DECLARATION OF PEGGY MALECKI

I, Peggy Malecki, hereby declare as follows:

1. I have personal knowledge of the facts set forth herein and if called upon to testify, I could and would do so competently under oath. I make this declaration in support of my Motion for Preliminary Approval of Class Action and PAGA Settlement.

2. I worked for Frisbie Management, Inc. ("Frisbie") as an hourly-paid, non-exempt crew person from around April 2023 to July 2024.

3. Based on my experience and knowledge of Frisbie's wage and hour policies and my familiarity with its employment practices, I worked with my attorneys to bring claims on my own behalf as well as on behalf of other hourly-paid, non-exempt employees of Frisbie.

4. I am seeking to become a class representative in this case. I believe my experiences are similar to other hourly-paid, non-exempt employees of Frisbie. I believe we were all subject to the same employment policies and practices.

5. I do not have any conflicts with other hourly-paid, non-exempt employees that would interfere with my ability to represent them. I believe I will adequately represent the other hourly-paid, non-exempt employees at Frisbie.

6. My interests as a named plaintiff in this case are not adverse to the interests of the other hourly-paid, non-exempt employees. I believe my interests are the same as the other employees because we were all subject to the same policies and practices and were similarly injured by Frisbie's company-wide policies and practices. I am seeking the same recovery on behalf of myself and the other employees, which is to collect unpaid wages, penalties, and interest that are owed to us by Frisbie.

7. I have always kept the best interests of the other hourly-paid, non-exempt employees in mind while performing my duties as the named plaintiff in this case. I have been committed throughout the course of this case to vigorously prosecuting this case on behalf of myself and the other employees. I believe that I have demonstrated my ability to advocate for the interests of the other hourly-paid, non-exempt employees by initiating this lawsuit, providing documents and

1 information to my attorneys, keeping in regular contact with my attorneys regarding the status of
2 the case, and reviewing the settlement agreement to make sure it was fair.

3 8. I will continue to actively participate in this lawsuit as necessary, and will continue
4 to make myself available to assist in this case moving forward as needed.

5 I declare under penalty of perjury under the laws of the State of California that the foregoing
6 is true and correct.

7 Executed on 4/24/2026, at Anaheim, California.
