**DECLARATION OF KYLE NORDREHAUG
IN SUPPORT OF MOTION FOR
PRELIMINARY APPROVAL OF CLASS
SETTLEMENT**

Hearing Date: _____
Hearing Time: 9:00 a.m.
[Proposed hearing dates are: 7/2/26, 7/6/26,
7/7/26, 7/9/26, 7/13/26, and 7/15/26]

Judge: Hon. Blanca A. Banuelos
Dept.: 10B

Date Action Filed: June 11, 2024
Trial Date: Not set

1 I, Kyle Nordrehaug, declare as follows:

2 1. I am a partner of the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP,
3 counsel for Plaintiff Sydney Kemp (“Plaintiff”) in this matter. As such, I am fully familiar with the
4 facts, pleadings and history of this matter. The following facts are within my own personal
5 knowledge, and if called as a witness, I could testify competently to the matters stated herein.

6 2. This declaration is being submitted in support of Plaintiff’s unopposed motion for
7 preliminary approval of the proposed class action settlement with Defendant Medtrans, LLC
8 (“Defendant”), which motion seeks entry of an order: (1) preliminarily approving the proposed
9 settlement of this class and PAGA action with Defendant; (2) for settlement purposes only,
10 conditionally certifying the Class, which is comprised of “all individuals who are or previously were
11 employed by Defendant in California and classified as non-exempt employees at any time during the
12 Class Period”, which is June 11, 2020 to August 2, 2025; (3) provisionally appointing Plaintiff as
13 the representatives of the Class; (4) provisionally appointing Blumenthal Nordrehaug Bhowmik De
14 Blouw LLP as Class Counsel; (5) approving the form and method for providing class-wide notice;
15 (6) directing that notice of the proposed settlement be given to the Class; (7) appointing Apex Class
16 Action LLC as Administrator, and (8) scheduling a final approval hearing date, proposed for
17 December 1, 2026, to consider Plaintiff’s motion for final approval of the settlement and for
18 approval of attorneys’ fees, expenses and the representative service award. Attached hereto as
19 Exhibit #1 is a copy of the fully executed Class Action and PAGA Settlement Agreement
20 (“Agreement”) along with exhibits thereto. The form of the Agreement is based upon the Los
21 Angeles County Superior Court model form for a class and PAGA settlement. This Declaration
22 incorporates by reference the definitions in the Agreement, and all terms defined therein shall have
23 the same meaning as set forth in the Agreement.

24
25 Fairness of Settlement

26 3. As consideration for this Settlement, the non-reversionary Gross Settlement Amount
27 of Five Hundred Ninety-Two Thousand Eight Hundred Fifty-Six Dollars (\$592,856) (the “Gross
28 Settlement Amount”) is to be paid by Defendant, as set forth in the Agreement. The Gross

1 Settlement Amount will settle all issues pending in the Action between the Parties and will be made
2 in full and final settlement of the Released Class Claims and Released PAGA Claims in exchange
3 for the payments to Participating Class Members and payment of the PAGA Penalties (75% to the
4 LWDA and 25% to the Aggrieved Employees) from the Gross Settlement Amount, respectively.
5 The Gross Settlement Amount shall also be used to pay: (a) the costs of administration of the
6 settlement, (b) Class Counsel's attorneys' fees and costs requests, and (c) the Class Representative
7 Service Payment. (Agreement at ¶ 1.23.) The following is a table of the key Settlement terms and
8 the proposed deductions:

9 **\$592,856** (Gross Settlement Amount)

10 - \$15,000 (Plaintiff's proposed service award - not to exceed amount)

11 - \$30,000 (Class Counsel Litigation Expenses Payment - not to exceed amount)

12 - \$197,618 (Class Counsel Fees Payment - not to exceed 1/3 of settlement)

13 - \$25,000 (PAGA Payment - 75% to LWDA / 25% to Aggrieved Employees)

14 - \$12,000 (Administration Expenses Payment - not to exceed amount)

15 **\$313,238** (Net Settlement Amount)

16 4. The relief provided in the Settlement will benefit all members of the Class. The
17 Settlement does not grant preferential treatment to Plaintiff or segments of the Class in any way.
18 Payments to the Class Members are all determined under a neutral methodology. Each Participating
19 Class Member will receive the same opportunity to participate in and receive payment through a
20 neutral formula that is based upon the Workweeks for that individual.

21 5. On May 1, 2025, the Parties participated in an all-day mediation with Steve Mehta, a
22 respected and experienced mediator of wage and hour class and representative actions. In
23 preparation for the mediation, Defendant provided Class Counsel with payroll, time and
24 employment data, along with other information regarding the Class Members, various internal
25 documents, and other compensation and employment-related materials. Class Counsel analyzed the
26 data with the assistance of damages expert Berger Consulting and prepared and submitted a
27 mediation brief to the mediator. The final settlement terms were negotiated and set forth in the
28

1 Agreement now presented for this Court's approval. Importantly, Plaintiff and Class Counsel
2 believe that this Settlement is fair, reasonable and adequate.

3 6. Based upon 440 Class Members who worked an estimated 53,896 work weeks
4 (Agreement at ¶ 4.1), the Gross Settlement Amount provides an average value of \$1,347 per Class
5 Member and \$11 per workweek and after deductions the Net Settlement Amount provides an
6 average recovery of \$711.90 per Class Member and a recovery \$5.81 per workweek. The
7 calculations to compensate for the amount due for the Class at the time of the mediation were
8 calculated by Berger Consulting, Plaintiff's damage expert. As to the Class whose claims are at
9 issue in this Action, Plaintiffs used this expert to analyze the data and determine the potential unpaid
10 wages for the employees. The maximum potential damages were calculated by Plaintiff to be
11 \$2,624,502 for the alleged unpaid wages for off-the-clock work at 1 hour per week, \$20,627 for the
12 alleged underpaid overtime due to the miscalculation of the regular rate, \$3,041 for the alleged
13 unpaid meal break premiums and sick pay due to the miscalculation of the regular rate, \$559,082 for
14 alleged missed meal period damages based upon a 7.8% violation rate for each shift worked during
15 the Class Period and after deduction of meal premiums already paid by Defendant, \$565,795 for
16 alleged rest period damages based upon a 7.8% violation rate for each shift worked during the Class
17 Period, \$65,995 for alleged unreimbursed cell-phone expenses at \$5 per month. As a result,
18 Plaintiff's total damage valuation was calculated such that Defendant was subject to a potential
19 maximum damage claim in the amount of \$3,839,042. As to potential penalties, Plaintiffs
20 calculated that potential waiting time penalties were a maximum of \$1,429,352, and potential
21 maximum wage statement penalties were \$1,160,050.¹ Defendant vigorously disputed Plaintiff's
22 calculations and exposure theories. Consequently, the Gross Settlement Amount of \$592,856

23
24
25 ¹ While Plaintiffs alleged claims for statutory penalties pursuant to Labor Code Sections 203 and
26 226, at mediation Plaintiffs recognized that these claims were subject to additional, separate
27 defenses asserted by Defendant, including, a good faith dispute defense as to whether any premium
28 wages for meal or rest periods or other wages were owed given Defendant's position that Plaintiff
and Class Members were properly compensated. *See Nordstrom Commission Cases*, 186 Cal. App.
4th 576, 584 (2010) ("There is no willful failure to pay wages if the employer and employee have a
good faith dispute as to whether and when the wages were due.").

1 represents more than 15% of the maximum value of the alleged damages as determined by Plaintiff
2 that are at issue in this case at the time this Settlement was negotiated.² Importantly, the recent
3 decision that good faith belief of compliance by the employer in *Naranjo v. Spectrum Sec. Servs.,*
4 *Inc.*, 15 Cal. 5th 1056, 1065 (2024), could completely negate the claims for waiting time and wage
5 statement penalties, even if wages were owed to the Class. The above maximum calculations
6 should then be realistically risk-adjusted in consideration for both the risk of class certification and
7 class-wide liability on all claims. Given the amount of the settlement as compared to the potential
8 value of claims in this case and the defenses asserted by Defendant, this settlement is fair and
9 reasonable.

10
11 Procedural History of the Litigation

12 7. On April 8, 2024, Plaintiff filed with the LWDA and served on Defendant a notice
13 under Labor Code section 2699.3 identifying the alleged Labor Code violations to recover civil
14 penalties on behalf of Aggrieved Employees for alleged violations of Labor Code §§ 201, 202, 203,
15 204 et seq., 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1,
16 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B),
17 California Code of Regulations, Title 8, Section 11070(14) (Failure to Provide Seating), and
18 Violation of the applicable Industrial Welfare Commission Wage Order(s). This notice is referred to
19 as the “PAGA Notice”, and is attached hereto as Exhibit #3 for the Court’s reference.

20 8. On June 11, 2024, Plaintiff commenced this Action by filing a Complaint against
21 Defendant in the Superior Court of the State of California, County of San Joaquin (“Class Action”).
22 This Class Action Complaint asserted class claims against Defendant for: (1) unfair competition in
23 violation of Cal. Bus & Prof. Code §§ 17200, et seq.; (2) failure to to pay minimum wages in
24 violation of California Labor Code §§ 1194, 1197, and 1197.1; (3) failure to pay overtime wages in
25 violation of California Labor Code §§ 510, 1194 & 1198; (4) failure to provide required meal
26

27 ² Because the PAGA claim is not a class claim and primarily is paid to the State of California,
28 Plaintiffs has not included the PAGA claim in her discussion of the value of the class claims. The
PAGA claim is addressed below at ¶33.

1 periods in violation of Cal. Labor Code §§ 226.7 and 512; (5) failure to provide required rest
2 periods in violation of Cal. Labor Code §§ 226.7 and 512; (6) failure to provide accurate itemized
3 wage statements in violation of California Labor Code § 226; (7) failure to reimburse employees for
4 required expenses in violation of California Labor Code § 2802; and, (8) failure to pay sick pay
5 wages in violation of California Labor Code §§ 201-204, 233, and 246. On September 6, 2024,
6 Plaintiff filed a Representative Action Complaint alleging a single cause of action against Defendant
7 for recovery of civil penalties for violation of Private Attorney General Act, Cal. Labor Code §§
8 2698, et seq. (“PAGA”) in the Superior Court of the State of California, County of San Joaquin
9 (“PAGA Action”).

10 9. On August 15, 2025, Plaintiff filed a First Amended Complaint in the Class Action,
11 adding the claim from the PAGA Action for civil penalties under PAGA. The First Amended
12 Complaint in the PAGA Action is the operative complaint (the “Operative Complaint”).

