Case No. CGC-22-600090

**DECLARATION OF SHANI O. ZAKAY, ESQ.
IN SUPPORT OF PLAINTIFF'S MOTION
FOR PRELIMINARY APPROVAL OF
CLASS ACTION AND PAGA SETTLEMENT**

Date: October 23, 2025

Time: 9:00am

Dept.: 302

1 I, Shani O. Zakay, Esq., declare as follows:

2 1. I am the managing partner of the law firm of Zakay Law Group, APLC, co-counsel of
3 record for Plaintiff Jesus Garcia (“Plaintiff”) in this matter. As such, I am fully familiar with the facts,
4 pleadings, and history of the matter. The following facts are within my own personal knowledge, and
5 if called as a witness, I could testify competently to the matters stated herein

6 2. This declaration is being submitted in support of Plaintiff’s motion for Preliminary
7 Approval of Class and PAGA Action Settlement.

8 **I. EXHIBITS**

9 3. Attached hereto as **Exhibit “1”** is a true and correct copy of the fully executed Class
10 Action and PAGA Settlement and Release of Claims (“Agreement” or “Settlement Agreement”).
11 Attached as **Exhibit “A”** to the Agreement is a true and correct copy of the proposed Class Notice.

12 4. Attached hereto as **Exhibit “2”** is a true and correct copy of the fully executed
13 Amendment No. 1 to Class Action and PAGA Settlement and Release of Claims.

14 5. Attached hereto as **Exhibit “3”** is a true and correct copy of the proof of filing with the
15 Labor and Workforce Development Agency notice of this settlement with the Settlement Agreement
16 and Motion for Preliminary Approval of Class Action and PAGA Settlement evidencing Class
17 Counsel’s compliance with California Labor Code Section 2699(1)(2).

18 6. Attached hereto as **Exhibit “4”** is a true and correct copy of the Zakay Law Group, APLC
19 “Firm Resume” detailing some of the major cases Zakay Law Group, APLC has undertaken.

20 **II. INTRODUCTION**

21 7. An objective evaluation of the Settlement confirms that the relief negotiated on behalf of
22 the Class is fair, reasonable, and adequate. The Settlement was negotiated by the Parties at arm’s length.
23 The Settlement confers substantial benefits to the Class Members. The relief offered by the Settlement
24 is particularly impressive when viewed against the difficulties encountered by plaintiffs pursuing wage
25 and hour cases (*see infra*). Indeed, by settling now rather than proceeding to trial, Class Members will
26 not have to wait (possibly years) for relief, nor will they have to bear the risk of class certification being
27 denied or of Defendant prevailing at trial. At the time of mediation, there were approximately 359
28 Aggrieved Employees during the PAGA Period. The entire Net Settlement Amount will be paid to all

1 Class Members who do not opt out of the Settlement resulting in an average Individual Class Payment
2 of **\$296.21**.

3 8. As discussed below, the proposed Settlement satisfies all criteria for preliminary
4 settlement approval and falls within the range of reasonableness. The average Individual Class Payment
5 to the Class Members meets awards in similar wage and hour class actions. Moreover, the proposed
6 Class is appropriate for provisional certification. Accordingly, Plaintiff respectfully requests the Court
7 grant preliminary approval of the Settlement.

8 **III. FACTS AND PROCEDURE**

9 **A. Overview of the Litigation**

10 9. Defendant operates a brewery and restaurant in San Francisco, California, where Plaintiff
11 worked. Plaintiff was employed by Defendant from March 2021 to January of 2022 as a non-exempt
12 employee. Plaintiff alleges that he was denied legally compliant meal and rest periods, and minimum
13 wages and overtime compensation at all times during his employment. Throughout his employment,
14 Plaintiff was subject to Defendant's written policies and procedures contained in, among other
15 documents, the "Employee Handbook."

16 10. Generally, Plaintiff claims that Defendant failed to pay for all time worked, failed to
17 accurately calculate the regular rate of pay for purposes of overtime and meal period premiums, failed
18 to provide compliant meal and rest periods, failed to reimburse for mandatory business expenses, failed
19 to furnish accurate itemized wage statements, and failed to pay all wages upon separation. Defendant
20 denies liability for each of Plaintiff's claims. Further, Defendant asserts that it fully complied with all
21 applicable employment laws and raised several other significant defenses to Plaintiff's claims.

22 11. On April 4, 2022, Plaintiff served Defendant and the Labor and Workforce Development
23 Agency ("LWDA") with a Notice of Violations ("PAGA Notice"). Plaintiff's PAGA Notice set forth
24 the facts and theories supporting Defendant's alleged violations of various provisions of the California
25 Labor Code and applicable Industrial Welfare Commissions ("IWC") Wage Order and of his intent to
26 pursue claims under California Labor Code Private Attorneys General Act, Cal. Lab. Code Sections
27 2698 *et seq* ("PAGA").
28

1 12. On June 9, 2022, Plaintiff filed a class action complaint in the San Francisco County
2 Superior Court, Case No. CGC-22-600090 (“Action”). The Action alleged nine causes of action against
3 Defendant for: (1) Unfair Competition in violation of Cal. Bus. & Prof. Code §§ 1700, *et seq.*; (2)
4 Failure to Pay Minimum Wages in violation of Cal. Lab. Code §§ 1194, 1197, 1197.1; (3) Failure to
5 Pay Overtime Wages in violation of Cal. Lab. Code §§ 510, *et seq.*; (4) Failure to Provide Required
6 Meal Periods in violation of Cal. Lab. Code §§ 226.7 & 512 and the Applicable IWC Wage Order; (5)
7 Failure to Provide Required Rest Periods in violation of Cal. Lab. Code §§ 226.7 & 512 and the
8 Applicable IWC Wage Order; (6) Failure to Provide Accurate Itemized Wage Statements in violation
9 of Cal. Lab Code §226; (7) Failure to Reimburse for Required Expenses in violation of Cal. Lab. Code
10 § 2802; (8) Failure to Pay Wages When Due in violation of Cal. Lab. Code §§ 201, 202, and 203; and
11 (9) Violation of the Private Attorneys General Act [Labor Code §§ 698, *et seq.* (“PAGA”).]

12 13. On August 4, 2022, Plaintiff filed a First Amended Complaint to dismiss the class claims
13 without prejudice and allege a single PAGA representative cause of action. On September 15, 2022,
14 Judge Richard B. Ulmer, Jr., granted Defendant’s Motion to Compel Arbitration and stay of the action
15 and declined to dismiss Plaintiff’s representative claims. On July 4, 2023, Plaintiff filed a Motion to
16 Vacate the September 15, 2022, order compelling Plaintiff’s individual claims to arbitration pursuant
17 to CCP §1281.98 on the grounds that Defendant was in material breach of the arbitration agreement
18 and was in default of the arbitration agreement as Defendant failed to pay all fees and costs required to
19 continue the arbitration proceeding. On August 1, 2023, Judge Ulmer granted Plaintiff’s Motion to
20 Vacate the Order compelling Plaintiff’s Individual Claims to Arbitration. After Plaintiff’s Motion for
21 Leave to file a Second Amended Complaint was granted on October 30, 2023, Plaintiff filed a Second
22 Amended Complaint on November 3, 2023, to reallege the previously dismissed class claims against
23 Defendant.

24 14. The Parties agreed to mediate this action. To prepare for mediation, the Parties agreed to
25 informally produce additional documents and data points subject to the mediation privilege, including
26 but not limited to, the Class Members’ time data and certain payroll data points. As discussed *infra*,
27 Plaintiff’s counsel retained the forensic consultants at Berger Consulting Group (“BCG”) to analyze
28 Defendant’s time and payroll data.

1 15. On October 22, 2024, the Parties participated in a full day mediation with the Hon. Brian
2 C. Walsh (Ret.) a highly respected mediator of wage and hour class actions. The mediation concluded
3 without a settlement. However, with Judge Walsh’s assistance, the Parties continued settlement
4 discussions and ultimately reached a settlement, which was subsequently memorialized in the form of
5 a Memorandum of Understanding (“MOU”). The complete and final terms of the Parties’ settlement
6 are now set forth in the Agreement, which is the subject of the instant motion.

7 **B. Class Counsel Thoroughly Investigated the Factual and Legal Issues**

8 16. Months before filing the Action, Class Counsel began its pre-filing investigation into the
9 Plaintiff’s complaints. Class Counsel’s investigation started with several lengthy interviews with
10 Plaintiff. As part of the interview process, the Plaintiff produced documents related to his employment,
11 including his wage statements. Class Counsel reviewed the documents and determined that the
12 documents appeared to substantiate Plaintiff’s claim that Defendant failed to, among other things, pay
13 for all time worked, issue accurate itemized wage statements, and provide complaint meal and rest
14 periods. At the conclusion of the interviews, Class Counsel determined that Plaintiff’s complaints
15 justified further inquiry.

16 17. To prepare for mediation, Class Counsel requested documents and data points to further
17 evaluate Plaintiff’s claims and Defendant’s liability exposure to the Class Members. In response to
18 Class Counsel’s request, Defendant produced time records and payroll records, as well as other
19 documents and information, to Class Counsel to review and analyze. To prepare for mediation,
20 Defendant produced the time and payroll records for the Class Members, aggregate workweek and pay
21 period data for the Class Members, aggregate meal premiums paid to the Class Members, average
22 hourly rate for the Class Members, and copies of applicable handbooks, policies, and agreements. In
23 total, Class Counsel reviewed more than 100 pages of documents and more than 3 million unique cells
24 of time and payroll data.

