fact, unpaid for each employee, undermining the
15 suitability of the claim for class certification. Based on this argument and other related risks,
16 Plaintiff assigned a 75% risk that the Court would deny class certification of the AWS claim.
17 Therefore, Plaintiff estimates a risk-adjusted value of \$775,000 for the AWS Claim.

18 23. Second, Plaintiff alleged that Defendant failed to account for non-discretionary
19 bonuses and other incentive pay when calculating the "regular rate of pay" when paying overtime
20 and sick pay wages. However, Defendant argued that it correctly calculated the "regular rate of pay,"
21 and that any underpayment was in good faith and *de minimis*.

22 24. While Defendant's sampling of pay records revealed "regular rate of pay" violations,
23 the underpayments of overtime and sick wages were minimal throughout the Class Period.

24 25. Due to this and in light of Defendant's other defenses, Plaintiff completely discounted
25 these two claims, keeping in mind that the true significant value of this unpaid wages claim lies in
26 the derivative claims for waiting time penalties under California Labor Code section 203 and wage
27 statement violations under California Labor Code section 226 as discussed below.

28 26. With respect to Plaintiff's waiting time penalty claim, approximately 87 Class

1 Members were separated from their employment with Defendant during the relevant statutory period.
2 As such, the maximum potential penalty under Labor Code § 201 – 203 is \$647,280 (87 employees
3 x 8.0 hours per day x average hourly rate of \$31 x 30 days).

4 27. In response, Defendant argued that it would defeat the waiting time penalty claim
5 because any failure to pay wages was not willful and occurred before the waiting time penalty liability
6 period. (Bokhour Decl. ¶ 25.) Defendant further argued that it would defeat liability for waiting time
7 penalties arising from Plaintiff's meal and rest period claims.

8 28. Therefore, Plaintiff applied a 50% risk of defeat at the class certification stage and an
9 additional 40% risk of defeat at the summary judgment stage or on the merits, resulting in the risk-
10 adjusted value of \$194,184 for Plaintiff's waiting time penalty claim.

11 29. With respect to Plaintiff's meal and rest period violation claims, the Class Members
12 worked 195,345 shifts during the Class Period. Based on Defendant's sampling of employment
13 records, there was an alleged 6.5% violation rate for the meal period claims and an alleged assumed
14 33% violation rate for the rest period claims, as extrapolated from the pre-mediation sampling of
15 Defendant's payroll and timekeeping records. Given the total number of shifts at issue (approximately
16 195,345), this established maximum values of \$393,620 for the meal period claims (195,345 total
17 shifts x 6.5% violation rate x \$31 per LC § 226.7) and \$1,998,379 for rest period claims (195,345
18 total shifts x 33% violation rate x \$31 per LC § 226.7).

19 30. However, Defendant vehemently opposed the meal and rest period claims based on
20 the following arguments: (1) Plaintiff's meal and rest period claims fall directly into the category of
21 "individualized issues," (2) that its written policies and practices were compliant with California law,
22 and (3) putative class members had ample latitude regarding whether, when, and how they took their
23 meal and rest breaks, especially because most of Class Members worked remotely. Based thereon,
24 Defendant asserted that a factfinder would have to determine for each Class Member whether a break
25 was missed and why a break was noncompliant/nonexistent, because if it was by the employee's
26 choice, no liability attaches to Defendant.

27 31. Based on these arguments, Plaintiff believes there is a 65% risk that the Court would
28 deny class certification on these meal period and rest period violation claims.

1 32. Defendant further argued that, even if certification were granted, it would defeat these
2 claims on the merits because Defendant utilized compliant meal and rest period policies and practices,
3 and it would present sufficient evidence that the putative Class Members were properly provided with
4 all breaks or paid compensation in lieu thereof. Moreover, Defendant argued that Plaintiff could not
5 present sufficient evidence establishing the number of meal and rest period violations to allow a
6 factfinder to determine damages appropriately. Plaintiff acknowledged these risks and incorporated
7 a further 50% reduction. Plaintiff, therefore, calculates the risk-adjusted value of the meal period
8 claims to be \$68,883, and the rest period claims to be \$349,716.

9 33. Plaintiff estimates that the maximum potential penalties for the derivative wage
10 statement claim are \$375,150 (based on approximately 7,503 allegedly violative wage statements
11 issued during the Class Period). In calculating Defendant's exposure, Plaintiff gave Defendant the
12 benefit of assuming Plaintiff could only obtain the "initial" wage statement penalty of \$50 per
13 violation, for a total of \$199,000 in potential wage statement penalties.