13 10. Over the course of litigation, the Parties engaged in the investigation of the claims,
14 including informal discovery and the production of documents, class data, and other information,
15 allowing for the full and complete analysis of liabilities and defenses to the claims in the Action.
16 The information for mediation obtained by Plaintiff included: (1) data concerning the class; (2)
17 payroll data and time punch data for the Class covering 84 employees, 38,594 shifts and 8,028
18 workweeks; (3) Defendant’s wage and hour policies; (4) the employment files for the Plaintiff; and,
19 (5) samples of wage statements provided by Defendant. As such, Class Counsel received the data
20 and information for the Class, which was sufficient for Plaintiff’s expert to prepare the valuations of
21 the claims for the Class.

22 11. Class Counsel has extensive experience in litigating wage and hour class and
23 representative actions in California. The Parties have vigorously litigated the Action since
24 inception. During the course of litigation, the Parties each performed analysis of the merits and
25 value of the claims. Plaintiff and Defendant have engaged in significant research and investigation
26 in connection with the Action. Class Counsel has thoroughly analyzed the value of the claims
27 during the prosecution of this Actions and utilized an expert to perform an analysis of the data and
28 valuation of the claims.

1 12. Plaintiff and Defendant agreed to discuss resolution of the Action through a
2 mediation. Prior to mediation, the Parties engaged in the above investigation and the exchange of
3 documents and information in connection with the Action. On May 1, 2025, the Parties participated
4 in an all-day mediation presided over by Steve Mehta, a respected and experienced mediator of
5 wage and hour class actions. Following the mediation, the Parties agreed to settle the Action based
6 upon a mediator's proposal which was memorialized in the form of a Memorandum of
7 Understanding. The Parties then negotiated the final terms of the settlement as set forth in the
8 Agreement. At all times, the negotiations were arm's length and contentious.

9 13. Although a settlement has been reached, Defendant denies any liability or
10 wrongdoing of any kind associated with the claims alleged in the Action and further denies that, for
11 any purpose other than settlement, the Action is appropriate for class and/or representative
12 treatment. Defendant contends, among other things, that it has complied at all times with the
13 California Labor Code, applicable Wage Order, and all other laws and regulations. Further,
14 Defendant contends that class certification is inappropriate for any reason other than for settlement.
15 Plaintiff contends that Defendant violated California wage and hour laws. Plaintiff further contends
16 that the Action are appropriate for class certification on the basis that the claims meet the requisites
17 for class certification. Without admitting that class certification is proper, Defendant has stipulated
18 that the above Class may be certified for settlement purposes only. (Agreement at ¶ 2.8.) The
19 Parties agree that certification for settlement purposes is not an admission that class certification is
20 proper. Further, the Agreement is not admissible in this or any other proceeding as evidence that the
21 Class could be certified absent a settlement. Solely for purposes of settling the Actions, the Parties
22 stipulate and agree that the requisites for establishing class certification with respect to the Class are
23 satisfied.

24 14. Class Counsel has conducted an investigation into the facts of the class action.
25 Informal discovery was obtained, which included the production of relevant documents and data.
26 Class Counsel engaged in a thorough review and analysis of the relevant documents and data with
27 the assistance of an expert. Accordingly, the agreement to settle did not occur until Class Counsel
28 possessed sufficient information to make an informed judgment regarding the likelihood of success

1 on the merits and the results that could be obtained through further litigation. In addition, Class
2 Counsel previously negotiated settlements with other employers in actions involving nearly identical
3 issues and analogous defenses. Based on the foregoing data and their own independent
4 investigation, evaluation and experience, Class Counsel believes that the settlement with Defendant
5 on the terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of
6 the Class in light of all known facts and circumstances, including the risk of significant delay,
7 defenses asserted by Defendant, and potential appellate issues.

8
9 Settlement Terms and Plan of Allocation

10 15. The Gross Settlement Amount is Five Hundred Ninety-Two Thousand Eight
11 Hundred Fifty-Six Dollars (\$592,856). (Agreement at ¶ 1.23.) Under the Settlement, the Gross
12 Settlement Amount consists of the following elements: (1) payment of the Individual Class
13 Payments to the Participating Class Members; (2) Class Counsel Fees Payment and Class Counsel
14 Litigation Expenses Payment; (3) Administration Expenses Payment; (4) the Class Representative
15 Service Payment to the Plaintiff; and (5) the PAGA Penalties payment, which is to be allocated 25%
16 to the Aggrieved Employees and 75% to the LWDA. (Agreement at ¶ 1.23.) The Gross Settlement
17 Amount does not include Defendant's share of employer-side payroll taxes which will be paid
18 separately and not out of the Gross Settlement Amount. (Agreement at ¶ 3.1.) The Gross
19 Settlement Amount shall not revert to Defendant. (Agreement at ¶ 3.1.)

20 16. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay
21 payroll taxes no later than fourteen (14) days after the Effective Date. (Agreement at ¶ 4.3.) The
22 distribution of Individual Class Payments to Participating Class Members along with the other
23 Court-approved distributions shall be made within 14 days after the Defendant funds the settlement.
24 (Agreement at ¶ 5.1.)

25 17. The amount remaining in the Gross Settlement Amount after the deduction of
26 Court-approved amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class
27 Representative Service Payment, the Class Counsel Fees Payment, the Class Counsel Litigation
28 Expenses Payment, and the Administration Expenses Payment (called the "Net Settlement

Amount”) shall be allocated to Class Members as their Individual Class Payments. (Agreement at ¶¶ 1.29 and 3.2.) From the Net Settlement Amount, the Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. (Agreement at ¶ 3.2(e).) Workweeks will initially be based on Defendant’s records, however, Class Members will have the right to challenge the number of Workweeks.

18. Class Members may choose to opt-out of the Settlement by following the directions in the Class Notice. (Agreement at ¶ 8.5, Ex. A.) The Class Notice provides that Class Members shall have sixty (60) days from the date that the Class Notice is mailed to them (the “Response Deadline”) to request exclusion (opt-out) or to submit a written objection. (Agreement at ¶¶ 1.43, 8.5, 8.7.) All Class Members who do not “opt out” will be deemed Participating Class Members who will be bound by the Settlement and will be entitled to receive an Individual Class Payment. (Agreement at ¶ 8.5(c).) All Aggrieved Employees will be paid their allocation of the PAGA Penalties and will be subject to the release of the Released PAGA Claims regardless of any request for exclusion from the Class. (Agreement at ¶¶ 6.3 and 8.5(d).) Finally, the Class Notice will advise the Class Members of their right to object to the Settlement and/or dispute their Workweeks. (Agreement at ¶¶ 8.6 and 8.7, Ex. A.)

19. A Participating Class Member must cash his or her Individual Class Payment check within 180 days after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within 180 days will be voided and any funds represented by such checks sent to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"), which is proposed to be Children’s Advocacy Institute. The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient. (Agreement at ¶ 5.4.)

20. Subject to Court approval, the Parties have agreed on Apex Class Action LLC to

1 administer the settlement in this action (“Administrator”). (Agreement at ¶ 1.2.) The Administrator
2 will be paid for settlement administration in an amount not to exceed \$12,000. (Agreement at ¶
3 3.2(c).) Apex Class Action provided a capped estimate of \$12,000 for administration expenses.

4 21. Subject to Court approval, the Agreement provides for Class Counsel to be awarded
5 a sum not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment.
6 (Agreement at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of
7 Class Counsel Litigation Expenses Payment in an amount not to exceed \$30,000. (Agreement at ¶
8 3.2(b).) Subject to Court approval, the Agreement provides for a payment of no more than \$15,000
9 to the Plaintiff as his Class Representative Service Payment. (Agreement at ¶ 3.2(a).)

10 22. Subject to Court approval, the PAGA Penalties will be paid from the Gross
11 Settlement Amount for PAGA penalties under the California Private Attorneys General Act, Cal.
12 Labor Code Section 2698, *et seq.* (“PAGA”). The PAGA Penalties are \$25,000, to be allocated
13 75% (\$18,750) to the LWDA PAGA Payment and 25% (\$6,250) to the Individual PAGA
14 Payments.³ (Agreement at ¶ 3.2(d).) The Individual PAGA Payments will be calculated by (a)
15 dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$6,250) by the
16 total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period
17 and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. (Agreement at ¶
18 3.2(d).) As set forth in the accompanying proof of service, the LWDA has been served with this
19 motion and the Agreement.

20 21 Risks of Continued Litigation and Standards for Approval

22 23. Plaintiff and Class Counsel recognize the expense and length of continuing to
23 litigate and trying the Action against Defendant through possible appeals which could take several
24 years. Class Counsel has also taken into account the uncertain outcome and risk of litigation,
25 especially in complex actions such as the Action. Class Counsel is also mindful of and recognize
26

27 ³ The 75/25 allocation is required by Labor Code § 2699, because this action filed before June
28 2024 is not subject to the amended version of Labor Code § 2699.

1 the inherent problems of proof under, and alleged defenses to, the claims asserted in the Action.
2 Based upon their evaluation, Plaintiff and Class Counsel have determined that the Settlement set
3 forth in the Agreement is in the best interest of the Class Members.

4 24. A number of defenses asserted by Defendant present serious threats to the claims of
5 the Plaintiff and the other Class Members. Defendant asserted that its wage and hour policies and
6 procedures in effect during the Class Period were legally compliant. Defendant argued, as to all
7 alleged off-the-clock work, that Class Members were paid for all time worked and that work time
8 was properly recorded. Defendant also maintained there was no miscalculation of the regular rate
9 resulting in the underpayment of wages, arguing that the bonuses reflected in a handful of Class
10 Members' wage statements were discretionary. Moreover, Defendant contends that its meal and rest
11 period policies fully complied with California law and that Defendant did not fail to provide the
12 opportunity for legally required meal and rest breaks. Defendant also argued that its payment of
13 meal period premiums is evidence of its lawful practices. Defendant also defended the missed meal
14 and rest break claims by asserting that its truck drivers were exempt from meal and rest
15 requirements under federal law. Further, Defendant contends that there was no failure to pay for
16 business expenses, arguing that any use of personal cell-phones was voluntary and not necessary to
17 perform work. Defendant also contends that the Federal Motor Carrier Safety Act applies to
18 preempt Plaintiff's California meal and rest break claims. Finally, Defendant argued that the
19 Supreme Court decision in *Brinker v. Superior Court*, 53 Cal. 4th 1004 (2012), weakened Plaintiff's
20 claims, on liability, value, and class certifiability as to the meal and rest period claims. Defendant
21 also argued that based on its facially lawful practices, Defendant acted in good faith and without
22 willfulness, which if accepted would negate the claims for waiting time penalties and/or inaccurate
23 wage statements. See e.g. *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024) ("if
24 an employer reasonably and in good faith believed it was providing a complete and accurate wage
25 statement in compliance with the requirements of section 226, then it has not knowingly and
26 intentionally failed to comply with the wage statement law.") If successful, Defendant's defenses
27 could eliminate or substantially reduce any recovery to the Class. While Plaintiff believes that these
28 defenses could be overcome, Defendant maintains these defenses have merit and therefore present a

1 serious risk to recovery by the Class.