25 18. Class Counsel then retained the statisticians and economists at BCG to evaluate the Class
26 Members’ payroll and time data. BCG provides data analysis and damage modeling consulting
27 services, specializing in wage and hour class actions. BCG’s team of financial and data analysts are
28

1 credentialed and experienced experts in their fields and have provided their expertise on thousands of
2 cases.

3 19. BCG analyzed Defendant's time and payroll data to assist in the development of various
4 damage models. Among other things, BCG determined the approximate amount of unpaid wages,
5 amount of unpaid overtime wages, number of workweeks, pay periods, average length of shifts and
6 average number of hours worked per week. BCG also estimated the number of missed, late, or truncated
7 meal and rest periods, the amount of unpaid wages, the amount of unreimbursed expenses, the amount
8 of unpaid overtime, the amount of unreimbursed business expenses, and the amount of missed meal and
9 rest period premiums paid during the Class Period.

10 20. Overall, Class Counsel thoroughly investigated the claims at issue, including: (1)
11 determining Plaintiff's suitability as a putative class representative through interviews, background
12 investigations, and analysis of his employment files; (2) evaluating all of Plaintiff's potential claims;
13 (3) researching similar wage and hour class actions as to the claims brought, the nature of the positions,
14 and the type of employer; (4) analyzing the Class Member's time and payroll records; (5) analyzing
15 Defendant's labor policies and practices; (6) researching settlements in similar cases as well as
16 outstanding issues which could affect settlement approval; (7) evaluating Plaintiff's claims and
17 estimating Defendant's liability for purposes of settlement; (8) drafting the mediation brief; and (9)
18 participating in the mediation. This investigation allowed Class Counsel to fully assess the nature and
19 magnitude of the claims being settled, as well as the impediments to recovery, such as to make an
20 independent assessment of the reasonableness of the terms to which the Parties have agreed.

21 21. Class Counsel only agreed to enter the Settlement following this thorough investigation
22 and evaluation of Plaintiff's claims. Based on its investigation of the facts, applicable law, and
23 marketplace for similar settlements, and considering the risk of significant delay and uncertainty
24 associated with litigation, and the various defenses asserted by Defendant, Class Counsel firmly believe
25 this Agreement to be in the best interests of the Class Members. Because the Settlement's terms are
26 fair, reasonable, and adequate, the Court should preliminarily approve the Settlement.

27
28 ///

1 **C. The Parties Settled with the Assistance of the Mediator**

2 22. On October 22, 2024, the Parties conducted a full day of mediation with Judge Walsh.
3 Judge Walsh helped manage the Parties' expectations and provided a useful, neutral analysis of the
4 issues and risks to both sides. The Parties made substantial progress with Judge Walsh's assistance.
5 Namely, the Parties exchanged information regarding their respective claims and defenses, including
6 their respective evaluation of the damages.

7 23. The mediation concluded without a settlement. Following mediation, the Parties
8 continued settlement negotiations with the assistance of Judge Walsh until reaching settlement. The
9 complete and final terms of the Parties' settlement are now set forth in the Agreement. Class Counsel
10 submits that the Settlement constitutes a fair, adequate, and reasonable compromise of the claims at
11 issue.

12 **IV. ARGUMENT**

13 **A. The Court Should Preliminarily Approve the Settlement**

14 24. The Gross Settlement Amount of \$400,000.00 is fair and reasonable considering the
15 nature and magnitude of the claims being settled and the various potential impediments to recovery,
16 including Defendant's financial condition. Prior to mediation, Class Counsel retained BCG to develop
17 economic damage models measuring Defendant's liability exposure while accounting for the
18 uncertainties of continued litigation. The various models were informed by Class Counsel's
19 investigation, including the analysis of a significant sample of time and payroll data. Class Counsel
20 projects Defendant's liability exposure for *class claims* (excluding PAGA Penalties) ranged between
21 \$1,606,217.20 ("Conservative Model") and \$3,387,234.00 ("Aggressive Model") if successful at trial.
22 This range reflects the uncertainty regarding several of the claims. Thus, the Gross Settlement Amount
23 represents a recovery of between 24.90% ("Conservative Model") and 11.81% ("Aggressive Model")
24 of Defendant's class-wide exposure – well within the recognized range of reasonableness. The
25 following summarizes Defendant's liability exposure.

26 25. Plaintiff's primary claim in this Action alleges that Defendant failed to provide compliant
27 meal periods. Specifically, Plaintiff alleges that as a result of their rigorous work schedules, Plaintiff,
28 Class Members, and Aggrieved Employees were not able to take timely and duty-free meal periods.

1 Consequently, Plaintiff alleges that they are owed meal period premiums for meal period violations that
2 occurred during the Class Period. This allegation is supported by an analysis of the Class Members'
3 time and payroll data.

4 26. Conversely, Defendant argued, among other things, that it provided all its employees, i.e.,
5 Class Members and Aggrieved Employees, with the opportunity to take compliant meal periods.
6 Defendant also argued that it maintained facially compliant meal period policies and that there were no
7 instructions to take noncompliant meal periods. SOZ Dec., ¶ 27. In light of the above, and taking
8 Defendant's defenses into account, Plaintiff estimates that the damages for this claim is approximately
9 \$337,551.00.

10 27. Plaintiff also alleged that Defendant failed to provide compliant rest periods.
11 Specifically, Plaintiff alleged that because of their rigorous work schedules, Plaintiffs, Class Members,
12 and Aggrieved Employees were not able to take timely and duty-free rest periods. Like the meal period
13 violations, BCG assumed an identical 76% violation rate for rest periods based on Plaintiff's testimony
14 and investigation.

15 28. Again, Defendant denied liability and asserted that it maintained legally compliant rest
16 period policies and practices throughout the Class Period. Moreover, Plaintiff recognizes the
17 evidentiary burdens establishing this claim. Establishing Plaintiff's rest period claim would rely, almost
18 entirely, on Class Member testimony, making it a riskier claim at class certification and liability stages.
19 Certification likely would have required depositions of Class Members who provided declarations, and
20 Defendant surely would have obtained opposing declarations stating either rest breaks were taken, or
21 rest breaks were voluntarily waived. *See, e.g., Ordonez v. Radio Shack, Inc.* (C.D. Cal. Jan. 17, 2013)
22 2013 WL 210223, at *11 ("Because of the competing testimony before the Court, plaintiff's evidence
23 that defendant may have an illegal, written rest break policy is insufficient for this Court to find that
24 common issues predominate."); *Villa v. United Site Servs. of California, Inc.* (N.D. Cal. Nov. 13, 2012)
25 2012 WL 5503550, at *8 ("Indeed, Plaintiff's own evidence confirms that the written policy does not
26 generate uniform practices."). Accordingly, Plaintiff's estimates that the damages for this claim is
27 approximately \$468,149.00.
28

1 29. Plaintiffs also allege that Defendants miscalculated the regular rate of pay for purposes
2 of overtime and meal break premiums. Specifically, Plaintiff alleges that employees were paid at two
3 or more hourly rates during a given pay period, but that Defendant failed to properly calculate the
4 regular rate of pay by using the weighted average of those rates.

5 30. The regular rate of pay, which can change from pay period to pay period, includes
6 adjustments to the straight time rate, reflecting, among other things, non-discretionary bonuses and
7 awards, shift differentials and the per-hour value of any non-hourly compensation the employee has
8 earned. *Alvarado v. Dart Container Corp. of California* (2018) 4 Cal.5th 542, 552-554. For overtime
9 work, “an employee must receive a 50 percent premium on top of his or her regular rate of pay[.]” *Id.*
10 at 553. California law also requires meal period premiums and rest period premiums to be paid at an
11 employee’s regular rate of pay. See *Ferra v. Lowes Hollywood Hotel, LLC* (2021) 11 Cal.5th 858.)
12 Defendant maintains that it paid the correct regular rate, and that any errors in the regular rate
13 calculation were inadvertent and incidental. Therefore, Defendant was also prepared to oppose class
14 certification on the grounds that individualized, incidental issues would predominate over common
15 issues, rendering class treatment inappropriate. Accordingly, Plaintiff estimates that Defendant’s
16 exposure on this claim is approximately \$574.00.

17 31. Plaintiff alleged that Defendant failed to reimburse its employees for mandatory business
18 expenses. Specifically, Plaintiff alleges that Defendant required Plaintiff, Class Members, and
19 Aggrieved Employees to launder and press their work uniforms as a result of and in furtherance of their
20 job duties but were not reimbursed for the cost associated with maintaining their work uniforms.
21 California employers who require employees to incur personal business expenses for work purposes
22 must reimburse the employee for the cost incurred. (*See* Cal. Labor Code § 2802(a), providing that “An
23 employer shall indemnify his or her employee for all necessary expenditures or losses incurred by the
24 employee in direct consequence of the discharge of his or her duties, or of his or her obedience to the
25 directions of the employer...”). BCG estimated a reasonable \$15 monthly reimbursement rate for Class
26 Members for maintaining their work uniforms.

27 32. Again, Defendant denied any liability for this claim. Defendant argued that employees
28 had no reason to incur any business expenses in the discharge of their duties. It contends that it did not

1 require employees to incur out-of-pocket costs for uniform maintenance, and that any such expenses
2 were voluntary, incidental, or not incurred as a direct consequence of job duties. Defendant further
3 asserts that, to the extent any expenses were incurred, they were minimal, not routinely required, and
4 not brought to Defendant's attention. In light of the above, and taking Defendant's defense into account,
5 Plaintiff discounted this claim by 50% and estimates Defendant's exposure for this claim ranged
6 between \$48,457.50 and \$96,915.00.

