///

1 I, Shani O. Zakay, declare as follows:

2 1. I am the managing partner of the law firm of Zakay Law Group, APLC, co-counsel of
3 record for Plaintiff Calvin Watson in this matter. As such, I am fully familiar with the facts, pleadings,
4 and history of the matter. The following facts are within my own personal knowledge, and if called as
5 a witness, I could testify competently to the matters stated herein.

6 2. This Declaration is being submitted in support of Plaintiff's Motion for Preliminary
7 Approval of Class and PAGA Action Settlement.

8 3. Attached hereto as Exhibit A is a true and correct copy of the proof of filing with the
9 Labor and Workforce Development Agency notice of this settlement with the Settlement Agreement
10 and Motion for Preliminary Approval of Class Action and PAGA Settlement evidencing Class
11 Counsel's compliance with California Labor Code Section 2699(s)(2).

12 4. An objective evaluation of the Settlement confirms that the relief negotiated on behalf of
13 the Class is fair, reasonable, and adequate. The Settlement was negotiated by the Parties at arm's length.
14 The Settlement confers substantial benefits to the Class Members. The relief offered by the Settlement
15 is particularly impressive when viewed against the difficulties encountered by plaintiffs pursuing wage
16 and hour cases (*see infra*). Indeed, by settling now rather than proceeding to trial, Class Members will
17 not have to wait (possibly years) for relief, nor will they have to bear the risk of class certification being
18 denied or of Defendant prevailing at trial.

19 5. As discussed below, the proposed Settlement satisfies all criteria for preliminary
20 settlement approval and falls within the range of reasonableness. The average Individual Settlement
21 Payment to the Settlement Class Members meets awards in similar wage and hour class actions.
22 Moreover, the proposed Class is appropriate for provisional certification. Accordingly, Plaintiff
23 respectfully requests the Court grant preliminary approval of the Settlement.

24 6. On September 2, 2025, Plaintiff submitted a PAGA Notice with the LWDA asserting
25 claims against Defendant.

26 7. For purposes of effectuating settlement, the Parties stipulated to allow Plaintiff leave to
27 file a First Amended Complaint ("FAC") for the purpose of adding factual allegations and legal claims
28 covered by the Parties' settlement, including, but not limited to, adding a cause of action for violation

1 of the PAGA. On September 4, 2025, the Court signed an order granting Plaintiff leave to file a FAC.
2 Plaintiff filed the FAC on November 7, 2025.

3 8. Given that there are approximately 165 Participating Class Members, the average gross
4 recovery is approximately \$1,816.67 (Net Settlement Amount divided by Settlement Class Members).

5 9. Following the mediation, the Parties engaged in negotiations regarding the written terms
6 of the settlement. The Agreement is the final product of the mediated negotiations. Objectively, the
7 Settlement terms are fair, adequate and represent a reasonable compromise of the claims at issue.

8 10. With respect to the most immediate challenge, i.e., class certification, the risks attendant
9 to the certification of similar wage and hour claims are demonstrated by *Magadia v. Wal-Mart*
10 *Associates, Inc.* (9th Cir. 2021) 999 F.3d 668. There, the Ninth Circuit vacated, reversed, and remanded
11 a \$110 million judgement against an employer for, *inter alia*, inaccurately paying overtime, and directed
12 the trial court to enter judgement in favor of the employer. *See also O’Conner v. Uber Technologies,*
13 *Inc.* (9th Cir. 2018) 904 F.3d 1087 (decertification of wage and hour misclassification action); *see also*
14 *Duran v. U.S. Bank National Association* (2014) 59 Cal.4th 1, 31 (reversing a trial verdict in favor
15 plaintiffs in a wage and hour class action)); *Tien v. Tenet Healthcare Corp.* (2012) 209 Cal.App.4th
16 1077, 1088 (“[T]he reason, if any, that employees might not take their breaks were predominantly
17 individualized questions of fact not susceptible to class treatment.”); *a.S.A. Cab Ltd.* (2009) 176
18 Cal.App.4th 1333, 1341 (affirming denial of certification because employees’ declarations attesting to
19 having taken meal and rest breaks demonstrated that individualized inquiries were required to show
20 harm); *Campbell v. Best Buy Stores, L.P.,* (C.D. Cal. 2013) 2013 WL 5302217 at *11-13 (following
21 *Brinker* and denying certification of proposed off-the-clock and rest and meal break classes due to lack
22 of uniform policy); *Brown v. Fed Express Corp.* (C.D. Cal. 2008) 249 F.R.D. 580, 587-88 (denying
23 certification of driver meal and rest period claims based on the predominance of individual issues).
24 Collectively, the examples cited above illustrate the uncertain nature of class litigation. Consequently,
25 the uncertainty of obtaining certification through a contested motion is a significant risk factor favoring
26 settlement.

