CASE NO.: **24CU002731C**

DECLARATION OF KYLE R. NORDREHAUG IN SUPPORT OF MOTION FOR FINAL APPROVAL OF CLASS SETTLEMENT, ATTORNEYS' FEES, COSTS AND SERVICE AWARD

Hearing Date: December 18, 2026
Hearing Time: 10:30 a.m.
[*Hearing scheduled by Order dated May 8, 2026*]

Judge: Hon. Carolyn M. Caietti
Dept.: 70

Date Action Filed: July 24, 2024
Trial Date: Not set

I, KYLE R. NORDREHAUG, declare as follows:

1. I am the managing partner of the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP, counsel of record for Plaintiff Armando Cardenas ("Plaintiff") in this matter. As such, I am fully familiar with the facts, pleadings and history of this matter. The following facts are within my own personal knowledge, and if called as a witness, I could testify competently to the matters stated herein. This declaration is being submitted in support to the Plaintiff's motion for final approval of the class settlement, including attorneys' fees, costs and service award

2. Over the course of the litigation, a number of attorneys in my firm have worked on this matter. Their credentials are reflected in the Blumenthal Nordrehaug Bhowmik De Blouw LLP firm resume, a true and correct copy of which is attached hereto as Exhibit #1. Some of the major cases our firm has undertaken are also set forth in Exhibit #1. The bulk of the attorneys involved in this matter at Blumenthal Nordrehaug Bhowmik De Blouw LLP have had substantial class litigation experience in the areas of employment class actions, unfair business practices and other complex litigation. The attorneys at my firm have extensive experience in cases involving labor code violations and overtime claims. Class Counsel has litigated similar overtime cases against other employers on behalf of employees, including cases against Permanente Medical, Sharp Healthcare, Walmart, Legoland, Cigna, HealthNet, See's Candies, Securitas, Okta, Advanced Home Health, El Pollo Loco, Total Renal, Panda Express, Walt Disney Resorts, Pharmaca, Nortek Security, California Fine Wine, Solarcity, Walgreens, Space Exploration, Union Bank, Verizon, Apple, Wells Fargo, Kaiser, Universal Protection Services, and California State Automobile Association. Class Counsel have been approved as experienced class counsel during contested motions in state and federal courts throughout California. It is this level of experience which enabled the firm to undertake the instant matter and to successfully combat the resources of the defendants and their capable and experienced counsel. Class Counsel have participated in every aspect of the settlement discussions and have concluded the settlement is fair, adequate and reasonable and in the best interests of the Class.

3. Summary of the Proposed Settlement.

(a) A true and correct copy of the Class Action and PAGA Settlement Agreement (the

"Agreement") between the parties is attached hereto as Exhibit #2. Plaintiff and Defendant Hotel Cleaning Services, Inc. ("Defendant") reached a full and final settlement of the above-captioned action, which is embodied in the Agreement filed concurrently with the Court. As consideration for this Settlement, the Gross Settlement Amount to be paid by Defendant is Eight Hundred Seventy-Eight Thousand Dollars ($878,000) (Agreement at ¶¶ 1.22 and 3.1.) Under the Settlement, the Gross Settlement Amount consists of the following elements: (1) payment of the Individual Class Payments to the Participating Class Members; (2) Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment; (3) Administration Expenses Payment; (4) the Class Representative Service Payment to the Plaintiff; and (5) the PAGA Penalties payment, which is to be allocated 35% to the Aggrieved Employees and 65% to the LWDA.

(b) The Gross Settlement Amount does not include Defendant's share of employer-side payroll taxes which will be paid separately and not out of the Gross Settlement Amount. (Agreement at ¶ 3.1.) The Gross Settlement Amount shall not revert to Defendant. (Agreement at ¶ 3.1.)

(c) Defendant shall fund the Gross Settlement Amount and the amount necessary to pay payroll taxes no later than thirty (30) days after the Effective Date. (Agreement at ¶ 4.3.) The distribution of Individual Class Payments to Participating Class Members along with the other Court-approved distributions shall be made within 14 days after the Defendant funds the settlement. (Agreement at ¶ 5.1.)

(d) The amount remaining in the Gross Settlement Amount after the deduction of Court-approved amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class Representative Service Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Administration Expenses Payment (called the "Net Settlement Amount") shall be allocated to Class Members as their Individual Class Payments. (Agreement at ¶¶ 1.28 and 3.2.) From the Net Settlement Amount, the Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. (Agreement at ¶ 3.2(e).) Workweeks will initially be based on Defendant's records, however, Class Members will have the right to challenge the number of Workweeks.

(e) Class Members were sent the Court approved Class Notice using the procedure approved by the Court by mailing the notice packets after updating class members' addresses using the National Change of Address database and, for any notice packets returned as undeliverable. See Declaration pf Nicole Bench ("Bench Decl.") ¶¶ 5-7. Class Members were provided with the opportunity to exclude themselves or "opt out" if they did not want to participate in the settlement. (Agreement at ¶ 8.5, Ex. A.) Bench Decl. ¶ 8, Exh. A. No Class Member objected and no Class Members submitted a request for exclusion. Bench Decl. ¶¶ 12-13. Therefore, all Class Members (100%) are deemed Participating Class Members who are bound by the Settlement and will be entitled to receive a Settlement Share. (Agreement at ¶ 8.5(c).) All Aggrieved Employees will be paid their allocation of the PAGA Penalties and will remain subject to the release of the PAGA Released Claims regardless of their request for exclusion. (Agreement at ¶ 6.3 and 8.5(d)) Finally, the Notice advised the Class Members of their right to object to the Settlement and/or dispute their Workweeks. (Agreement at ¶¶ 8.6 and 8.7, Ex. A.)

(f) A Participating Class Member must cash his or her Individual Class Payment check within 180 days after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within 180 days will be voided and any funds represented by such checks sent to the State Controller Unclaimed Property Fund, where the funds may be claimed by the Class Member. (Agreement at ¶ 5.4.)

(g) ILYM Group, Inc. was appointed by the Court as the Administrator for the Settlement. (Agreement at ¶ 1.2) From the Gross Settlement Amount, the Administrator will be paid for settlement administration in an amount not to exceed $12,000. (Agreement at ¶ 3.2(c).) As set forth in the Bench Decl. at ¶ 19, the Administration Expenses Payment, including fees and costs incurred to-date, as well as anticipated fees and costs for completion of the settlement administration, are $10,750.

(h) Subject to Court approval, the Agreement provides for Class Counsel to be awarded a sum not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment. (Agreement at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of Class Counsel Litigation Expenses Payment in an amount not to exceed $23,000. (Agreement at ¶ 3.2(b).) Subject to Court approval, the Agreement provides for a payment of no more than $15,000 to the Plaintiff as the Class Representative Service Payment. (Agreement at ¶ 3.2(a).) In support of these requests for attorneys' fees, reimbursement of expenses and service award, Class Counsel is providing evidentiary

support, including lodestar.

(i) Subject to Court approval, the PAGA Penalties will be paid from the Gross Settlement Amount for PAGA penalties under the California Private Attorneys General Act, Cal. Labor Code Section 2698, *et seq.* ("PAGA"). The PAGA Penalties are $20,000. (Agreement at ¶¶ 1.34 and 3.2(d).) Pursuant to the express requirements of Labor Code § 2699(i), the PAGA Payment shall be allocated as follows: 65% shall be allocated to the Labor Workforce Development Agency ("LWDA") as its share of the civil penalties and 35% allocated to the Individual PAGA Payments to be distributed to the Aggrieved Employees based on the number of their respective PAGA Pay Periods. (Agreement at ¶ 3.2(d).) As set forth in the accompanying proof of service, the LWDA has been served with this motion and the Agreement

(j) The Settlement is fair, adequate and reasonable to the class and should be finally approved for the same reasons the Court granted preliminary approval of the Settlement, agreeing that the settlement is "fair, adequate, and reasonable". (Preliminary Approval Order at ¶ 3.) In sum, the Settlement valued at $878,000 is an excellent result for the Class. This result is particularly favorable in light of the fact that liability and class certification in this case were far from certain in light of the defenses asserted by Defendant. Given the complexities of this case, the defenses asserted, the uncertainty of class certification, along with the uncertainties of proof at trial and appeal, the proposed settlement is fair, reasonable and adequate, and should be finally approved.

4. Procedural status of the settlement - In accordance with the Preliminary Approval Order dated May 8, 2026 ("Preliminary Approval Order"), the approved Class Notice has been disseminated to the Class. The reaction of the Class unequivocally supports approval of the Settlement. On June 18, 2026, the Administrator mailed the Court-approved Class Notice to the Class Members, which provided each class member with the terms of the Settlement, including notice of the claims at issue and the financial terms of the settlement, including the attorneys' fees, costs, and service award that were being sought, how individual settlement awards would be calculated, and the specific, estimated payment amount to that individual. See Bench Decl. ¶ 8, Exh. A. In disseminating the notice, the Administrator followed the notice procedures authorized by the Court in its Preliminary Approval Order. Significantly,

there have been no objections and no requests to opt-out. Bench Decl. ¶¶ 11-12. As such, the entire Class (100%) will participate in the Settlement and will be sent a settlement check. *See* Bench Decl. at ¶¶ 12-15.

5. Description of Plaintiff's claims - The Action generally alleges that Plaintiff and other Class Members were not properly paid all overtime wages for hours worked and at the correct rate of pay, were not provided meal and rest periods or paid premiums at the correct rate of pay in lieu thereof, were not timely paid earned wages, were not provided reimbursement for required expenses, were not provided accurate itemized wage statements, were not pay all sick wages and the correct rate of pay, and were not paid all wages at the time of termination. The Action seeks unpaid wages, penalties, attorney fees, litigation costs, and any other equitable or legal relief allegedly due and owing to Plaintiff and the other Class Members by virtue of the foregoing claims.

6. Procedural History of the Litigation

(a) On August 21, 2024, Plaintiff filed with the LWDA and served on Defendant a notice under Labor Code section 2699.3 identifying the alleged Labor Code violations to recover civil penalties on behalf of Aggrieved Employees for alleged violations of Labor Code §§ 201, 202, 203, 204 et seq., 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8,, Section 11070(14) (Failure to Provide Seating), and Violation of the applicable Industrial Welfare Commission Wage Order(s).