7 33. Plaintiff also alleged that Defendant failed to pay its employees for all hours worked.
8 Specifically, Plaintiff asserted that Defendant failed to pay employees for time spent taking physical
9 COVID-19 tests before the start of his shifts. Based on Plaintiff's testimony and Class Counsel's
10 investigation, BCG estimated that Class Members performed approximately five to ten minutes of
11 unpaid work performing COVID-19 screenings before every shift. Additionally, Plaintiff alleged that
12 they and other Class Members worked off-the-clock placing garbage bins outside and securing the
13 premises. As a result, Plaintiff, Class Members, and Aggrieved Employees forfeited compensation,
14 including overtime wages, for all the time they spent working under Defendant's control.

15 34. Defendant vigorously denied liability for this claim. Further, Defendant asserted that it
16 had in place a written policy requiring its employees to accurately record all their time worked daily
17 and argued that such written policies and procedures directed its employees not to work while off the
18 clock. Defendant also had in place compliant timekeeping policies that required employees to
19 accurately record their hours worked. Accordingly, Plaintiff narrowed the period to 2020 through 2022
20 and estimates that Defendant's exposure for this claim ranges between \$15,680.50 and \$31,361.00.

21 35. Plaintiff also alleged that Defendant failed to furnish its employees with accurate itemized
22 wage statements. Specifically, Plaintiff alleges facial violations of Labor Code section 226(a) in that
23 Defendant failed to include the address of the legal entity that employed Plaintiff and Class Members
24 and included non-worked hours in the total hours worked. Moreover, Plaintiff alleges that as a result of
25 Defendant's failure to pay for all wages and provide meal and rest periods as required by the California
26 Labor Code, Plaintiff and other Class Members are entitled to derivative wage statement penalties. (*See*
27 *Naranjo v. Spectrum Security Services* (2022) 13 Cal. 5th 93 (concluding that meal premiums are
28 "wages" entitling employees to derivative wage statement penalties). Defendant argued that even if it

1 failed to furnish accurate wage statements, Plaintiff could not establish that its failure was knowing and
2 intentional. As a result, Plaintiff discounted this claim 70% to account for this risk. Plaintiff estimated
3 that Defendant's exposure on this claim ranges \$223,035 and \$743,450.

4 36. Plaintiff also alleged that the Defendant's Labor Code violations resulted in derivative
5 liability for waiting time penalties. Although these *penalties* represented Defendant's largest dollar
6 amount of exposure, this is Plaintiff's most uncertain claim. Specifically, Defendant argued that
7 Plaintiff could not prove the "willful" prong needed to obtain waiting time penalties under Labor Code
8 section 203. Additionally, for the reasons stated above, *Naranjo, supra*, 15 Cal. 5th 1056, creates
9 difficulty in Plaintiffs succeeding in a purely derivative waiting time penalty claim. Moreover, it is
10 unclear at best whether Plaintiffs could establish the actual harm component necessary for class-
11 certification on the facial claim under Labor Code Section 226(a), even if liability is established.
12 Notwithstanding the uncertain nature of the claims, Plaintiff discounted the waiting time penalty claim
13 by 70% and estimated Defendant's exposure for this claim ranged between \$512,770.20 and
14 \$1,709,234.00.

15 37. Class Counsel's damage models also estimated Defendant's exposure for PAGA
16 penalties. At the time of mediation, Plaintiff estimated Defendant's PAGA exposure ranged between
17 \$38,070 and \$3,303,500.

18 38. Here, the Parties negotiated a good faith PAGA Payment in the amount of \$20,000.00
19 which is 5% of the Gross Settlement Amount. This amount falls well within the range of approved
20 PAGA Payments. Seventy-Five percent (75%) of the PAGA Payment (\$15,000.00) will be paid to the
21 LWDA ("LWDA Payment") with the remaining twenty-five percent (25%) of the PAGA Payment
22 (\$5,000.00) will be distributed to the Aggrieved Employees ("Aggrieved Employee Payment"), which
23 is within the range of PAGA Payments approved by courts and should be approved.

24 **B. Inherent Risks of Continued Litigation Support Preliminary Approval**

25 39. With respect to the most immediate challenge, i.e., class certification, the risks attendant
26 to the certification of similar wage and hour claims are demonstrated by *Magadia v. Wal-Mart*
27 *Associates, Inc.* (9th Cir. 2021) 999 F.3d 668. There, the Ninth Circuit vacated, reversed, and remanded
28 a \$110 million judgement against an employer for, *inter alia*, inaccurately paying overtime, and directed

1 the trial court to enter judgement in favor of the employer. *See also O’Conner v. Uber Technologies,*
2 *Inc.* (9th Cir. 2018) 904 F.3d 1087 (decertification of wage and hour misclassification action); *see also*
3 *Duran v. U.S. Bank National Association* (2014) 59 Cal.4th 1, 31 (reversing a trial verdict in favor
4 plaintiffs in a wage and hour class action)); *Tien v. Tenet Healthcare Corp.* (2012) 209 Cal.App.4th
5 1077, 1088 (“[T]he reason, if any, that employees might not take their breaks were predominantly
6 individualized questions of fact not susceptible to class treatment.”); *a.S.A. Cab Ltd.* (2009) 176
7 Cal.App.4th 1333, 1341 (affirming denial of certification because employees’ declarations attesting to
8 having taken meal and rest breaks demonstrated that individualized inquiries were required to show
9 harm); *Campbell v. Best Buy Stores, L.P.,* (C.D. Cal. 2013) 2013 WL 5302217 at *11-13 (following
10 *Brinker* and denying certification of proposed off-the-clock and rest and meal break classes due to lack
11 of uniform policy); *Brown v. Fed Express Corp.* (C.D. Cal. 2008) 249 F.R.D. 580, 587-88 (denying
12 certification of driver meal and rest period claims based on the predominance of individual issues).
13 Collectively, the examples cited above illustrate the uncertain nature of class litigation. Consequently,
14 the uncertainty of obtaining certification through a contested motion is a significant risk factor favoring
15 settlement.

16 40. Continuing to litigate this action would require continued and extensive resources
17 coupled with significant Court time to proceed through trial and post-trial motions, which can often
18 take years. Furthermore, wage and hour litigation is complex and expensive, as it often necessitates
19 extensive expert testimony, particularly with regards to damages. But even if Plaintiff was successful
20 at trial, Plaintiff is acutely aware that a judgment does not end the litigation. Plaintiff fully expects that
21 Defendant would appeal any favorable judgment. As demonstrated by *Magadia, supra*, 999 F.3d 668,
22 the risk of an appeal and subsequent reversal is real.

23 41. Finally, at mediation, Defendant represented that its ability to fund a class-wide
24 settlement was constrained by its financial condition. In response, Class Counsel retained Kenneth L.
25 Creal, CPA, an experienced financial accounting and forensics expert, to independently assess
26 Defendants’ financial capacity. Mr. Creal conducted a thorough review of Defendant’s financial
27 records. Based on that analysis, Mr. Creal concluded that the proposed Gross Settlement Amount is fair
28 and reasonable in light of the company’s financial position and projected financial trajectory.

1 42. In this matter, Class Counsel negotiated a Gross Settlement Amount of \$400,000.00 that
2 is 11.81% to 24.90% of Defendant's *class-wide* liability exposure for damages and statutory penalties.
3 Given the amount of the settlement here, as compared to potential value of the claims, offset by the
4 various inherent risks to continued litigation, and in light of Defendant's financial condition, the
5 settlement is fair and reasonable.

6 **C. Proposed Notice Informs the Class About the Case and Settlement**

7 43. The Parties jointly drafted the Class Notice which fairly and neutrally informs the Class
8 Members of their rights and remedies. The Settlement Administrator will first verify addresses, then
9 mail the proposed Class Notice to all Class Members. The Notice will include information regarding
10 the nature of the lawsuit, a summary of the substance of the Settlement's terms, the class definition, the
11 procedure, and time period within which to requests for exclusions or objections to the Settlement, the
12 date for the final approval hearing, the formula used to calculate settlement payments, and the terms
13 and scope of the Released Claims. Agreement at §§ I(S); III(H)(2). The Parties negotiated this method
14 to ensure delivering the most reasonable notice to the Class Members while ensuring cost effective
15 administration of the Settlement.

16 44. Accordingly, both the method of disseminating the Class Notice and content of the Class
17 Notice satisfy due process. (*See* C.R.C. 3.776(e)-(f); *State of Cal. v. Levi Strauss* (1986) 41 Cal.3d
18 460,485 (the class notice must "fairly apprise the class members of the terms of the proposed
19 compromise and of the options open to dissenting class members.").)

20 **C. The Court Should Preliminarily Approve the Class Representative Service Award**

21 45. The Settlement provides for a Service Award of \$10,000.00 to Plaintiff. The Service
22 Award is fair and reasonable compensation for the Plaintiff's efforts bringing the action, assisting Class
23 Counsel with the litigation and settlement, regularly conferring with Class Counsel on the status of their
24 case and the strategies for prosecuting the claims, reviewing the proposed Settlement to ensure that its
25 terms are fair and provide adequate relief for the Class Members, and agreeing to provide Defendant a
26 general release of all claims arising out of their employment.

1 46. Class Counsel on behalf of Plaintiff will file a formal motion for the negotiated Service
2 Award once preliminary approval of the Settlement is granted. Plaintiff respectfully submits that the
3 above showing is sufficient for preliminary approval of the negotiated Service Award.