27 11. The Parties jointly drafted the Class Notice which fairly and neutrally informs the Class
28 Members of their rights and remedies. The Settlement Administrator will first verify addresses, then

1 mail the proposed Class Notice to all Class Members. The Notice shall set forth the scope of the release,
2 stating the number of relevant Workweeks and Pay Periods and the estimated amount of their Individual
3 Settlement Payment. Agreement at § IX(C)(3). The Parties negotiated this method to ensure delivering
4 the most reasonable method of notice to the Class Members while ensuring cost effective administration
5 of the Settlement.

6 12. Class Counsel on behalf of Plaintiff will file a formal motion for the negotiated
7 Enhancement Award once preliminary approval of the Settlement is granted. Plaintiff respectfully
8 submits that the above showing is sufficient for preliminary approval of the negotiated Enhancement
9 Award.

10 13. Class Counsel took this matter on a contingency fee basis and invested significant time
11 and expense successfully prosecuting Plaintiff's claims. As discussed *supra*, the estimated average
12 Individual Settlement Payment illustrates the demonstrably positive outcome for the Settlement Class
13 Members. Considering the positive outcome for the Class Members, and in light of the supporting
14 authority, the proposed Attorneys' Fees and Litigation Costs are fair and reasonable.

15 14. Plaintiff will file a formal motion for the negotiated Attorneys' Fees and Litigation Costs
16 once preliminary approval of the Settlement is granted. Attorneys' fees will be divided between Class
17 Counsel as follows: (85% to Lawyers for Justice, PC, 7.5% to JCL Law Firm, APC, and 7.5% to Zakay
18 Law Group, APLC).

19 15. For Settlement purposes only, Plaintiff contends, and Defendant does not dispute, that
20 provisional certification of the Class is appropriate.

21 16. Because all Class Members are Defendant's current and former employees, the class is
22 readily ascertainable from Defendant's regular business records, i.e., payroll records.

23 17. The statutes relating to each of Plaintiff's claims apply with equal force and effect to the
24 entire Settlement Class. Factually, Defendant's policies and practices apply class-wide and Defendant's
25 liability can be determined by facts common to all members of the class. The wage and hour issues are
26 both numerous and substantial, and a class action is the most advantageous method of dealing with the
27 claims of the Settlement Class.
28

18. Additionally, Plaintiff is represented by competent Class Counsel who have extensive experience in litigating wage and hour class action cases. Class Counsel successfully briefed, argued, certified, and gained state court settlement approval of the same class-wide causes of action that are at issue in this case. Class Counsel's wage and hour class action experience establishes that they are well qualified to represent the interests of this Class.

19. My firm has worked on this matter over the course of the litigation during the last seven months. My credentials are reflected in the Zakay Law Group, APLC firm resume, a true and correct copy of which is attached hereto as **Exhibit B**. Some of the major cases my firm has undertaken is also set forth in **Exhibit B**. I have had class litigation experience, mostly in the area of employment class actions, unfair business practices, and other complex litigation. I have experience in cases involving labor code violations and wage and hour claims. I have litigated similar wage and hour cases against other employers on behalf of employees. I have been approved as experienced class counsel in courts throughout California. It is this level of experience which enabled my firm to undertake the instant matter and to successfully combat the resources of the defendant and its capable and experienced counsel.

20. A class action is superior to a multitude of individual lawsuits. Given the size and amount of each individual claim, the Class Members likely have little incentive to litigate their claims on an individual basis because the out-of-pocket expense and personal commitment necessary to litigate each claim outweighs any potential recovery. In sum, class treatment is superior to individual, case-by-case adjudication

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 30th day of January 2026, at San Diego, California.

By: 
Shani O. Zakay
