PRELIMINARY APPROVAL HEARING

Date: July 24, 2026

Time: 9:00 a.m.

Dept. CX101

Judge: Hon. William Claster

**Res. ID: 74889438**

Complaint Filed: December 23, 2024

Trial Date: Not set

**TO THE COURT AND TO ALL PARTIES AND THEIR COUNSEL OF RECORD:**

PLEASE TAKE NOTICE that on July 24, 2026, at 9:00 a.m., in Department CX101 of this Court located at the Civil Complex Center at 751 West Santa Ana Blvd., Santa Ana, California 92701, pursuant to Code of Civil Procedure § 382 and California Rules of Court 3.769 *et seq.*, Plaintiff Marcos Calderon (“Plaintiff”) will move the Court for an Order granting preliminary approval of the proposed class action settlement between Plaintiff and Defendant Freeman Expositions, LLC. Plaintiff further moves the Court for an Order:

1. Granting preliminary approval of the Joint Stipulation of Class and Representative Action Settlement Agreement (“Settlement” or “Settlement Agreement”);
2. Certifying a Class for settlement purposes;
3. Approving the Court Approved Notice of Class and Representative Action Settlement, the Request for Exclusion Form and the Objection Form, and plan for their distribution;
4. Appointing Plaintiff as Class Representative for settlement purposes;
5. Appointing Plaintiff’s Counsel, Moon Law Group, PC, as Class Counsel for settlement purposes;
6. Appointing Phoenix Class Action Administration Solutions as the Administrator; and
7. Setting a final approval hearing no earlier than 120 days from preliminary approval.

The motion will be based upon this notice, the attached memorandum of points and authorities, the supporting declarations, and the records and files in this action, and any other further evidence or argument that the Court may properly receive at or before the hearing.

As this Motion is unopposed, the Parties respectfully request relief from the page limit requirement set by California Rules of Court, Rule 3.1113(d).

Respectfully submitted,

Dated: June 29, 2026

## MEMORANDUM OF POINTS AND AUTHORITIES

### **I. INTRODUCTION**

Plaintiff Marcos Calderon (“Plaintiff”) seeks preliminary approval of a proposed \$420,000.00 non-reversionary, wage and hour class and representative California Private Attorneys General Act, Labor Code sections 2698, *et seq.* (“PAGA”) action settlement with Defendant Freeman Expositions, LLC (“Defendant” and together with Plaintiff, the “Parties”). The Joint Stipulation of Class and Representative Action Settlement Agreement (the “Settlement”) will provide substantial monetary payments to approximately 1,125 class members. As set forth more fully below, the proposed Settlement satisfies all the criteria for settlement approval under California law. Accordingly, Plaintiff requests that the Court preliminarily approve the proposed Settlement, certify the proposed settlement class, approve the proposed notice, and set a final approval hearing.

### **II. SUMMARY OF THE LITIGATION AND SETTLEMENT**

#### **A. Plaintiff’s Claims and Procedural History**

Defendant is a leading global event agency offering a complete solution for exhibitors, corporate events, and trade shows. (Declaration of Kane Moon in Support of Plaintiff’s Motion for Preliminary Approval of Class Action and PAGA Settlement [“Moon Decl.”], ¶ 4.). Plaintiff worked for Defendant as a foreman and pre-handler from approximately 2005 to February 2024. (*Id.*) Plaintiff was classified as non-exempt during the entirety of his employment, was represented by the International Brotherhood of Teamsters (the “Teamsters”), and was subjected to the same unlawful labor practices as the Class. (*Id.*)

Pursuant to PAGA, on December 19, 2024, Plaintiff gave written notice to the California Labor and Workforce Development Agency (the “LWDA”) of the alleged Labor Code violations, with certified mail service on Defendant, and paid the required filing fee. (*Id.* at ¶ 6, Ex. 2.) On December 23, 2024, Plaintiff filed a Class Action complaint, which alleges that Defendant systematically: (1) failed to pay minimum wages; (2) failed to pay overtime compensation; (3) failed to provide meal periods; (4) failed to authorize and permit rest breaks; (5) failed to indemnify necessary business expenses; (6) failed to timely pay final wages at termination; (7) failed to provide accurate itemized wage statements; and (8) engaged in unfair business practices. (*Id.* at ¶ 6.)

1 On February 25, 2025, Plaintiff filed a First Amended Class and Representative Action  
2 Complaint against Defendant to add a ninth cause of action for civil penalties under PAGA. (*Id.* at ¶  
3 7.) On March 3, 2026, for settlement purposes, Plaintiff filed a Second Amended Complaint to add  
4 any and all claims made during the mediation that were not already alleged and to define the Class  
5 and Aggrieved Employees as all current and former hourly, non-exempt employees of Defendant  
6 who worked for Defendant at any time during the Class/PAGA Period and were represented by the  
7 Teamsters (the “Operative Complaint”). (*Id.*) A file-stamped copy of the Operative Complaint  
8 containing the Court-assigned case number was submitted to the LWDA. (*Id.*) To date, the LWDA  
9 has not given its intention to investigate and intervene on the matter. (*Id.*)

10 These claims stem from Defendant’s alleged failure to incorporate nondiscretionary bonuses  
11 into the regular rate of pay and alleged failure to pay employees for off-the-clock work, failure to  
12 reimburse necessary business expenses, and alleged systematic failures to provide meal periods and  
13 rest breaks. (*Id.* at ¶ 5.)