4 **D. The Court Should Preliminary Approve the Negotiated Class Counsel Award**

5 47. Class Counsel took this matter on a contingency fee basis and invested significant time
6 and expense successfully prosecuting Plaintiff's claims. As discussed *supra*, the estimated average
7 Individual Class Payment illustrates the demonstrably positive outcome for the Class Members.
8 Considering the positive outcome for the Class Members, and in light of the supporting authority, the
9 proposed Attorneys' Fees and Expenses are fair and reasonable.

10 48. Plaintiff will file a formal motion for the negotiated Attorneys' Fees and Expenses once
11 preliminary approval of the Settlement is granted. Plaintiff respectfully submits that the above showing
12 is sufficient for preliminary approval of the negotiated Attorneys' Fees and Expenses.

13 **E. The Court Should Provisionally Certify the Settlement Class**

14 49. For Settlement purposes only, Plaintiff contends, and Defendant does not dispute, that
15 provisional certification of the Class is appropriate.

16 50. Because all Class Members are Defendant's current and former employees, the class is
17 readily ascertainable from Defendant's regular business records, i.e., payroll records.

18 51. The statutes relating to each of Plaintiff's claims apply with equal force and effect to the
19 entire Class. Factually, Defendant's policies and practices apply class-wide and Defendant's liability
20 can be determined by facts common to all members of the class. The wage and hour issues are both
21 numerous and substantial, and a class action is the most advantageous method of dealing with the claims
22 of the Class Members.

23 52. Plaintiff's wage and hour claims are typical of the proposed Class because they arise from
24 the same factual basis and are based on the same legal theories applicable to the other Class Members.
25 Likewise, Plaintiff's interests are entirely coextensive with the interests of the Class. Plaintiff alleges
26 that he was injured by the same company-wide practices to which the proposed Class Members were
27 subject to and seek the same relief. Plaintiff has already demonstrated his ability to advocate for the
28

1 interests of the Class Member by initiating this litigation, undertaking extensive class discovery, and
2 evaluating the proposed settlement to assure that it is fair.

3 53. A class action is superior to a multitude of individual lawsuits. Given the size and amount
4 of each individual claim, the Class Members likely have little incentive to litigate their claims on an
5 individual basis because the out-of-pocket expense and personal commitment necessary to litigate each
6 claim outweighs any potential recovery. In sum, class treatment is superior to individual, case-by-case
7 adjudication.

8 **F. Class Counsel's Experience**

9 54. My firm has worked on this matter over the course of the litigation during the last thirty-
10 nine. My credentials are reflected in the Zakay Law Group, APLC firm resume, a true and correct copy
11 of which is attached hereto as Exhibit #4. Some of the major cases my firm has undertaken is also set
12 forth in Exhibit #4. I have had class litigation experience, mostly in the area of employment class
13 actions, unfair business practices, and other complex litigation. I have experience in cases involving
14 labor code violations and wage and hour claims. I have litigated similar wage and hour cases against
15 other employers on behalf of employees. I have been approved as experienced class counsel in courts
16 throughout California. It is this level of experience which enabled my firm to undertake the instant
17 matter and to successfully combat the resources of the defendant and its capable and experienced
18 counsel.

19
20 I declare under the penalty of perjury under the laws of the State of California that the foregoing
21 is true and correct. Executed this 25th day of September 2025, at San Diego, California.

10 amount of the PAGA Payment is subject to Court approval pursuant to California

1. Unfair competition in violation of Cal. Bus. & Prof. Code § 17200 *et seq*;
2. Failure to pay minimum wages in violation of Cal. Lab. Code §§ 1194, 1197 & 1197.1;
3. Failure to pay overtime wages in violation of Cal. Lab. Code §§ 510 *et seq*;

8. Failure to reimburse employees for required expenses in violation of Cal. Lab. Code § 2802.

9. Violation of the Private Attorneys General Act, Labor Code §§ 2698 et. seq.

C. On August 4, 2022, Plaintiff filed a First Amended Complaint to dismiss the class claims without prejudice and allege a single PAGA representative cause of action.

D. On July 3, 2023, Plaintiff filed a Motion to Vacate the September 15, 2022, order compelling Plaintiff's individual claims to arbitration pursuant to CCP §1281.98. On August 1, 2023, Plaintiff's Motion to Vacate the Order compelling Plaintiff's Individual Claims to Arbitration was granted.

E. On October 2, 2023, Plaintiff filed a Motion for Leave to file a Second Amended Complaint, which was granted on October 30, 2023.

F. On November 3, 2023, Plaintiff filed a Second Amended Complaint to reallege the previously dismissed class claims against Defendant and reinstate the initial complaint filed on June 9, 2022, as the operative complaint.

G. Defendant denies any liability or wrongdoing of any kind associated with the claims alleged in the Action, dispute any wages, damages and penalties claimed by the Class Representative are owed, and further contend that, for any purpose other than settlement, the Action is not appropriate for class or representative action treatment. Defendant contends, among other things, that at all times it complied with the California Labor Code and the Industrial Welfare Commission Wage Orders.

H. The Class Representative is represented by Class Counsel. Class Counsel investigated the facts relevant to the Action, including conducting an independent investigation as to the allegations, reviewing documents and information exchanged through informal discovery, and reviewing documents and information provided by Defendant pursuant to informal requests for information to prepare for mediation. Defendant produced for the purpose of settlement negotiations certain employment data concerning the Settlement Class, which Class Counsel reviewed and analyzed with the assistance of an expert. Based on their own independent investigation and

1 evaluation, Class Counsel are of the opinion that the Settlement with Defendant is
2 fair, reasonable, and adequate, and is in the best interest of the Settlement Class
3 considering all known facts and circumstances, including the risks of significant
4 delay, defenses asserted by Defendant, uncertainties regarding class certification, and
5 numerous potential appellate issues.

6 I. On October 22, 2024, the Parties participated in mediation presided over by Hon.
7 Brian C. Walsh, an experienced mediator of wage and hour class and PAGA actions.
8 The mediation concluded without a settlement. Following mediation, the Parties
9 continued settlement negotiations with the assistance of Judge Walsh. The Parties
10 eventually reached settlement on February 4, 2025, which was subsequently
11 memorialized in the form of a “Memorandum of Understanding.”

12 J. This Agreement replaces and supersedes the Memorandum of Understanding and any
13 other agreements, understandings, or representations between the Parties. This
14 Agreement represents a compromise and settlement of highly disputed claims.
15 Nothing in this Agreement is intended or will be construed as an admission by
16 Defendant that the claims in the Action of Plaintiff or the Class Members have merit
17 or that Defendant bear any liability to Plaintiff or the Class on those claims or any
18 other claims, or as an admission by Plaintiff that Defendant’s defenses in the Action
19 have merit.

20 K. The Parties believe that the Settlement is fair, reasonable and adequate. The
21 Settlement was arrived at through arm’s-length negotiations, taking into account all
22 relevant factors. The Parties recognize the uncertainty, risk, expense and delay
23 attendant to continuing the Action through trial and any appeal. Accordingly, the
24 Parties desire to settle, compromise and discharge all disputes and claims arising from
25 or relating to the Action fully, finally, and forever.

26 L. The Parties agree to certification of the Class for purposes of this Settlement only. If
27 for any reason the settlement does not become effective, Defendant reserves the right
28

1 to contest certification of any class for any reason and reserve all available defenses
2 to the claims in the Action.

3 Based on these recitals that are a part of this Agreement, the Parties agree as follows:

4 **III. TERMS OF AGREEMENT**

5 A. Consideration.

6 1. Payment by Defendant. The Parties agree that, in consideration for a full and
7 complete settlement of the Action and the releases set forth in this Settlement,
8 Defendant will pay Four-Hundred Thousand Dollars and Zero Cents
9 (\$400,000.00) (the “Gross Settlement Amount”). Defendant shall separately
10 pay the employer’s share of applicable payroll taxes. The Parties agree that
11 this is a non-reversionary Settlement and that no portion of the Gross
12 Settlement Amount shall revert to Defendant.

13 2. Release by the Settlement Class Members. Upon entry of final judgment and
14 funding of the Gross Settlement Amount and in exchange for the consideration
15 set forth in this Agreement, Plaintiff and the Settlement Class Members, for
16 themselves and their estates, trusts, attorneys, heirs, successors, beneficiaries,
17 devisees, legatees, executors, administrators, trustees, conservators,
18 guardians, assigns, and representatives, forever completely release and
19 discharge the release the Released Parties from the Released Class Claims for
20 the Class Period.

21 3. Release by the Aggrieved Employees. Upon entry of final judgment and
22 funding of the Gross Settlement Amount and in exchange for the consideration
23 set forth in this Agreement, the LWDA, the State of California, the Plaintiff
24 and the Aggrieved Employees, for themselves and their estates, trusts,
25 attorneys, heirs, successors, beneficiaries, devisees, legatees, executors,
26 administrators, trustees, conservators, guardians, assigns, and representatives,
27 release the Released Parties from the Released PAGA Claims for the PAGA
28 Period. As a result of this release, the Aggrieved Employees shall be

precluded from bringing claims against Defendant for the Released PAGA Claims. The express purpose of this Settlement is to forever bar Plaintiff, the LWDA, the State of California and the Aggrieved Employees from acting on behalf of or purporting to act on behalf of the LWDA to assert any of the Aggrieved Employees' Released PAGA Claims against the Released Parties in any future litigation.

