IN SUPPORT OF MOTION FOR
PRELIMINARY APPROVAL OF CLASS
SETTLEMENT**

Hearing Date: January 2, 2026

Hearing Time: 9:00 a.m.

[Hearing set by Order dated October 24, 2025]

Judge: Hon. Elihu M. Berle

Dept: SS-6

Action Filed: August 15, 2024

Trial Date: Not set

1 I, Kyle Nordrehaug, declare as follows:

2 1. I am a partner of the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP,
3 counsel for Plaintiff James Hernandez (“Plaintiff”) in this matter. As such, I am fully familiar with
4 the facts, pleadings and history of this matter. The following facts are within my own personal
5 knowledge, and if called as a witness, I could testify competently to the matters stated herein.

6 2. This declaration is being submitted in support of Plaintiff’s unopposed motion for
7 preliminary approval of the proposed class action settlement with Defendants Verizon Corporate
8 Services Group, Inc. and Verizon Corporate Resources Group LLC (collectively, “Defendants”)
9 which seeks entry of an order: (1) preliminarily approving the proposed settlement of this class
10 action with Defendants; (2) for settlement purposes only, conditionally certifying the Class, which is
11 comprised of “all individuals who are or previously were employed by Defendants in California and
12 classified as non-exempt employees at any time during the Class Period”, which is August 15, 2020
13 through September 25, 2025; (3) provisionally appointing Plaintiff as the representatives of the
14 Class; (4) provisionally appointing Blumenthal Nordrehaug Bhowmik De Blouw LLP and
15 Centurion Trial Attorneys, APC as Class Counsel; (5) approving the form and method for providing
16 class-wide notice; (6) directing that notice of the proposed settlement be given to the class; (7)
17 appointing Apex Class Action LLC as the Administrator, and (8) scheduling a final approval
18 hearing date that is 120 days from preliminary approval, to consider Plaintiff’s motion for final
19 approval of the settlement and for approval of attorneys’ fees, expenses and service award.
20 Plaintiff and Defendant (collectively the “Parties”) have reached a full and final settlement of the
21 above-captioned action, which is embodied in the Class Action and PAGA Settlement Agreement
22 (“Agreement”). A true and correct copy of the signed Agreement is attached hereto as Exhibit #1.
23 The form of the Agreement is based upon the Los Angeles County Superior Court model form for a
24 class and PAGA settlement. A redline comparison between the Agreement and the Court’s model
25 form for a class and PAGA settlement is attached hereto as Exhibit #2. This Declaration
26 incorporates by reference the definitions in the Agreement, and all terms defined therein shall have
27 the same meaning as set forth in the Agreement.
28

1 Fairness of Settlement

2 3. As consideration for this Settlement, the non-reversionary Gross Settlement Amount
3 of Nine Hundred Fifty Thousand Dollars (\$950,000) (the “Gross Settlement Amount”) is to be paid
4 by Defendant, as set forth in the Agreement. The Gross Settlement Amount will settle all issues
5 pending in the Action between the Parties and will be made in full and final settlement of the
6 Released Class Claims in exchange for the payments to Participating Class Members from the Net
7 Settlement Amount, and includes (a) the costs of administration of the settlement, (b) all attorneys'
8 fees and costs, (c) the Class Representative Service Payments, and (d) the PAGA Penalties payment
9 allocated 75% to the LWDA and 25% to the Aggrieved Employees. (Agreement at ¶ 1.22.) The
10 following is a table of the key financial terms of the Settlement and the proposed deductions:

11 **\$950,000** (Gross Settlement Amount)

- 12 - \$10,000 (Plaintiff’s proposed service awards - not to exceed amount)
13 - \$30,000 (Class Counsel Litigation Expenses Payment - not to exceed amount)
14 - \$316,666 (Class Counsel Fees Payment - not to exceed 1/3 of settlement)
15 - \$20,000 (PAGA Payment - 65% to LWDA / 35% to Aggrieved Employees)
16 - \$12,000 (Administration Expenses Payment - not to exceed amount)

17 **\$561,334** (Net Settlement Amount)

18 4. The relief provided in the Settlement will benefit all members of the Class. The
19 Settlement does not grant preferential treatment to Plaintiff or segments of the Class in any way.
20 Payments to the Class Members are all determined under a neutral methodology. Each Participating
21 Class Member will receive the same opportunity to participate in and receive payment through a
22 neutral formula that is based upon the weeks worked by that individual.

23 5. On July 25, 2025, the Parties participated in an all-day mediation session presided
24 over by Monique Ngo-Bonnici, Esq., a respected and experienced mediator of wage and hour class
25 actions. In preparation for the mediation, Defendants provided Class Counsel with payroll,
26 timekeeping and employment data and other information concerning the Class Members, various
27 internal documents, and other compensation and employment-related materials. Class Counsel
28 analyzed the data with the assistance of damages expert Berger Consulting and prepared and

1 submitted a mediation brief to the mediator. The final settlement terms were negotiated and set forth
2 in the Agreement now presented for this Court's approval. Importantly, Plaintiff and Class Counsel
3 believe that this Settlement is fair, reasonable, and adequate.

4
5 **6. Maximum Valuation and Discounted Valuation.** Based upon 511 Class Members
6 who collectively worked 71,279 workweeks (Agreement at ¶ 4.1), the Gross Settlement Amount
7 provides an average value of \$1,859 per Class Member and \$13 per workweek and after deductions,
8 the Net Settlement Amount provides an average recovery of \$1,098.50 per Class Member and a
9 recovery of \$7.87 per workweek. The calculations to compensate for the amount due for the Class
10 at the time of the mediation were calculated by Berger Consulting, Plaintiff's damage expert. As to
11 the Class whose claims are at issue in this Action, Plaintiff retained this expert to analyze the data
12 and determine the potential unpaid wages for the employees. The maximum potential damages
13 were calculated to be \$2,247,673 for the alleged unpaid wages due to off-the-clock work at 1 hour
14 per week, \$406,158 for the alleged unpaid meal break premiums, sick pay, PTO and vacation pay
15 based on the miscalculation of the regular rate, \$811,688 for alleged meal period damages based
16 upon a 10% potential violation rate for shifts observed in the time records and after deduction of
17 meal premiums paid by Defendants, and \$820,257 for alleged rest period damages based upon a the
18 same 10% potential violation rate observed in the time records for meal periods, \$48,410 for alleged
19 unreimbursed business expenses for personal cell phone usage at \$5 per month. As a result, the
20 total damage valuation was calculated that Defendants were subject to a maximum damage claim in
21 the amount of \$4,334,911. As to potential penalties, Plaintiff calculated that potential waiting time
22 penalties were a maximum of \$637,821, and potential maximum wage statement penalties were
23 \$1,020,750.¹ Defendants vigorously disputed Plaintiff's calculations and exposure theories.

24
25 ¹ While Plaintiff alleged claims for statutory penalties pursuant to Labor Code Sections 203 and
26 226, at mediation Plaintiff recognized that these claims were subject to additional, separate defenses
27 asserted by Defendants, including, a good faith dispute defense as to whether any premium wages
28 for meal or rest periods or other wages were owed given Defendants' position that Plaintiff and
Class Members were properly compensated. *See Nordstrom Commission Cases*, 186 Cal. App. 4th
576, 584 (2010) ("There is no willful failure to pay wages if the employer and employee have a

1 Consequently, the Gross Settlement Amount of \$950,000 represents more than 21% of the
2 maximum value of the alleged damages at issue in this case at the time this Settlement was
3 negotiated.² Importantly, the recent decision that good faith belief of compliance by the employer in
4 *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024), could completely negate the
5 claims for waiting time and wage statement penalties, even if wages were owed to the Class. The
6 above maximum calculations should then be adjusted in consideration for both the risk of class
7 certification and the risk of establishing class-wide liability on all claims. Given the amount of the
8 settlement as compared to the potential value of claims in this case and the defenses asserted by
9 Defendants, this settlement is fair and reasonable. Specific details as to the calculation and
10 valuation of the claims for purposes of mediation and the negotiation of the Settlement are as
11 follows:

12 **A. Payroll and Timekeeping Data.** Defendants provide communication
13 products and services. Plaintiff received and Plaintiff's expert analyzed
14 payroll and time punch data which covered 109 employees, 31,026 shifts
15 worked and 8,911 workweeks covering the period 8/15/2020 - 12/1/2024,
16 which was then extrapolated to the entire Class at the time of mediation.
17 Based on the data received, the average rate of pay for the Class used in the
18 class-wide valuation calculations was \$38,30.

19 **B. Alleged Off-The-Clock Work.** The off-the-clock claim is based on
20 allegations that Defendant knew or should have known the Class Members
21 worked off the clock due Slack channel correspondence while off the clock
22 and the use of default autopopulated time records. As a result, they were
23 systematically subjected to this alleged uncompensated work time.
24 Off-the-clock damages assume employees were not paid 1 hour per

25 _____
26 good faith dispute as to whether and when the wages were due.”).

27 ² Because the PAGA claim is not a class claim and primarily is paid to the State of California,
28 Plaintiff has not included the PAGA claim in this discussion of the value of the class claims. The
PAGA claim is addressed below at ¶33.

1 workweek. Unpaid off-the-clock time based on 1 hour per week and 95% of
2 these hours are assumed overtime. Unpaid OTC wages are calculated as the
3 sum of unpaid regular OTC wages (at hourly rate) and unpaid overtime OTC
4 wages (at 1.5x hourly rate). As a result, the maximum value of the claim for
5 unpaid wages due to alleged off-the-clock work was \$2,247,673. In light of
6 the Defendants' policies requiring work time to be recorded in the manner
7 required by the Defendant, Plaintiff believes that class certification for this
8 claim is a medium risk and off-the-clock claims are difficult to prove on a
9 class-wide basis for liability and recovery given the lack of documentation
10 and the potential for individual variances as to time and experience, not to
11 mention Defendants' position that this work time is in fact recorded. Plaintiff
12 discounted this maximum valuation for this claim by 30% for the risk of
13 certification and 50% for the risks of class-wide liability, resulting in a
14 discounted value of \$337,151.

15 **C, Alleged Underpayment of Wages Based on Miscalculation of the Regular**
16 **Rate.** Plaintiff alleges that when paying wages, such as meal break
17 premiums, sick pay, PTO and vacation pay, the Defendants incorrectly
18 calculated the regular rate used for these wages. Plaintiff alleged that the
19 following pay period remunerations were not included in the regular rate:
20 Additional pay period compensation includes: Back Up Care Pay (15),
21 Bilingual Pay (255), Empl Inc Award Total (1), Lump Sum Wages (1), STIP
22 Award Cash (5), Stipend Pay (1,809), Sunday Worked Premium - 35% (2),
23 Sunday Worked Premium 15% (47). Additional annual compensation
24 includes: Incentive Pay (86), Stock Together Award (145). Additional
25 quarterly compensation includes: Recognition Cash Award (47), Taxable
26 Award (166). Additional monthly compensation includes: Comm Bonus (46),
27 Comm Brdg (57), Commissions (376). For sick pay, 67% of employees and
28 6.5% of pay periods have alleged underpayments. For meal premiums, 4.6%

1 of employees and 0.3% of pay periods have alleged underpayments. For PTO
2 and vacation time, 55% of employees and 1.9% of pay periods have alleged
3 underpayments. The damages are calculated as the differences between the
4 overtime earnings, assuming these earnings were paid properly at the regular
5 rate including all remunerations above, and the actual payouts. The alleged
6 unpaid wages from the miscalculation of the regular rate applicable to
7 overtime was calculated to total \$406,158. Plaintiff believes this was a clear
8 basis for liability as a matter of pure math, however, the damages for the
9 Class are low. Plaintiff maintains that there is a high degree this claim would
10 be certified but there was a risk of a class-wide recovery, particularly for
11 current employees, because they may not be a private right of action for this
12 claim. As a result, Plaintiff discounted this claim by 50% for risks of class-
13 wide liability and a class-wide recovery when evaluating the reasonableness
14 of a settlement, resulting in a discounted value of \$203,079.

15 **D, Meal Period Violations.** The meal period claim is based upon the analysis
16 of time punch records. The time punch records reflect a maximum potential
17 meal break violation rate of 10% of shifts greater than 6 hours (17,676 unique
18 possible violations out of 173,491 shifts greater than 6 hours). The pay data
19 reflects meal break premiums paid in the amount of \$8,569. The 17,676
20 unique meal break violations include at least one of the following: 1)
21 recorded 1st meal break after the end of the 5th hour for shifts over 6 hours,
22 2) 1st meal break less than 30 minutes for shifts over 6 hours, 3) no 1st meal
23 break for shifts over 6 hours, or 4) no 2nd meal break for shifts over 12 hours.
24 The damages for a missed period is one hour of pay under Labor Code
25 §§266.7 and 512. As a result, the maximum potential damages for alleged
26 meal period violations using the 10% potential violation rate, and after
27 deduction of the meal premiums paid by Defendant, were therefore calculated
28 to be \$811,688. The meal period claim presents a medium likelihood of class

1 certification, and a medium likelihood that class-wide recovery could be
2 obtained at trial. Plaintiff discounted this maximum valuation for this claim
3 by 50% for the risk of certification and 50% for the risks of class-wide
4 liability, resulting in a discounted value of \$202,922.