(b) On July 24, 2024, Plaintiff commenced this Action by filing a complaint against Defendant in the Superior Court of the State of California, County of San Diego. Plaintiff's complaint asserted class claims against Defendant for: (1) unfair competition in violation of Cal. Bus & Prof. Code §§ 17200, et seq.; (2) failure to to pay minimum wages in violation of California Labor Code §§ 1194, 1197, and 1197.1; (3) failure to pay overtime wages in violation of California Labor Code §§ 510, 1194 & 1198; (4) failure to provide required meal periods in violation of Cal. Labor Code §§ 226.7 and 512; (5) failure to provide required rest periods in violation of Cal. Labor Code §§ 226.7 and 512; (6) failure to provide

accurate itemized wage statements in violation of California Labor Code §§ 226.7 and 512; (7) failure to to reimburse employees for required expenses in violation of California Labor Code § 2802; (8) failure to provide wages when due in violation of California Labor Code §§ 201, 202 and 203; and, (9) failure to pay sick pay wages in violation of California Labor Code §§ 201-204, 233, 246. On August 30, 2024, Plaintiff filed a a Representative Action Complaint alleging a single cause of action against Defendant for recovery of civil penalties for violation of Private Attorney General Act, Cal. Labor Code §§ 2698, et seq. ("PAGA") in the Superior Court of the State of California, County of San Diego ("PAGA Action").

(c) On October 22, 2025, Plaintiff filed a First Amended Consolidated Class and Representative Action Complaint in the Action which consolidated Action and the PAGA claim and all of the factual allegations and theories of liability from the PAGA Action. The First Amended Consolidated Class and Representative Action Complaint is the operative complaint (the "Operative Complaint").

(d) Over the course of litigation, the Parties engaged in the investigation of the claims, including informal discovery and the production of documents, class data, and other information, allowing for the full and complete analysis of liabilities and defenses to the claims in the Action. The information for mediation obtained by Plaintiff included: (1) data concerning the class; (2) payroll data and time punch data for the Class covering 270 employees, 42,256 shifts and 8,545 workweeks; (3) Defendant's wage and hour policies; (4) the employment files for the Plaintiff; and, (5) samples of wage statements provided by Defendant. As such, Class Counsel received the data and information for the Class, which was sufficient for Plaintiff's expert to prepare the valuations of the claims for the Class.

(e) Class Counsel has extensive experience in litigating wage and hour class and representative actions in California. The Parties have vigorously litigated the Action since inception. During the course of litigation, the Parties each performed analysis of the merits and value of the claims. Plaintiff and Defendants have engaged in significant research and investigation in connection with the Action. Class Counsel has thoroughly analyzed the value of the claims during the prosecution of this Action and utilized an expert to perform an analysis of the data and valuation of the claims.

(f) Plaintiff and Defendant agreed to discuss resolution of the Action through a mediation. Prior to mediation, the Parties engaged in the above investigation and the exchange of documents and

information in connection with the Action. On May 7, 2025, the Parties participated in an all-day mediation presided over by Jonathan Andrews, a respected and experienced mediator of wage and hour class actions. The Parties did not settle the matter at mediation. Subsequently to the mediation, the Parties were able to agree to settle the Action based upon a mediator's proposal which was memorialized in the form of a Memorandum of Understanding. The Parties then negotiated the final terms of the settlement as set forth in the Agreement. At all times, the negotiations were arm's length and contentious.

(g) Although a settlement has been reached, Defendant denies any liability or wrongdoing of any kind associated with the claims alleged in the Action and further denies that, for any purpose other than settlement, the Action is appropriate for class and/or representative treatment. Defendant contends, among other things, that it has complied at all times with the California Labor Code, applicable Wage Order, and all other laws and regulations. Further, Defendant contends that class certification is inappropriate for any reason other than for settlement. Plaintiff contend that Defendant violated California wage and hour laws. Plaintiff further contend that the Action is appropriate for class certification on the basis that the claims meet the requisites for class certification. Without admitting that class certification is proper, Defendant has stipulated that the above Class may be certified for settlement purposes only. (Agreement at ¶ 2.6). The Parties agree that certification for settlement purposes is not an admission that class certification is proper. Further, the Agreement is not admissible in this or any other proceeding as evidence that the Class could be certified absent a settlement. Solely for purposes of settling the Action, the Parties stipulate and agree that the requisites for establishing class certification with respect to the Class are satisfied.

(h) Class Counsel has conducted an investigation into the facts of the class action. Informal discovery was obtained, which included the production of relevant documents and data. Class Counsel engaged in a thorough review and analysis of the relevant documents and data with the assistance of an expert. Accordingly, the agreement to settle did not occur until Class Counsel possessed sufficient information to make an informed judgment regarding the likelihood of success on the merits and the results that could be obtained through further litigation. In addition, Class Counsel previously negotiated settlements with other employers in actions involving nearly identical issues and analogous defenses. Based on the foregoing data and their own independent investigation, evaluation and experience, Class

Counsel believes that the settlement with Defendants on the terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of the Class in light of all known facts and circumstances, including the risk of significant delay, defenses asserted by Defendant, and potential appellate issues.

7. History of Settlement Discussions

(a) This settlement is the result of extensive and hard-fought litigation as well as negotiations before an experienced and well-respected mediator. Defendant has expressly denied and continues to deny any wrongdoing or legal liability arising out of the conduct alleged in the Action. Plaintiff and Class Counsel have determined that it is desirable and beneficial to the Class to resolve the Released Class Claims of the Class in accordance with this Settlement, based upon the experience of Class Counsel who has previously litigated similar claims against other employers.

(b) The Parties attended an arms-length mediation session with Jonathan Andrews, a respected jurist and experienced mediator of wage and hour class actions, in order to reach this Settlement. In preparation for the mediation, Defendant provided Plaintiff and Class Counsel with payroll and employment data and other information regarding the Class Members, various internal documents, and other compensation and employment-related materials. Class Counsel analyzed the data with the assistance of damages expert Berger Consulting and prepared and submitted a mediation brief to the mediator. Following the all-day mediation session, the Parties agreed to this Settlement based upon a mediator's proposal.

(c) From August 2025 to April 2026, the initial settlement agreement and exhibits thereto were drafted, negotiated and executed. On May 8, 2026 , the Court issued its Order granting preliminary approved of the settlement as fair, adequate, and reasonable to the Class.

(d) Plaintiff and Class Counsel believe that this settlement is fair, reasonable and adequate. In my judgment as experienced Class Counsel, this Settlement should be finally approved.

8. The outcome of this case would have been uncertain and fraught with risks.

(a) Here, a number of defenses asserted by Defendant present serious threats to the claims of the

Plaintiff and the other Class Members. Defendant asserted that Defendant's practices complied with all applicable Labor laws. Defendant argued that Class Members were paid for all time worked and that all work time was properly recorded and compensation for that time was correctly compensated. Defendant contends that its meal and rest period policies fully complied with California law and Defendant did not fail to provide the opportunity for legally required meal and rest breaks. Defendant could argue that their payment of meal premiums is evidence of its lawful practices and good faith. Defendant contends that there was no failure to pay for business expenses and any cell phone usage was merely convenient and voluntary such that reimbursement was not legally required. Finally, Defendant could argue that the Supreme Court decision in *Brinker v. Superior Court,* 53 Cal. 4th 1004 (2012), weakened Plaintiff's claims, on liability, value, and class certifiability as to the meal and rest period claims. Defendant also argues that based on their facially lawful practices, Defendant acted in good faith and without willfulness, which if accepted would negate the claims for waiting time penalties and/or inaccurate wage statements. See e.g. *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (May 6, 2024) ("if an employer reasonably and in good faith believed it was providing a complete and accurate wage statement in compliance with the requirements of section 226, then it has not knowingly and intentionally failed to comply with the wage statement law.") Defendant's defenses could eliminate or substantially reduce any recovery to the Class. While Plaintiff believes that these defenses could be overcome, Defendant maintain these defenses have merit and therefore present a serious risk to recovery by the Class.

(b) There was also a significant risk that, if the Action was not settled, Plaintiff would be unable to certify a class and maintain that certification through trial, and thereby not recover on behalf of any employees other than themselves. At the time of the mediation, Defendant forcefully opposed the propriety of class certification, arguing that individual issues precluded class certification. Further, as demonstrated by the California Supreme Court decision in *Duran v. U.S. Bank National Assn.*, 59 Cal. 4th 1 (2014), there are significant hurdles to overcome for a class-wide recovery even where the class has been certified. While other cases have approved class certification in wage and hour claims, class certification in this action was hotly disputed and the maintenance of a certified class through trial was by no means a foregone conclusion.

(c) As demonstrated by the decision in *Duran*, the complexities and duration of further litigation

cannot be overstated. There is little doubt that Defendant would post a bond and appeal in the event of an adverse judgment. A post-judgment appeal by Defendant would have required many more years to resolve, assuming the judgment was affirmed. If the judgment was not affirmed in total, then the case could have dragged on for years after the appeal. The benefits of a guaranteed recovery today outweigh an uncertain result three or more years in the future. Plaintiff and Class Counsel recognize the expense and length of a trial against Defendant through possible appeals which could take at least another two or three years. Class Counsel also have taken into account the uncertain outcome, the risk of litigation, especially in complex actions such as this one. Class Counsel are also mindful of and recognize the inherent problems of proof under, and alleged defenses to, the claims asserted in the Action. Moreover, post-trial motions and appeals would have been inevitable. Costs would have mounted and recovery would have been delayed if not denied, thereby reducing the benefits of an ultimate victory. The Settlement confers substantial benefits upon the Class. Based upon their evaluation, Plaintiff and Class Counsel have determined that the Settlement set forth in the Agreement is in the best interest of the Class.

(d) The Settlement in this case is fair, reasonable and adequate considering Defendant's defenses to Plaintiff's claims. As set forth in the Declaration of Nordrehaug in support of preliminary approval which discussed the value of the class claims in detail, the Gross Settlement Amount compares favorably to the value of the claims. class claims in detail, the Gross Settlement Amount compares favorably to the value of the claims. Based upon 286 Participating Class Members who worked an 10,065 work weeks, the Gross Settlement Amount provides an average value of $3,069 per Class Member and $87 per workweek and after deductions the Net Settlement Amount provides an average recovery of $1,806.23 per Participating Class Member and a recovery of $51.32 per workweek. The calculations to compensate for the amount due for the Class at the time of the mediation were calculated by Berger Consulting, Plaintiff's damage expert. As to the Class whose claims are at issue in this Action, Plaintiff used this expert to analyze the data and determine the potential unpaid wages for the employees. The maximum potential damages were calculated to be $14,721 for the alleged unpaid wages due to rounding, $672,215 for the alleged unpaid wages for off-the-clock work at 1 hour per week, $112 for the alleged underpaid sick pay due to the miscalculation of the regular rate, $1,327,089 for alleged missed meal period damages based upon a 59.9% violation rate observed in the time records, $1,327,089 for alleged

rest period damages based upon the same 59.9% violation rate observed in the meal period records, $43,515 for alleged unreimbursed cell-phone expenses at $5 per month. As a result, the total damage valuation was calculated such that Defendant was subject to a maximum damage claim in the amount of $3,384,741. As to potential penalties, Plaintiffs calculated that potential waiting time penalties were a maximum of $3,110,823, and potential maximum wage statement penalties were $1,271,200.[1] Defendant vigorously disputed Plaintiff's calculations and exposure theories. Consequently, the Gross Settlement Amount of $878,000 represents more than 22% of the maximum value of the alleged damages at issue in this case at the time this Settlement was negotiated.[2] Importantly, the recent decision that good faith belief of compliance by the employer in *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024), could completely negate the claims for waiting time and wage statement penalties, even if wages were owed to the Class. The above maximum calculations should then be realistically risk-adjusted in consideration for both the risk of class certification and class-wide liability on all claims. Given the amount of the settlement as compared to the potential value of claims in this case and the defenses asserted by Defendant, this settlement is fair and reasonable.[3] Clearly, the goal of this litigation has been met.