2 25. There was also a significant risk that, if the Action was not settled, Plaintiff would be
3 unable to certify a class and maintain that certification through trial, and thereby not recover on
4 behalf of any employees other than themselves. At the time of the mediation, Defendant forcefully
5 opposed the propriety of class certification, arguing that individual issues precluded class
6 certification. Further, as demonstrated by the California Supreme Court decision in *Duran v. U.S.*
7 *Bank National Assn.*, 59 Cal. 4th 1 (2014), there are significant hurdles to overcome for a class-wide
8 recovery even where the class has been certified. While other cases have approved class
9 certification in wage and hour claims, class certification in this action was hotly disputed and the
10 maintenance of a certified class through trial was by no means a foregone conclusion.

11 26. This settlement is therefore certainly entitled to preliminary approval. Were this
12 case to go to trial, the Plaintiff and the other class members would need to prove, among other
13 things, that wages were owed on a class-wide basis. This was and is a substantial risk.

14 27. Plaintiff will apply to the Court for a Class Representative Service Payment in
15 consideration for his service and for the risks undertaken on behalf of the Class. (Agreement at ¶
16 3.2(a).) Plaintiff performed his duties admirably by working with Class Counsel over the course of
17 litigation, and was subject to the risks of litigation on behalf of the Class. The Declaration of the
18 Plaintiff is submitted herewith in support. At this stage, the requested service award is within the
19 accepted range of awards for purposes of preliminary approval. *See e.g. Andrews v. Plains All Am.*
20 *Pipeline L.P.*, 2022 U.S. Dist. LEXIS 172183, at *11 (C.D. Cal. 2022) (finding that the requested
21 service awards of \$15,000 each are appropriate); *Reynolds v. Direct Flow Med., Inc.*, 2019 U.S.
22 Dist. LEXIS 149865, at *19 (N.D. Cal. 2019) (granting request for \$12,500 service award); *Mathein*
23 *v. Pier 1 Imps. (U.S.), Inc.*, 2018 U.S. Dist. LEXIS 71386 (E.D. Cal. 2018) (awarding \$12,500
24 where average class member payment was \$351); *Louie v. Kaiser Foundation Health Plan, Inc.*,
25 2008 WL 4473183, *7 (S.D. Cal. Oct. 06, 2008) (awarding \$25,000 service award to each of six
26 plaintiffs in overtime class action); *Glass v. UBS Fin. Servs.*, 2007 WL 221862, *16-17 (N.D. Cal.
27 2007) (awarding \$25,000 service award in overtime class action and a pool of \$100,000 in
28 enhancements).

1 28. The stage of the proceedings at which this Settlement was reached also militates in
2 favor of preliminary approval and ultimately, final approval of the Settlement. Class Counsel has
3 conducted a thorough investigation into the facts of the class action. Class Counsel engaged in both
4 formal and informal discovery to obtain necessary information. Class Counsel conducted a review
5 and analysis of the relevant documents and data with the assistance of an expert. Class Counsel was
6 also experienced with these claims. Accordingly, the agreement to settle did not occur until Class
7 Counsel possessed sufficient information to make an informed judgment regarding the likelihood of
8 success on the merits and the results that could be obtained through further litigation.

9 29. Based on the foregoing data and their own independent investigation and evaluation,
10 Class Counsel is of the opinion that the Settlement with Defendant for the consideration and on the
11 terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of the
12 Class in light of all known facts and circumstances, including the risk of significant delay, defenses
13 asserted by Defendant, and numerous potential appellate issues. There can be no doubt that Counsel
14 for both Parties possessed sufficient information to make an informed judgment regarding the
15 likelihood of success on the merits and the results that could be obtained through further litigation.

16
17 Class Certification Issues

18 30. Plaintiff contends that the proposed settlement meet all of the requirements for class
19 certification under California Code of Civil Procedure § 382 as demonstrated below, and therefore,
20 the Court may appropriately approve the Class as defined in the Agreement. This Court should
21 conditionally certify the Class for settlement purposes only, defined as follows:

22 All individuals who are or previously were employed by Defendant in California and
23 classified as non-exempt employees at any time during the Class Period.

24 (Agreement at ¶ 1.5.)

25 The Class Period is from June 11, 2020 to August 2, 2025. (Agreement at ¶ 1.13).

26 a. **Numerosity** - Plaintiff asserts that the 440 current and former employees that
27 comprise the Class can be identified based on Defendant's records and are sufficiently numerous for
28 class certification.

1 b. **Common Issues Predominate** - Plaintiff contends that common questions of
2 law and fact are present, specifically the common questions of whether Defendant's practices were
3 lawful, whether Defendant failed to provide meal and rest periods to Class Members, whether Class
4 Members were lawfully compensated for all hours worked, whether Defendant miscalculated the
5 regular rate when paying overtime, meal premiums and/or sick pay, whether Defendant failed to
6 provide required expense reimbursement, and whether Class Members are entitled to damages and
7 penalties as a result of these practices. Plaintiff contends that certification of this Class is
8 appropriate because Defendant allegedly engaged in uniform practices with respect to the Class
9 Members. As a result, these common questions of liability could be answered on a class wide basis.
10 Defendant disputes that common questions predominate but will not oppose such a finding for
11 purposes of this Settlement only.

12 c. **Typicality** - In this Action, Plaintiff contends that the typicality requirement
13 is fully satisfied. Plaintiff, like every other member of the Class, was employed by Defendant as a
14 non-exempt employee, and, like every other member of the Class, was subject to the same
15 employment policies and practices. Plaintiff, like every other member of the Class, also claims
16 owed compensation as a result of the Defendant's allegedly uniform company policies and practices.
17 Thus, the claims of Plaintiff and the members of the Class arise from the same course of conduct by
18 Defendant, involve the same issues, and are based on the same legal theories. Defendant disputes
19 that the typicality requirement is satisfied but does not oppose a finding of typicality for purposes of
20 this Settlement only.

21 d. **Adequacy** - Plaintiff contends that the Class Members are adequately
22 represented here because Plaintiff and representing counsel (a) do not have any conflicts of interest
23 with other class members, and (b) will prosecute the case vigorously on behalf of the class. This
24 requirement is met here. First, Plaintiff is well aware of his duties as the representative of the Class
25 and has actively participated in the prosecution of this case to date. Plaintiff effectively
26 communicated with Class Counsel, provided documents and information to Class Counsel, and
27 participated in the investigation and resolution of the Action. The personal involvement of the
28 Plaintiff was essential to the prosecution of the Action and the monetary settlement reached.

1 Second, Plaintiff retained competent counsel who are experienced in employment class and
2 representative actions and who have no conflicts. Third, there is no antagonism between the
3 interests of the Plaintiff and those of the Class. Both the Plaintiff and the Class Members seek
4 monetary relief under the same set of facts and legal theories. Under such circumstances, there can
5 be no conflicts of interest, and adequacy of representation is satisfied.

6 31. Class Counsel's Adequacy of Representation and Absence of Conflict: Blumenthal
7 Nordrehaug Bhowmik De Blouw LLP is experienced in prosecuting class action lawsuits and can
8 competently represent the Class. Other lawyers at my firm and I have extensive class litigation
9 experience. We have handled a number of class actions and complex cases and have acted both as
10 counsel and as lead and co-lead counsel in a variety of these matters. We have successfully
11 prosecuted and obtained significant recoveries in numerous class action lawsuits and other lawsuits
12 involving complex issues of law and fact. My firm is particularly experienced in wage and hour
13 employment law class actions, including claims for misclassification, overtime, expense
14 reimbursement, unlawful deduction of wages, and missed rest and meal periods. Blumenthal
15 Nordrehaug Bhowmik De Blouw LLP has been involved as class counsel in over hundreds of wage
16 and hour class actions. Blumenthal Nordrehaug Bhowmik De Blouw LLP has been found to be
17 adequate counsel by the courts throughout California. We have been approved as experienced class
18 counsel by both state and federal courts in California in contested class certification proceedings. A
19 true and correct copy of the resume of my firm is attached hereto as Exhibit #2. The Class in this
20 settlement is defined as "all individuals who are or previously were employed by Defendant in
21 California and classified as non-exempt employees at any time during the Class Period." I have
22 reviewed my firm's cases and representation of other plaintiffs and there is no conflict or
23 representation which would prevent my firm from representing the interests of the Class this case.
24 My firm only represents employees, and not employers. My firm has never represented Defendant
25 nor any affiliate of the Defendant. My firm's only interest in the subject matter of this litigation is
26 to ensure a recovery to the Class and to maximize that recovery. Finally, our allegiance to the Class
27 and the claims of the Class is not inconsistent with our allegiance to pursue the claims on behalf of
28 other employees and classes as the claims are all against different and distinct employers. I can

1 think of no conflict that would arise in our representation of the Class and our adequate
2 representation of the Class is evidenced by the successful prosecution of the class claims to reach an
3 excellent recovery for the Class. Moreover, neither the Plaintiff nor Class Counsel have any
4 affiliation with the proposed Cy Pres Recipient nor the proposed Administrator for this settlement.
5 Thus, the adequacy requirement for my firm is satisfied for purposes of this Settlement.