5 **E. Alleged Rest Period Violations.** The rest period claim is difficult to
6 calculate because California law does not require rest periods to be recorded.
7 For this claim, Plaintiff used the same 10% violation assumption based upon
8 what was observed with the time records for meal periods. The damages for
9 a missed period is one hour of pay under Labor Code §§266.7 and 512. As a
10 result, the maximum potential damages for alleged rest period violations
11 using this 100% violation rate were estimated to be \$820,257. The rest
12 period claim presents a low likelihood of class certification and a low
13 likelihood that class-wide recovery could be obtained at trial. Plaintiff
14 discounted this maximum valuation for this claim by 30% for the risk of
15 certification and by 30% for the risks of class-wide liability, resulting in a
16 discounted value of \$73,823.

17 **F. Alleged Business Expenses Reimbursement.** The expense reimbursement
18 claim was based upon the personal cell phone usage for work purposes, such
19 as calls with management. The value of this claim used was \$5 per month to
20 calculate that the maximum potential damages for the alleged failure to
21 reimburse business expenses were \$48,410. Plaintiff believes that there is a
22 high likelihood of class certification for this claim, and medium likelihood of
23 class-wide liability. Defendants contended that any personal cell phone usage
24 was merely convenient and voluntary, because they provided all Class
25 Members with a company owned phone to be used for business purposes, and
26 that, in fact, employees did not use, and were not permitted to use personal
27 phone to conduct work. Therefore, Defendants contend that reimbursement
28 was not legally required. This defense could result in a denial of a denial of

1 liability on this claim. Plaintiff did not discount this claim for the risk of
2 certification, but discounted the claim by 50% for the risks of class-wide
3 liability and recovery, resulting in a discounted value of \$28,640.

4 **G. Alleged Waiting Time Penalties.** Waiting Time Penalties are calculated for
5 all 38 terminated employees x 30 days x 8 hours per day. As such, the
6 maximum value of the potential waiting time penalties were calculated to be
7 \$637,821. This claim is entirely derivative of the unpaid wage claims above,
8 and therefore suffers from the same risks, plus Defendant maintains
9 additional defenses of a good faith defense specific to this claim. The recent
10 decision that good faith belief dispute as to wages owed by the employer in
11 *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024), could
12 completely negate this claim even if wages were owed to the class. In light of
13 the state of the law, and the Defendants' defenses not only to the predicate
14 claims and certification, but also as to a good faith defense to the wage
15 statement claim resulting in an additional risk discount by 25%, Plaintiff
16 discounted this claim significantly to \$39,864.

17 **H. Alleged Wage Statement Penalties.** Wage Statement Penalties are
18 calculated at \$50 for the initial violation and \$100 for each subsequent
19 violation with a max of \$4,000 per employee (assumes 100% violation). The
20 Wage Statement claim is predicated and is derivative of the above claims, so
21 the maximum valuation assumed there was a violation in every pay period
22 within the applicable one-year statute of limitation. The maximum value of
23 the potential wage statement penalties were therefore calculated to be
24 \$1,020,750. This claim is entirely derivative of the unpaid wage claims
25 above, and therefore suffers from the same risks, plus Defendant maintains
26 additional defenses of a lack of knowing and willful conduct specific to this
27 claim. The recent decision that good faith belief of compliance by the
28 employer in *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065

(2024), could completely negate this claim even if wages were owed to the class. In light of the state of the law, and the Defendants' defenses not only to the predicate claims but also as to a good faith defense to the wage statement claim resulting in an additional risk discounting by 25%, Plaintiff discounted this claim significantly to \$63,797.

I. Total Discounted Valuation. Based upon the above discounted valuations for each of the above class claims, the total discounted valuation for all class claims would be \$944,832, which compares favorably to the Gross Settlement Amount in this Settlement.

J. Alleged PAGA Claim. The PAGA Claim is not a class claim and the PAGA penalties are paid primarily (65%) to the State of California, and do not compensate for or release the individual claims of the employees. As such, the PAGA Claim is not included in this valuation, however, the PAGA claim is addressed separately below at paragraph 33.

Procedural History of the Litigation

7. On June 21, 2024, Plaintiff filed with the LWDA and served on Defendants a notice under Labor Code section 2699.3 identifying the alleged Labor Code violations to recover civil penalties on behalf of Aggrieved Employees for various Labor Code violations. The PAGA Notice specifically alleged violations of Labor Code §§ 201, 202, 203, 204 et seq., 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 11070(14)(Failure to Provide Seating), and violation of the applicable Wage Order(s). On September 25, 2025, Plaintiff served an amended PAGA Notice providing greater specificity as to the PAGA claim. These PAGA Notices are attached hereto as Exhibit #3 for the Court's reference and also included a copy of the draft complaint with the PAGA Notice.

8. On August 15, 2024, Plaintiff commenced this Action by filing a Class Action

1 Complaint against Defendants in the Superior Court of the State of California, County of Los
2 Angeles (“Class Action”). This Class Action Complaint asserted class claims against Defendant for:
3 (1) unfair competition in violation of Cal. Bus & Prof. Code §§ 17200, et seq.; (2) failure to to pay
4 minimum wages in violation of California Labor Code §§ 1194, 1197, and 1197.1; (3) failure to pay
5 overtime wages in violation of California Labor Code §§ 510, 1194 & 1198; (4) failure to provide
6 required meal periods in violation of Cal. Labor Code §§ 226.7 and 512; (5) failure to provide
7 required rest periods in violation of Cal. Labor Code §§ 226.7 and 512; (6) failure to provide
8 accurate itemized wage statements in violation of California Labor Code §§ 226.7 and 512; (7)
9 failure to to reimburse employees for required expenses in violation of California Labor Code §
10 2802; (8) failure to provide wages when due in violation of California Labor Code §§ 201, 202 and
11 203; and, (9) failure to pay sick pay wages in violation of California Labor Code §§ 201-204, 233,
12 246. On August 27, 2024, Plaintiff filed a separate Representative Action Complaint alleging a
13 single cause of action for civil penalties in violation of the Private Attorney General Act, Cal. Labor
14 Code §§ 2698, et seq. ("PAGA").³

15 9. Within ten days ten days of executing this agreement, Plaintiff will prepare and
16 circulate a draft of a stipulation to file a First Amended Class Action Complaint in the Class Action,
17 which will consolidate the claims in the Class Action and PAGA Action and the claims alleged in
18 the PAGA Notices. The First Amended Class Action Complaint will be the operative complaint in
19 the Actions (the “Operative Complaint”).

20 10. Over the course of litigation, the Parties engaged in the investigation of the claims,
21 including informal discovery, and the production of hundreds of pages of documents, class data, and
22 other information, allowing for the full and complete analysis of liabilities and defenses to the
23 claims in the Action. The information for mediation obtained by Plaintiff included: (1) data
24 concerning the Class; (2) payroll data and time punch data for the Class covering 109 employees,
25 41,026 shifts worked, and 8,911 workweeks; (3) Defendants’ wage and hour policies; (4) the
26

27 ³ The PAGA Action was dismissed on September 2, 2025 following the filing of Plaintiff’s First
28 Amended Class Action Complaint in this Action.

1 employment file for the Plaintiff; and, (5) samples of wage statements provided by Defendants. As
2 such, Class Counsel received the data and information for the Class, which was sufficient for
3 Plaintiff's expert to prepare the valuations of the claims for the Class.

4 11. Class Counsel has extensive experience in litigating wage and hour class actions in
5 California. The Parties have intelligently litigated the Actions since inception. During the course of
6 litigation, the Parties each performed analysis of the merits and value of the claims. Plaintiff and
7 Defendants have engaged in significant research and investigation in connection with the Action.
8 Plaintiff obtained informal discovery and the production of relevant documents and data from the
9 Defendants. Class Counsel has thoroughly analyzed the value of the claims during the prosecution
10 of this Action and utilized an expert to perform an analysis of the data and valuation of the claims.

11 12. Plaintiff and Defendants agreed to discuss resolution of the Action through a
12 mediation. Prior to mediation, the Parties engaged in the above investigation and the exchange of
13 documents and information in connection with the Action. On July 25, 2025, the Parties
14 participated in an all-day mediation presided over by Monique Ngo-Bonnici, a respected mediator of
15 wage and hour representative and class actions. Following the mediation, each side, represented by
16 its respective counsel, were able to agree to settle the Actions based upon a mediator's proposal
17 which was memorialized in a memorandum of understanding. The Parties then negotiated the final
18 terms of the settlement as set forth in the Agreement. At all times, the negotiations were arm's
19 length and contentious.

20 13. Although a settlement has been reached, Defendants deny any liability or
21 wrongdoing of any kind associated with the claims alleged in the Action and further deny that, for
22 any purpose other than settlement, the Actions are appropriate for class and/or representative
23 treatment. Defendants contend, among other things, that they have complied at all times with the
24 California Labor Code, applicable Wage Order, and all other laws and regulations. Further,
25 Defendants contend that class certification is inappropriate for any reason other than for settlement.
26 Plaintiff contend that Defendants violated California wage and hour laws. Plaintiff further contend
27 that the Actions are appropriate for class certification on the basis that the claims meet the requisites
28 for class certification. Without admitting that class certification is proper, Defendant has stipulated

1 that the above Class may be certified for settlement purposes only. (Agreement at ¶ 2.7). The
2 Parties agree that certification for settlement purposes is not an admission that class certification is
3 proper. Further, the Agreement is not admissible in this or any other proceeding as evidence that the
4 Class could be certified absent a settlement. Solely for purposes of settling the Action, the Parties
5 stipulate and agree that the requisites for establishing class certification with respect to the Class are
6 satisfied.

7 14. Class Counsel has conducted an investigation into the facts of the class action.
8 Informal discovery was obtained, which included the production of hundreds of pages documents
9 and data. Class Counsel engaged in a thorough review and analysis of the relevant documents and
10 data with the assistance of an expert. Accordingly, the agreement to settle did not occur until Class
11 Counsel possessed sufficient information to make an informed judgment regarding the likelihood of
12 success on the merits and the results that could be obtained through further litigation. In addition,
13 Class Counsel previously negotiated settlements with other employers in actions involving nearly
14 identical issues and analogous defenses. Based on the foregoing data and their own independent
15 investigation, evaluation and experience, Class Counsel believes that the settlement with Defendants
16 on the terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of
17 the Class in light of all known facts and circumstances, including the risk of significant delay,
18 defenses asserted by Defendants, and potential appellate issues.

19
20 Settlement Terms and Plan of Allocation

21 15. The Gross Settlement Amount is Nine Hundred Fifty Thousand Dollars (\$950,000).
22 (Agreement at ¶ 1.22.) Under the Settlement, the Gross Settlement Amount consists of the
23 following elements: (1) payment of the Individual Class Payments to the Participating Class
24 Members; (2) Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment; (3)
25 Administration Expenses Payment; (4) the Class Representative Service Payment to the Plaintiff;
26 and (5) the PAGA Penalties payment allocated 65% to the LWDA PAGA Payment and 35% to the
27 Individual PAGA Payments. (Agreement at ¶¶ 1.22, 1.34.) The Gross Settlement Amount does not
28 include Defendants' share of payroll taxes. (Agreement at ¶ 3.1.) The Gross Settlement Amount

1 shall be all-in with no reversion to Defendants. (Agreement at ¶ 3.1.)

2 16. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay
3 payroll taxes thereon no later than 14 days after the Effective Date. (Agreement at ¶ 4.3.) The
4 distribution of Individual Class Payments to Participating Class Members will be made within 14
5 days after Defendant funds the Gross Settlement Amount. (Agreement at ¶ 5.1.)

6 17. The amount remaining in the Gross Settlement Amount after the deduction of
7 Court-approved amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class
8 Representative Service Payment, the Class Counsel Fees Payment, the Class Counsel Litigation
9 Expenses Payment, and the Administration Expenses Payment (called the “Net Settlement
10 Amount”) shall be allocated to Class Members as their Individual Class Payments. (Agreement at
11 ¶¶ 1.28 and 3.2.) The Administrator will calculate each Individual Class Payment by (a) dividing
12 the Net Settlement Amount by the total number of Workweeks worked by all Participating Class
13 Members during the Class Period and (b) multiplying the result by each Participating Class
14 Member's Workweeks. (Agreement at ¶ 3.2(e).) Workweeks will initially be based on Defendants’
15 records, however, Class Members will have the right to challenge the number of Workweeks.

16 18. Class Members may choose to opt-out of the Settlement by following the directions
17 in the Class Notice. (Agreement at ¶ 8.5, Ex. A.) All Class Members who do not “opt out” will be
18 deemed Participating Class Members who will be bound by the Settlement and will be entitled to
19 receive an Individual Class Payment. (Agreement at ¶ 8.5(c).) All Aggrieved Employees will be
20 paid their allocation of the PAGA Penalties and will remain subject to the release of the Released
21 PAGA Claims, regardless of any request for exclusion from the Class. (Agreement at ¶¶ 6.3 and
22 8.5(d).) Finally, the Class Notice will advise the Class Members of their right to object to the
23 Settlement and/or dispute their Workweeks. (Agreement at ¶¶ 8.6 and 8.7, and Ex. A.)

24 19. Participating Class Members must cash their Individual Class Payment check within
25 180 days after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within 180 days
26 will be voided and any funds represented by such checks sent to a Court-approved nonprofit
27 organization or foundation consistent with Code of Civil Procedure Section 384(b) (“Cy Pres
28 Recipient”). The Parties have selected California State Bar Greg E. Knoll Justice Gap Fund as the

1 Cy Pres Recipient and represent that they have no interest or relationship, financial or otherwise,
2 with the intended Cy Pres Recipient. (Agreement at ¶ 5.4.)

3 20. Subject to Court approval, the Parties have agreed on Apex Class Action LLC to
4 administer the settlement in this action (“Administrator”). (Agreement at ¶ 1.2.) The Administrator
5 will be paid for settlement administration in an amount not to exceed \$12,000. (Agreement at ¶
6 3.2(c).) Apex Class Action provided an estimate of \$9,990 for administration expenses as set forth
7 in the declaration from Apex Class Action, submitted herewith.