---

[1] While Plaintiffs alleged claims for statutory penalties pursuant to Labor Code Sections 203 and 226, at mediation Plaintiffs recognized that these claims were subject to additional, separate defenses asserted by Defendant, including, a good faith dispute defense as to whether any premium wages for meal or rest periods or other wages were owed given Defendant's position that Plaintiff and Class Members were properly compensated. *See Nordstrom Commission Cases*, 186 Cal. App. 4th 576, 584 (2010) ("There is no willful failure to pay wages if the employer and employee have a good faith dispute as to whether and when the wages were due.").

[2] Because the PAGA claim is not a class claim and primarily is paid to the State of California, Plaintiffs has not included the PAGA claim in her discussion of the value of the class claims. The PAGA claim was addressed in the Motion for Preliminary Approval in the Declaration of Kyle Nordrehaug at ¶33.

[3] See *Glass v. UBS Fin. Servs.*, 2007 U.S. Dist. LEXIS 8476 (N.D. Cal. 2007) (approving a settlement where the settlement amount constituted approximately 25% of the estimated overtime damages for the class); *Stovall-Gusman v. W.W. Granger, Inc.*, 2015 U.S. Dist. LEXIS 78671, at *12 (N.D. Cal. 2015) (granting final approval where the settlement "represents approximately 10% of what class might have been awarded had they succeeded at trial."); *Viceral v. Mistras Grp., Inc.*, 2016 WL 5907869 (N.D. Cal. 2016) (approving wage and hour class action settlement amounting to 8.1% of full value); *Ma v. Covidien Holding, Inc.*, 2014 WL 2472316, (C.D. Cal. 2014) (approving wage and hour class action settlement worth "somewhere between 9% and 18%" of maximum valuation).

(e) In sum, the Settlement is a fair and reasonable result, and provides the Class with a significant recovery, particularly when viewed in light of the fact that the Defendant asserted serious and substantial defenses both to liability and to class certification. The maximum and average class member allocations (in addition to their Individual PAGA Payment) are $11,152.64 and $1,806.24, respectively. *See* Bench Decl. ¶ 17. Given the complexities of this case, the defenses, along with the uncertainties of proof and appeal, the proposed Settlement is fair, reasonable and adequate, and should be finally approved.

(f) It is impossible to predict with certainty whether, under the facts of this case, Plaintiff would prevail against the Defendant's factual and legal defenses. While Plaintiff and Class Counsel believe in the merits of the claims, Defendant has asserted real and substantial defenses to these claims and to class certification. Settlement in this case clearly benefits the Class when measuring the strengths of Plaintiff's case and the risk of establishing class wide liability and damages.

ATTORNEYS' FEES, LITIGATION EXPENSES AND SERVICE AWARD

9. The Agreement For The Payment of Fees and Expenses Should Is Appropriate And Should Be Enforced

(a) Class Counsel successfully negotiated a class action settlement which provides for a common fund settlement to be paid by Defendant to the Class in the amount of Eight Hundred Seventy-Eight Thousand Dollars ($878,000) (Agreement at ¶¶ 1.22 and 3.1.) As part of the settlement, the parties agreed to an award of attorneys' fees equal to one-third (1/3) of the Gross Settlement Amount as the Class Counsel Fees Payment. (Agreement at ¶ 3.2(b).) By this motion, Class Counsel respectfully requests approval of the Class Counsel Fees Payment in an amount equal to one-third of the Gross Settlement Amount.

(b) In the class action context, that means "attempting to award the fee that informed private bargaining, if it were truly possible, might have reached." Here, informed arms-length bargaining between experienced counsel and Defendant resulted in Defendant negotiating the fee award to one-third of the Gross Settlement Amount. Such bargaining is obviously the best measure of the market for fees. Moreover, fee awards in common fund settlements as this one have resulted in a percentage of fees in an equivalent percentage to the sum sought by Class Counsel herein, further reflecting the accurate

market value of the award requested.

(c) The requested fee award, agreed to by the parties as part of the Settlement, should be approved. The requested fee award was bargained for during arms' length adversarial bargaining by counsel for each of the parties as part of the Settlement.

10. The Class Counsel Fee Award Is Properly Calculated as a Percentage of the Total Value Created for the Benefit of the Class

(a) As part of the settlement, the Parties agreed to an award of attorneys' fees equal to one-third of the Gross Settlement Amount of $878,000 which equals $292,666 for attorneys' fees. As part of the Agreement, Defendant also agreed that Class Counsel will also be paid reasonable litigations expenses incurred as per Class Counsel's billing statement in an amount not to exceed $23,000. Finally, Defendant also agreed that Plaintiff can be awarded a Class Representative Service Payment in the amount of $15,000, as his service award under the Agreement.

(b) In defining a reasonable fee, the Court should mimic the marketplace for cases involving a significant contingent risk such as this one. Our legal system places unique reliance on private litigants to enforce substantive provisions of employment law through class actions. Therefore, attorneys providing these substantial benefits should be paid an award equal to the amount negotiated in private bargaining that takes place in the legal market place.

(c) There is a substantial difference between the risk assumed by attorneys being paid by the hour and attorneys working on a contingent fee basis. The attorney being paid by the hour can go to the bank with his fee. The attorney working on a contingent basis can only log hours while working without pay towards a result that will hopefully entitle him to a marketplace contingent fee taking into account the risk and other factors of the undertaking. Otherwise, the contingent fee attorney receives nothing. In this case, the nature of the fee was wholly contingent. Class Counsel subjected themselves to this contingent fee market risk in this all or nothing contingent fee case wherein the necessity and financial burden of private enforcement makes the requested award appropriate. This case was litigated on a contingent basis for over one year, with all of the risk factors inherent in such an uncertain undertaking. Indeed, I am aware of other similar cases where the court dismissed the class allegations or denied class certification.

Under such circumstances, courts have held that a risk multiplier must be applied to the fee award.

(d) Here, the contingent nature of the fee award, both from the point of view of eventual settlement and the point of view of establishing eligibility for an award, also warrant the requested fee award. A number of difficult issues, the adverse resolution of any one of which could have doomed the successful prosecution of the action, were present here. Attorneys' fees in this case were not only contingent but risky, with a very real chance that Class Counsel would receive nothing at all for their efforts, having devoted time and advanced costs. Class Counsel has previously invested in cases which resulted in no recovery, and here Class Counsel is recovering a fee award that comparable to the multiplier approved in other cases.

(e) At the time this case was brought, the result was far from certain as discussed above at paragraphs 8(a) and 8(b).

(f) The Settlement was possible only because Class Counsel was able to convince Defendant that Plaintiff could potentially prevail on the contested issues regarding liability, maintain class certification, overcome difficulties in proof as to monetary relief and take the case to trial if need be. In successfully navigating these hurdles Class Counsel displayed the necessary skills in both wage and hour and class action litigation. The high quality of the Class Counsel's work in this case was mandated by the vigorous defense presented by counsel for Defendant. Over the last years of litigation, Class Counsel was required to invest substantial time and resources in investigation, litigation, the determination of potential damages and communicating with and responding to opposing counsel's and class members' requests and inquiries.

(g) To represent the Class on a contingent fee basis, Class Counsel also had to forego compensable hourly work on other cases to devote the necessary time and resources to this contingent case. In so doing, Class Counsel gave up the hourly work that a firm can bank on for the risky contingent fee work in this case which could potentially have paid nothing.

(h) Class Counsel were required to advance all costs in this litigation. Especially in this type of litigation where the corporate defendant and their attorneys are well funded, this can prove to be very expensive and risky. Accordingly, because the risk of advancing costs in this type of litigation can be significant, it is therefore cost prohibitive to many attorneys. The financial burdens undertaken by

Plaintiff and Class Counsel in prosecuting this action on behalf of the Class were very substantial. Class Counsel has previously litigated cases and advanced costs, but received no recovery. To date, Class Counsel advanced more than $20,000 in costs which could not have been recovered if this case had been lost. The Plaintiff also undertook the risk of liability for Defendant's costs had this case not succeeded, as well as other potential negative financial ramifications from having sued Defendant on behalf of the Class. Accordingly, the contingent nature of the fee and the financial burdens on Class Counsel and on Plaintiff also support the requested awards.

(i) In a common fund settlement, the lodestar method is merely a cross-check on the reasonableness of a percentage figure. In this case, the reasonableness of the requested attorneys' fee of one-third equal to $292,666 is also established by reference to Class Counsel's lodestar in this matter. **The contemporaneous billing records for Class Counsel evidence that through November 20, 2026, Class Counsel's total lodestar is $160,612.50, with significant additional fees still to be incurred to complete final approval and the settlement process**. The requested fee award is therefore currently equivalent to Class Counsel's total lodestar with a reasonable multiplier of less than 1.9, and there will be additional lodestar incurred by Class Counsel to complete the settlement process and manage the settlement distribution and reports. Such a multiplier is below the range of multipliers approved in other cases such as *Laffitte* and *Vizcaino*.[4] As evidenced by the billing, Class Counsel's work was efficiently performed and highly successful, and Class Counsel should not be punished for efficient and successful litigation. As a result, this Court may conclude that the requested award is fair and reasonable and is justified under California law.

(j) Counsel retained on a contingency fee basis, whether in private matters or in

representative litigation of this sort, is entitled to a premium beyond his standard, hourly, non-contingent fee schedule in order to compensate for both the risks and the delay in payment for the simple fact that despite the most vigorous and competent of efforts, success is never guaranteed. This is particularly true here where Class Counsel has prosecuted this case on a contingency basis for over two years. Indeed, if counsel is not adequately compensated for the risks inherent in difficult class actions, competent attorneys will be discouraged from prosecuting similar cases.

P$B Intermodel Services* (Los Angeles County Superior Court Case No, 24STCV07771), Judge Timothy Patrick Dillon approved a one-third fee award in a wage and hour class settlement. A fee award equal to one-third of the common fund is therefore reasonable in light of the fees that have been awarded in other similar cases.

