- 2.4 Prior to mediation, Plaintiff obtained, through informal discovery, a sampling of time and corresponding pay records belonging to approximately 25% of Class Members, relevant Alliance Energy policies, Plaintiff's time and payroll records, wage statements, and the total number of Class Period Employees and workweeks worked during the Class Period.

3. **MONETARY TERMS.**

- 3.1 Gross Settlement Amount. Except as otherwise provided by Paragraph 10 below, Alliance Energy promises to pay \$250,000.00, and no more as the Gross Settlement Amount, and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. Alliance Energy has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or PAGA Members to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Alliance Energy.
- 3.2 Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval Order:
 - 3.2.1 To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Alliance Energy will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payments by no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment and agrees to defend and hold Alliance Energy harmless and indemnify Alliance Energy in the event of any dispute or controversy regarding all payments under this

Agreement, including, but not limited to, the Class Representative Service Payment.

- 3.2.2 To Class Counsel: A Class Counsel Fees Payment of not more than \$83,333 (representing 33.33% of the Gross Settlement Amount), and a Class Counsel Litigation Expenses Payment of not more than \$20,000. Alliance Energy will not oppose requests for these payments provided that they do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and will defend and hold Alliance Energy harmless, and indemnify Alliance Energy in the event of any dispute or controversy regarding any division or sharing of any of these Payments.
- 3.2.3 To the Administrator: An Administrator Expenses Payment not to exceed \$6,000 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less, or the Court approves payment of less than \$6,000, the Administrator will retain the remainder in the Net Settlement Amount.
- 3.2.4 To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.
 - 3.2.4.1 Tax Allocation of Individual Class Payments. 33% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 67% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for all interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.
- 3.2.5 Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual

Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis according to their respective workweeks.

3.2.6 To the LWDA and PAGA Employees: PAGA Penalties in the amount of \$5,000 will be paid from the Gross Settlement Amount, with 65% allocated to the LWDA PAGA Payment and 35% allocated to the Individual PAGA Payments.

3.2.6.1 The Administrator will calculate each Individual PAGA Payment by dividing the amount of the PAGA Member's 35% share of PAGA Penalties (\$1,750) by the total number of PAGA Period Pay Periods worked by all PAGA Members during the PAGA Period and (b) multiplying the result by each PAGA Member's PAGA Period Pay Periods. PAGA Members assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.6.2 If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. **SETTLEMENT FUNDING AND PAYMENTS.**

4.1 Class Workweeks and PAGA Member Pay Periods. Based on a review of its records to date, Alliance Energy estimates there are 44 Class Members who collectively worked a total of 3,407 Workweeks.

4.2 Class Data. Not later than 30 days after Plaintiff files his Motion for Preliminary Approval of the Settlement, Alliance Energy will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Alliance Energy has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Alliance Energy must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.3 Funding of Gross Settlement Amount. The Settlement Administrator will provide Alliance Energy with wire transfer information within three (3) days after the Effective Date. If no objection to the settlement is made, Alliance Energy will issue payment to the Administrator for the Gross Settlement Amount no later than twenty

(20) days after the Settlement Administrator provides Alliance Energy with wire transfer information.

- 4.4 Payments from the Gross Settlement Amount. Within 10 days after Alliance Energy funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.
- 4.4.1 The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all PAGA Members including Non-Participating Class Members who qualify as PAGA Members (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.
- 4.4.2 The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without a USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
- 4.4.3 For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).
- 4.4.4 The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Alliance Energy to confer any additional benefits or make

any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. **RELEASES OF CLAIMS.** Effective on the date when Alliance Energy fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports to state and federal tax authorities.