8 21. Subject to Court approval, the Agreement provides for Class Counsel to be awarded
9 a sum not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment.
10 (Agreement at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of
11 Class Counsel Litigation Expenses Payment in an amount not to exceed \$30,000. (Agreement at ¶
12 3.2(b).) Subject to Court approval, the Agreement provides for a payment of no more than \$10,000
13 to the Plaintiff as his Class Representative Service Payment. (Agreement at ¶ 3.2(a).)

14 22. Subject to Court approval, the PAGA Penalties will be paid from the Gross
15 Settlement Amount for PAGA penalties under the California Private Attorneys General Act, Cal.
16 Labor Code Section 2698, *et seq.* (“PAGA”). The PAGA Penalties are \$20,000. (Agreement at ¶¶
17 1.34 and 3.2(d).) Pursuant to the express requirements of Labor Code § 2699(m), the PAGA
18 Penalties shall be allocated as follows: 65% shall be allocated to the Labor Workforce Development
19 Agency (“LWDA”) as its share of the civil penalties and 35% allocated to the Individual PAGA
20 Payments to be distributed to the Aggrieved Employees based on the number of their respective
21 PAGA Pay Periods. (Agreement at ¶ 3.2(d).) As set forth in the accompanying proof of service, the
22 LWDA has been served with this motion and the Agreement.

23
24 Risks of Continued Litigation and Standards for Approval

25 23. Plaintiff and Class Counsel recognize the expense and length of continuing to litigate
26 and trying this Action against Defendants through possible appeals which could take several years.
27 Class Counsel has also taken into account the uncertain outcome and risk of litigation, especially in
28 complex class actions such as this Action. Class Counsel is also mindful of and recognize the

1 inherent problems of proof under, and alleged defenses to, the claims asserted in the Action. Based
2 upon their evaluation, Plaintiff and Class Counsel have determined that the Settlement set forth in
3 the Agreement is in the best interest of the Class Members.

4 24. A number of defenses asserted by Defendants present serious threats to the claims of
5 the Plaintiff and the other Class Members. Defendants asserted that Defendants' practices complied
6 with all applicable Labor laws. Defendants argued that Class Members were paid for all time
7 worked, that all work time was properly recorded and compensated, and there was no miscalculation
8 of the regular rate. Defendants contend that their meal and rest period policies fully complied with
9 California law and Defendants did not fail to provide the opportunity for legally required meal and
10 rest breaks. Defendants could argue that the payment of meal period premiums is evidence of its
11 lawful practices and good faith. Defendants contend that there was no failure to pay for business
12 expenses and any cell phone usage was merely convenient and voluntary such that reimbursement
13 was not legally required. Finally, Defendants could argue that the Supreme Court decision in
14 *Brinker v. Superior Court*, 53 Cal. 4th 1004 (2012), weakened Plaintiff's claims, on liability, value,
15 and class certifiability as to the meal and rest period claims. Defendants also argue that based on
16 their facially lawful practices, Defendants acted in good faith and without willfulness, which if
17 accepted would negate the claims for waiting time penalties and/or inaccurate wage statements. See
18 e.g. *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (May 6, 2024) ("if an employer
19 reasonably and in good faith believed it was providing a complete and accurate wage statement in
20 compliance with the requirements of section 226, then it has not knowingly and intentionally failed
21 to comply with the wage statement law.") Defendants' defenses could eliminate or substantially
22 reduce any recovery to the Class. While Plaintiff believes that these defenses could be overcome,
23 Defendants maintain these defenses have merit and therefore present a serious risk to recovery by
24 the Class.

25 25. There was also a significant risk that, if the Action was not settled, Plaintiff would be
26 unable to obtain a certified class and maintain the certified class through trial, and thereby not
27 recover on behalf of any employees other than themselves. At the time of the mediation,
28 Defendants forcefully opposed the propriety of class certification, arguing that individual issues

1 precluded class certification. Further, as demonstrated by the California Supreme Court decision in
2 *Duran v. U.S. Bank National Assn.*, 59 Cal. 4th 1 (2014), there are significant hurdles to overcome
3 for a class-wide recovery even where the class has been certified. While other cases have approved
4 class certification in wage and hour claims, class certification in this action was hotly disputed and
5 the maintenance of a certified class through trial was by no means a foregone conclusion.

6 26. This settlement is therefore certainly entitled to preliminary approval. Were this
7 case to go to trial, the Plaintiff and the other class members would need to prove, among other
8 things, that wages were owed on a class-wide basis. As explained below, this was and is a
9 substantial risk:

10 A. **Risks With Specific Claims and Their Class-Wide Valuations** - The specific
11 claims also had risks which impacted both liability and the valuation of the claim.
12 While liability and certification of the claim based on the underpayment of overtime
13 was strong in my opinion, the damages to the Class were very small. The meal and
14 rest break claims present significant hurdles for class certification because of the
15 potential for individual issues as to why a break was missed. The rest break claim
16 was based on the meal records, on the assumption that the same reason a meal period
17 was missed would also result in a missed rest period, which is a theory on its own
18 that some Courts have rejected sufficient to establish liability. In my experience,
19 these claims would be difficult to certify. As to the alleged claim for off-the-clock-
20 work, again this claims presented problems both as to certification and liability.
21 Defendant could argue that the alleged tasks were either performed while clocked in
22 or were otherwise negligible work time. Defendant disputed that the alleged off-the-
23 clock work would amount to 1 hour per week as Plaintiff calculated, as Defendant
24 contended that even if there was such unaccounted time, it was a sporadic such as log
25 in delay and just a few minutes. Therefore, this claim would be difficult to prove and
26 to value on a class-wide basis even if certified. As to the expenses reimbursement
27 claims, which was based on alleged personal cellphone use, Defendants maintain that
28 they provided all Class Members with company owned phone to be used for business

1 purposes, and thus, personal use of any cell phone was wholly and completely
2 unnecessary and that, in fact, employees did not use, and were not permitted to use
3 personal phone to conduct work. Finally, as to the statutory penalties relating to
4 waiting time and wage statements, these claims are both derivative of the above
5 claims and are subject to their own defenses. As discussed above, the Defendant
6 asserted significant defenses to all of the predicate violations, which means that
7 under the new decision in *Naranjo*, even if the violations were proven, these
8 penalties would be denied. As a result, the claims for statutory penalties could have
9 no value through continued litigation.

10 27. Plaintiff will apply to the Court for a Class Representative Service Payment in
11 consideration for his service and for the risks undertaken on behalf of the Class. (Agreement at ¶
12 3.2(a).) Plaintiff performed his duties admirably by working with Class Counsel over the course of
13 litigation. The Declaration of the Plaintiff is submitted in support. At this stage, the not to exceed
14 amount for the requested service award is within the accepted range of awards for purposes of
15 preliminary approval, subject to the Court's determination at final approval. *See e.g. Andrews v.*
16 *Plains All Am. Pipeline L.P.*, 2022 U.S. Dist. LEXIS 172183, at *11 (C.D. Cal. 2022) (finding that
17 the requested service awards of \$15,000 each are appropriate); *Reynolds v. Direct Flow Med., Inc.*,
18 2019 U.S. Dist. LEXIS 149865, at *19 (N.D. Cal. 2019) (granting request for \$12,500 service
19 award); *Mathein v. Pier 1 Imps. (U.S.), Inc.*, 2018 U.S. Dist. LEXIS 71386 (E.D. Cal. 2018)
20 (awarding \$12,500 where average class member payment was \$351); *Louie v. Kaiser Foundation*
21 *Health Plan, Inc.*, 2008 WL 4473183, *7 (S.D. Cal. Oct. 06, 2008) (awarding \$25,000 service
22 award to each of six plaintiffs in overtime class action); *Glass v. UBS Fin. Servs.*, 2007 WL 221862,
23 *16-17 (N.D. Cal. 2007) (awarding \$25,000 service award in overtime class action and a pool of
24 \$100,000 in enhancements).

25 28. The stage of the proceedings at which this Settlement was reached also militates in
26 favor of preliminary approval and ultimately, final approval of the Settlement. Class Counsel has
27 conducted a thorough investigation into the facts of the class action. Class Counsel began
28 investigating the Class Members' claims before the Action was filed, and during the course of

1 litigation, Class Counsel engaged in informal discovery to obtain necessary information. Class
2 Counsel conducted a review and analysis of the relevant documents and data. Class Counsel was
3 also experienced with the claims at issue here, as Class Counsel previously litigated and settled
4 similar employment claims in other actions. Accordingly, the agreement to settle did not occur until
5 Class Counsel possessed sufficient information to make an informed judgment regarding the
6 likelihood of success on the merits and the results that could be obtained through further litigation.

7 29. Based on the foregoing data and their own independent investigation and evaluation,
8 Class Counsel is of the opinion that the Settlement with Defendants for the consideration and on the
9 terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of the
10 Class in light of all known facts and circumstances, including the risk of significant delay, defenses
11 asserted by Defendants, and numerous potential appellate issues. There can be no doubt that
12 Counsel possessed sufficient information to make an informed judgment regarding the likelihood of
13 success on the merits and the results that could be obtained through further litigation.

14
15 Class Certification Issues

16 30. Plaintiff contends that the proposed settlement meets all of the requirements for class
17 certification under California Code of Civil Procedure § 382 as demonstrated below, and therefore,
18 the Court may appropriately approve the Class as defined in the Agreement. This Court should
19 conditionally certify the Class for settlement purposes only, defined as follows:

20 All individuals who are or previously were employed by Defendants in California
21 and classified as non-exempt employees at any time during the Class Period.

22 (Agreement at ¶ 1.5.)

23 The Class Period is from August 15, 2020 through September 25, 2025. (Agreement at ¶ 1.13.)

24 a. **Numerosity** - Plaintiff asserts that the 511 current and former employees
25 that comprise the Class can be identified based on Defendants' records and are sufficiently
26 numerous for class certification.

27 b. **Common Issues Predominate** - Plaintiff contends that common questions of
28 law and fact are present, specifically the common questions of whether Defendants' employment

1 practices were lawful, whether Defendants failed to provide meal and rest periods to Class
2 Members, whether Defendants miscalculated the regular rate when paying wages, whether Class
3 Members were lawfully compensated for all hours worked, whether Defendants failed to provide
4 required expense reimbursement, and whether Class Members are entitled to damages and penalties
5 as a result of these practices. Plaintiff contends that certification of this Class is appropriate because
6 Defendants allegedly engaged in uniform practices with respect to the Class Members. As a result,
7 these common questions of liability could be answered on a class wide basis.

8 c. **Typicality** - In this Action, Plaintiff contends that the typicality requirement
9 is fully satisfied. Plaintiff, like every other member of the Class, was employed by Defendants as a
10 non-exempt employee, and, like every other member of the Class, was subject to the same
11 employment practices. Plaintiff, like every other member of the Class, also claims owed
12 compensation as a result of the Defendants' uniform company policies and practices. Thus, the
13 claims of Plaintiff and the members of the Class arise from the same course of conduct by
14 Defendants, involve the same issues, and are based on the same legal theories.

15 d. **Adequacy** - Plaintiff contends that the Class Members are adequately
16 represented here because Plaintiff and representing counsel (a) do not have any conflicts of interest
17 with other class members, and (b) will prosecute the case vigorously on behalf of the class. This
18 requirement is met here. First, Plaintiff is well aware of his duties as the representative of the Class
19 and has actively participated in the prosecution of this case to date. Plaintiff effectively
20 communicated with Class Counsel, provided documents and information to Class Counsel, and
21 participated in the investigation and resolution of the Action. The personal involvement of the
22 Plaintiff was essential to the prosecution of the Action and the monetary settlement reached.
23 Second, Plaintiff retained competent counsel who are experienced in employment class actions and
24 who have no conflicts. Third, there is no antagonism between the interests of the Plaintiff and those
25 of the Class. Both the Plaintiff and the Class Members seek monetary relief under the same set of
26 facts and legal theories. Under such circumstances, there can be no conflicts of interest, and
27 adequacy of representation is satisfied.

28 31. Class Counsel's Adequacy of Representation and Absence of Conflict: Blumenthal

1 Nordrehaug Bhowmik De Blouw LLP is experienced in prosecuting class action lawsuits and can
2 competently represent the Class. Other lawyers at my firm and I have extensive class litigation
3 experience. We have handled a number of class actions and complex cases and have acted both as
4 counsel and as lead and co-lead counsel in a variety of these matters. We have successfully
5 prosecuted and obtained significant recoveries in numerous class action lawsuits and other lawsuits
6 involving complex issues of law and fact. My firm is particularly experienced in wage and hour
7 employment law class actions, including claims for misclassification, overtime, expense
8 reimbursement, unlawful deduction of wages, and missed rest and meal periods. Blumenthal
9 Nordrehaug Bhowmik De Blouw LLP has been involved as class counsel in over hundreds of wage
10 and hour class actions. Blumenthal Nordrehaug Bhowmik De Blouw LLP has been found to be
11 adequate counsel by the courts throughout California. We have been approved as experienced class
12 counsel by both state and federal courts in California in contested class certification proceedings. A
13 true and correct copy of the resume of my firm is attached hereto as Exhibit #4. The Class in this
14 settlement is defined as “all individuals who are or previously were employed by Defendants in
15 California and classified as non-exempt employees at any time during the Class Period.” I have
16 reviewed my firm’s cases and representation of other plaintiffs and there is no conflict or
17 representation which would prevent my firm from representing the interests of the Class this case.
18 My firm only represents employees, and not employers. My firm has never represented Defendant
19 nor any affiliate of the Defendants. My firm’s only interest in the subject matter of this litigation is
20 to ensure a recovery to the Class and to maximize that recovery. Finally, our allegiance to the Class
21 and the claims of the Class is not inconsistent with our allegiance to pursue the claims on behalf of
22 other employees and classes as the claims are all against different and distinct employers. I can
23 think of no conflict that would arise in our representation of the Class and our adequate
24 representation of the Class is evidenced by the successful prosecution of the class claims to reach an
25 excellent recovery for the Class. Moreover, neither the Plaintiff nor Class Counsel have any
26 affiliation with the proposed Administrator for this settlement. Thus, the adequacy requirement for
27 my firm is satisfied.