14 34. In response to Plaintiff's wage statement violation claim, Defendant contended that
15 any alleged violations were not "knowing and intentional," and that Plaintiff could not establish that
16 he or anyone else suffered "injury" because of any alleged wage statement violations. Further,
17 Defendant relied on its defenses to Plaintiff's underlying claims on the merits and the propriety of
18 class certification.

19 35. As such, Plaintiff discounted the calculated maximum exposure by 40% for the risk
20 of non-certification and by an additional 20% for the risk of being unsuccessful on the merits to arrive
21 at an estimated total of \$180,073.

22 36. Plaintiff also sought PAGA penalties for each violation for which they are available
23 and alleged that these penalties can be "stacked." Assuming that a PAGA penalty is available in the
24 default amount of \$100 per pay period and is not reduced, the maximum potential PAGA penalty
25 would be \$750,300 for the pay periods during the PAGA period. *See* Cal. Lab. Code. § 2699(f)(2).

26 37. However, this maximum figure fails to account for numerous unclear issues relating
27 to PAGA claims. First, it is unclear whether stacking is permissible and/or whether the court would
28 award penalties in such a way (especially for the purely derivative penalties). Second, the maximum

figure fails to acknowledge that courts have wide latitude to reduce the amount of civil penalties “based on the facts and circumstances of the particular case” and if “to do otherwise would result in an award that is unjust, arbitrary and oppressive, or confiscatory.” Labor Code § 2699(h); *Cotter v. Lyft, Inc.* (N.D. Cal. 2016) 193 F. Supp. 3d 1030, 1037 (noting in the context of approving settlement that a reduction in PAGA penalties would be “appropriate” based on the “unjust, arbitrary and oppressive, or confiscatory” factors because (i) the employer did not “deliberately evad[e] a clear legal obligation to provide legally required pay and benefits to employees,” (ii) the employer did not “negligently failed to learn about its obligations under the wage and hour laws,” and (iii) the employer’s obligations were “genuinely unclear” because “there is no straight answer to the question. Therefore, Plaintiff believes that the \$50,000 allocation toward PAGA penalties is fair and reasonable. .’”)

38. In sum, when factoring in defenses and risks of ongoing litigation, Plaintiff estimates the risk-adjusted class recovery as follows:

• AWS Claim:	\$775,000
• Overtime Regular Rate Claim:	\$0 (discounted)
• Labor Code §§ 201 – 203 Claims:	\$194,184
• Meal Period Claims:	\$68,883
• Rest Break Claims:	\$349,716
• Labor Code § 226 Claims:	\$180,073
• PAGA Claims:	\$50,000
• <u>Total Risk-Adjusted Penalties and Damages:</u>	\$1,617,856

39. Given the realistic value of Plaintiff’s claims, the \$1,260,000 Settlement Amount is an excellent result for the Class, considering that the Settlement Amount totals approximately 77% of Plaintiff’s risk-adjusted value of the case. Preliminary approval is appropriate since the Settlement will provide significant monetary relief to the Class.

40. The Settlement was the product of extensive arm’s length negotiations between counsel and was facilitated by an experienced wage-and-hour class action mediator. Though cordial and professional, the Settlement negotiations were adversarial and non-collusive in nature. The

1 Settlement reached is the product of substantial effort by the Parties and their counsel. Although
2 Plaintiff and his counsel believe that there was a possibility of certifying the claims, they recognized
3 the potential risk, expense, and complexity posed by litigation, such as unfavorable decisions on class
4 certification, summary judgment, at trial and/or on the damages awarded, and/or on an appeal that
5 can take several more years to litigate. In addition, if Defendant prevailed on any of their defenses,
6 the employees may not have received any substantial monetary recovery.

7 41. The Settlement will result in a fair payment to each Settlement Class Member based
8 on the number of Weeks Worked during the Class Period. As set forth hereinabove, Plaintiff and his
9 counsel have diligently investigated the claims and defenses on behalf of the Settlement Class
10 Members and worked to achieve a resolution of the claims to maximize the recovery by avoiding
11 further expenditure of Attorneys' Fees and Costs. After evaluating the significant risks attendant with
12 further litigation described above and weighing them against the benefits of a known compromise
13 and settlement as set forth in the Settlement Agreement, settlement on the terms agreed to is believed
14 to be in the best interest of Plaintiff and the Settlement Class, and is a fair and reasonable resolution
15 of the claims alleged.

