DECLARATION OF STEVE MILLER

I, Steve Miller, declare as follows:

1. I am an individual over the age of 18. I am the named plaintiff in the above-reference action. I have personal knowledge of the facts set forth below, except as to those matters stated on information and belief and, as to those matters, I believe them to be true. If called as a witness, I could testify competently as to the matters stated in this declaration.

2. From around 2010 to 2020, I worked for Berry Global, Inc. I was paid on an hourly basis as a non-exempt employee. I worked overtime and earned shift differentials. I received wage statements that did not show my actual overtime rate or the correct number of hours I worked.

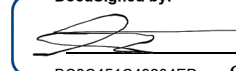

3. I do not believe I have any interests that are adverse to the interests of the Class. I also am unaware of any such issues having been raised or presented by anyone else. I have taken all necessary steps to represent the interests of the Class, including by providing information and documents to my counsel, discussing the claims and lawsuit with my counsel, and answering any questions that have come up. I remain willing to devote my time to this lawsuit for the benefit of the Class.

4. I took on risks by bringing this lawsuit and am proud of the result and accomplishment of this lawsuit. I believe many employees would not sue their employer out of fear, but I feel that it is a positive accomplishment and understand that other people will benefit because of the actions that I have taken. I believe that the class settlement is fair, adequate, and reasonable.

5. I understand that the attorneys' fees awarded in this action will be split 65% to Diversity Law Group, P.C. and 35% to Polaris Law Group.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this Sm day of April 2022, at Manteca, California.