14 Defendant ardently opposes the merits of this case, denying Plaintiff’s factual allegations.  
15 (*Id.* at ¶ 8.) Defendant argues the putative Class was paid all minimum wages, and sick pay owed  
16 and that Defendant did not allow its employees to work off-the-clock. (*Id.*) Moreover, Defendant  
17 argues that it met its meal and rest period obligations, and that Plaintiff and Class Members were  
18 provided with the opportunity to take all meal and rest periods to which they were entitled. (*Id.*) As  
19 for the unreimbursed business expenses, Defendant maintains it reimbursed Class Members for all  
20 necessary business expenses incurred, and that the purchase of items, including but not limited to  
21 staplers, markers, magnets, forklift keys, facemasks, and use of personal cellphone and vehicle were  
22 not required for work purposes. (*Id.*) Furthermore, to the extent that Plaintiff received wage  
23 statements that were allegedly inaccurate, Defendant asserts that Plaintiff suffered no actual damage  
24 or harm as a result, and that there was no knowing or intentional violation. (*Id.*; see, e.g., *Angeles v.*  
25 *U.S. Airways, Inc.* (N.D. Cal. Feb. 19, 2013) No. C 12-05860 CRB, 2013 WL 622032, at \*10 [“A  
26 plaintiff must adequately plead an injury arising from an employer’s failure to provide full and  
27 accurate wage statements, and the omission of the required information alone is not sufficient.”]).  
28 (*Id.*) With respect to Plaintiff’s claim for waiting time penalties, Defendant alleges that its good-faith

1 belief that it paid all wages precludes the imposition of waiting time penalties since Plaintiff cannot  
2 prove that Defendant's alleged failure to pay all final wages at the time of separation was "willful."  
3 (Moon Decl., ¶ 8; *see, e.g., Pedroza v. PetSmart, Inc.* (C.D. Cal. June 14, 2012) No. ED CV 11-298  
4 GHK (DTBx), 2012 WL 9506073, \*5.) For these reasons, Defendant claims that it did not engage in  
5 any unfair business practices and denies liability under PAGA. (Moon Decl., ¶ 8.). Finally, Defendant  
6 also maintains the claims are improper for class treatment, in part, due to the individualized and  
7 testimony-intensive nature of the wage claims that could bar class certification or significantly reduce  
8 Defendant's overall liability. (*Id.*)

9 **B. Discovery and Investigation**

10 Following the filing of the complaint, the Parties met and conferred regarding an agreement  
11 to mediate the claims. (*Id.* at ¶ 9.) The Parties agreed to mediate with Debora Saxe, Esq., an  
12 experienced class and PAGA action mediator. (*Id.*) In preparation for mediation, the Parties agreed  
13 to a protocol for exchanging documents and information before the mediation. Plaintiff obtained  
14 from Defendant, through informal but extensive discovery, information sufficient to meaningfully  
15 evaluate the claims at issue in the action, including Plaintiff's complete personnel file, a sample of  
16 time and corresponding payroll records for Class Members, and information regarding the estimated  
17 number of current and former Class Members, Workweeks, Aggrieved Employees, PAGA Pay  
18 Periods, and average hourly pay. (*Id.*)

19 In preparation for mediation, Plaintiff's Counsel reviewed and analyzed all the information  
20 Defendant provided, including the sample time/pay records and documents regarding Defendant's  
21 wage and hour policies. (*Id.* at ¶ 10.) Plaintiff's Counsel retained a statistics expert to analyze the  
22 sample records and prepare a damage analysis prior to mediation. (*Id.* at ¶ 10, Ex. 3) The sample  
23 time and pay records analyzed represented approximately 33% of total shifts worked in the Class  
24 Period, which allowed Plaintiff's expert to prepare an analysis with a high degree of certainty. (*Id.*)  
25 In conjunction with their extensive factual investigation, Plaintiff's Counsel also investigated the  
26 applicable law regarding the claims and defenses asserted in the litigation. (*Id.*) Accordingly,  
27 Plaintiff's Counsel were able to evaluate the probability of class certification, success on the merits,  
28 and Defendant's maximum and realistic monetary exposure for all claims. (*Id.*) Thus, Plaintiff's and

1 his counsel's familiarity with the facts of the case and the legal issues raised by the pleadings allowed  
2 them to act intelligently in negotiating the Settlement. (*Id.*)

3 The Parties aver that they are not aware of the nature of any claims asserted in any case, or  
4 the definition of a class of parties on whose behalf any action was brought that would overlap with  
5 the putative Class, as defined in this matter, or would otherwise be extinguished or adversely affected  
6 by approval of this Settlement. (*Id.* at ¶ 11.)

7 **C. Settlement Negotiations and Notice of Settlement to the LWDA**

8 On January 9, 2026, the parties participated in a full-day mediation with Debora Saxe, Esq.,  
9 a professional and neutral class and PAGA action mediator. (Moon Decl., ¶ 12.) The settlement  
10 negotiations were at arm's length and, although conducted in a professional manner, adversarial.  
11 (*Id.*) The Parties went into the mediation willing to explore the potential for a settlement of the  
12 dispute, but each side was also prepared to litigate their position through trial and appeal if a  
13 settlement had not been reached. (*Id.*) After extensive discussion regarding the merits and  
14 certifiability of Plaintiff's claims and Defendant's defenses, a settlement was reached by the Parties,  
15 the material terms of which are encompassed within Settlement. (*Id.*, Ex. 1)

16 In compliance with Labor Code section 2699, Plaintiff's Counsel submitted a copy of the  
17 proposed Settlement Agreement and the instant moving papers. (*Id.* at ¶ 13, Ex. 4). The Proof of  
18 Service filed concurrently herewith also provides that the LWDA was served with the instant moving  
19 papers. (*Id.*) To date, Plaintiff's administrative exhaustion period under PAGA expired without the  
20 LWDA indicating its intent to investigate the alleged violations. (*Id.* at ¶ 13.).