16 42. Plaintiff's counsel brought to bear a great deal of collective experience in negotiating
17 the settlement of this case. As detailed herein, Plaintiff's counsel engaged in necessary informal
18 discovery, investigation, sampling, and expert evaluation, making it possible to exercise informed
19 judgment throughout the settlement process, including significant document review (e.g., documents
20 pertaining to Defendant's policies and procedures, personnel documents, wage statements, time
21 records, among others) and conducted an extensive analysis and extrapolation of the sampling of
22 class-wide data provided by Defendant.

23 43. Based on our experience in other cases, including wage and hour matters, I believe
24 our office, along with Joshua Falakassa, is qualified to evaluate the class claims and viability of
25 defenses in this class action. In this case, the recovery for each Settlement Class Member is
26 reasonable, fair and adequate, and a settlement at this time is in the best interest of the Settlement
27 Class. The Settlement provides each Settlement Class Member with compensation for the alleged
28 violations when viewed in relation to the costs and risks inherent in obtaining class certification and

1 proceeding to trial.

2 44. Plaintiff's counsel, as well as Defendant's counsel, fully endorse the terms and
3 conditions of the Settlement as set forth in the above-mentioned Settlement Agreement.

4 45. Of course, the Settlement Amount represents a compromise figure, taking into account
5 the various risks surrounding class certification and the merits of Defendant's asserted defenses.
6 Nevertheless, the Settlement provides for fair and adequate payments to the Settlement Class
7 Members, with no reversion to Defendant.

8 46. Plaintiff seeks a Service Award of \$10,000, which we believe is fair and warranted.
9 Plaintiff agreed to come forward in an effort to effectuate a policy and practice change that benefitted
10 all other Settlement Class Members, and to recover unpaid wages and penalties. She assumed
11 significant risk in bringing this litigation, namely, had he lost, he could have been ordered to pay
12 Defendant's costs.

13 47. Plaintiff provided invaluable assistance to the investigation and prosecution of this
14 case, including: providing factual background for the Class Complaint; reviewing the litigation
15 documents; providing information and documentation about Defendant's policies and practices;
16 participating in phone calls to discuss litigation and settlement strategy; and reviewing the settlement
17 documents. Plaintiff agreed to participate in this case with no guarantee of personal benefit. Plaintiff's
18 comprehensive declaration setting forth all of the reasons why he believes that the Service Award
19 should be approved has been filed herewith.

20 48. When this case was taken on a contingency fee basis, with our firm agreeing to assume
21 responsibility for all litigation costs, the ultimate result was far from certain. In the course of this
22 litigation, we paid all costs including the filing fees, court costs, research/database fees, mediation
23 costs, and expert costs. There was never a guarantee that our firms would recoup these expenditures.
24 In fact, had Plaintiff lost, she could have been ordered to pay Defendant's costs

25 49. It is our experience that attorneys' fee awards of one-third of a common fund
26 settlement are the standard in California. Plaintiff's counsel agreed to seek one-third of the Settlement
27 Amount for Attorneys' Fees in this case. Defendant does not oppose this fee request. The fee is further
28 warranted because it is within the range of reasonableness typically awarded in class actions. Our

1 firm's Costs will not exceed \$25,000 and will be based on the actual amount incurred at the time of
2 final approval.

3 50. Subject to the Court's approval, the parties stipulated that Phoenix Class Action
4 Settlement Administrators serve as the Settlement Administrator. Phoenix is experienced in
5 administering class action settlements and will not exceed \$10,000 to administer this class action
6 Settlement.

7 51. Plaintiff has concurrently submitted the Settlement to the LWDA in accordance with
8 Labor Code Section 2699(1)(2). The proof of submission is attached hereto as **Exhibit "C."**

9 52. In compliance with California Rules of Professional Conduct section 1.5.1, Plaintiff
10 signed a fee split agreement that provides fees will be allocated between Class Counsel as follows:
11 fifty percent (50%) to the Bokhour Law Group, P.C., and fifty percent (50%) to the Falakassa Law,
12 P.C.

13 53. For the foregoing reasons, it is respectfully requested that the Court grant preliminary
14 approval of the Settlement as being fair, reasonable, and in the best interests of the Settlement Class,
15 as well as preliminarily approve the requested Attorneys' Fees and Costs, and Service Award to the
16 Class Representative.

17 I declare under penalty of perjury under the laws of California that the foregoing is true and
18 correct on this 14th day of October 2025, in Los Angeles, California.