6 32. The Class Notice, drafted jointly and agreed upon by the Parties through their
7 respective counsel and to be approved by the Court, includes all relevant information. (See Exhibit
8 “A” to the Agreement.) In accordance with the Agreement, Defendant will provide to the
9 Administrator a confidential electronic spreadsheet containing the Class Data. (Agreement at ¶ 4.2.)
10 Within 14 days after receiving the Class Data, the Administrator will mail the Class Notice to all
11 Class Members via first-class U.S. Mail using the most current mailing address information
12 available. (Agreement at ¶ 8.4(b).) The Class Notice will include, among other information: (i)
13 information regarding the Action; (ii) the impact on the rights of the Class Members if they do not
14 opt out, including a description of the applicable release; (iii) information to the Class Members
15 regarding how to opt out and how to object to the Settlement; (iv) the estimated Individual Class
16 Payment for each of the Class Members; (iii) the amount of attorneys’ fees and expenses to be
17 sought; (v) the amount of the Plaintiff’s service award request; and (vi) the anticipated expenses of
18 the Administrator. The Class Notice will state that the Class Members shall have sixty (60) days
19 from the date that the Class Notice is mailed to them (the “Response Deadline”) to request
20 exclusion (opt-out) or to submit a written objection. (Agreement at ¶¶ 1.44, 8.5, 8.7.) Class
21 Members shall be given the opportunity to object to the Settlement and the request for attorneys’
22 fees and expenses, and to appear at the Final Approval Hearing. (Agreement at ¶ 8.7.) Class
23 Members who do not submit a timely and proper request to opt-out will automatically receive a
24 payment of their Individual Class Payment. This notice program was designed to meaningfully
25 reach the Class Members and it advises them of all pertinent information concerning the Settlement.

26
27 33. The PAGA Claim -

28 a. **Approval of PAGA Settlements.** The decision in *O'Connor v. Uber*, 201

1 F.Supp.3d 1110, 1133 (N.D. Cal. 2016), and the LWDA's Response therein is illustrative. The
2 LWDA first states that "when viewing the monetary relief allocated to PAGA claims under a
3 settlement, the LWDA recognizes that the PAGA sum need not necessarily be viewed through the
4 same lens as the relief obtained by absent class members on other claims (i.e., the percentage of
5 recovery-to-exposure on the PAGA claims need not necessarily equal the percentage of recovery on
6 the other claims)." (LWDA Response at p.3). The LWDA also indicated that the payment of
7 money to the aggrieved employees furthers the purposes of PAGA and that the Court considers that
8 primary consideration. "The LWDA recognizes that this Court does not review the PAGA
9 allocation in isolation, but rather reviews the settlement as a whole, to determine whether it is
10 fundamentally fair, reasonable and adequate, with primary consideration for the interests of absent
11 class members." (LWDA Response at p.4).

12 b. **Valuation of the PAGA Claim.** For mediation, Plaintiff calculated the
13 value of the alleged PAGA claim as to Aggrieved Employees for civil penalties to be between
14 \$638,550 and \$1,277,100 for a single violation in every one of the 12,771 pay periods at issue for
15 the 304 Aggrieved Employees in the PAGA Period, depending on whether the violation was \$50 per
16 pay period as in the case of Labor Code § 558(a)(1) or the standard amount of \$100 per pay period
17 for violation of Labor Code § 1198. This valuation assumed that PAGA civil penalties would be
18 awarded at the maximum rate per pay period but without stacking.⁴ The PAGA allocation in the
19 Settlement is the amount of \$25,000. This allocation is justified by several important
20 considerations. First, the PAGA claim was subject to the same risks as the underlying class claims.
21 Second, Defendant asserted additional defenses to the PAGA claim, not only as to liability but also
22 as to the amount of the penalties. Defendant argued that significant PAGA penalties would be
23 unlikely and would be reduced under such particular "circumstances" under Cal. Labor Code
24

25 ⁴ Stacking is where more than one civil penalty is imposed in a pay period for the same conduct.
26 The valuation of between \$638,550 and \$1,277,100 is the civil penalty amount without stacking. If
27 stacking is permitted, then the valuation increases with each additional penalty added to each pay
28 period. Plaintiff, however, is not aware of any PAGA award which permitted stacking and in the
cases cited herein, only one penalty per pay period was assessed, and the recent 2024 amendments
to the PAGA statute cast further doubt on stacking of penalties.

1 §2699(e)(2) and/or “would result in an award that is unjust, arbitrary and oppressive, or
2 confiscatory” under Cal. Labor Code §2699(e)(2). Defendant could also argue that no penalties
3 prior to the PAGA notification should be awarded, and I am aware of one trial court which has so
4 ruled. These additional defenses present a risk to the PAGA claim and the potential that some or all
5 of the PAGA penalties sought may not be awarded. Third, in *Carrington v. Starbucks Corp.*, 30 Cal.
6 App. 5th 504 (2018), the court affirmed a judgment which only provided for a PAGA penalty of \$5
7 per violation. Therefore, at trial, any PAGA penalties awarded could be significantly less than
8 Plaintiff’s calculation even where Plaintiff prevailed on the PAGA claim. Even if we assume that
9 violations for all 12,771 pay periods were established, using the valuation from *Carrington* results
10 in a potential recovery of only \$63,855 under PAGA. This means that the PAGA allocation in the
11 Agreement is a reasonable percentage of this potential PAGA recovery. Fourth, the interests of
12 PAGA are also served by the Class recovery under the reasoning of the LWDA in *O’Connor v.*
13 *Uber*.

14 c. **Comparable PAGA Settlements.** In reaching the settlement of the PAGA
15 claim, Class Counsel was also aware of what allocations other Courts have approved for similar
16 PAGA settlements as compared to the total settlement amount. A class settlement that allocates
17 approximately 4% of the total settlement value to resolve the PAGA claims applicable to the class is
18 also supported by what has been approved in other wage-and-hour class settlements. Indeed, Courts
19 typically approve PAGA settlement amounts in the range of 2 percent of the total settlement. See
20 *Davis v. Brown Shoe Co.*, 2015 U.S. Dist. LEXIS 149010 (E.D. Cal. 2015) (PAGA Payment of

1 34. Attorneys' Fees - The Class Counsel Fees Payment is capped at one-third of the
2 Gross Settlement Amount. A fee award that is capped at one-third of the common fund is fair and
3 reasonable, and at the time of final approval, my firm will present lodestar to further support the
4 reasonableness of the requested fee award. My firm has been regularly awarded attorney's fees
5 equal to one-third of the common fund in Court-approved wage and hour class settlements. Some
6 of the class action awards obtained by Class Counsel in similar employment actions throughout the
7 state bear out the reasonableness of a fee and costs award equivalent to one-third (1/3) of the total
8 settlement value: On December 4, 2018, in *Panda Express Wage and Hour Cases* (Los Angeles
9 Superior Court, Case No. JCCP 4919) Judge Carolyn Kuhl awarded Class Counsel a one-third fee
10 award in a wage and hour class settlement. On February 1, 2019, in *Solarcity Wage and Hour*

36. Potentially Related Other Actions - I am not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement. (Agreement at ¶ 2.9.) I have searched the LWDA database for PAGA Notices filed with respect to Defendant and there were no PAGA Notices except for the one by Plaintiff in this Action.

37. Administration - After seeking bids from qualified administrators, the estimate from Apex Class Action was selected, as it provided for an estimate of \$12,000 to perform the settlement administration for 460 individuals, with any difference between the actual expenses and the budget of \$12,000 to be retained in the Net Settlement Amount for distribution to the Class. I have used Apex Class Action successfully as the administrator in more than twenty class settlements in the last couple years and know them to be competent and experienced. My firm has no relationship or connection with Apex Class Action, and thus no conflict of interest exists. Submitted in support of the motion is the Declaration of Michael Sutherland from Apex Class Action which includes the estimate for administration from Apex Class Action for this matter.

Service on the LWDA:

38. At the same time as the filing and service of this declaration, I am also serving the LWDA with the entire motion for preliminary approval which includes the Class Action and PAGA Settlement Agreement. This service is verified by the accompanying proof of service.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 8th day of June, 2026, at La Jolla, California.

As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payment no later than 16 court days prior to the Final Approval Hearing. Defendant will not oppose requests for these payments provided they do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. - i. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$6,250) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.
 - ii. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

- i. Tax Allocation of Individual Class Payments. 20% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 80% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for non-wages, expense reimbursement, interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.
 - ii. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. The Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

- 4.3. Funding of the Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than 14 days after the Effective Date.

5. PAYMENTS FROM THE GROSS SETTLEMENT AMOUNT

- 5.1. Within 14 days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment.
- 5.2. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the "void date", which is 180 days after the date of mailing, when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Class Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients' mailing addresses using the National Change of Address Database. If a Participating Class Member's or Aggrieved Employee's check is not cashed within 120 days after its last mailing to the affected individual, the Administrator will also send the individual a notice informing him or her that unless the check is cashed by the void date, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced but not cashed.
- 5.3. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
- 5.4. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to Children's Advocacy Institute, a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). The Parties, Class Counsel and Defense Counsel

represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

5.5. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

6. RELEASE OF CLAIMS. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Participating Class Members, Aggrieved Employees and the LWDA will release claims against all Released Parties as follows:

6.1. Plaintiff's Release. Plaintiff and his or her respective former and present spouses, heirs, and assigns generally, release and discharge Released Parties from any and all claims and potential claims that may legally be waived by private agreement, whether known or unknown, which Plaintiff has asserted or could assert against the Released Parties arising out of or relating in any way to any acts, circumstances, facts, transactions, or omissions, occurring up to and including the date Plaintiff signs this Agreement, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, Plaintiff's PAGA Notice ("Plaintiff's Release"). Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, or workers' compensation benefits. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

(a) Plaintiff's Waiver of Rights Under Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

6.2. Release by Participating Class Members. All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims.

6.3. Release of PAGA Claims. All Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims.

7. MOTION FOR PRELIMINARY APPROVAL. Class Counsel shall prepare and file a motion for preliminary approval (“Motion for Preliminary Approval”) that complies with the Court’s procedures and instructions. Before filing the motion, Class Counsel shall send Defendant’s counsel a draft of the Motion for Preliminary Approval and supporting papers at least 7 days before filing the motion for review and input. Class Counsel shall file the Motion for Preliminary Approval no later than 30 days after Class Counsel has received a copy of the fully-executed Agreement.

7.1. Defendant’s Responsibilities. Within 14 days of the full execution of this Agreement, Defendant’s counsel will prepare and deliver to Class Counsel a signed Declaration in compliance with California Code of Civil Procedure section 382.4.

7.2. Plaintiff’s Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its “not to exceed” bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members and/or the proposed Cy Pres Recipient; and the nature and extent of any financial relationship with Plaintiff, Class Counsel, or Defense Counsel; (v) a signed declaration from Plaintiff confirming his willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator and/or the proposed Cy Pres Recipient; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (including the initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), and this Agreement (Labor Code section 2699, subd. (l)(2)); and (vi) all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator and/or the Cy Pres Recipient, if any. In their Declarations, Plaintiff and Class Counsel shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

7.3. Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court’s Preliminary Approval to the Administrator.

7.4. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material

change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

8. SETTLEMENT ADMINISTRATION

- 8.1. Selection of Administrator. The Parties have jointly selected Apex Class Action LLC to serve as the Administrator and verified that, as a condition of appointment, Apex Class Action LLC agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Administrator's duties will include preparing, printing, and mailing the Class Notice Packet to all Class Members; conducting a National Change of Address search to update Class Member addresses before mailing the Class Notice Packets; re-mailing Class Notice Packets that are returned to the Class Member's new address; setting up a toll-free telephone number and email and a fax number to receive communications from Class Members; receiving and reviewing for validity completed Requests for Exclusion; providing the Parties with weekly status reports about the delivery of Class Notice Packets and receipt of Requests for Exclusion, objections and disputes; calculating Individual Class Payments and Individual PAGA Payments; issuing the checks to effectuate the payments due under the Settlement; issuing the tax reports required under this Settlement; and otherwise administering the Settlement pursuant to this Agreement. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 8.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 8.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 8.4. Notice to Class Members.
- (a) No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
 - (b) Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

- (c) Not later than 7 days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.
- (d) The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the Response Deadline provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- (e) If the Administrator, the Parties, Defense Counsel or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

8.5. Requests for Exclusion (Opt-Outs).

- (a) Class Members who wish to exclude themselves from the Class Settlement, i.e., opt-out of the Class Settlement, must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.
- (b) The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- (c) Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all

benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraph 6.2 of the Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

- (d) Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.6. Challenges to Calculation of Workweeks. Each Class Member shall have until the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination as to the challenges

8.7. Objections to Settlement.

- (a) Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.
- (b) Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, or in addition to a written objection, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice was re-mailed).
- (c) Non-Participating Class Members have no right to object to any of the class action components of the Settlement. If a Class Member submits both a Request for

Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- (a) Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- (b) Request for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 7 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”).
- (c) Workweek and/or Pay Period Challenges. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks and/or PAGA Pay Periods contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- (d) Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- (e) Administrator’s Declaration. Not later than 7 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the

Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

- (f) Final Report by Administrator. Within 10 days after the Administrator disburses all funds of the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 7 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least 7 days before any deadline for a second declaration and Class Counsel shall be responsible for filing the second declaration with the Court.

9. CLASS SIZE MODIFICATION AND ESCALATOR CLAUSE. Based on its records, Defendant provided figures as to the Class size as set forth in paragraph 4.1 above. This escalator clause will be triggered if the actual number of Workweeks worked during the Class Period by the Class Members increases by more than ten percent (10%), i.e., if the number of workweeks increases by more than 5,389 workweeks. In the event the number of Workweeks worked by the Class Members during the Class Period is more than 10% greater than 53,896 workweeks, Defendant will have the option to (a) cut off the Class Period and PAGA Period as of the date the 10% cushion is exhausted or (b) increase the Gross Settlement Amount proportionally with added Workweeks (i.e., if the number of workweeks increases by more than 5,389 workweeks, the Gross Settlement Amount will increase proportionally (at a rate of \$11 per workweek) by the percentage increase over the 10% cushion).

10. DEFENDANT'S RIGHT TO WITHDRAW. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Administration Expenses incurred as of the date Defendant makes this election to withdraw. Defendant must notify Class Counsel and the Court of its election to withdraw not later than 7 days after the Administrator sends the final Exclusion List to Defense Counsel. Invalid Requests for Exclusion will have no effect on this threshold for an election.

11. MOTION FOR FINAL APPROVAL. Unless otherwise ordered by the Court, not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699(l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts

of these documents to Defense Counsel not later than 7 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

- 11.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for a Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement under C.C.P. section 664.6 solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 11.4. Waiver of the Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on an equal basis, any additional Administration Expenses reasonably incurred at the time of remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS

13.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Actions have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or Judgment pursuant to this Agreement, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Actions will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

13.2. Confidentiality Prior to Preliminary Approval. Plaintiff and Class Counsel agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to their attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff and Class Counsel, separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement other than the selected Settlement Administrator or except to respond that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees have not and will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 13.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 13.7. Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8. Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 13.11. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 13.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Actions and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

- 13.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant.
- 13.15. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 13.17. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT
AND HEARING DATE FOR FINAL COURT APPROVAL**

***Kemp v. Medtrans, LLC, Superior Court of the State of California,
County of San Joaquin, Case No. STK-CV-UOE-2024-0006856***

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT
ACT. PLEASE READ THIS NOTICE CAREFULLY.**

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Defendant Medtrans, LLC (“Defendant”) for alleged wage and hour violations. The Action was filed by Plaintiff Sydney Kemp (“Plaintiff”) and seeks payment of (1) wages and other relief on behalf of all individuals who are or previously were employed by Defendant in California and classified as non-exempt employees at any time during the Class Period (June 11, 2020 through August 2, 2025) (“Class Members”), and (2) penalties and other relief on behalf of all individuals who were employed by Defendant in California and classified as non-exempt employees at any time during the PAGA Period (April 8, 2023 through August 2, 2025) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments to Class Members, and (2) a PAGA Settlement requiring Defendant to fund the PAGA Penalties to pay penalties to the California Labor and Workforce Development Agency (“LWDA”) and to Aggrieved Employees.

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be <<\$_____>> (less withholding), and your share of the PAGA Penalties (“Individual PAGA Payment”) is estimated to <<be \$_____>>.** The actual amount you may receive likely will be different and will depend on a number of factors. (If \$0.00 is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for that payment because you did not work for Defendant during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked <<_____>> workweeks** during the Class Period and **you worked <<_____>> pay periods** during the PAGA Period. If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Notice below.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to

finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment, and, if eligible, an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant as described in Section 4 below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment, however you will preserve your right to personally pursue Class Period wage claims against Defendant. If you are an Aggrieved Employee, you remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Class Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is ____.	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 7 of this Notice. However, you cannot opt-out of the PAGA portion of the proposed Settlement. If you are also an Aggrieved Employee and exclude yourself, you will still be paid your Individual PAGA Payment and will remain bound by the release of the Released PAGA Claims regardless of whether you submit a request for exclusion.
Participating Class Members Can Object	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The

to the Class Settlement Written Objections Must be Submitted by the Response Deadline _____	Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to any part of the settlement, including the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 8 of this Notice.
You Can Participate in the _____ Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____ at _____, at the San Joaquin County Superior Court, located at 180 E Weber Ave, Stockton, CA 95202, in Department 10B before Judge Blanca A. Banuelos . This hearing may change as explained below in Section 9. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s remote appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 9 of this Notice.
You Can Challenge the Calculation of Your Workweeks / Pay Periods Witten Challenges Must be Submitted by the Response Deadline (_____)	The amount of your Individual Class Payment depends on how many workweeks you worked at least one day during the Class Period. The amount of your Individual PAGA Payment (if any) depends on how many pay periods you worked at least one day during the PAGA Period. The number of Class Period workweeks and number of PAGA Period pay periods you worked according to Defendant’s records is stated on the first page of this Notice. If you disagree with either of these numbers and want to challenge the number, you must do so by _____. See Section 5 of this Notice.

1. What is the Action about?

Plaintiff was an employee of Defendant during the Class Period. The Action accuses Defendant of violating California labor laws by failing to pay wages, failing to provide required meal periods and premiums for non-compliant meal periods, failing to provide required rest periods and premiums for non-compliant rest periods, failing to provide accurate itemized wage statements, failing to provide required expense reimbursement, failing to provide wages when due, failing to pay sick pay wages and engaging in unfair competition. Plaintiff also seeks civil penalties under the Private Attorneys General Act (“PAGA”). The First Amended Complaint filed on August 15, 2025 is the “Operative Complaint” in the Action. Defendant denies that it has done anything wrong and disputes all the claims in the Action.

You have received this Notice because you have been identified as a member of the Class, which is defined as:

All individuals who are or previously were employed by Defendant in California and classified as non-exempt employees at any time during the Class Period (June 11, 2020 through August 2, 2025).

2. What does it mean that the Action has settled?

So far, the Court has made no determination whether Defendant or Plaintiff are correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Actions by negotiating to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation, the outcome of which is uncertain. The negotiations were successful. By signing a written Class Action and PAGA Settlement Agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay an “all in” amount of Five Hundred Ninety-Two Thousand Eight Hundred Fifty-Six Dollars (\$592,856) (the “Gross Settlement Amount”) to fund the settlement of the Action. The Gross Settlement Amount includes all payments of Individual Class Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class Representative Service Payment, the Administration Expenses Payment, and the PAGA Penalties for civil penalties under PAGA. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay payroll taxes thereon no later than 14 days after the Effective Date. The “Effective Date” means the date the Judgment is final and no longer subject to appeal. The settlement distributions will be paid out 14 days after the Defendant funds the settlement.

Court Approved Deductions from Gross Settlement Amount. The proposed payments, subject to Court approval, will be deducted from the Gross Settlement Amount before payments of Individual Class Payments are made to Class Members who do not request exclusion (“Participating Class Members”). At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

- **Administration Expenses Payment.** Payment to the Administrator, estimated not to exceed \$12,000, for expenses, including expenses of notifying the Class Members of the Settlement, processing opt outs, and distributing settlement checks and tax forms.

- Attorneys' Fees and Costs. Payment to Class Counsel of reasonable attorneys' fees not to exceed one-third (1/3) of the Gross Settlement Amount, which presently equals \$197,618, and an additional amount to reimburse actual litigation costs incurred by the Plaintiff not to exceed \$30,000. Class Counsel has been prosecuting the Action on behalf of Plaintiff and the Class on a contingency fee basis (that is, without being paid any money to date) and has been paying all litigation costs and expenses. The amounts stated are what Class Counsel will be requesting and the final amounts to be paid will be decided at the Final Approval Hearing.
- Class Representative Service Payment. A Class Representative Service Payment in an amount not more than Fifteen Thousand Dollars (\$15,000) for the Plaintiff as a service award, or such lesser amount as may be approved by the Court, to compensate for services on behalf of the Class in initiating and prosecuting the Action, and for the risks the Plaintiff undertook. The amount stated is what Plaintiff will be requesting and the final amount to be paid will be decided at the Final Approval Hearing.
- PAGA Penalties. A payment of \$25,000 relating to Plaintiff's claim under PAGA, \$18,750 of which will be paid to the State of California's Labor and Workforce Development Agency ("LWDA"). The remaining \$6,250 will be distributed to the Aggrieved Employees as Individual PAGA Payments. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$6,250) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment. "PAGA Pay Period" means any Pay Period during which an Aggrieved Employee worked for Defendant for at least one day during the PAGA Period, which is April 8, 2023 through August 2, 2025.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Payments to Class Members. After all of the payments of the court-approved Attorneys' Fees and Costs, the Class Representative Service Payment, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, the "Net Settlement Amount", shall be distributed as Individual Class Payments to the Participating Class Members. The Net Settlement Amount is estimated to be at least \$313,238. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. "Workweek" means any week during the Class Period in which a Class Member worked for Defendant as a Class Member for at least one day. The number of Workweeks will be based on Defendant's records; however, Class Members may challenge the number of Workweeks as explained below.

If the Settlement is approved by the Court and you do not exclude yourself, you will

automatically be mailed a check for your Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

Tax Matters. Twenty Percent (20%) of each Participating Class Member's Individual Class Payment is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings and shall be reported on IRS Form W-2. Eighty Percent (80%) of each Participating Class Member's Individual Class Payment is in settlement of claims for non-wage damages, expense reimbursement, interest and penalties allegedly due to employees (collectively the "Non-Wage Portion"). The Non-Wage Portion and any Individual PAGA Payment shall not be subject to wage withholdings and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. Nothing contained in this Class Notice shall constitute advice regarding Participating Class Members' taxes or tax liability. The tax issues for each Participating Class Member are unique to him/her, and each Participating Class Member may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement and your receipt of the Individual Class Payment is conditioned upon the Court entering an order granting final approval of the Settlement and entering judgment.

The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

Need to Promptly Cash Payment Checks. The front of every check issued will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the Administrator shall transmit the funds represented by such checks to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384(b) ("Cy Pres Recipient"). The Parties have selected Children's Advocacy Institute as the Cy Pres Recipient, subject to Court approval.

Administrator. The Court has appointed a neutral company, Apex Class Action LLC (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member disputes over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 8 of this Notice.

4. What do I release under the Settlement?

Released Class Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the

Individual Class Payments, all Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims. The “Released Class Claims” are all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint, which occurred during the Class Period during employment in a non-exempt position in California. Except as expressly set forth in the Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

This means that, if you do not timely and formally exclude yourself from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant and any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court’s orders in the Action will apply to you and legally bind you.

Released PAGA Claims. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims. The “Released PAGA Claims” are all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notice, which occurred during the PAGA Period during employment in a non-exempt position in California. The Released PAGA Claims do not include other PAGA claims, underlying wage and hour claims, claims for wrongful termination, discrimination, unemployment insurance, disability and worker’s compensation, and claims outside of the PAGA Period.

Released Parties. The Released Parties are: Defendant, its subsidiaries, parent, and affiliated companies, and each of their former and present directors, officers, shareholders, owners, employees, attorneys, insurers, predecessors, successors, and assigns.

5. How much will my payment be?

Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member’s Workweeks.

Defendant’s records reflect that you worked << ____ >> Workweeks during the Class Period (June 11, 2020 through August 2, 2025).

Based on this information, your estimated Individual Class Payment from the Net Settlement Amount is << ____ >>.

[Defendant's records reflect that you worked <<_____>> PAGA Pay Periods during the PAGA Period (April 8, 2023 through August 2, 2025). Based on this information your estimated Individual PAGA Payment is <<_____>>.]

If you wish to challenge the information set forth above, then you must submit a written, signed dispute challenging the information along with supporting documents, to the Administrator at the address provided in this Class Notice no later than the Response Deadline, which is _____ [sixty (60) days after the mailing of the Class Notice or 74 days in the case of re-mailing]. You may also fax the dispute to _____ or email the dispute to _____ by no later than the Response Deadline. Any dispute should include credible written evidence and will be resolved by the Administrator.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

6. How can I get a payment?

To get money from the Settlement, you do not have to do anything. A check for your Individual Class Payment will be mailed automatically to the same address as this Class Notice.

Your check will be sent to the same address as this Class Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 8 of this Class Notice has the Administrator's contact information.

7. What if I don't want to be a part of the Settlement?

If you do not wish to participate in the Settlement, you may exclude yourself from the Class portion of the Settlement or "opt out." **If you opt out, you will not receive an Individual Class Payment from the Settlement, and you will not be bound by its terms, which means you will retain the right to sue Defendant for the Released Class Claims.** However, Aggrieved Employees who opt out will still be paid their allocation of the PAGA Penalties and will remain bound by the release of the Released PAGA Claims regardless of whether they submit a request for exclusion. Your Individual PAGA Payment, if any, is set forth in Section 5 above.

To opt out, you must submit to the Administrator a written, signed and dated request to opt-out postmarked no later than the Response Deadline which is _____. You may also fax your request to opt out to _____ or email it to _____ by no later than the Response Deadline. The request to opt-out should state in substance that you wish to be excluded from the class settlement in the *Kemp v. Medtrans, LLC* lawsuit. The request to opt-out should state the Class Member's full name, address and email address or telephone number. Please include the name and number of the case, which is *Kemp v. Medtrans, LLC*, Case No.

STK-CV-UOE-2024-0006856. The request to opt-out must be completed and signed by you. No other person may opt-out for a living member of the Class.

The address for the Administrator is _____. Written requests for exclusion that are postmarked after _____, or are incomplete or unsigned will be rejected, and those Class Members will remain bound by the Settlement and the release described above.

8. How do I object to the Settlement?

Only Participating Class Members have the right to object to the Settlement. At least sixteen (16) court days before the Final Approval Hearing, scheduled for _____, Class Counsel and Plaintiff will file in Court a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair and a request stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Payment. Upon reasonable request, Class Counsel (whose contact information is below) will send you copies of these documents at no cost to you. You can also view them on Class Counsel's website at www.bamlawca.com under "Class Notices" for *Kemp v. A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and for Fees, Litigation Expenses and Service Payment may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The Response Deadline for sending written objections to the Administrator is _____** [sixty (60) days after the date of the Notice or 74 days after the Notice in the case of re-mailing]. You may also fax the objection to _____ or email the objection to _____ by no later than this Response Deadline. Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action, *Kemp v. Medtrans, LLC*, Case No. STK-CV-UOE-2024-0006856, and include your name, current address, email or telephone number, and approximate dates of employment for Defendant and sign the objection. 12 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

13 3. The Gross Settlement Amount is Five Hundred Ninety-Two Thousand Eight
14 Hundred Fifty-Six Dollars (\$592,856). It appears to the Court on a preliminary basis that the
15 settlement amount and terms are fair, adequate, and reasonable as to all potential Class Members
16 when balanced against the probable outcome of further litigation and the significant risks relating
17 to certification, liability and damages issues. It further appears that investigation and research
18 have been conducted such that counsel for the Parties are able to reasonably evaluate their
19 respective positions. It further appears to the Court that the Settlement will avoid substantial
20 additional costs by all Parties, as well as avoid the delay and risks that would be presented by the
21 further prosecution of the Action. It further appears that the Settlement has been reached as the
22 result of serious and non-collusive, arm's-length negotiations.

23 4. The Court preliminarily finds that the Settlement appears to be within the range of
24 reasonableness of a settlement that could ultimately be given final approval by this Court. The
25 Court has reviewed the monetary recovery that is being granted as part of the Settlement and
26 preliminarily finds that the monetary settlement made available to the Class is fair, adequate, and
27 reasonable when balanced against the probable outcome of further litigation and the significant
28

1 risks relating to certification, liability, and damages issues.

2 5. The Agreement specifies for an attorneys' fees award not to exceed one-third of the
3 Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$30,000, and a
4 proposed Class Representative Service Payment to the Plaintiff in an amount not more than
5 \$15,000. The Court will not approve the amounts of attorneys' fees and costs, nor the amount of
6 any service award, until the Final Approval Hearing. Plaintiff will be required to present evidence
7 supporting these requests, including lodestar, prior to final approval.

8 6. The Court recognizes that Plaintiff and Defendant stipulate and agree to
9 certification of a class for settlement purposes only. This stipulation will not be deemed
10 admissible in this or any other proceeding should this Settlement not become final. For settlement
11 purposes only, the Court conditionally certifies the Class which consists of "all individuals who
12 are or previously were employed by Defendant in California and classified as non-exempt
13 employees at any time during the Class Period." The "Class Period" is June 11, 2020 through
14 August 2, 2025.

15 7. The Court concludes that, for settlement purposes only, the Class meets the
16 requirements for certification under section 382 of the California Code of Civil Procedure in that:
17 (a) the Class is ascertainable and so numerous that joinder of all members of the Class is
18 impracticable; (b) common questions of law and fact predominate, and there is a well-defined
19 community of interest amongst the members of the Class with respect to the subject matter of the
20 litigation; (c) the claims of the Plaintiff are typical of the claims of the members of the Class; (d)
21 the Plaintiff will fairly and adequately protect the interests of the members of the Class; (e) a class
22 action is superior to other available methods for the efficient adjudication of this controversy; and
23 (f) counsel for the Class is qualified to act as counsel for the Class and the Plaintiff is an adequate
24 representative of the Class.

25 8. The Court provisionally appoints Plaintiff as the representative of the Class. The
26 Court provisionally appoints Norman B. Blumenthal, Kyle R. Nordrehaug, and Aparajit Bhowmik
27 of Blumenthal Nordrehaug Bhowmik De Blouw LLP as Class Counsel.

1 9. The Agreement provides for a PAGA Penalties payment out of the Gross
2 Settlement Amount of \$25,000, which shall be allocated \$18,750 to the Labor & Workforce
3 Development Agency (“LWDA”) as the LWDA’s 75% share of the settlement of civil penalties
4 paid under this Agreement pursuant to the PAGA and \$6,250 to the Aggrieved Employees. The
5 “Aggrieved Employees” are all individuals who were employed by Defendant in California and
6 classified as non-exempt employees at any time during the PAGA Period (April 8, 2023 through
7 August 2, 2025). Pursuant to Labor Code section 2699, the LWDA has been provided notice of
8 the Agreement and these settlement terms. The Court finds these PAGA Penalties to be
9 reasonable.

10 10. The Court hereby approves, as to form and content, the Class Notice attached to the
11 Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and accurately
12 inform the Class of all material elements of the proposed Settlement, of the Class Members’ right
13 to be excluded from the Class by submitting a written opt-out request, and of each member’s right
14 and opportunity to object to the Settlement. The Court further finds that the distribution of the
15 Class Notice substantially in the manner and form set forth in the Agreement and this Order meets
16 the requirements of due process, is the best notice practicable under the circumstances, and shall
17 constitute due and sufficient notice to all persons entitled thereto. The Court orders the mailing of
18 the Class Notice by first class mail pursuant to the terms set forth in the Agreement. If a Class
19 Notice Packet is returned because of an incorrect address, the Administrator will promptly search
20 for a more current address for the Class Member and re-mail the Class Notice Packet to any new
21 address for the Class Member no later than seven (7) days after the receipt of the undelivered
22 Class Notice.

23 11. The Court hereby appoints Apex Class Action LLC as the Administrator. No later
24 than fifteen (15) days after this Order, Defendant will provide the Class Data to the Administrator.
25 The Administrator will perform address updates and verifications as necessary prior to the first
26 mailing. Using best efforts to mail it as soon as possible, and in no event later than fourteen (14)
27
28

1 days after receiving the Class Data, the Administrator will mail the Class Notice Packet to all
2 Class Members via first-class regular U.S. Mail to their last known address.

3 12. The Court hereby preliminarily approves the proposed procedure for exclusion
4 from the Settlement as set forth in the Agreement. Any Class Member may individually choose to
5 opt out of and be excluded from the Class as provided in the Class Notice by following the
6 instructions for requesting exclusion from the Class that are set forth in the Class Notice. All
7 requests for exclusion must be postmarked or received no later than sixty (60) calendar days after
8 the date of the mailing of the Class Notice (“Response Deadline”). If a Class Notice Packet is re-
9 mailed, the Response Deadline for requests for exclusion will be extended an additional fourteen
10 (14) days. A Request for Exclusion may also be faxed or emailed to the Administrator as
11 indicated in the Class Notice. Any such person who chooses to opt out of and be excluded from
12 the Class will not be entitled to any recovery under the Class Settlement and will not be bound by
13 the Class Settlement or have any right to object, appeal or comment thereon, except that such
14 persons will still be paid their Individual PAGA Payments and will be bound by the Released
15 PAGA Claims.. Class Members who have not requested exclusion shall be bound by all
16 determinations of the Court, the Agreement and the Judgment. A request for exclusion may only
17 opt out that particular individual, and any attempt to effect an opt-out of a group, class, or subclass
18 of individuals is not permitted and will be deemed invalid.

19 13. Any Class Member who has not opted out may appear at the final approval hearing
20 and may object or express the Member’s views regarding the Settlement and may present evidence
21 and file briefs or other papers that may be proper and relevant to the issues to be heard and
22 determined by the Court as provided in the Class Notice. Class Members will have until the
23 Response Deadline to submit their written objections to the Administrator. Written objections
24 may also be faxed or emailed to the Administrator as indicated in the Class Notice. If a Class
25 Notice Packet is re-mailed, the Response Deadline for written objections will be extended an
26 additional fourteen (14) days. Alternatively, Class Members may appear at the Final Approval
27 Hearing to make an oral objection.

1 14. A final approval hearing shall be held before this Court on _____
2 _____ at _____ a.m. in Department 10B at the Stockton Courthouse of the San
3 Joaquin County Superior Court to hear the motion for final approval and for attorneys' fees and
4 costs, and to determine all necessary matters concerning the Settlement, including: whether the
5 proposed settlement of the Action on the terms and conditions provided for in the Agreement is
6 fair, adequate and reasonable and should be finally approved by the Court; whether the Final
7 Approval Order and Judgment should be entered herein; whether the plan of allocation contained
8 in the Agreement should be approved as fair, adequate and reasonable to the Class Members; and
9 to finally approve attorneys' fees and costs, service award, and the expenses of the Administrator.
10 All papers in support of the motion for final approval and for attorneys' fees, costs and service
11 awards shall be filed with the Court and served on all counsel no later than sixteen (16) court days
12 before the hearing and the motion shall be heard at this final approval hearing.

13 15. Neither the Settlement nor any exhibit, document, or instrument delivered
14 thereunder shall be construed as a concession or admission by Defendant in any way that the
15 claims asserted have any merit or that this Action was properly brought as a class or representative
16 action, and shall not be used as evidence of, or used against Defendant as, an admission or
17 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
18 omission by Defendant or with respect to the truth of any allegation asserted by any person.
19 Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit,
20 document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts
21 thereof, shall in any event be construed as, offered or admitted in evidence as, received as or
22 deemed to be evidence for any purpose adverse to the Defendant, including, but not limited to,
23 evidence of a presumption, concession, indication or admission by Defendant of any liability,
24 fault, wrongdoing, omission, concession or damage.

25 16. In the event the Settlement does not become effective in accordance with the terms
26 of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to
27 become effective for any reason, this Order shall be rendered null and void and shall be vacated,
28

1 and the Parties shall revert to their respective positions as of before entering into the Agreement,
2 and expressly reserve their respective rights regarding the prosecution and defense of this Action,
3 including all available defenses and affirmative defenses, and arguments that any claim in the
4 Action could not be certified as a class action and/or managed as a representative action. In such
5 an event, the Court's orders regarding the Settlement, including this Order, shall not be used or
6 referred to in litigation for any purpose. Nothing in this paragraph is intended to alter the terms of
7 the Agreement with respect to the effect of the Agreement if it is not approved.

8 17. The Court reserves the right to adjourn or continue the date of the final approval
9 hearing and all dates provided for in the Agreement without further notice to Class Members and
10 retains jurisdiction to consider all further applications arising out of or connected with the
11 proposed Settlement.

12 18. The Action is stayed and all trial and related pre-trial dates are vacated, subject to
13 further orders of the Court at the Final Approval Hearing.

14 19. Pending the Final Approval Hearing, all proceedings in this Action, other than
15 proceedings necessary to carry out or enforce the terms and conditions of the Settlement and this
16 Order, are stayed. To facilitate administration of the Settlement pending final approval, the Court
17 hereby enjoins Plaintiff and all members of the Class from filing or prosecuting any claims, or
18 suits regarding claims released by the Settlement, unless and until such Class Members have filed
19 valid Requests for Exclusion with the Administrator.

20 20. Counsel for the Parties are hereby authorized to utilize all reasonable procedures in
21 connection with the administration of the Settlement which are not materially inconsistent with
22 either this Order or the terms of the Settlement.

6 **I.**

7 **FINDINGS**

8 Based on the oral and written argument and evidence presented in connection with the
9 motion, the Court makes the following findings:

- 10 1. All terms used herein shall have the same meaning as defined in the Agreement.
- 11 2. This Court has jurisdiction over the subject matter of this litigation pending before
12 the Superior Court for the State of California, in and for the County of San Joaquin, and over all
13 Parties to this litigation, including the Class.
- 14 3. Based on a review of the papers submitted by Plaintiff and a review of the
15 applicable law, the Court finds that the Gross Settlement Amount of Five Hundred Ninety-Two
16 Thousand Eight Hundred Fifty-Six Dollars (\$592,856) and the terms set forth in the Agreement
17 are fair, reasonable, and adequate.
- 18 4. The Court further finds that the Settlement was the result of arm’s length
19 negotiations conducted after Class Counsel had adequately investigated the claims and became
20 familiar with the strengths and weaknesses of those claims. In particular, the amount of the
21 Settlement, and the assistance of an experienced mediator in the settlement process, among other
22 factors, support the Court’s conclusion that the Settlement is fair, reasonable, and adequate.

23 **Preliminary Approval of the Settlement**

- 24 5. On _____, the Court granted preliminary approval of the Settlement. At
25 this same time, the Court approved conditional certification of the Class for settlement purposes
26 only.

27 **Notice to the Class**

1 6. In compliance with the Preliminary Approval Order, the Court-approved Class
2 Notice was mailed by first class mail to members of the Class at their last-known addresses on or
3 about _____. Mailing of the Class Notice to their last-known addresses was the best
4 notice practicable under the circumstances and was reasonably calculated to communicate actual
5 notice of the litigation and the proposed settlement to the Class. The Class Notice given to the
6 Class Members fully and accurately informed the Class Members of all material elements of the
7 proposed Settlement and of their opportunity to object to or comment thereon or to seek exclusion
8 from the Settlement; was valid, due, and sufficient notice to all Class Members; and complied
9 fully with the laws of the State of California, the United States Constitution, due process and other
10 applicable law. The Class Notice fairly and adequately described the Settlement and provided
11 Class Members adequate instructions and a variety of means to obtain additional information.

12 7. The Response Deadline for opting out or submitting written objections to the
13 Settlement was _____, which for re-mailings was extended by fourteen (14) days. There
14 was an adequate interval between notice and the deadline to permit Class Members to choose what
15 to do and to act on their decision. A full and fair opportunity has been afforded to the Class
16 Members to participate in this hearing, and all Class Members and other persons wishing to be
17 heard have had a full and fair opportunity to be heard. Class Members also have had a full and
18 fair opportunity to exclude themselves from the proposed Settlement and Class. Accordingly, the
19 Court determines that all Class Members who did not timely and properly submit a request for
20 exclusion are bound by the Settlement and this Final Approval Order and Judgment.

21 **Fairness of the Settlement**

22 8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.*,
23 48 Cal. App. 4th 1794, 1801 (1996).

24 a. The settlement was reached through arm's-length bargaining between the
25 Parties during an all-day mediation before Steve Mehta, an experienced mediator of wage and
26 hour class actions. There has been no collusion between the Parties in reaching the Settlement.

27 b. Plaintiff and Class Counsel's investigation and discovery have been
28

1 sufficient to allow the Court and counsel to act intelligently.

2 c. Counsel for all Parties are experienced in similar employment class action
3 litigation. Class Counsel recommended approval of the Agreement.

4 d. The percentage of objectors and requests for exclusion is small. ____
5 objections were received. _____ requests for exclusion were received.

6 e. The participation rate was high. _____ Participating Class Members will
7 be mailed a settlement payment, representing ____% of the overall Class.

8 9. The consideration to be given to the Class Members under the terms of the
9 Agreement is fair, reasonable, and adequate considering the strengths and weaknesses of the
10 claims asserted in this action and is fair, reasonable, and adequate compensation for the release of
11 Class Members' claims, given the uncertainties and significant risks of the litigation and the
12 delays which would ensue from continued prosecution of the action.

13 10. The Agreement is approved as fair, adequate, and reasonable and in the best
14 interests of the Class Members.

15 **Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment**

16 11. An award of \$_____ for attorneys' fees, representing one-third of the
17 Gross Settlement Amount, and \$_____ for litigation costs and expenses, is reasonable,
18 in light of the contingent nature of Class Counsel's fee, the hours worked by Class Counsel, and
19 the results achieved by Class Counsel. The requested awards have been supported by Class
20 Counsel's lodestar and billing statement.

21 **Class Representative Service Payment**

22 12. The Agreement provides for Class Representative Service Payment in an amount
23 not more than \$15,000 the Plaintiff, subject to the Court's approval. The Court finds that a Class
24 Representative Service Payment in the amount of \$_____ to the Plaintiff is reasonable in
25 light of the risks and burdens undertaken by the Plaintiff in this litigation and for Plaintiff's time
26 and effort in bringing and prosecuting this matter on behalf of the Class.

1 **Administration Expenses Payment**

2 13. The Administrator shall calculate and administer the payment to be made to the
3 Class Members, transmit payment for attorneys' fees and costs to Class Counsel, transmit the
4 Class Representative Service Payment to the Plaintiff, issue all required tax reporting forms,
5 calculate withholdings and perform the other remaining duties set forth in the Agreement. The
6 Administrator has documented \$ _____ in fees and expenses, and this amount is reasonable in
7 light of the work performed by the Administrator.

8 **PAGA Penalties**

9 14. The Agreement provides for a PAGA Penalty out of the Gross Settlement Amount
10 of \$25,000, which shall be allocated \$18,750 to the Labor & Workforce Development Agency
11 ("LWDA") as the LWDA's 75% share of the settlement of civil penalties paid under this
12 Agreement pursuant to the PAGA and \$6,250 to be distributed to the Aggrieved Employees as
13 Individual PAGA Payments to be allocated by (a) dividing the amount of the Aggrieved
14 Employees' 25% share of PAGA Penalties (\$6,250) by the total number of PAGA Pay Periods
15 worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by
16 each Aggrieved Employee's PAGA Pay Periods. The "Aggrieved Employees" are all individuals
17 who were employed by Defendant in California and classified as non-exempt employees at any
18 time during the PAGA Period (April 8, 2023 through August 2, 2025). Pursuant to Labor Code
19 section 2699, the LWDA was provided notice of the Agreement and these settlement terms and
20 has not indicated any objection thereto. The Court finds these PAGA Penalties to be reasonable.

21 **II.**

22 **ORDERS**

23 Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:

24 15. The Class is certified for the purposes of settlement only. The Class is defined as
25 follows:

17 22. Pursuant to Labor Code section 2699, Class Counsel shall submit a copy of this
18 Final Approval Order and Judgment to the LWDA within 10 days after its entry.

19 23. Neither the Agreement nor this Settlement is an admission by Defendant, nor is this
20 Final Approval Order and Judgment a finding, of the validity of any claims in the Action or of any
21 wrongdoing by Defendant or that this Action is appropriate for class or representative treatment
22 (other than for settlement purposes). Neither this Final Approval Order and Judgment, the
23 Agreement, nor any document referred to herein, nor any action taken to carry out the Agreement
24 is, may be construed as, or may be used as an admission by or against Defendant of any fault,
25 wrongdoing, or liability whatsoever. The entering into or carrying out of the Agreement, and any
26 negotiations or proceedings related thereto, shall not in any event be construed as, or deemed to be
27 evidence of, an admission or concession with regard to the denials or defenses by Defendant.

1 Notwithstanding these restrictions, Defendant may file in the Action or in any other proceeding
2 this Final Approval Order and Judgment, the Agreement, or any other papers and records on file in
3 the Action as evidence of the Settlement to support a defense of *res judicata*, collateral estoppel,
4 release, or other theory of claim or issue preclusion or similar defense as to the Released Class
5 Claims and/or Released PAGA Claims.

6 24. Notice of entry of this Final Approval Order and Judgment shall be given to all
7 Parties by Class Counsel on behalf of Plaintiffs and all Class Members. The Final Approval Order
8 and Judgment shall be posted on Class Counsel's website as set forth in the Class Notice to the
9 Class. It shall not be necessary to send notice of entry of this Final Approval Order and Judgment
10 to individual Class Members.

11 25. If the Agreement is not finally approved, then this Final Approval Order and
12 Judgment, and all orders entered in connection with it, shall be rendered null and void. The
13 Parties shall cooperate in good faith to address any deficiencies identified by the Court.

14 **IT IS HEREBY ORDERED, ADJUDICATED AND DECREED THAT:**

15 26. Except as set forth in the Agreement and this Final Approval Order and Judgment,
16 Plaintiffs, and all members of the Class, shall take nothing in the Action.

17 27. All Parties shall bear their own attorneys' fees and costs, except as otherwise
18 provided in the Agreement and in this Final Approval Order and Judgment.

19 28. Effective on the date when Defendant fully funds the entire Gross Settlement
20 Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class
21 Payments, Plaintiff, Participating Class Members, Aggrieved Employees and the LWDA will
22 release claims against all Released Parties as follows:

23 (a) All Participating Class Members, on behalf of themselves and their
24 respective former and present representatives, agents, attorneys, heirs, administrators, successors,
25 and assigns, release Released Parties from the Released Class Claims. The "Released Class
26 Claims" are all claims that were alleged, or reasonably could have been alleged, based on the facts
27
28

1 stated in the Operative Complaint,¹ which occurred during the Class Period during employment in
2 a non-exempt position in California. Except as expressly set forth in the Agreement, Participating
3 Class Members do not release any other claims, including claims for vested benefits, wrongful

REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);

Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);

Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under *Aerojet-General*. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was

no additional standing rules for PAGA claim brought by independent contractor); In re Tobacco Cases II, 41 Cal. 4th 1257 (2007); Washington Mutual Bank v. Re: Notice Of Violations Of California Labor Code Sections §§ 201, 202, 203, 204 *et seq.*, 210, 218, 221, 226(a), 226.7, 227.3, 246 *et seq.*, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to Provide Seating), Violation of Applicable Industrial Welfare Commission Wage Order(s), and Brought Pursuant To California Labor Code Section 2699.5.

Dear Sir/Madam:

“Aggrieved Employees” refers to all individuals who are or previously were employed by Medtrans LLC and/or Medtrucking, LLC in California, including any employees staffed with Medtrans LLC and/or Medtrucking, LLC by a third party, and classified as non-exempt employees during the time period of April 8, 2023 until a date as determined by the Court. Our offices represent Plaintiff Sydney Kemp (“Plaintiff”) and other Aggrieved Employees in a lawsuit against Medtrans LLC and/or Medtrucking, LLC (“Defendant”). Plaintiff has been employed by Defendant in California since June of 2023. Plaintiff has been at all times classified by Defendant as a non-exempt employee, paid on an hourly basis, and entitled to the legally required meal and rest periods and payment of minimum and overtime wages due for all time worked. Defendant, however, unlawfully failed to record and pay Plaintiff and other Aggrieved Employees for, including but not limited to, all of their time worked, including minimum and overtime wages and sick pay wages at the correct rate, for all of their missed meal and rest breaks at the correct regular rates, and for all of their time spent working off the clock. Moreover, when Defendant required Plaintiff and Aggrieved Employees to report for work, but “furnished less than half said employee’s usual or scheduled day’s work,” Defendant violated Cal. Code Regs., tit. 8 § 11040, subd. 5(A) by failing to pay Plaintiff and Aggrieved Employees for at least two (2) hours’ worth of work at their regular rate of pay. In addition, when Defendant required Plaintiff and Aggrieved Employees to respond to and engage in additional work, this resulted in a second reporting for work in a single workday, and Defendant failed to pay these employees reporting time pay as required by Cal. Code Regs., tit. 8, § 11040, subd. 5(B). Further, Defendant failed to advise Plaintiff and the other Aggrieved Employees of their right to take separately and hourly paid

duty-free ten (10) minute rest periods. *See Vaquero v. Stoneledge Furniture, LLC*, 9 Cal. App. 5th 98, 110 (2017). Additionally, pursuant to Labor Code § 204 *et seq.*, Defendant failed to timely provide Plaintiff and other Aggrieved Employees with their wages. Plaintiff further contends that Defendant failed to provide accurate wage statements to her, and other Aggrieved Employees, in violation of California Labor Code section 226(a). Specifically, PLAINTIFF and the AGGRIEVED EMPLOYEES were paid on an hourly basis. As such, the wage statements should reflect all applicable hourly rates during the pay period and the total hours worked, and the applicable pay period in which the wages were earned pursuant to California Labor Code Section 226(a). The wage statements Defendant provided to PLAINTIFF and the AGGRIEVED EMPLOYEES failed to identify such information. More specifically, the wage statements failed to identify the accurate total hours worked each pay period in violation of Cal. Lab. Code Section 226(a)(2). Additionally, Plaintiff contends that Defendant failed to comply with Industrial Wage Order 7(A)(3) in that Defendant failed to keep time records showing when Plaintiff began and ended each shift and meal period. Plaintiff and other Aggrieved Employees perform tasks that reasonably permit sitting, and a seat would not interfere with their performance of any of their tasks that may require them to stand. Defendant failed to provide Plaintiff and other Aggrieved Employees with suitable seats. Said conduct, in addition to the foregoing, as well as the conduct alleged in the incorporated Complaint, violates Labor Code §§ 201, 202, 203, 204 *et seq.*, 210, 218, 221, 226(a), 226.7, 227.3, 246, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 11070(14) (Failure to Provide Seating), Violation of the applicable Industrial Welfare Commission Wage Order(s), and is therefore actionable under California Labor Code section 2699.3.

A true and correct copy of the Complaint by Plaintiff against Defendant, which (i) identifies the alleged violations, (ii) details the facts and theories which support the alleged violations, (iii) details the specific work performed by Plaintiff, (iii) sets forth the people/entities, dates, classifications, violations, events, and actions which are at issue to the extent known to Plaintiff, and (iv) sets forth the illegal practices used by Defendant, is attached hereto. This information provides notice to the Labor and Workforce Development Agency of the facts and theories supporting the alleged violations for the agency's reference. Plaintiff therefore incorporates the allegations of the attached Complaint into this letter as if fully set forth herein. If the agency needs any further information, please do not hesitate to ask.

This notice is provided to enable Plaintiff to proceed with the Complaint against Defendant as authorized by California Labor Code section 2699, *et seq.* The lawsuit consists of other Aggrieved Employees. As counsel, our intention is to vigorously prosecute the claims as alleged in the Complaint, and to procure civil penalties as provided by the Private Attorney General Statute of 2004 on behalf of Plaintiff and all Aggrieved Employees.

Your earliest response to this notice is appreciated. If you have any questions of concerns, please do not hesitate to contact me at the above number and address.

Respectfully,

/s/ Nicholas J. De Blouw
