Hon. Victoria Kolakowski

Action Filed: January 30, 2024

Trial Date: Not set

1 I, Nicholas J. Ferraro, declare as follows:

2 1. I am counsel of record for Plaintiff Myrella Thomas in this action. I am principal of
3 Ferraro Vega Employment Lawyers, Inc. and an attorney licensed to practice law in the State of
4 California and in Washington State. I submit this declaration in support of Plaintiff's Motion for
5 Preliminary Approval of Class Action Settlement. If called as a witness, I would testify honestly to the
6 below facts based on my personal knowledge.

7 2. My experience in wage and hour class action litigation is described below and our
8 updated Firm Resume is attached hereto as Exhibit 1. My co-counsel and partner, Lauren N. Vega, also
9 has substantial experience in handling class actions and other complex litigation as both an employment
10 defense and plaintiff's lawyer in cases like this one. We have engaged in significant pre-litigation
11 investigation, witness interviews, formal and informal discovery, damage analysis, and other litigation
12 efforts on behalf of Plaintiffs and the putative class. My office has extensive experience litigating class
13 actions on behalf of both plaintiffs and defendants. Our litigation practice focuses primarily on wage
14 and hour claims arising under California and federal law. Ferraro Vega Employment Lawyers has
15 already invested significantly in the investigation, litigation, and resolution of this case and will
16 continue to devote the necessary resources to bring the matter through final approval and conclusion.

17 3. I am counsel of record in more than one dozen wage and hour class and representative
18 actions filed throughout the State of California, in state and federal courts.

19 4. As set forth on our Firm Resume, attached hereto as Exhibit 1, my firm has handled
20 many wage and hour class and representative actions through litigation and final judgment.

21 5. I have also previously served as defense counsel in numerous class action lawsuits,
22 including through final judgment in *Espinosa v. California College of San Diego, Inc., et al.* (U.S.
23 District Court, S.D. Cal., Case No. 17CV00744 [Hon. Michael M. Anello]).

24 6. I am a graduate of Gonzaga University and the University of San Diego School of Law,
25 where I was a member of the *San Diego Law Review* and recipient of a Dean's Honor Scholarship.

26 7. I was admitted to the State Bar of California in 2015 and worked at Simpson Delmore
27 Greene as an attorney. While at this firm I was primarily staffed on employment litigation and
28 counseling matters helping small and large employers.

1 8. In May 2016, I accepted an associate attorney position on the employment law team at
2 the national law firm of Gordon Rees Scully Mansukhani LLP, at its Downtown San Diego office,
3 where I specialized in the defense of wage and hour and employment lawsuits filed by employees.

4 9. In March 2017, I accepted an associate attorney position in the labor and employment
5 department of the Philadelphia-based international law firm of Duane Morris LLP, at its Downtown
6 San Diego office. At Duane Morris, I had a particular focus on the defense of wage and hour class and
7 PAGA actions.

8 10. In August 2018, I started my own law practice, which I called Ferraro Employment Law,
9 Inc. (now known as Ferraro Vega Employment Lawyers, Inc.). Currently, about 90 percent of the firm's
10 practice is dedicated exclusively to prosecuting wage and hour class and representative actions under
11 the California Labor Code, California Private Attorneys General Act, California Business and
12 Professions Code, and the Fair Labor Standards Act. About 10 percent of my practice is dedicated to
13 individual claims involving unpaid wages, wrongful termination, discrimination, harassment, and
14 retaliation claims arising under the California Fair Employment and Housing Act, California Labor
15 Code, and common law. A portion of my practice involves helping businesses comply with California
16 and federal employment laws.

17 11. As a lawyer who focuses exclusively on labor and employment law issues, I have had
18 articles included in various written and online publications, including *California Employment Law*
19 *Letter*, *HR Daily Advisor*, Lexology, and in client alerts and newsletters. I have been asked to speak on
20 wage and hour and employment law issues during classes at the University of San Diego School of
21 Law, San Diego State University, and with the San Diego HR Forum, among other conferences and
22 seminars for clients hosted by my previous law firm employers.

23 12. In November 2022, I presented on wage and hour class and PAGA actions as a guest
24 lecturer in an Employment Law class at the University of San Diego School of Law. In September
25 2021, I helped create and lead a training seminar for the labor standards enforcement attorneys at the
26 California Department of Industrial Relations (DIR) on selected wage and hour litigation and arbitration
27 issues. I have also served as a panelist at the San Diego County Bar Association's 2019 Labor &
28 Employment Law Conference, and again at the San Diego County Bar Association's 2021 Labor and

1 Employment Law Conference.

2 13. I currently serve on the Wage and Hour Committee for the California Employment
3 Lawyers Association and have held prior leadership positions with the Association of Business Trial
4 Lawyers (San Diego) and San Diego County Bar Association (Labor & Employment Law Section).

5 14. In 2022, the *San Diego Business Journal* named me as a “Top 100 Leaders in Law” in
6 their annual publication. For the past five years, from 2019 through 2023, Thomson Reuters’ Super
7 Lawyers rating service recognized me as a “Rising Star” in the area of Class Actions. This is a
8 marketing honor that is awarded to 2.5 percent of California lawyers under the age of 40. For the years
9 of 2022 through 2024, *Best Lawyers* included me as “The Best Lawyers in America: Ones to Watch”
10 for California labor and employment lawyers.

11 15. In sum, I believe that the settlement in this case is fair, reasonable, and in the best
12 interests of the class in light of the monetary recovery, challenges of the case, recent developments in
13 wage and hour law, the risks of certification and decertification, adverse summary adjudication rulings,
14 and the lengthy process of establishing damages, and potential appeals. The resolution presented an
15 excellent opportunity for the class to obtain a robust and substantial settlement, which should be
16 approved. The settlement was reached only after extensive evaluation and review of employment
17 records, including an expert wage and hour analysis.

18 I declare under penalty of perjury under the laws of the State of California and the United States
19 of America that the foregoing is true and correct.

20
21 Respectfully submitted,