To dispute the number of Workweeks and/or PAGA Pay Periods with which they have been credited, a Class Member and/or PAGA Member must timely submit a challenge to the Administrator by the response deadline. The challenge may be submitted by U.S. Mail or other delivery service. The submission date is deemed to be, in the case of submission by U.S. Mail or other delivery service, the date the challenge is sent, as evidenced by the postmark or other delivery service date stamp. Class Members and/or PAGA Members who timely submit challenges may produce evidence to the Administrator showing that the Workweek and/or Pay Period information is inaccurate. The

Administrator will decide the dispute. VACCO's records will be presumed correct, but the Administrator will evaluate the evidence submitted by the Class Member and/or PAGA Member and will make the final decision as to the merits of the dispute. The Administrator may ask VACCO to produce additional information regarding the dispute for the purpose of resolving the dispute. VACCO will provide such information in its possession within seven (7) business days of the Administrator's request. It is understood and agreed that any decision by the Administrator will not operate to increase the Gross Settlement Amount, nor the amounts VACCO is required to pay. The Administrator's decision of each Class or PAGA Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge.

7.7 Objections to Settlement.

7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and/or the Class Representative Service Payment.

7.7.2 Participating Class Members may send written objections to the Administrator, by mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than sixty (60) days after the Administrator's mailing of the Class Notice (plus an additional fourteen (14) days for Class Members whose Class Notice was re-mailed).

7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

7.8.1 Website. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval Order, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval Order and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls.

- 7.8.2 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- 7.8.3 Workweek and/or Pay Period Challenges. The Administrator will decide any Workweek and/or Pay Period challenges. VACCO’s records will be presumed correct, but the Administrator will evaluate the evidence submitted by the Class Member and will make the final decision as to the merits of the dispute. The Administrator may ask VACCO to produce additional information regarding the Class Member and/or PAGA Member disputing their credited Workweeks and/or Pay Periods for the purpose of resolving the dispute. VACCO will provide such information in its possession within seven (7) business days of the Administrator’s request. It is understood and agreed that any decision by the Administrator will not operate to increase the Gross Settlement Amount, nor the amounts VACCO is required to pay. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 7.8.4 Administrator’s Declaration. Not later than fourteen (14) days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- 7.8.5 Final Report by Administrator. Within ten (10) days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least fifteen (15) days before any deadline set by the Court, the Administrator will prepare and submit to Class Counsel and Defense Counsel a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement.

Class Counsel is responsible for filing the Administrator's declaration in Court.

8. **ESCALATOR CLAUSE.** The Settlement Amount is based on the Parties' estimate that there are 49,512 Workweeks worked by Class Members during the Class Period as of July 31, 2025, including 3,110 Workweeks covered by prior releases. If the total number of Workweeks worked by Class Members during the Class Period exceeds 54,463 (which is 10% more than the estimated Workweeks as of July 31, 2025), then, at Defendant's option, either: (a) the Gross Settlement Amount shall be increased by one percent (1%) for every one percent (1%) by which the total Workweeks exceed the 10% threshold; or (b) the Class Period and PAGA Period shall end on the date the number of Workweeks equals 54,463.
9. **VACCO'S RIGHT TO WITHDRAW.** If more than five percent (5%) of the Class Members timely and validly request exclusion from the Settlement, Defendant shall have the sole and absolute discretion to rescind the Settlement in its entirety by providing written notice to Class Counsel and the Settlement Administrator within ten (10) calendar days after the Settlement Administrator provides the final Opt-Out list to the Parties. In the event Defendant elects to rescind the Settlement pursuant to this provision, the Settlement shall be null and void, the Parties shall be restored to their respective positions as of the date of execution of the Settlement Agreement, and neither the Settlement nor any of its terms shall be admissible in any proceeding.
10. **MOTION FOR FINAL APPROVAL.** Not later than sixteen (16) court days before the scheduled Final Approval Hearing, Plaintiff will file in Court a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement portion of the Settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel no later than fourteen (14) days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
 - 10.1 **Response to Objections.** Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 10.2 **Duty to Cooperate.** If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to attempt to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Settlement Administration Costs shall not constitute a material modification to the Agreement within the meaning of this paragraph.