4. Class Size. Defendant estimates that the Settlement Class was comprised of 669 individuals who collectively worked approximately 23,766 Workweeks ("Projected Workweeks") during the Class Period. Fifteen (15) calendar days following the full execution of this Agreement, Defendant shall transmit the Class Data to the Settlement Administrator in order for the Settlement Administrator to calculate the number of Class Members and the number of Workweeks during the Class Period. If the number of Workweeks is more than 10% of the estimate stated herein, the settlement amount will be increased by the actual percentage of increased workweeks.

5. Settlement Payment. Defendant shall deposit the Gross Settlement Amount into the QSF by the Funding Date. If no funds are distributed (*e.g.*, because final approval is reversed on appeal) then Defendant is entitled to prompt return of the principal and all interest accrued.

B. Nullification of Settlement Agreement. If (a) Defendant fails to fully fund the Gross Settlement Amount or (b) in the event the Settlement Agreement is not granted final approval by the Court, or if the Court's order granting final approval fails to become effective or is reversed, modified or withdrawn, or Defendant is otherwise prevented or prohibited from obtaining the Released Class Claims and/or the Released PAGA claims, then:

1. This Settlement Agreement shall be void *ab initio* and of no force or effect, and shall not be admissible in any judicial, administrative or arbitral

proceeding for any purpose or with respect to any issue, substantive or procedural;

2. The conditional class certification (obtained for any purpose) shall be void *ab initio* and of no force or effect, and shall not be admissible in any judicial, administrative or arbitral proceeding for any purpose or with respect to any issue, substantive or procedural; and

3. None of the Parties to this Settlement will be deemed to have waived any claims, objections, defenses or arguments in the Action, including with respect to the issue of class certification.

4. If the Agreement is nullified due to Defendant's failure to fully fund the Gross Settlement Amount, then Defendant shall bear the sole responsibility for any cost to issue or reissue any curative notice to the Settlement Class Members and all Claims Administration Expenses incurred to the date of nullification. If the Agreement is nullified for any other reason, both Parties shall equally bear the responsibility for any cost to issue or reissue any curative notice to the Settlement Class Members and all Claims Administration Expenses incurred to the date of nullification.

C. Certification of the Settlement Class. The Parties stipulate to conditional class certification of the Settlement Class for purposes of settlement only. In the event that this Settlement is not approved by the Court, fails to become effective, or is reversed, withdrawn or modified by the Court, or in any way prevents or prohibits Defendant from obtaining a complete resolution of the Released Class Claims and/or the Released PAGA Claims, the conditional class certification (obtained for any purpose) shall be void *ab initio* and of no force or effect, and shall not be admissible in any judicial, administrative or arbitral proceeding for any purpose or with respect to any issue, substantive or procedural.

D. Tax Liability. The Parties make no representations as to the tax treatment or legal effect of the payments called for, and Class Members and/or Aggrieved Employees are

1 not relying on any statement or representation by the Parties in this regard. Class
2 Members and/or Aggrieved Employees understand and agree that they will be
3 responsible for the payment of any taxes and penalties assessed on the Individual
4 Settlement Payments and/or Aggrieved Employees' individual shares of the Aggrieved
5 Employee Payment described and will be solely responsible for any penalties or other
6 obligations resulting from their personal tax reporting of Individual Settlement
7 Payments and/or Aggrieved Employees' individual shares of the Aggrieved
8 Employees Payment.

9 E. Circular 230 Disclaimer. Each Party to this Agreement (for purposes of this section,
10 the "acknowledging party" and each Party to this Agreement other than the
11 acknowledging party, an "other party") acknowledges and agrees that: (1) no provision
12 of this Agreement, and no written communication or disclosure between or among the
13 Parties or their attorneys and other advisers, is or was intended to be, nor shall any
14 such communication or disclosure constitute or be construed or be relied upon as, tax
15 advice within the meaning of United States Treasury Department circular 230 (31 CFR
16 part 10, as amended); (2) the acknowledging party (a) has relied exclusively upon his,
17 her or its own, independent legal and tax counsel for advice (including tax advice) in
18 connection with this Agreement, (b) has not entered into this Agreement based upon
19 the recommendation of any other Party or any attorney or advisor to any other Party,
20 and (c) is not entitled to rely upon any communication or disclosure by any attorney
21 or adviser to any other party to avoid any tax penalty that may be imposed on the
22 acknowledging party, and (3) no attorney or adviser to any other Party has imposed
23 any limitation that protects the confidentiality of any such attorney's or adviser's tax
24 strategies (regardless of whether such limitation is legally binding) upon disclosure by
25 the acknowledging party of the tax treatment or tax structure of any transaction,
26 including any transaction contemplated by this Agreement.

27 F. Preliminary Approval Motion. As soon thereafter as practicable after the execution of
28 this Agreement, Plaintiffs shall file with the Court a Motion for Order Granting

1 Preliminary Approval and supporting papers, which shall include this Settlement
2 Agreement. Plaintiff will provide Defendant with a draft of the Motion at least five (5)
3 business days prior to the filing of the Motion to give Defendant an opportunity to
4 review and comment upon the Motion.

5 G. Settlement Administrator. The Settlement Administrator shall perform all duties
6 related to the administration of the Settlement as described in this Agreement
7 including, without limitation, establishing and administering the QSF; calculating,
8 processing and mailing payments to the Class Representative, Class Counsel, LWDA,
9 Aggrieved Employees and Class Members; printing and mailing the Notice Packets to
10 the Class Members and Aggrieved Employees as directed by the Court; receiving and
11 reporting the objections and requests for exclusion; calculating, deducting and
12 remitting all legally required taxes from Individual Settlement Payments and
13 distributing tax forms for the Wage Portion, the Penalty Portion and the Interest
14 Portion of the Individual Settlement Payments and/or Aggrieved Employees'
15 individual shares of the Aggrieved Employee Payment; processing and mailing tax
16 payments to the appropriate state and federal taxing authorities; providing
17 declaration(s) as necessary in support of preliminary and/or final approval of this
18 Settlement; and other tasks as the Parties mutually agree or the Court orders the
19 Settlement Administrator to perform. The Settlement Administrator shall keep the
20 Parties timely apprised of the performance of all Settlement Administrator
21 responsibilities by among other things, sending a weekly status report to the Parties'
22 counsel stating the date of the mailing, the number of Requests for Exclusion it
23 receives (including the numbers of valid and deficient), and number of Notices of
24 Objections received. The Settlement Administrator shall also be responsible for
25 creating and maintaining a webpage hosted on its website containing information
26 about the Settlement including but not limited to, a timeline for approval, dates and
27 locations of approval hearings, and settlement distribution through the check cashing
28 deadline.

1 H. Notice Procedure.

2 1. Class Data. No later than ten (10) business days after the Preliminary
3 Approval Date, Defendant shall provide the Settlement Administrator with the
4 Class Data for purposes of preparing and mailing Notice Packets to the Class
5 Members.

6 2. Notice Packets.

7 a) The Notice Packet shall contain the notice of class action settlement
8 (“Class Notice”) in a form substantially similar to **Exhibit A**. The
9 Class Notice shall inform Class Members and Aggrieved Employees
10 that they need not do anything in order to receive their payment and to
11 keep the Settlement Administrator apprised of any changes to their
12 mailing address. The Class Notice shall set forth the scope of the
13 release. Each Class Notice shall state the number of Workweeks and
14 PAGA Pay Periods, if any, and the estimated amount of their
15 Individual Settlement Payment and each Aggrieved Employee’s
16 individual share of the Aggrieved Employee Payment, if any. The
17 Settlement Administrator shall use the Class Data to determine the
18 number of Workweeks and PAGA Pay Periods. The Class Notice will
19 also advise the Aggrieved Employees that they will release the
20 Released PAGA Claims and will receive their share of the Aggrieved
21 Employee Payment regardless of whether they request to be excluded
22 from the Settlement.

23 b) The Notice Packet’s mailing envelope shall include the following
24 language: “IMPORTANT LEGAL DOCUMENT- YOU MAY BE
25 ENTITLED TO PARTICIPATE IN A CLASS ACTION
26 SETTLEMENT; A PROMPT REPLY TO CORRECT YOUR
27 ADDRESS IS REQUIRED AS EXPLAINED IN THE ENCLOSED
28 NOTICE.”

- 1 3. Notice by First Class U.S. Mail. Upon receipt of the Class Data, the
2 Settlement Administrator will perform a search based on the National Change
3 of Address Database to update and correct any known or identifiable address
4 changes. No later than twenty-one (21) calendar days after preliminary
5 approval of the Settlement, the Settlement Administrator shall mail copies of
6 the Notice Packet to all Class Members via regular First-Class U.S. Mail. The
7 Settlement Administrator shall exercise its best judgment to determine the
8 current mailing address for each Class Member. The address identified by the
9 Settlement Administrator as the current mailing address shall be presumed to
10 be the best mailing address for each Class Member.
- 11 4. Undeliverable Notices. Any Notice Packets returned to the Settlement
12 Administrator as non-delivered on or before the Response Deadline shall be
13 re-mailed to any forwarding address provided within seven (7) days of
14 receiving the returned notice. If no forwarding address is provided, the
15 Settlement Administrator shall promptly attempt to determine a correct
16 address by lawful use of skip-tracing, or other search using the name, address
17 and/or Social Security number of the Class Member involved, and shall then
18 perform a re-mailing, if another mailing address is identified by the Settlement
19 Administrator. In addition, if any Class Member who is currently employed
20 by Defendant, is returned to the Settlement Administrator, as non-delivered
21 and no forwarding address is provided, the Settlement Administrator shall
22 notify Defendant. Defendant will request that the currently employed Class
23 Member provide a corrected address and transmit to the Settlement
24 Administrator any corrected address provided by the Class Member. Class
25 Members who received a re-mailed Notice Packet shall have their Response
26 Deadline extended fifteen (15) days from the original Response Deadline.
- 27 5. Disputes Regarding Individual Settlement Payments. Class Members will
28 have the opportunity, should they disagree with Defendant's records regarding

1 the start and end dates of employment, to provide documentation and/or an
2 explanation to show contrary dates. If there is a dispute, the Settlement
3 Administrator will consult with the Parties to determine whether an
4 adjustment is warranted. The Settlement Administrator shall determine the
5 eligibility for, and the amounts of, any Individual Settlement Payments under
6 the terms of this Agreement. The Settlement Administrator's determination
7 of the eligibility for and amount of any Individual Settlement Payment shall
8 be binding upon the Class Member and the Parties.