28 32. The Class Notice, drafted jointly and agreed upon by the Parties through their

1 respective counsel and to be approved by the Court, is based on the Los Angeles model form and
2 includes all relevant information. (See Exhibit "A" to the Agreement.) The Parties have agreed that
3 a Spanish translation is not necessary as Class Members can read and understand English. The Class
4 Notice will include, among other information: (i) information regarding the Action; (ii) the impact
5 on the rights of the Class Members if they do not opt out, including a description of the applicable
6 release; (iii) information to the Class Members regarding how to opt out and how to object to the
7 Settlement; (iv) the estimated Individual Class Payment for each of the Class Members; (iii) the
8 amount of attorneys' fees and expenses to be sought; (v) the amount of the Plaintiff's service award
9 request; and (vi) the anticipated expenses of the Administrator. The Class Notice will state that the
10 Class Members shall have sixty (60) days from the date that the Class Notice is mailed to them (the
11 "Response Deadline") to request exclusion (opt-out) or to submit a written objection. (Agreement
12 at ¶¶ 1.42, 8.5, 8.7.) Class Members shall be given the opportunity to object to the Settlement
13 and/or requests for attorneys' fees and expenses and to appear at the Final Approval Hearing.
14 (Agreement at ¶ 8.7.) Class Members who do not submit a timely and proper request to opt-out will
15 automatically receive a payment of their Individual Class Payment. This notice program was
16 designed to meaningfully reach the Class Members and it advises them of all pertinent information
17 concerning the Settlement.

18
19 33. The PAGA Claim -

20 a. **Approval of PAGA Settlements.** The decision in *O'Connor v. Uber*, 201
21 F.Supp.3d 1110, 1133 (N.D. Cal. 2016), and the LWDA's Response therein is illustrative. The
22 LWDA first states that "when viewing the monetary relief allocated to PAGA claims under a
23 settlement, the LWDA recognizes that the PAGA sum need not necessarily be viewed through the
24 same lens as the relief obtained by absent class members on other claims (i.e., the percentage of
25 recovery-to-exposure on the PAGA claims need not necessarily equal the percentage of recovery on
26 the other claims)." (LWDA Response at p.3). The LWDA also indicated that the payment of
27 money to the aggrieved employees furthers the purposes of PAGA and that the Court considers that
28 primary consideration. "The LWDA recognizes that this Court does not review the PAGA

1 allocation in isolation, but rather reviews the settlement as a whole, to determine whether it is
2 fundamentally fair, reasonable and adequate, with primary consideration for the interests of absent
3 class members." (LWDA Response at p.4).

4 b. **Valuation of the PAGA Claim.** For mediation, Plaintiff calculated the
5 maximum value of the alleged PAGA claim as to Aggrieved Employees for civil penalties to be
6 between \$432,000 and \$864,000 for a single violation in every one of the 8,640 pay periods at issue
7 in the PAGA Period, depending on whether the violation was \$50 per pay period as in the case of
8 Labor Code § 558(a)(1) or the standard amount of \$100 per pay period for violation of Labor Code
9 § 1198. This valuation assumed that PAGA civil penalties would be awarded at the maximum rate
10 per pay period but without stacking.⁴ The PAGA allocation in the Settlement is the amount of
11 \$20,000. This allocation is justified by several important considerations. First, the PAGA claim
12 was subject to the same risks as the underlying class claims. Second, Defendants asserted additional
13 defenses to the PAGA claim, not only as to liability but also as to the amount of the penalties.
14 Defendants could also argue that no penalties prior to the PAGA notification should be awarded,
15 and I am aware of one Court which has so ruled. These additional defenses present a risk to the
16 PAGA claim and the potential that some or all of the PAGA penalties sought may not be awarded.
17 Third, in *Carrington v. Starbucks Corp.*, 30 Cal. App. 5th 504 (2018), the court affirmed a
18 judgment which only provided for a PAGA penalty of \$5 per violation. Therefore, at trial, any
19 PAGA penalties awarded could be significantly less than Plaintiff's calculation even where Plaintiff
20 prevailed on the PAGA claim. Even if we assume that violations for all 8,640 pay periods were
21 established, using the valuation from *Carrington* results in a potential recovery of only \$43,200
22 under PAGA. This means that the PAGA allocation in the Agreement is a reasonable percentage of
23 this potential PAGA recovery. Fourth, the interests of PAGA are also served by the Class recovery
24

25 ⁴ Stacking is where more than one civil penalty is imposed in a pay period for the same conduct.
26 The valuation of between \$432,000 and \$864,000 is the civil penalty amount without stacking. If
27 stacking is permitted, then the valuation increases with each additional penalty added to each pay
28 period. Plaintiff, however, are not aware of any PAGA award which permitted stacking and in the
cases cited herein, only one penalty per pay period was assessed. The 2024 amendment to PAGA
casts further doubt on whether stacking would be permitted.

1 under the reasoning of the LWDA in *O'Connor v. Uber*.

2 c. **Comparable PAGA Settlements.** In reaching the settlement of the PAGA
3 claim, Class Counsel was also aware of what allocations other Courts have approved for similar
4 PAGA settlements as compared to the total settlement amount. A class settlement that allocates
5 approximately 2% of the total settlement value to resolve the PAGA claims applicable to the class is
6 also supported by what has been approved in other wage-and-hour class settlements. Indeed, Courts
7 typically approve PAGA settlement amounts in the range of between 0.27 to 2 percent of the total
8 settlement. See *Davis v. Brown Shoe Co.*, 2015 U.S. Dist. LEXIS 149010 (E.D. Cal. 2015) (PAGA
9 Payment of \$5,000 in a \$1.5 million class settlement); *Zamora v. Ryder Integrated Logistics, Inc.*,
10 2014 U.S. Dist. LEXIS 184096 (S.D. Cal. 2014) (\$7,500 payment to LWDA for PAGA on a \$1.5
11 million class settlement); *Lusby v. Gamestop Inc.*, 2015 U.S. Dist. LEXIS 42637 (N.D. Cal. 2015)

18 34. Attorneys' Fees - The Class Counsel Fees Payment is capped at one-third of the
19 Gross Settlement Amount. A fee award that is capped at one-third of the common fund is fair and

21 reasonableness of the requested fee award. My firm has been regularly awarded attorney's fees
22 equal to one-third of the common fund in Court-approved wage and hour class settlements. Some

Plaintiff’s complaint asserted a single cause of action for violation of the Private Attorney General Act, Cal. Labor Code §§ 2698, *et seq.* (“PAGA”).
- 2.3. On July 25, 2025, the Parties participated in an all-day mediation presided over by Monique Ngo-Bonnici, Esq., a respected mediator of wage and hour representative and class actions. Following the mediation, each side, represented by its respective counsel, were able to agree to settle the Actions based upon a mediator’s proposal which was memorialized in the form of a Memorandum of Understanding. This Agreement replaces and supersedes the Memorandum of Understanding and any other agreements, understandings, or representations between the Parties.

If for any reason the settlement does not become effective, Defendants reserve the right to contest certification of any class for any reason and reserves all available defenses to the claims in the Actions.
- 2.8. This Agreement shall exclude all claims previously released in the *Santillan v. 3. MONETARY TERMS

- 3.1. Gross Settlement Amount. Except as otherwise provided by Paragraph 9 below, Defendants promise to pay \$950,000 and no more as the Gross Settlement Amount. This amount is all-inclusive of all payments contemplated in this resolution, excluding any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages which shall be separately paid by Defendants to the Administrator. Defendants have no obligation to pay the Gross Settlement Amount (or any payroll taxes) unless all conditions necessary to achieve the Effective Date have occurred and in no case, prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendants.
- 3.2. Payments from the Gross Settlement Amount. Subject to the terms and conditions of this Agreement and conditioned upon all the events necessary to achieve the Effective Date occurring, the Administrator will make the following payments out of the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval.
- (a) To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Defendants will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative

Service Payment. In addition, Plaintiff is separately settling his claims for discrimination and/or harassment based on disability/medical conditions, claims for retaliation, claims for failure to provide reasonable accommodations and for failure to engage in the interactive process, and other claims relating to his employment and his claimed disability/medical condition (collectively referred to herein as “Individual Discrimination and Retaliation Claims”). The payment for the settlement of the Individual Discrimination and Retaliation Claims is not being made in consideration of the settlement and dismissal of the Class and PAGA claims in the Actions. However, the Plaintiff’s settlement of his Individual Discrimination and Retaliation Claims is a condition to entering this Agreement.

- (b) To Class Counsel: A Class Counsel Fees Payment of not more than one-third (1/3) of the Gross Settlement Amount, which is currently estimated to be \$316,666, and a Class Counsel Litigation Expenses Payment of not more than \$30,000. Defendants will not oppose requests for these payments provided they do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Parties agree that regardless of any action taken by the Court or any appellate court with respect to Class Counsel Fees and Costs, the validity of the underlying Settlement shall not be affected. Released Parties shall have no liability to Class Counsel or any other Plaintiff’s Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Defendants harmless, and indemnifies Defendants, from any dispute or controversy regarding any division or sharing of any of these payments. The payment of Class Counsel Fees Payment shall be made as follows: 77.5% to Blumenthal Nordrehaug Bhowmik De Blouw LLP and 22.5% to Centurion Trial Attorneys, APC. Payment of the Class Counsel Litigation Expenses Payment shall be made to the firm that incurred the expenses.
- (c) To the Administrator: An Administration Expenses Payment not to exceed \$12,000 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses Payment is less or the Court approves payment less than \$12,000, the Administrator will retain the remainder in the Net Settlement Amount for distribution to Participating Class Members.
- (d) To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$20,000 to be paid from the Gross Settlement Amount, with 65% (\$13,000) allocated to the

LWDA PAGA Payment and 35% (\$7,000) allocated to the Individual PAGA Payments.

- i. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 35% share of PAGA Penalties (\$7,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.
 - ii. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.
- (e) To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.
- i. Tax Allocation of Individual Class Payments. 20% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 80% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for non-wages, expense reimbursement, interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any of their employee taxes owed on their Individual Class Payment. Neither Defendants nor their counsel, nor Class Counsel makes any representation, and have made no representations as to the tax treatment or legal effect of the payments called for in this Settlement Agreement, and Plaintiff and Class Members are not relying on any statement, representation, or calculation by Defendant, the Settlement Administrator, or Class Counsel in this regard. Plaintiff and Class Members understand and agree that Plaintiff and Class Members will be solely responsible for the payment of any taxes and penalties assessed on the payments described in this Settlement Agreement. Plaintiff and any Class Member who receives any payment under this Agreement should consult with their tax advisors concerning the tax consequences of the Individual Class Payments they receive under the Settlement.
 - ii. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class

Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

4. SETTLEMENT FUNDING

- 4.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on its records, Defendants have represented that the Class consists of 511 Class Members who collectively worked a total of 71,279 Workweeks, and 325 Aggrieved Employees who worked a total of 8,640 PAGA Pay Periods through July 25, 2025. Defendants' representation that there are approximately 71,279 Workweeks from August 15, 2020 through July 25, 2025 is a material representation for Plaintiff to enter into this Agreement.
- 4.2. Class Data. Not later than 15 days after the Court grants Preliminary Approval of the Settlement, Defendants will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendants have a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendants must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.
- 4.3. Funding of the Gross Settlement Amount. Defendants shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendants' share of payroll taxes by transmitting the funds to the Administrator no later than 14 days after the Effective Date.

5. PAYMENTS FROM THE GROSS SETTLEMENT AMOUNT

- 5.1. Within 14 days after Defendants fund the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment.
- 5.2. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the "void date", which is 180 days after the date of mailing, when the check will be voided. The Administrator will cancel

all checks not cashed by the void date. The Administrator will send checks for Individual Class Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients' mailing addresses using the National Change of Address Database. If a Participating Class Member's or Aggrieved Employee's check is not cashed within 120 days after its last mailing to the affected individual, the Administrator will also send the individual a notice informing him or her that unless the check is cashed by the void date, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced but not cashed.

- 5.3. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
- 5.4. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California State Bar Greg E. Knoll Justice Gap Fund a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.
- 5.5. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendants to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.
6. **RELEASE OF CLAIMS.** Upon the Effective Date, Plaintiff, Participating Class Members, Aggrieved Employees and the LWDA will release claims against all Released Parties as follows:
 - 6.1. Plaintiff's Release. Plaintiff and his or her respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences that

occurred during the Class Period, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, Plaintiff's PAGA Notice ("Plaintiff's Release"). Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, or workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

- (a) Plaintiff's Waiver of Rights Under Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

- (b) Plaintiff's Other Claim. Plaintiff represents that he has claim against Defendants other than the Class claims and PAGA claims. These other claims are for discrimination and/or harassment based on disability/medical condition, claims for retaliation, claims for failure to provide reasonable accommodations and for failure to engage in the interactive process, and other claims relating to his employment and his claimed disability/medical condition which Plaintiff is separately settling. Class Counsel will be filing a declaration with the Court affirming that the consideration given for the dismissal of the separate Individual Discrimination and Retaliation Claim is unrelated to and separate from the settlement of his Class claims and PAGA claims and is based on separate facts and claims.