- 10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 10.4 Waiver of Right to Appeal. The parties and all Participating Class Members who did not object to the Settlement as provided in this Agreement waive all appeals from the final approval of the Settlement, except that Plaintiff and Class Counsel may appeal from an order by the Court that reduces the amounts sought for the Class Representative Payment or the Class Counsel Fees Payment or Class Counsel Litigation Expenses Payment. Such an order or affirmance of such an order will not entitle Plaintiff or the Class to avoid the Settlement. VACCO's payment obligation under the Settlement will be suspended pending an appeal of the Judgment.
- 10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to attempt to address the appellate court's concerns, sharing, on a 50-50 basis, any additional Settlement Administration Costs reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. ADDITIONAL PROVISIONS.

- 11.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by VACCO that any of the allegations in the PAGA Notice, the Complaint or First Amended Complaint have merit or that VACCO has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that VACCO's defenses in the Action have merit. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, VACCO reserves the right to contest certification of any class for any reasons, and VACCO reserves all available defenses to the claims in the Action and First Amended Complaint, and Plaintiff reserves the right to move for class certification on any grounds available and to contest VACCO's defenses. The Settlement Agreement, whether approved or not approved, revoked, or made ineffective for any reason, and any proceedings related to this settlement and any discussions relating thereto shall be inadmissible as evidence of any liability or wrongdoing whatsoever and shall not be offered as evidence of any liability or wrongdoing in any court or other tribunal in any state, territory, or jurisdiction, or in any manner whatsoever. Further, neither the Settlement Agreement, nor any proceedings taken

pursuant to it, shall be construed, offered or received in evidence as an admission, concession or presumption that class certification is appropriate, except to the extent necessary for the consummation of the agreement.

- 11.2 Confidentiality. Plaintiff and Class Counsel each agree that they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Plaintiff and Class Counsel's attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) to the extent necessary to report income to appropriate taxing authorities; (3) in response to a court order or subpoena; (4) in response to an inquiry or subpoena issued by a state or federal government agency; or (5) except as required to obtain approval of and administer the Settlement. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff and Class Counsel each agree not to, directly or indirectly, initiate any conversation or other communication with any third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 11.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 11.4 No Assistance With Litigation. Plaintiff and Plaintiff's Counsel agree to refrain from encouraging, supporting, assisting, or cooperating with any other potential or actual litigation or claim against VACCO, unless required to do so by legal process.
- 11.5 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 11.6 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and VACCO, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 11.7 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement as agreed by the Parties, submitting

supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

- 11.8 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 11.9 No Tax Advice. Neither Plaintiff, Class Counsel, VACCO, nor Defense Counsel is providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 11.10 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 11.11 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 11.12 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 11.13 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 11.14 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 11.15 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by VACCO in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff and Class Counsel shall destroy all paper and electronic versions of Class Data received from VACCO unless, prior to the Court's discharge of the Administrator's

obligation, VACCO makes a written request to Class Counsel for the return, rather than the destruction of, Class Data.

- 11.16 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 11.17 Calendar Days. Unless otherwise noted, all reference to “days” in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter:
- 11.18 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

- 11.19 Execution in Counterparts. This Agreement may be executed in one or more counterparts by facsimile, electronically (i.e., DocuSign), or email which for purposes of this Agreement shall be accepted as an original. All executed counterparts and each of them will be deemed to be one and the same instrument if counsel for the Parties will exchange between themselves signed counterparts. Any

EXHIBIT “B”

**SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF LOS ANGELES**

**COURT APPROVED NOTICE OF CLASS ACTION AND PAGA SETTLEMENT AND
HEARING DATE FOR FINAL COURT APPROVAL**

(Robert Sumner v. Vacco Industries, Case No. 24STCV24575)

*The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.*

You may be eligible to receive money from a negotiated settlement (the “Settlement”) in connection with a disputed class action lawsuit filed against Vacco Industries (“VACCO”) for alleged wage and hour violations (*Robert Sumner v. Vacco Industries*, Case No. 24STCV24575) (the “Action”). The Action was filed by a former VACCO employee, Robert Sumner (“Plaintiff”) and seeks damages for a class of all current and former non-exempt employees who worked for VACCO in California at any time between September 20, 2020, through July 31, 2025 (“Class Members”); and (2) civil penalties under the California Private Attorney General Act (“PAGA”) for all current and former non-exempt employees of VACCO who worked for VACCO in California during the at any time between September 20, 2023, and July 31, 2025 (“PAGA Period”) (“PAGA Members”).

The proposed Settlement has two main parts: (1) a Class Settlement whereby Class Members may be eligible to receive Individual Class Payments, and (2) a PAGA Settlement, whereby PAGA Members may be eligible to receive Individual PAGA Payments, and the California Labor and Workforce Development Agency (“LWDA”) will receive a payment.