21 **The \$420,000.00 Settlement represents approximately 51% of Defendant's minimum**  
22 **potential overall liability of \$824,563.79.** (*Id.* at ¶ 38.) The minimum recovery was calculated as  
23 follows: \$40.20 (85% discount) for the regular rate claim; \$37,913.31 (90% discount) for the off-  
24 the-clock claim; \$135,921.60 (85% discount) for the meal period claim; \$164,555.39 (90% discount  
25 for the rest break claim); \$25,000.00 (90% discount) for the unreimbursed business expenses claim;  
26 \$403,528.29 (95% discount) for waiting time penalties; \$28,665.00 (95% discount) for wage  
27 statement penalties; and \$29,940.00 (95% discount) for PAGA Penalties. (*Id.* at ¶¶ 31-37.)

1           **D.     Key Terms of the Proposed Settlement**

2           1. Non-Reversionary Gross Settlement Amount (“GSA”): Defendant will pay a non-  
3           reversionary \$420,000.00, subject to potential increase under an Escalator Clause, to resolve this  
4           litigation, exclusive of Defendant’s employer-side payroll taxes, which Defendant will separately  
5           pay. (Settlement, ¶ 3.0.) The Administrator will disburse the GSA without requiring Participating  
6           Class Members or Aggrieved Employees to submit any claim as a condition of payment. (*Id.*)

7           2. Class, Class Period, Workweeks: There are approximately 1,125 members, defined as:  
8           all current and former hourly, non-exempt employees of Defendant who are/were represented by the  
9           Teamsters and who are/were employed by Defendant in California at any time during the Class  
10          Period. (*Id.* at ¶ 20; Settlement, ¶ 1.4.) The Class Period is from December 23, 2020, through April  
11          9, 2026. (Settlement, ¶ 1.12; Declaration of Cheryl D. Orr in Support of Plaintiff’s Motion for  
12          Preliminary Approval of Class Action Settlement [“Orr Decl.”], ¶ 2.) There are an estimated 25,000  
13          Workweeks in the Class Period, defined as any calendar week during the Class Period in which a  
14          Class Member worked at least one day for Defendant. (Settlement, ¶¶ 1.45, 7.0.)

15          3. Aggrieved Employees, PAGA Period, PAGA Pay Periods: There are approximately 843  
16          Aggrieved Employees, defined as: all current and former hourly, non-exempt employees of  
17          Defendant who are/were represented by the Teamsters and who are/were employed by Defendant in  
18          California at any time during the PAGA Period. (*Id.* at ¶¶ 1.3; Moon Decl., ¶ 21.) The PAGA Period  
19          is from December 19, 2023, through April 9, 2026. (Settlement, ¶ 1.33; Orr Decl., ¶ 2.) There are  
20          approximately 5,988 PAGA Pay Periods, defined as any pay period during which an Aggrieved  
21          Employee worked for Defendant for at least one day during the PAGA Period. (*Id.* at ¶ 1.30; Moon  
22          Decl., ¶ 31.)

23          4. Released Class Claims: The Released Class Claims are limited to any and all claims,  
24          actions, or causes of action that are alleged in the Operative Complaint, or that could have been  
25          alleged in the Operative Complaint based upon or arising out of the facts alleged therein, that  
26          occurred during the Class Period, except for those arising under PAGA. (Settlement, ¶ 5.1.) The  
27          release excludes any other claims, including claims for vested benefits, unemployment benefits,  
28          disability benefits, social security benefits, and/or workers’ compensation benefits. (*Id.*)

1           5. Released PAGA Claims: The Released PAGA Claims are limited to all claims that were  
2 alleged in the Operative Complaint and in the LWDA Notice, or that reasonably could have been  
3 alleged in the Operative Complaint and in the LWDA Notice based upon or arising out of the facts  
4 alleged therein. (*Id.* at ¶ 5.2.)

5           6. PAGA Penalties: \$30,000.00 is to be paid from the GSA in settlement of the Released  
6 PAGA Claims, 35% of which is allocated to the Aggrieved Employees (\$10,500.00) and 65% to the  
7 LWDA (\$19,500.00). (*Id.* at ¶¶ 1.36, 3.1.4)

8           7. Net Settlement Amount: means the GSA less the following court-approved payments:  
9 Individual PAGA Payments, LWDA PAGA Payment, Class Counsel Fees Payment, Class Counsel  
10 Expenses Payment, Class Representative Service Payment, and Administration Expenses Payment.  
11 (Settlement, ¶ 1.28.) The remainder is to be paid to Participating Class Members as Individual Class  
12 Payments. (*Id.*)

13           8. Individual Class Payment: means the Participating Class Member's pro rata share of the  
14 Net Settlement Amount, calculated according to the number of Workweeks he or she worked during  
15 the Class Period. (*Id.* at ¶ 1.24.)

16           9. Individual PAGA Payment: means the Aggrieved Employee's pro rata share of 35% of  
17 the PAGA Penalties allocated pursuant to California Labor Code ("Labor Code") section 2699(m)  
18 and calculated according to the number of PAGA Pay Periods he or she worked during the PAGA  
19 Period. (*Id.* at ¶ 1.25.)