9 6. Disputes Regarding Administration of Settlement. Any disputes not resolved
10 by the Settlement Administrator concerning the administration of the
11 Settlement will be resolved by the Court under the laws of the State of
12 California. Before any such involvement of the Court, counsel for the Parties
13 will confer in good faith to resolve the disputes without the necessity of
14 involving the Court.

15 7. Exclusions. The Class Notice contained in the Notice Packet shall state that
16 Class Members who wish to exclude themselves from the Settlement must
17 submit a written Request for Exclusion form by the Response Deadline. The
18 written Request for Exclusion must state that the Class Member wishes to
19 exclude himself or herself from the Settlement and (1) must contain the name,
20 address, and the last four digits of the Social Security number of the person
21 requesting exclusion; (2) must be signed by the Class Member; (3) must be
22 postmarked or fax stamped by the Response Deadline and returned to the
23 Settlement Administrator at the specified address or fax telephone number;
24 and (4) contain a typewritten or handwritten notice stating in substance: "I
25 wish to opt out of the settlement of the class action lawsuit entitled *Garcia v.*
26 *The Beach Chalet, L.P.*, current pending in San Francisco County Superior
27 Court, Case No. CGC-22-600090. I understand that by requesting to be
28 excluded from the settlement, I will receive no money from the Settlement

described in this Notice.” The Request for Exclusion will not be valid if it is not timely submitted, if it is not signed by the Class Member, or if it does not contain the name and address and last four digits of the Social Security number of the Class Member. The date of the postmark on the mailing envelope or fax stamp on the Request for Exclusion shall be the exclusive means used to determine whether the Request for Exclusion was timely submitted. Any Class Member who requests to be excluded from the Settlement Class will not be entitled to an Individual Settlement Payment and will not be otherwise bound by the terms of the Settlement or have any right to object, appeal or comment thereon. However, any Class Member that submits a timely Request for Exclusion that is also a member of the Aggrieved Employees will still receive his/her pro rata share of the Aggrieved Employee Payment, as specified below, and in consideration, will be bound by the Released PAGA Claims as set forth herein. Class Members who fail to submit a valid and timely written Request for Exclusion on or before the Response Deadline shall be bound by all terms of the Settlement and any final judgment entered in this Action if the Settlement is approved by the Court. No later than fourteen (14) calendar days after the Response Deadline, the Settlement Administrator shall provide counsel for the Parties with a final list of the Class Members who have timely submitted written Requests for Exclusion. At no time shall any of the Parties or their counsel seek to solicit or otherwise encourage Class Members to submit Requests for Exclusion from the Settlement.

8. Objections. The Class Notice contained in the Notice Packet shall state that Class Members who wish to object to the Settlement may submit to the Settlement Administrator a written statement of objection (“Notice of Objection”) by the Response Deadline. The postmark date of mailing shall be deemed the exclusive means for determining that a Notice of Objection was served timely. The Notice of Objection, if in writing, must be signed by the

1 Settlement Class Member and state: (1) the case name and number; (2) the
2 name of the Settlement Class Member; (3) the address of the Settlement Class
3 Member; (4) the last four digits of the Settlement Class Member's Social
4 Security number; (5) the basis for the objection; and (6) if the Settlement Class
5 Member intends to appear at the final approval/settlement fairness hearing.
6 Class Members who fail to make objections in writing in the manner specified
7 above may still make their objections orally at the final approval/settlement
8 fairness hearing with the Court's permission. Settlement Class Members will
9 have a right to appear at the final approval/settlement fairness hearing to have
10 their objections heard by the Court regardless of whether they submitted a
11 written objection. At no time shall any of the Parties or their counsel seek to
12 solicit or otherwise encourage Class Members to file or serve written
13 objections to the Settlement or appeal from the order and final judgment.
14 Class Members who submit a written Request for Exclusion may not object
15 to the Settlement. Class Members may not object to the PAGA Payment.

16 I. Funding and Allocation of the Gross Settlement Amount. Defendant is required to pay
17 the Gross Settlement Amount, plus any employer's share of payroll taxes as mandated
18 by law, by the Funding Date.

19 1. Calculation of Individual Settlement Payments. Individual Settlement
20 Payments shall be paid from the Net Settlement Amount and shall be paid
21 pursuant to the formula set forth herein. Using the Class Data, the Settlement
22 Administrator shall add up the total number of Workweeks for all Class
23 Members. The respective Workweeks for each Class Member will be divided
24 by the total Workweeks for all Class Members, resulting in the Payment Ratio
25 for each Class Member. Each Class Member's Payment Ratio will then be
26 multiplied by the Net Settlement Amount to calculate each Class Member's
27 estimated Individual Settlement Payments. Each Individual Settlement
28 Payment will be reduced by any legally mandated employee tax withholdings

(e.g., employee payroll taxes, etc.). Individual Settlement Payments for Class Members who submit valid and timely Requests for Exclusion will be redistributed to Settlement Class Members who do not submit valid and timely Requests for Exclusion on a pro rata basis based on their respective Payment Ratios.

2. Calculation of Individual Payments to the Aggrieved Employees. Using the Class Data, the Settlement Administrator shall add up the total number of PAGA Pay Periods for all Aggrieved Employees during the PAGA Period. The respective PAGA Pay Periods for each Aggrieved Employee will be divided by the total PAGA Pay Periods for all Aggrieved Employees, resulting in the “PAGA Payment Ratio” for each Aggrieved Employee. Each Aggrieved Employee’s PAGA Payment Ratio will then be multiplied by the Aggrieved Employee’s portion of the Aggrieved Employee Payment, \$5,000.00 (25% of \$20,000.00), to calculate each Aggrieved Employee’s estimated share of the Aggrieved Employee Payment.

3. Allocation of Individual Settlement Payments. For tax purposes, Individual Settlement Payments shall be allocated and treated as 20% wages (“Wage Portion”) and 40% penalties (“Penalty Portion”) and 40% pre-judgment interest (“Interest Portion”). The Wage Portion of the Individual Settlement Payments shall be reported on IRS Form W-2 and the Penalty Portion and Interest Portion of the Individual Settlement Payments shall be reported on IRS Form 1099 pursuant to the Settlement Agreement. Plaintiff and each Settlement Class Member shall bear the full responsibility for payment of any taxes or withholdings that are found to be owed from the Individual Settlement Payments.

4. Allocation of Aggrieved Employee Payments. For tax purposes, individual Aggrieved Employee Payments shall be allocated and treated as 100% penalties and shall be reported on IRS Form 1099.

- 1 5. No Credit Toward Benefit Plans. The Individual Settlement Payments and
2 individual shares of the Aggrieved Employee Payment made to Settlement
3 Class Members and/or Aggrieved Employees under this Settlement
4 Agreement, as well as any other payments made pursuant to this Settlement
5 Agreement, will not be utilized to calculate any additional benefits under any
6 benefit plans to which any Class Members may be eligible, including, but not
7 limited to profit-sharing plans, bonus plans, 401(k) plans, stock purchase
8 plans, vacation plans, sick leave plans, PTO plans, and any other benefit plan.
9 Rather, it is the Parties' intention that this Settlement Agreement will not
10 affect any rights, contributions, or amounts to which any Class Members may
11 be entitled under any benefit plans.
- 12 6. All monies received by Settlement Class Members under the Settlement which
13 are attributable to wages shall constitute income to such Settlement Class
14 Members solely in the year in which such monies actually are received by the
15 Settlement Class Members. It is the intent of the Parties that Individual
16 Settlement Payments and individual shares of the Aggrieved Employee Payment
17 provided for in this Settlement Agreement are the sole payments to be made by
18 Defendant to Settlement Class Members and/or Aggrieved Employees in
19 connection with this Settlement Agreement, with the exception of Plaintiff, and
20 that the Settlement Class Members and/or Aggrieved Employees are not entitled
21 to any new or additional compensation or benefits as a result of having received
22 the Individual Settlement Payments and/or their individual shares of the
23 Aggrieved Employee Payment.
- 24 7. Mailing. Individual Settlement Payments and individual shares of the
25 Aggrieved Employee Payment shall be mailed by regular First-Class U.S.
26 Mail to Settlement Class Members' and/or Aggrieved Employees' last known
27 mailing address no later than fourteen (14) calendar days after the Funding
28 Date.