6.2. Release by Participating Class Members. All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims.

6.3. Release of PAGA Claims. All Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims.

The Parties will make all reasonable efforts to promptly file the stipulation and address the Court’s concerns, if any.

(b) Within ten days of filing the First Amended Complaint in the Class Action, Plaintiffs will schedule a hearing in the Class Action at which to seek preliminary approval of the Settlement so that the hearing occurs within sixty (60) calendar days of the date upon which the Parties fully execute this Agreement. If it is not possible to schedule a hearing on preliminary approval of the Settlement within sixty (60) calendar days of the date of the Parties’ Stipulation, the Parties agree to schedule the hearing at the first mutually agreeable available date thereafter.

7.3. Plaintiff’s Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its “not to exceed” bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members and/or the proposed Cy Pres Recipient; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator

(a)), Operative Complaint (Labor Code section 2699, subd. (1)(1)), this Agreement (Labor Code section 2699, subd. (1)(2)); (vi) a redlined version of the parties' Agreement showing all modifications made to the Model Agreement ready for filing with the Court; and (vii) all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator and/or the Cy Pres Recipient, if any. In their Declarations, Plaintiff and Class Counsel shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement. Class Counsel shall provide Defense Counsel with a copy of the draft Motion for Preliminary Approval no later than ten (10) calendar days before it is due to be filed for Defense Counsel to provide Plaintiff suggested edits and comments.

7.4. Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.

7.5. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- (c) Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraph 6.2 of the Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- (d) Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the

claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.6. Challenges to Calculation of Workweeks. Each Class Member shall have until the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination as to the challenges

8.7. Objections to Settlement.

- (a) Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.
- (b) Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, or in addition to a written objection, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice was re-mailed).
- (c) Non-Participating Class Members have no right to object to any of the class action components of the Settlement. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- (a) Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- (b) Request for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 7 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- (c) Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- (d) Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- (e) Administrator’s Declaration. Not later than 7 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the

Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

- (f) Final Report by Administrator. Within 10 days after the Administrator disburses all funds of the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 7 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least 7 days before any deadline for a second declaration and Class Counsel shall be responsible for filing the second declaration with the Court.

- 9. **CLASS SIZE MODIFICATION AND ESCALATOR CLAUSE.** Based on their records, Defendants provided figures as to the Class size as set forth in paragraph 4.1 above. Should the actual number of Workweeks during the Class Period increase beyond 10% of the estimate stated in paragraph 4.1, Defendants shall have the option of (a) increasing the Gross Settlement Amount apportioned to the class and PAGA claims by a percentage increase in the number of workweeks worked by the Class Members above 10% (e.g., if the number of Workweeks increases by 11%, the Gross Settlement Amount will increase by 1%); or (b) rolling back the end of the Class Period and PAGA Period to the date in which 78,407 workweeks is met.
- 10. **DEFENDANTS' RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendants may, but are not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendants withdraw, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendants will remain responsible for paying all Administration Expenses incurred as of the date Defendants make this election to withdraw. Defendants must notify Class Counsel and the Court of its election to withdraw not later than 7 days after the Administrator sends the final Exclusion List to Defense Counsel. Invalid Requests for Exclusion will have no effect on this threshold for an election.
- 11. **MOTION FOR FINAL APPROVAL.** Unless otherwise ordered by the Court, not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699(l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion for

Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

- 11.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for a Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement under C.C.P. section 664.6 solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 11.4. Waiver of the Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final.
- 11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on an equal basis, any additional Administration Expenses reasonably incurred at the time of remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a

material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS

13.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendants that any of the allegations in the Operative Complaint have merit or that Defendants have any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendants' defenses in the Actions have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or Judgment pursuant to this Agreement, Defendants reserve the right to contest certification of any class for any reasons, and Defendants reserve all available defenses to the claims in the Actions, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendants' defenses. The Settlement, this Agreement and Parties' willingness to settle the Actions will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

13.2. Confidentiality Prior to Preliminary Approval.

- (a) Plaintiff and Class Counsel shall keep confidential all settlement communications regarding the negotiation and drafting of this Agreement, including all communications and information shared in connection with the mediation and settlement negotiations of the Actions ("Confidential Settlement Information"), except as required to obtain Court approval of the Settlement.
- (b) Plaintiff and Class Counsel agree that they will not make any public statements including any statement to the media regarding the settlement reflected in this Agreement prior to the filing of the motion for preliminary approval of this Agreement. Plaintiffs and their counsel will not issue a press release or otherwise have contact with the media regarding the settlement at any time. Nothing in this paragraph shall restrict Plaintiff or Class Counsel from making any disclosures necessary to seek Court approval to effectuate the terms of this Agreement, as required by a court of competent jurisdiction or for purposes of enforcement of this Agreement, or as otherwise required by law. Notwithstanding this confidentiality provision, Class Counsel may disclose the terms of this agreement and/or provide a copy of this

agreement to any court in support of any motion for approval. In addition, with the consent of Defendants, Class Counsel may share information about the mediation and information and/or documents received in preparation for mediation to the Court in support of any motion for approval of the Settlement. Nothing in this paragraph will prohibit Class Counsel from referring to the Settlement after the Effective Date in adequacy of counsel declarations or related court filings in other matters. Unless filed or lodged with the Superior Court as part of seeking preliminary and final settlement approval, Plaintiff and Class Counsel shall not publicize any Confidential Settlement Information on any website, marketing, other advertising material, or in any other manner. Plaintiff and Class Counsel will not share any Confidential Settlement Information with any other individual or lawyer, nor communicate with any other counsel or any individual about any Confidential Settlement Information, nor utilize it in any way in marketing or advertising materials, including on any website.

- (c) Plaintiff and Class Counsel may disclose the terms of this Agreement to those persons to whom disclosure is necessary to obtain legal, financial, or tax preparation advice. To the extent Plaintiff makes disclosures to such persons, Plaintiff must inform such persons of this confidentiality provision and take action to ensure that such persons agree to be bound by, and do not violate, the confidentiality provisions herein.
- (d) Nothing in this section restricts Class Counsel's communications with Class Members in accordance with Class Member's obligations owed to Class Members in the event Class Members initiate contact with Class Counsel and seek Confidential Settlement Information.

13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees have not and will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

13.5. Attorney Authorization. Class Counsel warrant and represent that they are authorized by Plaintiff to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points

and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

- 13.7. Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8. Tax Advice. Neither Plaintiff, Class Counsel, Defendants nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 13.11. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 13.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Actions and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 13.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendants in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant.

13.15. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.

13.16. Calendar Days. Unless otherwise noted, all reference to “days” in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.

13.17. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

EXHIBIT A

[NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND HEARING DATE FOR
FINAL COURT APPROVAL]

EXHIBIT “A”

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT
AND HEARING DATE FOR FINAL COURT APPROVAL**

Hernandez v. Verizon Corp. Servs. Group, Inc.,
Superior Court of the State of California, County of Los Angeles, Case No. 24STCV20608

The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT
ACT. PLEASE READ THIS NOTICE CAREFULLY.**

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Defendants Verizon Corporate Services Group, Inc. and Verizon Corporate Resources Group LLC (collectively, “Defendants”) for alleged wage and hour violations. The Action was filed by Plaintiff James Hernandez (“Plaintiff”) and seeks payment of (1) wages and other relief on behalf of all individuals who are or previously were employed by Defendants in California and classified as non-exempt employees at any time during the Class Period (August 15, 2020 through September 25, 2025) (“Class Members”), and (2) penalties and other relief on behalf of all individuals who are or previously were employed by Defendants in California and classified as non-exempt employees at any time during the PAGA Period (June 23, 2023 through September 25, 2025) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendants to fund Individual Class Payments to Class Members, and (2) a PAGA Settlement requiring Defendants to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”) and Individual PAGA Payments to Aggrieved Employees.

Based on Defendants’ records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be <<\$_____>> (less withholding), and your Individual PAGA Payment is estimated to <<be \$_____>>.** The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendants’ records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendants’ records showing that **you worked <<_____>> workweeks** during the Class Period and **you worked <<_____>> pay periods** during the PAGA Period. If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Notice below.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are

affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendants to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendants.

If you worked for Defendants during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment, and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendants as described below in Section 4 below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment, however you will preserve your right to personally pursue Class Period wage claims against Defendants. If you are an Aggrieved Employee, you remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendants will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendants that are covered by this Settlement (Released Class Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is ____.	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 7 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendants must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released PAGA Claims (defined below) regardless of whether you submit a request for exclusion.

Participating Class Members Can Object to the Class Settlement Written Objections Must be Submitted by the Response Deadline _____	All Class Members who do not opt-out (“Participating Class Members”) can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 8 of this Notice.
You Can Participate in the _____ Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____ at _____ [a.m./p.m.], at the Los Angeles County Superior Court, Spring Street Courthouse, located at 312 North Spring Street, Los Angeles, CA 90012, in Department 6 before Judge Elihu M. Berle. This hearing may change as explained below in Section 9. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 9 of this Notice
You Can Challenge the Calculation of Your Workweeks / Pay Periods Witten Challenges Must be Submitted by the Response Deadline (_____)	The amount of your Individual Class Payment depends on how many workweeks you worked during the Class Period. The amount of your share of your Individual PAGA Payment (if any) depends on how many pay periods you worked during the PAGA Period. The number of Class Period workweeks and number of PAGA Period pay periods you worked according to Defendants’ records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____. See Section 5 of this Notice

1. What is action about?

Plaintiff was an employee of Defendants. The Action accuses Defendants of violating California labor laws by failing to pay minimum wages, failing to pay overtime wages, failing to provide required meal periods and unpaid premiums, failing to provide required rest periods and unpaid premiums, failing to provide accurate itemized wage statements, failing to provide required expense reimbursement, failing to provide wages when due, failure to pay sick pay, and engaging in unfair competition. Plaintiff also seeks civil penalties in a representative claim under the Private Attorneys General Act (“PAGA”).

Defendants strongly deny that they violated any laws or failed to pay any wages and further deny any liability whatsoever to Plaintiff, the Class, or Aggrieved Employees. Defendants contend

they complied with all applicable laws.

2. What does it mean that the action has settled?

The Court has made no determination whether Defendants or Plaintiff are correct on the merits. In other words, the Court has not determined whether any laws have been violated, nor has it decided in favor of Plaintiff or Defendants. In the meantime, Plaintiff and Defendants hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) with no decision or admission of who is right or wrong, rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a written Class Action and PAGA Settlement Agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendants have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendants do not admit any violations or concede the merit of any claims. Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendants have agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. What are the terms of the Settlement?

Gross Settlement Amount. **Defendants have agreed to pay an “all in” amount of Nine Hundred Fifty Thousand Dollars (\$950,000) (the “Gross Settlement Amount”) to fund the settlement of the Action.** The Gross Settlement Amount includes all payments of Individual Class Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class Representative Service Payment, the Administration Expenses Payment, and the PAGA Penalties under PAGA. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendants. Defendants shall fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendants’ share of payroll taxes, by transmitting the funds to the Administrator no later than 14 days after the Effective Date. The “Effective Date” means the date the Judgment is final and no longer subject to appeal. Within 14 days after Defendants fund the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments to Participating Class Members.

Court Approved Deductions from Gross Settlement Amount. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

- **Administration Expenses Payment.** Payment to the Administrator, estimated not to exceed \$12,000, for expenses, including expenses of notifying the Class Members of the Settlement, processing opt outs, and distributing settlement checks and tax forms.

- Attorneys' Fees and Costs. Payment to Class Counsel of reasonable attorneys' fees not to exceed one-third (1/3) of the Gross Settlement Amount, which presently equals \$316,666, and an additional amount to reimburse actual litigation costs incurred by the Plaintiff not to exceed \$30,000. Class Counsel has been prosecuting the Action on behalf of Plaintiff and the Class on a contingency fee basis (that is, without being paid any money to date) and has been paying all litigation costs and expenses. The amounts stated are what Class Counsel will be requesting and the final amounts to be paid will be decided at the Final Approval Hearing.
- Class Representative Service Payment. A Class Representative Service Payment in an amount not more than \$10,000 to the Plaintiff as a service award, or such lesser amount as may be approved by the Court, to compensate them for services on behalf of the Class in initiating and prosecuting the Action, and for the risks he undertook. The amount stated is what Plaintiff will be requesting and the final amount to be paid will be decided at the Final Approval Hearing.
- PAGA Penalties. A payment of \$20,000 relating to Plaintiff's claim under PAGA, \$13,000 of which will be paid to the State of California's Labor and Workforce Development Agency ("LWDA"). The remaining \$7,000 will be distributed to the Aggrieved Employees as Individual PAGA Payments. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 35% share of PAGA Penalties (\$7,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment. "PAGA Pay Period" means any Pay Period during which an Aggrieved Employee worked for Defendants for at least one day during the PAGA Period, which is June 23, 2023 through September 25, 2025.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Payments to Class Members. After all of the payments of the court-approved Attorneys' Fees and Costs, the Class Representative Service Payment, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, the "Net Settlement Amount", shall be distributed as Individual Class Payments to the Participating Class Members. The Net Settlement Amount is estimated to be at least \$561,334. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. "Workweek" means a 7-day week, beginning on Sunday and ending on Saturday, during the Class Period in which a Class Member received compensation for regular hours worked as a nonexempt employee for work actually performed in California for at least one day (i.e., the Class Member was not on a leave of absence). The number of Workweeks will be based on Defendants' records; however, Class Members may challenge the number of Workweeks as explained below.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

Tax Matters. Twenty Percent (20%) of each Participating Class Member's Individual Class Payment is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on IRS Form W-2. Eighty Percent (80%) of each Participating Class Member's Individual Class Payment is in settlement of claims for non-wages, expense reimbursement, interest and penalties allegedly due to employees (collectively the "Non-Wage Portion"). The Non-Wage Portion and any Individual PAGA Payment shall not be subject to wage withholdings and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. Neither Class Counsel nor Defendants' Counsel intend anything contained in this Class Notice to constitute advice regarding taxes or taxability. The tax issues for each Participating Class Member are unique to him/her, and each Participating Class Member may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement and your receipt of the Individual Class Payment is conditioned upon the Court entering an order granting final approval of the Settlement and entering judgment.