12. **The contemporaneous billing records for Class Counsel evidence that through November 20, 2026, Class Counsel's total lodestar is $160,612.50, with significant additional fees still to be incurred to complete final approval and the settlement process**. From April 23, 2024 to November 20, 2026, my firm worked on this matter for over 223 hours, with hourly rates for attorneys ranging from $450 to $995, resulting in a total incurred lodestar for my firm in the amount of $160,612.50. The requested fee award is therefore currently equivalent to Class Counsel's total lodestar with a reasonable multiplier of less than 1.9,and there will be additional lodestar incurred by Class Counsel to complete the settlement process and manage the settlement distribution and reports. A detailed breakdown of the total fees and the services performed by the firm on this case is attached hereto as Exhibit #3. In addition, Class Counsel will be performing significant additional work that is not included in this lodestar amount, including finalizing the final approval motion, attending the hearing on final approval, and monitoring completion of the settlement process. I expect this additional work will result in $20,000 in additional lodestar for my firm. The rates charged by my firm are in line with the prevailing rates of attorneys in the local legal community for similar work and, if this were a commercial

matter, these are the charges that would be made and presented to the client. My firm's hourly rates are based upon the Laffey Matrix with the appropriate 2% increase adjustment for Southern California. A true and correct copy of the current Laffey Matrix is attached hereto as Exhibit #4. These hourly rates have been approved by Court's throughout California, including the Courts in the Superior Court of California. In fact, on August 1, 2018, District Judge Andre Birotte Jr. explicitly found that Class Counsel's "rates generally appear reasonable and 'in line with those prevailing in the [relevant] community'—the Central District of California". Finally, the reasonableness of Class Counsel's hourly rates is further confirmed by comparing such rates with the rates of comparable counsel practicing complex and class litigation as detailed in the National Law Journal Billing Survey. See e.g. *Zest IP Holdings, LLC v. Implant Direct MFG., LLC*, 2014 U.S. Dist. LEXIS 167563 (S.D. Cal. 2014) (finding that "Mayer Brown's $775 average billing rate for partners" and "Mayer Brown's $543 average associate billing rate" are reasonable rates when compared within 21 other firms practicing in the Southern District of California.) This survey is useful to show that Class Counsel's rates are in line with the comparable rates of the defense counsel that opposes these types of class claims, such as Mayer Brown noted above who is defense counsel in cases currently being prosecuted by Class Counsel. In another example, Sheppard Mullin Richter & Hampton, who is opposing counsel in many cases prosecuted by Class Counsel, charges rates as high as $875 for partners and $535 for associates. Similarly, Paul Hastings, another opposing counsel in these types of cases, charges between $900 and $750 for partners and $755 and $335 for associates. Thus, the rates charged by Class Counsel for comparable work are less than these examples, and are therefore undoubtedly reasonable. Therefore, the requested fee award as a percentage of the fund is supported by the currently lodestar incurred with a reasonable multiplier which will be even less by the completion of the settlement. This is comparable to the multipliers approved in other cases. The requested award is therefore reasonable viewed by the Lodestar/Multiplier cross-check.

Litigation Expenses

13. As part of the Agreement at paragraph 3.2(b), that Class Counsel may seek a "Class Counsel Litigation Expenses Payment of not more than $23,000." Class Counsel requests reimbursement for incurred litigation expenses and costs in the amount of $20,549.47. Class Counsel have incurred

litigation expenses totaling $20,549.47 based upon counsel's billing records. These litigation expenses include the expenses incurred for filing fees, mediation expenses, expert expenses (Berger Consulting), and attorney service charges (Knox, OneLegal), all of which are costs normally billed to and paid by the client.[5] The details of the litigation expenses incurred are set forth in my firm's billing statement for this matter, a true and correct copy of which is attached hereto as Exhibit #3. These costs were reasonably incurred in the prosecution of the Action.

Service Award

14. For his service as the sole class representative, Plaintiff should be awarded the agreed service award of $15,000 in accordance with the Agreement for his time, risk and effort expended on behalf of the Class as the class representatives. (Agreement at ¶ 3.2(a).) Defendant has agreed to this payment and there have been no objections to the requested service award. The Plaintiff's declaration in support of this request is attached hereto as Exhibit #5. As the sole representative of the Class, Plaintiff performed his duties to the Class admirably and without exception. Plaintiff worked extensively with Class Counsel during the course of the litigation, responding to numerous requests, searching for documents, working with counsel, and reviewing the settlement documentation. As set forth in the Agreement, Plaintiff is also providing a comprehensive release as part of the Settlement, far beyond the class release. The Plaintiff's declaration details the involvement, stress and risks he undertook as a result of this Action. Plaintiff also assumed the serious risk that he might possibly be liable for costs and fees to Defendant, as well as the reputational risk of being "blacklisted" by other future employers for having filed a class action on behalf of fellow former employees. Without the Plaintiff's participation, cooperation and information, no other employees would be receiving any benefit. The payment of service awards to successful class representatives is appropriate and the amount of $15,000 is within the currently awarded range for similar settlements. The requested award is also reasonable by reference to

15. The requested service award is also reasonable in light of the reputational risk that Plaintiff assumed in bringing this action against his former employer. Plaintiff put his future employment

prospects at risk by becoming a class representative as the fact that they filed a lawsuit "is searchable on the internet and may become known to prospective employers when evaluating" him for employment. *Guippone v. BH S&B Holdings, LLC*, 2011 U.S., Dist. LEXIS 126026, *20 (S.D.N.Y. Oct. 28, 2011). Employers routinely screen employee candidates to determine whether they have ever filed a suit against other employers, allowing them to screen out the litigious candidates. An entire industry exists that allows employers to run extensive background searches on potential employees. Companies who provide these services specifically highlight the fact that their services allows employers to weed out litigious employment candidates. Reliable Plant outlines ways that employers can "get a sense of whether a prospective employee is likely to sue" the employer, through background checks and other means, to screen out these employees.[6] Onicra Credit Rating Agency states: "Background screening has become a necessity in today's litigious society." Back Track Screening also represents: "In today's litigious culture, employers simply cannot afford to hire employees who will put their company at risk."[7] PreciseHire also offers employment screening and similarly warns: "with today's business climate being extremely competitive and highly litigious, conducting pre employment background checks has become a necessity."[8]

16. As a result, Class Counsel respectfully requests approval of the application for award of the Class Counsel Fees Payment equal to one-third (1/3) of the common fund, an award of litigation expenses in the amount of $20,549.47, and approval of the requested service award to the Plaintiff.

17. In accordance with California Rules of Court, rule 3.769, I make the following disclosure. The Class Counsel Fees Payment awarded shall be allocated 100% to Blumenthal Nordrehaug Bhowmik De Blouw LLP.

REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);
Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);
Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under Aerojet-General. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was no additional standing rules for PAGA claim brought by independent contractor);

The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Class Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients' mailing addresses using the National Change of Address Database. If a Participating Class Member's or Aggrieved Employee's check is not cashed within 120 days after its last mailing to the affected individual, the Administrator will also send the individual a notice informing him or her that unless the check is cashed by the void date, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced but not cashed.

5.3. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

5.4. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall

transmit the funds represented by such checks to the State Controller Unclaimed Property Fund.

8.5. Requests for Exclusion (Opt-Outs).

(a) Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

(b) The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

(c) Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraph 6.2 of the Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

(d) Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.6. Challenges to Calculation of Workweeks. Each Class Member shall have until the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination as to the challenges

8.7. Objections to Settlement.

(a) Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

(b) Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, or in addition to a written objection, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

(c) Non-Participating Class Members have no right to object to any of the class action components of the Settlement. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

(a) Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

(b) Request for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 7 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

(c) Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The

Administrator's decision shall be final and not appealable or otherwise susceptible to challenge.

(d) Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments ("Weekly Report"). The Weekly Reports must include the Administrator's assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

(e) Administrator's Declaration. Not later than 7 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

(f) Final Report by Administrator. Within 10 days after the Administrator disburses all funds of the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 7 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least 7 days before any deadline for a second declaration and Class Counsel shall be responsible for filing the second declaration with the Court.

9. CLASS SIZE MODIFICATION AND ESCALATOR CLAUSE. Based on its records, Defendant provided figures as to the Class size as set forth in section 4.1 above. In regard hereto, Defendant is providing a declaration as set forth in section 7.1 above. Defendant has been given the option, at its discretion, to conduct additional data analysis to determine if the total number of work weeks exceeds by more than 10% of the 33,532 currently agreed as the number of work weeks in the agreed upon Class Period, and then Defendant may, without

consent of the Plaintiff, elect to alter the Class Period to a time period that does not trigger the Escalator Clause, or may otherwise increase the settlement amount pro rata based on a 10% grace margin (e.g., if the number of pay periods increases by 11%, then the settlement amount would increase by 1%). Defendant has elected not to conduct additional analysis for purposes of this settlement and has decided to proceed with the settlement based on the 33,532 workweeks reflected in the defined PAGA Period and Class Period.

10. DEFENDANT'S RIGHT TO WITHDRAW. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be *void ab initio*, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Administration Expenses incurred as of the date Defendant makes this election to withdraw. Defendant must notify Class Counsel and the Court of its election to withdraw not later than 7 days after the Administrator sends the final Exclusion List to Defense Counsel. Invalid Requests for Exclusion will have no effect on this threshold for an election.

11. MOTION FOR FINAL APPROVAL. Unless otherwise ordered by the Court, not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699(l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

11.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for a Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement under C.C.P. section 664.6 solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii)

addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

11.4. Waiver of the Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on an equal basis, any additional Administration Expenses reasonably incurred at the time of remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS

13.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or Judgment pursuant to this Agreement, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available

defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

13.2. Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees have not and will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

13.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

13.7. Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.

13.8. Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

13.9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.

13.10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.

13.11. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.

13.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

13.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

13.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final

pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant.

13.15. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.

13.16. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.

13.17. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

EXHIBIT A

[NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND HEARING DATE FOR FINAL COURT APPROVAL]

EXHIBIT "A"

NOTICE OF PROPOSED SETTLEMENT OF CLASS AND PAGA ACTION AND HEARING DATE FOR FINAL COURT APPROVAL

***Cardenas v. Hotel Cleaning Services, Inc.,* Superior Court of the State of California, County of San Diego, Case No. 24CU002731C**

The Superior Court for the State of California authorized this Notice. Read it carefully! It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.

YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT ACT. PLEASE READ THIS NOTICE CAREFULLY.

You may be eligible to receive money from an employee class action and California Private Attorneys General Act ("PAGA") lawsuit ("Action") against Defendant Hotel Cleaning Services, Inc. ("Defendant"), for alleged wage and hour violations. The Action is brought by Plaintiff Armando Cardenas ("Plaintiff") and seeks payment of (1) wages, statutory penalties, and other relief for a Class of all individuals who are or previously were employed by Defendant who were classified as non-exempt in the State of California during the Class Period (July 24, 2020 through July 16, 2025) ("Class Members"), and (2) civil penalties under the PAGA for all individuals who are or previously were employed by Defendant who were classified as non-exempt in the State of California during the PAGA Period (May 17, 2023 through July 16, 2025) ("Aggrieved Employees").