20           10. Uncashed Settlement Checks: Any funds remaining uncashed after 180 days from issuance  
21 will be transmitted to the California Controller's Unclaimed Property Fund together with the funds for  
22 any Class Member whose envelope is returned and no forwarding address can be located for the Class  
23 Member after reasonable efforts have been made, in the name of the Class Member, thereby leaving no  
24 "unpaid residue" subject to the requirements of California Code of Civil Procedure ("CCP") section  
25 384(b). (*Id.* at ¶¶ 4.1.1, 4.1.3.)

26           11. Tax Allocation of Settlement Payments: Individual Class Payments will be allocated as  
27 20% as wages and 80% as penalties and interest for tax purposes (. (*Id.* at ¶ 3.1.3.2.) Individual  
28 PAGA Payments will be allocated as 100% penalties for tax purposes. (*Id.* at ¶ 3.1.4.2.)

1           12. Class Counsel Fees Payment and Class Counsel Expenses Payment: means the court-  
2 approved amount allocated to Class Counsel for reimbursement of their reasonable fees incurred to  
3 prosecute the Action. (*Id.* at ¶¶ 1.6, 1.7.) The Settlement provides for a Class Counsel Fees Payment  
4 of not more than 30% of the Gross Settlement Amount (currently estimated to be \$126,000.00) for  
5 Plaintiff’s Counsel’s attorneys’ fees, plus reimbursement for out-of-pocket litigation costs not to  
6 exceed \$25,000.00. (*Id.* at ¶ 3.1.2.). There is no fee-splitting agreement. (Moon Decl., ¶ 17.) At final  
7 approval, Plaintiff’s Counsel will submit contemporaneously made billing records for attorney’s fees  
8 and costs. (*Id.*)

9           13. Class Representative Service Payment: Subject to Court approval, Plaintiff shall be paid  
10 a Class Representative Service Payment not to exceed \$7,500. (*Id.* at ¶ 3.1.1.) This amount is for  
11 Plaintiff’s services in support of the Action and General Release. (*Id.* at ¶ 1.14.)

12           14. Notice of Proposed Settlement: The Class Notice will be mailed in English and Spanish  
13 via first-class United States Postal Service (“USPS”) mail of the settlement. (*Id.* at ¶ 6.3.) The Class  
14 Notice does not need to be translated into any other language as all Class Members are proficient in  
15 English and/or Spanish. (Moon Decl., ¶ 29.) Phoenix Class Action Administration Solutions  
16 (“Phoenix”), the proposed Administrator, will undertake its best efforts to ensure notice is provided  
17 to current addresses, including conducting a cross-check against USPS’ National Change of Address  
18 List. (Settlement, ¶ 6.3.) Defendant will provide Class Data within 21 calendar days of preliminary  
19 approval. (*Id.* at ¶ 6.1.) The Administrator will mail notices within 14 calendar days of receiving the  
20 Class Data. (*Id.* at ¶ 6.3.) Returned notices will be re-mailed after a skip-trace. (*Id.* at ¶ 1.10.)  
21 Settlement administration costs are estimated to be \$14,950.00, with a cap of \$14,950.00 under the  
22 Settlement. (*Id.* at ¶ 3.1.3.) The Declaration of Jodey Lawrence (“Lawrence Decl.”) is filed  
23 concurrently herewith and describes Phoenix’s qualifications, data security procedures, and  
24 insurance. (Lawrence Decl., ¶¶ 5-18.)

25           15. Response Deadline and Procedures: Class Members will have 60 calendar days from the  
26 date of initial mailing to object, opt out, or challenge the number of Workweeks and/or PAGA Pay  
27 Periods, with an extension of 14 calendar days for re-mailed notices. (Settlement, ¶ 6.4.1.) A Request  
28

1 for Exclusion Form and a Dispute Form will be provided to Class Members with the Class Notice.<sup>1</sup>  
2 (*Id.*, Exs. C, D.) Class Members need not file a notice of intention to appear at the Final Approval  
3 Hearing. (*Id.* at ¶ 6.12.3, Ex. A.)

4 16. Funding and Distribution: Defendant shall fund the GSA and all employer payroll taxes  
5 owed on the Wage Portions of the Individual Class Payments by transmission of such funds to the  
6 Administrator within twenty-one (21) calendar days of the Effective Date. (*Id.* at ¶ 4.0.)

7 17. Website and Final Judgment: The Administrator will maintain a website to post  
8 information of interest to Class Members. (*Id.* at ¶ 6.11.) The Class Notice includes the URL of the  
9 website. (*Id.* at Ex. A.) The Administrator will provide notice of final judgment to the Class on the  
10 website. (*See id.* at ¶ 6.11.)

### 11 **III. THE COURT SHOULD GRANT PRELIMINARY APPROVAL**

12 To prevent fraud, collusion, or unfairness to the class, the settlement of a class action requires  
13 court approval. (*Dunk v. Ford Motor Co.* (1996) 48 Cal.App.4th 1794, 1800-01.) This Court has  
14 wide discretion to determine whether the proposed settlement is fair. (*Mallick v. Super. Ct.* (1979)  
15 89 Cal.App.3d 434, 438.) Fairness is presumed when: (1) the settlement is reached through arm's-  
16 length bargaining; (2) investigation is sufficient to allow counsel and the court to act intelligently;  
17 (3) counsel is experienced in similar litigation; and (4) the percentage of objectors is small. (*Dunk*,  
18 48 Cal.App.4th at p. 1800.)