The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Defendants have agreed that, in either case, the Settlement will be void: Defendants will not pay any money and Class Members will not release any claims against Defendants.

Need to Promptly Cash Payment Checks. The front of every check issued will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the funds represented by such checks to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). The Parties have proposed the California State Bar Greg E. Knoll Justice Gap Fund as the Cy Pres Recipient, and the Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

Administrator. The Court has appointed a neutral company, Apex Class Action LLC (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 8 of this Notice.

4. What Do I Release Under the Settlement?

Released Class Claims. Upon the Effective Date all Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims. The “Released Class Claims” are all claims, rights, demands, liabilities, and causes of action of any kind, whether known or unknown, which were raised, pled, or could have been raised or pled, based on the operative facts or theories asserted in the Operative Complaint or PAGA Notices, that arose during employment in a non-exempt position before the end of the Class Period, including claims for off-the-clock work; unpaid wages, commissions, or incentive payments; unpaid overtime wages; unpaid or underpaid holiday and vacation pay; failure to pay all wages earned every pay period; failure to pay sick pay; failure to pay any or all compensation at the regular rate of pay or the correct regular rate of pay (including, but not limited to sick pay, meal or rest period premiums, reporting time pay, overtime, and holiday or vacation pay); failure to provide meal periods or rest periods; unpaid premium wages for meal periods or rest periods; untimely payment of wages, holiday pay, or vacation pay during employment; failure to pay, or correctly calculate, wages for employees compensated on a piece-rate basis or commissions (including, but not limited to, calculation of nonproductive time); inaccurate wage statements; recordkeeping violations; failure to timely pay all wages, holiday pay, or vacation pay owed upon termination; unfair competition; reimbursement of business expenses; unlawful deductions from wages or commissions; unlawful collection of wages or commissions paid to the employee and/or assignment of wages; reporting time pay violations; failure to provide wage notices; violation of suitable seating requirements; claims under California Labor Code sections 200, 201, 201.5, 202, 203, 204 *et seq.*, 205.5, 210, 218, 221, 226, 226.7, 227.3, 233, 246 *et seq.*, 246.5, 510, 512, 515, 558, 1194, 1194.2, 1197, 1197.1, 1198, and 2802; California Code of Regulations Title 8; the applicable sections of the relevant Industrial Welfare Commission Wage Orders; California Business and Professions Code section 17200 *et seq.*; and any damages, penalties, restitution, disgorgement, interest, costs, or attorneys’ fees as a result thereof. Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

This means that, if you do not timely and formally exclude yourself from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendants and any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court’s orders in the Action will apply to you and legally bind you.

Released PAGA Claims. Upon the Effective Date, all Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims. The “Released Class Claims” are all claims under PAGA which were raised or pled, or could have been raised or pled, based on the operative facts or theories asserted in Plaintiff’s Operative Complaint, or PAGA Notice, and that arose before the end of the PAGA Period during employment in a non-exempt position, including claims for PAGA penalties under Labor Code sections 2698-2699.5 based on claims for off-the-clock work; unpaid wages, commissions, or incentive payments; unpaid overtime wages; unpaid or underpaid holiday and vacation pay; failure to pay all wages earned every pay period; failure to pay sick pay; failure to pay any or all compensation at the regular rate of pay or the correct regular rate of pay (including, but not limited to, sick pay, meal or rest period

premiums, reporting time pay, overtime, and holiday or vacation pay); failure to provide meal periods or rest periods; unpaid premium wages for meal periods or rest periods; untimely payment of wages, holiday pay, or vacation pay during employment; failure to pay, or correctly calculate, wages for employees compensated on a piece-rate basis or commissions (including, but not limited to, calculation of nonproductive time); inaccurate wage statements; recordkeeping violations; failure to timely pay all wages, holiday pay, or vacation pay owed upon termination; unfair competition; reimbursement of business expenses; unlawful deductions from wages or commissions; unlawful collection of wages or commissions paid to the employee and/or assignment of wages; reporting time pay violations; failure to provide wage notices; violation of suitable seating requirements; and claims under California Labor Code sections 200, 201, 201.5, 202, 203, 204 *et seq.*, 205.5, 210, 218, 221, 226 *et seq.*, 226.7, 227.3, 233, 246 *et seq.*, 246.5, 510, 512, 515, 558, 1194, 1194.2, 1197, 1197.1, 1198, and 2802. The Released PAGA Claims do not include other PAGA claims, underlying wage and hour claims, claims for wrongful termination, discrimination, unemployment insurance, disability and worker's compensation, and claims outside of the PAGA Period.

Released Parties. The Released Parties are: Defendants, and their former and present parent companies, subsidiaries, and affiliated corporations and entities (including, but not limited to, Cellco Partnership d/b/a Verizon Wireless, Verizon Connect, Inc., and Verizon Communications, Inc.), and each of their respective former, present, and future officers, directors, members, managers, employees, consultants, vendors, insurers, attorneys, independent contractors, partners, investors, shareholders, joint ventures, third-party agents, successors, assigns, and legal representative, and of their heirs, assigns, executors, administrators, agents, employers, and successors, past and present.

5. How much will my payment be?

Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.

Defendants' records reflect that you worked <<____>> Workweeks during the Class Period (August 15, 2020 through September 25, 2025).

Based on this information, your estimated Individual Class Payment from the Net Settlement Amount is <<____>>.

Defendants' records reflect that you worked <<____>> PAGA Pay Periods during the during the PAGA Period (June 23, 2023 through September 25, 2025). Based on this information your estimated Individual PAGA Payment is <<____>>.

If you wish to challenge the information set forth above, then you must submit a written, signed dispute challenging the information along with supporting documents, to the Administrator at the address provided in this Class Notice no later than the Response Deadline, which is _____ [sixty (60) days after the mailing of the Class Notice or an additional 14 days in the case of re-mailing]. You may also fax the dispute to _____ or email the

dispute to _____ by no later than the Response Deadline. Any dispute should include credible written evidence and will be resolved by the Administrator.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendants' calculation of Workweeks based on Defendants' records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendants' Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

6. How can I get a payment?

To get money from the Settlement, you do not have to do anything. A check for your Individual Class Payment will be mailed automatically to the same address as this Class Notice.

The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.

The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Class Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 8 of this Class Notice has the Administrator's contact information.

7. What if I don't want to be a part of the Settlement?

If you do not wish to participate in the Settlement, you may exclude yourself from the Class portion of the Settlement or "opt out." **If you opt out, you will not receive an Individual Class Payment from the Settlement, and you will not be bound by its terms, which means you will retain the right to sue Defendants for the Released Class Claims.** However, Aggrieved Employees who opt out will still be paid their allocation of the PAGA Penalties and will remain bound by the release of the Released PAGA Claims regardless of whether they submit a request for exclusion. The PAGA Penalties amount is \$20,000, of which \$7,000 will be distributed to the Aggrieved Employees to be allocated based on their respective PAGA Pay Periods. Your share of the PAGA Penalties, if any, is set forth in Section 5 above.

To opt out, you must submit to the Administrator a written, signed and dated request to opt-out postmarked no later than the Response Deadline which is _____. You may also fax your request to opt out to _____ or email the request to opt out to _____ by no later than the Response Deadline. The request to opt-out should state in substance that you wish to be excluded from the class settlement in the *Hernandez v.*

Verizon Corp. Servs. Group, Inc. lawsuit. The request to opt-out should state the Class Member's full name, address and email address or telephone number. Please include the name and number of the case, which is *Hernandez v. Verizon Corp. Servs. Group, Inc.*, Case No. 24STCV20608. The request to opt-out must be completed and signed by you. No other person may opt-out for a living member of the Class.

The address for the Administrator is _____. Written requests for exclusion that are postmarked after _____, or are incomplete or unsigned will be rejected, and those Class Members will remain bound by the Settlement and the release described above.

8. How do I Object to the Settlement?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Defendants are asking the Court to approve. At least sixteen (16) court days before the Final Approval Hearing, scheduled for _____, Class Counsel and Plaintiff will file in Court a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Payment. Upon reasonable request, Class Counsel (whose contact information is below) will send you copies of these documents at no cost to you. You can also view them on Class Counsel's website at www.bamlawca.com under "Class Notices" for *Hernandez v. Verizon Corp. Servs. Group, Inc.* or on the Court's website (<http://www.lacourt.org/casesummary/ui/index.aspx?casetype=civil>) and entering the Case No. 24STCV20608.

A Participating Class Member who disagrees with any aspect of the Agreement and/or the Motion for Final Approval may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The Response Deadline for sending written objections to the Administrator is _____** [sixty (60) days after the date of the Notice or an additional 14 days after the Notice in the case of re-mailing]. You may also fax the objection to _____ or email the objection to _____ by no later than this Response Deadline. [ORDER GRANTING PRELIMINARY APPROVAL]

EXHIBIT "B"

SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF LOS ANGELES

JAMES HERNANDEZ, an individual, on
behalf of himself and on behalf of all persons
similarly situated,

Plaintiffs,

vs.

VERIZON CORPORATE SERVICES
GROUP INC., a Corporation; VERIZON
CORPORATE RESOURCES GROUP LLC, a
Limited Liability Company; and Does 1
through 50, Inclusive,

Defendants.

CASE NO.: **24STCV20608**

**[PROPOSED] PRELIMINARY
APPROVAL ORDER**

Hearing Date: _____
Hearing Time: _____

Judge: Hon. Elihu M. Berle
Dept: SS-6

Date Filed: August 15, 2024
Trial Date: Not set

This matter came before the Honorable Elihu M. Berle of the Superior Court of the State of California, in and for the County Los Angeles, on _____[DATE], for hearing on the unopposed motion by Plaintiff James Hernandez ("Plaintiff") for preliminary approval of the Class Action and PAGA Settlement with Defendants Verizon Corporate Services Group, Inc. and Verizon Corporate Resources Group LLC (collectively, "Defendants"). The Court, having

1 considered the briefs, argument of counsel and all matters presented to the Court and good cause
2 appearing, hereby GRANTS Plaintiff's Motion for Preliminary Approval of Class Action
3 Settlement.

4
5 **IT IS HEREBY ORDERED:**

6 1. The Court preliminarily approves the Class Action and PAGA Settlement
7 Agreement ("Agreement") attached as Exhibit ____ to the Declaration of Kyle Nordrehaug in
8 Support of Plaintiff's Motion for Preliminary Approval of Class Action Settlement. This is based
9 on the Court's determination that the Settlement set forth in the Agreement is within the range of
10 possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil
11 Procedure and California Rules of Court, rule 3.769.

12 2. This Order incorporates by reference the definitions in the Agreement, and all
13 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

14 3. The Gross Settlement Amount that Defendants shall pay is Nine Hundred Fifty
15 Thousand Dollars (\$950,000). It appears to the Court on a preliminary basis that the settlement
16 amount and terms are fair, adequate and reasonable as to all potential Class Members when
17 balanced against the probable outcome of further litigation and the significant risks relating to
18 certification, liability and damages issues. It further appears that investigation and research have
19 been conducted such that counsel for the Parties are able to reasonably evaluate their respective
20 positions. It further appears to the Court that the Settlement will avoid substantial additional costs
21 by all Parties, as well as avoid the delay and risks that would be presented by the further
22 prosecution of the Action. It further appears that the Settlement has been reached as the result of
23 serious and non-collusive, arm's-length negotiations.

24 4. The Court preliminarily finds that the Settlement appears to be within the range of
25 reasonableness of a settlement that could ultimately be given final approval by this Court. The
26 Court has reviewed the monetary recovery that is being granted as part of the Settlement and
27 preliminarily finds that the monetary settlement awards made available to the Class is fair,
28

1 adequate, and reasonable when balanced against the probable outcome of further litigation and the
2 significant risks relating to certification, liability, and damages issues.

3 5. The Agreement specifies for an attorneys' fees award not to exceed one-third of the
4 Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$30,000, and a
5 proposed Class Representative Service Payment to the Plaintiff in an amount not to exceed
6 \$10,000. The Court will not approve the amount of attorneys' fees and costs, nor the amount of
7 any service award, until the Final Approval Hearing. Plaintiff will be required to present evidence
8 supporting these requests, including lodestar, prior to final approval.

9 6. The Court recognizes that Plaintiff and Defendants stipulate and agree to
10 representative treatment and certification of a class for settlement purposes only. This stipulation
11 will not be deemed admissible in this, or any other proceeding should this Settlement not become
12 final. For settlement purposes only, the Court conditionally certifies the Class which consists of
13 "all individuals who are or previously were employed by Defendants in California and classified
14 as non-exempt employees at any time during the Class Period." The "Class Period" is August 15,
15 2020 through September 25, 2025.