The Settlement includes the following: (1) a settlement of class claims ("Class Settlement") and (2) a settlement of PAGA claims ("PAGA Settlement"). If the Court grants final approval of the Settlement, Defendant will pay a Gross Settlement Amount that will be used to fund, among other things: (1) Individual Class Payments to Class Members with respect to the Class Settlement and (2) payment of alleged PAGA Penalties, which will be allocated to the California Labor and Workforce Development Agency ("LWDA") and to Aggrieved Employees.

Based on Defendant's records and the Parties' current assumptions, your share of the settlement of the class claims (referred to as your "Individual Class Payment") is estimated to be <<$_____>> (less withholding) and your share of the PAGA Penalties ("Individual PAGA Payment") is estimated to <<be $_____>>. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant's records you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work for it in California during the PAGA Period.)

The above estimates are based on Defendant's records showing that you worked <<_____>> Workweeks during the Class Period and you worked <<_____>> PAGA Pay Periods during the PAGA Period. If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Notice below.

The Court has already preliminarily approved the Settlement and approved this Notice. The Court has not yet decided whether to grant final approval of the Settlement. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter an order that requires payments under the Settlement and requires Class Members and Aggrieved Employees to release their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

(1) **Do Nothing**. You don't have to do anything to participate in the Settlement and be eligible to receive an Individual Class Payment and/or an Individual PAGA Payment (if any). As a Participating Class Member, though, you will give up your right to assert Class Period wage and hour claims and PAGA Period civil penalties claims (if any) against Defendant and others as described below in Section 4 below.

(2) **Opt-Out of the Class Settlement**. You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment, however you will preserve your right to personally pursue wage and hour claims against Defendant. If you are an Aggrieved Employee, opting out of the Class Settlement will have no impact on your status as an Aggrieved Employee. You will still be eligible to receive an Individual PAGA Payment regardless of your participation in the Class Settlement. You cannot opt-out of the PAGA Settlement.

Defendant will not retaliate against you for any actions you take with respect to the Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment. You will also be eligible to receive an Individual PAGA Payment if you are also an Aggrieved Employee. In exchange, you will give up your right to assert the wage and hour claims against Defendant and others that are covered by this Settlement (namely, the Released Class Claims). Additional information is set forth below.
You Can Opt-out of the Class Settlement but not the PAGA Settlement	If you don't want to fully participate in the Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. **If you request exclusion, you will receive no money as to the Class Settlement (put differently, you will not receive an Individual Class Payment) and you will not be bound by the Class Settlement.** Once excluded, you will be a Non-Participating Class

The Opt-out Deadline is _____, 2026	Member. Non-Participating Class Members cannot object to any portion of the Settlement. See Section **7** of this Notice. However, you cannot opt-out of the PAGA Settlement. If you are also an Aggrieved Employee and exclude yourself from the Class Settlement, you will still be paid your Individual PAGA Payment and will remain subject to the release of the Released PAGA Claims regardless of whether you submit a Request for Exclusion.
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement **Written Objections Must be Submitted by _____, 2026**	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the Class Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class and Aggrieved Employees. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section **8** of this Notice.
You Can Participate in the Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on _____, at _____a.m., at the San Diego County Superior Court, located at 330 West Broadway, San Diego, CA 92101, in Department 70 before Judge Carolyn M. Caietti. This hearing may change as explained below in Section **9**. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section **9** of this Notice
You Can Challenge the Calculation of Your Workweeks / PAGA Pay Periods **Witten Challenges Must be Submitted by _____**	The amount of your Individual Class Payment and your Individual PAGA Payment (if any) depend on how many Workweeks you worked for Defendant in California during the Class Period and how many PAGA Pay Periods you worked for Defendant in California during the PAGA Period, respectively. The number of Workweeks during the Class Period and number of Pay Periods during the PAGA Period you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____, 2026. See Section **5** of this Notice

1. Why did I get this Notice?

A proposed class and PAGA action settlement of the above-captioned action pending in the Superior Court of the State of California, in and for the County of San Diego (the "Court"), has been reached between Plaintiff and Defendant and has been granted preliminary approval by the Court. You may be entitled to receive money from this Settlement.

You have received this Notice because you have been identified as a member of the Class, which is defined as:

> All individuals who are or previously were employed by Defendant who were classified as non-exempt in the State of California during the Class Period (July 24, 2020 through July 16, 2025).

So far, the Court has made no determination whether Defendant or Plaintiff are correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a written Class Action and PAGA Settlement Agreement ("Agreement") and agreeing to ask the Court to enter an order ending the Action and enforcing the Agreement that memorializes the Settlement reached between the Parties, Plaintiff and Defendant have negotiated a resolution that is subject to the Court's Final Approval. Both sides agree the Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any of Plaintiff's claims or allegations. Plaintiff and Class Counsel believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of Plaintiff's claims and strength of Defendant's defenses, and the risks and uncertainties of continued litigation; and (2) the Settlement is in the best interests of the Class Members. The Court preliminarily approved the Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine whether to grant final approval of the Settlement.

2. What is this class action lawsuit about?

On July 24, 2024, Plaintiff filed a Complaint against Defendant in the Superior Court of the State of California, County of San Diego ("Action"). The Action asserted class claims for unfair competition, failure to pay minimum wages, failure to pay overtime wages, failure to provide required meal periods, failure to provide required rest breaks, failure to provide accurate itemized wage statements, failure to reimburse employees for required expenses, failure to timely provide wages due during employment, and failure to pay sick wages. On August 30, 2024, Plaintiff filed a separate complaint alleging a single cause of action against Defendant for recovery of civil penalties and other monies pursuant to the PAGA, Cal. Labor Code §§ 2698, *et seq.*, in the Superior Court of the State of California, County of San Diego ("PAGA Action").

On October 22, 2025, Plaintiff filed a First Amended Class and Representative Action Complaint in the Action which added the claims from the PAGA Action to the Action. This First Amended Class Action and Representative Action Complaint in the Class Action is referred to as the "Operative Complaint". Thereafter, the PAGA Action was dismissed without prejudice.

Defendant denies that it has done anything wrong and disputes all the claims in the Action. For example, Defendant contends that Plaintiff, the Class Members, and the Aggrieved Employees were, at all times, properly compensated under California law; that Plaintiff, the Class Members, and Aggrieved Employees were provided with meal periods and rest breaks in compliance with California law; Defendant did not fail to pay wages allegedly due during employment and at the time of termination; that Defendant complied with California wage statement and record

requirements; that Defendant did not violate California Business and Professions Code section 17200 *et seq.*; that Defendant is not liable for any of the penalties or monies sought or that could have been sought in the Operative Complaint; or that this Action cannot be maintained as a class or representative action.

The Court granted preliminary approval of the Settlement on <<INSERT PRELIMINARY APPROVAL DATE>>. At that time, the Court also preliminarily approved Plaintiff to serve as the Class Representative, and the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP to serve as Class Counsel.

The Court has not ruled on the merits of Plaintiff's claims. However, to avoid additional expense, inconvenience, and interference with the business operations of Defendant and the risk of litigation, the Parties concluded that it is in their best interests and the interests of the Class, the LWDA, and the Aggrieved Employees to settle the Action now on the terms summarized in this Notice. The Settlement was reached after mediation conducted by a third party neutral and arm's-length negotiations between the Parties. The Plaintiff and Class Counsel think the settlement is in the best interest of the Class Members. Accordingly, the Settlement constitutes a compromise of disputed claims and should not be construed as or amount to an admission of liability on the part of Defendant, who expressly denies all liability.

3. What are the terms of the Settlement?

Gross Settlement Amount. **Defendant has agreed to pay an "all in" amount of Eight Hundred Seventy-Eight Thousand Dollars and Zero Cents ($878,000.00) (the "Gross Settlement Amount") to fund the Settlement.** The Gross Settlement Amount will be used to pay the Individual Class Payments to Participating Class Members, the Administration Expenses Payment, the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and the PAGA Penalties. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant. Defendant will fund the Gross Settlement Amount and the amount necessary to pay employer-side payroll taxes within thirty (30) days of the Effective Date. The Effective Date is the date the final approval order is entered, unless there are objections or an appeal, in which case the Effective Date is the date the approval order is final and no longer subject to appeal. The Administrator will mail checks for all settlement payments within fourteen (14) days of the funding of the settlement by Defendant.

Court Approved Deductions from Gross Settlement Amount. The proposed payments, subject to Court approval, will be deducted from the Gross Settlement Amount before payments of Individual Class Payments are made to Participating Class Members. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement Amount, the amounts of which will be decided by the Court at the Final Approval Hearing:

- Administration Expenses Payment. Payment to the Administrator, estimated not to exceed $8,745, for expenses, including expenses of notifying the Class Members of the Settlement, processing requests for exclusions and disputes, and distributing settlement checks and tax forms.

- Attorneys' Fees and Costs. Payment to Class Counsel of reasonable attorneys' fees not to exceed one-third (1/3) of the Gross Settlement Amount, which presently equals $292,666, and an additional amount to reimburse actual litigation costs incurred by the Plaintiff not to exceed $23,000. Class Counsel has been prosecuting the Action on behalf of Plaintiff and the Class on a contingency fee basis (that is, without being paid any money to date) and has been paying all litigation costs and expenses. The amounts stated are what Class Counsel will be requesting and the final amounts to be paid will be decided at the Final Approval Hearing.

- Class Representative Service Payment. A Class Representative Service Payment in an amount not more than $15,000 to the named plaintiff as a service payment, or such lesser amount as may be approved by the Court, to compensate her for services on behalf of the Class in initiating and prosecuting the Action, and for the risks she undertook. The amount stated is what Plaintiff will be requesting and the final amount to be paid will be decided at the Final Approval Hearing.

- PAGA Penalties. A payment of $20,000 relating to Plaintiff's claims under PAGA, 65% ($13,000) of which will be paid to the State of California's Labor and Workforce Development Agency ("LWDA"). The remaining 35% ($7,000) will be distributed to the Aggrieved Employees. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' thirty-five percent (35%) share of PAGA Penalties ($7,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. "PAGA Pay Period" means any pay period during which an Aggrieved Employee worked for Defendant for at least one day in California during the PAGA Period. The PAGA Period is May 17, 2023 through July 16, 2025.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Individual Class Payments to Participating Class Members. After all of the payments of the court-approved Attorneys' Fees and Costs, the Class Representative Service Payment, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion (the "Net Settlement Amount") shall be distributed as Individual Class Payments to the Participating Class Members. The Net Settlement Amount is estimated to be at least $518,589.00. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member shall be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. "Workweek" means any week during the Class Period in which a Class Member worked for Defendant as a Class Member for at least one day in California. The number of Workweeks will be based on Defendant's records, however, Class Members may challenge the number of Workweeks worked as explained below.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

Tax Matters. Twenty Percent (20%) of each Participating Class Member's Individual Class Payment is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on an IRS Form W-2. Eighty Percent (80%) of each Participating Class Member's Individual Class Payment is to settle non-wage claims and requests for interest and penalties allegedly due to employees (collectively the "Non-Wage Portion"). The Non-Wage Portion and any Individual PAGA Payment shall not be subject to wage withholdings and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. Neither Class Counsel nor Defendant's Counsel intend anything contained in this Class Notice to constitute advice regarding taxes or taxability. The tax issues for each Participating Class Member are unique to him/her, and each Participating Class Member may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement and your receipt of the Individual Class Payment and Individual PAGA Payment are conditioned upon the Court entering a final order granting final approval of the Settlement.

The Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement. It is also possible the Court will enter a final approval order that is reversed on appeal. Plaintiff and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

Need to Promptly Cash Payment Checks. The front of every check issued will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the individual who failed to cash their check.

4. What Do I Release Under the Settlement?

Released Class Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members release Defendant and the Released Parties from any and all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint, including the failure to pay minimum wages, straight time compensation, overtime compensation, double-time compensation, and interest thereon; failure to timely pay regular and final wages; the calculation of the regular rate of pay; wages lost from time rounding and timekeeping; non-compliant (e.g., missed, short, late, and/or interrupted) meal periods and rest periods; failure to provide meal periods; failure to authorize

and permit rest periods; the calculation and payment of meal period and rest period premiums; payment for all hours worked, including off-the-clock work and uncompensated work time; failure to provide wage statements and paystubs, including wage statements and paystubs furnished or available in physical, electronic, or other forms; failure to reimburse for all necessary business expenses; unfair business practices; recordkeeping penalties, wage statement penalties, minimum-wage penalties, and waiting-time penalties; statutory penalties and civil penalties; interest for claims for unpaid wages; and attorneys' fees and costs; claims based on the facts stated in the Operative Complaint under the California Labor Code sections 201, 202, 203, 204, 210, 226, 226.3, 226.7, 510, 512, 1174, 1182.12, 1194, 1194.2, 1194.3, 1197, 1197.1, 1198, 2800 and 2802); the Wage Orders of the California Industrial Welfare Commission; and California Business and Professions Code section 17200, et seq. (the " Released Class Claims"). This release excludes the release of claims not permitted by law, including, claims for vested benefits, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

This means that, if you do not timely and formally exclude yourself from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant and any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court's orders in the Action will apply to you and legally bind you.

The Released PAGA Claims include claims based on the facts of the Operative Complaint and PAGA Notice that occurred during the PAGA Period for violation of the Wage Orders of the California Industrial Welfare Commission and the following California Labor Code sections: 201, 202, 203, 204, 210, 226, 226.3, 226.7, 510, 512, 1174, 1182.12, 1194, 1194.2, 1194.3, 1197, 1197.1, 1198, 2800 and 2802). The foregoing release shall apply to all Aggrieved Employees, regardless of whether they exclude themselves from the Released Class Claims. The foregoing release shall not apply outside the PAGA Period.

Released Parties. The "Released Parties" are: Defendant and each of its past, present and future agents, employees, servants, officers, directors, partners, trustees, representatives, shareholders, stockholders, attorneys, parents, subsidiaries, equity sponsors, related companies/corporations and/or partnerships, divisions, assigns, predecessors, successors, insurers, consultants, service

EXHIBIT B

[ORDER GRANTING PRELIMINARY APPROVAL]

EXHIBIT "B"

SUPERIOR COURT OF THE STATE OF CALIFORNIA

COUNTY OF SAN DIEGO

ARMANDO CARDENAS, an individual, on behalf of himself and on behalf of all persons similarly situated, and on behalf of the State of California, as a private attorney general, Plaintiff, vs. HOTEL CLEANING SERVICES, INC., a corporation; and DOES 1 through 50, inclusive, Defendants.	CASE NO.: **24CU002731C** **[PROPOSED] PRELIMINARY APPROVAL ORDER** Hearing Date: Hearing Time: Judge: Hon. Carolyn M. Caietti Dept.: 70 Date Action Filed: July 24, 2024 Trial Date: Not set

This matter has come before the Honorable Carolyn M. Caietti of the Superior Court of the State of California, in and for the County San Diego, on _____[DATE], for the motion by Plaintiff Armando Cardenas ("Plaintiff") for preliminary approval of the class and PAGA settlement with Defendant Hotel Cleaning Services, Inc. ("Defendant"). The Court, having considered the briefs, argument of counsel and all matters presented to the Court and good cause appearing, hereby GRANTS Plaintiff's Motion for Preliminary Approval of Class Action and PAGA Settlement.

IT IS HEREBY ORDERED:

1. The Court preliminarily approves the Class Action and PAGA Settlement Agreement ("Agreement") attached as Exhibit ___ to the Declaration of Kyle Nordrehaug in Support of Plaintiff's Motion for Preliminary Approval of Class and PAGA Action Settlement. This is based on the Court's determination that the Settlement set forth in the Agreement is within the range of possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil Procedure and California Rules of Court, rule 3.769.

2. This Order incorporates by reference the definitions in the Agreement, and all terms in this Order shall have the same meaning as set forth in the Agreement.

3. The Gross Settlement Amount is Eight Hundred Seventy-Eight Thousand Dollars and Zero Cents ($878,000.00). It appears to the Court on a preliminary basis that the settlement amount and terms are fair, adequate and reasonable as to all potential Class Members when balanced against the probable outcome of further litigation and the significant risks relating to certification, liability and damages issues. It further appears that investigation and research have been conducted such that counsel for the Parties are able to reasonably evaluate their respective positions. It further appears to the Court that settlement at this time will avoid substantial additional costs by all Parties, as well as avoid the delay and risks that would be presented by the further prosecution of the Action. It further appears that the Settlement has been reached as the result of serious and non-collusive, arms-length negotiations. The Court therefore preliminarily finds that the Settlement is fair, adequate, and reasonable when balanced against the probable

outcome of further litigation and the significant risks relating to certification, liability, and damages issues.

4. The Agreement specifies an attorneys' fees request not to exceed one-third of the Gross Settlement Amount, an award of litigation expenses incurred, not to exceed $23,000, and proposed Class Representative Service Payment to Plaintiff in an amount not to exceed $15,000. The Court will not approve the amount of attorneys' fees and costs, nor the amount of any service payment, until the Final Approval Hearing.

5. The Court recognizes that Plaintiff and Defendant stipulate and agree to certification of a class for settlement purposes only. This stipulation will not be deemed admissible in this or any other proceeding should this Settlement not become final. For settlement purposes only, the Court conditionally certifies the following Class: "all individuals who are or previously were employed by Defendant who were classified as non-exempt in the State of California during the Class Period." The Class Period is July 24, 2020 through July 16, 2025.

6. The Court concludes that, for settlement purposes only, the Class meets the requirements for certification under section 382 of the California Code of Civil Procedure in that: (a) the Class is ascertainable and so numerous that joinder of all members of the Class is impracticable; (b) common questions of law and fact predominate, and there is a well-defined community of interest amongst the members of the Class with respect to the subject matter of the litigation; (c) the claims of Plaintiff are typical of the claims of the members of the Class; (d) Plaintiff can fairly and adequately protect the interests of the members of the Class; (e) a class action is superior to other available methods for the efficient resolution of this controversy; and (f) counsel for the Class is qualified to act as counsel for the Class and Plaintiff is an adequate representative of the Class.

7. The Court recognizes that Plaintiff and Defendant stipulate and agree that the group of Aggrieved Employees subject to the Settlement is manageable for settlement purposes only. The group of Aggrieved Employees subject to the Settlement is defined as: "all individuals who

are or previously were employed by Defendant who were classified as non-exempt in the State of California during the PAGA Period (May 17, 2023 through July 16, 2025)."

8. The Court provisionally appoints Plaintiff as the representative of the Class. The Court provisionally appoints Blumenthal Nordrehaug Bhowmik De Blouw LLP as Class Counsel for the Class.

9. The Court hereby approves, as to form and content, the Court Approved Notice of Proposed Settlement of Class and PAGA Action and Hearing Date for Final Court Approval ("Class Notice") attached to the Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and accurately inform the Class of all material elements of the proposed Settlement, of the Class Members' right to be excluded from the Class by submitting a written opt-out request, and of each Class Member's right and opportunity to object to the Settlement. The Court further finds that the distribution of the Class Notice substantially in the manner and form set forth in the Agreement and this Order meets the requirements of due process, is the best notice practicable under the circumstances, and shall constitute due and sufficient notice to all persons entitled thereto. The Court orders the mailing of the Class Notice by first class mail, pursuant to the terms set forth in the Agreement.

10. The Court hereby appoints ILYM Group, Inc. as the Administrator. No later than fourteen (14) days after preliminary approval of the Settlement by the Court, Defendant shall provide to the Administrator an electronic spreadsheet with the Class Data. The Administrator will perform address updates and verifications as necessary prior to the mailing of the Class Notice. Using best efforts to mail it as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will mail the Class Notice Packets to all Class Members (and Aggrieved Employees) via first-class U.S. Mail. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

11. The Court hereby preliminarily approves the proposed procedure for exclusion from the Settlement. Any Class Member may individually choose to opt out of and be excluded

from the Class as provided in the Class Notice by following the instructions for requesting exclusion from the Class that are set forth in the Class Notice. All Requests for Exclusion must be postmarked by no later than the Response Deadline, which is forty-five (45) calendar days after the date of the mailing of the Class Notice and be received by the Administrator. If the Class Notice Packet is re-mailed, the Response Deadline will be extended an additional 14 days. Any such person who chooses to opt out of and be excluded from the Class will not be entitled to any recovery under the Class Action aspect of the Settlement and will not be bound by the class portion of the Settlement or have any right to object, appeal or comment thereon. Class Members who have not requested exclusion shall be bound by all determinations of the Court, the Agreement, and the Final Approval Order. A Request for Exclusion may only opt out that particular individual, and any attempt to effect an opt out of a group, class, or subclass of individuals is not permitted and will be deemed invalid. Subject to the Court's final approval of the Settlement, each Aggrieved Employee will be paid his/her allocation of the PAGA Penalties and will remain bound by the release of the Released PAGA Claims, even if also deemed to be a Class Member who opts out of the class aspect of the Settlement.

12. Any Class Member who has not opted out ("Participating Class Member") may appear at the final approval hearing and may object or express their views regarding the Settlement and may present evidence and file briefs or other papers that may be proper and relevant to the issues to be heard and determined by the Court as provided in the Notice. Participating Class Members will have until the Response Deadline, which is forty-five (45) calendar days from the date of the mailing of the Class Notice to submit their written objections to the Administrator in accordance with the instructions in the Class Notice. If the Class Notice Packet is re-mailed, the Response Deadline for written objections will be extended an additional 14 days. Alternatively, Participating Class Members may appear at the Final Approval Hearing to make an oral objection.

