DECLARATION OF JESUS ROMERO

I, Jesus Romero, declare as follows:

1. I am an individual over the age of 18. I am the named plaintiff in the above-reference action. I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. I was employed by Defendant JMS Interiors, Inc. ("Defendant") from May to September of 2024. I worked as an hourly, non-exempt employee.

3. The wage statements issued to me by Defendant did not list the pay period start and end dates, as required by California Labor Code Section 226(a)(6).

4. I understand that this action was brought on behalf of all other employees in the State of California, and that I am acting as a representative for the Class. As a Class Representative, I understand that it is my responsibility to act in the best interests of the Class and not my own. I agree that I will not put my own interests ahead of that of the Class. Moreover, I am not aware of any conflicts that exist between my interests and the interests of the Class that would impair or affect my ability to serve as representative for the Class.

5. I have and continue to be willing to assist in the investigation of this matter, including meeting and discussing the case with my attorneys, providing any necessary information and documents, making myself available for trial or any further proceedings in this matter as required to represent the interests of the Class. I also understand my duties and responsibilities to the proposed Class and will carry out those duties as necessary.

6. I have reviewed the Class Action and PAGA Settlement Agreement ("Settlement Agreement") and discussed its terms with my attorneys. Based on the information provided, I believe the settlement to be fair, adequate, and reasonable for myself and for the entire Class.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