16 7. The Court concludes that, for settlement purposes only, the Class meets the
17 requirements for certification under section 382 of the California Code of Civil Procedure in that:
18 (a) the Class is ascertainable and so numerous that joinder of all members of the Class is
19 impracticable; (b) common questions of law and fact predominate, and there is a well-defined
20 community of interest amongst the members of the Class with respect to the subject matter of the
21 litigation; (c) the claims of the Plaintiff are typical of the claims of the members of the Class; (d)
22 the Plaintiff will fairly and adequately protect the interests of the members of the Class; (e) a class
23 action is superior to other available methods for the efficient adjudication of this controversy; and
24 (f) counsel for the Class is qualified to act as Class Counsel and the Plaintiff is an adequate
25 representative of the Class.

26 8. The Court provisionally appoints Plaintiff as the representatives of the Class. The
27 Court provisionally appoints Norman B. Blumenthal, Kyle R. Nordrehaug, and Aparajit Bhowmik
28

1 of Blumenthal Nordrehaug Bhowmik De Blouw LLP and Ryan Stygar of Centurion Trial
2 Attorneys, APC as Class Counsel for the Class.

3 9. The Agreement provides for a PAGA Penalties out of the Gross Settlement
4 Amount of \$20,000, which shall be allocated \$13,000 to the Labor & Workforce Development
5 Agency (“LWDA”) as the LWDA’s 65% share of the settlement of civil penalties paid under this
6 Agreement pursuant to the PAGA and \$7,000 to the Aggrieved Employees. “Aggrieved
7 Employees” are all individuals who are or previously were employed by Defendants in California
8 and classified as non-exempt employees at any time during the PAGA Period (June 23, 2023
9 through September 25, 2025). Pursuant to Labor Code section 2699, the LWDA was provided
10 notice of the Agreement and these settlement terms. The Court finds the PAGA Penalties to be
11 reasonable.

12 10. The Court hereby approves, as to form and content, the Class Notice attached to the
13 Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and accurately
14 inform the Class of all material elements of the proposed Settlement, of the Class Members’ right
15 to be excluded from the Class by submitting a written opt-out request, and of each member’s right
16 and opportunity to object to the Settlement. The Court further finds that the distribution of the
17 Class Notice substantially in the manner and form set forth in the Agreement and this Order meets
18 the requirements of due process, is the best notice practicable under the circumstances, and shall
19 constitute due and sufficient notice to all persons entitled thereto. The Court orders the mailing of
20 the Class Notice by first class mail pursuant to the terms set forth in the Agreement. If a Class
21 Notice Packet is returned because of an incorrect address, the Administrator will promptly search
22 for a more current address for the Class Member and re-mail the Class Notice Packet to any new
23 address for the Class Member no later than seven (7) days after the receipt of the undelivered
24 Class Notice.

25 11. The Court hereby appoints Apex Class Action LLC as the Administrator. No later
26 than fifteen (15) days after this Order, Defendants will provide the Class Data to the
27 Administrator. The Administrator will perform address updates and verifications as necessary
28

1 prior to the first mailing. Using best efforts to mail it as soon as possible, and in no event later
2 than fourteen (14) days after receiving the Class Data, the Administrator will mail the Class Notice
3 Packet to all Class Members via first-class regular U.S. Mail to their last known address.

4 12. The Court hereby preliminarily approves the proposed procedure for exclusion
5 from the Settlement. Any Class Member may individually choose to opt out of and be excluded
6 from the Class as provided in the Class Notice by following the instructions for requesting
7 exclusion from the Class that are set forth in the Class Notice. All requests for exclusion must be
8 postmarked or received no later than sixty (60) calendar days after the date of the mailing of the
9 Class Notice (“Response Deadline”). If a Class Notice Packet is re-mailed, the Response Deadline
10 for requests for exclusion will be extended an additional fourteen (14) days. A Request for
11 Exclusion may also be faxed or emailed to the Administrator as indicated in the Class Notice.
12 Any such person who chooses to opt out of and be excluded from the Class will not be entitled to
13 any recovery under the Class Settlement and will not be bound by the Class Settlement or have
14 any right to object, appeal or comment thereon. Class Members who have not requested exclusion
15 shall be bound by all determinations of the Court, the Agreement and the Judgment. A request for
16 exclusion may only opt out that particular individual, and any attempt to effect an opt-out of a
17 group, class, or subclass of individuals is not permitted and will be deemed invalid.

18 13. Any Class Member who has not opted out may appear at the final approval hearing
19 and may object or express the Member’s views regarding the Settlement and may present evidence
20 and file briefs or other papers that may be proper and relevant to the issues to be heard and
21 determined by the Court as provided in the Class Notice. Class Members will have until the
22 Response Deadline to submit their written objections to the Administrator. Written objections
23 may also be faxed or emailed to the Administrator as indicated in the Class Notice. If a Class
24 Notice Packet is re-mailed, the Response Deadline for written objections will be extended an
25 additional fourteen (14) days. Alternatively, Class Members may appear at the Final Approval
26 Hearing to make an oral objection.

1 14. A final approval hearing shall be held before this Court on _____
2 _____ at _____ in Department 6 at the Spring Street Courthouse of the Los
3 Angeles County Superior Court to hear the motion for final approval and for attorneys' fees and
4 costs, and to determine all necessary matters concerning the Settlement, including: whether the
5 proposed settlement of the Action on the terms and conditions provided for in the Agreement is
6 fair, adequate and reasonable and should be finally approved by the Court; whether the Final
7 Approval Order and Judgment should be entered herein; whether the plan of allocation contained
8 in the Agreement should be approved as fair, adequate and reasonable to the Class Members; and
9 to finally approve attorneys' fees and costs, service award, and the fees and expenses of the
10 Administrator. All papers in support of the motion for final approval shall be filed with the Court
11 and served on all counsel no later than sixteen (16) court days before the hearing and the motion
12 shall be heard at this final approval hearing.

13 15. Neither the Settlement nor any exhibit, document, or instrument delivered
14 thereunder shall be construed as a concession or admission by Defendants in any way that the
15 claims asserted have any merit or that this Action was properly brought as a class or representative
16 action, and shall not be used as evidence of, or used against Defendants as, an admission or
17 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
18 omission by Defendants or with respect to the truth of any allegation asserted by any person.
19 Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit,
20 document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts
21 thereof, shall in any event be construed as, offered or admitted in evidence as, received as or
22 deemed to be evidence for any purpose adverse to the Defendants, including, but not limited to,
23 evidence of a presumption, concession, indication or admission by Defendants of any liability,
24 fault, wrongdoing, omission, concession or damage.

25 16. In the event the Settlement does not become effective in accordance with the terms
26 of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to
27 become effective for any reason, this Order shall be rendered null and void and shall be vacated,
28

1 and the Parties shall revert to their respective positions as of before entering into the Agreement,
2 and expressly reserve their respective rights regarding the prosecution and defense of this Action,
3 including all available defenses and affirmative defenses, and arguments that any claim in the
4 Action could not be certified as a class action and/or managed as a representative action. In such
5 an event, the Court's orders regarding the Settlement, including this Order, shall not be used or
6 referred to in litigation for any purpose. Nothing in this paragraph is intended to alter the terms of
7 the Agreement with respect to the effect of the Agreement if it is not approved.

8 17. The Court reserves the right to adjourn or continue the date of the final approval
9 hearing and all dates provided for in the Agreement without further notice to Class Members and

CASE NO.: 24STCV20608

**[PROPOSED] FINAL APPROVAL
ORDER AND JUDGMENT**

Hearing Date: _____
Hearing Time: _____

Judge: Hon. Elihu M. Berle
Dept: SS-6

Date Filed: August 15, 2024
Trial Date: Not set

1 The unopposed motion of Plaintiff James Hernandez (“Plaintiff”) for an order finally
2 approving the Class Action and PAGA Settlement Agreement (“Agreement”) with Defendants
3 Verizon Corporate Services Group, Inc. and Verizon Corporate Resources Group LLC
4 (collectively, “Defendants”), attorneys’ fees and costs, service payment, and the expenses of the
5 Administrator duly came on for hearing on _____ before the Honorable Elihu M.
6 Berle.

7 **I.**

8 **FINDINGS**

9 Based on the oral and written argument and evidence presented in connection with the
10 motion, the Court makes the following findings:

- 11 1. All terms used herein shall have the same meaning as defined in the Agreement.
- 12 2. This Court has jurisdiction over the subject matter of this litigation pending before
13 the Superior Court for the State of California, in and for the County of Los Angeles, and over all
14 Parties to this litigation, including the Class.
- 15 3. Based on a review of the papers submitted by Plaintiff and a review of the
16 applicable law, the Court finds that the Gross Settlement Amount of Nine Hundred Fifty Thousand
17 Dollars (\$950,000) and the terms set forth in the Agreement are fair, reasonable, and adequate.
- 18 4. The Court further finds that the Settlement was the result of arm’s length
19 negotiations conducted after Class Counsel had adequately investigated the claims and became
20 familiar with the strengths and weaknesses of those claims. In particular, the amount of the
21 Settlement, and the assistance of an experienced mediator in the settlement process, among other
22 factors, support the Court’s conclusion that the Settlement is fair, reasonable, and adequate.

23 **Preliminary Approval of the Settlement**

- 24 5. On _____, the Court granted preliminary approval of the Settlement. At
25 this same time, the Court approved conditional certification of the Class for settlement purposes
26 only.

27 **Notice to the Class**

1 6. In compliance with the Preliminary Approval Order, the Court-approved Class
2 Notice was mailed by first class mail to members of the Class at their last-known addresses on or
3 about _____. This mailing of the Class Notice to their last-known addresses was the
4 best notice practicable under the circumstances and was reasonably calculated to communicate
5 actual notice of the litigation and the proposed settlement to the Class. The Class Notice given to
6 the Class Members fully and accurately informed the Class Members of all material elements of
7 the proposed Settlement and of their opportunity to object to or comment thereon or to seek
8 exclusion from the Settlement; was valid, due, and sufficient notice to all Class Members; and
9 complied fully with the laws of the State of California, the United States Constitution, due process
10 and other applicable law. The Class Notice fairly and adequately described the Settlement and
11 provided Class Members adequate instructions and a variety of means to obtain additional
12 information.

13 7. The Response Deadline for opting out or submitting written objections to the
14 Settlement was _____, which for re-mailings was extended by fourteen (14) days. There
15 was an adequate interval between notice and the deadline to permit Class Members to choose what
16 to do and to act on their decision. A full and fair opportunity has been afforded to the Class
17 Members to participate in this hearing, and all Class Members and other persons wishing to be
18 heard have had a full and fair opportunity to be heard. Class Members also have had a full and
19 fair opportunity to exclude themselves from the proposed Settlement and Class. Accordingly, the
20 Court determines that all Class Members who did not timely and properly submit a request for
21 exclusion are bound by the Settlement and this Final Approval Order and Judgment.

22 **Fairness of the Settlement**

23 8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.*
24 48 Cal.App.4th 1794, 1801 (1996).

25 a. The settlement was reached through arm's-length bargaining between the
26 Parties during an all-day mediation before Monique Ngo-Bonnici, Esq., an experienced mediator
27 of wage and hour class actions. There has been no collusion between the Parties in reaching the
28

1 Settlement.

2 b. Plaintiff and Class Counsel's investigation and discovery have been
3 sufficient to allow the Court and counsel to act intelligently.

4 c. Counsel for all Parties are experienced in similar employment class action
5 and PAGA litigation. Class Counsel recommended approval of the Agreement.

6 d. The percentage of objectors and requests for exclusion is small. ____
7 objections were received. _____ requests for exclusion were received.

8 e. The participation rate was high. _____ Class Members will be mailed a
9 settlement payment, representing ____% of the overall Class.

10 9. The consideration to be given to the Class Members under the terms of the
11 Agreement is fair, reasonable and adequate considering the strengths and weaknesses of the claims
12 asserted in this action and is fair, reasonable and adequate compensation for the release of Class
13 Members' claims, given the uncertainties and significant risks of the litigation and the delays
14 which would ensue from continued prosecution of the action.

15 10. The Agreement is approved as fair, adequate and reasonable and in the best
16 interests of the Class Members.

17 **Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment**

18 11. An award of \$316,666 for attorneys' fees, representing one-third of the Gross
19 Settlement Amount, and \$_____ for litigation costs and expenses, is reasonable, in light of
20 the contingent nature of Class Counsel's fee, the hours worked by Class Counsel, and the results
21 achieved by Class Counsel. The requested awards have been supported by Class Counsel's
22 lodestar and billing statement.

23 **Class Representative Service Payment**

24 12. The Agreement provides for a Class Representative Service Payment of not more
25 than \$10,000 to the Plaintiff, subject to the Court's approval. The Court finds that the Class
26 Representative Service Payment in the amount of \$_____ to the Plaintiff is reasonable in
27
28

1 light of the risks and burdens undertaken by the Plaintiff in this litigation and for his time and
2 effort in bringing and prosecuting this matter on behalf of the Class.

3 **Administration Expenses Payment**

4 13. The Administrator shall calculate and administer the payment to be made to the
5 Class Members, transmit payment for attorneys' fees and costs to Class Counsel, transmit the
6 Class Representative Service Payment to the Plaintiff, issue all required tax reporting forms,
7 calculate withholdings and perform the other remaining duties set forth in the Agreement. The
8 Administrator has documented \$ _____ in fees and expenses, and this amount is reasonable in
9 light of the work performed by the Administrator.