Based on VACCO’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to VACCO’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on VACCO’s records showing that **you worked _____ Workweeks** (as defined below) during the Class Period, and **you worked _____ Pay Periods** (as defined below) during the PAGA Period. If you believe that you worked more Workweeks or Pay periods during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires VACCO to make payments under the Settlement and requires Class Members and

PAGA Members to give up their rights to assert certain claims against VACCO.

If you worked for VACCO during the Class Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don’t have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert the Released Class Claims as described in section 9.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for via mail. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against VACCO. You cannot opt-out of the PAGA portion of the proposed Settlement, and thus, if you are a PAGA Member, you will remain eligible for an Individual PAGA Payment regardless of whether you opt out of the Class Settlement.

VACCO will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don’t Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the Released Class Claims (defined below).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is _____	If you don’t want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. VACCO must pay Individual PAGA Payments to all PAGA Members and the PAGA Members must give up their rights to pursue Released PAGA Claims (defined below).

Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by _____	All Class Members who do not opt-out (“Participating Class Members”) can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the _____ Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by _____	The amount of your Individual Class Payment and Individual PAGA Payment (if any) depends on how many Workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number of Class Period Workweeks and number of PAGA Pay Periods you worked according to VACCO’s records is stated on the first page of this Notice. If you disagree with the calculation of Class Workweeks and/or Pay Periods, you must challenge it by__. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former VACCO employee. The Action accuses VACCO of violating California labor laws, asserting claims based on VACCO’s alleged: (1) failure to pay overtime wages; (2) failure to provide meal and/or rest periods; (3) failure to pay all sick time; (4) failure to provide accurate itemized wage statements; (5) failure to reimburse necessary business expenses, (6) failure to pay vacation wages; and (7) failure to pay all wages due upon separation of employment. Plaintiff also asserted a violation of California’s Unfair Competition Law (“UCL”). Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) (“PAGA”). Plaintiff is represented by attorneys in the Action: Mehrdad Bokhour of Bokhour Law Group, P.C., and Joshua S. Falakassa of Falakassa Law, P.C. (“Class Counsel.”)

VACCO strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether VACCO or Plaintiff is correct on the merits. In the meantime, Plaintiff and VACCO hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an agreement to settle the case rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and VACCO have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree that the proposed Settlement is a compromise of disputed claims. By agreeing to settle, VACCO does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) VACCO has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and PAGA Members. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. VACCO Will Pay \$1,260,000 as the Gross Settlement Amount (Gross Settlement). VACCO has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the California Labor and Workforce Development Agency (“LWDA”). Assuming the Court grants Final Approval, VACCO will fund the Gross Settlement after the Effective Date as defined in the Settlement submitted to the Court.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$420,000 (one third of the Gross Settlement) to Class Counsel for attorneys’ fees and up to \$25,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000 as a Class Representative Service Payment for filing the Action, working with Class Counsel and representing the Class. A Class Representative Service Payment will be the only monies Plaintiff will receive other than Plaintiff’s Individual Class Payment and any Individual PAGA Payment.

C. Up to \$10,000 to the Administrator for services administering the Settlement.

D. Up to \$50,000 for the Net PAGA Settlement, allocated 65% to the LWDA PAGA Payment and 35% in Individual PAGA Payments to the PAGA Members based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and VACCO are asking the Court to approve an allocation of 20% of each Individual Class Payment to taxable wages (“Wage Portion”) and 80% to interest and penalties (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. VACCO will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms. Although Plaintiff and VACCO have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor, at your own expense, if you have any questions about the tax consequences of the proposed Settlement.
5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be donated to Bet Tzedek Legal Services and Public Counsel, subject to Court approval, as a cy pres award under California Code of Civil Procedure Section 384, subdivision (b)..
6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than_____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the_____Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but may preserve any rights to personally pursue wage and hour claims against VACCO.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert Released PAGA Claims against VACCO.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and VACCO have agreed that, in either case, the Settlement will be void: VACCO will not pay any money and Class Members will not release any claims against VACCO.
8. Administrator. The Court has appointed a neutral company, Phoenix Settlement Administrators (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also mail and re-mail settlement checks and tax forms, assist with resolving Class Member challenges over Workweeks and Pay Periods, make the final decision regarding challenges over Workweeks and/or Pay Periods, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. As described below, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement after Final Approval Order and Judgment.