1 8. Expiration. Any checks issued to Settlement Class Members and Aggrieved
2 Employees shall remain valid and negotiable for one hundred and eighty (180)
3 days from the date of their issuance. If a Settlement Class Member and/or
4 Aggrieved Employee does not cash his or her settlement check within ninety
5 (90) days, the Settlement Administrator will send a letter to such persons,
6 advising that the check will expire after the 180th day, and invite that
7 Settlement Class Member and/or Aggrieved Employee to request reissuance
8 in the event the check was destroyed, lost or misplaced. In the event an
9 Individual Settlement Payment and/or Aggrieved Employee's individual
10 share of the Aggrieved Employee Payment check has not been cashed within
11 one hundred and eighty (180) days, if more than 10% of all checks mailed to
12 the Class Members are not cashed within 180 days, payment shall be
13 redistributed to the Class Members who did cash their checks. If less than 10%
14 of checks are uncashed, the funds represented by such uncashed checks will
15 be deposited with the California Controller's Unclaimed Property Fund in the
16 name of the Settlement Class Member and/or Aggrieved Employee.

17 9. Service Award. In addition to the Individual Settlement Payment as a
18 Settlement Class Member and his individual share of the Aggrieved Employee
19 Payment, the Class Representative will apply to the Court for an award of not
20 more than \$10,000.00 as the Service Award. Defendant will not oppose a
21 Service Award of not more than \$10,000.00 for Class Representative. The
22 Settlement Administrator shall pay the Service Award, either in the amount
23 stated herein if approved by the Court or some other amount as approved by
24 the Court, to Class Representative from the Gross Settlement Amount no later
25 than fourteen (14) calendar days after the Funding Date. Any portion of the
26 requested Service Award that is not awarded to the Class Representative shall
27 be part of the Net Settlement Amount and shall be distributed to Settlement
28 Class Members as provided in this Agreement. The Settlement Administrator

1 shall issue an IRS Form 1099 — MISC to Class Representative for his Service
2 Award. Class Representative shall be solely and legally responsible to pay
3 any and all applicable taxes on his Service Award and shall hold harmless the
4 Released Parties from any claim or liability for taxes, penalties, or interest
5 arising as a result of the Service Award. Approval of this Settlement shall not
6 be conditioned on Court approval of the requested amount of the Service
7 Award. If the Court reduces or does not approve the requested Service Award,
8 Class Representative shall not have the right to revoke the Settlement, and it
9 will remain binding.

- 10 10. Attorneys' Fees and Attorneys' Expenses. Defendant will not object to Class
11 Counsel filing a motion for Attorneys' Fees not to exceed one-third of the
12 Gross Settlement Amount (currently estimated to be \$133,333.33) and
13 Attorneys' Expenses supported by declaration not to exceed Thirty Thousand
14 Dollars (\$30,000.00). Any awarded Attorneys' Fees and Attorneys' Expenses
15 shall be paid from the Gross Settlement Amount. Any portion of the requested
16 Attorneys' Fees and/or Attorneys' Expenses that are not awarded to Class
17 Counsel shall be added to the Net Settlement Amount and shall be distributed
18 to Settlement Class Members as provided in this Agreement. The Settlement
19 Administrator shall allocate and pay the Attorneys' Fees to Class Counsel
20 from the Gross Settlement Amount no later than fourteen (14) calendar days
21 after the Funding Date. Class Counsel shall be solely and legally responsible
22 to pay all applicable taxes on the payment made pursuant to this paragraph.
23 The Settlement Administrator shall issue an IRS Form 1099 — MISC to Class
24 Counsel for the payments made pursuant to this paragraph. In the event that
25 the Court reduces or does not approve the requested Attorneys' Fees, Plaintiff
26 and Class Counsel shall not have the right to revoke the Settlement, or to
27 appeal such order, and the Settlement will remain binding.
28

11. PAGA Payment. Twenty Thousand Dollars and Zero Cents (\$20,000.00) shall be allocated from the Gross Settlement Amount for settlement of claims for civil penalties under the Private Attorneys General Act of 2004. The Settlement Administrator shall pay seventy-five percent (75%) of the PAGA Payment (\$15,000.00) to the LWDA no later than fourteen (14) calendar days after the Funding Date. Twenty-five percent (25%) of the PAGA Payment (\$5,000.00) will be distributed to the Aggrieved Employees as described in this Agreement. For purposes of distributing the Aggrieved Employee Payment portion of the PAGA Payment to the Aggrieved Employees, each Aggrieved Employee shall receive their pro-rata share of the Aggrieved Employee Payment using the PAGA Payment Ratio as defined above.

12. Claims Administration Expenses. The Settlement Administrator shall be paid for the actual costs of administration of the Settlement from the Gross Settlement Amount. The estimate of the Claims Administration Expenses is \$8,500.00. The Settlement Administrator shall be paid the Claims Administration Expenses no later than fourteen (14) calendar days after the Funding Date.

J. Final Approval Motion. Class Counsel and Plaintiff shall use best efforts to file with the Court a motion for order granting final approval and entering judgment, within thirty (30) days following the expiration of the Response Deadline, which motion shall request final approval of the Settlement and a determination of the amounts payable for the Service Award, the Attorneys' Fees and Attorneys' Expenses, the PAGA Payment, and the Claims Administration Expenses. Plaintiff will provide Defendant with a draft of the motion at least five (5) business days prior to the filing of the motion to give Defendant an opportunity to propose changes or additions to the motion.

1. Declaration by Settlement Administrator. No later than seven (7) days after the Response Deadline, the Settlement Administrator shall submit a

1 declaration in support of Plaintiff's motion for final approval of this
2 Settlement detailing the number of Notice Packets mailed and re-mailed to
3 Class Members, the number of undeliverable Notice Packets, the number of
4 timely Requests for Exclusion, the number of Notices of Objections received,
5 the amount of the average Individual Settlement Payment and highest
6 Individual Settlement Payment, the Claims Administration Expenses, and any
7 other information as the Parties mutually agree or the Court orders the
8 Settlement Administrator to provide.

9 2. Final Approval Order and Judgment. Class Counsel shall present an order
10 granting final approval of class action settlement to the Court for its approval,
11 and judgment thereon, at the time Class Counsel files the motion for final
12 approval.

13 N. Cooperation. The Parties and their counsel will cooperate with each other and use
14 their best efforts to implement the Settlement.

15 O. Interim Stay of Proceedings. The Parties agree to stay all proceedings in the Action,
16 except such proceedings necessary to implement and complete the Settlement, pending
17 the final approval fairness hearing to be conducted by the Court.

18 P. Amendment or Modification. This Agreement may be amended or modified only by
19 a written instrument signed by counsel for all Parties or their successors-in-interest.

20 Q. Entire Agreement. This Agreement and any attached Exhibit constitute the entire
21 Agreement among these Parties, and no oral or written representations, warranties or
22 inducements have been made to any Party concerning this Agreement or its Exhibit
23 other than the representations, warranties and covenants contained and memorialized
24 in this Agreement and its Exhibit.

25 R. Authorization to Enter into Settlement Agreement. Counsel for all Parties warrant and
26 represent they are expressly authorized by the Parties whom they represent to negotiate
27 this Agreement and to take all appropriate Action required or permitted to be taken by
28 such Parties pursuant to this Agreement to effectuate its terms, and to execute any other

documents required to effectuate the terms of this Agreement. The persons signing this Agreement on behalf of Defendant represents and warrants that he/she is authorized to sign this Agreement on behalf of Defendant. Plaintiff represents and warrants that he is authorized to sign this Agreement and that he has not assigned any claim, or part of a claim, covered by this Settlement to a third-party.

S. Binding on Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the successors or assigns of the Parties, as previously defined.

T. California Law Governs. All terms of this Agreement and any disputes shall be governed by and interpreted according to the laws of the State of California.

possible consistent with applicable precedents so as to define all provisions of this Agreement valid and enforceable.

Z. No Unalleged Claims. Plaintiff and Class Counsel represent that they do not currently intend to pursue any claims against the Released Parties, including, but not limited to, any and all claims relating to or arising from Plaintiff's employment with Defendant, regardless of whether Class Counsel is currently aware of any facts or legal theories upon which any claims or causes of action could be brought against Released Parties, including those facts or legal theories alleged in the operative complaint in this Action. Object	You may write to the Court about why you believe the settlement should not be approved. Directions are provided below.

1. Why did I get this Notice?

A proposed class action settlement (the “Settlement”) of this lawsuit pending in the Superior Court for the State of California, County of San Francisco (the “Court”) has been reached between Plaintiff Jesus Garcia (“Plaintiff” or “Class Representative”) and Defendant The Beach Chalet, L.P. (“Defendant”). The Court has granted preliminary approval of the Settlement. **You may be entitled to receive money from this Settlement.**

You have received this Class Notice because you have been identified as a member of the Class.

The “Class” is defined as:

All current and former non-exempt employees who worked for Defendant The Beach Chalet, L.P., in California at any time during beginning on June 9, 2018 through February 2, 2025.

The “Class Period” is the period from June 9, 2018, to February 2, 2025.

This Class Notice explains the lawsuit, the Settlement, and your legal rights. It is important that you read this Notice carefully as your rights may be affected by the Settlement.

2. What is this class action lawsuit about?

On June 9, 2022, Plaintiff filed a Complaint against Defendant in the Superior Court of the State of California, County of San Francisco, asserting causes of action for: (1) Unfair Competition (Bus. & Prof. Code §§ 17200 et seq.); (2) Failure to Pay Minimum Wages (Labor Code §§ 1194, 1197 and 1197.1); (3) Failure to Pay Overtime Wages (Labor Code §§ 510 et seq.); (4) Failure to Provide Required Meal Periods (Labor Code §§ 226.7, 512 and the applicable Wage Order); (5) Failure to Provide Required Rest Periods (Labor Code §§ 226.7, 516 and the applicable wage order); (6) Failure to Provide Accurate Itemized Wage Statements (Labor Code § 226); (7) Failure to Reimburse Employees for Required Expenses (Labor Code § 2802); and (8) Violation of the Private Attorneys General Act (Labor Code § 2698 et seq.) Plaintiff amended his complaint on August 4, 2022, and filed a Second Amended Complaint on November 3, 2023. The Second Amended Complaint is the Operative Complaint in this Action, and includes the same eight causes of action listed above.