10 **PAGA Penalties**

11 14. The Agreement provides for PAGA Penalties out of the Gross Settlement Amount
12 of \$20,000, which shall be allocated \$13,000 to the Labor & Workforce Development Agency
13 ("LWDA") as the LWDA's 65% share of the settlement of civil penalties paid under this
14 Agreement pursuant to the PAGA and \$7,000 to be distributed to the Aggrieved Employees and
15 allocated by (a) dividing the amount of the Aggrieved Employees' 35% share of PAGA Penalties
16 (\$7,000) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during
17 the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay
18 Periods. "Aggrieved Employees" are all individuals who are or previously were employed by
19 Defendants in California and classified as non-exempt employees at any time during the PAGA
20 Period (June 23, 2023 through September 25, 2025). Pursuant to Labor Code section 2699, the
21 LWDA was provided notice of the Agreement and these settlement terms and has not indicated
22 any objection thereto. The Court finds the PAGA Penalties to be reasonable.

23 **II.**

24 **ORDERS**

25 Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:

26 15. The Class is certified for the purposes of settlement only. The Class is defined as

25 any wrongdoing by Defendants or that this Action is appropriate for class or representative
26 treatment (other than for settlement purposes). Neither this Final Approval Order and Judgment,
27 the Agreement, nor any document referred to herein, nor any action taken to carry out the
28

1 Agreement is, may be construed as, or may be used as an admission by or against Defendants of
2 any fault, wrongdoing or liability whatsoever. The entering into or carrying out of the Agreement,
3 and any negotiations or proceedings related thereto, shall not in any event be construed as, or
4 deemed to be evidence of, an admission or concession with regard to the denials or defenses by
5 Defendants. Notwithstanding these restrictions, Defendants may file in the Action or in any other
6 proceeding this Final Approval Order and Judgment, the Agreement, or any other papers and
7 records on file in the Action as evidence of the Settlement to support a defense of *res judicata*,
8 collateral estoppel, release, or other theory of claim or issue preclusion or similar defense as to the
9 Released Class Claims and/or Released PAGA Claims.

10 24. Notice of entry of this Final Approval Order and Judgment shall be given to all
11 Parties by Class Counsel on behalf of Plaintiff and all Class Members. The Final Approval Order
12 and Judgment shall be posted on the website as set forth in the Class Notice to the Class. It shall
13 not be necessary to send notice of entry of this Final Approval Order and Judgment to individual
14 Class Members.

15 25. If the Agreement does not become final and effective in accordance with the terms
16 of the Agreement, then this Final Approval Order and Judgment, and all orders entered in
17 connection herewith, shall be rendered null and void and shall be vacated, and the Parties shall
18 revert to their respective positions as of before entering into the Agreement, and expressly reserve
19 their respective rights regarding the prosecution and defense of this Action, including all available
20 defenses and affirmative defenses, and arguments that any claim in the Action could not be
21 certified as a class action and/or managed as a representative action.

22 **IT IS HEREBY ORDERED, ADJUDICATED AND DECREED THAT:**

23 26. Except as set forth in the Agreement and this Final Approval Order and Judgment,
24 Plaintiffs, and all members of the Class, shall take nothing in the Action.

Re: Notice Of Violations Of California Labor Code Sections §§ 201, 202, 203, 204 *et seq.*, 210, 218, 221, 226(a), 226.7, 227.3, 246 *et seq.*, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to Provide Seating), and Violation of Applicable Industrial Welfare Commission Wage Order(s), brought Pursuant To California Labor Code Section 2699.5.

Dear Sir/Madam:

“Aggrieved Employees” refers to all individuals who are or previously were employed by Verizon Corporate Resources Group LLC and/or Verizon Corporate Services Group Inc. in California, including any employees staffed with Verizon Corporate Resources Group LLC and/or Verizon Corporate Services Group Inc. by a third party, and classified as non-exempt employees during the time period of June 21, 2023 until a date as determined by the Court. Our offices represent Plaintiff James Hernandez (“Plaintiff”) and other Aggrieved Employees in a lawsuit against Verizon Corporate Resources Group LLC and/or Verizon Corporate Services Group Inc. (“Defendant”). Plaintiff was employed by Defendant in California from March of 2022 to May of 2024. Plaintiff was at all times classified by Defendant as a non-exempt employee, paid on an hourly basis, and entitled to the legally required meal and rest periods and payment of minimum and overtime wages due for all time worked. Defendant, however, unlawfully failed to record and pay Plaintiff and other Aggrieved Employees for, including but not limited to, all of their time worked, including minimum and overtime wages and sick pay wages at the correct rate, for all of their missed meal and rest breaks at the correct regular rates, and for all of their time spent working off the clock. Moreover, when Defendant required Plaintiff and Aggrieved Employees to report for work, but “furnished less than half said employee’s usual or scheduled day’s work,” Defendant violated Cal. Code Regs., tit. 8 § 11040, subd. 5(A) by failing to pay Plaintiff and Aggrieved Employees for at least two (2) hours’ worth of work at their regular rate of pay. In addition, when Defendant required Plaintiff and Aggrieved Employees to respond to and engage in additional work, this resulted in a second

reporting for work in a single workday, and Defendant failed to pay these employees reporting time pay as required by Cal. Code Regs., tit. 8, § 11040, subd. 5(B). Further, Defendant failed to advise Plaintiff and the other Aggrieved Employees of their right to take separately and hourly paid duty-free ten (10) minute rest periods. *See Vaquero v. Stoneledge Furniture, LLC*, 9 Cal. App. 5th 98, 110 (2017). Additionally, pursuant to Labor Code § 204 *et seq.*, Defendant failed to timely provide Plaintiff and other Aggrieved Employees with their wages. Plaintiff further contends that Defendant failed to provide accurate wage statements to Plaintiff, and other Aggrieved Employees, in violation of California Labor Code section 226(a). Specifically, PLAINTIFF and the AGGRIEVED EMPLOYEES were paid on an hourly basis. As such, the wage statements should reflect all applicable hourly rates during the pay period and the total hours worked, and the applicable pay period in which the wages were earned pursuant to California Labor Code Section 226(a). The wage statements Defendant provided to PLAINTIFF and the AGGRIEVED EMPLOYEES failed to identify such information. More specifically, the wage statements failed to identify the accurate total hours worked each pay period in violation of Cal. Lab. Code Section 226(a)(2). Additionally, Plaintiff contends that Defendant failed to comply with Industrial Wage Order 7(A)(3) in that Defendant failed to keep time records showing when Plaintiff began and ended each shift and meal period. Plaintiff and other Aggrieved Employees perform tasks that reasonably permit sitting, and a seat would not interfere with their performance of any of their tasks that may require them to stand. Defendant failed to provide Plaintiff and other Aggrieved Employees with suitable seats. Said conduct, in addition to the foregoing, as well as the conduct alleged in the incorporated Complaint, violates Labor Code §§ 201, 202, 203, 204 *et seq.*, 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to Provide Seating), Violation of the applicable Industrial Welfare Commission Wage Order(s), and is therefore actionable under California Labor Code section 2699.3.

A true and correct copy of the Complaint by Plaintiff against Defendant, which (i) identifies the alleged violations, (ii) details the facts and theories which support the alleged violations, (iii) details the specific work performed by Plaintiff, (iii) sets forth the people/entities, dates, classifications, violations, events, and actions which are at issue to the extent known to Plaintiff, and (iv) sets forth the illegal practices used by Defendant, is attached hereto. This information provides notice to the Labor and Workforce Development Agency of the facts and theories supporting the alleged violations for the agency's reference. Plaintiff therefore incorporates the allegations of the attached Complaint into this letter as if fully set forth herein. If the agency needs any further information, please do not hesitate to ask.

This notice is provided to enable Plaintiff to proceed with the Complaint against Defendant as authorized by California Labor Code section 2699, *et seq.* The lawsuit consists of other Aggrieved Employees. As counsel, our intention is to vigorously prosecute the claims as alleged in the Complaint, and to procure civil penalties as provided by the Private Attorney General Statue of 2004 on behalf of Plaintiff and all Aggrieved Employees.

Your earliest response to this notice is appreciated. If you have any questions of concerns, please do not hesitate to contact me at the above number and address.

Plaintiff sent a PAGA Notice on June 21, 2024 to Defendant and the LWDA. The purpose of this amended notice is to clarify certain factual and legal claims alleged by Plaintiff.

Plaintiff was employed by Defendant in California from March of 2022 to May of 2024. Plaintiff was at all times classified by Defendant as a non-exempt employee, paid on an hourly basis, and entitled to the legally required meal and rest periods and payment of minimum and overtime wages due for all time worked. Defendant, however, unlawfully failed to record and pay Plaintiff and other Aggrieved Employees for, including but not limited to, all of their time worked, including minimum and overtime wages and sick pay wages at the correct rate, for all of their missed meal and rest breaks at the correct regular rates, and for all of their time spent working off the clock.

For example, Defendant's timekeeping procedures resulted in an underpayment of wages to the Aggrieved Employees as Plaintiff and the Aggrieved Employees did not clock in and out of work via a time punch system. Instead, an auto-populated schedule was and is issued which requires adjustments based on hours of work submitted each week. However, this timekeeping procedure resulted in a systematic underpayment to the Aggrieved Employees as the schedules were rarely adjusted to reflect the actual hours worked by the Aggrieved Employees. This underpayment is evidenced by Defendant's own records of time adjustments, Slack channel correspondences, and call records demonstrating the actual hours worked by the Aggrieved Employees. These same records (Slack channel correspondences and call records) demonstrate not only that the Aggrieved Employees were working off the clock due to Defendant's faulty timekeeping procedures but that the Aggrieved Employees were working during their alleged meal breaks. Plaintiff was regularly interrupted by calls and emails which amounted to him working overtime without receiving compensation for the overtime or additional time worked.

Moreover, when Defendant required Plaintiff and Aggrieved Employees to report for work, but "furnished less than half said employee's usual or scheduled day's work," Defendant violated Cal. Code Regs., tit. 8 § 11040, subd. 5(A) by failing to pay Plaintiff and Aggrieved Employees for at least two (2) hours' worth of work at their regular rate of pay. In addition, when Defendant required Plaintiff and Aggrieved Employees to respond to and engage in additional work, this resulted in a second reporting for work in a single workday, and Defendant failed to pay these employees reporting time pay as required by Cal. Code Regs., tit. 8, § 11040, subd. 5(B). Further, Defendant failed to advise Plaintiff and the other Aggrieved Employees of their right to take separately and hourly paid duty-free ten (10) minute rest periods. *See Vaquero v. Stoneledge Furniture, LLC*, 9 Cal. App. 5th 98, 110 (2017). Plaintiff rarely received an uninterrupted meal period or rest period as a result of Defendant's rigorous quota requirements and job demands. Plaintiff was always expected to be available by telephone in order to assist clients with accounts or to secure new accounts on behalf of Defendant. As a result of these rigorous work demands, Plaintiff and the Aggrieved Employees were rarely provided with opportunities to take legally-required meal periods and rest periods. Additionally, Defendant's own records of hours worked for the Aggrieved Employees evidence defaulted, uniform meal periods which conflict with the

Slack and telephone records demonstrating that the Aggrieved Employees were working during the times their records show they received meal periods.

Additionally, pursuant to Labor Code § 204 *et seq.*, Defendant failed to timely provide Plaintiff and other Aggrieved Employees with their wages. Plaintiff further contends that Defendant failed to provide accurate wage statements to Plaintiff, and other Aggrieved Employees, in violation of California Labor Code section 226(a). Specifically, PLAINTIFF and the AGGRIEVED EMPLOYEES were paid on an hourly basis. As such, the wage statements should reflect all applicable hourly rates during the pay period and the total hours worked, and the applicable pay period in which the wages were earned pursuant to California Labor Code Section 226(a). The wage statements Defendant provided to PLAINTIFF and the AGGRIEVED EMPLOYEES failed to identify such information. More specifically, the wage statements failed to identify the accurate total hours worked each pay period in violation of Cal. Lab. Code Section 226(a)(2). Additionally, Plaintiff contends that Defendant failed to comply with Industrial Wage Order 7(A)(3) in that Defendant failed to keep time records showing when Plaintiff began and ended each shift and meal period. Plaintiff and other Aggrieved Employees perform tasks that reasonably permit sitting, and a seat would not interfere with their performance of any of their tasks that may require them to stand. Defendant failed to provide Plaintiff and other Aggrieved Employees with suitable seats.

Defendant miscalculated the regular rate with respect to compensation associated with overtime, sick pay, and meal period premiums. The rates associated with the payment of overtime, sick pay, and meal period premiums failed to include several non-discretionary remunerations in their calculations including, but not limited to, Back Up Care Pay (15), Bilingual Pay (255), Empl Inc Award Total (1), Lump Sum Wages (1), STIP Award Cash (5), Stipend Pay (1,809), Sunday Worked Premium - 35% (2), Sunday Worked Premium 15% (47), Incentive Pay (86), Stock Together Award (145), Recognition Cash Award (47), Taxable Award (166), Comm Bonus (46), Comm Brdg (57), and Commissions (376). In addition to miscalculating the rate of pay for overtime and meal period premiums, Defendant also failed to pay sick pay wages at the regular rate. Instead of paying sick pay wages at the regular rate, Defendant paid sick pay wages at the hourly rate and failed to include non-discretionary compensation (e.g., the non-discretionary forms of compensation listed above) in the calculation of the regular rate of pay. Defendant's failure to provide sick pay compensation at the regular rate of pay resulted in a violation of the California Labor Code.

Defendant also failed to allow the Aggrieved Employees to use their earned vacation and/or Paid Time Off ("PTO") during their employment. Additionally, Defendant failed to pay all vested and accrued vacation and/or PTO at the regular rate. REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);

Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);

Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under *Aerojet-General*. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was

no additional standing rules for PAGA claim brought by independent contractor); In re Tobacco Cases II, 41 Cal. 4th 1257 (2007); Washington Mutual Bank v.