13. A Final Approval Hearing shall be held before this Court on _____ _____, at _____ a.m. in Department 70 at the San Diego County Superior Court to

determine all necessary matters concerning the Settlement, including: whether the proposed settlement of the Action on the terms and conditions provided for in the Agreement is fair, adequate and reasonable and should be finally approved by the Court; whether the Final Approval Order should be entered herein; whether the plan of allocation contained in the Agreement should be approved as fair, adequate and reasonable to the Class Members and to finally approve attorneys' fees and costs, the service payment, and the expenses of the Administrator. All papers in support of the motion for final approval and for attorneys' fees, costs and service payments, to be heard at the Final Approval Hearing, shall be filed with the Court and served on all counsel no later than sixteen (16) court days before the hearing.

14. Neither the Settlement nor any exhibit, document, or instrument delivered thereunder shall be construed as a concession or admission by Defendant in any way that the claims asserted have any merit or that this Action was properly brought as a class or representative action, and shall not be used as evidence of, or used against Defendant as, an admission or indication in any way, including with respect to any claim of any liability, wrongdoing, fault or omission by Defendant or with respect to the truth of any allegation asserted by any person. Defendant has denied that it has done anything wrong and disputes all the claims in this Action. Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit, document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts thereof, shall in any event be construed as, offered or admitted in evidence as, received as or deemed to be evidence for any purpose adverse to the Defendant, including, but not limited to, evidence of a presumption, concession, indication or admission by Defendant of any liability, fault, wrongdoing, omission, concession or damage.

15. In the event the Settlement does not become effective in accordance with the terms of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to become effective for any reason, this Order shall be rendered null and void and shall be vacated, and the Parties shall revert to their respective positions as of before entering into the Agreement, and expressly reserve their respective rights regarding the prosecution and defense of this Action,

including all available defenses and affirmative defenses, and arguments that any claim in the Action could not be certified as a class action and/or managed as a representative action. In such an event, the Court's orders regarding the Settlement, including this Order, shall not be used or referred to in litigation for any purpose.

16. The Court reserves the right to adjourn or continue the date of the final approval hearing and all dates provided for in the Agreement without further notice to Class Members and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement.

17. The Action is otherwise stayed and all trial and related pre-trial dates, if any, are vacated, subject to further orders of the Court at the Final Approval Hearing.

JUDGE, SUPERIOR COURT OF CALIFORNIA

EXHIBIT C

[FINAL APPROVAL ORDER AND JUDGMENT]

EXHIBIT "C"

SUPERIOR COURT OF THE STATE OF CALIFORNIA

COUNTY OF SAN DIEGO

ARMANDO CARDENAS, an individual, on behalf of himself and on behalf of all persons similarly situated, and on behalf of the State of California, as a private attorney general, Plaintiff, vs. HOTEL CLEANING SERVICES, INC., a corporation; and DOES 1 through 50, inclusive, Defendants.	CASE NO.: **24CU002731C** **[PROPOSED] FINAL APPROVAL ORDER** Hearing Date: Hearing Time: Judge: Hon. Carolyn M. Caietti Dept.: 70 Date Action Filed: July 24, 2024 Trial Date: Not set

The motion of Plaintiff Armando Cardenas ("Plaintiff") for an order finally approving the Class Action and PAGA Settlement Agreement ("Agreement") that memorializes the settlement ("Settlement") between Plaintiff and Defendant Hotel Cleaning Services, Inc. ("Defendant") and for payment of attorneys' fees and costs, service payment, and the fees of the Administrator, duly came on for hearing on _____ before the Honorable Carolyn M. Caietti.

I.

FINDINGS

Based on the oral and written argument and evidence presented in connection with the motion, the Court makes the following findings:

1. All terms used herein shall have the same meaning as defined in the Agreement.

2. This Court has jurisdiction over the subject matter of this litigation pending before the California Superior Court for the County of San Diego, and over all Parties to this litigation, including the Class and the Aggrieved Employees.

3. Based on a review of the papers submitted by Plaintiff and a review of the applicable law, the Court finds that the Gross Settlement Amount of Eight Hundred Seventy-Eight Thousand Dollars and Zero Cents ($878,000.00) and the terms set forth in the Agreement are fair, reasonable, and adequate.

4. The Court further finds that the Settlement was the result of arm's length negotiations conducted after Class Counsel had adequately investigated the claims and became familiar with the strengths and weaknesses of those claims. In particular, the amount of the Settlement, the significant risks relating to certification, liability, and damages issues, and the assistance of an experienced mediator in the settlement process, among other factors, support the Court's conclusion that the Settlement is fair, reasonable, and adequate.

Preliminary Approval of the Settlement

5. On _____, the Court granted preliminary approval of the Settlement. At this same time, the Court approved conditional certification of the Class for settlement purposes only. The Court also determined the group of Aggrieved Employees was manageable for

settlement purposes only.

Notice to the Class

6. In compliance with the Preliminary Approval Order, the Class Notice was mailed by first class mail to members of the Class at their last known addresses on or about _____. Mailing of the Class Notice to their last known addresses was the best notice option under the circumstances and was reasonably calculated to communicate actual notice of the litigation and the Settlement to the Class. The Class Notice given to the Class Members fully and accurately informed the Class Members of all material elements of the Settlement and of their opportunity to object to or comment thereon or to seek exclusion from the Settlement; constituted valid, due, and sufficient notice to all Class Members; and complied fully with the laws of the State of California, the United States Constitution, due process and other applicable law. The Class Notice fairly and adequately described the Settlement and provided Class Members adequate instructions and a variety of means to obtain additional information.

7. The Response Deadline for opting out of the Class or submitting written objections to the Settlement was _____, which was extended by 14 days for re-mailed Class Notices. There was an adequate interval between mailing of the Class Notice and the response deadline to permit Class Members to choose what to do and act on their decision. A full opportunity has been afforded to the Participating Class Members to participate in this hearing, and all Participating Class Members and other persons wishing to be heard have been heard. Class Members also have had a full and fair opportunity to exclude themselves from the Settlement and Class. Accordingly, the Court determines that all Class Members who did not timely and properly submit a request for exclusion are bound by the Settlement and this Final Approval Order.

Fairness Of Settlement

8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.* 48 Cal.App.4th 1794, 1801 (1996).

a. The settlement was reached through arm's-length bargaining between the parties during an all-day mediation before Jonathan Andrews, an experienced mediator of wage

and hour class and representative actions. There has been no collusion between the parties in reaching the Settlement.

b. Plaintiff's investigation and discovery have been sufficient to allow the Court and counsel to act intelligently.

c. Counsel for both parties are experienced in similar employment class and representative action litigation. All counsel recommended approval of the Agreement.

d. The percentage of objectors and requests for exclusion is small. ____ objections were received. _____ requests for exclusion were received.

e. The participation rate is high. _____ Participating Class Members will be mailed a settlement payment, representing _____% of the overall Class.

9. The consideration to be given to the Class Members under the terms of the Agreement is fair, reasonable and adequate considering the strengths and weaknesses of the claims asserted in this action and is fair, reasonable and adequate compensation for the release of Class Members' claims and those related to the Aggrieved Employees, given the uncertainties and significant risks of the litigation and the delays that would ensue from continued prosecution of the action. The Agreement is approved as fair, adequate and reasonable and in the best interests of the Class Members.

Attorneys' Fees and Costs

10. A payment of $292,666 for attorneys' fees, representing one-third of the Gross Settlement Amount, and $_____ for litigation costs and expenses, is reasonable, in light of the contingent nature of Class Counsel's fee, the hours worked by Class Counsel, and the results achieved by Class Counsel. The requested fees and expenses have been supported by Class Counsel's lodestar and billing statement.

Class Representative Service Payment

11. The Agreement provides for a Class Representative Service Payment of not more than $15,000 to Plaintiff, subject to the Court's approval. The Court finds that a Class Representative Service Payment in the amount of $_____ to Plaintiff is reasonable in light of

the risks and burdens undertaken by Plaintiff in the litigation and for his time and effort in bringing and prosecuting this matter on behalf of the Class.

Administration Expenses Payment

12. The Administrator shall calculate and administer the payment to be made to the Participating Class Members in the manner set forth in the Agreement, transmit payment for attorneys' fees and costs to Class Counsel, transmit the Class Representative Service Payment to Plaintiff, distribute the PAGA Penalties, issue any required tax reporting forms, calculate withholdings and perform the other remaining duties set forth in the Agreement. The Administrator has documented $_____ in fees and expenses, and this amount is reasonable in light of the work performed by the Administrator.

PAGA Penalties

13. The Agreement provides for PAGA Penalties out of the Gross Settlement Amount of $20,000, which shall be allocated as follows: 65% ($17,000) to the LWDA PAGA Payment and 35% ($7,000) to the Individual PAGA Payments to be distributed to the Aggrieved Employees. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 35% share of PAGA Penalties ($5,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. "Aggrieved Employees" are all individuals who are or previously were employed by Defendant who were classified as non-exempt in the State of California during the PAGA Period (May 17, 2023 through July 16, 2025). The Court finds the PAGA Penalties to be reasonable. All Aggrieved Employees will be sent their share of the PAGA Penalties and will be subject to the release of the Released PAGA Claims as set forth below, whether or not they opt out of the Settlement.

II.

ORDERS

Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:

15. The certification of the Class for the purposes of settlement is confirmed. The Class is defined as follows:

> All individuals who are or previously were employed by Defendant who were classified as non-exempt in the State of California during the Class Period (July 24, 2020 through July 16, 2025).

16. All persons who meet the foregoing definition are members of the Class, except for those individuals who filed a valid request for exclusion ("opt out") from the Class. [INSERT REFERENCE TO IDENTIFY ANY OPT OUTS].

17. The Agreement is hereby finally approved as fair, reasonable, adequate, and in the best interest of the Class. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay Defendant's share of payroll taxes thereon within thirty (30) days of the Effective Date.

18. Class Counsel are to be paid attorneys' fees in the amount of $292,666 and costs in the amount of $_____. Class Counsel shall not seek or obtain any other compensation or reimbursement from Defendant, Plaintiff or members of the Class.

19. The payment of the Class Representative Service Payment in the amount of $_____ to Plaintiff is approved.

20. The payment of $_____ to the Administrator for their fees and expenses is approved.

21. The PAGA Penalties in the amount of $20,000 are approved and shall be allocated in accordance with the Agreement.

22. The Agreement and this Settlement are not an admission by Defendant, nor is this Final Approval Order a finding, of the validity of any claims in the Action or of any wrongdoing by Defendant or that this Action is appropriate for class treatment (other than for settlement purposes). Neither this Final Approval Order, the Agreement, nor any document referred to herein, nor any action taken to carry out the Agreement is, may be construed as, or may be used as an admission by or against Defendant of any fault, wrongdoing or liability whatsoever. Defendant has denied that it has done anything wrong and disputes all the claims in this Action. The entering

into or carrying out of the Agreement, and any negotiations or proceedings related thereto, shall not in any event be construed as, or deemed to be evidence of, an admission or concession with regard to the denials or defenses by Defendant. Notwithstanding these restrictions, Defendant may file in the Action or in any other proceeding this Final Approval Order, the Agreement, or any other papers and records on file in the Action as evidence of the Settlement to support a defense of res judicata, collateral estoppel, release, or other theory of claim or issue preclusion or similar defense as to the Released Class Claims and/or the Released PAGA Claims.