19 In evaluating a settlement, the trial court considers: 1) the strength of plaintiff's case; 2) the  
20 risk, expense, complexity, and likely duration of further litigation; 3) the risk of maintaining class  
21 action status through trial; 4) the amount offered in settlement; 5) the extent of discovery completed  
22 and the stage of the proceedings; 6) the experience and views of counsel; 7) the presence of a  
23 governmental participant; and 8) the reaction of the class members to the proposed settlement.  
24 (*Kullar v. Foot Locker Retail, Inc.*, (2008) 168 Cal.App.4th 116, 128.) To approve a class action  
25 settlement, the court must satisfy itself that the class settlement is within the "ballpark" of

---

26  
27 <sup>1</sup> An Objection Form is also included as Exhibit B to the Settlement. (Settlement, Ex. B.)  
28 However, if required by the Court, the Parties agree to remove the Objection Form, revise the Class  
Notice accordingly, and only distribute the Class Notice with the Exclusion Form and Dispute  
Form. (Moon Decl., ¶ 29, n.2.)

1 reasonably. (*Id.* at p. 133.) The record need not contain the maximum theoretical recovery.  
2 (*Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles* (2010) 186 Cal.App.4th 399, 408-9 [holding  
3 that *Kullar* does not require “an explicit statement of the maximum amount the plaintiff class could  
4 recover if it prevailed on all its claims,” but only an “understanding of the amount that is in  
5 controversy and the realistic range of outcomes of the litigation.”].)

6 As discussed below, Plaintiff’s Counsel have provided information necessary for this Court  
7 to determine that the proposed settlement is fair, adequate, and reasonable.

8 **A. The Settlement Is Fair, Reasonable, Adequate, and the Product of**  
9 **Investigation, Litigation, and Negotiation**

10 **1. The Settlement Is the Product of Discovery, Investigation, and Informed**  
11 **and Non-Collusive Arm’s-Length Negotiations**

12 Courts presume the absence of fraud or collusion in the negotiation of a settlement. (Conte  
13 & Newberg, *Newberg on Class Actions* (3rd Ed.) § 11.51.) Settlement is favored, and assessed  
14 realistically. (*Stamburgh v. Super. Ct.* (1976) 62 Cal.App.3d 231, 236; *Priddy v. Edelman* (6th Cir.  
15 1989) 883 F.2d 438, 447 [“The fact that a plaintiff might have received more if the case had been  
16 fully litigated is no reason not to approve the settlement.”].)

17 Here, the Settlement was reached following a full-day mediation session with experienced  
18 mediator Debora Saxe, Esq. (Moon Decl., ¶ 12.) Prior to settling, Plaintiff’s Counsel conducted  
19 informal discovery and investigation including reviewing the time and pay records, retaining an  
20 expert to analyze the records produced by Defendant and prepare a damage analysis, and  
21 investigating the applicable law regarding the claims and defenses asserted in the litigation. (*Id.* at  
22 ¶¶ 9-11, 30-31.) Thus, Plaintiff’s Counsel were able to evaluate the probability of class certification,  
23 success on the merits, and Defendant’s maximum and realistic monetary exposure. (*Id.*)

24 Plaintiff’s Counsel also have considerable experience in litigating wage and hour class  
25 actions. (Moon Decl., ¶¶ 50-67.) This supports the conclusion that the Settlement terms are based  
26 on objective evidence, weighed against the risks and expenses of continued litigation.

27 ///

28 ///

1                   **2.       The Settlement Is Fair and Reasonable in Light of the Parties’**  
2                   **Respective Legal Positions**

3           A settlement is not judged against what might plaintiff recovered had he prevailed at trial,  
4 nor does the settlement have to provide 100% of the damages sought to be fair and reasonable.  
5 (*Wershba v. Apple Computers, Inc.* (2001) 91 Cal.App.4th 224, 246, 250 [“Compromise is inherent  
6 and necessary in the settlement process...even if the relief afforded by the proposed settlement is  
7 substantially narrower than it would be if the suits were to be successfully litigated, this is no bar to  
8 a class settlement because the public interest may indeed be served by a voluntary settlement in  
9 which each side gives ground in the interest of avoiding litigation.”])

10          The Settlement obviates the significant risk that this Court may deny certification of all or  
11 some of Plaintiff’s claims. (Moon Decl., ¶ 41.) While Plaintiff is confident in the merits of his claims,  
12 a legitimate controversy exists as to each cause of action. (*Id.* at ¶ 39.) Plaintiff also recognizes that  
13 proving the amount of wages due to each Class Member would be an expensive, time-consuming,  
14 and uncertain proposition. (*Id.*) Furthermore, even if Plaintiff was able to pursue his claims on a  
15 class-wide basis and thereafter obtained certification of all or some of the claims, continued litigation  
16 would be expensive, involving a trial and possible appeals, and would substantially delay and reduce  
17 any recovery by the Class Members. (*Id.* at ¶ 41.)

18          The proposed settlement of \$420,000.00 therefore represents a substantial recovery when  
19 compared to Plaintiff’s reasonably forecasted recovery. (*Id.* at ¶ 44.) Because of the proposed  
20 Settlement, Class Members will receive timely, guaranteed relief and will avoid the risk of an  
21 unfavorable judgment. (*Id.* at ¶ 38.) When considering the risks of litigation, the uncertainties  
22 involved in achieving class certification, the burdens of proof necessary to establish liability, the  
23 probability of appeal of a favorable judgment, it is clear that the settlement amount of \$420,000.00  
24 is within the “ballpark” of reasonableness, and preliminary settlement approval is appropriate. (*Id.*  
25 at ¶ 44.)