- 7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Release under Paragraph 5.2 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- 7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are PAGA Members are deemed to release the claims identified in Paragraph 5.3 of this Agreement and are eligible for an Individual PAGA Payment.
- 7.5.5 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 10 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

- 7.6 Challenges to Calculation of Workweeks. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination of the challenges.
- 7.7 Objections to Settlement.
- 7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.
- 7.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).
- 7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.
- 7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.
- 7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval order, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval order and the Judgment. The Administrator will

also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

- 7.8.2 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- 7.8.3 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 7.8.4 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- 7.8.5 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing, by employee identification number only, all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare and submit to Class Counsel and Defense Counsel a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. **ESCALATOR CLAUSE.** As of September 2, 2025, the Parties estimate that there are approximately forty-four (44) Class Members who collectively worked 3,407 workweeks during the Class Period. If the total number of workweeks through the end of the Class Period increases by more than ten percent (10%) over this estimate (i.e., more than 3,748 workweeks), Alliance Energy shall have the option, in its sole discretion, either (a) to increase

the Gross Settlement Amount proportionally by one percent (1%) for every one percent (1%) increase in workweeks above the 10% threshold, or (b) to cut off the Class Period such that the total workweeks do not exceed the 10% threshold. Alliance Energy must exercise this option by emailing Class Counsel and providing verified updated data to the Administrator no later than thirty (30) days after Plaintiff files his motion for preliminary approval.

9. **ALLIANCE ENERGY'S RIGHT TO WITHDRAW.** If ten percent (10%) or more of the Class Members, or a number of Class Members whose Individual Settlement Shares represent ten percent (10%) or more of the total of all Individual Settlement Shares, validly elect not to participate in the Settlement, Alliance Energy will have the right to rescind the Settlement, and the Settlement and all actions taken in its furtherance will be null and void. Alliance Energy must exercise this right within 15 days after the Settlement Administrator notifies the parties of the number of valid opt-outs, which the Settlement Administrator will do within 10 days after the deadline for submission of opt-outs. If Alliance Energy exercises the right to rescind, it will be responsible for the costs of administration of the Settlement incurred through that time.
10. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the scheduled Final Approval Hearing, Plaintiff will file in Court a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 10 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
 - 10.1 **Response to Objections.** Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 10.2 **Duty to Cooperate.** If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to attempt to address the Court's concerns. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
 - 10.3 **Continuing Jurisdiction of the Court.** The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
 - 10.4 **Waiver of Right to Appeal.** The parties waive all appeals from the final approval of the Settlement unless the Court materially modifies the Settlement. Plaintiff and Class

Counsel may appeal from an order by the Court that reduces the amounts sought for the Class Representative Payment or the Class Counsel Fees or Expenses Payment. Such an order or affirmance of such an order will not entitle Plaintiff or the Class to avoid the Settlement. Alliance Energy's payment obligation under the Settlement will be suspended pending an appeal of the Judgment.

10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to attempt to address the appellate court's concerns, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged

11. **AMENDED JUDGMENT.** If an amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit a proposed amended judgment.

12. **ADDITIONAL PROVISIONS.**

12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Alliance Energy that any of the allegations in the Operative Complaint have merit or that Alliance Energy has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Alliance Energy's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Alliance Energy reserves the right to contest certification of any class for any reasons, and Alliance Energy reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Alliance Energy's defenses. The Settlement, this Agreement and the Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

12.2 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 12.3 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 12.4 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Alliance Energy, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 12.5 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement as agreed by the Parties, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 12.6 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 12.7 No Tax Advice. Neither Plaintiff, Class Counsel, Alliance Energy nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 12.8 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 12.9 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 12.10 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 12.11 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 12.12 Confidentiality. Plaintiff and his attorneys agree not to issue any press or other media releases or talk to the press or media regarding the Settlement, and Plaintiff's attorneys

agree not to publicize the Settlement on their website or social media. In addition, prior to filing of the Motion for Preliminary Approval, Plaintiff and his attorneys will not have any communication with anyone other than family members, clients, Class Members, financial advisors, retained experts, and vendors related to settlement administration, regarding the Settlement. If, before the filing of the Motion for Preliminary Approval, Plaintiff or his attorneys disclose to any unauthorized party (a) that a settlement has been reached or (b) any of the terms of the Settlement except as required by law or to effect the Settlement, Alliance Energy may rescind the Settlement, rendering it null and void.

- 12.13 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Alliance Energy in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy all paper and electronic versions of Class Data received from Alliance Energy unless, prior to the Court's discharge of the Administrator's obligation, Alliance Energy makes a written request to Class Counsel for the return, rather than the destruction of, Class Data.
- 12.14 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 12.15 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter:
- 12.16 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:
