1 I, Joy Ann Julian, hereby declare and state as follows:

2 1. I am an individual over the age of 18 years old and reside in San Francisco,
3 California. I am the named plaintiff in this matter. I have personal knowledge of the facts set forth
4 below, and if called to testify I could and would do so competently.

5 2. I was previously employed by Defendant Walgreen Co. ("Defendant") as a non-
6 exempt employee at Defendant's pharmacy and retail store located in Daly City, California. I
7 worked from on or about February 20, 2018, to on or about January 29, 2020. Throughout my
8 employment, I was paid sick pay and shift differentials and/or shift premiums in the same weeks in
9 which I took sick pay. My sick pay was always paid at the base rate of pay.

10 3. During the pendency of this lawsuit, I was required to provide assistance to my
11 attorneys, including meeting with them and providing them with documents and information. I
12 estimate that I spent approximately 20 hours meeting and/or conferring with my attorneys in
13 connection with the assistance of the class claims, such as providing information and various
14 documents and traveling to my attorney's office. Throughout this case, I have continuously been
15 kept apprised of the status of this case.

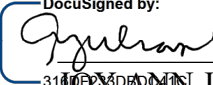

16 4. I understand that the class claims alleged in this action were brought on behalf of
17 other similarly situated employees, and thus I am acting as a representative for the Class. As the
18 class representative, I understand that it is my responsibility to act in the Class's best interest and not
19 my own. I agree that I will not put my own interests ahead of that of the Class. Moreover, I am not
20 aware of any conflicts that exist between my interest and the interests of the Class that would impair
21 or affect my ability to serve as representative for the Class.

22 5. I have and continue to be willing to assist in the investigation of this matter as well as
23 make myself available for trial or any further proceeding in this matter as required to represent the
24 interests of the Class. I also understand my duties and responsibilities to the proposed class and will
25 carry out those duties as necessary.

26 6. Based on my understanding of the case, I am of the opinion that settlement for the
27 consideration and on the terms set forth in the Settlement Agreement are fair, reasonable, and
28 adequate and is in the best interests of the Class.

1 I declare under penalty of perjury under the laws of the State of California and the United
2 States that the foregoing is true and correct.

3 Executed on September 20, 2021, at San Francisco, California.