26          The Net Settlement Amount available for settlement payments is currently estimated to be  
27  
28

1 **\$216,550.00** for an estimated Class size of **1,125 individuals**.<sup>2</sup> (*Id.* at ¶ 43.) Each Participating Class  
2 Member is eligible to receive an average benefit of approximately **\$192.49**, or approximately **5.44**  
3 **hours of work**. (*Id.*) Based on 25,000 Workweeks, **the average Workweek value is estimated to**  
4 **be \$8.66**. (*Id.*) The Individual Class Payments are estimated to range from \$8.66 to \$2,390.16. (*Id.*)  
5 Additionally, **843 Aggrieved Employees** are each expected to receive an average of **\$12.46** from the  
6 Individual PAGA Payments of \$10,500.00, at a **PAGA Pay Period value of \$1.75** based on the  
7 **5,988 PAGA Pay Periods**. (*Id.*) The Individual PAGA Payments are estimated to range from \$1.75  
8 to \$213.60. (*Id.*) Accurate estimates of the high, low, and average payments will be provided to the  
9 Court in Plaintiff's Motion for Final Approval. (*Id.*)

10 **3. Plaintiff's Counsel Have Extensive Experience in Class Action**  
11 **Litigation**

12 The settlement negotiations were conducted by highly capable and experienced counsel. (*See*  
13 *id.* at ¶¶ 50-67.) Plaintiff's Counsel have a strong record of vigorous and effective advocacy for their  
14 clients and are experienced in handling complex wage and hour class action litigation. (*Id.*) Although  
15 Plaintiff and his counsel were prepared to litigate the claims, they support the proposed Settlement  
16 as being in the best interest of the Class Members. (*Id.* at ¶¶ 12, 30.)

17 **B. The Proposed Class Notice of Settlement Should Be Approved**

18 The proposed Notice of Class and Representative Action Settlement ("Class Notice"), in the  
19 form attached to the Settlement as Exhibit A, should be approved for dissemination to the Class. The  
20 Class Notice informs the class of the terms of the Settlement and of their rights to be excluded from  
21 the Settlement. If there are Class Members who wish to object to this proposed Settlement, they can  
22 also file an objection and be heard at the Final Approval Hearing. Accordingly, the proposed Class  
23 Notice meets all the requirements of Rule 3.769(f) of the California Rules of Court.

24  
25  
26 <sup>2</sup> The Net Settlement Amount is at least \$420,000 less the following: \$7,500 for the Class  
27 Representative Service Payment, \$14,950 for the Administration Expenses Payment, \$30,000 for the  
28 PAGA Penalties payments to the LWDA and to Aggrieved Employees, \$126,000.00 for Class  
Counsel's attorneys' fees, and up to \$25,000.00 for Class Counsel's litigation costs. (Settlement  
Agreement, ¶¶ 1.27, 3.0-3.1.4.)

1           **C.     The Proposed Attorneys’ Fees and Costs Are Reasonable**

2           The Settlement provides a Class Counsel Fees Payment of not more than 30% of the Gross  
3 Settlement, which is currently estimated to be \$126,000.00 and a Class Counsel Expenses Payment  
4 of not more than \$25,000.00.<sup>3</sup> (Settlement, ¶ 3.1.2.) These amounts are subject to Court approval.  
5 (*Id.*) These amounts will be disclosed to all Class Members in the proposed Class Notice and are  
6 reasonable.

7                   **1.     Class Counsel Will Request an Award of Fees Based on The “Common**  
8                   **Fund” Method**

9           California courts have long awarded attorneys’ fees as a percentage of the benefit created by  
10 counsel on behalf of a class. (*Serrano v. Priest* (1977) 20 Cal.3d 25, 34.) The California Supreme  
11 Court affirmed in *Laffitte v. Robert Half Int’l Inc.* (2016) 1 Cal.5th 480 that trial courts may determine  
12 a reasonable fee by choosing an appropriate percentage of the fund created. (*Id.* at p. 503.) Class  
13 Counsel seek an award of attorneys’ fees on the “percentage of recovery/common fund” theory,  
14 which serves to “spread litigation costs proportionally among all the beneficiaries” (*Vincent v.*  
15 *Hughes Air West, Inc.* (1977) 557 F.2d 759, 769.) Attorneys’ fees that are fifty percent of the fund  
16 are typically considered the upper limit, with thirty to forty percent commonly awarded in cases  
17 where the settlement is relatively small. (*See Conte & Newberg, Newberg on Class Actions* (3rd Ed.)  
18 § 14.03.)

19           Here, Plaintiff requests attorneys’ fees equal to 30% of the Gross Settlement Amount,  
20 consistent with prevailing guidelines. (*Compare* Settlement, ¶ 3.1.2 *with Chavez v. Netflix, Inc.*  
21 (2008) 162 Cal.App.4th 43, 66, n.11. [stating fee awards in class actions average around one-third  
22 of the recovery.]

23           Additionally, the fee-shifting provisions of Labor Code §§ 218.5, 226, 1194 and 2699, *et seq.*  
24 would permit Plaintiff to recover his actual attorneys’ fees, even if those fees were larger than the  
25 total class recovery at the conclusion of this case. This further supports the reasonableness of the  
26 requested fee. Plaintiff’s Counsel also undertook this matter solely on a contingent basis, with no

27  
28           <sup>3</sup> Plaintiff’s Counsel’s current litigation costs are \$24,590.27, and they anticipate incurring  
additional costs up to final approval. (Moon Decl., ¶¶ 17, 75, Ex. 5.)

