[*Assigned for all purposes to the Hon. Layne H. Melzer, Dept. CX102*]

DECLARATION OF PAUL K. HAINES IN SUPPORT OF MOTION FOR FINAL APPROVAL OF CLASS ACTION SETTLEMENT

Date: January 14, 2027
Time: 2:00 p.m.
Dept.: CX102

I, PAUL K. HAINES, declare as follows:

1. I am the principal of the law firm Haines Law Group, APC, and counsel for the named plaintiff Joaquin Garcia-Reyes ("Plaintiff") and the proposed Settlement Class in the above-captioned matter. I am a member in good standing of the bar of the State of California and am admitted to practice in this Court. I have personal knowledge of the facts stated in this declaration and could testify competently to them if called upon to do so.

2. I am a 2006 graduate of Pepperdine University School of Law, where I graduated cum laude. During law school, I worked as a law clerk for the appellate firm of Horvitz & Levy, located in Encino, California. I also spent a semester in law school working as an extern for the Honorable Edward Rafeedie, District Judge for the United States District Court for the Central District of California.

3. Since graduating from law school, my practice has focused exclusively on employment litigation. In September 2007, I began working as an associate attorney at the international law firm of Littler Mendelson P.C., at its Los Angeles office, which according to its website is the "largest U.S.-based law firm exclusively devoted to representing management in every aspect of labor and employment law." While at Littler Mendelson, I was primarily staffed on wage and hour class actions venued in both state and federal courts, and I also worked on a number of single and multi-plaintiff wage and hour matters as well.

4. During my employment at Littler Mendelson, I played a significant role in the class actions that I was staffed on, as I was often the only associate staffed on such cases. In particular, I received a wide-array of wage and hour class action experience performing the following types of tasks: drafting demurrers, motions to strike and/or dismiss; removing actions from state court to federal court; drafting and responding to written discovery; drafting and opposing discovery related motions; arguing discovery related motions; drafting motions to consolidate related matters; interviewing putative class members and obtaining declarations in connection with class certification; drafting oppositions to motions for class certification; drafting motions for decertification following class certification; conducting exposure analyses to assess

the strengths and weaknesses of asserted claims, the likelihood of prevailing at class certification and potential damages resulting from such claims; drafting mediation briefs; serving as the primary contact to in-house counsel; deposing named plaintiff and putative class members; deposing retained expert witnesses; and defending the depositions of corporate witnesses. In short, I played an integral role in all aspects of litigation from the inception of a matter through and beyond class certification. I also supervised the work of several junior attorneys who were staffed on the same wage and hour class actions.

5. In June 2011, I voluntarily resigned from Littler Mendelson in order to accept an associate attorney position with the international law firm of Morgan, Lewis & Bockius LLP, at its Los Angeles office, where I began working in July 2011. During my employment at Morgan, Lewis & Bockius LLP, I worked exclusively on the defense of wage and hour class and collective actions. For the vast majority of these cases, I was the only associate staffed on the matter, and I performed the same job duties as described in the immediately preceding paragraph. In addition to working on wage and hour class actions, at Morgan, Lewis & Bockius I also worked on a number of "hybrid" actions asserting nationwide wage and hour claims under the Fair Labor Standards Act ("FLSA"), as well as California-specific claims under Rule 23 of the Rules of Civil Procedure.

6. In July 2012, I transitioned into litigating wage and hour class actions from the Plaintiff's side, first as a Partner with the law firm of Boren, Osher & Luftman, LLP, and since February 2016, as a Shareholder of the Haines Law Group, APC. Currently, over ninety percent (90%) of my practice is dedicated exclusively to the prosecution of wage and hour class actions, and I am currently responsible for prosecuting over thirty (30) wage and hour class actions filed in both State and Federal courts throughout California. Below are some of the matters in which I have been appointed as Class Counsel, all of which have been granted final approval: *Hilberger v.