Defendant expressly denies any liability or wrongdoing of any kind associated with the claims alleged in the Action, disputes any wages, damages and penalties claimed by the Class Representative are owed, and further contends that, for any purpose other than settlement, the Action is not appropriate for class or representative action treatment. Defendant contends, among other things, that at all times it complied with the California Labor Code and the Industrial Welfare Commission Wage Orders.

The Parties participated in a mediation with Hon. Brian C. Walsh on October 22, 2024, which ended without a settlement. With Judge Walsh's continued assistance, the Parties resumed negotiations and reached a settlement on February 4, 2025. The Court granted preliminary approval of the Settlement on <<INSERT PRELIMINARY APPROVAL DATE>>. At that time, the Court also preliminarily approved the Plaintiff to serve as the Class Representative, and the law firms of JCL Law Firm, APC and Zakay Law Group, APLC to serve as Class Counsel.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay an "all in" amount of Four-Hundred Thousand and Zero Cents (\$400,000.00) (the "Gross Settlement Amount") to fund the settlement. The Gross Settlement Amount includes the payment of all Individual Settlement Payments to Settlement Class Members, Class Counsel's Attorneys' Fees and Attorneys' Costs, Claims Administration Expenses, the PAGA Payment, and the Service Award to the Plaintiff.

By February 3, 2026, or within sixty (60) days after the Court grants final approval of the Settlement (whichever is later), Defendant will pay the Gross Settlement Amount by depositing the money with the Settlement Administrator.

Amounts to be Paid from the Gross Settlement Amount. The Settlement provides for certain payments to be made from the Gross Settlement Amount, which will be subject to final Court approval, and which will be deducted from the Gross Settlement Amount before settlement payments are made to Class Members, as follows:

- "Claims Administration Expenses". Payment to the Settlement Administrator, estimated not to exceed \$8,500.00 for expenses, including expenses of sending this Notice, processing opt-outs, and distributing settlement payments.
- "Attorneys' Fees" and "Attorneys' Expenses". Payment to Class Counsel of Attorneys' Fees of no more than 1/3 of the Gross Settlement Amount (currently \$133,333.33) and Attorneys' Expenses of not more than \$30,000.00 for all expenses incurred as documented in Class Counsel's billing records, both subject to Court approval. Class Counsel have been prosecuting the Action on behalf of Plaintiff and the Class on a contingency fee basis (that is, without being paid any money to date) and have been paying all litigation costs and expenses.

- “Service Award”. Service Award of up to Ten Thousand Dollars (\$10,000.00) to Plaintiff or such lesser amount as may be approved by the Court, to compensate him for services on behalf of the Class in initiating and prosecuting the Action, and for the risks he undertook.
- “PAGA Payment”. A payment of \$20,000.00 relating to Plaintiff’s claim under the Private Attorneys General Act (“PAGA”), \$15,000.00 of which will be paid to the State of California’s Labor and Workforce Development Agency (“LWDA”) and the remaining \$5,000.00 will be distributed to Aggrieved Employees.
- Calculation of Payments to Settlement Class Members. After all the above payments of the court-approved Attorneys’ Fees, Attorneys’ Expenses, the Service Award, the PAGA Payment, and the Claims Administration Expenses are deducted from the Gross Settlement Amount, the remaining portion, called the “Net Settlement Amount shall be distributed to class members who do **not** request exclusion (“Settlement Class Members”). Settlement Class Members will be paid based on the number of workweeks worked during the Class Period. A “Workweek” is defined as any seven (7) consecutive days beginning on Sunday and ending on Saturday, in which a Class Member is employed for at least a portion of one day by Defendant during the Class Period in California.
- Calculation of Aggrieved Employees Payments to Aggrieved Employees. The PAGA Payment shall be distributed to Aggrieved Employees irrespective of whether they exclude themselves or opt-out of the Class Settlement. The PAGA Payment will be divided by the total number of PAGA pay periods worked by all Aggrieved Employees during the PAGA Period, and then taking that number and multiplying it by the number of PAGA pay periods worked by each respective Aggrieved Employee during the PAGA Period. “Aggrieved Employee” means all current and former non-exempt employees who worked for Defendant The Beach Chalet, L.P., in California at any time during the period beginning on April 4, 2021 through February 2, 2025.

If the Settlement is approved by the Court, you will automatically be mailed a check for your individual payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Settlement Administrator to inform them of your correct address to ensure you receive your payment.

Tax Matters. Twenty percent (20%) of each individual Class Settlement payment is allocated to wages. Taxes are withheld from this amount, and each Settlement Class Member will be issued an Internal Revenue Service Form W-2 for such payment. Forty percent (40%) of each individual Class Settlement payment is allocated to interest and forty percent (40%) to penalties. No taxes will be withheld from the PAGA Payment paid to Aggrieved Employees. Each Settlement Class Member will be issued an Internal Revenue Service Form 1099 for penalty portion and interest portion of the individual Class Settlement payments. In addition, no taxes will be withheld from the PAGA Payment paid to Aggrieved Employees, and each Aggrieved Employee will be issued an Internal Revenue Service Form 1099 for such payment. Neither Class Counsel nor Defendant’s counsel intend anything contained in this Settlement to constitute advice regarding taxes or taxability. You may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

No Credit Toward Benefit Plans. The individual Class Settlement payments and Aggrieved Employee PAGA Payments made to Settlement Class Members and/or Aggrieved Employees under this Settlement Agreement, as well as any other payments made pursuant to this Settlement Agreement, will not be utilized to calculate any additional benefits under any benefit plans to which any Settlement Class Members may be eligible, including,

but not limited to profit-sharing plans, bonus plans, 401(k) plans, stock purchase plans, vacation plans, sick leave plans, PTO plans, and any other benefit plan. Rather, it is the Parties' intention that this Settlement Agreement will not affect any rights, contributions, or amounts to which any Settlement Class Members may be entitled under any benefit plans.

Conditions of Settlement. This Settlement is conditioned upon the Court entering an order granting final approval of the Settlement and entering judgment.

4. What Do I Release Under the Settlement?

Released Claims. Upon entry of final judgment and funding of the Gross Settlement Amount, the Defendant shall be entitled to a release from the Class Members of all class claims alleged, or reasonably could have been alleged based on the facts alleged, in the operative complaint in the Action which occurred during the Class Period, and expressly excluding all other claims, including claims for vested benefits, wrongful termination, unemployment insurance, disability, social security, workers' compensation, and class claims outside of the Class Period.

The Released PAGA Claims shall be released as follows. Upon entry of final judgment and funding of the Gross Settlement Amount, the Defendant shall be entitled to a release from the Plaintiff and the State of California for all PAGA claims alleged in the operative complaint in the Action and Plaintiff's PAGA notice to the LWDA which occurred during the PAGA Period, and expressly excluding all other claims, including claims for vested benefits, wrongful termination, unemployment insurance, disability, social security, workers' compensation, and PAGA claims outside of the PAGA Period.

This means that, if you do not timely and formally exclude yourself from the Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant about the legal issues resolved by this Settlement. It also means that all of the Court's orders in this Action will apply to you and legally bind you.

5. How much will my payment be?

After entry of the Judgment, the Settlement Administrator will provide notice of the final judgment to the Class Members by posting a copy of the Judgment on the administrator's website at www.atticusadmin.com.

7. What if I don't want to be a part of the Class Settlement?

If you do not wish to participate in the Class Settlement, you may exclude yourself from the Class Settlement or "opt out." **If you opt out, you will receive NO money from the Class Settlement, and you will not be bound by its terms, except as provided as follows.** Irrespective of whether you exclude yourself from the Class Settlement or "opt out," if you are an Aggrieved Employee, you will be bound by the PAGA Release, you will be deemed to have released the Released PAGA Claims, and you will receive a share of the Aggrieved Employee portion of the PAGA Payment.

To opt out, you must submit to the Settlement Administrator, by First Class Mail, a written, signed and dated request for exclusion postmarked no later than _____. The address for the Settlement Administrator is Atticus Class Action Administration, 1295 Northland Drive, Suite 160, St. Paul, MN 55120; Tel: 1-888-326-6411. 8. How do I tell the Court that I would like to challenge the Settlement?

Any Class Member who has not opted out and believes that the Settlement should not be finally approved by the Court for any reason, may object to the proposed Settlement. Objections must be in writing and state the Class Member's name, current address, telephone number, and describe why you believe the Settlement is unfair and whether you intend to appear at the final approval hearing. All written objections or other correspondence must also state the name and number of the case, which is *Jesus Garcia v. The Beach Chalet, L.P., San Francisco County Superior Court Case Number CGC-22-600090*. You may also object without submitting a written objection by appearing at the final approval hearing scheduled as described in Section 9 below.

To object to the Settlement, you cannot opt out. If the Court approves the Settlement, you will be bound by the terms of the Settlement in the same way as Class Members who do not object. Any Class Member who does not object in the manner provided in this Class Notice shall have waived any objection to the Settlement, whether by appeal or otherwise.

Written objections must be delivered or mailed to the Settlement Administrator no later than [REDACTED].