1 guarantee of recovery. (*Id.*)

2                   **2.       The Experience, Reputation and Ability of Plaintiff’s Counsel Support**  
3                   **the Requested Fee Award**

4           As demonstrated by their past experience in pursuing class actions on behalf of consumers  
5 and employees, Plaintiff’s Counsel possess considerable expertise in litigating class actions and have  
6 been involved as lead counsel or co-counsel in several class actions, resulting in millions in recovery.  
7 (Moon Decl., ¶¶ 50-67.)

8           Their experience in wage and hour class actions was integral in evaluating the strengths and  
9 weaknesses of the case and the reasonableness of the settlement. (*Id.* at ¶ 68.) Therefore, the  
10 requested fee award is reasonable and fair. A detailed analysis of why the fee request is appropriate,  
11 including contemporaneously made billing entries to support a lodestar analysis, will be provided in  
12 support of Plaintiff’s motion for final approval.

13                   **D.       The Service Award To Plaintiff Is Reasonable**

14           Named plaintiffs in class action lawsuits are eligible for reasonable incentive payments to  
15 compensate them for the expense or risk they have incurred in conferring a benefit on the class.  
16 (*Munoz, supra*, 186 Cal.App.4th at p. 412.) Service awards are particularly important in wage and  
17 hour cases where retaliation against employees for asserting statutory rights is widespread despite  
18 anti-retaliation protections. (*Gentry v. Super. Ct.* (2007) 42 Cal.4th 443, 460-61.)

19           The Settlement provides a Class Representative Service Award of \$7,500 to Plaintiff, subject  
20 to Court approval. (Settlement, ¶ 3.1.1.) Plaintiff devoted significant time assisting counsel in the  
21 case and communicated with counsel frequently for litigation and to prepare for mediation. (Moon  
22 Decl., ¶¶ 45-49; Declaration of Plaintiff Marcos Calderon in Support of Approval of Class Action  
23 and PAGA Action Settlement [“Plaintiff Decl.”], ¶¶ 11–21.) This amount is reasonable particularly  
24 in light of the substantial benefits Plaintiff generated for all class members. (Moon Decl., ¶¶ 45–49.)  
25 A detailed analysis of why the proposed amount is appropriate will be provided in support of  
26 Plaintiff’s motion for final approval.

27 ///

28 ///

1 **IV. CERTIFICATION FOR SETTLEMENT PURPOSES IS WARRANTED**

2 **A. Legal Standard**

3 The proposed Settlement Class is well suited for class certification. Code of Civil Procedure  
4 section 382 provides that when a question is of common or general interest, one or more may sue or  
5 defend for the benefit of all. Two requirements must be met: (1) an ascertainable class; and (2) a  
6 well-defined community of interest in the questions of law and fact. (*Daar v. Yellow Cab Co.* (1967)  
7 67 Cal. 2d 695, 704.) The community-of-interest requirement embodies three factors: (1)  
8 predominant questions of law or fact; (2) class representatives with claims or defenses typical of the  
9 class; and (3) class representatives who can adequately represent the class.” (*Richmond v. Dart*  
10 *Indus., Inc.* (1981) 29 Cal. 3d 462, 470.) California law favors the fullest and most flexible use of  
11 the class action device, and any doubt as to the appropriateness of class treatment should be resolved  
12 in favor of certification. (*Id.* at pp. 469-75.)

13 **B. Plaintiff Maintains That The Criteria For Class Certification Are Satisfied**

14 **1. The Class Is Ascertainable and Numerous**

15 The proposed class is ascertainable because the class definition is sufficiently precise,  
16 consists of 1,125 individuals, and Class Members can be readily identified from Defendant’s regular  
17 business records based on their employment by Defendant in California, non-exempt classification,  
18 representation by the Teamsters, and actual work during the Class period. (Settlement, ¶ 1.4; Moon  
19 Decl., ¶ 31; *see Miller v. Woods*, 148 Cal. App. 3d 862, 873 (1983); *Wilner v. Sunset Life Ins. Co.*  
20 (2000) 78 Cal.App.4th 952, 959-60.)

21 With approximately 1,125 Class Members, numerosity is plainly satisfied. (*Rose v. City of*  
22 *Hayward* (1981) 126 Cal.App.3d 926, 934.)

23 **2. There are Many Common Issues of Law and Fact Which Predominate**

24 To satisfy the community of interest requirement, Parties must show: (1) common questions  
25 of law and fact that predominate over individual issues; (2) class representatives must have claims  
26 or defenses typical of the class; and (3) class representatives must adequately represent the class.  
27 *Dunk*, 48 Cal. App. 4<sup>th</sup> at 1806. This inquiry tests whether proposed classes are sufficiently cohesive  
28

1 to warrant adjudication by representation. (*See, e.g., Clothesrigger, Inc. v. GTE Corp.* (1987) 191  
2 Cal.App.3d 605.) Plaintiff's claims satisfy all three requirements.

3 In this case, the employment practices at issue are: whether Defendant had legally compliant  
4 policies and practices to pay employees all wages owed; had legally compliant policies and practices  
5 to provide employees with meal periods; had legally compliant policies and practices authorizing  
6 and permitting its employees to take rest periods; had legally compliant policies and practices  
7 reimbursing its employees for business expenses; whether final payment of wages was untimely and  
8 excluded unpaid wages, including meal period premium wages, and rest period premium wages;  
9 whether all wages were paid to employees at the time of termination of the employment relationship;  
10 and whether the wage statements were consequently non-compliant. Plaintiff contends that the  
11 factual and legal issues are the same for all Class Members. (Plaintiff Decl., ¶ 5.) Further, all Class  
12 Members suffered from and seek redress for the same alleged injuries. (*Id.*; Moon Decl., ¶ 4.)  
13 Considering that Class Members would need to prove the same issues of law and fact to prevail and  
14 their legal remedies are identical, it would be preferable to resolve all claims through a settlement  
15 agreement than to force each Class Member to litigate their own individual claims. Thus, the Court  
16 should grant conditional class certification for settlement because common questions of law and fact  
17 predominate over any individual questions within the class.