23. Notice of entry of this Final Approval Order shall be given to all Parties by Class Counsel on behalf of Plaintiff and all Class Members. The Final Approval Order shall be posted on Class Counsel's website as set forth in the Class Notice to the Class. It shall not be necessary to send notice of entry of this Final Approval Order to individual Class Members. In accordance with California Code of Civil Procedure § 2699, Plaintiff shall serve this Final Approval Order on the LWDA.

24. If the Agreement does not become final and effective in accordance with the terms of the Agreement, then this Final Approval Order, and all orders entered in connection herewith, shall be rendered null and void and shall be vacated, and the Parties shall revert to their respective positions as of before entering into the Agreement, and expressly reserve their respective rights regarding the prosecution and defense of this Action, including all available defenses and affirmative defenses, and arguments that any claim in the Action could not be certified as a class action and/or managed as a representative action.

IT IS HEREBY ORDERED, ADJUDICATED AND DECREED THAT:

25. Except as set forth in the Agreement and this Final Approval Order, Plaintiff, and all members of the Class, shall take nothing in the Action.

26. Pursuant to California Code of Civil Procedure section 664.6, the Court shall retain jurisdiction to construe, interpret, implement and enforce the Agreement, to hear and resolve any contested challenge to a claim for settlement benefits, and to supervise and adjudicate any dispute arising from or in connection with the distribution of settlement benefits.

27. The Parties are authorized to agree to and to adopt such amendments, modifications and expansions of the Agreement and all exhibits attached thereto which are consistent with this Final Approval Order and as approved by the Court.

28. Each party shall bear its own attorneys' fees and costs, except as otherwise provided in the Agreement and in this Final Approval Order.

29. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members release Defendant and the Released Parties from any and all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint, including the failure to pay minimum wages, straight time compensation, overtime compensation, double-time compensation, and interest thereon; failure to timely pay regular and final wages; the calculation of the regular rate of pay; wages lost from time rounding and timekeeping; non-compliant (e.g., missed, short, late, and/or interrupted) meal periods and rest periods; failure to provide meal periods; failure to authorize and permit rest periods; the calculation and payment of meal period and rest period premiums; payment for all hours worked, including off-the-clock work and uncompensated work time; failure to provide wage statements and paystubs, including wage statements and paystubs furnished or available in physical, electronic, or other forms; failure to reimburse for all necessary business expenses; unfair business practices; recordkeeping penalties, wage statement penalties, minimum-wage penalties, and waiting-time penalties; statutory penalties and civil penalties; interest for claims for unpaid wages; and attorneys' fees and costs; claims based on the facts stated in the Operative Complaint under the California Labor Code sections 201, 202, 203, 204, 210, 226, 226.3, 226.7, 510, 512, 1174, 1182.12, 1194, 1194.2, 1194.3, 1197, 1197.1, 1198, 2800 and 2802); the Wage Orders of the California Industrial Welfare Commission; and California Business and Professions Code section 17200, et seq. (the " Released Class Claims"). This release excludes the release of claims not permitted by law, including, claims for vested benefits, unemployment insurance,

disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

30. "Released Parties" are defined as: Defendant and each of its past, present and future agents, employees, servants, officers, directors, partners, trustees, representatives, shareholders, stockholders, attorneys, parents, subsidiaries, equity sponsors, related companies/corporations and/or partnerships, divisions, assigns, predecessors, successors, insurers, consultants, service providers, joint venturers, joint employers, co-employers, dual employers, alleged joint employers, alleged co-employers, alleged dual employers, affiliates, alter-egos, and affiliated organizations, and all of their respective past, present and future employees, directors, officers, agents, attorneys, stockholders, fiduciaries, parents, subsidiaries, and assigns.

The Released PAGA Claims include claims based on the facts of the Operative Complaint and PAGA Notice that occurred during the PAGA Period for violation of the Wage Orders of the California Industrial

Welfare Commission and the following California Labor Code sections: 201, 202, 203, 204, 210, 226, 226.3, 226.7, 510, 512, 1174, 1182.12, 1194, 1194.2, 1194.3, 1197, 1197.1, 1198, 2800 and 2802). * ï¿½Years Out of Law Schoolï¿½ is calculated from June 1 of each year, when most law students graduate. ï¿½1-3" includes an attorney in his 1st, 2nd and 3rd years of practice, measured from date of graduation (June 1). ï¿½4-7" applies to attorneys in their 4th, 5th, 6th and 7th years of practice. An attorney who graduated in May 1996 would be in tier ï¿½1-3" from June 1, 1996 until May 31, 1999, would move into tier ï¿½4-7" on June 1, 1999, and tier ï¿½8-10" on June 1, 2003.

Attorneys for Plaintiff

SUPERIOR COURT OF THE STATE OF CALIFORNIA

COUNTY OF SAN DIEGO

ARMANDO CARDENAS, an individual, on behalf of himself and on behalf of all persons similarly situated, and on behalf of the State of California, as a private attorney general,

Plaintiff,

vs.

HOTEL CLEANING SERVICES, INC., a corporation; and DOES 1 through 50, inclusive,

Defendants.

CASE NO.: **24CU002731C**

DECLARATION OF ARMANDO CARDENAS IN SUPPORT OF MOTION FOR PRELIMINARY APPROVAL OF CLASS SETTLEMENT

Hearing Date: May 8, 2026
Hearing Time: 10:30 a.m.

Judge: Hon. Carolyn M. Caietti
Dept: 70

Date Filed: July 24, 2024
Trial Date: Not set

I, Armando Cardenas, declare as follows:

1. I am over the age of eighteen, a Plaintiff and a proposed Class Representative in the above-entitled matter. I submit this declaration in support of the Motion for Preliminary Approval of Class Settlement and in support of my application for a Class Representative Service Payment.

2. I have personal knowledge of all the facts stated herein. I could and would competently testify under oath to these facts in court if requested to do so.

3. During the class period I worked as a Housekeeper for the Defendant Hotel Cleaning Services, Inc. ("Defendant") in California and during that time period I was classified by Defendant as a non-exempt employee.

4. I retained my attorneys who are experienced in both class action and PAGA representative action litigation and claims against employers for violations of the California Labor Code. I have no personal relationship or family ties to my attorneys or any officer of the Court. I am not aware of having any actual or potential conflicts of interest with another class member in this case. I am not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by this settlement.

5. I decided to pursue this class action lawsuit and be a plaintiff/class representative because I felt that my legal rights as an employee and others like me were violated. For example, I was required to work off-the-clock, and I did not receive compliant meal and rest breaks which were late, interrupted or missed entirely. Also, Defendant did not pay any meal or rest break penalties. In addition, I had to use my personal cell phone for work related purposes without reimbursement.

6. I spoke to my attorneys several times and discussed how Defendant implemented its company policies and procedures. I also assisted my attorneys in their investigation into my claims by providing them documents and answering their questions. I reviewed the complaint before it was filed and, after it was filed, I was given access to an electronic file sharing program that alerted me via email when important documents were filed so that I could review them and keep up with the developments in the case which I understood was one of my duties as a class

representative. I would also contact my attorneys from time to time if I had any questions about the case.

7. Even though this action is in the process of settling, I was and remain prepared to perform all the duties of a class representative. I understand that as a class representative I have assumed a fiduciary responsibility to prosecute this class action on behalf of the absent class members. I have understood that as a fiduciary, I have a duty to prosecute this action for the benefit of the class members and surrender any right to compromise the group action for an individual gain.

8. I understood that being a plaintiff/class representative in this case meant that I was seeking damages not only for myself but also other current and/or former non-exempt employees working for Defendant in California who make up the class. I felt that these individuals were not aware of their labor law rights and even if they were they would probably be apprehensive about speaking up or even simply because of the time, effort and risk involved in filing a class action lawsuit.

9. I understood that being a part of this lawsuit involved risks. For example, my attorneys explained to me that if the case went to trial and we lost, I could be held responsible to pay for all or part of the attorney fees and costs paid by Defendant to defend this lawsuit. Also, I knew there was a risk that future employers, if they ever find out about this lawsuit, could hold it against me or downgrade me as a potential hire. As he named Plaintiff in this case, it would not be difficult for a future employer to become aware that I sued my employer for labor law violations. Ultimately I decided these risks were worth it and decided to fight for my rights and the rights of others regardless of the risks, time and effort I spent on this case.

10. During the lawsuit I stayed in touch with my attorneys by phone and email. I also kept up to date on important developments by reviewing court filings that were made available to me electronically as I described above.

11. A mediation took place on May 7, 2025 with Jonathan D. Andrews, Esq., a well-respected and experienced mediator of wage and hour class actions. After the mediation the parties were able to come to an agreement to settle the action based on a mediator's proposal. I communicated with my attorneys regarding the terms of the settlement which was reached between the parties

and understood that I was representing absent class members and therefore wanted the best possible result to be obtained for the class members and I believe a very positive result was in fact achieved via settlement. I reviewed and signed the Memorandum of Understanding on June 17, 2025.

12. I have been actively involved with this lawsuit performing the duties described above. Although I did not keep time records, I was in regular contact with my attorneys, reviewed court filings, and spent a significant amount of time on the issues presented during the lawsuit and in the settlement process. I estimate that I spent approximately 30-40 hours working on this case up until this point. I believe I have been diligent and have done what is expected of a named plaintiff and a proposed class representative to date, and will continue to do so. I have and always will maintain the best interest of the class members.

13. My attorneys explained to me that the settlement process involves a two-step review by the Court to determine whether the settlement is fair before approving the settlement. I know this process also involves notifying all class members of the settlement terms and of their rights to make a claim for their settlement share, to opt out of the settlement or to object to the settlement.

14. I believe I did the right thing by filing this case on behalf of the class members who, subject to court approval, are in line to receive monetary payments as a result of this case and settlement. This is money they may never have gotten if I did not pursue this action on their behalf. I feel significant personal satisfaction to know that I played a role in the class members being entitled to monetary payments as a result of the filing of this lawsuit. I also believe that the requested Class Representative Service Payment of $15,000 from the settlement is fair compensation for the work I performed and the risks I undertook.

15. As part of the settlement it was necessary for me to sign a general release of all claims I may have against Defendant. I believe the Class Representative Service Payment I have requested provides me with some compensation for this agreed release.

16. In light of all the time and effort I have spent on this case, the risk I undertook by suing my employer, the exposure to being responsible for paying Defendant's costs in the event we did not

win the case, the reputational risk that future employers may hold this lawsuit against me, the general release and in light of the size of the settlement, I believe the request for $15,000 as a Class Representative service payment is fair and reasonable.