### 18 3. Plaintiff's Claims Are Typical of the Claims of the Class

19 The typicality requirement does not focus on the individual characteristics or circumstances  
20 of the representative plaintiff compared to those of the remainder of the class, but rather upon the  
21 typicality of the proposed representative's claims as they relate to the defendant's conduct and  
22 activities. (*Classen v. Weller* (1983) 145 Cal.App.3d 27, 47 ["[t]he only requirements are that  
23 common questions of law and fact predominate and that the class representative be similarly situated"  
24 vis-à-vis the class.].) A representative plaintiff's claims are typical of the class if they arise from the  
25 same event, practice or course of conduct, and if the claims rest on the same legal theories. (*Id.*) That  
26 is precisely the case here. Plaintiff is a former, non-exempt employee of Defendant, who was  
27 represented by Teamsters and employed by Defendant during the Class Period; as such, he alleges  
28 that he was subject to the same policies and practices as other similarly situated employees. (Plaintiff

Decl., ¶¶ 2,6.)

#### 4. Plaintiff and His Counsel Meet the Adequacy Requirement

The adequacy of representation requirements is met by fulfilling two conditions: first, a named plaintiff must be represented by counsel qualified to conduct the pending litigation; second, a named plaintiff's interests cannot be antagonistic to those of the class. (*McGhee v. Bank of America* (1976) 60 Cal.App.3d 442, 451.)

Here, all requirements are met. Plaintiff retained counsel with extensive experience in prosecuting complex class actions, including similar class actions that previously settled. (Moon Decl., ¶¶ 50-67.) With their combined experience, Plaintiff's Counsel unquestionably are "qualified, experienced and generally able to conduct the proposed litigation." (*Miller, supra*, 148 Cal.App.3d at 875.) In addition, Plaintiff has no conflicts, and Plaintiff has, with counsel, litigated this case and diligently reviewed the settlement terms, showing his dedication. (Plaintiff Decl., ¶¶ 8-21.) Plaintiff's willingness to serve as a representative demonstrates his serious commitment to bringing about the best results possible for the class. (*Id.* at ¶¶ 11-21; *McGhee, supra*, 60 Cal.App.3d at p. 451.)

#### 5. A Class Action Is Superior to a Multiplicity of Litigation

Finally, in making its class certification decision, the Court must determine that a class action would be superior to alternative means for the fair and efficient adjudication of the litigation. By consolidating many potential individual actions into a single proceeding, this Court's use of the class action device enables it to manage this litigation in a manner that serves the economics of time, effort and expense for the litigants and the judicial system. Absent class treatment, similarly situated employees with small but nevertheless meritorious claims for damages would, as a practical matter, have no means of redress because of the time, effort and expense required to prosecute individual actions. (*Gentry v. Super. Ct.* (2007) 42 Cal. 4th 443, 457-62; *Leyva v. Medline Ind.* (9th Cir. 2013) 716 F.3d 510, 515.) Moreover, in the context of settlement, the superiority concerns are essentially non-existent.

### V. THE PROPOSED NOTICE IS CONSTITUTIONALLY SOUND

#### A. The Proposed Notice Plan Satisfies Due Process

Notice requirements are set forth in the California Rules of Court. Cal. Rules of Court, Rule

1 3.766 (e) and (f). California law vests the Court with broad discretion in fashioning an appropriate  
2 notice program. (*Cartt v. Super Ct.* (1975) 50 Cal.App.3d 960, 973-74.) There is no statutory or due  
3 process requirement that all class members receive actual notice, but in this matter, the class members  
4 will receive direct first-class mailed notice. (Settlement, ¶ 6.3.) As the Court of Appeals has  
5 explained, “[t]he notice given should have a reasonable chance of reaching a substantial percentage  
6 of the Class Members . . . .” (*Id.* at p. 974.) In this case, notice will be provided by direct mailing,  
7 the best possible form of notice under the circumstances. (Settlement, ¶ 6.3.)

8 **B. The Class Notice Is Accurate and Informative**

9 The proposed Class Notice should be approved. It will be provided in both English and  
10 Spanish, which is sufficient to allow all Class Members to understand. (*Id.* at ¶ 6.3; Moon Decl., ¶  
11 29.) It informs Class Members of the settlement terms and their rights to be excluded, object, and be  
12 heard at the Final Approval Hearing. (Settlement, Ex. A.)

13 The Class Notice is neutral, summarizes the proceedings, the Settlement terms, and makes  
14 clear that the Settlement does not constitute an admission of liability by Defendant. (*Id.*) It also states  
15 that the final settlement approval decision has yet to be made. (*Id.*) Accordingly, the Class Notice  
16 complies with the standards of fairness, completeness, and neutrality required of a combined  
17 settlement-certification class notice.

18 **VI. CONCLUSION**

19 For the foregoing reasons, Plaintiff respectfully requests that the Court grant preliminary  
20 approval of the proposed settlement and set a Final Approval Hearing no earlier than 120 days  
21 from preliminary approval.

22 Respectfully submitted,

23 Dated: June 29, 2026
